Chapter 1591 Kicked away

"The starry sky beast actually took the initiative to speak out?"

"This is the first time I've seen it."

"It seems that this mysterious young prodigy has really made this purple flame sacred cow angry."

At this time, all the demon warriors spoke out one after another.

There was a hint of surprise in his eyes.

At this time, when Ye Feng faced the question from the purple flame sacred cow, he just smiled and said: "It doesn't matter who I am, what matters is that I am very interested in your natal flame, can you give it to me? "

"presumptuous!"

The Purple Flame Divine Bull suddenly became angry and shouted: "Arrogant boy, even if you are born with divine power, it is of no use. Although you threw me away, I didn't receive any damage at all. The injury, and I don't believe you can continue to produce such brute strength."

At this moment, the Purple Flame Divine Bull rushed directly in front of Ye Feng. An iron hoof that looked like it was made of steel trampled down in an instant, trying to crush Ye Feng.

But at this moment, Ye Feng laughed loudly: "Who said I can't hurt you? You think too highly of yourself!"

boom!

Almost at the next moment, Ye Feng stretched out his hand, clenched it into a fist, and frantically activated the power of chaos in his body.

A huge burst of brute force suddenly burst out from his fist.

"boom!!"

The brute force was like a dragon, roaring into the sky, instantly burst out from Ye Feng's fist, and directly collided with the iron hoof of the purple flame sacred bull.

"Boom!!"

In an instant, an extremely terrifying roar sounded on the field.

"ah!"

Almost at the next moment, a violent howl sounded from the field.

It turned out to be the Purple Flame Divine Bull howling miserably!

It makes a painful sound.

Because the iron hooves of the Purple Flame Divine Bull were shattered inch by inch like broken porcelain.

But Ye Feng's fist was not damaged at all.

That fist was still flowing with immortal light and exuding chaos energy. It seemed to be made of the strongest material in the world. It possessed terrifying brute force and sharpness, like a war spear.

"How is that possible! My iron hooves are inherited from my ancestors. For hundreds of thousands of years, my iron hooves have trampled everything and never failed. However, you actually smashed it with one punch?!"

The purple flame sacred cow made an incredible sound of fear.

It seemed like it couldn't figure it out.

How could this little person in front of him and his little fist burst out with such terrifying and boundless power?

Just like an ancient giant, every move can release tremendous power.

Suddenly at this moment, the purple flame sacred cow made a "swish" sound and flew towards the distant starry sky.

"Is this starry sky beast trying to escape?"

A group of demon warriors around them couldn't help but exclaimed in surprise.

They never expected that such a powerful and terrifying starry sky beast would be scared away in the end.

It's really surprising.

"Want to run?"

But at this time, Ye Feng suddenly spoke up.

There was a sneer on his face, and he moved the space gem, and his whole body flashed directly into the sky above the purple flame sacred cow.

"boom!"

Then Ye Feng suddenly stepped down with one foot.

Boom! !

In an instant, a huge force burst out, and the purple flame sacred cow was kicked directly by Ye Feng.

"Boom!!"

The Purple Flame Divine Bull was suddenly kicked and flew to a floating continent below, where it was severely bombarded.

"howl!!"

The huge beast roared in pain.

Because at this moment, the area where it was kicked had countless pieces of scales broken into pieces, and strange purple blood flowed out. "The giant starry sky beast actually took the initiative to speak out?"

Chapter 1592 Qiankun Realm

"Uh-huh!"

Just when the Purple Flame Divine Bull screamed.

Ye Feng suddenly landed from high altitude.

Snap.

He stepped forward and stood in front of the Purple Flame Divine Bull, and said with a smile: "What? You said before that I couldn't hurt you, but now?"

The Ziyang Divine Bull's face suddenly became extremely ugly.

But at this moment, this starry sky beast did not dare to resist, because it felt a breath of death.

In the end, Ziyang Shenniu relented and said: "Friend, I don't want to die with you, please let me go. I won't protect that starry sky spiritual crystal mine anymore, you can take it all away."

Ye Feng suddenly smiled and said: "I defeated you. The Starry Sky Spiritual Crystal Mine already belongs to me. How can it be used as a bargaining chip in exchange for your life?"

"you.....!"

When Ziyang Shenniu heard what Ye Feng said, he immediately showed an extremely ugly look in his eyes.

The starry sky beast couldn't help but asked: "Then what do you want?"

Ye Feng smiled slightly and said, "I just said it, you are the one I am most interested in."

The Purple Flame Divine Bull held back his anger and said, "Please tell me clearly."

Ye Feng said: "Give me your natal purple flame, and I will spare your life."

"impossible!"

The Purple Flame Divine Bull suddenly became furious and said with uncertain eyes, "I cannot give my life flame to anyone, otherwise my strength will plummet."

Ye Feng's eyes were sharp and he said: "Am I asking you? I am ordering you! If you don't want to, then go to hell! I'll plunder it myself!"

boom!

Almost at the moment Ye Feng finished speaking, he suddenly stretched out a hand.

"Pfft!"

In an instant, Ye Feng's five fingers spread out, and their roots were like iron bars, piercing into Ziyang.

In the head of a sacred bull.

"ah!!"

The Purple Flame Divine Bull instantly roared in extreme pain.

Its huge beast body struggled wildly, but to no avail.

But Ye Feng held the head of the Purple Flame Divine Bull tightly and began to activate its devouring power.

"boom!"

In an instant, a steady stream of huge blood energy, demonic essence, and the original power of the purple flame were all quickly absorbed by Ye Feng and integrated into his body.

