

## Chapter: 738

Smith was embarrassed by the blushing of Connor, but they didn't dare to say a rebuttal because they didn't dare to offend Connor.

"Connor, I don't think you should underestimate the enemy. This yellow-skinned monkey has Chinese kungfu and is not so easy to deal with." One of Smith's bodyguards said in a low voice. He felt the horror of Lin Ziming that day. It is necessary to remind Connor.

However, his reminder made Connor dissatisfied and snorted heavily, and said, "The useless thing, a yellow-skinned monkey, scared you like this. Hua Guo Kung Fu is just rubbish. Useful!"

It can be seen that Connor's disdain for Chinese Kungfu is from the bottom of his heart.

Their conversation was softer, and Ning Yuning's attention was focused on Lin Ziming, so she couldn't hear it. But all fell into Lin Ziming's ears. Lin Ziming's eyes became colder. Originally, he thought this Smith would retreat and didn't dare to be arrogant anymore. Instead, Smith became more aggressive and invited a professional boxer to come over.

What angered Lin Ziming most was Connor's speech, which vilified the Chinese Kung Fu!

As a native Chinese, Lin Ziming has a strong national sentiment and a deep affection for Chinese Kungfu. Now that a foreigner is slandering Chinese Kungfu here, how can he bear it? He must give this arrogant foreigner something. A painful lesson!

This thought flashed through his mind. Under the leadership of Yu Qing, he was sitting opposite Smith.

Ning Yuning said: "Dong Lin, Mr. Smith has specially arranged dinner tonight in order to express his apologies to you."

Lin Ziming smiled meaningfully. He had already noticed that Ning Yuning didn't know it was a Hongmen Banquet tonight, and thought that Smith was really going to apologize.

Then Ning Yuning gave Smith another wink and signaled that Smith could apologize to Lin Ziming.

Smith has Connor's town. He is now calmer and regained his previous arrogance. He said to Lin Ziming: "Mr. Lin, I heard that you are the chairman of Ziqiong Media. I don't know where you are Kung fu learned?"

He didn't mention a word of apology. Instead, he asked about Lin Ziming's skill, and he couldn't wait to cite in that direction.

When Ning Yuning heard his opening, she couldn't help but frowned slightly. What the hell was this Smith doing?

Lin Ziming answered him right away, but said to Ning Yuning: "Miss Ning, have you already ordered?"

Facing his question, Ning Yuning was stunned for a moment. Lin Ziming

didn't answer Smith in this way, which was a bit of a shame to Smith. Sure enough, she sneaked a glance at Smith, and found that Smith's face was gloomy, especially ugly.

She suddenly had a hunch that the dinner tonight seems to be as simple as she imagined...

Not only Smith, but also the faces of several other foreigners were not good-looking. They felt that Lin Ziming was too arrogant. An inferior race would dare to be arrogant in front of these noble white people. It was simply a huge disrespect!

Connor is the most discriminatory against China. He has beaten several Chinese boxers before. Just like tofu, he is vulnerable. Over time, he felt that the whole China was rubbish and a poor race.

But now that Lin Ziming dared to ignore them, Connor was extremely angry, with an angry expression on his face.

When Smith saw him like this, he hurriedly kicked him in the audience to tell him not to act rashly. When Lin Ziming found out, they wouldn't be able to act.

Connor understood this, he lowered his head and stopped looking at Lin Ziming, hiding his anger.

It's just that he was discovered by Lin Ziming long ago, and where can he hide.

Ning Yuning said: "It's still nothing, wait for your order from the chairman."

Lin Ziming smiled and said, "Then just order some."

Then, Lin Ziming ordered some dishes he liked, and then gave the menu to Ning Yuning, indicating that they would also order the dishes they liked.

From the beginning to the end, Lin Ziming was very relaxed. He didn't put Smith and others in his eyes at all. After that, he said to Smith: "By the way, what did you just say?"

Smith gritted his teeth with anger, Lin Ziming is so arrogant, he doesn't put him in his eyes at all, he is also an international superstar anyway!

As for Connor, he was even more annoyed, and he wished to rush over and beat Lin Ziming bitterly.
