

Chapter: 523

In desperation, she thought of calling Lin Ziming again and let Lin Ziming come over to pretend to be her boyfriend and take her out of the sea of suffering.

It's a pity that Lin Ziming is in the West District, and it takes almost an hour to drive around, which makes her feel extremely disappointed.

As a result, when she had lost hope, Lin Ziming suddenly appeared in front of her!

At the moment, she was completely stunned, thinking that she had hallucinations.

When she recovered and saw Lin Ziming turned around and left, she was obviously hiding from her. This made her feel even more uncomfortable, her nose was sour, a strong feeling of grievance surged into her heart, and she couldn't help crying, loudly. Shouted: "Lin Ziming! You stop me!!!"

Her voice shouted loudly. In such an elegant environment, she looked particularly abrupt and harsh, and suddenly attracted the eyes of everyone around her. Especially the young men and women who were walking with her were taken aback and looked at her in astonishment.

Lin Ziming heard Guo Junyi's yelling and screamed inwardly, so he laughed bitterly and had to stop.

I was really careless this time. I knew that Guo Junyi was also at the Weston Hotel and walked out in a big way. As a result, I really met Guo Junyi. Didn't this I lift a rock and hit myself in the foot?

Guo Junyi couldn't take care of that much anymore, she walked quickly towards Lin Ziming, walking very fast, her high heels creaked.

Lin Ziming had no choice but to turn his head and smile dryly, looking at Guo Junyi, who walked to the front, aggrieved and angry, waved hello, and said, "Hey, Miss Guo, what a coincidence, I don't think I am here, haha Haha."

Guo Junyi smiled at his cold joke, so she stared at him and stared straight at him. Her beautiful eyes were red, full of grievances and grievances. Anyone with eyes would think Lin Ziming was a guilty man. Sorry about Guo Junyi, that's why Guo Junyi showed such an expression.

In fact, Lin Ziming complained that he and Guo Junyi were just friends that were so innocent that they could no longer be innocent, and they didn't have any advantage over Guo Junyi at all.

Guo Junyi stared at him without speaking, seeing Lin Ziming's heart furry, coughed twice, and then said: "Miss Guo, I was joking with you just now. Actually, I was also eating at the Weston Hotel, and I wanted to find it. your."

Guo Junyi still didn't speak, but looked at him with the expression of the

scumbag. In this way, it would be difficult for those people not to misunderstand.

At this time, the young men and women who were traveling with Guo Junyi came over. Three women and four men, among them one was the most handsome dressed man covered with famous brands and perfumes. He was in his early thirties and looked at the forest with hostility. Ming.

Guo Junyi took a deep breath and said to Lin Ziming, “Why lie to me? You are obviously here. Am I so annoying to you?”

Lin Ziming wanted to say yes, but when he saw Guo Junyi’s aggrieved look, his eyes were red. He knew that once he said this, Guo Junyi would definitely cry out in seconds, and it would be difficult for him to end.

I sighed helplessly, what did I do? How could I meet Guo Junyi for a meal with someone from the new company.

Is this the so-called Peach Blossom Tribulation? But he was already very restrained.

“What are you talking about, why should I hate you? Don’t think about it. I just happened to be talking about business and I didn’t have time to find you, so I had to tell you a white lie. Miss Guo, you are so kind. Understanding, shouldn’t you have the same knowledge as me?” Lin Ziming said with a guilty conscience.

Guo Junyi stared at him, snorted heavily, and said something in her eyes to settle accounts with you later, then she walked over, slammed Lin Ziming’s hand, and kissed Lin Ziming on the face, facing the opposite one. The man said, “Qiu Yuanming, didn’t you ask if I have a boyfriend? He is my boyfriend, Lin Ziming.
