

## Chapter: 611

Time passed very quickly. After a while, the car was already on this open space. Chu Tian saw Qian Feng, saw a dozen people who were eyeing each other, and carefully examined every car passing by.

Immediately, the cold sweat on Chu Tian's forehead became even worse, and even his legs began to swing, swallowing continuously, and he was about to cry.

Qian Feng brought more than a dozen people here, but he was the only one with Lin Ziming and a driver, so he couldn't be tortured to death by the other party.

Lin Ziming opened his eyes and said to the driver, "Get off here."

"Brother-in-law..." Chu Tian wailed, shivering, and took Lin Ziming's hand, and he was about to kneel down for Lin Ziming.

The driver stopped the car, Lin Ziming began to get off, and said to Chu Tian in the car: "Get off."

As soon as he appeared, Qian Feng and the others were immediately spotted by Qian Feng and others. They all opened their eyes wide, with excited and angry expressions, and strode over, "They are here, this is Chutian's brother-in-law, kill them!"

"What's wrong, Brother Feng, why did a car come? Is there any ambush?"

Qian Feng cursed fiercely: "Ambush, there are more than a dozen of us, and Uncle Xiong who are sitting in town, afraid of the two of them? Let me go up together and kill them."

In the car, Chutian saw Qian Feng and the others approaching murderously. He became even more afraid. They were still in the car and refused to get off. Now Lin Ziming became a little impatient. He ordered, "Get off, I won't say anything. The third time."

Feeling Lin Ziming's anger, Chu Tian didn't dare to be disobedient. He got off the car obediently and saw Qian Feng and others coming by. His legs trembled so much that he was about to lose his feet.

Lin Ziming cursed an unused thing, and then looked at Qian Feng and the others who had already come in front of him.

Qian Feng's group of people walked forward menacingly, and saw that there were really only Chu Tian and Lin Ziming. He burst into laughter and said, "Chu Tian, you guys are okay. When it comes to war, I will take you and you. Brother-in-law, come here, do you think your brother-in-law is a master of martial arts, can you single-handedly challenge more than a dozen of us?"

His words caused a burst of laughter from other people, and they looked at Chu Tian like a fool.

Chu Tian was shaking more severely, and he said: "Qian Feng, you are so

little, my brother-in-law is the chairman of Ziqiong Media, if you dare to move us, my brother-in-law can't spare you!"

"Chairman of Ziqiong Media?" Qian Feng laughed strangely: "Oh, I'm really scared, my background is so big, hahaha, why don't you say that your brother-in-law is the Jade Emperor."

The weather in Chu was broken, and it was more of fear. Now Qian Feng obviously refused to let him go. This brutal beating was inevitable.

"Brother-in-law, what should I do, they will even fight you."

Lin Ziming asked him, "Then what do you want to do? This is your fault."

Chu Tian gritted his teeth and said fiercely: "Brother-in-law, wait for me to hold them, you can get in the car and run, and then call me the police!"

Lin Ziming was a little surprised, and said, "You stay by yourself, are you afraid of being killed?"

Chu Tian sighed and said, "There is no way, it's my fault, I can't hurt you. Let's go, brother-in-law, I will hold them."

Seeing the determination in Chu Tian's eyes, Lin Ziming admired it a little, this kid was still a bit responsible.

"Remember, I will wipe your ass this time, but there will be no next time after this time, you know." Lin Ziming stared at him.

Chu Tian was stunned. He didn't have time to speak, so he saw Lin Ziming walk out and said to Qian Feng: "Qian Feng, right? You taught you a lesson last time. You don't have a long memory, and you dare to bring so many people to make appointments. Frame, the kid doesn't learn well, so I'm thinking about making trouble all day long. Now I give you a chance, take yours, and study hard in the future. Don't bully Chutian again, otherwise I don't mind giving you another profound lesson. ."

Qian Feng and others were stunned when they heard Lin Ziming's words, thinking that Lin Ziming was a fool.
