

Chapter: 719

I have to say that Chu Fei is simple enough, and she has no doubt that there is any secret between Qin Yao and Lin Ziming. She immediately believed Qin Yao's words and said with some pride on her face: "Yes, Ziming. He is now the chairman of Ziqiong Media, how about it, is it good enough?"

Speaking of Chu Fei's face, she couldn't hide her pride and pride. Before, Lin Ziming was her shame she didn't want to mention, but now Lin Ziming is her pride.

Lin Ziming was a little helpless, thinking, Qin Yao knew this identity better than you.

Qin Yao was also very uncomfortable. Speaking of it, she really discovered the identity of Lin Ziming first. From that time on, she found a new life goal, that is, to use all her methods to make Lin Ziming this Golden Turtle-in-law catch it!

For her, this was a sure thing. She thought it could be done in minutes. After all, there are no cats that steal fishy in this world.

In the end, Lin Ziming was really that kind of stranger. After so long, she didn't have the chance to pick her up and hug her. She had doubts about her charm many times!

Now that Chu Fei said this, let alone how depressed she was.

What's even more depressing is that she has to make a surprised expression, "Is it? Ziqiong Media, that's a very large company. Ziming is actually the chairman of the board, it's amazing."

Chu Fei smiled so badly that she said, "Yes, I don't know how he can become the chairman of Ziqiong Media."

Then, Chu Fei had an awkward blow, making Lin Ziming a little embarrassed, and said: "The sun is going down, let's go in the house and chat."

Chu Fei said in hindsight: "Look at me, you have forgotten about it. Qin Yao, it just so happens that my mother is going to make dinner too, so you can stay for dinner."

Qin Yao had this intention at first, but she didn't know how to speak, but now Chu Fei invited her, just right in her arms.

But on the surface, she still said shyly: "Huh? That's not good."

When Lin Ziming heard that he was going to stay Qin Yao down for dinner, he also felt bad, not that he was stingy, but he knew Qin Yao's character, and now staying Qin Yao for dinner, waited until the night, and stayed in Qin every minute. It is also possible for Yao to stay for one night!

And once Qin Yao stayed overnight, wouldn't it affect the big plan between him and Chu Fei?

This is absolutely impossible.

So he quickly said, "Yeah, it's not so good. I think Qin Yao is a beautiful

woman. There must be many handsome guys asking her for dinner. Let's not disturb Qin Yao."

Chu Fei asked, "Qin Yao, do you want to go to dinner with the handsome guy? If so, then I won't keep you for dinner."

Qin Yao quickly said: "There is nothing, there is nothing! I have said that I am single now and do not plan to fall in love for the time being. It is too late to go back to cook now, and I don't want to eat takeaway, Feifei, Thank you so much for leaving me for dinner."

With that said, Qin Yao hugged Chu Fei and deliberately stuck out her tongue at Lin Ziming while she was out of sight of Chu Fei.
