

Chapter: 548

Zhang Yaodong used to be Chu Fei's college classmate. During that time, she was crazy about Chu Fei, because Chu Fei did not agree to him so late. Once she became so angry that she called Chu Fei to Jinlong KTV and put medicine in Chu Fei's wine. He planned to use it against Chu Fei. Later, Lin Ziming arrived in time and took Zhang Yaodong to Laurie as the chairman of Ziqiong. He didn't expect that just half a year later, Zhang Yaodong actually appeared again.

"Brother Xing, is this the famous Yuntian Pavilion auction? It really is spectacular!" Zhang Yaodong bent his waist slightly, showing a humble posture, and flattering respectfully.

Six months ago, he was indeed taken in by Lin Ziming, but because of a blessing in disguise, he recognized the big man in front of him, tried his best to fawn on the big man, and was released after less than half a year.

After he came out, he realized that Gu Hanxing is a real big man with a deep background and outstanding ability. Chairman Zi Qiong is nothing in front of him!

Just like tonight, he followed Gu Hanxing to the Yuntian Pavilion auction and saw that there is such a hidden side in this world, but he was so excited! Now he hugs Gu Hanxing's thigh, and there will be no need to worry about Brilliant Tengda in the future. Moreover, at that time, he will still find the trouble of Chairman Zi Qiong. The most important thing is that he wants to get Chu Fei and conquer Chu Fei! This is already a knot in his heart. If he doesn't get Chu Fei in this life, he will be incomplete.

Gu Hanxing nodded and said, "What do you want to see later, as long as it is no more than 30 million, I will take it for you as a gift for helping me."

When Zhang Yaodong heard this, his eyes released a strong brilliance, his face flushed with excitement, he rubbed his hands vigorously, and said, "Thank you, Brother Xing, thank you, Brother Xing!"

Gu Hanxing smiled faintly, and didn't have anything to say. He went in and sat for a while because of something six months ago. He just met Zhang Yaodong. After he came out, he took Zhang Yaodong as a younger brother. do.

Gu Hanxing's status in Yuntian Pavilion is not low. Tao Sanniang just came back from Lin Ziming and saw Gu Hanxing. She immediately put on a charming smile and started to entertain Gu Hanxing, "Oh, this is not Gu Shao, welcome! "

When Zhang Yaodong saw Tao Sanniang, his eyes immediately showed a fiery look, his eyes flowed over Tao Sanniang's body, salivating.

Sanniang felt Zhang Yaodong's gaze, and some disgust flashed in her eyes quickly. Don't look at her seductive look. In fact, these were all her methods, and it didn't mean that she was really a prodigal person.

Gu Hanxing saw Tao Sanniang, and there was some heat in his eyes, and he immediately returned to normal. He showed a handsome smile and said, "Sanniang, you will be more beautiful for a while, and your temperament will be more character."

Tao Sanniang giggled and said with a charming smile: "Oh, Gu Shaozhen can coax people, so that Sanniang heard the deer ramming around."

Gu Hanxing smiled, and when he came over, he wanted to hug Tao Sanniang's waist, and was evaded by Tao Sanniang's ingenious posture, "Don't be so anxious, Gu Shao, how can Sanniang be embarrassed by the crowd. Wait. After the auction, Sanniang can chat with Gu Shao well?"

Guru!

All of a sudden, there was the sound of men swallowing one after another, especially Zhang Yaodong's voice was the loudest. His eyes were fixed on Tao Sanniang, and he was reluctant to move away!

After so many years, he has experienced many women, but he has really never seen someone like Tao Sanniang.
