

Chapter: 468

“It’s really Lin Ziming!”

“What’s the situation? Why did Lin Ziming hook up with the big star? Isn’t he a small person?”

“This is a fake. We don’t know what Lin Ziming is. How can a big star like him? Besides, Lin Ziming is the son-in-law of our Chu family.”

“It must be a fake! It’s just a figure that looks like Lin Ziming, it can’t be Lin Ziming.”

Suddenly, the entire Chu family began to stir. Many people took out their phones to read them, and they read the news and saw the photos.

In fact, many of them have noticed that this is Lin Ziming, at least 90% similar. Even so, some people still think it’s just like, it can’t be Lin Ziming, especially the younger generation, they are all fans of Ning Yuning, in their minds, Ning Yuning is a fairy-like existence, and Lin Ziming is just a hanging silk. The difference between the two is the difference between the fairy and the ant. How could there be a relationship, let alone a tryst.

But anyway, all of them looked at Chu Fei.

Full of schadenfreude and ridicule, since Chu Fei came to power, they didn’t dare to say anything on the surface, but behind their backs, they hated Chu Fei even more. Now that they can see Chu Fei embarrassing, they are even more happy.

Chu Fei finally took her gaze out of the phone. Now her brain is a little blank. I don’t know why, and she feels very uncomfortable. She wants to squeeze a smile, but finds it very difficult.

“By the way, Feifei, where is Lin Ziming, isn’t he coming over this time?”

“Yes, he must go to this kind of family gathering in the past. After all, he can have a good meal. Why didn’t he come today?”

“What the news says, isn’t it true?”

Many Chu family members who usually dislike Chu Fei are now taking advantage of this opportunity to start to get angry with Yin and Yang.

Chu Fei tried to keep herself calm, and said lightly: “He has something to return to his hometown.”

Liu Suhong and Chu Huaxiong also saw the photos on the Internet. Now they are in a particularly bad mood. Since they met in Yulong Bay that time, their attitudes towards Lin Ziming have been different, knowing that Lin Ziming is gone. Shit luck, made a lot of money, can’t wait for Lin Ziming to remarry Chu Fei quickly. There was a little movement in the end, but they were anxious to death.

Now that they see this news, they are even more anxious. This shows that Lin Ziming is really rich, and even big stars can hook up!

“Chu Fei, the mysterious man who had a rendezvous with Ning Yuning according to the news, isn’t it really Lin Ziming, right?” A family of Chu

provoked this topic.

Chu Fei has no answer.

Liu Suhong immediately stood up and said: “Of course it can’t be our family Ziming, it’s just another man who looks like Ziming. Our family Ziming’s relationship with Feifei doesn’t know more love!”

When Chu Fei heard the words, her lips moved, and she wanted to say something, but in the end she still didn’t say anything, which was taken as a default.

At this moment, a teasing voice came out, “I see, Shiyou ** is true. Now Lin Ziming is rich. Not long ago, he bought a big villa in Yulong Bay, three thousand and eight. For a house of more than one million yuan, the entire bill was paid in one go.”

Hearing these words, everyone suddenly gasped!

For a large villa of more than 38 million yuan, or is it to be paid in full in one go? This is too rich!

As the children of the Chu family, they themselves are considered rich second generations, but they dare not imagine what it is to spend nearly 40 million in a house at a time.
