

Chapter: 794

Lin Ziming regained his consciousness, and his face changed a little. As soon as he loosened his right hand, Gu Hanxing fell to the ground. There was a scent of urine in the air. Gu Hanxing was so scared that he peed his pants.

Tao Sanniang walked over cautiously and stared at Lin Ziming, “Lin Ziming, are you okay?”

Lin Ziming shook his head and said, “I’m fine, did you scare you just now?”

Tao Sanniang nodded first, and then shook her head. Then she was sure that Lin Ziming had recovered her mind, and she threw herself into Lin Ziming’s arms like a swallow.

She was worried to death just now, and now Lin Ziming defeated Wu Meizi, she wept with joy, and hugged Lin Ziming tightly, her tears couldn’t stop.

Lin Ziming felt her emotions and was very distressed and moved. He put his arm around her backhand, patted her on the back, and said softly, “Something is wrong.”

“Hmm...” Under Lin Ziming’s comfort, Tao Sanniang slowly relaxed, nodded vigorously, and took courage to kiss Lin Ziming’s lips, and said: “From now on , I am your woman, you can’t abandon me.”

Lin Ziming stiffened, showing a wry smile.

At this moment, Gu Hanxing wanted to escape, Lin Ziming didn’t look back, kicked a stone beside his foot, and slammed it heavily on Gu Hanxing’s back. Gu Hanxing fell to the ground and screamed.

Lin Ziming walked over with a cold face, stepped on Gu Hanxing’s chest and looked down at him, “Gu Hanxing, I originally killed Gu Xuan and planned to spare you a dog’s life, but you didn’t appreciate it and dared to call Wu Meizi to look for him. Am I in trouble?”

Gu Hanxing was so scared that he was going to break his courage, and he trembled and begged for mercy, “Master Lin, Master Lin! You have a lot of it, let me go this time, I beg you, I really don’t want to die, oh oh.”

Today is Gu Hanxing’s birthday, and the scene is unprecedented. Almost famous officials from G province came to cheer. It was originally Gu Hanxing’s day, but because of the appearance of Lin Ziming, the situation was completely reversed. Gu Hanxing’s face is like Lost!

He can’t take care of these anymore. Now he is really scared. Even Wu Meizi is not Lin Ziming’s opponent, so he has no chance of revenge anymore. Now he just wants to live, he is still young and he doesn’t want to die!

Lin Ziming squinted his eyes and looked at him coldly, and said, “Gu Hanxing, you should never do anything to do anything to the people around me and beat the Chu family so badly! You have already offended me. Bottom line.”

When Gu Hanxing heard this heartbroken, he quickly begged for mercy and explained, “Master Lin, that’s not what I meant. It was the idea of a crazy woman like Wu Meizi. It has nothing to do with me!”

Now he betrayed Wu Meizi unscrupulously.

More than three thousand people present, hearing his words, he now looks like a begging for mercy with dignity, they are very disdainful and contemptuous.

Lin Ziming sneered. Naturally, he would not believe Gu Hanxing’s nonsense, and it was even more unlikely that he would let Gu Hanxing go.

One foot stepped on it, and Gu Hanxing’s despair ended his life.

So far, the audience is silent!

Everyone’s eyes were horrified and demented, looking at Lin Ziming, looking at a god, a demon coming from hell.

Lin Ziming killed people in front of so many people. According to the law, he was going to die.

But everyone knows that Lin Ziming will not die, his future is unlimited!

Moreover, the forces of province g have completely shuffled from this moment.

The name Lin Ziming was born out of nowhere, and he became the strongest person in Province G, without a doubt.

As for those who chose to draw a clear line with Lin Ziming because of Wu Meizi’s warning, now they regret that their intestines are all green!
