A LIFE UPSIDE DOWN

Chapter: 934

"what?!"

In a luxurious box, a table of people are eating. Looking around, they are all leaders in various fields in Province G. Lin Ziming specially invited Lin Ziming to join the dinner.

After Lin Ziming received the call from Chou Ye, he was shocked at the moment and stood up abruptly, shocking everyone present! !!

Today, Lin Ziming is in a good mood, to give face to the big people present, and come over for a meal, but he never thought that he would receive such a call from Chou Ye!

Especially, on the phone, the dying voice of Lord Ugly was something he had never heard before. As a result, his scalp was numb as a result of the content of the phone call, and an anger rushed from the soles of his feet to his forehead! !

"Where are you, I'll pass right away!" Lin Ziming said in a deep voice.

On the phone, the ugly master's weak voice came, "Headquarters... Department!"

At the same time, Lin Ziming heard the sound of fighting on the spot, crackling, sounding so thrilling.

"Okay! You wait for me, I'll be there in five minutes...no, I will be there in two minutes!" Lin Ziming said categorically with unprecedented seriousness. Ugly Master's comforting voice came from the phone, "Okay, Master, we are waiting for you..."

With a snap, Lin Ziming smashed the phone directly. Then, he took a deep breath and looked at the people in the box with surprised eyes and said, "Everyone, sorry, something happened to me. It needs to be dealt with right away, and it's an abandonment."

They also saw the serious matter of Lin Ziming just now. A huge change must have taken place. Where did they dare to keep Lin Ziming, they quickly stood up, waved their hands, and said something wrong with their fists.

Lin Ziming nodded, not too long-winded, now to him, time is money.

He didn't have the choice to take the elevator down. This was too slow and too slow, even if it was walking the stairs, it was also slow. There was only one quickest way, and that was to jump the window.

So, he made an action that made everyone in the box stunned and even scared!

I saw him walking towards the window and standing up soon after. "This....."

Everyone in the box was stunned when he saw him making this action, dumbfounded, and could not understand Lin Ziming's behavior for a while. It's not that they don't have enough imagination, but it's a twenty-eight-story building, nearly a hundred meters high. If you jump down, the iron man will have to fall into iron mud.

"Dong Lin, that, the door is in that direction..."

Before he finished speaking, Lin Ziming jumped and jumped straight down.

In an instant, there was an uproar in the box, everyone was frightened, their scalp numb!

"Oh my God! Lin Dong, what he is, he is dying!!"

"Dong Lin is crazy!"

"Something big happened, Lin Dong jumped off the building..."

All of them screamed, including Wang Shougui who came with him. Now he was also dumbfounded. He hurried to the window and looked down, only to find out where Lin Ziming had fallen to death.

Now Lin Ziming was on the tall building opposite, running fast, reaching the extreme speed. After a while, it became farther and farther, becoming a small black spot until it disappeared.

Everyone in the box went to the window and saw this scene. All of them had numb scalp and paler expressions. Their expressions were full of horror, just like a ghost!

They know that Lin Zimin is very good at fighting, and he is known as the number one master in province g. However, this is nearly 30 stories, almost 100 meters away. People with acrophobia will feel scared when they look down. trembling.

But Lin Ziming actually jumped down like this, and he was able to shuttle between the buildings in the city, disappearing from their sight within ten seconds.

This kind of thing has too much impact on them!
