

Chapter: 793

Bang!

Lin Ziming didn't care about her, and kicked it again. Wu Meizi was a super master at the upper level of the Innate Realm anyway, and now she was prepared, even if she was seriously injured, she could still temporarily resist Lin Ziming's kick.

But she could block this foot, but could not block Lin Ziming's foot.

Bang bang bang...

Lin Ziming's legs were like iron whips, constantly beating Wu Meizi's body, Wu Meizi stepped back, and after a while, he was kicked and lost the ability to stand.

Everyone looked at this scene, feeling horrified, and had unprecedented fear of Lin Ziming!

Wu Meizi now looks too miserable, she has no strength to fight back, she fell to the ground, dying, her always cold eyes, there was strong fear and despair, and she began to beg for mercy, "Lin Ziming, I was wrong, no I should be against you, please let me go, please..."

Wu Meizi's begging for mercy now deeply irritates everyone, especially Gu Hanxing. He is now plunged into the abyss, biting cold!

Uncle Shi was defeated, and he was still defeated so simply.

Lin Ziming stepped on Wu Meizi's chest and looked at her condescendingly. His eyes were as dark as ever and emotionless. Because of this, it is the most frightening.

Shout!

Lin Ziming slammed Wu Meizi's chest through with her feet. Wu Meizi's body straightened for a while, and expressions of despair, regret, fear, unwillingness, and reluctance appeared on her face. She froze, and then she froze. , Dying.

Wu Meizi is dead.

More than three thousand people present received this information and died in the hands of Lin Ziming, and they were still in full view of everyone. This kind of impact is great for everyone!

You must know that Wu Meizi is not a cat or a dog, but a leader in the innate realm, and now she is dead like this.

When everyone looked at Lin Ziming, they would only feel biting fear and cold.

Lin Ziming still didn't wake up. After he trampled Wu Meizi to death, he seemed to have done a trivial thing. Then he turned around and looked at Gu Hanxing.

Seeing this look in his eyes, Gu Hanxing suddenly shook his whole body and shook fiercely. He wanted to turn around and run, but his feet seemed to be rooted, completely unable to move.

“Lin Lin Lin...”

He didn't even call out what he said, Lin Ziming had already arrived in front of him.

He pinched Gu Hanxing's neck with one hand and lifted him up. Gu Hanxing kicked his feet in the air, feeling helpless and terrified.

As Lin Ziming's hands continued to tighten, Gu Hanxing felt a huge pain, his neck was about to be squeezed, he couldn't breathe, his sight began to disappear, and he was about to die.

At this moment, a shout came from behind, “Ziming!”

It was Tao Sanniang, this shout made Lin Ziming's cold eyes, some fluctuations appeared, slowly, his eyes turned and began to regain consciousness.

He turned around and saw Tao Sanniang looking at him in fear and worry.
