

Chapter: 726

When Qin Yao saw Lin Ziming stay still, she thought that Lin Ziming had been persuaded by her, and was extremely excited, and then began to hug Lin Ziming again, preparing to give herself.

But at this moment, Lin Ziming showed an extremely flustered look on his face, lowered his voice, and said nervously: "It's not good, it's Feifei here! You quickly find a place to hide!!"

"What?!" Qin Yao was frightened immediately when she heard this, and cried out aloud, "Feifei is here..."

Lin Ziming heard her yelling so loudly, he really wanted to kick her down to the bed. This Qin Yao would be too bad at it. When Chu Fei heard it, it would be over, so he had no choice but to hurry. She covered Qin Yao's hand, made a 'hush' gesture, and said in a low voice, "You shouted so loudly and wanted to die! Hurry up and hide..."

However, as soon as his words fell, the door was already opened, and Chu Fei walked in!

Lin Ziming really had a numb scalp. At the moment of his death, he could only hold Qin Yao's head, stuff her into the quilt, and then hug her, tightly, trying to make sure that he was sleeping alone. Look like.

But he just started to regret this action, isn't it even worse, once Chu Fei saw it, it was really over.

Now that Chu Fei ran over in the middle of the night, she must have discovered that Qin Yao was not by her side, and suspected that she had come to him...

Thinking of this, Lin Ziming was so desperate that he had a dead heart.

On Qin Yao's side, she was held in Lin Ziming's arms and froze for a while, and then she was ecstatic. It was great that this kind of once-in-a-lifetime opportunity was met by her. Now her relationship with Lin Ziming can always go further, hehe.

She also took the opportunity to hug Lin Ziming with her backhand, taking advantage of Lin Ziming's advantage, and found that Lin Ziming's figure is so good, she didn't expect to be so strong and perfect.

But Lin Ziming is suffering, he is really on the edge of the intersection of ice and fire, alas.

Speaking of Chu Fei's side, after she came in, she walked in very carefully, and walked to the bedside, and found that Lin Ziming was sleeping soundly, and there was no trace of Qin Yao in the room. She breathed a sigh of relief in her heart.

Then she lifted the quilt and wanted to sleep in.

Perceiving this movement of her, Lin Ziming had a numb scalp, and he didn't dare to pretend to sleep anymore. He quickly 'woke up', opened his eyes, and said to Chu Fei in surprise, "Hey, Feifei, you are not with you. Is

Qin Yao sleeping? Why did she come to me?”

Don't look at Lin Ziming's expression now being very calm and doubtful. In fact, he is already flustered inside. The key point is that Qin Yao, a girl, is still attacking him constantly, there is a risk of exposure at any time, and it is really about to collapse !

Chu Fei saw Lin Ziming wake up, she didn't go to bed either, and asked, “I woke you up.”

Lin Ziming said, “Fortunately, I am almost sleeping. By the way, don't you sleep with Qin Yao?”

Chu Fei said depressedly: “I woke up just now and suddenly found that Qin Yao was gone, and I wanted to see if she came to you.”

When these words were spoken, Lin Ziming's heart jumped instantly and he was extremely nervous. Qin Yao who was in the bed was not much better, and his heart thumped and thumped, and his restless hand, which was originally restless, stopped now.

Regardless of what she said just now, she was very righteous, but she still didn't dare to really want her to face Chu Fei. So now I still have to be stubborn, if Chu Fei finds out, she won't be embarrassed no matter how thick-skinned she is.

Lin Ziming laughed dryly, and said, “How can this be possible, why did she come to me so well?”

Chu Fei said meaningfully: “It's hard to say, I think that girl Qin Yao often mentions you recently, it seems to be interesting to you.”

Guru!

Lin Ziming swallowed heavily. What did Chu Fei's words mean, did she find out?

Not only him, but Qin Yao who was in the bed also broke out in a cold sweat and panicked. Is it really that obvious that he was discovered by Chu Fei?

This is so neat.

Fortunately, Lin Ziming's reaction was fast enough. He rolled his eyes and said, “What are you talking about nonsense? Qin Yao is your good best friend. How could she be interesting to me? I think you are too sensitive and thinking wildly.”

However, what he said made Chu Fei squinted and said, “Lin Ziming, I just said casually. What are you doing with so many explanations? Are you guilty of conscience?”
