

## Chapter: 944

This decision was too difficult for her. If the person who was poisoned was her, she would rather die than make that decision!

Because of that decision, she dedicated her extremely yin physique to double cultivation with Lin Ziming, and used her extremely yin power to help Lin Ziming detoxify.

The extremely yin physique is a rare physique in this world, not one in a million, but one in a billion!

There are billions of people in the world, and there are only a dozen people with this physique, and neon clothes is one of them.

The extremely yin physique is not only as simple as bringing the Taoist companion to the cultivation base and diligence, but also cleaning all the toxins and karma of the opponent.

Few people knew this secret, even Ye Xingchen didn't know it.

Lin Ziming saw Nishang lowered his head and did not speak. He thought that Nishang would not agree. He sighed deeply and said: "Sister Nishang, I know you didn't like me. I didn't mean to see what happened last time. .... Oh, forget it, I'm going to die anyway, and there seems to be no need to explain it, just as I beg you, don't tell mother that I'm dead, so she will be very sad. Just take it, this is my pleading for you, okay?"

Nishang still didn't speak. After coming over for a few seconds, she raised her head and looked at Lin Ziming deeply, as if she was going to remember Lin Ziming's face deeply in her mind, to penetrate into the depths of her soul, and forget it all her life. Unable to drop!

Lin Ziming was immediately stunned when he saw this look in her eyes. Suddenly, he had a bad feeling.

At this time, Nishang spoke, "You won't die, I have a way to help you detoxify. Not only can it detoxify, but it can also help you improve your cultivation and break through to the fourth stage of the Innate Realm."

She said this very seriously, making Lin Ziming stunned on the spot. Then, he opened his eyes excitedly and said, "Do you have an antidote?!"

Great, if the neon clothes have an antidote, then he won't have to die!

Also, Nishang is also a member of Luo Tian's organization. She has an antidote, and it doesn't seem to be a strange thing.

However, Nishang's next sentence made him feel dumbfounded, "I don't have an antidote."

Lin Ziming was dumbfounded on the spot, and started a fire inexplicably. It's this time, and Nishang still joked with him!

But then, Nishang said again: "But I have a better way than the antidote."

Lin Ziming was taken aback again. He looked at the neon clothes seriously, only to find that the neon clothes seemed to be joking with him, serious...but, what the hell was the shyness that came from the depths of the

neon clothes's eyes?

And Nishang's face is really red.

So Lin Ziming asked curiously: "What is the solution?"

Ni Chang bit her lips tightly, she had no choice to answer, but stood up, and then she made a move that made Lin Ziming stunned and completely dumbfounded! !

When she saw her, she actually started to untie her clothes. After a while, her white and flawless skin was revealed, as well as a body that was enough to make any man in the world crazy.

Lin Ziming's eyes widened. Even with his composure and experience, he was completely stunned at this moment. There was a short circuit in his brain and I couldn't imagine it at all. Why did Nishang do this?

Is this to give him a cool shot before he died?

Nishang's action is extremely challenging and embarrassing for her, especially in terms of her character. He would rather die than be like this, and meet frankly in front of the opposite sex. This is what she has never done before. Nothing has ever been done! !

However, Lin Ziming's reaction made her a little proud. Although she was disgusted with this kind of thing, she was still very confident about her figure.

Guru!

Lin Ziming swallowed heavily. When he saw the neon clothes coming towards him, he finally reacted and quickly said: "You, you, you, you, what are you doing!?"

The pretty face of Qing Guo Qingcheng in neon clothes was obviously blushing, and her breathing was abnormal. It was really embarrassing for her to let her do this.
