

## Chapter: 976

When Lin Ziming followed these four soldiers, a group of people stood in a training hall at Xuanyuan No. 3.

“Changfeng! Fierce fire! Green wolf! The three of you don’t need to be so arrogant, our instructor will be here soon, when you have bad luck!”

“That’s right, don’t think that your fangs team is amazing. In front of our instructors, you are just ants!”

“Our instructor...”

At the scene, many people were surrounded. Among them, a dozen people had blue noses and swollen faces. Several of them were beaten so hard that they couldn’t open their eyes and the bridge of their noses was collapsing.

They were all soldiers from the fourth team of the Xuanyuan Division 3 and Lin Ziming’s soldiers. They were all relatively strong. They were all first-class players when they went outside, but they were beaten by the three opponents. There was no way to fight back, bruised all over.

Among them, two soldiers were stepped on their feet. They were particularly miserable. Not only were they seriously injured, they were also stepped on their faces and couldn’t move.

These three people were soldiers of the Fang Team, named Changfeng, Agnihuo and Qinglang.

They are very tall and tall, with a height of 1.9 meters. They are very strong and exude a powerful aura. Even in the face of more than a dozen soldiers in the fourth group, they will not lose the wind. On the aura, overwhelming everyone in the fourth group.

“Hahahaha, you guys in the fourth group of trash, you are so loud, you dare to threaten us?” Changfeng laughed loudly, his face was full of disdain, his left foot stepped on Daniel’s face, like that. It can be said to be arrogant to the extreme.

Another person named Qinglang said in a weird manner: “That’s not what I said. I heard that their new instructor is very powerful. They abused all of their fourth group, tusk.”

Agni said coldly: “As far as the fourth group of waste, our Fangs group came out, which one can’t abuse them? Rubbish is rubbish, and it will always be rubbish.”

Daniel was stepped on his feet, his face was full of pain, and more aggrieved, he said loudly: “Chang Feng, you let go of Lao Tzu, Lao Tzu refuses to accept!”

“I’m not convinced? Then I will beat you up!” Chang Feng said, he increased his strength and stepped on Daniel’s face to be deformed.

This is the style of their fangs group, arrogant and domineering, with their strength and exploits, they do have this arrogant capital, as long as they don’t kill people, they don’t care much.

The most important thing is that the instructor of the Fang team is a ruthless person, even Sun Liang, who is the deputy director, is not willing to offend him.

Daniel was stomped on his face and humiliated to the extreme. He wanted to struggle, but there was no way. Chang Feng was too strong and he was not an opponent at all.

He is expecting now that instructor Lin is still not leaving, so he can just rush over and give them a sigh of relief.

“Why, your people went to move the rescuers. They moved for so long and didn’t they move?” Chang Feng said disdainfully. He looked down on the fourth team from the bottom of his heart, including Lin Ziming.

Qing Lang also said: “You can call all the trash in all your groups, and go together, we will still abuse you.”

Agni sneered and said: “They dare not, rubbish will always be rubbish.”

More than a dozen soldiers from the fourth group clenched their fists and gritted their teeth. They were extremely humiliated and angry. They wanted to rush to fight with their three fangs group, but they did not dare because they had already fought. Once, the result was to be completely abused.

Although they dislike the Fangs team very much, they have to admit that the ones from the Fangs team are indeed very powerful, and they are not at the same level as them!

At this moment, they heard the sound of footsteps coming from outside, accompanied by an excited voice, “Instructor, they are in front, they will be here soon!”

“Instructor, this time you have to speak out for our fourth team, their fangs team is really too arrogant!!”
