

## Chapter: 575

Even if Lin Ziming turned his back to him, he immediately recognized it! Now he has a deep fear of Lin Ziming, and he trembles when he sees it. Others don't know, they are still fanning the flames.

"Hey, Lin Ziming, you are still eating. You have finished eating all the vegetables in a large table. It really came out of the countryside. You haven't eaten these good dishes in your life, like a hungry ghost."

"Sitting at the same table with this kind of person to eat is all out of class."

"I have never seen such a shameless person, it's almost impossible."

"Still eating, I must have seen Mr. Zhang come, people are scared and dare not speak anymore, haha."

"Of course I was scared, otherwise you really thought Mr. Zhang would pee his pants when he watched it. Isn't that a joke!"

Many people were chatting, and they hadn't noticed that Zhang Yaodong's face became paler and paler, and he became more and more frightened.

Chu Fei bit her lip tightly. She felt uncomfortable. She thought that now that Lin Ziming was stronger, she wouldn't be ridiculed anymore, but she didn't expect the same ending.

At this moment, Lin Ziming had almost eaten. He slowly turned around and said to Zhang Yaodong with a chuckle, "Zhang Yaodong, you are all right. I haven't seen you for half a month. He has become President Zhang. The scenery is very beautiful. Do you even have to evade you?"

Hearing this, Zhang Yaodong trembled fiercely all over his body. Then, he made a move that everyone was shocked. He directly knelt down and tremblingly begged for mercy: "Dong Lin! I was wrong Dong Lin! Please! Dong Lin raised his hand, let me go this time, please..."

Zhang Yaodong begged for mercy while palming his mouth. He didn't dare to get any moisture, and he slapped his face. After a while, his face was beaten into a pig's head.

When everyone saw him like this, they were all dumbfounded, all of them dumbfounded, with the same expressions as hell.

Others rubbed their eyes, suspecting that they had hallucinations.

Zhang Yaodong is really scared to the extreme now, and his heart is twisted into a ball. What dignity and face are all worthless at this time, and life is not important. Because he knew that if he dared to be arrogant, Lin Ziming would maimed him in minutes.

Chu Fei also opened her eyes wide, looking at Zhang Yaodong in surprise, unable to recover for a long time.

Lin Ziming was also a little surprised, Zhang Yaodong knelt so simply, it made him not easy to take action.

He smiled and said, "Oh, isn't it, then what are you talking about wrong?"

Zhang Yaodong was taken aback for a moment, yeah, where did he go

wrong? I can't tell, he just came here, he didn't do anything, and he didn't molest Chu Fei.

But this is not the point. In front of Lin Ziming, he had to admit his mistakes! With a snap, he slapped himself again, crying in mourning, and said, "I was wrong with my eyesight. Seeing Lin Dong here, I don't have the first time to please Lin Dong."

When everyone heard Zhang Yaodong's words, they were even more bewildered and felt unreal. The expressions in their eyes when they looked at Lin Ziming were even more different.