At this time, Ye Feng's skill was rapidly growing.

He felt that the Qi sea in his Dantian was growing rapidly.

"not enough!"

Ye Feng roared, then stretched out his other hand and turned into a huge chaotic hand, covering the sky and the sun. He suddenly grabbed the starry sky spiritual crystal vein not far away and began to absorb the entire starry sky spiritual crystal. Energy in veins.

"Gurgrrrrrrr!"

"Gurgrrrrrrr!"

At this moment, the starry sky spiritual crystal veins and the purple flame sacred cow provided Ye Feng with a steady supply of energy.

Moreover, these two energies are both very huge.

Ye Feng simply wanted to look up to the sky and scream at this moment.

Because he felt that the meridians all over his body, as well as his limbs, were full of swelling at this moment.

It's like it's about to explode!

"Break it for me!"

At this moment, Ye Feng activated his skills and roared loudly.

boom!

A new and powerful martial arts momentum burst out from his body in an instant.

At this moment, Ye Feng's pupils shone with divine light, and two divine lights burst out from his eyes, piercing the starry sky and the earth, looking extremely powerful and domineering!

At this moment, he successfully broke through, transformed completely, and entered the first level of the Qiankun Realm! "Uh-huh!"

Just when the Purple Flame Divine Bull screamed.

Ye Feng suddenly landed from high altitude.

Chapter 1593 Fusion of the Third Flame

Along with Ye Feng's breakthrough, huge and powerful auras emanated from Ye Feng's body.

All the countless demons felt an oppressive and terrifying aura and pressure.

At this time, the starry sky spirit crystal mineral veins and the purple flame sacred cow had shriveled up and been sucked out of their energy.

"What a weird technique!"

"It is simply the creation of heaven and earth, melted into your own body!"

The many demon warriors who saw this shocking scene all around had deep horror in their eyes.

Many demon warriors have never seen such a strange and powerful technique.

At this moment, Ye Feng opened his eyes.

He felt the powerful power surging in his body, and his eyes were full of infinite momentum.

Finally, he surpassed the realm of gods and broke through to the realm of heaven and earth!

At this time, Bai Susu, the Demon Queen, and the Golden Goshawk flew over, and they all hurriedly congratulated: "Congratulations on the breakthrough!"

Ye Feng nodded slightly and said with a smile: "I finally made a breakthrough. Sure enough, during the chaos in the Northern Territory, it was a God-given opportunity for me."

At this time, Ye Feng said and suddenly looked at the purple flame sacred cow that had become a mummy.

This giant beast in the starry sky was sucked out by Ye Feng.

At this time, Ye Feng stepped forward, stretched out his hand and grabbed it fiercely.

"boom!"

The entire shriveled body of the Purple Flame Divine Ox exploded.

Among the countless fragments, a purple flame appeared, burning quietly.

This is exactly the natal purple fire inside the body of the Purple Flame God Bull, which is comparable to the holy fire of the heavens!

The Heavenly Demon Queen said at this time: "This is the Purple Flame Divine Fire, which is the best among animal fires. It has been nurtured in the majestic beast body of the starry sky beast like the Purple Flame Divine Ox for hundreds of thousands of years. It is absolutely the best." The best among divine fires, the divine fire can instantly transform ordinary creatures, but it is also extremely dangerous because it possesses terrifying incineration and destructive power."

At this time, the Demon Queen was speaking, and she didn't know whether it was excitement or fear in her tone.

At this time, Ye Feng smiled confidently and said: "I practice a peerless fire attribute inheritance that can smelt all the fires in the world and turn them into my own use."

Ye Feng said this and immediately started to use the most powerful fire attribute technique, the Ancient Burning Heaven Technique.

The Ancient Burning Heaven Technique was inherited by Ye Feng from the Taixu Fire Emperor. It was very powerful and once amazed an era.

The Ancient Burning Heaven Technique is extremely unparalleled. It can fuse all the flames with different attributes together, and then improve the quality to become the natal flame of Ye Feng.

Now Ye Feng's natal flame consists of two types of flames, namely the Dragon Spirit Holy Fire and the Extreme Cold Flame.

Now, Ye Feng wants to merge into the third flame for his own natal flame.

"Buzz!"

At this moment, Ye Feng opened his mouth and swallowed the purple flame sacred fire left by the purple flame sacred cow.

"boom!"

Suddenly, a huge and boundless burning power exploded in Ye Feng's body.

The Ancient Burning Heaven Technique was operating rapidly in an instant, and began to merge the purple flame divine fire into Ye Feng's body's natal flame.

At this moment, the level of Ye Feng's natal flame was rapidly improving.

Previously, Ye Feng's natal flame was a high-level one.

Now combined with the third type of purple flame divine fire, the starry sky monster flame that is comparable to the holy fire, the quality of Ye Feng's natal flame has been suddenly upgraded to the first-level Dacheng state!

Ye Feng could feel that his natal flame was much more powerful than before!

At this moment, a tall demon wearing dark gold armor suddenly rushed over not far away.

He looked at the depleted starry sky spirit crystal veins and the dead purple flame sacred cow, his eyes immediately fixed on Ye Feng, and he said angrily: "What kind of dog are you, you dare to rob me of my destiny? Die for me!"

boom!

Almost at this moment, a majestic demonic energy burst out from the tall demon wearing dark gold armor.

That is the terrifying cultivation momentum of the fourth level of the Qiankun Realm!

Extremely terrible! Following Ye Feng's breakthrough, huge and powerful auras emanated from Ye Feng's body.

