

Chapter: 2438

I don't know how many people have a huge interest in Chu Fei.

Among them are all kinds of elites, young talents, and geniuses with excellent talents.

They all know that as long as they marry Chu Fei, they will surely usher in the fate of Huang Tengda.

Therefore, this is also the reason why the election of the son-in-law in this field will cause a sensation in the entire martial arts world, and so many people have come.

In fact, many people don't know what Tian Jue is thinking.

Logically speaking, with an identity like Chu Fei, marriage shouldn't be such a trifling matter.

What if the final winner is not a disciple of Heavenly Killing Sect, but someone else, then is this to marry or not to marry?

But anyway, since Tian Jue dared to play like this, someone would dare to accompany him.

Lin Ziming was hiding in it, without saying a word, his eyes were deep, but he didn't look too much at Tian Jue and Chu Fei, for fear of being discovered.

His more energy was placed among the strong players present, and soon he discovered that there was no opponent that could threaten him here.

If the only person who could pose a threat to him would be Tian Jue alone.

In addition to Tian Jue, even Kunlun on the side is not his opponent.

Of course, as a man in the world, Lin Ziming himself has killed so many masters in the sect world. Now that he is alone here, it was originally an extremely dangerous thing. Once his identity is exposed, then he will have to face him. Yes, it's not just Tian Jue alone.

Instead, facing the siege of the entire martial world.

At that time, even if he has three heads and six arms, no matter how powerful he is, he will not be able to escape!

Therefore, now he is undoubtedly dancing on the blade, everything must be extremely cautious, and he can't make any mistakes.

Fortunately, his disguise skills are very good. In order to test the effect, he deliberately walked in front of Chu Fei and found that Chu Fei still didn't even spot her.

Since even Chu Fei couldn't find him, let alone other people, so he was relieved.

Soon, with Tian Jue's speech, this time the son-in-law election officially began!

Participants also have requirements.

First of all, the identity must be a person in the martial world, and the cultivation base must reach the congenital realm of Great Perfection, the age

must not exceed forty years old, and must not have been married.

Apart from these four points, there are no other requirements.

Lin Ziming naturally participated.

His first opponent was a master of Innate Realm Dzogchen, from Heaven Killing Sect, tall and tall, with murderous eyes in his eyes.

After he took the stage, he saw Lin Ziming with a face full of disdain, and said high up: "Give you a chance, surrender, or die."

Lin Ziming didn't say anything. After the bell of the game rang, he shot directly.

He didn't show his peak strength from the very beginning, but put his cultivation base on the congenital realm of Great Perfection, and it took two minutes to defeat his opponent.

He didn't win too beautifully, and he looked very low-key and inconspicuous, so he didn't attract other people's attention.

He soon ushered in his second opponent, who was also an Innate Realm Great Perfection master, but his strength was much better than the one just now.
