

Chapter: 356

“Oh my God, Mr. Xiao, you originally wanted to bring us to listen to Fengting!”

When Mr. Xiao drove Maserati and stopped to the front of Tingfeng Pavilion, Chu Fei’s secretary immediately opened his eyes, and said in shock, looking at Mr. Xiao, his eyes were also full of admiration.

Mr. Xiao saw the secretary’s exaggerated look, his smile on his face became even brighter, he couldn’t hide his pride and prestige, he deliberately pretended to be very low-key on the surface, smiled and said, “Yes, in The best club in Hwaseong City is Tingfeng Pavilion. The big bosses and dignitaries in the surrounding cities all come to Tingfeng Pavilion to discuss business. It’s rare for Chu always to come to me to talk about business. To entertain President Chu.”

When he said this, he deliberately straightened his waist and took out his exclusive VIP membership card from Tingfeng Pavilion. It was actually bordered with gold, which was very valuable at first glance.

Chu Fei seemed to have no reputation for hearing Tingfeng Pavilion. She asked curiously, “Is this Tingfeng Pavilion special?”

When Mr. Xiao heard this, his expression was a little weird. He looked at Chu Fei and asked, “Mr. Chu, as a native of Huacheng, have you ever heard of Fengting?”

Chu Fei shook her head and said honestly: “I haven’t heard of it before, it seems I am ignorant.”

The secretary couldn’t help but said excitedly: “Mr. Xiao, I heard that the threshold for becoming a member of Tingfengting is very high! Not everyone can come in. First, you must top up 3 million to qualify for membership? Is that so?”

Mr. Xiao shook his head, with some disdain and arrogance in his expression, he said, “If three million people want to become members of Tingfengting, the reputation of Tingfengting is not so great. In Huacheng , There are more than three million people.”

Then, he paused and said with a more arrogant expression: “If you want to become a member of Tingfengting, you must recharge at least five million! And these five million are used as membership fees. After you become a member, you can spend it again. , And another charge is required.”

“Oh my God! Five million! This Tingfeng Pavilion’s force is too high!” The secretary immediately screamed, her eyes widened, and her eyes were full of red hearts when she looked at Mr. Xiao. , I can’t wait to rush into Mr. Xiao’s arms immediately.

Even Chu Fei was a little moved when she heard that, five million is just the cost of becoming a member? What kind of club is this? It’s too exaggerated! You know, many companies have less than five million revenues a year.

Although she is now the chairman of Shengke Lighting, she herself does not have much money, so she can't agree to spend five million to buy a membership of Tingfengting.

She can also see now that this young man named Xiao Cheng is very rich. This is a good thing and shows that their cooperation is more valuable.

Xiao Cheng kept staring at Chu Fei secretly and observing Chu Fei's reaction. He deliberately brought Chu Fei here, not just to pretend to be in front of Chu Fei and win Chu Fei's favor.

But he was disappointed. Chu Fei didn't have much admiration on her face, but she was slightly surprised, and then she returned to nature, as if she was indifferent. To be honest, this made him feel a little unhappy. Of course, he didn't think that Chu Fei was not surprised, but that Chu Fei was just pretending not to care on purpose.

He has investigated, and now Centec Lighting has raised another 100 million investment, and the company has come alive, but there is still some way to go before it is truly profitable and becomes a company with a market value of over 100 million.

In particular, Chu Fei took the position of chairman of Shengke Lighting not long ago. Chu Fei is just a grassroots. I don't know how much money I have seen, which means that Chu Fei does not have it until now. Seen too much money.

Xiao Cheng has absolute confidence in the thorough psychological analysis of women. He believes that there are few people in the world comparable to him.
