

Chapter: 2390

Seeing Chu Fei looking at her vigilantly and defensively, Nangong Wushang was very sad, and at the same time felt immense anger. She didn't know how, her elder sister was like this, it must be because Nangong Wuxie bullied her too much. That's why I was so shocked!

She took a deep breath and said softly: "Sister, don't worry, I promise you that I won't hurt you! You are my eldest sister."

After hearing Nangong Wushang's words, Chu Fei's defenses slowly relaxed a lot. She could feel that the woman in front of her was indeed malicious towards her, and even treated her with incomparable kindness and kindness. bona fide.

The most important thing is that the other person's appearance is really similar to her. In fact, she almost knows it. The one in front of him is called Nangong Wushang, and it should be her own sister.

"Are you really my sister?" Chu Fei asked softly.

Nangong Wushang heard her talking and was very surprised and happy, and quickly said: "Yes, yes! Big sister, my name is Nangong Wushang, it's your second sister, have you forgotten me?"

Chu Fei shook her head and said, "Sorry, I don't really remember you anymore."

Nangong Wushang was very sad and sad. She remembered deeply that she used to have the best relationship with her eldest sister, and the eldest sister was also the one who defended her most.

However, after that incident happened many years ago, the eldest sister suddenly disappeared.

She still remembers that scene, and over the years, she has rarely searched for her eldest sister, but in any case, she can't find it in a crowd of people.

Now that she can meet her eldest sister again, to be honest, she is really happy.

"Sister, it seems that you have really experienced a lot of things in the world. The thing in your body has caused you too much influence... Anyway, you are the eldest sister of my life. !" Nangong Wushang smiled and said: "Officially introduce, my name is Nangong Wushang, it is your sister, and your name is Nangong Wushang."

Chu Fei had already known that she was called Nangong Wuxia, but she had no impression of Nangong Wushang or Nangong Wuxie.

In her memory, except for some unhappy childhoods and her own history, she can't remember many, many things.

"Sorry, I still don't remember you." Chu Fei said guiltily.

Nangong Wushang shook his head and said, "Nothing, we have time in the future. Sister, can you tell me how you spent these years in the world?"

Chu Fei thought for a while and said, "My name is Chu Fei now. I come

from an ordinary family in the world and have a happy marriage...”

“Wait a minute.” Nangong Wushang suddenly interrupted Chu Fei and said, “Sister, are you already married?”

Faced with this reaction of Nangong Wushang, Chu Fei was a little surprised. Didn’t Nangong Wushang have known her identity in the world long ago?

Just now Nangong Wuxie tried to find her to lose her temper like this. It was obvious that she knew that her husband was Lin Ziming, the man who is currently known as the thorn in the sect world.

Chu Fei nodded and said, “Well, I’m already married.”

Nangong Wushang frowned, and said a little displeased: “In the world, who else can be worthy of you, eldest sister?”

Chu Fei said, “His name is Lin Ziming. You should have heard his name too.”

“what?!”

Hearing these words from Chu Fei, Nangong Wushang’s reaction became even more intense. She opened her eyes suddenly, with an unbelievable look, and said, “Sister, are you kidding me? Your husband is actually. It’s Lin Ziming, the one who just returned from the secret realm and killed King Xiaoyao?”
