

## Ancient 1611

Chapter 1611 The pressure increases sharply

Shangguan Chi'er said: "Senior Brother Ye, what I said is true. The eldest young master of our family is extremely talented. He has been a prodigy since he was a child. He was praised by the dean of the North Territory Seminary as the best in the past thousands of years. He is a genius, and the reason why our eldest young master has improved so quickly during this period is that I heard from people within the family that he communicated with the legendary 'God Realm', the first interface in the heavens, and guided him to a true god of the God Realm, so That's why we've made such rapid progress."

"The true god in the divine world?"

Ye Feng's eyes moved and he immediately asked: "Is Shangguan Lutian in the Northern Divine Academy now?"

Shangguan Chi'er nodded and said: "The eldest young master is cultivating in the small world of the statues of the Northern God's Temple. The true god of the God Realm he guided has now become the object of worship for the upper echelons of the Northern God's Temple. They are all worshiping the true God of the God Realm in the small world of idols."

Snapped!

Just as Shangguan Chi'er was talking, her head suddenly exploded.

The headless corpse collapsed to the ground.

"what's the situation?"

Baili Piauxue's eyes immediately changed.

Ye Feng looked at Shangguan Chi'er's headless corpse and said indifferently: "Shangguan Lutian should have set some restrictions in Shangguan Chi'er's head. The questions I just asked are taboo secrets. Shangguan Chi'er Speaking out must have attracted Shangguan Lutian's attention, causing him to activate the restraint and blow off Shangguan Chi'er's head without mercy."

Hearing this, Baili Piauxue could not help but look cold and said: "This Shangguan Hutian is so ruthless. He is so ruthless and decisive against members of his own family. It's chilling."

Ye Feng nodded slightly, and said in a serious tone: "Elder brother, Shangguan Lutian has terrifying talent. He is an eternal genius. Now he has received the help of a true god from the God Realm. I am afraid he has become a great person now."

The situation in the Northern Divine Monastery is almost covering the sky with one hand. If we continue to stay in the Northern Divine Monastery, we may face extremely violent storms and terrifying murderous intentions. "

Baili Piauxue said: "Junior brother Ye, you are right. The Heaven-Slaying Alliance created by Shangguan Killtian has been recruiting troops in the entire Northern Divine Academy during this period, and even forces others to join. As long as others don't join, They would be suppressed in various ways, causing countless disciples and elders in the entire Northern Territory Seminary to suffer. If it weren't for the suppression of some seniors, perhaps Shangguan Luzhen would be truly lawless. "

Ye Feng said: "Now Shangguan Lutian has a true god from the God Realm to help him. He must have a very powerful voice among the upper echelons of the Northern Territory Temple. His status will naturally increase. After all, the existence from the God Realm will definitely make him more powerful. Many people in the upper echelons of the seminary respect him very much in order to get help from the divine world. "

Baili Piauxue said with some sigh: "Shangguan Lutian is indeed an extremely powerful opponent. Although he is cruel and ruthless, I have to admit that this person is very troublesome. He has great luck and huge ambitions."

Ye Feng said: "Elder brother, don't live in this big house anymore. It's too unsafe. We should form a small alliance now to fight against the increasingly unscrupulous Sky Killing Alliance, and also find ways to fight with the ancients." Heaven and the true God of the God Realm behind him, senior brother, please go back to Sunu Mountain with me first and recover well before making any plans."

Hearing this, Baili Piauxue couldn't help but nodded and said: "This is the only way we can do it now. It's really hard to survive alone."

After Ye Feng cleaned up the battlefield, he supported Baili Piauxue and walked towards Sunu Mountain.

This time I learned about Shangguan Lutian's background from Shangguan Chi'er, and he actually got help from a true god in the God Realm.

This news was still very heavy and made Ye Feng's pressure increase sharply. Shangguan Chi'er said: "Senior Brother Ye, what I said is true. The eldest young master of our family is extremely talented. He has been a prodigy since he was a child. "The true god in the divine world?"

Ye Feng's eyes moved and he immediately asked: "Is Shangguan Lutian currently in the Northern Divine Academy?"

Shangguan Chi'er nodded and said: "The eldest young master is cultivating in the small world of the statues of the Northern God's Temple. The true god of the God Realm he guided has now become the object of worship for the upper echelons of the Northern God's Temple. They are all worshipping the true God of the God Realm in the small world of gods."

Tian and the true God of the God Realm behind him, senior brother, please go back to Sunu Mountain with me and recover well before making any plans."

Hearing this, Baili Piao xue couldn't help but nodded and said: "This is the only way we can do it now. It's really hard to survive alone."

After Ye Feng cleaned up the battlefield, he supported Baili Piauxue and walked towards Sunu Mountain.

This time I learned about Shangguan Lutian's background from Shangguan Chi'er, and he actually got help from a true god in the God Realm.

This news was still very heavy and made Ye Feng's pressure increase sharply.

Chapter 1612: Temporarily avoiding the edge

When Ye Feng returned to Sunu Mountain with Baili Piauxue, Bai Susu had just come out of her retreat.

When she saw Baili Piauxue, who was seriously injured and dying, her face immediately showed a look of extreme surprise, and she couldn't help but ask: "Elder brother? Who can hurt you to this extent?"

Bai Susu was very surprised.

Because Baili Piauxue's strength is very terrifying.

Even if you can't beat someone, you can't be hurt to this extent, right?

Ye Feng smiled meaningfully at this time and said: "Elder brother is just trapped by love."

Bai Susu was even more surprised and asked curiously: "Trapped by love?"

Hearing this, Baili Piauxue couldn't help but smile bitterly and said: "He was killed by a female spy sent by the Shangguan family."

When Bai Susu heard what Baili Piauxue said, a hint of gossip appeared on her beautiful face, and she couldn't help but ask: "The one who can charm you, Senior Brother, seems to be a stunning beauty." Here's the beauty."

