Chapter 1081 Immortal Weapon

While Ye Feng and Lao Jinlong were chatting without a word, Yu Tian, Qin Xue and Su He, who were not far away, all woke up from their cultivation state.

At this time, the faces of the three people all showed a hint of excitement.

Obviously after these few days of practice, the cultivation of several people has been greatly improved.

At this time, the three of them saw Ye Feng and the old golden dragon standing together not far away. They couldn't help but look surprised and said, "Why hasn't this five-clawed golden dragon left yet?"

Ye Feng smiled and said: "He wants to follow us and leave this ancient ruins of the Yaochi Holy Land together."

"So, then we have found the right person. We have map fragments in our hands and can find the exit route at any time."

At this time, Qin Xue took out the map, looked at it, and said: "Let's go to the next location. There is an armory there. There should be many powerful soldiers from the Yaochi Holy Land in it. There may be top-quality Taoist weapons. , because the Yaochi Holy Land was very glorious and prosperous back then."

At this time, Old Jinlong suddenly laughed and said: "What are the best Taoist weapons? The Holy Master of Yaochi Holy Land back then was a magnificent and extraordinary woman who called herself the Queen of Yaochi. She was a being in the realm of immortals, and she held an immortal statue in her hand." The most valuable weapon in this Yaochi Holy Land is the natal immortal weapon of the Yaochi Queen."

"Immortal weapon?"

At this time, several people at the scene heard what Lao Jinlong said, and their eyes couldn't help but heat up.

Immortal weapon.

Beyond the existence of Taoist tools.

It is a natal warrior that can only be forged by a powerful person in the fairyland. It possesses terrifying energy that can destroy the world.

At this time, Ye Feng stared at Old Jinlong and said, "Do you know where the natal immortal weapon of Queen Yaochi is?"

Old Jinlong shook his head and said: "How could I know? I only saw the immortal weapon used by the Queen of Yaochi tens of thousands of years ago. They were two swords, collectively called the Dragon and Phoenix Immortal Swords, one real dragon sword and one sword. The phoenix swords seem to be middle-grade immortal weapons. When the two swords are combined, they can unleash the power of a high-grade immortal weapon, which is very powerful!"

At this time, I heard Old Jinlong say that he had witnessed the Queen of Yaochi using immortal weapons tens of thousands of years ago.

This makes

Everyone present looked shocked.

If you put it that way, this old ruffian-like five-clawed golden dragon has lived for at least tens of thousands of years?

But what a few people are most interested in is the most valuable immortal weapon in the Yaochi Holy Land, the Dragon and Phoenix Immortal Sword. Both swords are immortal weapons.

Especially Ye Feng's eyes lit up.

If he could get two fairy swords and integrate them into the Invincible Sword Domain, he couldn't even imagine what kind of terrifying power the Invincible Sword Domain would unleash.

The old golden dragon seemed to see what Ye Feng was thinking, and couldn't help but stretched out a huge pure golden dragon claw, patted Ye Feng's shoulder, and sighed: "Little brother, don't think so much, you can't get the fairy weapon." Yes, this time so many masters came to the ancient ruins of the Yaochi Holy Land. There were even strong men from the Ninth Secret Realm, the peak of the Nine Secret Realms, the Immortal Sect Realm, and half-step Immortal Realm experts who broke in from the outside. , do you think you can compete with them? Moreover, this Yaochi Holy Land is shrouded in a strange and ominous power. If the Queen of Yaochi, a powerful person from the fairyland in the ancient era, became that kind of strange ghost, I estimate that tens of thousands of you will come in. There are simply not enough people for the Queen of Yaochi to kill. I advise you to seize the opportunity to gain some benefits, that's about it. Get ready to go out."

Ye Feng stared at Old Jinlong and said with a smile, "Are you afraid?"

The old golden dragon grinned and said: "What am I afraid of? I am a great five-clawed golden dragon, the most orthodox Dragon King lineage among the countless dragon clans in the world. I have an indestructible body of vajra, and am also a powerful person in the immortal realm. If you can't kill me, what am I afraid of? I'm worried about your safety."

"Are you worried about our safety?"

Listening to Old Jinlong's words, Ye Feng and others curled their lips, not believing what Old Jinlong said at all.

The purpose of this old youtiao is very simple, which is to urge a few people to take him out quickly and leave the ghost place of the ancient ruins of the Yaochi Holy Land.

Ye Feng took a deep breath, looked at the people in front of him, and said: "Let's go to the next location. I estimate that there will be no movement at all in the Queen of Yaochi's natal fairy weapon for a while. If

If there is any movement, we will fish in troubled waters again and see if we can take advantage of the chaos to make some profit. "

Yu Tian nodded and said: "Okay, I think the dragon and phoenix sword must be hidden in the Queen's Holy Palace in the center of the Yaochi Holy Land. Let's go and see the situation then."

"good."

A few people made a quick plan and left directly from the Babel Tower, heading towards the next location.

Lao Jinlong also followed behind a few people unhurriedly.

However, just when a few people arrived at the second location, they accidentally entered a protective teleportation formation outside the armory.

Uh-huh! Uh-huh! Uh-huh!

Almost at this moment, Qin Xue, Yu Tian and Su He disappeared into the protective formation and were transported to an unknown place.

Ye Feng looked at the three people who suddenly disappeared beside him, his eyes changed instantly, and he quickly grabbed the tail of the old golden dragon outside the formation to prevent him from being teleported away.

"Someone has already been to this armory, and a teleportation array has been set up to prevent people from getting close to the armory."

Ye Feng stared at the large formation and couldn't help but murmured, "I wonder if they are in danger?"

Lao Jinlong glanced at the teleportation array and said calmly: "Don't worry, it's just a short-distance teleportation array. None of your three friends will be teleported too far."

Ye Feng was slightly relieved when he heard what Lao Jinlong said.

Then he looked at the black hall in front of him, which was the location of the second treasure cache indicated in the map fragment, the weapons depot of the Yaochi Holy Land.

But at this time, Ye Feng's soul power was radiating, and he found that the armory was already empty. Obviously, he guessed well, and someone had already arrived here first.

Moreover, a few of them were unlucky enough to accidentally enter the space teleportation array that others had set up before.

At this time, the old Jinlong beside him seemed to have thought of something. His eyes suddenly changed and he couldn't help shouting: "Oh no! The fragments of the map are in the hands of Ye Feng and your friends. I still want to go out with you."

Go, what to do now, you are the only one left! "

When Ye Feng heard this, he couldn't help but pointed to his head and said: "I memorized all the routes in the fragment of the map long before entering the ancient ruins of the Yaochi Holy Land and memorized them in my mind. I can take you there." Go out, don't worry."

When Lao Jinlong heard what Ye Feng said, his eyes suddenly brightened up and he said, "Really or not? Do you have such a good memory? I took a sneak peek at the fragment of the map before, and there were intricate and intricate details in it. The route almost knocked me out."

Ye Feng smiled and said, "I am born with a good memory."

After saying that, Ye Feng reviewed the fragments of the map that he had memorized in his mind, and said: "Since the armory has been captured first, let's go directly to the central area of the Yaochi Holy Land."

Old Jinlong's eyes suddenly widened and he said: "Don't! Ye Feng, don't go! If the Queen of Yaochi became a Yin spirit, she would definitely be the most terrifying Yin spirit in this ghost place and would definitely destroy everyone. Dropped!"

Ye Feng shook his head and said: "I will definitely not be willing to go and take a look. If there is really any irresistible danger, we can escape. Anyway, I have various routes in the map fragments in my mind. , you can definitely escape easily, don't worry, by the way, you are a great five-clawed golden dragon, the most orthodox Dragon King in the world, why are you so afraid of death? "

The old golden dragon smacked his lips, not feeling ashamed at all, but said very confidently: "Who has not stipulated that the five-clawed golden dragon clan must be brave and invincible?"

Ye Feng looked at the old golden dragon who couldn't hold up the wall with mud, and stopped saying anything. Instead, he said: "Let's go to the central area first. By the way, your golden

dragon's blood contains huge energy. , can greatly increase my combat power. If I encounter any huge crisis, Old Golden Dragon, please remember to give me a drop of the Golden Dragon's blood, so that I can instantly greatly increase my combat power."

Lao Jinlong: "..."

Then Lao Jinlong yelled: "Boy, I've already given you four drops of blood, and you're still thinking about my golden dragon's blood. I won't give it to you! I won't give it to you! Even if I kill you, I won't give it to you!"

Chapter 1082 Top Powerful Man

Ye Feng led Lao Jinlong towards the central area of the ancient ruins of the Yaochi Holy Land.

According to the map route in memory, one person and one dragon quickly arrived at the destination.

From a distance, they saw an extremely splendid building complex, towering in mid-air.

In the middle of this building complex, there is a huge and magnificent palace.

Although Old Jinlong said he would not come, he was afraid that the Queen of Yaochi would turn into a terrifying ghost.

But now it really came. The old man stared at the huge and magnificent palace with a pair of thief eyes, with a fiery and greedy look, and said: "This is the Queen's temple where Queen Yaochi used to be. If Queen Yaochi also becomes The Yin spirit must be in it, and her natal immortal weapon, the two dragon and phoenix swords, must also be in it. "

At this time, Ye Feng listened to what Old Jinlong said beside him, nodded, and said: "I can feel a very dangerous energy coming from the seemingly magnificent Queen's Temple. It is estimated to be extremely dangerous. "

At this time, Lao Jinlong looked at the surrounding buildings and said: "There are probably many strong people here already. I can sense the auras of many masters. Their cultivation is probably on par with you, Ye Feng." , even more than you."

Ye Feng smiled and said: "I am definitely not the only one who wants to come directly to the temple of Queen Yaochi. This time, many strong people came into the ancient ruins of Yaochi Holy Land. They are all very powerful. Except for many from In addition to the strong human beings in the Thunder God Base, there are also many powerful creatures from the alien races, many of which are stronger than me. It is normal. My strength is not considered strong in some large gathering places, let alone among all races. The most vast immortal base-level area on the battlefield."