Chapter 1594 The Golden Armored Demon Lord

"Golden Armor Demon Lord! Stop!"

Suddenly at this moment, before the tall demon wearing dark gold armor could rush in front of Ye Feng, the demon queen had already shouted loudly.

"Queen of Demons? Why are you here? Aren't you stationed at the guard tower in the southeast?"

The golden-armored Demon Lord stopped at this time and looked in the direction of the Demon Queen with some doubts in his eyes.

The Demon Queen said coldly: "You don't have to worry about where I show up, but the person you are attacking now is my friend."

The Golden Armored Demon Lord looked at Ye Feng's delicate and young face, couldn't help but grinned, and said, "What? Is this the pretty boy you raised, the Demon Queen?"

When the Demon Queen heard this, her expression suddenly changed and she said, "Shut up!"

Ye Feng suddenly spoke up at this time: "Golden Armor Demon Lord, right? Come here quickly if you want to kill him, what nonsense are you talking about?"

"How brave!"

The Golden Armor Demon Lord immediately stared at Ye Feng.

There was a trace of cruel smile in the pair of demon pupils, and he said: "Who are you, and you dare to speak to me like this? A mere kid who has just broken through to the Qiankun Realm, acting so presumptuously in front of me, is simply looking for death. !"

boom!

The Golden Armored Demon Lord said at this time, and a dark black halberd instantly appeared in his hand.

His eyes exuded a strange magic light, and his whole body was full of domineering aura.

"kill!"

The golden-armored Demon Lord roared, holding the dark black halberd in his hands, and suddenly slashed it down from high in the air.

The attacks from strong men in the fourth level of the Qiankun Realm are very terrifying.

But at this time, Ye Feng's eyes showed a hint of eagerness to try, without any fear at all.

"Just to test how powerful my natal flame is now after merging three powerful flames."

Ye Feng was thinking in his heart at this time, and instantly broke out the Ancient Burning Heaven Technique!

"Boom!"\u003c

br\u003e

Suddenly, endless three-color flames were the fusion fire of Dragon Spirit Holy Fire, Extreme Cold Flame and Purple Flame Divine Fire. Madness emerged from Ye Feng's body and turned into a huge wave of rolling flames, full of infinite power.

At this moment, Ye Feng immediately said: "Thousands of fires burning the sky!"

boom!

Infinite flames swept towards the sky crazily, immediately enveloping the golden-armored Demon Lord.

"It's just a flame! Put it out!"

The golden-armored Demon Lord roared loudly, and the dark black halberd in his hand erupted with a terrifying dark edge, extinguishing all the flames that swept around him.

"Taste my sword energy fire storm again!"

At this time, Ye Feng's eyes showed a trace of madness, and a golden giant sword appeared in his hand.

A fire storm suddenly erupted from the blade of this golden giant sword.

Moreover, this fire storm is also mixed with extremely sharp sword energy, which can cut and destroy everything.

"Boom!!"

After the flame level of the Sword Qi Fire Storm was improved, its power also increased many times.

At this moment, the expression of the golden-armored demon suddenly changed.

Because the ubiquitous sharp sword energy and terrifying flames are really pervasive and too terrifying.

"You... what kind of move is this? There is no such weird and terrifying martial arts among our demon clan!"

The golden-armored Demon Lord couldn't help but scream in horror.

The dark black spurge he was holding in his hand was burning red, and its surface began to be pierced by the sword energy. Small holes like moths appeared, cracked and rotted.

This shocked the Golden Armored Demon Lord.

He couldn't bear it anymore, and suddenly he raised his hands to the sky, and a vicissitudes of time and ancient power aura came out: "Boy, you forced me to do this! Even if I spend my life's demon blood and cast the 'Great Blood Spell', I will kill you completely and turn you into a pool of blood in an instant! Hahaha! Just wait for death!" "Golden Armor Demon Lord!"

Suddenly at this moment, before the tall demon wearing dark gold armor could rush in front of Ye Feng, the demon queen had already shouted loudly.

Chapter 1595 It's incredible

Big blood spell!

This is a very terrifying secret technique of the demons.

Once used, people will instantly turn into dirty blood, cruel and vicious.

So at this moment, the moment when the Golden Armored Demon Lord casts his power.

An extremely cruel smile immediately appeared on his face.

Because he knew very well that he would be able to see Ye Feng turn into dirty blood later.

"boom!"

At this time, a bloody mark, exuding an ancient and terrifying aura, suddenly struck out from the body of the golden-armored Demon Lord.

"This is very similar to the blood curse that Gu Tongtian used to attack me in the spiritual world, but was ultimately resisted by Miss Lan."

Ye Feng looked at the blood-red spell seal at this time, with memories in his eyes.

"boom!"

At this time, Ye Feng waved his fist directly and blasted towards the curse seal of the big blood curse.

When the Golden Armored Demon Lord saw this scene, he immediately burst out laughing and said, "You actually want to use your fist to attack my Great Blood Spell Mark. Don't you know that the Great Blood Spell is intangible and not an entity?" The body can resist."

Sure enough, the moment the Golden Armored Demon Lord finished speaking.

Ye Feng's fist did not hit the blood spell at all.

The curse mark of the Great Blood Curse exuded a blood-red light and actually penetrated directly into Ye Feng's body.

At this moment, Ye Feng immediately felt a very terrifying and strange spell power, which was disintegrating his entire body inside his body.

It feels like there are countless moths eating away at your body.

"Chaos body!"

Ye Feng roared loudly at this moment, frantically mobilizing the power of his entire chaotic body.

