

Chapter: 770

Ouyang Yanran has been absent-minded and in a bad mood recently. She finally found out that Lin Ziming left in a hurry that day and didn't even say hello because something happened at home and offended a super big man.

Now there are rumors outside that Lin Ziming is going to die, and even their Ouyang family is now being warned by the super man, and they are beginning to draw a clear line with Lin Ziming.

To be honest, when she heard this message, she was still very sad, as if she was about to lose something she liked.

Later, she couldn't help asking Ouyang Xuehai whether Lin Ziming could survive the crisis this time. As a result, Ouyang Xuehai shook his head with regret and said that he was jealous of the talent.

She is not stupid, and she naturally understands what her father meant, that is, Lin Ziming is so fierce and ill-advised, there is a high probability that he will die.

Death is not a distant concept for her. Two years ago, her grandmother passed away. She was so sad that she would never see her grandmother, and disappeared in this world since then, even if there is another one. Money, no matter how powerful, cannot bring people back to life.

But Lin Ziming was so young that she was about to die. She couldn't tell what it felt like, uncomfortable, reluctant, regretful, disappointed...

Speaking of which she is not familiar with Lin Ziming, and only met two or three times, but the last time, when Lin Ziming was sent away, she ran into her ex-boyfriend cheating, which made her have a wonderful feeling for Lin Ziming. , This is a common experience between the two of them...

"Ugh....."

Ouyang Yanran sighed for a long time, very upset in her heart.

A female classmate next to her said, "Yan Ran, you really broke up with Lai Bin in vain. I think you have been sighing and absent-minded recently."

Another female classmate also said: "I thought Laibinbai was a playboy a long time ago. As expected, he did something inferior to a beast. Yanran, a scumbag like Laibinbai, don't need to be sad for him. You know the handsome guy, and I will forget Laibinbai immediately!"

Ouyang Yanran shook her head and said, "I am not because of Lai Binbai."

Strangely speaking, she and Laibin had been in love for three years for nothing. She should have been sad when she broke up this time, but besides being sad now, she passed away the next day. On the contrary, when she heard Lin Ziming's bad news, she was even more sad and disappointed.

The two female classmates obviously didn't believe it.

One of the female classmates thought of something and suddenly said, "By the way, tonight is Gu Shao's birthday. I heard that it's a big deal. Many friends in the circle have passed. There will be many handsome guys, and

we will also pass. Have fun.”

“Yes, this is a rare opportunity, Yan Ran, if you go, it will definitely be the focus of the audience! By then, those handsome guys will line up to please you, that scene is simply not too cool.”

Ouyang Yanran is not in any mood to go to someone else’s birthday, shook her head and said: “Forget it, I’m not interested in this, so let’s go back to the dormitory to read a book.”

The two female classmates immediately grabbed her and persuaded her in various ways, “Oh, reading is so boring, it’s better to go to Shao Gu’s birthday together!”

“Yes, besides, you can read it any time you read, but you can’t participate in Gu Shao’s birthday anytime.”

“It was so happily decided. We will dress up tonight and let those handsome guys revolve around us!”

Ouyang Yanran was touched by what they said. She is indeed a little bored these days. If she had the opportunity to attend a birthday party, it would be nice to relax.

Gu Shao is naturally Gu Hanxing.