Baili Piauxue smiled helplessly and said nothing more.

Ye Feng interrupted at the right time and said, "You are far worse than Sister Susu."

Bai Susu glanced at Ye Feng, with a hint of joy in the depths of her eyes.

But she still pretended to have a calm expression and said: "Brother Ye Feng, you even made fun of my sister."

Ye Feng walked up to Bai Susu, stared at her perfect face, and then said seriously: "Everything I said is the truth. Compared with you, Sister Susu, that woman is really far behind." Far."

Bai Susu looked at Ye Feng who was so close, and could even feel the temperature of Ye Feng's breath. She could no longer hide her plain eyes and dodge slightly panicked.

Baili Piaoxue on the side shrugged and said: "Can you show your affection to me when there is no one around? Now please pay attention to me who was betrayed by my lover and seriously injured."

Are dangerous people okay? "

Show affection?

Hearing Baili Piaoxue's words, Bai Susu rolled her eyes at him, then turned and left.

Ye Feng, on the other hand, supported Baili Piaoxue and said, "Elder brother, please don't talk nonsense. Sister Susu and I are innocent. It's not what you think."

Baili Piaoxue clicked her tongue and said, "When you said Shangguan Chi'er was prettier than Junior Sister Bai, didn't you see how happy Junior Sister Bai was?"

Ye Feng spread his hands and said, "I didn't see it. I saw that Sister Susu was very plain, so I just thought I was joking."

"Junior brother Ye, although you are strong in martial arts, to be honest, you are really a novice when it comes to love."

Baili Piauxue said sincerely: "If Junior Sister Bai really didn't have that kind of interest in you, she would have deliberately pretended to be shy and cooperated with you when you made such a joke, but she was very plain. What does this mean? It means that she is really shy and secretly happy, but she is covering it up and pretending to be calm."

Ye Feng was slightly dumbfounded and said: "Really or not?"

Baili Piauxue patted Ye Feng's shoulder and said, "I think you and Junior Sister Bai are a good match. You are not really siblings, you are just acquaintances. You can change your relationship at any time. "

Ye Feng shook his head helplessly and said: "Let's not talk about this anymore. Let's think about how to deal with Shangguan Lutian. I don't know what kind of method he used to be able to communicate with the God Realm that has disappeared for a long time. The largest interface in the world, and it has also attracted a true god from the God Realm. I have to say that I am very impressed by this method. "

At this time, when Shangguan Lutian was mentioned, Baili Piauxue's eyes suddenly turned cold.

Chilled down.

He said slowly: "Shangguan Lutian should have received help from the ancestors of the Shangguan family behind him. As far as I know, the ancestors of the Shangguan family seemed to have escaped from the God Realm and settled in our northern region. The temple single-handedly created the entire Shangguan family."

Ye Feng's eyes moved and he said: "Which members of the Shangguan family are the most powerful?"

Baili Piauxue said: "According to the investigation and statistics of the Baili family behind me, there are three most powerful people in the Shangguan family. The first is the eldest young master Shangguan Lutian, and the second is Shangguan Lutian's father. That is the current head of the Shangguan family, Shangguan Shengxu. Apart from this, the most powerful and ancient Shangguan family is the ancestor, Shangguan Zhetian! "

Speaking of this, Baili Piauxue suddenly seemed to think of something and said suddenly: "It suddenly occurred to me that there is a mysterious second lady in the Shangguan family, who is Shangguan Lutian's sister. She is called Shangguan Perfect. Rumor has it that she is The mother of the Shangguan family was born by drinking a river flowing from the divine world. She was born with a divine constitution. She was picked up by a mysterious person when she was a child and practiced outside. She is unfathomable. No one knows that the second young lady Shangguan is perfect. depth."

Ye Feng heard Baili Piauxue's words and couldn't help but sigh: "This Shangguan family is indeed the most powerful family among the major silver forces behind the Northern Divine Academy. It is really extraordinary."

Just as the two were talking, Bai Susu's voice came from the Amethyst Palace in the middle of Sunu Mountain: "I just received a message from the upper level of the temple. It is said that Shangguan Lutian did not know what means he used. Let the dean give the position of the next successor of the Northern Territory Temple to Shangguan Lutian. From now on, Shangguan Lutian will have half of the power of the dean and control the entire Northern Territory Temple together! "

"What?"

"The position of heir?"

Hearing this, Ye Feng and Baili Piauxue couldn't help but glance at each other.

He saw the shocked look in the other person's eyes.

Ye Feng said: "If Shangguan Lutian can get all this, it must be the true god he communicated with from the God Realm."

Baili Piauxue nodded and said: "A storm is really coming. Let's do this. Junior Brother Ye, you and Junior Sister Bai don't want to live in Sunu Mountain anymore. It's too dangerous. Shangguan Lutian will kill you two at any time." He is a thorn in his side. After all, he has always suspected that you killed his brother Shangguan Haotian. You two and I go to the Baili family behind me. My Baili family is also one of the people behind the Northern Divine Academy. Although Not as good as the Shangguan family, but not afraid of the Shangguan family. You can go to the family behind me and practice in peace for a while."

Uh-huh!

At this time, Bai Susu flew in from a distance and said: "Brother Ye Feng, what the senior brother said is right. Now Shangguan Lutian is too sharp. He has the help of the true god from the God Realm behind him. Now he has become the master of the Young Academy." , let's stay away from the edge for now."

Ye Feng's eyes flickered, he thought for a moment, then nodded and said: "Okay, for the time being, we will do as the senior brother said. Let's go to the Baili Family first to avoid the danger."

"boom!"

"boom!"

But at this moment, two terrifying and boundless murderous intentions suddenly descended from high in the sky and immediately locked onto Ye Feng and the others who were discussing countermeasures.

They were two giant men who looked like giant spirits. They were both wearing thick silver armor. They had an extremely depressing feeling and gave people an irresistible pressure.