Waves of powerful energy burst out from Ye Feng's body in an instant.

At this moment, every time he

Every inch of flesh, every drop of blood, and every inch of bone exudes heavy and solid chaos energy, frantically impacting the spell mark of the great blood spell that was submerged in his body.

"Dong dong dong!"

In addition, the heart of the gods and demons in Ye Feng's body is also beating crazily at this moment, like the heart of a giant beast pulsing, exuding great powers of gods and demons, dispelling all strange forces.

"boom!"

Suddenly at the next moment, Ye Feng's body shook violently.

The spell mark of the great blood spell that had been submerged in his body was suddenly forced out, and then exploded in the sky.

"What?!"

Seeing this scene, the golden-armored Demon Lord suddenly had a look of deep disbelief in his eyes.

He never expected that Ye Feng would force out all the marks of his blood spell by relying on the power of his body!

"This is incredible!"

Even the Heavenly Demon Queen's beautiful face showed a look of shock and shock.

Bai Susu and Golden Goshawk looked at the brave Ye Feng without any surprise.

During this period of time traveling with Ye Feng, they had seen with their own eyes all the evil ways of Ye Feng.

Especially Bai Susu, she was very glad that she brought Ye Feng to the Northern Divine Academy in advance, so that Ye Feng could grow up quickly and shine brightly on such a big stage.

The golden-armored Demon Lord's eyes were full of disbelief at this time, and he shouted: "Impossible! Impossible! My great blood spell is a Taoist magic among the three thousand avenues of the heavens. You, the universe How can a boy who is in the first realm forcefully force him out of his body? Is this impossible? Is your body the body of an ancient god?"

boom!

But before the Golden Armored Demon Lord could finish his words, Ye Feng had already rushed over instantly, spread his fingers, and pinched the Golden Armored Demon Lord's head with one hand.

"What are you going to do?"

The golden-armored Demon Lord suddenly screamed in horror. Big blood spell!

This is a very terrifying secret technique of the demons.

Once used, people will instantly turn into dirty blood, cruel and vicious.

So at this moment, the moment when the Golden Armored Demon Lord casts his power.

An extremely cruel smile immediately appeared on his face.

Because he knew very well that he would be able to see Ye Feng turn into dirty blood later.

"boom!"

At this time, a bloody mark, exuding an ancient and terrifying aura, suddenly struck out from the body of the golden-armored Demon Lord.

"This is very similar to the blood curse that Gu Tongtian used to attack me in the spiritual world, but was ultimately resisted by Miss Lan."

Ye Feng looked at the blood-red spell seal at this time, with memories in his eyes. .???.??

"boom!"

At this time, Ye Feng waved his fist directly and blasted towards the curse seal of the big blood curse.

When the Golden Armored Demon Lord saw this scene, he immediately burst out laughing and said, "You actually want to use your fist to attack my Great Blood Spell Mark. Don't you know that the Great Blood Spell is intangible and not an entity?" The body can resist."

Sure enough, the moment the Golden Armored Demon Lord finished speaking.

Ye Feng's fist did not hit the blood spell at all.

The curse mark of the Great Blood Curse exuded a blood-red light and actually penetrated directly into Ye Feng's body.

At this moment, Ye Feng immediately felt a very terrifying and strange spell power, which was disintegrating his entire body inside his body.

It feels like there are countless moths eating away at your body.

"Chaos body!"

Ye Feng roared at this moment, frantically mobilizing the power of his entire chaotic body.

Waves of powerful energy burst out from Ye Feng's body in an instant.

At this moment, every time he

Every inch of flesh, every drop of blood, and every inch of bone exudes heavy and solid chaos energy, frantically impacting the spell mark of the great blood spell that was submerged in his body.

"Dong dong dong!"

In addition, the heart of the gods and demons in Ye Feng's body is also beating crazily at this moment, like the heart of a giant beast pulsing, emitting waves of great power of gods and demons to dispel all strange forces.

"boom!"

Suddenly at the next moment, Ye Feng's body shook violently.

The spell mark of the great blood spell that had been submerged in his body was suddenly forced out, and then exploded in the sky.

"What?!"

Seeing this scene, the golden-armored Demon Lord suddenly had a look of deep disbelief in his eyes.

He never expected that Ye Feng would force out all the blood spell marks by relying on his own body strength!

"This is incredible!"

Even the Heavenly Demon Queen's beautiful face showed a look of shock and shock.

Bai Susu and Golden Goshawk looked at the brave Ye Feng without any surprise.

During this period of time traveling with Ye Feng, they had seen with their own eyes all the evil ways of Ye Feng.

Especially Bai Susu, she was very lucky to have brought Ye Feng to the Northern Territory Seminary in advance, so that Ye Feng could grow up quickly and shine brightly on such a big stage.

The golden-armored Demon Lord's eyes were full of disbelief at this time, and he shouted: "Impossible! Impossible! This great blood spell is a Taoist magic among the three thousand avenues of the heavens. You, the universe How can a boy who is in the first realm forcefully force him out of his body? boom!

But before the Golden Armored Demon Lord could finish his words, Ye Feng rushed over instantly, spread his fingers, and pinched the Golden Armored Demon Lord's head with one hand.

"What are you going to do?"

The golden-armored Demon Lord suddenly screamed in horror.

Chapter 1596 Three Thousand Avenues of the Heavens

Ye Feng stared at the fearful expression of the Golden Armored Demon Lord, and couldn't help but grinned and said: "You are very good, with high cultivation and rich skills, and I am also very interested in your blood spell. "

The Golden Armored Demon Lord could not move at this time, but stared at Ye Feng and shouted: "I am the commander-in-chief of the Northern Territory Army of the Heavenly Demon Clan. You cannot kill me. If you kill me, you will be guilty of a serious crime... ..ah!!"

