

Chapter: 456

“This...” The corners of Ye Piaoyang’s mouth twitched twice, and this Ma Long was too shameful for him.

However, they do have this ability. You don’t need to give him face. Kunlun Group, which is a very powerful company in China, has a market value of tens of billions. It is not something that a Black Rock media boss in other districts can offend.

And this Ma Long is a famous dude in the circle, especially arrogant and domineering, I don’t know how many women played.

Ye Piaoyang had heard of Ma Long’s ‘prestige’ before, and he also understood that this level of dude could not be offended by him as a media boss. For a while, he was a little bit troubled. If it was another female celebrity, he would directly agree to Malone.

But Ning Yuning is different. Ning Yuning is now Heiyan Media’s most popular star. In terms of traffic, it is half a level higher than Wu Fanyi, and it is also Heiyan Media’s cash cow. This way, Ma Long fell asleep and passed it out, which was a devastating blow to Ning Yuning’s star path.

And a very important point, Ning Yuning is different from other female stars. After being in the entertainment circle for so long, he has always maintained his innocence. He will not be stained by the silt. He is definitely not willing to be defiled by Ma Long. , If you want to force it, there must be a big problem.

But as far as Malone was concerned, he didn’t dare to offend easily, so for a while, he was a little bit difficult.

When Ning Yuning heard Ma Long’s words, her face began to pale again, and she hurriedly said: “Chairman, don’t be defiled by him if you kill me!”

As for female celebrities such as Yang Xiaomi, they would be gloating a lot. Originally, the explosion of Ning Yuning in the last two years has had an impact on them. The company’s resources have given Ning Yuning a lot more, if not tonight , They and Ning Yuning are also in a competitive relationship.

Tonight came to cheat Lin Ziming again, and their hostility towards Ning Yuning was even greater. If Ning Yuning really wanted to accompany Ma Long, then it could be said that Ning Yuning was completely out of the game.

Lin Ziming frowned slightly. He didn’t expect that he would encounter something like this when he came to have a meal tonight. Kunlun Group, he also knows, well-known logistics companies in China have a market value of 30 to 40 billion yuan, and after the rising stage, the market value will increase over time.

As for this Ma Long, he hasn’t heard of it. Looking at Ye Piaoyang’s fear, he must be the chairman of the Kunlun Group or the son of an executive,

and he is a typical dude.

These are okay. With Lin Ziming's current strength, there is no need to be afraid of the Kunlun Group, let alone Ma Long, even the president of the Kunlun Group, he doesn't need to give face.

What really makes Lin Ziming feel a little bit interested is that this Ma Long is not an ordinary dude, the other party is still a practicing, and his skills are not bad, and Lin Ziming also sees a huge momentum from Ma Long's temperament, self-confidence Full of heart, it seems that Ma Long's identity is not just as simple as the Kunlun Group. This is a bit interesting.

Lin Ziming didn't speak, he watched from the sidelines, originally Ning Yuning was Ye Piaoyang's person, and it was not his turn to come forward and take the lead.

"Why, don't you agree?" Ma Long's face looked like a smile, and terrible pressure emanated from him, and Ye Piao suddenly panicked, with a cold sweat on his forehead, and hurriedly explained: "Mr. Ma, you misunderstood. , I didn't mean that... I don't know how Ning Yuning offended Mr. Ma, I apologize for her, Mr. Ma, you can see if you can look at my face and turn big things into small ones. Up?"

With that, Ye Piaoyang bent over, lowered his posture, and went over to pour President Ma, and picked up the wine glass to apologize to Ma Long.

However, Ma Long ignored him at all, he didn't even move, and twisted his neck again, showing a creepy smile, and said: "According to this, you won't give me Ma Long face?"

As his words fell, suddenly, with a sigh, the other men in the box all stood up, stepped forward together, and surrounded Ye Piaoyang.
