

## Ambush OTQ 30

### Chapter 30

Alana followed Abel into the room, and she said to him gently, "Abel, I'll fill up the bathtub for you. You should relax yourself a little; maybe Timmy will be back tomorrow."

"Okay, I'm ready with a huge amount of cash. I'm merely waiting for them to return Timmy!" Abel said, his voice hoarse.

"Timmy will be safe and sound." While Alana was talking, she tried to take off Abel's tie.

To her amazement, Abel did not push her away this time.

Alana was elated. She hastily went to the bathroom and filled up the bathtub with warm water.

She mixed some special medical powder into the water.

It was totally fragrance-free, but when it diffused through one's body, it made one lose control.

Abel stepped into the bathtub, and the warm water covered his whole body.

His entire body was at ease.

But he could not stop thinking about Timothy.

Suddenly, he was starting to hallucinate. Timothy became Helios, Endymion, and then Hesperus.

The triplets looked exactly like his son.

Abel was totally loosening up; he felt a sort of weird sensation running through his body.

I'm lusting after some comfort...

He pinched the bridge of his nose, and then he stepped out of the bathtub. He covered himself with a towel and walked out of the bathroom.

Alana was stunned, looking at him.

He was tall and handsome. Water droplets streamed down from his face. He was looking extremely sexy. Alana's heart skipped a beat simply by looking at him.

She was already in seductive sleepwear; she moaned and threw herself at Abel.

Abel pushed her away from his body, but Alana refused to let go; she held him tight.

"Abel, please don't reject me anymore. Am I not as pretty as Emmeline?"

Emmeline?

A steamy dream flashed across his mind.

He was hurting a fascinating woman inside his dream...

"A-Ah!" Alana was thrown to the bed, and Abel drew her closer to him.

He was full of desire; he could not hold himself back any longer.

He tore Alana's clothes off, and he was restraining her wrists.

Y-Yes! My plan is working! Alana entangled her legs around Abel's waist.

Abel was about to kiss her, and she was overly excited until she felt breathless. She fainted from excitement.

"Damn it!" Abel felt something was off. He tilted his head to look at the woman in front of him.

He saw Alana naked in front of him.

He had bruised her as he held her too tight.

"God damn it!"

He felt disgusted and let go of her hands. He rushed into the bathroom and poured himself ice-cold water.

In an instant, he fully regained his consciousness. But he was being tormented by his endless desire.

He knew at that moment that Alana had tried to drug him with the water in the bathtub!

He contacted the Ryker family's hospital, and he hissed, "Send me tranquilizer as soon as possible!"

Cristopher from the Department of Biology answered the phone, and he hurriedly responded, "Yes, Mr. Ryker!"

Abel put on his clothes and went to his study.

Cristopher arrived within ten minutes.

He was by Abel's bedroom door; he knocked twice, but there was no response.

"Mr. Ryker, I'm here with the medicine!" He pushed the door open.

He was breathless, looking at what was in front of him.

Alana was bare-skinned, laying beautifully on the bed.

Cristopher could not contain his desire; he took off his clothes and went near her.

"Sweetheart, I didn't expect to see you here. I'm so blessed!"

"Abel, we're finally together." Alana was beyond happy.

"Yes, you're the sweetest woman I've ever seen before." Cristopher tried to imitate Abel's voice.

He covered her face with the bed sheet.

"Abel, I never thought that you liked it this way..." Alana was muttering.

Cristopher held her hands over her head, not letting her hands go.

Alanna would know that he was someone else if she ever held him.

He was fat, and his body was completely different from Abel's.

He was having fun with Alana.

He quickly put on his clothes and went to Abel afterward.

The following day, Alanna was awake.

Her body was exhausted, and her limbs were sore.

However, her heart was filled with joy.

She finally had sex with Abel.

She was extremely content with him!

Her body was full of bruises—the proof of them making love to each other!

In the end, I'm successful!

She looked around carefully to make sure Abel was not around.

She made a call to Alondra.

"Auntie Alondra, I've succeeded!"

"You did it? Abel slept with you last night?" Alondra was surprised.