Lao Jinlong glanced at Ye Feng in surprise and said, "I didn't expect you to be much more stable than you look. You have some self-awareness. I thought you were going to rush out directly."

Ye Feng laughed and said, "If I were a fool, I might have died countless times along the way."

boom! \u003c

br\u003e

Suddenly at this moment, a young man wearing dark armor appeared on the square in front of the Queen's Temple.

He held a black gold halberd in his hand, and his whole body stood like a god, filled with an unfathomable and huge aura.

Many experts lurking in the buildings around the temple were surprised.

Everyone, including Ye Feng, had surprised expressions in their eyes.

Unexpectedly, someone would dare to appear directly in public, facing the dangerous Queen's Temple.

It can be seen that this young man wearing dark armor must be an extremely powerful being. He is very confident in his own cultivation strength and seems to want to directly break into the Queen's Temple.

At this time, like Ye Feng, the people lurking in the buildings around the temple were all focusing on the young man in dark armor and talking in low voices.

"This seems to be the king of a powerful alien race around the Thunder God base, called the 'Dark Lord'. He is the leader of the dark race and has the terrifying cultivation level of the Ninth Secret Realm of Great Perfection."

"I didn't expect that even the kings of foreign races would come here in person. It seems that they all know that there is an immortal weapon in the Yaochi Holy Land."

A series of discussions sounded quietly in the countless surrounding buildings.

Uh-huh!

At this time, from the end of the sky not far away, a young man in white clothes suddenly flew towards him.

He held a folding fan in his hand, his face was like a crown jewel, he was elegant and handsome, he looked like a scholar who came to Beijing to take the exam, and he exuded the pure righteousness of the human race.

This is a super master of the human race, with

The fluctuations in cultivation that were emitted were clearly from the Great Perfection of the Ninth Secret Realm. Like the Dark Lord, he was a peak powerhouse who was about to break through the shackles of mortals and achieve the realm of immortality.

"It's Dean Tianshu!"

"Wow! I didn't expect that all the famous people from our Thor Base would come."

"Chen Tianshu, the dean of the first academy of the Thor Base, 'Haoran Academy', although he looks like a young man, he has actually been practicing for more than a thousand years. He is an out-and-out old monster with profound magical power. The cultivation is unparalleled."

"Originally, I was afraid that the Dark Lord, the king of a foreign race, would be detrimental to our human race. I didn't expect Dean Chen Tianshu to come, so I'm not afraid anymore. Our human race has also received a top powerhouse."

At this moment, all the human masters lurking in the buildings around the temple breathed a sigh of relief.

If it were just a dark monarch, I'm afraid they would all be suppressed.

But now that Chen Tianshu, a top human race expert, is here, everyone can fish in troubled waters this time.

"The strong human race in Thor's base."

At this time, Ye Feng looked at Chen Tianshu, who was dressed in white and snow-clad in the distance, with a hint of surprise in his eyes.

This Chen Tianshu's awe-inspiring righteousness has definitely been cultivated to a very unfathomable level.

Ye Feng was using the Divine Eye of Creation at this time and could even see it.

In the space around Chen Tianshu, there was an ancient sage from the Zunren clan singing.

This is a very strange and shocking scene.

"Hahaha, Dark Lord, the last time we said goodbye at the Ten Thousand Dragons' Lair, we haven't seen each other for almost a hundred years."

In the square in front of the temple, Chen Tianshu seemed to know the Dark Lord, and at this time he actually took the initiative to say hello.

dark

The monarch is the king of the dark clan. When he saw Chen Tianshu, he just smiled coldly and said: "Chen Tianshu, fortunately you are still a scholar in the human race. You read the books of sages every day. Last time, you even designed to steal the book in Wanlong's Lair. Don't you feel ashamed that it should be my fate?"

Chen Tianshu smiled slightly, very elegant and gentle, and said: "Dark Lord, what you said is wrong. Those who are destined to get it will get it by chance. You missed the chance and chance, but you said it was my design. You are slandering me."

When the Dark Lord heard this, he just smiled coldly and said, "Humph, I'm too lazy to talk to a hypocrite like you."

"Uh-huh!"

"Uh-huh!"

"Uh-huh!"

And at this moment, from a certain direction not far away, several powerful creatures with powerful auras and cultivation levels in the Ninth Secret Realm suddenly shot out.

These three figures were a crocodile-like alien warrior, a flaming demon tiger, and a colorful crane with shining feathers.

Buzz!

The moment these three powerful aliens arrived, their whole bodies flashed with light, and they immediately transformed into a burly man, a middle-aged man in red robes.

The colorful crane transformed into a graceful and beautiful woman, wearing a colorful dress, looking extremely beautiful.

However, these three are all kings of foreign races, and their cultivation levels are all in the Ninth Secret Realm. They are not much weaker than Chen Tianshu and the Dark Lord.

The arrival of the five top powerhouses made the atmosphere on the field suddenly tense to the extreme.

The many masters lurking in the buildings around the temple were all shocked. They did not expect that so many top experts would gather in front of the temple in a short period of time!

--

Chapter 1083 Deduction of the Treasure

Although in the square in front of the temple, many top powerhouses suddenly came, all of them were unpredictable and powerful.

But many people had the same idea as Ye Feng. Instead of being nervous, they were eager to try.

Because these top powerhouses are taking the lead, they are not as frightened as before by the huge dangers that may exist in the temple.

In addition, with these top experts from different forces present, the scene of the robbery will definitely be extremely chaotic.

Even if they, the ordinary masters lurking around, won't be able to eat meat, they can still fish in troubled waters and drink some soup.

So at this moment, after the arrival of the five top powerhouses, the atmosphere on the entire field not only did not become more tense, but instead became more heated.

Each master gathered from afar, and even some of the top beings in the Ninth Secret Realm did not show up, but hid among ordinary masters.

The five top powerhouses standing in the temple in front all looked more solemn at this time.

"Can't wait any longer."

At this time, Chen Tianshu, the human dean of the Thunder God Base, suddenly spoke up.

He seemed to have sensed something, and spoke directly to several top powerhouses around him: "Let's work together to break the protective formation of the Queen's Temple. Otherwise, when the Queen of Yaochi also turns into that weird Yin spirit, I guess All of us here can't stand it."

After hearing what Chen Tianshu said, the expressions of the Dark Lord present and the three foreign kings who had transformed into humans changed slightly.

Apparently after they entered the ancient ruins of the Yaochi Holy Land, they also encountered that kind of weird ghost-like thing.

If a powerful person like the Queen of Yaochi, who was in the fairyland ten thousand years ago, turned into a Yin spirit, it would be unimaginable how terrifying and terrible it would be!

So at this moment, several top powerhouses put aside their personal grudges, nodded one after another, and walked to the front of the temple.

Buzz!

A large protective formation exuding bright divine light,

Immediately, they surged out not far from the temple.

"attack!"

Chen Tianshu was the first to take action. A gap suddenly opened between his eyebrows, and a white light burst out of it.

An ancient book floated in the white light. When the book was opened, a great scholar from the ancient human race appeared, bursting out with extremely powerful righteousness and attacking the protective formation of the temple.

Every blow was like a bombardment from an ancient giant, the ground shook and the power was astonishing.

"Wow!"

At this time, the Dark Lord also held the black gold halberd in his hand, and instantly struck it down hard. The sky seemed to be shattered, and it directly bombarded the protective formation.

"Let's do it."

Although the three foreign kings in human form are a little inferior to Chen Tianshu and the Dark Lord in the Dzogchen realm of the Ninth Secret Realm, after all, the three of them are all top experts at the Dacheng level of the Ninth Secret Realm.

At this time, the three foreign kings burst out with powerful force and attacked the protective formation.

"Click, click..."

The protective formation had already experienced tens of thousands of years, and its power was almost gone.

At this time, it encountered another crazy attack from the five top powerhouses. Finally, it could no longer support it and shattered in an instant.

"boom!"

"boom!"

At this moment, the five top powerhouses rushed into the Queen's Temple and disappeared in the blink of an eye.

The people outside were stunned for a moment, and then they all shouted excitedly: "Let's go in too!"

Uh-huh!

Uh-huh!

Uh-huh!

One by one

The masters lurking in the surrounding buildings outside the temple burst out with strength and movement, and with greedy and fiery eyes, they rushed towards the temple with a broken entrance.

"Let's go in too!"

Ye Feng and Lao Jinlong also moved quickly at this time, turning into two afterimages and leaping towards the temple.

The moment he entered the temple, Ye Feng's eyes were startled.

He saw the corpses of many masters lying on the ground, their bodies covered with all kinds of hideous wounds, as if they were scratched by bone claws.

And what made Ye Feng feel the most chilling was that the corpses of those dead masters were lying on the ground, and the blood flowing out was actually absorbed by the floor of the temple, and it penetrated into unknown places.

"Something's wrong..."

At this time, Ye Feng had a very bad thought in his heart.

"Uh-huh!"

And suddenly at this moment, a tall white-bone skeleton wearing armor, with his bones covered with black hair, holding a golden machete in his hand, instantly rushed out of a dark corridor in the temple and headed directly towards Ye Feng struck hard.

"Ye Feng, be careful!" Old Jinlong beside him immediately exclaimed.

"boom!"

But Ye Feng had noticed it a long time ago. He punched out directly, and the fist immediately turned into the color of stars, directly blasting the tall skeleton into pieces, turning it into broken bones.

The golden machete also fell to the ground with a "ding-dong" sound.

Ye Feng's soul power was swept away. It was just a low-grade True Saint level weapon, and Ye Feng even looked down upon it.

"Good stuff."

But at this time, the old golden dragon did not reject anyone who came, and ran over with a sly look, and put the golden machete into a storage ring on his dragon's paw.

Seemingly seeing Ye Feng's disdainful eyes, Old Jinlong coughed and said, "You young people really haven't had a hard life and don't know how to cherish it. Although this golden machete is not of good quality, it is still of good quality. It's worth a little money."

Ye Feng glanced at Lao Jinlong and said: "You still say that I am a money addict, but I think you are really a hard-core man who never pulls out his hair and is a real money addict."

