

Chapter: 915

Tao Sanniang quickly realized this, her face turned red, and then she said: “Actually, you don’t have to worry about me being jealous. I am a third party myself. I am very content to be by your side. What qualifications do you have to be consistent?”

Lin Ziming opened his mouth and wanted to say something. Tao Sanniang blocked his mouth again and said, “You don’t need to say, I know. You are a good man, and at the same time you are also an absolutely excellent man, a man like you. , Is destined to be extraordinary and destined to be loved by many women. I am mentally prepared. I believe similar things, your wife has also told you.”

Lin Ziming was silent.

It is true that Chu Fei said something similar to him more than once, but he felt ashamed when he heard it. Is a person like him really qualified to have three wives and four concubines?

Next, Tao Sanniang did not talk about it again, she held Lin Ziming’s arm all the way, Xiaoniao Yiren, very sweet.

She put her identity very upright, and she had never longed to monopolize Lin Ziming. This was her idea, and it was also a fact.

For her, as long as she can date Lin Ziming occasionally and have her place in Lin Ziming’s heart, that is enough.

Today Tao Sanniang came back and Lin Ziming stayed with her for a day, but in the evening, she didn’t stay overnight. After having a supper with Tao Sanniang, he left.

Tao Sanniang is a bit disappointed, but she also doesn’t force Lin Ziming to stay. She knows how to measure. She knows this kind of thing. The more you ask for, the less you get. On the contrary, many times, she knows how to be considerate to men and stand more. Thinking from the perspective of men, men will pity even more.

This is a learning, Tao Sanniang is already familiar with it.

After Lin Ziming returned to Yulong Bay, Chu Fei and the two old men were already asleep. He went back lightly, took a shower, changed a new set of clothes, and then returned to the room.

Seeing Chu Fei lying on the bed, breathing evenly, she seemed to be asleep.

He felt a little guilty in his heart. In his concept, he always felt that this was an immoral thing, even if he had obtained Chu Fei’s acquiescence.

Alas, he sighed, he no longer thought about it, he had no choice to go to bed, but simply meditated on the ground so as not to wake Chu Fei.

But as soon as he sat down, he heard Chu Fei’s words, “Why don’t you sleep in bed?”

Lin Ziming was startled and said, “Did you wake you up?”

“No.” Chu Fei shook her head. She turned on the bedside lamp, sat up from

the bed, and said with a smile: "I'm not asleep."

Lin Ziming was even more embarrassed. He walked over, held Chu Fei's hand, and said softly, "Is it because you are waiting for me?"

Chu Fei smiled and shook her head and said, "It's so stinky, I didn't wait for you. I just couldn't sleep because I drank coffee today."

Lin Ziming also laughed, he had found the answer in Chu Fei's eyes.

Suddenly, he had an urge to confess and be lenient, "Feifei, actually I..."

When the words came to his lips, he found that he couldn't speak again.

However, Chu Fei became very smart at this moment. Her eyes were full of wisdom. She seemed to have seen through what Lin Ziming wanted to say.

She smiled and said, "There is no need to have any psychological burden.

When you think the time is right, take me Just meet her and get acquainted."

"Huh?" Lin Ziming's heartbeat accelerated a lot.

Chu Fei had turned off the light, lay down, and took his hand to make him lie down, and said, "Don't talk, I'm sleepy, hug me..."
