

Chapter: 651

“His name is Lin Ziming, a friend of my grandfather’s.” Ouyang Yanran explained faintly, she frowned slightly, not satisfied with Lai Binbai’s attitude, obviously just because she didn’t trust her.

Laibinbai immediately expressed doubts, “Your grandfather’s friend? Impossible, I think this man is less than 30 years old, right?”

Ouyang Yanran frowned further, and said dissatisfiedly: “Lai Binbai, what are you trying to say, do you believe me? I explained to you. I am very innocent with him, not what you think. !”

Because of Ouyang Yanran’s attitude, Lai Binbai was also annoyed. He snorted heavily and said, “Hoho, it’s not what I imagined? Then you have to talk about it, what do I imagine? Ouyang Yanran, we have been together for three years, you at most let me hold hands, other than that, there is no close relationship! And you just hugged him with him, your breasts Coming down on him...”

Snap!

Ouyang Yanran slapped Laibinbai’s face, “Lai Binbai, you disappointed me too much! I have been with you for three years, don’t you know what kind of person I am? Now it’s because of just now. You don’t believe me anymore?”

Libinbai received this slap, his face became more gloomy, and the corners of his mouth were constantly twitching.

For so many years, Ouyang Yanran has never let him touch him. He has long been resentful with Ouyang Yanran. Now it is obvious that Ouyang Yanran behaved close to other men and betrayed him. Instead, the wicked complained and slapped him!

Anyway, he is also the school grass in the university. There are no less than hundreds of women who pursue him. As long as he hooks his fingers casually, he doesn’t know how many women will lie down, begging him to pamper him!

Ouyang Yanran was a little frightened when she saw Lai Binbai’s expression. She quickly distanced herself from Lai Binbai and said vigilantly: “Lai Binbai, what do you want to do! I warn you, don’t mess around.”

Laibinbai was very angry. If it were for another woman, he would have long since slapped it and declared that he had broken up. But this person is Ouyang Yanran, the daughter of the Ouyang family, rich and powerful, and looks so beautiful, he is really reluctant to score. So he was very angry now, so he had to swallow it alive, thinking in his heart that when Ouyang Yanran was taken down in the future, he must retaliate fiercely in bed!

So he took a deep breath, showed an apologetic smile, slapped himself, and sincerely apologized: “Yan Ran, I’m sorry, it’s my fault. I care about you

too much. I see you with other men in my heart. It's like a needle stick, so I misunderstood you. I hope you can forgive me, can you?"

Ouyang Yanran's heart softened immediately. She had been in love with Lai Binbai for so long, and she still had a lot of affection for Lai Binbai. Her tone of voice was also relaxed a lot, and she said, "Well, I was also impulsive just now. Sorry for a slap in the face. But Lin Ziming and I are innocent. You can rest assured about this."

Laibinbai smiled, nodded and said, "Well, I believe you, we won't fight anymore, okay?"

"Great."

Laibinbai said softly: "Your foot is injured. I'll send you to the hospital for treatment."

Ouyang Yanran nodded and agreed. She felt much warmer in her heart. Li Binbai still believed her, indicating that the love between them was very strong and could stand the test.

It's just that she hadn't noticed that when Laibinbai lowered his head, strong yin and anger flashed in his eyes...
