

Chapter: 527

Then, Guo Junyi couldn't wait to say to Zhou Xinfang: "Fangfang, don't be afraid. My boyfriend is the chairman of Ziqiong Media. He has great prestige in the circle. As long as he is there, Qiu Yuanming has no way to block you. In this way, I will say hello to my boyfriend and let you work in Zi Qiong Media."

Chairman of Harmony Media?

Just this guy wearing a few hundred dollars Baleno?

The people at the scene couldn't help but start stunned when they heard Guo Junyi's words, they all looked at Lin Ziming.

Zhou Xinfang also stayed for a while. She naturally knew Ziqiong Media. It was a well-known media company in the whole country. It had signed many celebrities under its umbrella. It had strong strength and a market value of several billions. It was also a big company she couldn't look up to!

Among them, Chairman Zi Qiong is a legendary existence. To them, middle-class white-collar workers, they are undoubtedly a fairy-like existence. In recent months, she has listened to more than a hundred discussions about Chairman Zi Qiong.

She couldn't even think of such a capital crocodile, but now Guo Junyi actually told him that the young man in front of him who looks shameless and wears a few hundred yuan of Baleno is the well-known Chairman Michelle?

She felt that Guo Junyi was joking with her, otherwise she would be crazy!

Part of the reason why Guo Junyi was so excited when she saw Lin Ziming was because she knew that Lin Ziming was the chairman of Ziqiong Media, a super big figure. This identity was too scary. As long as she moved out, Qiu Yuanming would definitely know the difficulties. Retire and dare not provoke her anymore.

Seeing Zhou Xinfang's dumbfounded look, she felt very sad and said to Zhou Xinfang, "Fangfang, are you scared? Ziming, the chairman of Ziqiong Media, stomped her feet casually, in the Huacheng business circle. It can cause an earthquake. So you don't have to be afraid. The little Qiu Yuanming can't threaten you at all."

Zhou Xinfang came back to his senses. He first looked at Lin Ziming with a helpless look, then looked back at Guo Junyi, and stretched his hand to Guo Junyi's forehead and said, "Junyi, are you sick?"

Guo Junyi slapped Zhou Xinfang's hand away, and said angrily: "I'm so big, I'm telling you the truth, my boyfriend is really Chairman Zi Qiong, if you don't believe me, ask him."

Lin Ziming watched Guo Junyi move out her identity and pretended to be forced, but she felt very big.

"Puff!"

At this moment, an abrupt laughter rang out, “Hahahaha...I am so ridiculous, the chairman of Michelle Media, such big people dare to pretend, do you treat everyone as idiots?”

It was Qiu Yuanming, who laughed loudly, as if he heard a big joke, tears streaming out of his laughter.

The people around couldn't help but laugh when they heard it. They felt that Guo Junyi and Lin Ziming were too shameless, and even had a problem with their brains, and even said such things.

Who is the chairman of Michelle Media? Everyone present knows that he is an absolute big boss, a capital crocodile, and stomping can cause an earthquake in Hwaseong. Would such a big person appear in such a place, without bodyguards, without assistants, and wearing such cheap clothes?

The most outrageous thing is, as the big boss of Michelle Media, what kind of status is someone ridiculed, and will he be so useless?

Zhou Xinfang also shook his head, thinking that Guo Junyi had a mental problem, that's why he said such absurd things.
