

Chapter: 589

“Chairman, do you really want to recruit that fool just now?” Wang Shougui asked suspiciously after getting in the car.

Lin Ziming nodded and said, “Well, this Xu Hua is a seedling, you can cultivate it.”

Wang Shougui said with some worry: “I don’t think this guy’s spirit is normal. Will it be bad then?”

Lin Ziming said confidently: “No, as long as he follows me, he won’t be able to make waves.”

Wang Shougui didn’t quite understand why Lin Ziming had such self-confidence. In his opinion, a person like Xu Hua could not be bought by money. Of course, if Wang Shougui knew that Lin Ziming was in the innate realm now, he wouldn’t have this worry.

In the next three days, Wang Shougui used his relationship to find a lot of retired special forces and civilian practitioners, and dug some bodyguard teams.

“I would like to introduce you to everyone. This is the chairman of Ziqiong Media and the boss who came to you.”

After Wang Shougui gathered the people together, he pointed to Lin Ziming and introduced loudly.

Suddenly, all of their eyes focused on Lin Ziming. When they saw Lin Ziming so young, they were surprised. Many people even wondered if Wang Shougui was joking.

A middle-aged man with a strong figure stood up and said in a gruff: “Mr. Wang, are you kidding us? He is so young and wants to set up a new security company?”

Wang Shougui said, “Instructor Chen, do you think I am joking with you? It is normal for our chairman to be a talented person and want to get a share of the security.”

Instructor Chen is particularly tall, with a height of 1.9 meters and strong muscles. His weight is probably over 100 kilograms. He is a heavyweight master. He is also the leader of the bodyguard team this time. He wants to set up a new security company for Lin Ziming. Questioned.

“Ho ho, President Wang, I didn’t pour cold water on you. The security industry is not as simple as you think.” Instructor Chen’s tone revealed some disdain.

Wang Shougui’s face turned black and said, “Instructor Chen, if you are confident, you can withdraw, and I won’t force you.”

Instructor Chen was really angry when he saw Wang Shougui, and he quickly apologized, and when Wang Shougui was looking for him, he offered a high price. Even if the company could not be established, he could still make money. But now if he leaves, he won’t be able to get the money.

Lin Ziming stood up and said, "My name is Lin Ziming. I am your future boss. Of course, it is on the premise that you decide to stay. Wang Shougui said yes. I am planning to establish a security company, not just a little joke. Yes, but on a large scale. This means that there will be a lot of difficulties in the future. And tomorrow, I plan to go to the Beitian Meeting to worship the dock. If any of you are afraid, you can leave now."

Hearing these three people from the Beitianhui, the expressions of all the bodyguard team including Instructor Chen changed obviously, flashed with deep awe, and even withdrew.

Except for the bodyguard team, the rest of the people did not have much reaction. A Lianjiazi said, "Boss, if we decide to stay, would you really give me 200,000 a year?"

"Two hundred thousand a year, such a high salary, are you asking us to be thugs? We are not willing to do things that are illegal or criminal."

Lin Ziming raised his hand, naturally there was an aura on him, which made everyone subconsciously stop talking and looked at him tightly.

"Two hundred thousand a year is the basic salary. If you can pass my standard, the salary will get better and better. Three hundred thousand a year, five hundred thousand, or even one million is not a problem," Lin Ziming said.

His words immediately excited many people.

Lin Ziming continued: "This instructor Chen also said that in our country, it is not so easy to set up a security company. You have to go to Beitianhui to worship the dock first, or to fight. Who of you has confidence in your own strength? If you have the courage, you can sign a contract and go to the pier with me tomorrow. If you have confidence in yourself, and those who dare not dare, you don't have the so-called. If you leave now, I will give you five thousand alone. You choose your own choice."

Lin Ziming gave them the right to choose.
