

Chapter: 752

Lin Ziming almost fled and left, looking particularly embarrassed.

What happened just now was really embarrassing for him. The worst thing is that if the phone didn't ring in time, he would make a mistake.

Shouldn't, shouldn't...

By the way, phone.

He quickly took it out of his pocket and saw that it was Chu Fei who called him. He was even more panicked. He hurriedly looked around to see if Chu Fei was nearby, for fear that Chu Fei would have seen the scene just now.

Fortunately, there was no figure of Chu Fei nearby, which made him breathe a sigh of relief, and then called back. After a while, Chu Fei answered the phone, "Ziming, are you busy? Why are you still not going home?"

Lin Ziming said, "The phone was muted just now, and I will be home immediately. Are you at home?"

Chu Fei said, "I'm at home. By the way, on your way back, buy a bottle of soy sauce and fuel consumption. Come back. The house has run out."

"Okay, is there anything else?" Lin Ziming said with a sigh of relief.

"No, waiting for you to come back." After a pause, Chu Fei said mysteriously, "My parents are back to Chu's house tonight, and we are at home."

Hearing this, Lin Ziming immediately became excited. The meaning expressed by Chu Fei's words was very obvious!

"Okay, I'll be home right now, five minutes, no, two minutes!" Lin Ziming hung up the phone and smeared the soles of his feet.

After buying soy sauce, he appeared in the house in less than two minutes.

Chu Fei was watching TV applying a facial mask in the living room, and when she saw him coming back, her face was also beaming with joy.

Lin Ziming closed the door, put the soy sauce down, then came over and hugged Chu Fei, and walked upstairs.

"Hey, what are you doing? I haven't finished watching TV yet!" Chu Fei punched Lin Ziming's chest twice, and said shyly. She is no longer the simple girl before, so she naturally knows Lin Ziming. Why are you so anxious?

To be honest, she was also looking forward to it.

Lin Ziming said solemnly: "My wife, I am poisoned, and I need you to detoxify!"

"I hate..." Chu Fei's face was red. Suddenly, she smelled the perfume of other women on Lin Ziming's body, her face stiffened, and asked: "Ziming, who did you talk to? Together?"

"Uh..." Lin Ziming realized that something was wrong, and wished to slap himself, and stopped, "Well, I went to a dinner tonight, it's like this..."

Lin Ziming quickly explained what happened tonight, and then explained:

“My wife, I assure you that Ning Yuning and I are innocent, and I absolutely do not do anything to be sorry for you!”

Chu Fei looked at him, “Really?”

Lin Ziming said quickly: “Of course it is true. If I don’t believe me, I swear, if I do something wrong with Chu Fei...”

He didn’t say anything, because Chu Fei had already blocked his mouth.

Lip points.

Chu Fei smiled and said, “Fool, what are you doing so nervously? I don’t even say that I don’t believe you.”

Lin Ziming breathed a sigh of relief, Chu Fei’s appearance just now really scared him to death.

Now that Chu Fei’s kiss has lifted his fire again, he really has to get rid of it, otherwise it will be suffocated.

When she arrived in the room, Chu Fei took off her facial mask, revealing her face that was so beautiful, and Lin Ziming could be regarded as meeting a lot of big beauties. But in his mind, Chu Fei thinks that the most beautiful is the attraction from the soul to him.

All the women in the world add up, and they are not as good as Chu Fei in case.

Chu Fei felt his deep love, and was particularly moved in her heart. She was so filled with her that she hugged Lin Ziming tightly, and said charmingly, “Ziming, marrying you is the greatest in my life. Happiness.....”

After half an hour.

A violent wind and rain stopped abruptly.