After speaking, Ye Feng looked at the dozens of corridors in front of the temple and said, "Let's search for treasures as soon as possible. I always feel that something is wrong in this temple."

At this time, I thought about the blood flowing from the corpses of those masters to the ground, but it was absorbed by the temple ground.

Ye Feng felt a little chill in his heart. He just felt that this place was too weird and he couldn't stay any longer.

Old Jinlong also nodded at this time and said: "But which corridor should we take? The inside of this temple is like a maze. I don't know what the Queen of Yaochi thought when she designed her palace to be so winding and winding. Yes, wouldn't it be more simple and generous?"

Ye Feng ignored Old Jinlong's nonsense. He wasted no time and quickly activated his sixth natal talent, the Heavenly Chart.

Buzz!

A huge ancient life chart suddenly appeared in front of Ye Feng, floating in the void.

As Ye Feng burned his energy and blood, he began to rotate slowly.

Ye Feng's purpose is very simple. Time waits for no one. He wants to directly use the horoscope to deduce the natal fairy weapon of the Queen of Yaochi, where are the two dragon and phoenix fairy swords.

This is the treasure Ye Feng wants most!

Old Jinlong was still chattering on the side, but at this moment he suddenly stared at the horoscope, his eyes suddenly lit up, and said: "What kind of treasure is this? It looks very powerful! I feel a very uncomfortable feeling." Ordinary breath flows in this wheel, what is the name of this treasure? How come the most mysterious breath of destiny flows in it?

Chapter 1084 Black Jade Unicorn

Regarding Lao Jinlong's surprise, Ye Feng didn't say much.

Because the natal chart is not a treasure, but the natal companion talent awakened by Ye Feng himself.

At this moment, Ye Feng was concentrating on running the heavenly horoscope, burning his longevity and blood crazily, and quickly deduced and found the location of the dragon and phoenix sword.

Dragon and Phoenix Immortal Sword, these two swords are both fairy weapons, and they are also middle-grade fairy weapons. When used together, they can even release the power of high-grade fairy weapons.

This is what Lao Jinlong told Ye Feng.

At this time, when deducing such a high-level treasure as an immortal weapon, Ye Feng found that it was very difficult to move the destiny charts of the heavens.

But now, with the improvement of his cultivation level, Ye Feng has reached the advanced cultivation level of the eighth secret realm, elementary creation realm.

His longevity and energy and blood are extremely abundant, and his vitality is very strong, as huge as an ancient giant.

So at this time, Ye Feng had enough longevity and energy to squander it, burning it to the max, to deduce the location of the immortal sword, Dragon and Phoenix.

Even at the end, strands of white hair even appeared in Ye Feng's black hair.

This made Old Jinlong on the side look at it and immediately exclaimed: "Ye Feng! You are crazy! Why are you burning so much life energy? You must know that you are not in the fairyland yet, and you have no immortality yet, and Even if you live forever, although your longevity is infinite, a person's energy and blood are limited, so don't burn your longevity like this!"

Although Lao Jinlong didn't get along with Ye Feng for long, he could see that Ye Feng was a ruthless person who would never give up and was even willing to go crazy to achieve his goals!

At this time, Lao Jinlong suddenly understood why Ye Feng had such powerful means and mind at such a young age.

"found it!"

Suddenly feeling this, Ye Feng suddenly opened his eyes and looked sharply in a certain direction.

The destiny charts of the heavens have helped him find the hiding place of the Dragon and Phoenix Immortal Sword.

But at this time, strands of white hair appeared on Ye Feng's black hair, making him look a little young and vicissitudes of life.

Lao Jinlong was extremely shocked at this time and said: "This kid really deduced it."

Uh-huh!

At this time, Ye Feng quickly walked toward one of the dozens of corridors in front of him based on the simulated position of the route provided by the Deduction of the Heavenly Destiny Chart, and leaped toward the depths of the temple.

"Wait for me! I also want to see

Look at the power of the dragon and phoenix sword! That was the peerless sword that the Queen of Yaochi used to kill countless aliens! "

At this time, Lao Jinlong shouted from behind and hurriedly chased after Ye Feng.

Soon, Ye Feng led Lao Jinlong around in the depths of the temple, as if walking through a maze, and finally came to an extremely dark area.

I don't know where it is in the temple anymore.

Anyway, Ye Feng didn't feel the breath of anyone or alien creatures around him.

It means that no one has been here at all. It is an extremely remote place and very difficult to find.

But with the accurate deduction of the horoscopes from the heavens, Ye Feng had burned his longevity for hundreds of years, and had the energy and blood as powerful as a real dragon, and finally found this place.

Ye Feng's idea is very simple. The Dragon and Phoenix Fairy Sword is really important to him. It can help him greatly improve the power of the Invincible Sword Domain.

If you can really get the Dragon and Phoenix Fairy Sword and integrate it into the Invincible Sword Realm, you won't have to be so afraid even if you meet the top experts in the Ninth Secret Realm.

As for the burning longevity, after Ye Feng steps into the fairyland, he will live forever and have infinite longevity.

The majestic energy and blood consumed can be replenished by swallowing some panacea.

At this time, Ye Feng also discovered some shortcomings of the destiny charts.

Because if the heavenly horoscope is activated too fiercely, it will damage the most essential source of life.

The stimulation of the heavenly natal charts not only burns longevity, but also burns qi and blood.

Even though he entered the realm of immortality, Ye Feng felt that he was not as naive as he had imagined before, and could use the Heavenly Fate Chart without restrictions.

Because Qi and blood still need to be burned, and once Qi and blood burn too fiercely, it will damage the source of life, which will have hidden dangers for the improvement of one's own cultivation strength in the future.

"It seems that treasures like the heavenly natal chart, which involves fate, are still relatively taboo and cannot be used casually, otherwise it will be too dangerous."

Ye Feng murmured, and then looked towards the very remote dark area where he arrived.

At this time, there was an ancient stone chamber in front of him, and the stone chamber was completely dark.

horoscope of heavens

The place guided is right here.

Lao Jinlong reminded from the side: "Be careful of fraud. In the temple of Yaochi Holy Land, there must be countless ancient strong men who followed the Queen of Yaochi. They have become Yin spirits, but they are all extremely terrifying."

Ye Feng nodded slightly and said: "I know this, but we are already here, so we can't just do nothing, and time is tight, so just go in."

boom!

Ye Feng was very fierce. He drew the Hell Sword directly from the Invincible Sword Domain, used the Gods' Sorrow, and slashed at the stone chamber door in front of him.

"Boom!!"

The power of this sword was so terrifying that the solid door of the stone chamber instantly exploded into countless pieces.

Uh-huh!

Ye Feng stepped directly into it, and then he immediately saw that in the dim environment of the stone room, a true dragon sword and a phoenix sword were inserted on a cyan jade stone platform in the deepest part of the stone room. .??.

Even though tens of thousands of years have passed, there is still a crimson dragon soul entwining and roaring on the body of the True Dragon Immortal Sword, and there is also a soul-like divine phoenix roaring on the sword body of the Phoenix Immortal Sword.

"The Dragon and Phoenix Fairy Sword is really here!"

Lao Jinlong suddenly burst into excitement.

"I didn't expect it to be so easy!"

And Ye Feng couldn't wait to step forward and instantly pulled out the two fairy swords from the emerald stone platform.

"Crack! Click!"

But suddenly at the moment Ye Feng drew his sword, it seemed that some hidden mechanism was triggered.

Accompanied by a harsh and violent sound like the rotation of gears, the soil on the walls around the stone chamber suddenly fell off quickly, and what looked like a pitch-black evil beast appeared in an instant.

This dark beast is covered with black hair. It is not a skeleton, but an evil beast with powerful life energy. Its entire image is a collection of dragon head, antlers, lion eyes, tiger back, bear waist, It has snake scales, horse hooves, and ox tail all in one body, and there are two long horns on the top of its head, like dragon horns, which are light gray.

This very strange evil beast is now sealed in a piece of orange-yellow agar that has fallen off the soil in the stone chamber.

The old Jinlong's eyes changed and he said: "This is the mount that Queen Yaochi used to have. It is an extremely ferocious black jade unicorn. It is called the 'Holy Beast King' and has the ninth secret realm."

Dacheng's cultivation! Comparable to the three foreign kings before the temple! "

Ye Feng's eyes changed. He didn't expect to encounter such a ferocious beast.

But I was relieved to see that this black jade unicorn was just sealed in the orange-yellow agar on the wall of the stone chamber.

This is an ancient evil beast that has been sealed. It is unknown whether it is dead or alive.

Ye Feng had no intention of risking swallowing this black jade unicorn.

If it is alive, then crushing the agar and releasing the black jade unicorn is tantamount to seeking death.

"I have obtained the Dragon and Phoenix Immortal Sword, so let's leave here first."

Ye Feng was very excited and excited. He held the True Dragon Immortal Sword in his right hand and the Phoenix Immortal Sword in his left hand, preparing to leave this stone room as soon as possible.

"Boom!"

But suddenly at this moment, a huge stone door suddenly crashed down from the top of the stone chamber, suddenly blocking the entrance to the stone door that Ye Feng had just shattered.

"What?"

Ye Feng's eyes were startled, he held the Sword of Hell and immediately slashed out the Gods of Shang.

"when!"

But it turned out that the stone door this time was extremely hard and could not be broken open at all.

Ye Feng used the Gods' Sorrow and the Hell Sword, but he couldn't leave a single trace on it.

"Space crack!"

Anxious Ye Feng used his ultimate move, activating the secret seeds of space in his body, and wanted to use space cracks to tear the solid stone door into pieces.

But what made Ye Feng's heart sink was that the space inside the temple of Yaochi Holy Land seemed to be reinforced by a strange formation.

The Space Mystery Seed has not been cultivated much on weekdays. It is too weak. Ye Feng is unable to tear open the space crack at this moment.

"Click, click..."

What was most disturbing about the continuous rain was that the orange-yellow agar on the walls of the stone chamber was cracking rapidly.

The ferocious giant beast, the black jade unicorn, that was sealed in the agar stone wall, suddenly moved its eyelids and opened its eyes.