But before the Golden Armored Demon Lord finished speaking, Ye Feng's five fingers, each like an iron bar, had directly pierced the Golden Armored Demon Lord's skull.

"Swallow!"

Ye Feng directly used his devouring ability.

"boom!"

In an instant, huge amounts of skill energy and blood essence were directly absorbed by Ye Feng.

All of it was injected into Ye Feng's body.

At this time, the body of the Golden Armored Demon Lord was rapidly drying up.

Ye Feng had a satisfied and happy look on his face.

"Ahhh!"

As the golden-armored demon was being swallowed, he let out a painful roar.

In addition, the body of the Golden Armored Demon Lord was rapidly drying up.

This scene looks extremely weird.

"hiss!"

Countless demons around him couldn't help but gasped when they saw this scene.

That young demon in black robe has such a weird practice.

It's really scary!

"terrible....."

At this time, even the Demon Queen who knew Ye Feng's true identity was shocked.

She felt extremely cold all over her body.

Because the Demon Queen knows that Ye Feng is not actually a demon, but a human!

But at this moment, Ye Feng looked like he was even more of a demon than a demon!

It was so scary.

"boom!"

And just when many demons were so frightened that they gasped.

Ye Feng's whole body suddenly burst out with a huge martial arts aura.

The second level of Qiankun Realm!

He broke through!

At this time, Ye Feng laughed loudly: "Not bad, not bad! As expected of the Golden Armored Demon Lord, it is indeed a great supplement!"

Looking at Ye Feng's wild smile.

Countless Heavenly Demons around them all felt chills all over.

They felt that this young figure really frightened them.

At this time, Ye Feng's eyes suddenly focused on the space in front of him.

At this time, after the death of the Golden Armored Demon Lord, a small bone was left behind.

This one is small

The bones were engraved with blood-red lines.

"This should be the inherited demon bone of the Golden Armored Demon Lord, and what is recorded in it should be the secret of the inheritance of the great blood curse!"

Ye Feng murmured, with a hint of joy in his eyes.

The Great Blood Curse doesn't rank very high among the three thousand avenues of heaven.

But after all, it is a technique among the three thousand avenues.

Even if it is ranked very low, it is extremely precious and is something that ordinary monks cannot have access to.

At this time, many demon clansmen looked at the inherited demon bones of the Golden Armor Demon Lord, floating in the starry sky, with a trace of greed in their eyes.

"Um?"

Ye Feng noticed these greedy looks and just said "hmm".

Swish, swish, swish!

Swish, swish, swish!

Suddenly, tens of thousands of demons, their expressions changed with fear, and they quickly retreated several kilometers, fearing that Ye Feng, the big demon, would be angry.

Bai Susu saw this scene and sighed in her heart, "Brother Ye Feng is really awesome. Even if he is disguised as a demon, he is still the king of the demons."

At this time, Ye Feng stretched out one hand, grabbed the inherited demon bone, started to run the soul gem, activated his demon understanding, and began to analyze the inherited demon bone of the golden armored demon in his hand, hoping to learn the blood spell.

The Great Blood Curse ranks 2342nd among the three thousand avenues in the world. It is famous for its weird properties. Many demonic monks have understood the inherited secrets of the Great Blood Curse and have created many creations. Magical secrets with the same attributes.

The three thousand great avenues of the heavens are the origin of all dharma. Countless martial arts inheritances, secret techniques, etc. are basically derived from the three thousand great avenues of the heavens.

Now Ye Feng has obtained several.

The powerful technique that you have comprehended by yourself counts as one.

There is also the great sealing technique taught to him by Xiaoyao, which ranks nineteenth and is one of the most powerful three thousand avenues.

In addition, among the three sword moves that Uncle Nan once gave him, the Iron Painted Silver Hook corresponds to the Great Cutting Technique, ranking 2678th, but Ye Feng has not yet fully figured out the Great Cutting Technique. The true meaning of cutting.

In addition, the space gem in Ye Feng's mind is the origin of the third largest space art in the world. However, Ye Feng has not yet fully explored the true meaning of the large space art. He can only use a trace of the space gem. strength.

Now Ye Feng has obtained another big blood spell.

At this time, Xiao Yao said in the Queen's picture: "Little Ye Zi, I will give you a suggestion. By gathering the three thousand avenues, you can achieve eternity and become an immortal existence."

Ye Feng nodded slightly and murmured, "I'm also looking forward to it. When I gather and learn all the three thousand avenues of the heavens, how powerful and terrifying will I be?" Ye Feng stared at the Golden Armored Demon Lord at this time. With that fearful expression, he couldn't help but grin, and said: "You are very good, with high cultivation and rich skills. Moreover, I am also very interested in your blood spell."

The Golden Armored Demon Lord could not move at this time, but stared at Ye Feng and shouted: "I am the commander-in-chief of the Northern Territory Army of the Heavenly Demon Tribe. You cannot kill me. If you kill me, you will be guilty of a serious crime... ..ah!!!"

But before the Golden Armored Demon Lord finished speaking, Ye Feng's five fingers, each like an iron bar, had directly pierced the Golden Armored Demon Lord's skull.

Chapter 1597 Heir to the Golden Armor Family

Ye Feng looked at the Demon Queen not far away and asked: "The Golden Armored Demon Lord seems to be the commander-in-chief of the three armies of the Northern Territory. If I kill him, will there be any consequences?"

