

Chapter: 697

“Exciting, they really have started fighting!”

“Two super masters of the innate realm, the battle of life and death, I believe many people will never see this kind of scene in their lifetime!”

“Of course, there are only six billion people in the world, there are only a few masters of the innate realm, not more than a hundred! They are more precious than giant pandas.”

“Fortunately, I turned off all work and entertainment, and came to participate in this hunting contest. I won’t miss this battle.”

“Who do you think wins? I think Lin Ziming is not easy.”

“Nonsense, it must be Gu Xuan, so do you need to talk about it?”

When these people were discussing enthusiastically, Lin Ziming and Gu Xuan had already met each other.

Their strength and speed are too exaggerated. Every collision brings huge movement and destruction, which is several times more shocking than the fight between Lin Ziming and the middle-aged man two days ago!

Bang bang bang bang...

It seemed that there was a bomb, which exploded continuously from them, which looked terrifying.

And their moving speed is extremely fast. In the eyes of others, the two of them are two big balls, constantly moving fast, jumping up and down, and having tremendous destructive power.

All the big trees and vegetation that they passed by were severely damaged, which can be called the damage caused by a large bulldozer.

“This...is this really the power that humans can bring?”

“Are the two of them really human, too scary, right?”

Someone watched the enthusiasm and kicked a big tree next to him, but the tree didn’t move at all. The pain caused him to scream screamingly, and one leg was swollen.

Lin Ziming and Gu Xuan fought evenly against each other, and no one can do anything about it.

The difference was that Lin Ziming became more excited as he fought, while Gu Xuan became more and more frightened!

Originally, Gu Xuan thought that Lin Ziming was just a small person, on the same level as his son Gu Hanxing, and never put Lin Ziming in his eyes. Even if Lin Ziming had already broken through the innate realm, he didn’t take it too seriously. Anyway, if he shot himself, he would definitely be able to kill Lin Ziming.

Still the same sentence, a genius who is astonishing and stunning is not a genius as long as he dies.

Even in the hunting competition, Gu Xuan still didn’t have too much regard for Lin Ziming, but by now, he was really shocked, Lin Ziming was actually

a super master at the same level as him!

how can that be? Hasn't Lin Ziming just broken through the innate realm for less than two months? How could there be such a profound skill!

Could it be said that the best cleansing pill is really that strong?

Now that he had used 90% of his strength, and still couldn't get Lin Ziming, he knew he was in trouble.

Fortunately, as a veteran master of the innate realm, he has his own assassin. If necessary, he will come out and kill Lin Ziming with one move, even if he will be injured!