At this time, the pair of huge red-black beast eyes penetrated the thick agar, and immediately stared at Ye Feng who was standing in the stone chamber...

Lao Jinlong immediately exclaimed: "This is a trap!"

Chapter 1085 You are too slow

Old Jinlong was trembling all over at this time.

"This is a trap! A trap that uses dragon and phoenix swords as bait! The purpose is to lure the strong man to come, and then revive the black jade unicorn!"

At this moment, Lao Jinlong stretched out his claws and grabbed Ye Feng's shoulders, his eyes full of fear.

It has to be said that Lao Jinlong's performance at this time was really cowardly to the extreme.

Although Ye Feng's eyes were also very downcast, he was not as frightened as Old Jinlong.

Ye Feng stared at the old golden dragon and said: "You are also a five-clawed golden dragon after all. The black jade unicorn is only a branch of your descendant race. Why are you so afraid?" ??

The corner of Lao Jinlong's mouth twitched and said: "I have lost all my divine power now. I have turned from a real dragon into a bug! If the black jade unicorn revives and comes out of the agar stone wall, I may be swallowed directly by it. Yes! The Moyu Qilin is an alien in the Qilin clan, which is equivalent to the devil in your human race. It is very cruel! Ye Feng, you must quickly think of a way to save me!"

Seeing the coward like Old Jinlong, Ye Feng really felt that this old man had embarrassed the sacred and supreme Five-clawed Golden Dragon clan.

Even the Taotie in Ye Feng's mind couldn't bear it any longer, and he screamed that he wanted to come out and teach Old Jinlong a lesson, a guy who couldn't hold up the wall with mud.

But after thinking about it, creatures like the five-clawed golden dragon were really rare.

In today's world, there are not necessarily a few five-clawed golden dragons alive.

So Taotie held back forcefully and did not jump out of Ye Feng's mind in anger.

At this time, Ye Feng was quickly thinking of ways.

Suddenly his eyes lit up and he said: "As long as these two dragon and phoenix swords can be refined into my invincible sword domain, the power of my invincible sword domain will skyrocket dozens or even hundreds of times, and I will instantly become The biggest killing move will definitely be able to withstand the Black Jade Qilin that is about to escape."

Lao Jinlong's eyes widened and he said: "Really or not? Ye Feng, are you kidding me? This is an immortal weapon. It is a genuine immortal sword, not some ordinary weapon on the street. Do you want to use it in a short time?" Internal refining is impossible."

Buzz!

Ignoring the old golden dragon, Ye Feng directly started to run the Divine Art of Creation, transferring the unique power of the Divine Art of Creation into the two fairy swords in his hands.

"Qiang Qiang Qiang..."

At this moment, the dragon and phoenix sword suddenly began to vibrate.

"Oh my God! So fast!"

Jin Long was still chattering, and when he saw this scene, he immediately exclaimed.

"Buzz!"

But suddenly at this moment, a huge wave of thoughts suddenly surged out of the Dragon and Phoenix Immortal Sword.

A figure is very hazy, but it makes people feel that the figure of a woman is unparalleled in elegance. It exudes a strong divine light, like the supreme fairy spirit. In an instant, it rushes out from the dragon and phoenix fairy sword, sinking and floating in the mid-air, the whole The stone chamber was suddenly enveloped by an extremely terrifying pressure.

Old Jinlong's eyes were startled and he said: "This is the thought of Queen Yaochi! Sure enough, there is an insurance in this dragon and phoenix sword. It is the residual thought of Queen Yaochi herself, the thought of a powerful person in the immortal realm. It is extremely terrifying."

"boom!"

But suddenly at this moment, a gap opened between Ye Feng's eyebrows.

A large golden river instantly rushed out from the center of his eyebrows.

boom!

Wow!

The Queen of Yaochi didn't even have time to speak. She was shattered by the impact of this golden river and instantly dissipated in the air.

"this....."

Before Lao Jinlong could finish his words, he suddenly stopped.

What he wanted to say suddenly got stuck in his throat, and why couldn't he say it again.

The idea of a powerful person in the realm of immortality was destroyed in such an instant?

Lao Jinlong stared at the young man in black standing beside him, as if he was staring at a monster.

At this time, Ye Feng suddenly shouted: "Fusion!"

boom!

In the void behind Ye Feng, the Invincible Sword Domain immediately appeared.

In the current Invincible Sword Domain, there are forty-seven war swords floating up and down, and each war sword is blooming with bright sword light and sharp edge.

The most powerful thing is naturally the sword of hell in the middle that exudes dark demonic energy.

At this time, Ye Feng introduced the two swords of Dragon and Phoenix into the Invincible Sword Domain.

The entire Invincible Sword Domain suddenly became even larger.

Longfengxian

The moment the sword merged into the Invincible Sword Domain, even the Hell Sword had to stand aside and was forced to leave its central position.

At this time, the center of the Invincible Sword Domain was where the Dragon and Phoenix Fairy Sword was floating.

The swords in the Invincible Sword Domain have accumulated to forty-nine.

Moreover, there are two middle-grade immortal weapons, the dragon and the phoenix sword, floating in it, exuding the supreme immortal spirit, making people feel full of destructive power.

Ye Feng refined the Dragon and Phoenix Fairy Sword too fast, and he also instantly obliterated the thoughts of Queen Yaochi, which was equivalent to breaking the trap of Queen Yaochi in an instant.

At this time, you can see that the black jade unicorn sealed in the agar stone wall has a pair of huge beast eyes with a look of deep horror.

Obviously, this ferocious giant beast did not expect that things would not develop according to the plan.

The black-clothed youth who came into the stone chamber was so evil that he broke all the plans of the Queen of Yaochi.

Snap, snap...

At this time, accompanied by a slight sound of footsteps, Ye Feng, surrounded by forty-nine swords, walked to the agar stone wall like a sword emperor, staring at the black jade unicorn who wanted to escape from it, with a cold smile on his lips, saying: "You are too slow."

Puff!

Almost at the moment when Ye Feng's voice fell, he instantly moved his mind, and the True Dragon Sword appeared in his hand, and the cold blade was deeply pierced into the huge head of the black jade unicorn.

Blood burst out!

"Roar!!!"

A kind of earth-shaking howl instantly came out from the body of the black jade unicorn in the agar stone wall.

Filled with endless pain and fear.

"Die!"

Ye Feng's eyes were fierce at this time, and he directly twisted the long sword that was pierced into the head of the black jade unicorn.

"Hua La La..."

The inside of the black jade Qilin's head was directly stirred into a paste.

A ferocious beast of the ninth secret realm died so aggrievedly!

"Swallow!"

The next moment, Ye Feng did not hesitate at all, and directly placed his palm on the agar stone wall, releasing the swallowing field. A large dark vortex immediately wrapped up the huge body of the dead black jade Qilin.

"Boom!!"

Suddenly, an ancient and powerful giant beast energy quickly rushed into Ye Feng's body, madly strengthening his magic power and body.

At this moment, Ye Feng could feel that he was swallowing a continuous earth dragon vein.

The source of life of that terrifying giant beast was really too huge and powerful.

"This kid's skill inheritance is so weird..."

The old golden dragon standing not far away watched the majestic black jade Qilin being sucked dry by Ye Feng, becoming a corpse without any breath of life.

This made Old Golden Dragon's eyes tremble, thinking that Ye Feng had too many secrets and was definitely not an ordinary person.

"Boom!"

"Boom!"

At this moment, two terrifying martial arts auras burst out from Ye Feng in succession.

His cultivation, at this moment, directly broke through two bottlenecks from the initial stage of the Creation Realm and entered the high-level Creation Realm!

Ye Feng retracted his aura, his eyes were very excited: "I am now a high-level Creation Realm cultivator, and the Invincible Sword Domain has also been integrated with the Dragon and Phoenix Sword. This time I made a lot of money. My current comprehensive strength may be a little short of the top powerhouses such as Chen Tianshu and the Dark Monarch who have reached the great perfection of the ninth secret realm, but it can definitely be comparable to the three alien kings who have reached the great perfection of the ninth secret realm before!"

At this moment, Ye Feng's combat power has finally entered the ranks of top powerhouses!

The old golden dragon was even happier and more excited. He laughed loudly and said, "Ye Feng, you really don't have to be afraid of anyone now. Let's hurry up and search for treasures in the temple. In addition to the Dragon and Phoenix Sword, there are also all the resources of the Queen of Yao Chi in the past. That is countless wealth. It is a huge wealth that ordinary practitioners cannot have in their lifetime!" Ye Feng nodded, his eyes shining. The huge improvement in his cultivation strength made him no longer have to shrink at this moment. Boom! Ye Feng used the True Dragon Sword to smash the door of the stone chamber into pieces with one sword. He was in high spirits and laughed loudly, saying, "Although I got the treasure I wanted most on this trip, I can't waste the other rich wealth in this temple! While the Yin spirit of the Queen of Yao Chi has not awakened yet, let's hurry up and search!" ...

Chapter 1086 Just a broken sword

Many strands of his jet-black hair have turned gray, making Ye Feng look young now, but with an air of vicissitudes of life.

Although he didn't dare to continue burning life energy and blood to activate the heavenly fortune boards, he relied on his huge soul power to cover it.

Ye Feng shuttled through the maze-like temple and could still accurately find the rooms he passed that stored various wealth and treasures.

Old Jinlong followed Ye Feng and kept picking up treasures, making the old man smile from ear to ear.

And when Ye Feng came to the fourth room, after opening it, he immediately saw boxes of elixirs stored in them, exuding a strong medicinal fragrance.

"Good stuff! There are so many boxes of elixirs. If I swallow them all and refine them, they will definitely help me restore my damaged life source, and my energy and blood will be replenished and even stronger!"

Ye Feng immediately stretched out his hand, preparing to collect all the boxes of elixirs.

"Hey! Get out of here, kid! Now that I have discovered these magical elixirs, they belong to me now!"

Suddenly at this moment, a voice full of domineering and overwhelming sounds suddenly sounded.

Ye Feng looked not far away and immediately saw the end of the corridor, where a burly man came quickly.

"It's him!"

Ye Feng's eyes were startled.