The corner of the Heavenly Demon Queen's mouth twitched, and she quickly replied: "The Golden Armored Demon Lord comes from the Jinkai family, a big family in our Heavenly Demon clan. If you kill him, maybe a strong man from the Golden Armor family will come to punish you."

Ye Feng's eyes flashed and he said: "The Golden Armor Family? Is it a big family in your Demon Clan? What's the family background like?"

The Demon Queen's eyes were a little solemn at this time, and she said: "There are super strong people in the Golden Armor family who have surpassed the Qiankun realm."

Bai Susu suddenly spoke up at this time: "After the Qiankun Realm, practitioners need to understand the Great Dao. Super strong people in the Great Dao Realm are very rare even in our Northern Divine Academy."

"Great Dao Realm?"

Ye Feng nodded and said: "The Great Dao Realm is indeed a whole new level. It is very terrifying and very different from the Qiankun Realm. In that case, we'd better leave here as soon as possible."

The Demon Queen said: "As long as the master returns to the Northern Star Territory, the strong men of the Jinkai family will never dare to go directly to the core of the Northern Territory Shrine to find trouble for you, even though half of the entire Northern Star Territory is now The starry sky territory is occupied by our dark race, but the Northern Territory Temple is still very terrifying, and even the most powerful ones in our demon tribe dare not take action easily. "

Bai Susu nodded, with a hint of confidence in her tone, and said: "Our Northern Territory Temple is a behemoth inherited from the ancient times. The temple's foundation is extremely rich, with

legendary level treasures from the divine world to suppress the foundation. Even if the Demon Emperor of the Heavenly Demon Clan comes, he will be killed."

Ye Feng's eyes flashed and he said: "No wonder the dark races dare not attack in a large scale for the time being. There are actually people from the God Realm in the Northern Divine Academy.

The legendary level treasure, what is it? "

Bai Susu shook her head and said: "I don't know what the specific treasure is, but what I know is that the treasure comes from the highest interface in the world, the 'God Realm', and it is not an ordinary thing from the God Realm. The treasure is in The divine world is full of treasures, so our Northern Divine Academy has been able to stand in the northern star region for so many years precisely because we hold the treasure that suppresses a sect's fate. "

When Ye Feng heard what Bai Susu said, he felt a little interested in the legendary treasure in the Northern Temple.

A treasure from the God Realm, something that can suppress the luck of a hospital, is absolutely extraordinary.

"Let's go to the Northern Divine Monastery."

Ye Feng spoke up at this time.

The Demon Queen nodded and left without any delay with a few people.

Because if the super strong man from the Golden Armor family really comes, even the Demon Queen may be killed in anger.

Buzz!

Sure enough, just after a few people left, a huge space crack suddenly appeared in this starry sky area.

From the crack in the space, a tall demon warrior wearing dark gold armor instantly walked out.

This group of tall demon warriors, each with their own cultivation aura, is very terrifying, like a vast ocean.

The demon standing at the front was hundreds of meters tall, standing in the starry sky, holding a golden sword. Countless planets were exploding between the sword's rays, which seemed to have a strong visual impact. feel.

The devil yelled: "Who killed my brother? As the heir of the Golden Armor family, I declare to the entire Northern Star Territory that I must find the murderer of my brother, cut him into pieces, and crush his bones into ashes. !" Ye Feng looked at the Demon Queen not far away and asked: "The Golden Armored Demon Lord seems to be the commander-in-chief of the three armies of the Northern Territory. Chapter 1598 Sky Killing Alliance

A few people are very fast.

With the Demon Queen clearing the way, they encountered no obstacles along the way.

And even if there are some short-sighted people who want to block the way, as long as Ye Feng releases his current powerful aura, the enemies will retreat instantly.

So in just half a month, they had traveled through most of the northern star field.

On this morning, Ye Feng and others finally arrived at the edge of a floating continent.

In the starry sky area here, the devil is almost invisible.

Other dark races have not spread here.

The Demon Queen pointed at the floating continent not far away and said: "From here on, it is no longer the area occupied by our dark race, it is the current territory of the Northern Divine Academy."

Ye Feng nodded and said: "Let's go to the floating continent to see if there is an interstellar teleportation array that leads directly to the Northern Divine Academy."

Bai Susu said with a smile at this time: "There will definitely be one. This floating continent contains the stronghold of our Northern Territory Seminary. I have stayed here before when I was on a sect mission."

When Ye Feng heard this, he couldn't help but nodded and said, "Then we don't need to pretend anymore."

The Heavenly Demon Queen spoke out at this time: "Master Ye Feng, what should I do next? In your human domain, there must be super strong people who will be aware of my Heavenly Demon's original life breath. Once discovered, I will definitely be He was killed on the spot, and I don't have the magical skills like my master to be able to change my life source and skills at will."

Ye Feng thought for a while and said, "Well, you don't have to leave with us."

Hearing this, the Demon Queen suddenly showed a trace of panic on her beautiful face and said, "Master wants to kill me?"

Looking at the panicked expression of the Demon Queen in front of him, Ye Feng couldn't help but smile and shake his head, saying: "No, I'm not going to kill you after using you, but I think it's really okay for you to come with us next. It is of great use, and may also attract the attention of some powerful humans. You can now return to the area occupied by your dark race. What should you do? We can maintain spiritual contact at any time. If I need any help, you must cooperate with me. "

The Demon Queen heard that Ye Feng turned out to be

Let her become his internal correspondent, and he immediately breathed a sigh of relief.

