

Chapter: 723

The other party's movements were gentle and careful. Lin Ziming was already asleep. He heard it, but he was too sleepy, so he still slept soundly. It was already three o'clock in the middle of the night, and Qin Yao finally put Chu Fei to sleep, creating this opportunity to attack Lin Ziming at night. Fortunately, the door of Lin Ziming's room was not locked, so she was given this opportunity, which is great!

She had been on Lin Ziming's idea for so long, and now it was the first time she had the opportunity to come into contact with Lin Ziming so close, which made her very excited.

Tonight, she could see that Lin Ziming was holding fire all over her body. This was her good opportunity.

If Lin Ziming can be taken down, then she won't have to worry for the rest of her life.

After locking the door, Qin Yao walked in step by step using the bright light of the phone screen. This feeling of being a thief was really exciting.

Finally, Qin Yao quietly walked to Lin Ziming's bed and saw Lin Ziming sleeping soundly, especially quiet and handsome.

It is very strange that Lin Ziming's appearance, at first glance, is not a handsome type, it can only be regarded as ordinary, but when you look closely, the more you look, the more attractive it becomes, and it makes people indulge in.

If it were changed before, Qin Yao would definitely not like Lin Ziming, he would be just an ordinary man. But now, Qin Yao feels that Lin Ziming is handsome, and especially has the masculine and charm of a man. It was the first time she had seen this type of man when she grew up, so she envied Chu Fei so much that she could marry Lin Ziming.

The key point is that Lin Ziming is still a peerless man who doesn't steal food. Isn't this even more precious than a giant panda? Those men outside now, who don't have money and are very carefree, look for flowers and ask Liu everywhere.

Qin Yao looked at Lin Ziming now, her heart beating very fast, she tried to stretch out her hand and waved it in front of Lin Ziming's eyes. Lin Ziming didn't even wake up, she should have fallen asleep.

This is even better, hehe, to facilitate her sneak attack.

She tried secretly, kissed Lin Ziming lightly on the face, and then squatted down quickly and hid by the bed, for fear that Lin Ziming would wake up.

As a result, Lin Ziming just wiped his face and continued to sleep without waking up.

In this way, she was more relaxed. Depending on the situation, Lin Ziming was really asleep.

Then she began to try to go up, the movements were particularly gentle, for

fear of making a noise, she woke Lin Ziming.

Fortunately, Lin Ziming still didn't wake up, sleeping soundly.

In fact, according to Lin Ziming's normal state, he was very awake and asleep, and he would find out as soon as Qin Yao entered the room.

But because of his life-and-death struggle with Gu Xuan yesterday, he suffered a lot of damage to his body. Now he is in a dormant state of healing. In addition, he feels safe in his own home. He relaxes and enters deep sleep. The existence of Qin Yao.

Finally, Qin Yao got into the quilt, and was only ten centimeters away from Lin Ziming. Her heart was beating quickly, thumping, and it had been so nervous for a long time.

In fact, she ran into Lin Ziming's room in the middle of the night and made a lot of determination, because once Chu Fei knew about it, then she would be finished, and no friend could do it in minutes.

But she still did, because she liked Lin Ziming more and more. In the past, she used Lin Ziming's idea mainly because of her wealth as the chairman of Lin Ziming and Ziqiong. However, after some contact and understanding, she had a deeper understanding of Lin Ziming, knowing that Lin Ziming is a very attractive man, she slowly fell into it.

In other words, even if Lin Ziming is no longer Chairman Ziqiong, she will continue to like Lin Ziming.
