

Chapter: 616

Lin Ziming became interested, and said, “Oh? Who is this big man, let’s listen.”

Now he can be regarded as one of the people in Hwaseong City. His famous assets have reached tens of billions. Both black and white must give him face. If he can meet him obediently in one sentence, he must be respectful and respectful. not much.

Of course, Lin Ziming is not arrogant to his own identity. He is a very detached existence in China. On the contrary, there are many big people above him. As the saying goes, there are people outside the world, there are people outside the sky, and this point he still has. .

Chou Ye nodded and said, “This person is called Ouyang Feng, the chairman of Shengyang Group and the former chairman of the Chamber of Commerce in G Province. He has a lot of weight and energy in the circle. Many people want to give him face, even Beitian. Would not dare to offend him easily.”

After Lin Ziming heard it, he was a little surprised. Shengyang Group is not a small company, but a behemoth that has been standing for 20 years, with a market value of more than 100 billion yuan, and it is not like Penguin, Barry and other Internet companies. Fictitious, Shengyang Group is a real company, covering a wide range of fields. In recent years, it has to enter the communications sector and its ambitions are extremely huge.

When Lin Ziming was young, he heard of the name of Shengyang Group. At that time, Lin’s family and Shengyang Group had deep cooperation.

Speaking of which, the chairman of Shengyang Group is Lin Ziming’s grandfather.

In my impression, Lin Ziming was hugged by this grandfather when he was very young. Now that so many years have passed, I wonder if Ouyang Feng remembers him?

“Okay, I’m going.” Lin Ziming made a decision quickly and nodded.

Ugly Lord breathed a sigh of relief, he was really afraid that Lin Ziming would become proud and would not give this big man face.

That night, Lin Ziming went to Ouyang Feng’s house with Chou Ye. It is an extremely luxurious manor, covering an area of tens of thousands of square meters. Lin Ziming’s large villa in Yulong Bay is compared with Ouyang Feng’s manor. It’s just a small cottage.

“This Ouyang Feng is really high-profile enough to live in a manor in China.” Lin Ziming said with some emotion.

Chou Ye said: “Ouyang Feng has this high-profile capital. He has driven a lot of gdp for Province G. As long as he is here, Shengyang Group will survive for a long time, and even such a behemoth as Beitian will not dare to

provoke him.”

How clever Lin Ziming is, he immediately heard the overtones of the ugly master, “Ouyang Feng is coming?”

The ugly master nodded and said: “There is a rumor outside that Ouyang Feng is old, his body is getting weaker, his vitality is fading, and he may not be able to live long enough to drive him west. Now he has begun to distribute his property. ”

Lin Ziming thought for a while, and knew that this statement was not very tenable. Since Ouyang Feng was about to die, how could he still have the energy to intervene in the affairs of him and the Beitian Meeting? It’s not just a matter of trouble, you know, peacemaker is not so easy to do, if one is not careful, it is easy to offend both sides, and it is purely thankless.

“I don’t think it is that simple. Since Ouyang Feng is to be a peacemaker, it means that he is still far from reaching the end.” Lin Ziming said his thoughts.

Chou Ye said: “It is possible, anyway, as long as you see Ouyang Feng himself, you will know what the situation is.”

During the conversation between the two of them, the car drove into the large manor, and someone stood there, waiting for their arrival.

After getting out of the car, several people came over immediately. The head was a middle-aged Yixie, with a blessed stature and a honest and friendly face. In terms of face, he was a loyal and honest type. Lin Ziming was born to this kind of person. Have a good impression.

“This is Dong Lin. It is really young and promising. I am lucky enough to meet!” The middle-aged man came over and took the initiative to shake hands with Lin Ziming, with a very warm attitude, which made Lin Ziming a little flattered, and said quickly: “Mr. Ouyang ,Hello.”
