

Chapter: 837

“Boss, when will you pay us wages? If we don’t pay wages, we won’t do it.”

“Boss, you agreed to pay us monthly wages. Now you have been delayed for three months.”

“Mine has been delayed for almost half a year, and we will not be able to resist it any longer...”

All of the Chinese people began to vent their dissatisfaction. They were all poor. They came to work because these foreigners were paid relatively high wages. As a result, they felt angry every day and did more work than anyone else. The wages were paid. Has been dragging.

boom!

Connor slapped the table with a slap, slapped the table apart, and pointed at all the Chinese swearing, some ugly words.

With some Chinese swear words, it was very arrogant and nasty, so that the two bloody Chinese couldn’t stand it. He threw the rag down hard and cursed loudly: “You foreigners, I don’t Do it! Now I will go to the labor bureau to sue you!”

“I don’t do it anymore!!”

But when they had just taken two steps, they were blocked by two sturdy foreigners, staring at them coldly.

The two Chinese were only 1.7 meters tall. In front of the two 1.9 meters foreigners, they looked particularly weak. The surging mood immediately shook a lot and couldn’t help swallowing.

“Go back to work for me, or I’ll beat you up.”

One of the foreigners spoke in a bad Chinese language.

“What a shit, unless you pay us a salary.” One of the younger Chinese said stiffly.

However, as soon as he finished speaking, the foreigner grabbed the collar by his collar and pressed it against the wall. He said fiercely, “What did you say?!”

In an instant, the young Chinese was stunned, both feet trembling uncontrollably.

“No, nothing to say...”

“Hmph, damn it, go back to work!” The foreigner slammed him to the ground forcefully.

The other foreigners laughed loudly, very rampant and domineering.

The young Chinese man burst into tears and felt extremely humiliated. He wanted to resist, but he didn’t dare to resist. There was no way. These foreigners were so tall that he could never beat them.

When other Chinese people saw this scene, they were extremely disappointed and humiliated. This is not the first time this happened these

days.

In the first two days, another Chinese was beaten into the hospital, but it turned out that there was nothing wrong with this group of foreigners.

Even if they were too angry and unwilling, they had to grit their teeth to endure it and continue to work.

Smith and Connor saw that they were working again, with disdain and contempt in their eyes, thinking that the Chinese were cowardly and lowly in their bones, hahahaha.

At this moment, the closed door suddenly opened.

Two foreigners ran in in a panic, pale and full of fear, "It's not good, the big thing is not good..."