"Then I'll leave first, Master. If you need anything, just contact me directly. I will definitely serve Master with all my heart."

At this time, the Demon Queen said, her perfectly graceful figure moved, and instantly disappeared into the depths of the distant starry sky.

Bai Susu looked at Ye Feng at this time and couldn't help but said: "With such a noble from the Demon Clan as an internal agent, from now on, Brother Ye Feng, you will definitely be able to get the dynamic news of the dark race army at any time in the Northern Territory Temple. , being able to kill all kinds of demons and make great achievements, his status in the Northern Territory Temple will definitely rise."

Ye Feng nodded, with a slight smile on his face, and said: "I do have this idea. The devil is in trouble, and the major dark races are burning, killing and looting everywhere in the starry sky. This is a once-in-a-lifetime opportunity. In troubled times, heroes emerge, and the gods of the Northern Territory The structure of the hospital and the entire northern star region is indeed going to change."

After Ye Feng and Bai Susu entered the floating continent not far away, they soon arrived at the stronghold of the Northern Divine Academy on the floating continent.

It was a medium-sized golden palace.

After the two entered, they revealed their identities and activated the interstellar teleportation array.

Buzz!

After a violent spatial fluctuation, their figures disappeared.

When their vision reappeared, they found that they were already standing in the teleportation hall of the Northern Divine Academy's headquarters.

"I'm finally back."

Feeling the familiar atmosphere, Ye Feng and Bai Susu couldn't help but sigh.

This time they went out and came back, but they didn't expect that the entire northern star field had changed so much.

"Are you coming back from the Starry Sky Battlefield?"

“Half of the resources you receive must be handed over to our ‘Slaying Heaven Alliance’.”

"The Heaven-Slaying Alliance, under the leadership of Senior Brother Shangguan Yutian, will take over the inheritance of the future Northern Territory Temple. You two are disciples who have not been back for a long time. I advise you to join our Heaven-Slaying Alliance as soon as possible. Only in this way can we be protected from future disasters."

Before Ye Feng and Bai Susu could recover, several young disciples wearing blood-colored robes were already speaking to them in a commanding tone. A few people are very fast.

With the Demon Queen clearing the way, they encountered no obstacles along the way.

This is a once-in-a-lifetime opportunity. Chapter 1599 Retreat

"Slaying Heaven Alliance?"

At this time, hearing the words of the disciples in the teleportation hall, Ye Feng and Bai Susu looked at each other, and both saw the surprise in each other's eyes.

Based on this name, they could all guess that this alliance should be organized by Shangguan Xutian, the eldest son of the Shangguan family.

Ye Feng looked at Bai Susu beside him, smiled and said: "Sister Susu, it seems that Shangguan Killtian has been causing trouble during the period of time we have been away. Now he has made some kind of Sky Killing Alliance, and he is still... Forcibly taking half of the cultivation resources from the disciples, isn't this robbery?"

"presumptuous!"

But suddenly at this moment, a disciple of the Northern Territory Seminary in the teleportation hall immediately shouted coldly and reprimanded: "Boy, who are you? Do you dare to call the leader of our Sky Killing Alliance by his real name? Go ahead and give yourself a slap in the face. , to wash away your sins."

"Snapped!"

But at the next moment, Ye Feng slapped him with a slap, and with a bang, the face of the disciple of the Northern Territory Seminary who was scolding became swollen and his body flew out.

"ah!"

The disciple of the Northern Divine Seminary immediately howled miserably and yelled: "Boy! How brave are you, boy!! Do you know who I am? Do you dare to attack me directly?"

"boom!"

But at this moment, Ye Feng walked over and stepped directly on the disciple's face with one foot.

His eyes were indifferent and he said: "I don't care who you are, you dare to yell at me like this, even if your bullshit leader of the Sky Killing Alliance comes in person, you will still be beaten like this by me!"

"roll!"

Ye Feng kicked this disciple away.

The disciple spurted out a mouthful of blood and suddenly hit a pillar in the distance and passed out.

At this time, Ye Feng turned his attention to the others.

The remaining disciples of the Heaven-Slaying Alliance immediately turned pale with fear and quickly backed away, not daring to block Ye Feng's path.

A young man in black looks ordinary, but I didn't expect him to be so powerful. He is definitely a ruthless character.

"Let's go."

Ye Feng shook his head and left the teleportation hall with Bai Susu.

At this time, in the main hall, a group of members of the Sky Killing Alliance were discussing in low voices.

"Who is that kid in black? He's so powerful. Senior Brother Mo is a master of the sixth level of the divine realm. He slapped him and sent him flying."

"When the man and the woman spoke just now, they called the leader by name, and their tone was very casual. It seems that they are not afraid of the leader at all."

"Maybe some of the most talented people in our Northern Divine Academy who have been practicing abroad for many years are back now."

...

A group of members of the Sky Killing Alliance were talking a lot, and they were all very shocked.

At this time, Ye Feng took Bai Susu back to Bai Susu's residence, Sunu Mountain.

In Sunu Mountain, Ye Feng directly found a secret practice room and began to declare seclusion.

This time out, Ye Feng got a lot of good things.

He needed to calm down and investigate.

In the dark training room.

The first thing Ye Feng checked was a bronze pillar he got from the ground of the Queen Mother Kingdom of the West.

At this time, Ye Feng entered the world of Queen's Picture.

He immediately saw a huge bronze pillar standing on the earth of the Queen's Picture, towering into the sky.