This burly man, Ye Feng, had a chance encounter with him. He was actually one of the three foreign kings who gathered in front of the temple.

Ye Feng still remembered that this burly man seemed to be a human form transformed from an alien king that looked like a crocodile.

In addition to this burly man, the other two foreign kings were a middle-aged man in red robe transformed into a flaming demon tiger, and a beautiful woman transformed into a colorful crane.

At this time, Ye Feng looked towards the distance and found that there was no one around this burly man.

There are other figures.

It seems that the other two foreign kings are scattered, each looking for opportunities.

Ye Feng immediately breathed a sigh of relief at this discovery.

If three foreign kings come, Ye Feng will probably run away immediately even though his strength has greatly increased.

But now that a foreign king has arrived, Ye Feng has no fear at all.

Now that he has refined the dragon and phoenix sword and swallowed the life source of a black jade unicorn, Ye Feng's cultivation and overall strength have undergone earth-shaking changes compared to when he first entered the temple.

This gave Ye Feng the confidence to face a foreign king.

"Why don't you move?"

At this moment, the burly man who was the crocodile alien king came over and found that Ye Feng had not left yet.

He immediately shouted impatiently: "You humble human boy, get out of here! How dare a lowly human boy from a small creation realm dare to disobey me? Get out!"

boom!

The burly man was very cruel and just slapped him.

The moment his palm was waving, a burst of light flashed, and it turned into a giant crocodile palm as big as a millstone.

The entire crocodile's giant palm is covered with blue scales, and its claws are like steel hooks. It looks extremely ferocious and ferocious.

If the human body is caught by this giant crocodile palm, it will probably be cut into pieces in an instant!

"Galaxy Holy Body!"

boom!

At this moment, Ye Feng's eyes only showed the courage to move forward.

He punched out, and the infinite galactic holy power was cast into Ye Feng's fist, blooming with immortal light, and directly struck with the burly man's crocodile palm.

"Hahaha! Human boy! You are indeed too young. With such a weak human body, you dare to go head-to-head with this divine crocodile? You...ah!!"

The burly man saw Ye Feng's punch and was about to laugh, but before he could finish his words, he howled and screamed.

It turned out that the moment Ye Feng's fist struck his giant crocodile palm, it directly shattered the steel needle-like claws inch by inch.

"Pfft!"

Even the terrifying impact of Ye Feng's punch directly penetrated the giant palm of this burly man's so-called divine crocodile body, and blood spilled onto the surrounding corridors. .??.

"ah!!"

With their fingers connected to their hearts, the crocodile's claws were shattered and his palms were penetrated. The burly man immediately screamed in pain.

He quickly backed away, with deep doubts in his eyes.

It seems that he never expected that the ordinary-looking young man in black in front of him could actually punch through him, the king of the Ninth Secret Realm!

"Is this son the inheritor of a major force in Thunder God's base? How come the human body has been tempered to be so powerful? Is he bathed in the blood of an ancient beast king?"

The burly man, the king of the divine crocodile clan, had fear in his eyes at this time.

He looked at the punctured palm, leaving a deep bloody hole and the pain was unbearable.

Thinking of the moment just now, touching Ye Feng's fist was like touching an indestructible divine spear, with terrifying hardness.

, and has a huge impact.

"This son is a monster! He is a peerless genius among the human race! You cannot mess with him!"

At this moment, the burly man suddenly had the intention of retreating, and immediately fled towards the distance.

"If you had fled without hesitation just now, maybe I wouldn't have had time to keep you, but if you hesitated, that means you couldn't escape!"

At this time, Ye Feng spoke coldly.

At this time, not far away from the path of the burly man, the void trembled, and dozens of swords instantly blocked his escape direction.

The burly man immediately laughed loudly and said disdainfully: "Human boy, I admit that your combat power is extremely powerful, and your body is as strong as if it was made of divine iron. Even I am not your opponent, and I cannot confront you head-on. But do you think that dozens of broken swords can block my way? Then you underestimate the strength and power of this king of the divine crocodile clan..."

Poof!

Suddenly, before the burly man's mocking voice had completely subsided, a sword wrapped around the soul of a red true dragon suddenly tore through the void, like a bolt of lightning, piercing the burly man's head in an instant.

This king of the divine crocodile clan didn't even finish his mocking words. He was directly pierced through the head by the True Dragon Fairy Sword. As blood burst out, his burly body fell to the ground.

Lying in a pool of blood, the burly man's eyes were full of disbelief. He asked with difficulty: "This... what kind of sword is this?"

Ye Feng walked up to him, pulled out the True Dragon Fairy Sword, flicked the blood off the blade, smiled slightly and said, "It's just a broken sword, but it's enough to kill a lowly crocodile."

"you.....!"

The burly man's face turned red all of a sudden, but the next moment his head suddenly tilted and he was killed instantly.

Chapter 1087 Resting Place

Ye Feng looked at the burly man lying dead on the ground and just smiled coldly.

He was not surprised at all by killing such a foreign king.

Because now Ye Feng's cultivation and comprehensive combat power have been greatly improved.

This kind of ordinary foreign king, the so-called top powerhouse, is no longer a terrifying existence in Ye Feng's eyes.

At this moment, Ye Feng did not waste any time. He directly grabbed the king of the divine crocodile clan with his big hand and swallowed up all his energy and blood in an instant. .??.

"boom!"

At this moment, a powerful and majestic energy exploded in his body.

Ye Feng immediately felt it. His cultivation level suddenly broke through the bottleneck. He broke through the obstacles directly from the high-level creation realm and stepped into the great creation realm!

"Crash!"

Next, Ye Feng wasted no time and put all the boxes of pills in the room into the storage ring.

These are very precious treasures, and Ye Feng will naturally not let go of any of them and pocket them all.

Lao Jinlong looked on with envy in his eyes.

However, he did not directly grab a few boxes, but instead picked up some pills scattered on the ground. After all, Ye Feng's strong deterrence prevented this old fritter from being too presumptuous.

"Now that I have entered the Great Creation Realm, I may be able to fight against Chen Tianshu or the Dark Lord."

At this moment, Ye Feng's eyes were bright and he had unparalleled confidence.

Entering the Queen's Temple this time is definitely a worthwhile trip.

His strength has simply undergone earth-shaking changes.

And he also plundered so many treasures, even though Ye Feng couldn't use many of them.

But as long as he arrives at Thor's base and sells all these treasures, he will definitely get a huge sum of money.

When the time comes, you can use that huge amount of money to purchase various cultivation resources to improve your cultivation, or purchase some powerful martial arts inheritance, which will definitely take your cultivation to the next level!

"Sure enough, I made the right choice to come to this battlefield of thousands of races!"

At this moment, Ye Feng was very grateful for his original decision to enter this battlefield of thousands of races.

The land of the spirit world is too dangerous, and the land of the nineteen states of the human race there is almost the territory of the ancient Tongtian.

Ye Fengdu decided not to return to the spirit world for the time being before he improved his cultivation strength to a strong enough level.

After all, this battlefield of ten thousand races, a place that even the power of Gu Tongtian cannot cover, is completely a dark forest where people can live freely and survive solely by their own strength!

Next, Ye Feng continued to shuttle through the temple, plundering every room.

Treasures and wealth in the room.

Lao Jinlong followed Ye Feng to pick up leaks, and he was very excited. This shows how much wealth Ye Feng has gathered into his pocket this time.

With the powerful strength that can now kill the alien king, Ye Feng can basically kill any enemy he encounters along the way with one punch without any hindrance at all.

Finally, after twisting and turning, Ye Feng almost arrived at the deepest center of the temple.

When Ye Feng walked out of the end of a corridor, he found himself in a huge ancient square.

At this time, in the ancient square, Ye Feng saw many masters with powerful auras, practicing cross-legged among them.

Even Chen Tianshu, the Dark Lord, and the other two alien kings who had achieved great success in the Ninth Secret Realm were meditating and regulating their breaths to regain their strength.

Everyone looked a little embarrassed. It was obvious that they were the first group of strong men to rush into the temple, and they must have encountered a lot of disasters.

This ancient square is the square in the center of the temple.

At the end of the square, there are two golden gates that are several kilometers high. They look very luxurious, very exaggerated, and very visually shocking.

Old Jinlong's eyes were startled and he said to Ye Feng: "This should be the core area of the temple. Behind the two thousand-meter golden gates may be the resting place of the Queen of Yaochi."

"What?"

Ye Feng's eyes changed slightly and said: "Chen Tianshu, Dark Lord and those top experts definitely know that behind the golden gate is the resting place of the legendary Queen of Yaochi, and they still meditate and practice in this ancient square. It seems that they want to regain their strength, trying to break the golden door and enter the core area of the temple. Aren't they afraid that the Queen of Yaochi will turn into a terrifying and strange Yin spirit? Once a powerful person in the immortal realm turns into a Yin spirit, it will definitely be a disaster. A level of terror exists."

Old Jinlong smiled and said: "Perhaps these people think that the Dragon and Phoenix Sword is behind the golden gate. After all, the Dragon and Phoenix Sword is the most precious treasure among the ancient ruins of the Yaochi Holy Land."

Ye Feng shook his head and said: "Perhaps for ordinary cultivators, treasures such as immortal weapons are very tempting, but for existences like Chen Tianshu and the Dark Lord, immortal weapons are definitely within easy reach for them. , With their identity and status, it is not that difficult to obtain the immortal weapon. There is no need to risk their lives for the dragon and phoenix sword to open the golden door and welcome the Queen of Yaochi who may turn into a terrifying ghost. "

When Lao Jinlong heard what Ye Feng said, he felt that it was right. He couldn't help but wonder: "Is this the core of the rest of the Queen of Yaochi?"

Are there any super treasures hidden in the area? Let these people want it even if they risk their lives? "

Ye Feng shook his head and glanced at Chen Tianshu, the Dark Lord, who were meditating in the ancient square not far away, and many strong men from the Ninth Secret Realm, and couldn't help but said: "I don't know either, but these top strong men You must know something. Anyway, there are so many powerful people here. Even if the Queen of Yaochi becomes a Yin spirit, it is estimated that we will not be able to kill them all in a short time. When the time comes, there will be real danger, so we can just run away. "

Old Jinlong chuckled and said, "Yes, let's stay and take a look first. Maybe the resting place of Queen Yaochi behind the golden gate really has some good things that even I don't know about."

