

Chapter: 647

This time Ouyang Yanran screamed even more panic, and her body trembled badly.

Lin Ziming, who was not far away, saw this scene, he shook his head helplessly and sighed. What bad luck he had today, he would encounter this kind of thing. If he had known it earlier, he would not take this path anymore.

Now Ouyang Yanran is in trouble, he can't save him, he still has to go back and save this girl.

His figure flashed and disappeared in the same place. The next moment he appeared in front of Ouyang Yanran again, snorted coldly, and the majesty on his body radiated. These stray dogs were suddenly scared and had to run away. Up.

Just kidding, how terrible his aura is now, let alone a few stray dogs, even tigers and lions will retreat when they see him, or they will die.

Ouyang Yanran was visibly stunned when seeing these stray dogs running away again. After a while, she relaxed and gasped for breath! She was really going to be scared to death just now, and she felt as if she had walked in hell, and now she is back in the world.

Lin Ziming was really helpless seeing her pale face, and even a few stray dogs were frightened like this.

He said angrily: "I think you should call your family and send a bodyguard to pick you up."

Ouyang Yanran came back to her senses. She looked at Lin Ziming with a more complicated look, which was very grateful. Even if she was stubborn and unreasonable, she knew that Lin Ziming had saved her twice just now.

"Can you help me up first?" Ouyang Yanran gritted her teeth and said embarrassedly.

She lowered her head, dare not look into Lin Ziming's eyes.

There is no way, not because she has a good impression of Lin Ziming, but because she really can't get up and can only rely on Lin Ziming's strength. As for calling the bodyguard, it was too late, and besides, it was still on the road. Passersby passed by from time to time. If you saw her like this, you would be more embarrassed, so she had to ask Lin Ziming to help her up.

Lin Ziming smiled when she saw her like this, and deliberately teased her, "Didn't you just ask Wen to go? Why did you want me to help you up again?"

"You!!" Ouyang Yanran was very angry when she heard this. She has always been a goddess. All the men around her are not flattering, flattering, and flattering, for fear of making her angry. This Lin Ziming is good and looks good. Not handsome at all, dare to tease her!

"Then you get out!" Ouyang Yanran scolded angrily.

“Okay, this is what you said, I’m leaving, you can wait slowly. To remind you, there are many ants and centipedes, and they will crawl on you later.”

Lin Ziming intentionally scared her, like this The princess’s unpleasant princess should treat her temper.

Sure enough, after Ouyang Yanran heard this, she immediately turned pale with fright, shivering, and hurriedly shouted: “You wait, don’t go!!”

Lin Ziming deliberately didn’t respond to her, waiting for her to turn back.

Sure enough, she also turned her head, “Don’t go...uh...”

When she turned around, she saw Lin Ziming bending over, looking at her with a smile and a smile. At the moment she was gritted her teeth with anger.

Now she didn’t know that Lin Ziming was playing with her!

It’s too much. From childhood to adulthood, whoever is the man next to her is not rushing to coax her, and no one dares to tease her!

This damn Lin Ziming!

It must not be a man! !