This bronze pillar is a prison that forms its own world inside. It contains countless ferocious practitioners from the ancient times who were captured by the Mother Kingdom of the West. There are various major races. There are tens of thousands of floors in total, and each floor imprisons a person. The vicious ancient strongman.

At this time, in the Queen's picture, Xiaoyao's petite and cute graceful figure appeared next to Ye Feng.

Ye Feng looked at Xiaoyao and asked: "Xiaoyao, how is your research going? Can you use the power of this bronze pillar to release a ferocious ancient strongman, and make it no longer a threat to me? Let me handle it?" "Slaying the Sky Alliance?"

At this time, hearing the words of the disciples in the teleportation hall, Ye Feng and Bai Susu looked at each other, and both saw the surprise in each other's eyes.

Based on this name, they could all guess that this alliance should be organized by the eldest son of the Shangguan family, Shangguan Xutian.

Ye Feng looked at Bai Susu next to him, smiled and said: "Sister Susu, it seems that Shangguan Killtian has been causing trouble during the period of time we have been away. Now he has made some kind of Sky Killing Alliance, and he is still... Forcibly taking half of the cultivation resources from the disciples, isn't this robbery?"

"presumptuous!"

But suddenly at this moment, a disciple of the Northern Territory Seminary in the teleportation hall immediately shouted coldly and reprimanded: "Boy, who are you? Do you dare to call the leader of our Sky Killing Alliance by his real name? Go ahead and give yourself a slap in the face. , to wash away your sins."

At this time, Xiao Yao stared at the towering bronze pillar and couldn't help but said: "This thing is really too old. My research during this period shows that this bronze pillar may be older than the Western Kingdom itself. To be long lasting."

When Ye Feng heard this, he couldn't help but look surprised and said: "It's older than the Western Queen Mother Kingdom? You mean, this bronze pillar is not from the Western Queen Mother Kingdom at all, but exists in the Western Queen Mother Kingdom, not the Western Queen Mother Kingdom itself. A forged prison."

Xiaoyao smiled and said: "Little Yezi, you are too naive. Although the Western Queen Mother Kingdom was an immortal country in ancient times, it did not have the strength to build prisons that imprisoned so many ancient evil and powerful people. I think, I The bronze pillar is most likely an ancient prison that fell from the God Realm."

Ye Feng's eyes flashed and he said: "Did it fall from the God Realm?"

Xiaoyao nodded, with a hint of solemnity in his tone, and said: "Yes, I guess it fell from the God Realm. Except for the first highest interface in the world, the God Realm, it cannot exist. Such a terrifying bronze pillar actually has tens of thousands of folding spaces inside, and each layer of folding space is imprisoned with a ferocious creature from the ancient times. It is really shocking. "

Hearing this, Ye Feng's eyes showed a hint of fire and he said, "The most important thing now is, can we control this bronze pillar?"

A mysterious smile suddenly appeared on Xiaoyao's cute little face, and she said: "After so many days and nights of non-stop research, I finally gained something. I have preliminarily combined the picture of the Queen with this bronze pillar. Two become one."

When Ye Feng heard this, his eyes moved and he said, "What do you mean?"

Xiaoyao spoke up: "Now this bronze pillar has initially become a part of the Queen's Diagram, and I am now the weapon spirit of the Queen's Diagram and can control part of the power of the bronze pillar."

Ye Feng looked overjoyed and said immediately: "Mr.

alright! you are great! "

Xiaoyao raised her little head slightly and said with a smile: "Of course! You don't want to see who I am? I was the Queen of Yaochi who dominated the entire Minggu era!"

Ye Feng stared at the huge bronze pillar, a little eager to try, and said: "Xiao Yao, what level of ancient evil creatures can you use the power of the bronze pillar to release and suppress?"

Xiaoyao closed her eyes at this time, seeming to be sensing something.

After a long time, she opened her eyes and said: "As long as there is no danger, I can only control the vicious creatures in the ninth heaven of the Qiankun Realm, and I can only release and suppress them once in half a month. It is too energy-consuming."

Ye Feng's eyes lit up and he said: "The ninth level of the Universe Realm? That's already very good. You release one quickly and suppress it. I'll release my third bloodline talent 'Altar of Heaven', which will A vicious creature is killed on the altar of God, and I can get the reward from God."

Xiaoyao's eyes were startled and she said: "Little Yezi, didn't you see that you actually have such a talent? It really opened my eyes. To be honest, I have always been curious, what are you inheriting? Didn't you come from a small place to where you are today?"

Ye Feng and Xiaoyao have been together for so long in their cultivation. They help each other, rely on each other, and survive each other. They have long become very close partners.

So Ye Feng stood in the world of the Queen's Picture and was silent for a moment, then slowly took a breath and said: "My bloodline is inherited from an immortal golden divine kingdom in the most glorious central star field in the universe. , my father is the fusion of the will of the first universe, and my mother is the royal goddess of the Gu clan."

When Xiaoyao heard this, his eyes immediately revealed a look of deep shock, and said: "Xiao Zizi, you have such a big background?! I usually don't see it! I thought you were really just a poor boy, but I didn't expect you to be Wolong. Feng Chu!" Xiao Yao stared at the towering bronze pillar at this time and couldn't help but said: "This thing is really too old. My research during this period shows that this bronze pillar may be from the Queen Mother Kingdom of Bixi. It's even older than that."

When Ye Feng heard this, he couldn't help but look surprised and said: "It's older than the Western Queen Mother Kingdom? You mean, this bronze pillar is not from the Western Queen Mother Kingdom at all, but exists in the Western Queen Mother Kingdom, not the Western Queen Mother Kingdom itself. A forged prison."
