

Chapter: 724

Qin Yao was lying next to Lin Ziming, feeling particularly excited and nervous, returning to the feeling of staying next to the boy she liked when she was first in love.

Finally, after lying down for two minutes, she began to muster the courage and slowly leaned towards Lin Ziming...

Little by little, Qin Yao moved very slowly and was very careful. Finally, she touched Lin Ziming's hand and her breathing couldn't help speeding up a lot.

When she met Lin Ziming, Lin Ziming finally felt it. In a daze, he turned around subconsciously, grabbed Qin Yao's body, and said vaguely, "Feifei, you are here. ."

Qin Yao was hugged by Lin Ziming so instantly, her whole body muscles tightened at this moment, and her heart thumped and thumped non-stop!

God, Lin Ziming took the initiative to hug her!

She held her breath.

Lin Ziming really regarded her as Chu Fei, and after hugging Qin Yao, his hands became reflexively dishonest.

Qin Yao's face turned red all of a sudden, did Lin Ziming treat Chu Fei like this? This is too...envy her! !

At this time, Lin Ziming also started to wake up, but he still didn't realize that the person in his arms was not Chu Fei, but someone else. He smirked and said, "Fei Fei, you really don't want me to be alone. Sleeping, come here to accompany me? Hey."

Qin Yao closed her mouth tightly, not daring to make a sound, for fear of being discovered by Lin Ziming.

Lin Ziming went on to say, "How about, Qin Yao is already asleep? She didn't tell you anything about me just now, right? No matter what she said, don't believe it. I'm innocent with her. , In my life... Hey Feifei, what are you doing..."

Suddenly, Lin Ziming realized that something was wrong, and stopped halfway through.

As a couple who have slept many times, Lin Ziming is still very familiar with Chu Fei's figure, and now he feels that the person in his arms does not seem to be Chu Fei!

Even the fragrance on the body is different.

Quiet.

The room suddenly quieted strangely, Lin Ziming thought of something, his scalp became numb, and he was blinded all of a sudden.

And Qin Yao also knew that she must have been discovered by Lin Ziming.

Isn't the woman in her arms Chu Fei, but...Qin Yao? !

Lin Ziming's scalp is numb, what did he do just now.

Lin Ziming hurriedly turned on the bedside lamp, and he saw a beautiful face. In front of her, it was not Chu Fei, but Qin Yao.

Qin Yao's face is super red now, but her eyes are shining with weird excitement. She took advantage of Lin Ziming's daze, and quickly hugged Lin Ziming with her backhand, and said, "Lin Ziming, you just took advantage of me. You have to be responsible to me."

Lin Ziming's face turned black. He never thought that Qin Yao was so courageous that he would run to his room. If he hadn't discovered something wrong in time, this would have caused a big mistake!

However, I can't tell that Qin Yao's figure is still quite good...Hey, what are you thinking about!

"Qin Yao, you are so courageous, you dare to run into my room in the middle of the night, you, you..."

Qin Yao blinked, not afraid of Lin Ziming at all, and asked, "What's wrong with me? I have a habit of sleepwalking, and I came to your room unknowingly. Instead, it was you who bullied me like this just now. I won't tell Chu Fei to go."
