

## Chapter: 978

When other people saw Lin Ziming's majestic appearance, they didn't dare to complain anymore. Obviously they also remembered Lin Ziming's usual serious appearance. Although Lin Ziming coached them for a short time, their awe of Lin Ziming was deeply rooted.

It's not because Lin Ziming often trains them. On the contrary, Lin Ziming seldom trains them and is rarely as rude as other instructors. Lin Ziming is usually very good at talking. However, Lin Ziming's majesty is the deepest, because Lin Ziming has the greatest aura, especially when he doesn't speak, they will feel scared at the first glance.

So now there is a very strange scene. From the appearance, Lin Ziming is the thinnest among so many of them, but he is the most majestic. The others lower their heads and dare not look at him. Like elementary school students facing their head teacher, they seem particularly scared.

Lin Ziming turned his gaze to the three of the fangs group opposite, and saw the big cow stepped under the foot by Changfeng, and Liu Feng who was stepped under the foot by the fire.

Some anger flashed in his eyes. Anyway, Daniel and Liu Feng are both his soldiers, and they are also from the third place of Xuanyuan, and the three members of the Fang team are really insulted like this.

Up. However, he didn't show it right away. Instead, he smiled at them and said, "Everyone is a soldier from the third place of Xuanyuan. It's too much for you to do this? Why don't you give me a face and let them both go."

Lin Ziming's appearance is very peaceful now, there is no domineering, in the eyes of Changfeng, Lihuo, and Qinglang, it is a weak performance, and the three of them carefully looked at Lin Ziming, and they did not find that Lin Ziming had any. What powerful place, that little fear in their hearts, immediately disappeared, looking at Lin Ziming with disdainful eyes.

Chang Feng raised his head and said with a disdainful face: "What kind of thing do you have a face to let us give you face?"

When he said this, he was too arrogant and didn't give Lin Ziming any face. In any case, Lin Ziming was also the instructor of the third group. In terms of position, he was one level higher than them.

But Chang Feng mocked Lin Ziming in this way, it can be said that it doesn't give a bit of face!

Immediately, the dozen or so soldiers of the third group became annoyed, and they pointed at Chang Feng and cursed: "Chang Feng! What are you talking about! How dare you talk to our instructor like this, you are itchy, right?"

"Unreasonably, our instructor keeps saying that, you can be regarded as your superior, you dare not put our instructor in your eyes?!"

They are all very angry, but unfortunately they don't have any culture, and

what they say is not lethal.

Lin Ziming felt warm when seeing these soldiers defending him. Anyway, he must seek justice for them today.

He raised his hand and said lightly: "Enough."

The dozen or so soldiers filled with outrage had no choice but to stop.

Next, Lin Ziming walked slowly to the three of Changfeng. He put aside his smile and said, "You three are soldiers of the Fang team, your strength is pretty decent."

When the three Changfeng people heard Lin Ziming's words, they sneered disdainfully, thinking that Lin Ziming was just pretending.

Then Lin Ziming said: "What happened today is that my military skills are inferior to humans and I can't beat you. We recognize this. Now you have released Daniel and Liu Feng. I don't need to be familiar with this matter. "