At this time, the two giant spirit gods spoke out: "The True Temple has issued an order for you three top geniuses of the Northern Region Temple to immediately go to the small world of the statue to see Shangguan Lutian and serve him as the master!"

Chapter 1613 The terrifying power

The words of the two giant spirit gods were full of supreme majesty, giving people a sense of irresistibility.

At this time, Ye Feng, Baili Piaoxue and Bai Susu all had ugly looks in their eyes.

Someone actually forced them to serve someone else as their master?

This is simply impossible!

At this time, Bai Susu spoke up: "Sorry, you two, we are not interested in this matter at all. You two should please come back."

"presumptuous!"

But the moment Bai Susu finished her words, a giant spirit man suddenly roared.

An aura of confusion suddenly emanated from him.

A terrifying martial arts aura, mixed with the aura of divine power from the God Realm, immediately plunged the entire field into a storm.

The cultivation levels of these two giant spirit gods are impressive, and they are both existences of the sixth level of the Qiankun Realm!

At the sixth level of the Qiankun Realm, this is already a very terrifying level of cultivation!

And you must know that these two giant spirit gods are under the command of the true god of the gods.

This shows how terrifying the true god from the God Realm is!

A big man from the Giant Spirit God stared at the three people on the field, smiled coldly and said: "This is not something you just don't want to do. This is an order. As the top geniuses of the Northern Divine Academy, you three must do this. You must obey the orders from above and submit to Shangguan Lutian. This is an order from the True God's Temple!"

Ye Feng said coldly at this time: "What kind of true temple of yours can represent the upper echelon of our Northern Temple? I don't think so. Why should we listen to him?"

a djinn

The powerful man immediately shouted: "Boy! I have given you two chances. If you dare to resist now, then I can only imprison you and imprint the slave soul mark on you. From now on, you will be our slaves." "

At this time, another Giant Spirit God man also sneered and said: "The True Temple has descended on your Northern Divine Temple. Almost all the upper echelons of your Northern Divine Temple must be led by our True Temple. So now our True Temple is the main one." He is the controller of the entire Northern Territory Seminary, and his orders are the orders of the higher-ups. Naturally, these lower-level disciples must be completely obedient. "

Baili Piao xue also spoke up at this time: "Not all the upper echelons will regard your True Temple as their master. The Baili family behind me is also one of the behind-the-scenes controllers of the Northern Territory Temple."

A big man from the Giant Spirit God immediately laughed and said: "When the true form of our True God Temple comes soon, the entire Northern Territory Temple will no longer be invincible. By then, even the Baili family behind you will completely surrender to our True God. His Majesty's subordinates."

At this time, another giant spirit man said impatiently: "Stop talking nonsense to these boys. Since they are unwilling, let's take action quickly, imprison them all, and then take them back. The True God will give them the slave soul mark so that they will be obedient."

boom!

boom!

At this time, the two giant spirit gods all took action.

The powerful aura of the sixth level of Qiankun Realm suddenly burst out from their bodies.

This is a very terrifying power!

Ye Feng and the three people not far away suddenly felt a terrifying pressure, which was instantly exerted on themselves, making them almost break. The words of the two giant spirit gods were full of supreme majesty, giving people a sense of irresistibility.

Chapter 1614 Aunt

"hateful!"

Baili Piauxue and Bai Susu did not expect that these two giant spirit gods would be so impudent and would attack them directly.

Moreover, the other powerful men in the Northern Divine Academy simply pretended not to know.

This shows what?

This shows that most of the power in the entire Northern Territory Temple has fallen into the hands of that True Temple.

Baili Piauxue couldn't help but said angrily: "Shangguan Lutian invited this true god, he really led the wolf into the house!" .??.

Bai Susu said: "He is just for his ambition, he doesn't care about anything else!"

At this time, Ye Feng's eyes darkened, wanting to release the future body of Dzogchen.

However, releasing the Dzogchen future body directly in the Northern Divine Temple may completely expose his most powerful method to the eyes of all the powerful people who are observing secretly.

Just when Ye Feng was hesitant.

Suddenly a loud female voice exploded high in the sky!

"How dare you two outsiders take action against the young patriarch of my Baili family! How presumptuous!"

Uh-huh!

It was an extremely perfect woman, wearing thin purple-gold armor and emitting purple light. She looked like a female war goddess.

The moment she appeared, the aura exuded from her whole body was that of the ninth level of the Qiankun Realm!

"What an amazing woman!"

Ye Feng and Bai Susu couldn't help but murmur.

At this time, Baili Piaoxue next to her brightened up and said, "Auntie! Why are you here?"

At this time, Baili Piaoxue immediately explained to the two people beside him: "This one is my aunt, named

Baili Xuanmiao, although I call him an elder, is actually about the same age as me and has never been married. He is a powerful talent in our Baili family. He has been practicing in seclusion since he was a child. He rarely showed up, I didn't expect it to show up this time. "

Ye Feng and Bai Susu both had extremely surprised eyes and couldn't help but say: "I didn't expect that the Baili family would have such a powerful female talent!"

At this time, Ye Feng stared at the war-goddess-like Baili Xuan Miao and couldn't help but said: "Although she is in the ninth level of the Qiankun Realm, she must have practiced earth-shattering inheritance, which makes me feel very scary."

"Bai Li Xuan Miao!"

At this time, the two giant men saw the female war-god-like figure, and their eyes immediately revealed a trace of horror.

Obviously Baili Xuanmiao, the talented female talent of the Baili family, is still very famous.

Even the two powerful giants under the True God knew this talented woman.

At this time, a big man from the Giant Spirit God shouted: "Baili Xuanmiao, this is an order from our True Temple. Do you want to risk the disapproval of the world and disobey the will of our True Temple?"

Baili Xuanmiao possesses a powerful aura and is not inferior to women. At this time, he smiled coldly and said: "Disobeying the will of your true god, is braving the world's disapproval? You guys think too highly of your bullshit true god. Come on!"

