

Chapter: 860

This calmness caused the two men to raise their brows. They had to admit that Lin Ziming's psychological quality was so strong that he could remain calm even if he encountered such things, and they could see that Lin Ziming's calmness was not pretended. But he was really scared.

The man among them was obviously dissatisfied. He was a few years older than Lin Ziming. He was an arrogant man himself. He lived smoothly since he was a child. Even after he joined the army, he has not experienced any setbacks. He is almost the top existence among his peers, and now, there is a Lin Ziming who is not only younger than him, but also higher than him, which makes him very unconvinced!

Seeing Lin Ziming's calm appearance, he was particularly upset. He snorted and asked, his vigor exuded, and he stared at Lin Ziming firmly, and said, "Lin Ziming, please be serious for me! You! More than 20 lives have now been taken, and we are here to arrest you and bring you to justice!"

I have to say that his majesty is still great, he has been in a high position for a long time, and he is full of official power, making everyone present in awe, afraid to make a sound.

Anyone with a discerning eye can see that his identity is not simple, and it is not something ordinary people like them can offend.

The woman was also very solemn with a cold face, without saying a word.

Lin Ziming still sat down to make tea and said, "I don't know what evidence you have?"

"Humph! I naturally have evidence. I am here to arrest you today. I know you are a master of the innate realm, but I advise you not to act rashly!" the man said in a deep voice, his tone full of threats.

Lin Ziming smiled and said, "Really? I want to try it."

He raised his head and looked at the two masters in uniforms in front of him with a smile.

"You!!" The man was very angry when he saw Lin Ziming, a dead pig who is not afraid of boiling water. He stretched his hand to his waist and wanted to take out the gun.

At this moment, the woman next to him stopped him, with a serious expression, and suddenly smiled, "Sure enough, she is a master who can defeat Gu Xuan and Wu Meizi, and she is not afraid of us."

Lin Ziming also laughed, then made the tea, poured it for them, and motioned them to sit down and drink tea.

The two looked at each other, and after making eye contact, they decided to sit down.

Lin Ziming made a gesture to signal the others to leave. Lin Ziming and these two uniformed masters were left in the hall.

"Lin Ziming, why are you killing so many foreigners? Are you not afraid of

legal sanctions?” After sitting down, the woman stared at Lin Ziming and asked in a deep voice.

“Because they deserve to die.” Lin Ziming said lightly.

The man’s face turned cold and said, “Who do you think you are and have the power to decide the life and death of others? I tell you Lin Ziming, don’t think that you are a master of innate realm, and you can do whatever you want! In China, you can be cured. How many people are there!”

Lin Ziming’s smile closed up, his eyes suddenly became deep, staring at the opposite man, motionless, and instantly, the other party felt the tremendous pressure, his breathing gradually increased, and his forehead slowly emerged. Cold sweat.

Only then did he understand how terrifying Lin Ziming was. In Lin Ziming’s eyes, he seemed to see Dou Zhuan, the world turned upside down, the end of the world, fell into eternal darkness, and his consciousness was gradually lost!

The woman next to him was extremely shocked when he saw that his face became paler and paler, with an expression of unprecedented fear on her face.

Lin Ziming did not continue to embarrass him, put away the pressure, and said indifferently: “What kind of stuff they are, you know best, so you won’t use this set. You don’t have to act anymore. It’s been a month. You just came to me, not to condemn me. I have a good guess, you are trying to recruit me.”

Hearing Lin Ziming’s words, their faces finally appeared astonished. They didn’t realize that Lin Ziming was so smart, and they could see through their trump cards at once!
