

## Chapter: 671

To many people, Gu Xuan is comparable to a wild beast, with incomparably surging energy hidden in his body. Once it bursts out, it will destroy the world!

Although Lin Ziming is great, in terms of aura, it is really far from Gu Xuan, and the difference between the two is not of an order of magnitude at all.

Originally, many people were not optimistic about Lin Ziming, but now in such a comparison, they even think that Lin Ziming is already a dead person, and there is absolutely no way to survive.

Lin Ziming also smiled and said, "Why don't I dare to come? Are there other occasions where I can be more worried than if I would kill you in the hunting contest tomorrow?"

Gu Xuan laughed loudly when he heard what he said, as if he heard a huge smile.

He laughed so loudly, full of breath, as if there was a wave of air in his mouth, spreading to the surroundings, it was too loud, louder than firecrackers! It seemed that there was a constant explosion of powerful explosives in his mouth, which scared the birds and animals a few hundred meters away and ran out in fear, and the birds on the big trees spread their wings and fled, making the scene extremely shocking.

As for the people around here, it was even more uncomfortable. They covered their ears one after another, otherwise they were really afraid that their eardrums would be ruptured.

Tao Sanniang was very close. She covered her ears, still feeling very uncomfortable and buzzing.

Only Lin Ziming was affected at all. He still kept a smile on his face and sneered, which just offset the wavelength of Gu Xuan's laughter, making everyone around him feel much better.

This is the same reason as many noise-reducing headphones on the market. As long as the frequency is opposite to the sound source, the noise can be reduced.

The same is true for Lin Ziming now.

Gu Xuan sensed that his voice was cancelled out by Lin Ziming, he narrowed his eyes, stopped laughing, and looked at Lin Ziming carefully.

"What a young and frivolous, Lin Ziming, since you set foot on this land, you are dead, and your life will no longer be under your control." Gu Xuan stood with his hand in his hand. He didn't want to embarrass Lin Ziming any more. Put away all the aura and majesty, looking at just an ordinary businessman.

Lin Ziming laughed again and said: "Gu Xuan, you are old and you are not my opponent. Now you apologize to me for your son. I can look at the face of Beitianhui and stop worrying about your father and son. . Otherwise, your

life will stay here and become a dead soul in this forest.”

Lin Ziming’s words weren’t too loud, but everyone heard them. They all opened their eyes and looked at Lin Ziming in shock, thinking that Lin Ziming must be crazy before saying such words. Don’t understand the situation? It’s this juncture, and you’re still stiff, what are you Lin Ziming using to confront Gu Xuan!

Don’t talk about them, even Tao Sanniang felt that Lin Ziming was arrogant this time and was seeking his own death.

Gu Xuan’s name is too loud, and it is not comparable to Gu Hanxing’s dude. It can be said that Lin Ziming has no chance of winning at all.

The coldness in Gu Xuan’s eyes became more intense. He has now completely sentenced Lin Ziming to death, and he has begun to think about what methods should be used to torture Lin Ziming by tomorrow!

As for not being able to beat Lin Ziming?  
laugh!

He had never thought about this, because it was impossible. If he can’t beat Lin Ziming, the vice-chairman of the Northern Sky Club, he might as well just find a piece of tofu and kill him.

In the end, Gu Xuanzheng wasted saliva with Lin Ziming again, stared at Lin Ziming coldly, and then turned and left.