Ye Feng nodded, and he and Lao Jinlong found a place to sit down in the ancient square, waiting silently while recovering their cultivation.

And at this moment, three figures walked out from the dozens of corridors connected by the ancient square. They were all very familiar to Ye Feng. They turned out to be the three figures Yu Tian, Qin Xue and Su He who had been teleported away by the teleportation array before. people!

The three of them are all members of the Beacon Fire Mercenary Group at the Thunder God Base. After entering the Yaochi Holy Land, they established a friendship with Ye Feng. .??.

At this moment, Ye Feng stood up immediately, looked at the three people not far away, smiled and shouted: "I'm here!"

"Um?"

"Is it Young Master Ye Feng?"

"Brother Ye! I didn't expect to see you here! It's great!"

At this moment, when Yu Tian, Su He and Qin Xue heard Ye Feng's shout, their eyes immediately lit up and they hurriedly walked towards Ye Feng.

Ye Feng looked at the three of them, and patted each other's shoulders with Yu Tian and Su He. When he looked at Qin Xue, Ye Feng smiled slightly and said: "Miss Qin Xue, your injury should be fine. Bar."

The injuries Ye Feng mentioned were naturally the injuries suffered by Qin Xue when she was attacked by a tall armored skeleton under the Tower of Babel.

Qin Xue immediately smiled generously and said: "It's fine a long time ago. Mr. Ye Feng's healing technique is very powerful. It's a wonderful way to rejuvenate."

At this time, Yu Tian smiled and joked: "We were teleported away by the teleportation array before. Qin Xue has been worried about Mr. Ye Feng's safety. I kept saying it's okay. Mr. Ye Feng has the strength of a peerless genius, how could anything happen? , even if you encounter danger, you can easily resolve it, but Qin Xue just doesn't believe it. He has to see Mr. Ye Feng with his own eyes before he can rest assured. Now Qin Xue, don't worry. "

"Yutian, what are you talking about!"

When Qin Xue was told by Yu Tian, she immediately turned her head away slightly shyly, not daring to look at Ye Feng in front of her.

Su He came to Ye Feng's side at this time, chuckled and whispered: "Brother Ye, I

Captain Qin Xue of our Beacon Fire Mercenary Group is a little girl. Very few men can catch her eye. I didn't expect that Brother Ye's charm is so strong. In just a short time, Captain Qin Xue has become so fond of you. It's overwhelming, but you saved Captain Qin Xue's life, which is considered a hero saving a beauty, which is normal. "

When Ye Feng heard what Su He said, he smiled helplessly. He didn't say anything more, but changed the subject and said: "This temple is very dangerous. Behind the golden gate may be the resting place of the Queen of Yaochi. Once a powerful person from the immortal realm tens of thousands of years ago turns into a ghost, it will be absolutely terrifying. You should hurry up and restore your strength. There may be a fierce battle later. "

"Is it true? Behind this golden gate is the resting place of Queen Yaochi?"

When the three of them heard Ye Feng's solemn words, their faces became very serious.

They nodded and immediately began to meditate and adjust their breath on the spot to regain their strength and strive to reach the best condition as soon as possible.

At this time, Ye Feng walked to a relatively remote location, thinking that when the golden gate opened, he might encounter an irresistible and devastating crisis.

At this moment, Ye Feng's eyes were fixed and he took out a small storage ring from his arms.

This ring is exactly the ring on the finger of an immortal corpse that Ye Feng found under an abyss at the edge of the dark forest at the end of the ice and snow land of the Snow Elf clan.

This is a fairy ring!

However, there is an immortal power seal in this immortal ring. Ye Feng's previous cultivation level was too low and he could not break the immortal power seal.

If it were an immortal seal, Ye Feng could instantly break it with just a trace of the soul gem's power.

But the seal in this immortal ring is an immortal power seal. It is the immortal power of the immortal, not the power of spiritual thoughts, so it is very difficult to open.

Now that Ye Feng's cultivation has been greatly improved in the temple, he is ready to try to see if he can break through the immortal power seal of this immortal ring.

"What kind of ring is this? It looks very extraordinary!" Old Jinlong was very knowledgeable. At this moment, he suddenly ran over with a sly look on his face, staring at the fairy ring in Ye Feng's hand with a pair of big dark golden eyes.

Ye Feng glanced at Old Jinlong and said, "You want to know what kind of ring this is? Let me tell you this, if we can successfully open this ring, maybe we won't have to be so afraid of the danger behind the golden door. "

"so smart?"

When Lao Jinlong heard what Ye Feng said, he immediately became even more excited.

At this time, Ye Feng took a deep breath, and then frantically mobilized the terrifying magic power contained in his body, and rushed towards the immortal ring in his hand, trying to break the immortal power seal in the ring. !

Chapter 1088 Immortal Level Inheritance

"Boom!"

"Boom!"

At this moment, surging mana burst out from Ye Feng's palm, frantically impacting the fairy power seal of the fairy ring.

"boom!!!"

Sure enough, as Ye Feng's cultivation level skyrocketed, his power was simply terrifying to the extreme.

Because Ye Feng practices the Divine Art of Creation, his magic power is extremely strong.

Although Ye Feng's cultivation level is now in the Dacheng Celestial Realm of the Eighth Secret Realm, his cultivation level is probably as powerful as an ordinary Dacheng Immortal Sect Realm being in the Ninth Secret Realm.

At this moment, Ye Feng soon heard the sound of shattering coming from the fairy ring in his hand.

"Click, click..."

That was the rapid breaking of the immortal power seal in the immortal ring.

"boom!"

Finally at a certain moment, the seal of the Immortal Ring exploded and completely shattered.

"Success!"

Ye Feng's eyes were filled with joy, and he immediately poured his soul power and spiritual thoughts into the immortal ring to investigate.

But the next moment, what made Ye Feng's expression change was that there was nothing in the fairy ring except a crystal ball lying alone in the corner.

"Just a broken crystal ball?"

The corner of Ye Feng's mouth suddenly twitched violently.

There is nothing in an immortal's storage ring?

Are all immortals so poor?

Originally, Ye Feng expected to have various high-level immortal armors, immortal weapons, elixirs, etc.

But in the end, there was just a crystal ball, lying alone in the corner.

"Is it true that the greater the expectations, the greater the disappointment?"

Ye Feng was speechless, but with a thought, he took out the ordinary-looking crystal ball from the ring.

However, no matter how he probed, Ye Feng did not find any results. This seemed to be a very ordinary crystal ball.

"You can't be so unlucky, right?"

Ye Feng's expression suddenly changed

It fell down.

"This is?"

But at this time, Lao Jinlong suddenly came over, with a hint of curiosity in his eyes, staring at the crystal ball in Ye Feng's hand.

The old man stretched out a golden dragon claw that was made of gold, knocked the crystal ball "dang dang dang", and said with some surprise: "This seems to be an inheritance crystal ball made of an ancient material..."

Ye Feng's originally gloomy face suddenly became happy and said, "You said this is a heritage crystal ball?"

Almost at this moment, Ye Feng's speechless heart suddenly became ecstatic.

Inheriting the crystal ball, does that mean that this crystal ball contains the inheritance of an ancient immortal?

At this moment, Ye Feng felt as if he had found a treasure. He immediately patted his forehead and said suddenly, "That's right! How can there be nothing in a precious fairy ring!"

Ye Feng had encountered the inherited crystal ball before, but this time he didn't react and thought it was a broken ball.

But now, as if Ye Feng had found a treasure, he directly integrated a trace of the soul gem's power into his own spiritual thoughts, and directly bombarded the inheritance crystal ball in his hand.

With the blessing of the Soul Gem, a gem of the gods, Ye Feng's spiritual soul attack was like the sharpest and most terrifying spear in the world, instantly shattering the spiritual defense of the inherited crystal ball.

His thoughts suddenly entered the virtual inheritance world built in the inheritance crystal ball.

This is not the first time Ye Feng has accepted inheritance through the virtual world in the crystal ball.

So at this moment, Ye Feng's mind suddenly came to the inner world of the crystal ball.

At this time, Ye Feng was already in a white virtual inheritance world.

He looked around and found that he was standing on a huge lake.

High in the sky, there are two books hanging with radiant light.

Huge books.

"Is this the inheritance of the mysterious immortal corpse that fell under the abyss? Two inheritances? Is it martial arts or skills?"

With a trace of expectation in his heart, Ye Feng jumped directly into the sky and flew towards the two huge books that radiated light.

Soon, he was close to two huge books.

Ye Feng immediately saw the words on the book clearly.

"Dragon and Phoenix suppress the Tianzhu!"

"Xianling Xuanyu Hand!"

Two huge books, both of which are about immortal martial arts!

I don't know the specific level in the Immortal level, but since it is an Immortal level martial arts, surpassing the True Saint level, it is absolutely terrifying, ancient and powerful!

Buzz!

Buzz!

And at this moment, the sky and the earth darkened, and the two huge books of immortal level inheritance instantly turned into two balls of blazing sun-like light, rushing directly towards Ye Feng and integrating into Ye Feng's mind and body.

"Wow!"

And at the next moment, the entire virtual world was shattered inch by inch, and Ye Feng's body of thought also retreated from the crystal ball.

At this time, in the ancient square outside, Ye Feng was sitting on the ground and suddenly opened his eyes.

"Click, click..."

At this moment, the inheritance crystal ball he held in his hand had a smooth surface, but it also cracked into cracks. Finally, it shattered into countless fragments and scattered on the ground.

Lao Jinlong stared at Ye Feng, very curious, and said: "How is it? What kind of inheritance is inside?"

Ye Feng said with a smile in his eyes: "They are two sets of very powerful immortal-level martial arts, the Dragon and Phoenix Zhentian Pillar and the Immortal Xuanyu Shou. Now the secrets of the inheritance of these two sets of immortal-level martial arts have been imprinted on my body. It's in my mind, I'll just start to understand it slowly."

