

Chapter: 780

The other college students were also dumbfounded, with completely unbelievable expressions. Even Shao Luo's father had to be respectful of this surnamed Lin. How old is this surnamed Lin? Could it be that he is really a big shot?

Facing Luo Xiang's apology, Lin Ziming did not respond, but he still drank and ate food on his own, which seemed particularly mysterious and powerful.

The cold sweat on Luo Xiang's forehead was getting more, and he quickly gave Luo Zifeng a kick and cursed: "Luo Zifeng! You beast, don't hurry up to apologize to Lin Dong!"

Even if Lin Ziming is a skinny camel, he is not something Luo Xiang can offend, especially Lin Ziming's cultivation is shocking the world, and it really annoys Lin Ziming. He maimed them or even beats them to death. It is not impossible.

So Luo Xiang was really scared of Lin Ziming, and he couldn't take care of him anymore, so he apologized quickly.

Luo Zifeng was completely dumbfounded. It would be too shameful to ask him to apologize to Lin Ziming in front of so many people. Why would he be in the circle in the future?

"Dad, you are always confused, why do you want to apologize to him? I don't want to lose face." Luo Zifeng said unconvincedly, and straightened his waist.

At this time Lin Ziming spoke, he showed a meaningful smile, raised his head, and said to Luo Xiang, "Your son is very spine and I appreciate it."

When Luo Xiang heard this, he became even more frightened, especially when he saw Lin Ziming's non-smiling expression, he only felt that a bucket of ice water poured down his forehead, making his hands and feet cold, and he was particularly frightened!

Trembling.

Not paying attention to so much, he slapped Luo Zifeng on the back of the head again, and with all his strength, he directly slapped Luo Zifeng screaming, and then he kicked Luo Zifeng's leg, making Luo Zifeng plop and kneel in front of Lin Ziming. , Cursed: "Kneel down to Lao Tzu and apologize to Lin Dong!"

At this moment, Luo Zifeng knew that things had become so big, he had grown so big, and he had never seen Luo Xiang so angry and scared, so he quickly apologized to Lin Ziming.

Lin Ziming looked at Luo Xiang, who was covered in cold sweat, did not continue to embarrass him, waved, and said a word: "Get out."

Luo Xiang was amnesty, showing ecstasy, dragged Luo Zifeng and ran away in a desperate manner.

When this happened, other people didn't dare to sit with Lin Ziming anymore, and they drove off one after another.

Lin Ziming was happy and leisurely, drinking and eating food in his own way.

“Dad! What's the origin of the surname Lin just now? Why are you so afraid of him? Anyway, our Luo family is also a big family in Province G. You made me kneel in front of him in front of so many people. The family's face is not all lost!” Luo Zifeng said unconvincedly after returning.

Luo Xiang gave him a violent shudder and cursed: “You bastard, I am ashamed to say, who told you to offend Lin Ziming! Do you know who he is, Ziqiong Media, Tengyue Advertising, Aegis Security Chairman! If it wasn't for me to protect you just now, you would be dead now!”

Luo Zifeng still said unconvincedly: “Even if he is the chairman of Ziqiong Media, you don't have to be so afraid of him. Our Luo family is not a vegetarian! Dad, I think you are really confused.”

Luo Xiang said, “You know what a shit! Don't even think about it. If he is just as simple as having money, would I be so afraid of him? What's scary about him is that he is an extraordinary master of the innate realm! Some time ago, Gu Xuan died in his hands!”

When Luo Zifeng finally heard this, his eyes widened and he was extremely shocked, “Isn't Gu Xuan Gu Shao's father? Or the vice president of the North Sky Club! He actually died in the hands of this surname Lin?”

Luo Xiang said angrily: “Otherwise you thought I would be so jealous of him? If he shot just now, you would already be a dead body.”

“Under all the eyes, he dare not do this, right?” Luo Zifeng's voice was much lower, and he was finally a little scared now.

Luo Xiang sighed, his eyes gleamed with the same light, and said: “You don't know anything about that. A while ago, Gu Xuan's junior sister Wu Meizi made a shot in person, and took Lin Ziming's family with a tyrannical force. Everyone beat him up, and mobilized her power to isolate Lin Ziming, threatening to kill Lin Ziming. And today is Gu Hanxing's birthday, Lin Ziming dared to come and participate, just to come and fight Wu Meizi to the death Under such circumstances, do you think he would dare not do this? For someone like Lin Ziming, it is easier to kill you than to trample an ant!”