"presumptuous!"

The two Giant Spirit God men immediately roared: "Baili Xuanmiao, you are just a mortal, how dare you insult the True God from the God Realm like this!"

Baili Xuan Miao's beautiful eyes showed a trace of disdain, and said coldly: "Your true temple disciples, although they came from the God Realm, they are just ordinary people in the God Realm. They can't survive in the God Realm. Come and show off your power among the stars in our sky!"  
"Damn it!"

Baili Piao xue and Bai Susu did not expect that these two giant spirit gods would be so impudent and would attack them directly.

Chapter 1615 Long-lasting Memories

"you.....!"

When the two giant spirit gods heard this, their expressions suddenly became extremely ugly.

At this time, Baili Xuanmiao still showed no mercy and continued to speak: "Qiankun Realm, Dao Realm, True God Realm, your True God Realm is just entering the True God Realm for the first time. It is not that my Baili family does not have this kind of Strong men, you'd better not take advantage of our Baili family, otherwise you will suffer a lot!"

Although Baili Xuanmiao is a woman, her behavior is extremely domineering.

After she finished speaking, the three of them left with Baili Piaoxue.

But the two giant spirit god men on the spot did not dare to move.

Because they know that they can't stop a peerless female genius like Baili Xuanmiao, who is too powerful.

At this time, a big man from the Giant Spirit God couldn't help but said: "Let's go back and tell the True God of all this. The Baili family must be cured!"

After saying that, the two giant giants also left Sunu Mountain.

At this time, they were on their way to the Baili family.

Baili Xuanmiao stared at Baili Piaoxue and couldn't help but said: "How could you be so miserable by a woman? Not only were you poisoned, but you also suffered such heavy injuries. If it weren't for your friends to save you, I'm afraid By the time I came over, you were already dead, and all I saw was a corpse."

It has to be said that Baili Xuanmiao still has a bit of a venomous tongue, and Baili Piaoxue was scolded without saying a word.

Baili Piaoxue couldn't help but said: "Auntie, can you save some face for me? My two friends are here, making people laugh."

"Shut up!"

Baili Xuanmiao immediately shouted loudly, with a cold look in his beautiful eyes, and said: "Piaoxue, you are the hope of our Baili family's future. Our ancestors communicated a divine inheritance to you from the divine realm. But you have only cultivated one kind of absolute freezing energy until now, which is really a waste of resources and a waste of your talent!"

Ye Feng and Bai Susu couldn't help but feel surprised as they watched Baili Xuanmiao teach Baili Piaoxue, the senior brother.

Unexpectedly, Senior Brother Baili Piaoxue, who was cold and sacred in front of outsiders, still acted like a child who made mistakes in front of his own aunt.

"

aunt! "

At this time, Baili Piaoxue seemed to have seen the strange expressions of Ye Feng and Bai Susu beside him, and finally couldn't help it, and said: "Auntie, my cultivation is already very good in the Northern Divine Monastery, and in the Our Baili family is also one of the top ones. Why do you always have such strict demands on me? Although I am much worse than you, you are my aunt. It doesn't matter if I am a little worse than you. "

When Baili Xuanmiao heard this, a look of helplessness appeared in her beautiful eyes, and she said, "Piaoxue, did you know that Grandpa Ninth's lineage produced a genius woman who is even more evil than me?"

"What?"

Baili Piaoxue couldn't help but exclaimed: "How is this possible!"

Baili Xuanmiao nodded seriously and said: "It's true. People from Grandpa Jiu's lineage found an ancestral group of our Baili family from a small interface in the lower world a few years ago. That It is a small village called the 'Arrow Village', which is also our Baili family. Grandpa Jiu found a girl named Baili Weiwei from it. She was born with an arrow bone. After cultivating it in secret for several years, she has now announced the girl. He is extremely talented and has defeated all the younger generations of our family. Grandpa Ninth has been planning to become the next generation patriarch of our Baili family for a long time. "

Baili Piaoxue couldn't help but said: "In this small place in the lower world, there are actually members of our Baili family's ancestors?"

Baili Xuanmiao nodded and said: "Our Baili family is very ancient. After the dark turmoil in the Minggu era, many members of the clan were scattered across the world. The people of Grandpa Ninth's family found the Divine Arrow Village, and That Baili Weiwei is one of the ancestral tribes of our Baili clan. It is very ancient, so it gave birth to a peerless genius. That's why I came to the Northern Temple to find you in a hurry. You go back quickly, your father will give you something. You perform the final ritual of inheritance!"

At this time, Ye Feng, who was on the side, heard the discussion between the two, and his eyes showed a trace of thinking.

Arrow Village?

Baili Weiwei?

Why are these titles so familiar?

I always feel like I've heard it somewhere.

"When I was practicing in Longyuan Continent, it seemed that I had been to Shenjian Village..."

Ye Feng suddenly thought of some distant memories.

But it was too long, so long that it was almost forgotten. "you.....!"

When the two giant spirit gods heard this, their expressions suddenly became extremely ugly.

At this time, Baili Xuanmiao still showed no mercy and continued to speak: "Qiankun Realm, Dao Realm, True God Realm, your True God Realm is just entering the True God Realm for the first time. It is not that my Baili family does not have this kind of Strong men, you'd better not take advantage of our Baili family, otherwise you will suffer a lot!"

Although Baili Xuanmiao is a woman, her behavior is extremely domineering.

After she finished speaking, the three of them left with Baili Piauxue.

But the two giant spirit god men on the spot did not dare to move.

Because they know that they can't stop a peerless female genius like Baili Xuanmiao, who is too powerful.

At this time, a big man from the Giant Spirit God couldn't help but said: "Let's go back and tell the True God of all this. The Baili family must be cured!"

After saying that, the two giant giants also left Sunu Mountain.

At this time, they were on their way to the Baili family.