"What?"

However, when Lao Jinlong heard Ye Feng's words, his expression suddenly became extremely horrified and...

weird.

Ye Feng looked at Lao Jinlong's rapidly changing expression, and immediately felt a sudden change in his heart, saying, "What's wrong? Is there something wrong?"

Old Jinlong took a deep breath, stared at Ye Feng, and said in a serious tone: "Ye Feng, do you know that the Dragon and Phoenix Zhen Tianzhu and the Xuanling Xuanyu Hand... are the Holy Lord of Yaochi Holy Land tens of thousands of years ago, Yaochi The queen, a powerful person in the fairyland, is famous for her unique skills!"

"What?!"

The moment Lao Jinlong finished speaking, Ye Feng's calm expression suddenly changed.

He suddenly entered his storage spirit ring with his spiritual thoughts, stared at the immortal corpse skeleton that had turned into a skeleton in the storage spirit ring space, and couldn't help but said in horror: "If you say that, the one in my hand is Is this immortal corpse the Queen of Yaochi? Did she escape from the Yaochi Holy Land and die outside?"

Speaking of which.

Ye Feng suddenly thought of something and his eyes were suddenly startled.

He suddenly turned around and stared at the thousand-meter-high golden door not far away, and said in a strangely cold tone: "Since the corpse of the real Queen of Yaochi is lying in my storage ring, then this holy Who is buried in the resting place in the deepest part of the temple?"

Old Jinlong's expression suddenly changed and he said: "The person buried in the resting place behind the golden gate must be the mysterious and unknown initiator of the entire Yaochi Holy Land that was destroyed overnight, right?"

Ye Feng's eyes were startled and he said: "It's very possible! I saw the dead masters in the temple before. The blood seeped into the depths of the ground strangely. It seemed that something strange was absorbing the blood of living creatures! We Go quickly! There may be no treasures in the core area of the temple, but a sinister nest!"

Uh-huh!

Ye Feng stood up instantly and walked towards Yu Tian, Qin Xue and Su He, wanting to lead them to escape from here.

"Crunch, crunch..."

But suddenly at this moment, the thousand-meter-long golden gate like a mountain suddenly started to rotate slowly and automatically...

Chapter 1089 Unparalleled Elegance

"The door is open!"

"Look! The golden door opened automatically!"

"Did we inadvertently trigger some mechanism that opened the door to this core area? Great!"

At this moment, all the powerful masters in the entire ancient square stood up and looked towards the opened golden door.

At this time, Ye Feng was frightened and wanted to run away.

Because he and Lao Jinlong both guessed that behind the golden gate, the strange and unknown initiator of the destruction of the Yaochi Holy Land was lurking and watching.

"Huh? There's no weird and ominous power coming out?"

But at this moment, Ye Feng suddenly felt that behind the golden gate, there was no strange and ominous aura that was as sinister and terrifying as he imagined.

Buzz!

Instead, a very sacred light surged out from behind the golden gate, covering the entire ancient square like a wave.

At this time, Ye Feng was holding back the steps of running away, stopped where he was, and looked behind the golden door.

At this moment, as the golden gate finally opened, a beautiful hazy figure exuding sacred light appeared in the core area behind the golden gate.

Under the feet of this beautiful hazy figure, there is a huge seal altar.

In the seal altar, there are strange and ominous forces that make people fear and palpitate. They exude dark gas and want to break away from the seal, but they are suppressed by that sacred and beautiful hazy figure. .

"This figure of divine light is the magnificent Queen of Yaochi back then!"

"For these ten thousand years, she has been relying on the will of an immortal to suppress the source of that weird and unknown power!"

Seeing the scene behind the gate at this moment, everyone suddenly understood.

And at this moment, the figure shrouded in sacred light, although it was just a ray of immortal will, brought an irresistible pressure to everyone in the room.

It can be seen from this that the Queen of Yaochi, who was glorious for an era, has such unparalleled cultivation and strength.

At this moment, the Queen of Yaochi glanced at the people in the entire ancient square with her indifferent eyes like a fairy, and said calmly: "You juniors are really too bold. Back then, I used the rise and fall of the Yaochi Holy Land. , you can suppress the strange and unknown source, but tens of thousands of years have passed, and you dare to open the Yaochi Holy Land. If the strange and unknown source of this place is released, this battlefield of thousands of races will definitely usher in a disaster. A disaster."

At this time, everyone was frightened and turned pale when they heard the warning words from Queen Yaochi.

But the Dark Lord was staring at the phantom of Queen Yaochi's will at this time. His expression was not respectful at all, but very domineering, and he suddenly said: "I'm not afraid of anything strange and unknown. The purpose of my coming here is to get your The immortal corpse can be

used to resurrect the ancestor of our dark clan, Queen Yaochi, tell me quickly, where is your immortal body that became an immortal?"

Queen Yaochi said coldly: "You are not qualified to speak like this in front of me."

The Dark Lord immediately burst into laughter and said: "There is only one immortal will left, and you still want to show off your power? Queen Yaochi, if you don't tell me today where the immortal corpse you left behind is, I will guard you." Shatter this weird and ominous sealed altar!"

"presumptuous!"

The Queen of Yaochi suddenly shouted coldly, and in an instant she stretched out a hand and lightly pressed it towards the Dark Lord.

Buzz!

Suddenly, there were pieces of nine-color fairy light in the void, falling down one after another, and then condensed into a huge nine-color black jade palm like a millstone.

This nine-color black jade palm seems to be cast from the most perfect top-grade jade in the world, like an extremely perfect work of art.

But this is the famous secret skill of Queen Yaochi, the third-grade immortal martial arts, the fairy mysterious jade hand!

The fairy black jade hand can trigger the nine-color fairy energy and fairy light in the ancient fairy world to come down, and condense it into a palm with supreme power, which can release incredible destructive power.

"Hahaha! Okay! Today I want to see if the Fairy Mysterious Jade Hand created by Queen Yaochi back then is as powerful as the legend says!"

At this time, the Dark Lord roared loudly, and a huge and boundless light of darkness erupted from his body.

At this moment, the black gold spurge in his hand suddenly expanded into a dragon-shaped spear.

This is a large dark gun that is more than ten meters long. On top of the gun body, there is an extremely lifelike black dragon sculpture, exuding a terrifying dark dragon aura.

"Dark Dragon Spear!"

"This is the clan-suppressing fairy weapon among the dark alien races!"

"Immortal weapons?! This dark monarch actually brought all their immortal weapons to the clan this time? It seems that this time he is determined to get the immortal corpse left by Queen Yaochi!"

At this moment, many people around him couldn't help but exclaimed.

Even Chen Tianshu, the human dean of the Thunder God Base, couldn't help but change his eyes slightly.

A strong man from the Great Perfection of the Ninth Secret Realm holds an immortal weapon. Even if the Dark Dragon Spear is only a low-grade immortal weapon, it will definitely give the Dark Lord a very terrifying strength in an instant, and he will definitely be able to provoke a half-immortal.

"The Dragon Spear Fighting Technique of Great Destruction of Darkness!"

boom!

At this moment, the Dark Lord held the fairy weapon Dark Dragon Spear in his hand, roared loudly, and performed a very terrifying secret skill of the clan: the Dragon Spear Fighting Technique of Great Destruction of Darkness!

This is a very advanced inherited martial arts and a specialized gun fighting technique. As soon as it was used, a ferocious black dragon soul roared out from his dark dragon gun in an instant, It seemed to be able to tear the whole sky apart. The scene was very terrifying, as if the end of the world was coming.

The terrifying attack that the Dark Lord broke out at this time even made Chen Tianshu, the dean of the human race not far away, unable to help but retreat quickly.

Although he also possesses an immortal weapon, the immortal weapon

It is very important. It has always been placed in Haoran Academy. As a treasure of the academy, it is impossible to carry it with you. It is too precious.

So at this moment, the Dark Lord holding the fairy weapon Dark Dragon Spear has surged to an extreme level of combat power, and is almost the most powerful being on the field now.

"boom!"

But at this moment, the Fairy Mysterious Jade Hand displayed by Queen Yaochi fell down, and instantly a terrifying roar erupted on the field.

And at the next moment, everyone in the audience was shocked to the extreme. ??

The fairy black jade hand of the Queen of Yaochi looks no more than the size of a millstone, and is as exquisite as a piece of art. However, it contains infinite power at this time. It can actually instantly cast the dark dragon soul unleashed by the Dark Lord. Broken to pieces.

boom!

Then, with a flick of Xianling Xuanyu's hand, the Dark Lord was blown away and hit the ground of the ancient square hard.

"Boom!!"

A large area of rubble and rubble immediately appeared where the ground collided.

"this....."

"So strong!"

"The Queen of Yaochi is so beautiful that she only has the will of an immortal. She still possesses such a powerful force. It's hard to imagine how powerful she was when she was alive!"

At this moment, countless people were shocked.

Even Chen Tianshu's eyes were startled, amazed by the elegance of Queen Yaochi.

But then he sighed, there was probably no chance today to get the immortal corpse that Queen Yaochi left behind from her hands today.

Chen Tianshu actually came here for the immortal corpse, that's why he waited here for so long, even if he risked the corpse of Queen Yaochi turning into a ghost, he was waiting here for the opening of the golden gate.

But what I never expected was that the Queen of Yaochi would be so powerful even if she only had the last ray of immortal will left!

Uh-huh!

And suddenly at this moment, the Dark Lord, covered in blood, suddenly jumped out of the ruins on the ground. His embarrassment reached the extreme, and he ran madly towards the outside of the temple.

For some reason, Queen Yaochi did not take action again, but allowed the Dark Lord to escape.

Some people speculate that the Queen of Yaochi can no longer use her immortal power.

But the scene of suppressing the Dark Lord with one hand just now was really shocking.

Many masters and strong men clasped their fists at the Queen of Yaochi and then left quickly.

At this moment, the Queen of Yaochi suddenly stared at a young man in black in the crowd and said: "You stay, I have something to ask you."

After saying that, the Queen of Yaochi stretched out a bare hand and grabbed it. The young man in black could not resist at all, and was taken directly in, standing in front of the Queen of Yaochi.

