A LIFE UPSIDE DOWN

Chapter: 795

No, they are the wrong treasure. Who would have thought that Lin Ziming, who had just been promoted to the Innate Realm, would be so terrifying, even cutting Gu Xuan and Wu Meizi.

Lin Ziming's gaze flicked across all of them. Everyone he saw had their heart beating to the extreme, nervous and frightened, and quickly lowered their heads, not daring to look at Lin Ziming, for fear of making Lin Ziming angry.

Now at Ouyang's house, Yuntian Pavilion's mood is extremely complicated. Ouyang Feng and Fan Lao's mouth are bitter. They really hit their own feet by moving a rock by themselves this time!

Lin Ziming felt the heart movements of these people, and the corners of his mouth rose slightly, revealing an intriguing sneer.

"Let's go." Lin Ziming said to Tao Sanniang, and then began to leave.

Tao Sanniang Xiaoniao leaned back in Lin Ziming's arms, nodded docilely, and left with Lin Ziming.

Lin Ziming walked slowly and walked out of the ruins. When passing the crowd, everyone who stood in front of him backed away, giving him a five-meter-wide road, and let Lin Ziming leave, for fear of hindering him. Lin Ziming.

"Ziming, what happened just now was a misunderstanding. In fact, Yuntian Pavilion has always been on your side!"

At this moment, several people walked out, all of whom were high-level members of Yuntian Pavilion. Among them, Mr. Fan nodded and bowed to apologize, his posture was unprecedentedly humble.

Several other senior members of the Yuntian Pavilion also quickly explained that they hoped to restore relations with Lin Ziming.

But will Lin Ziming restore relations with them?

Naturally it is impossible.

He sneered, only faintly said two words, "Go away."

The voice was very low, like a chat between friends, but everyone who fell in the Yuntian Pavilion was thunderous in the sky, and it shook their heads rumblingly! His face became pale, especially fearful.

Tao Sanniang said with a cold expression, and said lightly: "There is nothing to say, I know what Yuntian Pavilion has done during this period of

time better than anyone else."

When Old Fan heard this, his face turned black, and the other people in Yuntian Pavilion were also very angry. Tao Sanniang, as a member of Yuntian Pavilion, did not speak for them, she was a traitor!

Even their eyes looked at Tao Sanniang with threats.

It's just that this little movement of them, how can they hide Lin Ziming? I saw Lin Ziming snorted coldly, stepped on his right foot, and his strength burst out, with a bang, the hard floor was cracked by his foot, and the cracks spread to the Yuntian Pavilion and others. Finally, there was a bang, that look The man threatening Tao Sanniang, the tile under his feet exploded directly.

"From now on, Tao Sanniang is my person, whoever dares to move her will fight against me and end the game like this."

Feeling the murderous intent emanating from Lin Ziming, all the people in the Yuntian Pavilion slammed their heads and hurriedly lowered their heads, not daring to speak any more.

On the other side, Ouyang Feng and the others, who originally wanted to reconcile with Lin Ziming, immediately dispelled this idea.

Ouyang Xuehai slapped himself heavily, regretting it to the extreme!

Finally, Lin Ziming and Tao Sanniang left the gymnasium under everyone's attention.

Everyone will never forget what happened tonight, and they also know that Lin Ziming's identity is completely different since tonight!
