

Chapter: 2393

“Say!” Lin Ziming said abruptly, and in the blink of an eye, he arrived in front of Jiang Liqun and looked at him with piercing eyes.

Jiang Liqun swallowed his saliva, with only one thought in his heart, the strength of the chairman is even more terrifying than before!

Of course, he didn’t dare to make ink, and quickly said: “We investigated, Madam, she seemed to be taken away by a strong man in the martial world. The subordinates have mobilized all the surveillance in Hwaseong these days, and let us see a blur. Video...”

When Lin Ziming heard these words, his heartbeat quickened!

Finally there is Chu Fei’s information, and at this moment, he really wants to call it out loudly.

But he was still firmly suppressed by him, and he still had to calm down before he really discovered Chu Fei.

“Call it out immediately and show it to me.” Lin Ziming said in a deep voice.
“Yes, Chairman!”

Jiang Liqun didn’t dare to hesitate, and immediately took Lin Ziming to watch the video.

Not long after, Lin Ziming saw a video, and the picture was blurry, not because of the lack of monitor pixels, but because the moving people were too fast.

However, Lin Ziming recognized immediately. The kidnapped person was indeed Chu Fei, his wife!

And the man next to Chu Fei looked like a middle-aged Yisao, he couldn’t see the front face, only the side face.

Lin Ziming can confirm that he has never seen this middle-aged man.

But what he can be sure of is that this middle-aged man is definitely a super strong, and his strength may not be below him!

In this way, he can be further locked.

“Is there any information about this man?” Lin Ziming asked.

Jiang Liqun shook his head and said: “No, but we have investigated that this man should come from the martial world, and his status in the martial world will not be too low.”

Lin Ziming nodded and said, “Besides, there is a picture of his face.”

Jiang Liqun said with shame: “The subordinates are incompetent. They looked for a Hwaseong monitor, but they could only find this video.”

He said this sentence, a little frightened, for fear that Lin Ziming would anger him. He knew how important Chu Fei was to Lin Ziming.

Lin Ziming was silent for a while, patted him on the shoulder and said, “You did a good job, you have worked hard.”

Jiang Liqun was flattered immediately, half kneeling down, “This is what his subordinates should do, no hard work, no hard work.”

Seeing Jiang Liqun's sincere and fearful look made Lin Ziming a little depressed. Is he a very mean boss in Jiang Liqun's mind? I remember that Jiang Liqun was in front of him before, although he was very respectful, but he was not so nervous now.

He asked curiously: "Liqun, are you afraid of me?"

Hearing these words from Lin Ziming, Jiang Liqun sweated on his forehead, nodded quickly, and then shook his head quickly: "No, no, Chairman, I am in awe of you, yes, in awe of you."

Lin Ziming frowned and said, "Tell the truth."

Jiang Liqun immediately struck a spirit, and said bitterly: "I don't know why, after you come out of the secret realm, Chairman, you have a bigger aura. Every time your subordinates are in front of you, you always feel out of breath."