The boy in black is naturally Ye Feng.

His eyes were startled at this moment, and he never expected that Queen Yaochi would name him and leave him behind.

"Master Ye Feng!"

"Brother Ye!"

Su He, Yu Tian and Qin Xue in the square immediately had faces.

Color changes.

Ye Feng immediately shouted: "You go first, I'm fine. Senior Queen Yaochi has no ill intentions towards me. You go out first. When I come out, I will go directly to the Beacon Fire Mercenary Group at Thor Base to find you."

When Su He and the others heard Ye Feng's words, they hesitated for a while, then they could only nod, turned and left.

Lao Jinlong sneaked into the golden gate and walked to Ye Feng's side.

Queen Yaochi glanced at this five-clawed golden dragon that was only as tall as a person, her eyes flashed, and she didn't say much.

Ye Feng patted Lao Jinlong on the shoulder and said, "How interesting that you actually stayed with me."

Old Jinlong chuckled and said: "Ye Feng, you don't have to be afraid. I knew the Queen of Yaochi back then. Since she has not turned into a weird ghost and still has the memories of those years, she won't hurt you."

Ye Feng's eyes were stunned for a moment, and then he suddenly realized. No wonder Old Jinlong didn't run away. It turned out that he was an acquaintance with the Queen of Yaochi.

It's a shame that I thought this old fritter was loyal enough.

At this moment, Chen Tianshu clasped his fists, looked at Queen Yaochi, and said: "Senior Queen Yaochi, I..."

"Wow!"

Suddenly the Queen of Yaochi waved her hand, and a terrifying space fluctuation instantly enveloped Chen Tianshu. The space seemed to be shattered, and countless space cracks appeared, cutting Chen Tianshu into countless pieces.

"Senior! Spare your life! I'm leaving now!"

Chen Tianshu was immediately shocked and shouted loudly.

"Buzz!"

Queen Yaochi waved her hand again, and the space crack disappeared instantly.

"Thank you, senior, for showing mercy."

Chen Tianshu took a deep breath, took a deep look at Ye Feng, who was standing in front of Queen Yaochi, then turned around and left quickly.

At this time, in the core area of the entire temple, the square outside the golden gate was empty.

At this moment, Ye Feng suddenly took out the immortal corpse skeleton he had obtained from the abyss from the storage ring and said: "Senior Queen of Yaochi, you are here for this immortal corpse of yours. "

The shadow of Queen Yaochi's will nodded, and then she took a step forward and walked directly into the immortal corpse's skeleton.

The divine light of will instantly merged with the immortal corpse skeleton that Ye Feng took out.

"this....."

Immediately under Ye Feng's horrified gaze, the bones of the immortal corpse began to grow blood, flesh, internal organs, and finally fair skin and jet-black hair...

A real person who looked like the real Queen of Yaochi was suddenly brought back to life in front of Ye Feng.

A big living person finally appeared in Ye Feng's field of vision. He was covered in Xiayi with nine-color fairy light. His black hair fell to his slender waist, and he looked full of an unparalleled sense of beauty. .

Not only Ye Feng, but also the old Jinlong standing aside at this moment had their eyes widened, and couldn't help but said in surprise: "Queen of Yaochi, you, you actually came back to life on the decaying corpse? Haven't you not stepped in yet? Realm of God, this...how is this possible..."

Chapter 1090 Hidden Danger

The Queen of Yaochi, who was supposed to have been dead for tens of thousands of years, now merged into one with the phantom of the divine light of will and the skeleton of the immortal corpse. She actually grew flesh and blood again and became a living person.

This whole process is really shocking. There is nothing more shocking than watching a dead skeleton become a real person again.

But at this time, Ye Feng's eyes suddenly changed slightly.

He seemed to have sensed something. He stared at the incomparably beautiful Queen Yaochi in front of him and said with some uncertainty: "Why do I feel that the life energy in you, Senior Queen Yaochi, is passing away quickly? Moreover, I can feel a strong sense of death surrounding you."

A person who has been resurrected from the dead, whose whole body is still enveloped in a thick aura of death, is not really alive, but a living dead.

At this time, the Queen of Yaochi heard what Ye Feng said, and her beautiful eyes couldn't help showing a trace of approval, and said: "You are very good, you can see the abnormality in me."

At this time, Old Jinlong looked at Ye Feng with a hint of surprise in his eyes, and asked: "Ye Feng, the Queen of Yaochi has obviously resurrected from the dead, why do you say that she is surrounded by the aura of death?"

Ye Feng nodded and said: "I am not only a warrior, but also a soul master who has been practicing for many years. I am very sensitive to the spirit of the dead. Although the senior Queen of Yaochi seems to be full of life now, there This vibrant depth is filled with a strong air of death, just like a flash of light." ??

"Let's not talk about this for now."

The Queen of Yaochi interrupted Ye Feng at this time. She seemed not to want to discuss this topic anymore. She looked at the ancient seal altar not far away and said: "I burned the last source of immortal power in the immortal corpse skeleton. Rebirth, this state can only last for three hours at most. Within these three hours, I need to completely destroy the strange and unknown source sealed in the altar. "

Ye Feng's eyes were startled and he said: "Senior, there are

A man with a big heart, in order to suppress the source of this ominous power, he even sacrificed himself and used the entire Yaochi Holy Land with millions of disciples in its heyday to suppress the source of this ominous force. "

Queen Yaochi smiled and said: "If I hadn't done this, the battlefield of all races you see now would have long been a land of death covered with black hair and white bones."

Ye Feng's eyes moved at this time and he said: "Actually, I have always been curious about where this strange and ominous thing comes from? Does it come from the world of the dead? But the unknown is not just about death."

Queen Yaochi shook her head and said: "I don't know much about this, but what I know is that things like the unknown exist everywhere in the world. The source of the unknown that I suppressed is only in this area. A source of battlefield for all races."

When Ye Feng heard the Queen of Yaochi say this, he immediately thought of himself.

A long time ago, in the small Longyuan Continent, I was contaminated with this weird and unknown feeling.

Moreover, his unknown nature seems to be very special and very powerful.

The backbone of the god of death can easily suppress the unknown power in the Yaochi Holy Land, but it cannot completely obliterate the unknown power in his body and can only suppress it.

At this time, Ye Feng looked at the seal altar not far away and said: "Senior, I can actually give it a try to see if I can help senior completely erase the unknown in the seal altar, so that senior will lose less power."

The Queen of Yaochi shook her head and said: "You don't have to try. I know that you have a death backbone in your body, but it can only erase the ordinary unknown power, but it cannot completely erase the unknown source. The unknown source is more than Ordinary unknown power,

I don't know how much more terrifying it is, and I am already a dead person and should have disappeared into the long river of history. Now that I have lived for three hours again, I am very satisfied. The task of erasing the unknown source is originally my mission. "

At this moment, the Queen of Yaochi said something that made Ye Feng startled. He couldn't help but said: "Senior, can you tell that my body contains the backbone of the god of death?"

The Queen of Yaochi did not respond to Ye Feng at this time. With her unparalleled beauty, sacred and great figure, she suddenly stepped into the seal altar, disappeared into the altar, and died generously.

Ye Feng stared at the back of Queen Yaochi, feeling solemn in his heart. Such a magnificent female senior of the human race had the righteousness of the human race in her heart and was worthy of her respect.

Lao Jinlong didn't have these feelings. He was suddenly very curious about the death spine in Ye Feng's body.

Old Jinlong immediately came to Ye Feng's side, his eyes a little surprised, and said: "Ye Feng, you actually fused a death spine into your body? And listening to your conversation with the Queen of Yaochi just now, you are also contaminated with something unknown. It seems that It's not an ordinary ominous force, it's an unknown source that even the Queen of Yaochi and the God of Death can't do anything about. Where did you go?"

Ye Feng looked at Lao Jinlong, spread his hands, and said: "I was infected with the unknown in a small place in the spiritual world. I didn't expect that I was infected with the unknown so much."

Lao Jinlong stared at Ye Feng and said: "Although your boy is powerful and has a terrifying inheritance, the hidden dangers in this body are not small. It is the source of the unknown and the backbone of the god of death. They are not good things. You are now This is fighting evil with evil. I advise you to find a way to remove the source of evil and the spine of death from your body, otherwise something will happen sooner or later. "

Ye Feng nodded and said: "I understand what you said, but now I can't complete this process. The source of ominous

, you have also seen that the Queen of Yaochi and the Holy Land of Yaochi with millions of strong men in their heyday could not be wiped out. It was the Queen of Yaochi's immortal will and the source of the ominousness that took tens of thousands of years, and now we have the opportunity to completely destroy that. The source of ominousness in the seal altar has been wiped out, and I feel that the source of ominousness I was infected with seems to be a very special type of unknown, and I can only wait and find a solution later. "

At this time, looking at the seal altar not far away, he slowly regained his composure.

Ye Feng knew that the Queen of Yaochi was dead and was once again lost in history.

But the unknown in the sealed altar was finally completely eliminated.

At this time, the old golden dragon touched his chin with his pure gold dragon claws and said: "Ye Feng, when there is a chance, I will take you to find some of my old friends. They are all very ancient and powerful. Maybe they can help." You remove hidden dangers from your body."

When Ye Feng heard what Lao Jinlong said, he couldn't help but move his eyes and said: "Okay, let's just leave here now."

Ye Feng and Lao Jinlong walked towards the outside of the ancient square. He looked back at the depths of the temple for the last time, feeling a little regretful that the most magnificent Queen of Yaochi had fallen like this and was lost in the long river of time.

Old Jinlong seemed to see what Ye Feng was thinking, and couldn't help but smile and said: "Don't think too much, no matter it is human race or other races, all living beings will naturally fall and be annihilated when they reach their end. No one can resist it." With the erosion of time and the crushing force of history, even the ancient gods will fall into the long river of time. Who in the world can live forever? "

Ye Feng suddenly said: "The legendary commander of the gods, the supreme master, is immortal. If the master wants to die, he must free himself."

Old Jinlong's eyes were stunned, and then he said: "Master...that's just a legend..."
