

## Chapter: 579

Tao Sanniang suddenly became a little annoyed. She is also a beautiful woman and a high-level member of the Sky Tower. Many men have a crush on her, and there is no chance of wanting to say a word to her. Now she takes the initiative to strike up a conversation with Lin Ziming, but Lin Ziming is instead. It's horrible to ignore her!

Taking a deep breath, Tao Sanniang forcibly suppressed her anger, and said solemnly: "It's about Gu Hanxing."

Seeing Tao Sanniang's seriousness, it didn't look like she was deliberately teasing him, Lin Ziming also paid attention. He thought for a while, nodded and said, "Okay, I'll go with you."

Then he greeted Chu Fei, and walked to a place where he could talk with Tao Sanniang, and said, "How is Gu Hanxing? He broke through the innate realm?"

Lin Ziming frowned slightly, maintaining a skeptical attitude. He himself had just broken through the innate realm. Knowing the pain of the process, can Gu Hanxing's will be able to sustain it?

Tao Sanniang now looked serious again, and said with a smile: "I said, Lin Shao, you are too cold, can it be that between us, only serious things can speak well? Your indifference really makes The slave is sad."

With that said, she deliberately made a sad and sobbing look.

Lin Ziming: "....."

Seeing Tao Sanniang's scornful appearance, Lin Ziming was speechless, and said, "Okay, Tao Sanniang, don't tease me. I am quite self-knowing about my appearance. From your perspective, is it right? It may be of interest to me. So let's not come to those fictitious ones, and just talk about business. Has Gu Hanxing already broken through to the innate realm? Or is his old son Gu Xuan coming to trouble me?"

Lin Ziming's mind turned very fast. Since Tao Sanniang said that he was coming to him, he guessed in this regard.

Some surprises flashed in Tao Sanniang's eyes, Lin Ziming's mind was so good, he didn't even speak, and Lin Ziming had guessed about 70% to 80%. However, Lin Ziming's way of not entering the oil and salt really made her ashamed! My old lady is also a big beauty anyway, how many men bow down under my old lady's pomegranate skirt, but you Lin Ziming ignores my beauty and is so angry with my old lady!

"If you can kiss me, I'll tell you." Tao Sanniang said with a smile, and then moved her left face towards Lin Ziming. She didn't believe that her charm would not be able to conquer Lin Ziming!

However, Lin Ziming's subsequent reaction caused her to suffer a blow.

Lin Ziming rolled his eyes, then turned and left without saying hello.

Tao Sanniang: "....."

“Wait a minute!” Seeing Lin Ziming walk so resolutely, Tao Sanniang had to ‘give up’ and stopped Lin Ziming quickly.

Lin Ziming also pretended not to hear, and continued to walk forward, which made her very angry.

“If you don’t stop, I won’t tell you this heavy message. Don’t regret it then!” Tao Sanniang was also annoyed and said angrily.

Lin Ziming finally stopped and turned around and said, “What heavy news.”

Tao Sanniang hugged her chest, snorted, turned her face aside, and looked angry and needed someone to coax her.

Lin Ziming had no choice but to come back and said angrily: “Say.”

Tao Sanniang had a criminal figure, but now the visual impact brought to Lin Ziming with her arms around her chest has become more intense. Lin Ziming quickly turned her gaze away, don’t be polite.
