

Chapter: 664

“Hey, now that the other person is gone, you can let me go.” Lin Ziming gave Tao Sanniang angrily.

Tao Sanniang opened her eyes wide and looked at him with incredible eyes, as if she had known him for the first time.

Lin Ziming touched his face and said curiously, “What’s wrong, is there anything on my face?”

Tao Sanniang let go of her eyes. Instead of releasing Lin Ziming, she hugged him tighter. She didn’t care that she was being eaten tofu by Lin Ziming. Her expression was exaggerated and she said with admiration, “Wow! You were too domineering just now, right? , Is this the Lin Ziming I know? So handsome, I love it.”

Lin Ziming rolled his eyes. Tao Sanniang’s exaggerated acting skills are really speechless. She is obviously young and pretends to be tender. “I said you are all too old and you still pretend to be a little girl, don’t you feel embarrassed.”

Suddenly, when Tao Sanniang heard this, the expression on her face stiffened, and she could no longer maintain the exaggerated worship. A pretty face was pulled down, and she pinched Lin Ziming’s arm forcefully, sighing: “Die Lin Ziming, who is old, my old lady is only twenty-six years old, okay!”

With that said, she deliberately puffed up her chest, as if she was going to rip out, giving people a great visual impact.

Lin Ziming is a person who has eaten meat now, and his resistance to Tao Sanniang, a fairy who is naturally charming, can be said to be very low. Just a glance at his dantian shows signs of fire, so he coughed twice and looked at him. He moved away, and took his hand out of Tao Sanniang’s arms, and said, “Okay, I won’t be kidding you. Now Du Xinli is gone, my fly swatter has completed the task, so don’t bother me anymore. ”

“Entanglement?” The corner of Tao Sanniang’s eyes jumped, Lin Ziming actually called her Entanglement, so many people wanted to get close to her without this opportunity! I’m really mad at me.

“I’m going to pester you, how can you drop it?”

As soon as her voice fell, Lin Ziming quickly shot, tapped acupuncture points on her body, and she couldn’t move at the moment.

Lin Ziming smiled, carrying his schoolbag, and left without her.

Tao Sanniang is a little panicked now, she feels like her body is imprisoned, she can’t move at all! This is acupuncture by Lin Ziming, this Liu Xiahui who doesn’t know the customs!

“Lin Ziming, you can’t go, just relieve me.” Tao Sanniang shouted loudly, but no matter how hard she used her strength, the words she yelled were very small, and she felt as though her throat was pinched.

Seeing Lin Ziming go further and further, she really panicked.

Now that more and more people are present, many men are looking at her smirky, and there are a few others who want to come over to rogue her.

Now she is really panicked.

Lin Ziming accepts it when he sees it, walks over again, relieves Tao Sanniang in a couple of strokes, and says, "It's time to be honest now."

Tao Sanniang felt that she was finally able to move, and she was relieved.

She was fixed there just now and couldn't move, which was really terrifying.

"Are you still acupuncture?" Tao Sanniang looked at Lin Ziming in surprise after moving her muscles and bones.

Lin Ziming said, "Is it weird?"

Tao Sanniang thought about it for a while, but it wasn't really strange, considering the strength of Lin Ziming's innate realm, acupuncture can only be said to be a small skill.

"Your acupuncture skills are too horrible. You can't move with just one tap.

How many women are in your hands." Tao Sanniang said meaningfully, touching her chin.

Lin Ziming was almost choked and said, "I'm not as nasty as you think."

Tao Sanniang said in a low voice, "I think you want you to be a little dirty..."

Lin Ziming pretended not to hear her, and continued to move forward. They were now going to the airport, flying to a city on the northern border, and then rushing there by car.

On Du Xinli's side, they watched Lin Ziming and Tao Sanniang walking together, chatting with each other, he was gnashing his teeth all the time, and the jealousy and anger in his eyes had disappeared!

"Brother Li, why did you stop us just now? This little white face looked weak and weak. We put him on the ground to eat shit to vent your anger!"

"Yeah, Brother Li, that little white face was too arrogant just now. Damn, he actually dared to be arrogant at you, calling you Shabi, and I was so angry that I would blow up! If a few of us took action, we must not abuse him Live to the death."