Baili Xuanmiao stared at Baili Piauxue and couldn't help but said: "How could you be so miserable by a woman? Not only were you poisoned, but you also suffered such heavy injuries. If it weren't for your friends to save you, I'm afraid By the time I came over, you were already dead, and all I saw was your body."

It has to be said that Baili Xuanmiao still has a bit of a venomous tongue, and Baili Piauxue scolded Baili Piauxue without saying a word.

Baili Piauxue couldn't help but said: "Auntie, can you save some face for me? My two friends are here, making people laugh."

"Shut up!"

Baili Xuanmiao immediately shouted loudly, with a cold look in his beautiful eyes, and said: "Piauxue, you are the hope of our Baili family's future. Our ancestors communicated a divine inheritance to you from the divine realm. But you have only cultivated one kind of absolute freezing energy until now, which is really a waste of resources and a waste of your talent!"

Ye Feng and Bai Susu couldn't help but feel surprised as they watched Baili Xuanmiao teach Baili Piauxue, the senior brother.

Unexpectedly, Senior Brother Baili Piauxue, who was cold and sacred in front of outsiders, still acted like a child who made mistakes in front of his own aunt.

"

aunt! "

At this time, Baili Piauxue seemed to have seen the strange expressions of Ye Feng and Bai Susu beside him, and finally couldn't help it, and said: "Auntie, my cultivation is already very good in the Northern Divine Monastery, and in the Our Baili family is also one of the top ones. Why do you always have such strict demands on me? Although I am much worse than you, you are my aunt. It doesn't matter if I am a little worse than you. "

When Baili Xuanmiao heard this, a look of helplessness appeared in her beautiful eyes, and she said, "Piauxue, did you know that Grandpa Ninth's lineage produced a genius woman who is even more evil than me?"

"What?"

Baili Piauxue couldn't help but exclaimed: "How is this possible!"

Baili Xuanmiao nodded seriously and said: "It's true. People from Grandpa Jiu's lineage found an ancestral group of our Baili family from a small interface in the lower world a few years ago. Ye Feng suddenly thought of some distant memories.

But it was too long, so long that it was almost forgotten.

Chapter 1616 River of Darkness

The memory is too long ago.

Ye Feng wanted to remember some details, but couldn't remember anything.

Since his rebirth in this life, Ye Feng has experienced too much in his cultivation.

Many things have long been forgotten in distant memories.

Even if I think about it carefully, I can no longer remember the details.

Ye Feng shook his head at this time and did not delve into it further.

Maybe we can get some information after seeing Baili Weiwei in person.

Half an hour later, Baili Xuanmiao had brought several people to the Baili family.

The Baili family is one of the few behind-the-scenes controllers of the Northern Divine Academy.

Although not as powerful as the Shangguan family.

But he is also a genuine silver power.

So when several people arrived at the Baili family, they were immediately shocked by the scene in front of them.

At this time, a large area of towering buildings exuded an ancient and vast aura, covering an area of tens of thousands of kilometers. Standing in a large plain in the distance, it looked extremely majestic.

Guardian towers reaching the sky surround the entire Baili family.

The spiers of these guard towers were all flashing with traces of thunderous light.

Baili Piauxue introduced: "Those are the thunder guardian towers refined by the great weapon refiner of our family. As long as there are enemies approaching, these guardian towers can stimulate the thunder light above the nine heavens, causing instant destruction to the enemies. Sexual blow."

With a trace of surprise in her beautiful eyes, Bai Susu said: "This is really a huge project. It is really a big deal. It is worthy of being a big family at the silver power level."

Ye Feng also nodded at this time.

He did feel the extremely terrifying power of thunder from those guard towers.

"I don't know the great thunder in my soul's Great Emperor Seal

Can the Emperor's Seal absorb the light of the Nine Heavens Thunder released from these guard towers, thereby strengthening my soul power and enhancing the mysteries of the Soul Emperor's Seal? "

Ye Feng thought secretly in his heart.

You must know that his current Soul Emperor Seal has only awakened four Great Emperor Seals.

They are: the Great Thunder Emperor's Seal, the Fire Emperor's Seal, the Gale Emperor's Seal, and the Great Gold Emperor's Seal.

Therefore, there is still a long way to go before the Soul Emperor Seal can continue to awaken and improve.

Ye Feng looked at Baili Piaoxue beside him and asked: "Elder brother, when I enter the Baili family, can I go up to these thunder guardian towers to practice?"

Baili Piaoxue smiled slightly and said: "Of course it is possible. It seems that Junior Brother Ye's skills are thunder attribute skills that are famous for being fierce and domineering. Many members of our Baili family will enter the Thunder Guard Tower to practice. , there are body refiners who are even crazy enough to use the Nine Heavens Thunder on the Guardian Tower to temper their bodies and strengthen their bodies."

Ye Feng immediately said: "That would be great."

"Young Patriarch, you are finally back!"

Suddenly at this moment, a panicked middle-aged man ran in the direction of the Baili family.

Baili Piaoxue obviously knew this middle-aged man, and immediately said in surprise: "Uncle Hong, what happened? Why are you so panicked?"

This middle-aged man is none other than the head butler of the Baili family, named Chen Hong.

At this time, the chief steward Chen Hong suddenly ran in front of Baili Piauxue, grabbed Baili Piauxue's arms, and said in a hurry: "Young patriarch, in order to find the ultimate inheritance for you, the patriarch, in our Baili family, Lost in the river of darkness in the secret realm of his ancestral land."

"What?!"

At this moment, both Baili Piauxue and his aunt Baili Xuanmiao could not help but change their expressions.

"River of Darkness?"

"That's the first restricted area of our Baili family!" The memory is too long ago.

Ye Feng wanted to remember some details, but couldn't remember anything.

Since his rebirth in this life, Ye Feng has experienced too much in his cultivation.

At this moment, both Baili Piauxue and his aunt Baili Xuanmiao could not help but change their expressions.

"River of Darkness?"

"That's the number one restricted area for our Baili family!"

Chapter 1617 Bloodline

At this time, Baili Piaoxue was very anxious. She stared at the butler Chen Hong in front of her and said quickly: "Uncle Hong, hurry! Take me to the ancestral land! I want to rescue my father!"

Baili Xuanmiao also said: "The River of Darkness is too scary, I will go too!"

Ye Feng and Bai Susu looked at each other and saw the surprise in each other's eyes.

It can make Baili Piaoxue and Baili Xuanmiao, the two top talents of the Baili family, so panicked.

It seems that the river of darkness in the ancestral land of the Baili family is indeed very terrifying.

At this time, Ye Feng said: "Senior Brother, let me go with you, maybe I can be of some help."

Now Ye Feng and Bai Susu are preparing to live in the Baili family. With the blessing of the Baili family, they naturally want to help.

This is human nature.

At this time, Baili Piaoxue nodded and said: "Okay, Junior Brother Ye is so amazing and talented. If you can help, it will definitely be great."

Baili Xuanmiao, the talented female genius of the Baili family, looked at Ye Feng in surprise.

After all, her previous view of the young man Ye Feng was very ordinary.

But now that she saw Baili Piaoxue admiring Ye Feng so much, she was very surprised.

Because she knows that Baili Piaoxue, as the young patriarch of the Baili family, has never been convinced by anyone.

Even Shangguan Lutian couldn't get Baili Piaoxue's praise.

But at this time, Ye Feng, who was so young, was praised by Baili Piaoxue as "amazingly talented and beautiful".

This is very rare.

Let Baili Xuanmiao secretly start to observe Ye Feng.

Bai Susu also said at this time: "Elder brother, I will come too

Go ahead. "

Baili Piaoxue nodded and said nothing more, not wanting to waste any more time.

After all, his father's life safety is the most important thing now.

A group of people set off immediately.

Under the leadership of Chen Hong, several people quickly traveled through the entire Baili family.

Half an hour later, they had arrived at the entrance to the Baili family's ancestral land.

At the entrance, there is a huge golden ancient door.

At this time, two tall men stood at the door of the Golden Ancient Gate.

When they saw the arrival of Baili Piaoxue, they immediately said: "Young patriarch, you are finally here. It's great. The patriarch is trapped in the river of darkness in the ancestral land. We organized a lot of People enter the ancestral land, but they are unable to enter the River of Darkness, because only the descendants of the family leader can enter the River of Darkness and withstand the strange and chaotic power in the River of Darkness. Others can only die if they enter. "

Bai Susu was a little surprised at this time and said: "The legends are all true. I have heard about the River of Darkness. It is full of all kinds of chaos and strange and disorderly forces. Since ancient times, only the descendants of the head of the Baili family have Only then can we enter it and not be harmed by that weird and chaotic force."

Baili Piauxue nodded and said: "Yes, the River of Darkness is indeed very strange. It is full of all kinds of disorder and chaos. Entering it is like putting people in endless darkness, and they may die at any time. Fall forever."

At this time, several people said, immediately opened the golden door and entered the ancestral land.

Their speed was very fast. In less than an hour, they had penetrated deep into the ancestral land and saw a long dark river that traversed the sky and the earth, standing between heaven and earth.

"This is the river of darkness!"

Everyone was shocked by the magnificent scene in front of them. At this time, Baili Piauxue was very anxious. She stared at the butler Chen Hong in front of her and said quickly: "Uncle Hong, hurry! Take me to the ancestral land! I want to rescue my father!"

Everyone was shocked by the magnificent scene in front of them.

Chapter 1618 The Great Dark Technique

At this time, many people were already standing next to the River of Darkness.

And many of these people have extremely powerful auras, and they are obviously masters.

These people are all masters of the family head's lineage.

Now Baili Piauxue's father, Baili Tianming, is lost in the river of darkness.

This made the entire Baili family head line worry.

Because Baili Tianming has the support of the entire family.

If something unexpected happens to the head of the family, Baili Tianming, then their family lineage may be in decline from now on.

After all, Baili Piauxue is still very young and has not grown up enough to inherit the position of the head of the family.

"Third uncle! When did my father get lost in this river of darkness?"

At this time, Baili Piauxue walked to the edge of the Dark River, and immediately couldn't help but ask.

A middle-aged man wearing a red robe said at this time: "Piauxue, you are finally back. This river of darkness is only yours in the whole family that can enter now. Go in quickly and save your father. You Dad got lost in this river of darkness half a month ago."

At this time, the third uncle said, took out a red-gold copper coin from his arms, handed it to Baili Piauxue, and said: "This is the most precious treasure of our family, the Holy Light Copper Coin, which can make you stand in the darkness." The river can withstand a certain amount of darkness and prevent it from being swallowed up by darkness. You must be careful. If it really doesn't work, withdraw immediately. We have already lost the head of the family, and we cannot lose you, the young patriarch. "

Baili Piauxue took the Holy Light Copper Coin, nodded fiercely, and said: "Third Uncle, don't worry! I will definitely find my father with all my strength!"

At this time, Ye Feng, Bai Susu and Baili Xuanmiao wanted to go in, but they were all blocked.

Because of the River of Darkness, only descendants of a single family line can enter.

If anyone else enters, they will be instantly swallowed up by endless darkness.

Because there have been strong men from the eighth level of the Qiankun realm who entered the river of darkness before.

But so far there has been no news.

I'm afraid something unexpected has happened.

So no one dares to try to enter the river of darkness anymore.

At this time, Ye Feng stared at the river of darkness and felt a deep sense of death palpitations.

Xiaoyao seemed to be awakened by this special aura in the Queen's Picture. She spoke out: "The power of darkness is so rich, like the origin of darkness. It feels like it was transformed into the form of the dark monarch from ancient times. The field can swallow everything."

Ye Feng heard Xiaoyao's voice in his mind and couldn't help but ask: "Xiaoyao, do you think I can enter this river of darkness?"

At this moment, Baili Piauxue had entered the river of darkness alone.

Everyone at the edge of the Dark River is waiting anxiously.

Xiao Yao continued to speak at this time: "Little Ye Zi, you are extremely talented, and you have all kinds of trump cards and treasures. Maybe you can break into this river of darkness. The more dangerous the place, the greater the opportunities. I just said a little After sensing it, the depth of this dark river may be related to the legendary Three Thousand Avenues of the Heavens."

Ye Feng's eyes moved and he said, "What?"

Xiaoyao said slowly: "Great Darkness Technique."

Ye Feng said: "Great Darkness Technique?"

Xiaoyao nodded: "The Great Dark Technique ranks eighteenth among the three thousand avenues in the heavens. It is ranked one higher than the Great Sealing Technique I taught you. It is very powerful. If you get it, cooperate with it." Your Devouring Domain will be a nightmare for the enemy." At this time, many people were already standing next to the River of Darkness.

Moreover, many of these people have extremely powerful auras, and they are obviously masters.

Chapter 1619 Enter

Great dark magic!

Ranked eighteenth among the three thousand avenues of heaven!

It's even higher than the 19th-ranked Great Sealing Technique!

This shows that the great darkness technique is extremely precious.

At this moment, the river of darkness in front of us seems to be the long river formed by the origin of darkness.

According to Xiao Yao, if you can enter the depths of the river of darkness and find the darkest source, you might be able to comprehend the great darkness technique.

When Ye Feng thought of this, his heart suddenly became a little hot.

After all, his dream is to gather all the three thousand great arts in the heavens. .??.

But Ye Feng also knows that every avenue technique is unique.

It is something that can be encountered but cannot be sought.

So at this time, I encountered the dark river that may contain the great dark magic.

Ye Feng naturally couldn't let go of this opportunity.

After all, there may not be a shop like this after passing this village.

After thinking for a while, Ye Feng suddenly walked forward and came to the edge of the River of Darkness.

He looked at the people from the Baili family around him and said: "Elder brother has entered the river of darkness. He has not come out for so long, and there is no spiritual communication. I think it is necessary for me to go in and take a look. I I'm afraid that the senior brother will be too obsessed with saving his father, and as a result, he himself will fall into darkness. "

After Ye Feng said this, his eyes were full of determination, as if he had to go.

This made many people from the Baili family feel very moved.

Especially Baili Piaoxue's aunt, this stunning beauty Baili Xuanmiao, her attitude towards Ye Feng suddenly changed 180 degrees.

"This is a true friend!"

Many members of the Baili family couldn't help but secretly make a sound at this time.

The third uncle was very moved. He walked to Ye Feng's side, patted his shoulder hard, and said: "Young man, Piauxue has a junior brother like you who is willing to risk his life to save him. It's really his fault." What a blessing."

Ye Feng smiled slightly and said:

"this is necessary."

At this time, Baili Xuanmiao suddenly walked up to Ye Feng.

She stared at Ye Feng with her beautiful eyes and said, "If you can rescue the child Piauxue, then I owe you a favor."

Ye Feng nodded slightly and without saying anything else, he stepped directly into the endless darkness of the river of darkness.

"Brother Ye Feng, be careful!"

Bai Susu's voice sounded, but Ye Feng could no longer hear it.

Buzz!

Because the moment Ye Feng entered the river of darkness, he seemed to have sunk into an endless abyss of darkness, shielded from everything outside.

This shielding includes not only vision and sound, but also life breath, spiritual fluctuations, etc.

"It is worthy of being the first restricted area in the Baili family's ancestral land. This river of darkness is indeed very strange."

Ye Feng couldn't help but sigh.

Because he looked in all directions, there was nothing, it was all darkness.

"Buzz!"

At this time, Ye Feng tried to exude soul power.

What made him happy was that the soul power could actually be emitted and penetrate the surrounding darkness.

However, in the end, the range of Ye Feng's soul power was very small, nearly twice smaller than outside.

In other words, this river of darkness still has a natural suppression on the soul.

But after all, it was able to spread out a little, so that Ye Feng would not have a black eye.

At this time, he immediately communicated with the Queen Map and asked: "Xiao Yao, from which direction should I go to the depths of this dark river? Please guide me."

Xiaoyao immediately controlled the Queen Picture to fly out of Ye Feng's body.

The Queen's Picture exuded a hazy divine light and began to fly in a certain direction.

Xiao Yao's voice came from the Queen's Picture: "Little Ye Zi, follow me. The moment you entered the river of darkness, I had already sensed the specific location of the fluctuations of the dark origin. It was a very strong dark origin. Fluctuation, you have a great chance of comprehending the Great Dark Technique! "The Great Dark Technique!"

Ranked eighteenth among the three thousand avenues of heaven!

It's even higher than the 19th-ranked Great Sealing Technique!

This shows that the great darkness technique is extremely precious.

At this time, the river of darkness in front of us seems to be the long river formed by the origin of darkness.

According to Xiao Yao, if you can enter the depths of the river of darkness and find the darkest source, you might be able to comprehend the great darkness technique.

When Ye Feng thought of this, his heart suddenly became a little hot.

After all, his dream is to gather all the three thousand great arts in the heavens.

But Ye Feng also knows that every great art is unique.

It is something that can be encountered but cannot be sought.

So at this time, I encountered the River of Darkness that might contain the Great Dark Technique.

Ye Feng naturally couldn't let go of this opportunity.

After all, there may not be a shop like this after passing this village.

After thinking for a while, Ye Feng suddenly walked forward and came to the edge of the River of Darkness.

He looked at the people from the Baili family around him and said: "Elder brother has entered the river of darkness and hasn't come out after so long, and there is no spiritual communication. I think it is necessary to go in and take a look. I I'm afraid that the senior brother will be too obsessed with saving his father, and as a result, he himself will fall into darkness. "

After Ye Feng said this, his eyes were full of determination, as if he had to go.

This made many people from the Baili family feel very moved.

Especially Baili Piaoxue's aunt, this stunning beauty Baili Xuanmiao, her attitude towards Ye Feng suddenly changed 180 degrees.

"This is a true friend!"

Many members of the Baili family couldn't help but secretly make a sound at this time.

The third uncle was very moved, walked to Ye Feng's side, patted his shoulder hard, and said: "Young man, Piaoxue has a junior brother like you who is willing to risk his life to save him. It's really his fault." What a blessing."

Ye Feng smiled slightly and said:

"this is necessary."

At this time, Baili Xuanmiao suddenly walked up to Ye Feng.

She stared at Ye Feng with her beautiful eyes and said, "If you can rescue the child Piaoxue, then I owe you a favor."

Ye Feng nodded slightly and without saying anything else, he stepped directly into the endless darkness of the river of darkness.

"Brother Ye Feng, be careful!"

Bai Susu's voice sounded, but Ye Feng could no longer hear it.

Buzz!

Because the moment Ye Feng entered the river of darkness, he seemed to have sunk into an endless abyss of darkness, shielded from everything outside.

This shielding includes not only vision and sound, but also life breath, spiritual fluctuations, etc.

"It is worthy of being the first restricted area in the Baili family's ancestral land. This river of darkness is indeed very strange."

Ye Feng couldn't help but sigh.

Because he looked in all directions, there was nothing, it was all darkness.

"Buzz!"

At this time, Ye Feng tried to exude soul power.

What made him happy was that the soul power could actually be emitted and penetrate the surrounding darkness.

However, in the end, the range of Ye Feng's soul power was very small, nearly twice smaller than outside.

In other words, this river of darkness still has a natural suppression on the soul.

But after all, it was able to spread out a little, so that Ye Feng would not have a black eye.

At this time, he immediately communicated with the Queen Map and asked: "Xiao Yao, from which direction should I go to the depths of this dark river? Please guide me."

Xiaoyao immediately controlled the Queen Picture to fly out of Ye Feng's body.

The Queen's Picture exuded a hazy divine light and began to fly in a certain direction.

Xiao Yao's voice came from the Queen's Picture: "Little Ye Zi, follow me. The moment you entered the river of darkness, I had already sensed the specific location of the fluctuations of the dark origin. It was a very strong dark origin. Fluctuation, you have a great chance of comprehending the Great Dark Technique!"

Chapter 1620 Dark Ghost

With the guidance of the Queen's Picture, Ye Feng didn't have to worry about losing his way and quickly flew towards the depths of the dark river.

Moreover, Ye Feng guessed that Baili Piauxue and his father Baili Tianming might also be trapped in the depths of the dark river.

Their bloodline makes them immune to the influence of the River of Darkness.

So they should be able to find the deep core area of this dark river.

"Eldest Brother's father said that he wanted to find the ultimate inheritance for Eldest Brother. Could it be that the ultimate inheritance that the patriarch of the Baili Family is looking for is the Great Dark Technique?"

Ye Feng secretly guessed in his heart.

However, Ye Feng also knows that the Great Darkness Technique is not some kind of inheritance, but needs to be understood by oneself.

So Ye Feng guessed that what the head of the Baili family wanted to find was the inheritance of the creator of the River of Darkness.

Because according to what Xiaoyao said just now, this kind of dark river should have been transformed by a dark monarch from ancient times.

What they are looking for is very likely to be the inheritance of the most powerful person from ancient times like the Dark Lord.

No matter what, Ye Feng is now running towards the deep core area of the Dark River.

Ye Feng no longer looked down on ordinary inheritance.

Only the art of the Three Thousand Dao of All Heavens can attract Ye Feng's attention.

For example, the great darkness technique that may be hidden deep in the river of darkness made Ye Feng extremely excited.

So at this time, Ye Feng risked his life and entered the river of darkness, hoping to find the true meaning of the Great Darkness Technique.

"boom!"

But just halfway, a phantom with a faint green light suddenly appeared.

"Dark Ghost!"

Xiao Yao's exclamation suddenly came from the Queen's picture, saying: "Little Ye Zi, hurry up and attack it with your soul! This kind of dark ghost is very scary and can swallow your soul in an instant!"

Ye Feng

After hearing this, he immediately nodded and began to release the Soul Emperor Seal.

"Great Thunder Emperor Seal!"

What Ye Feng released was naturally the thunder-attributed soul emperor that was most harmful to demons and monsters.

Wow!

In an instant, a Thunder Emperor stood up around Ye Feng.

Thousands of thunders were wrapped around his body, and he held a huge thunder scepter in his hand, which looked full of momentum.

"howl!!"

At this moment, the dark ghost saw the Thunder Emperor towering over Ye Feng, and was immediately frightened and ran away.

"Escaped?"

"Is Dark Ghost so cowardly?"

Ye Feng was dumbfounded.

He was also planning to kill this dark ghost and then devour it to see if he could increase his soul power.

At this moment, Ye Feng moved together with the Thunder Emperor, chasing the escaping dark ghost in the distance.

"boom!"

Ye Feng's speed is very fast.

In a blink of an eye he caught up with the fleeing dark ghost.

But at this time, the dark ghost in front suddenly stopped.

And this dark ghost actually manifested a human face at this time, showing a strange smile to Ye Feng.

Uh-huh! Uh-huh! Uh-huh...

Almost at this moment.

Behind this dark ghost, the same dark ghost suddenly appeared in the darkness.

Densely packed!

There are thousands of them!

Ye Feng looked surprised and said, "Are you looking for help? Are you not afraid of me anymore?"

"boom!!"

And at this moment, thousands of dark ghosts let out shrill roars and charged towards Ye Feng in an instant. With the guidance of the Queen's Picture, Ye Feng didn't have to worry about losing his way and quickly flew towards the depths of the dark river.
