

Ancient 20

Chapter 20: Die together

Ye Feng was silent for a moment, but finally couldn't hold it back and asked: "Miss, do you know about the majestic humanoid sculpture that is 1,000 meters tall in the central square of Nanyang County?"

Ye Feng didn't show any signs of strangeness and pretended to be simply curious.

Ye Shenyue didn't think much about it, and just said casually: "Oh, you are talking about that thousand-meter sculpture. When I was a child, I heard from my parents that it seemed to have fallen from the sky many years ago. The sculpture had strange ancient writings on it. No one could understand the words, but it was considered a miracle by everyone. Everyone said that the sculpture was a legendary god, so they all knelt down and worshiped it as a god, but many people didn't care."
"

"I see."

Ye Feng heard what Ye Shenyue said and nodded.

But deep in his eyes, there was a subtle hint of disappointment.

These people do not know the spiritual world at all, nor do they know the writing of the spiritual world.

...

That night.

Under the endless night, the cold wind howled and it was biting.

Ye Feng was alone, with his hands behind his back, wearing white clothes and snow, standing in the courtyard.

"Perhaps, among the overlord forces on Longyuan Continent that have been passed down for thousands of years, there will be records and clues about the spiritual world..."

Ye Feng raised his head slightly and looked at the endless dark sky, dotted with stars.

He was thinking in his mind, and he got a little tired of thinking, so he stopped worrying about it.

No matter what, one day, I will find the spiritual world.

The hatred of family, country, and his father are all Ye Feng's worries in this life.

Suddenly, there was a sound of heavy footsteps in the distance.

Ye Feng pulled his mind back from the boundless night sky, turned around and looked at the entrance of the courtyard not far away.

There, a tall, cold figure covered in metal armor was already standing there.

Beside Tie Kai, Ye Ziling stood there, the slap marks on his face not completely dissipated.

The second young lady of the Ye clan now has a pair of

With a sinister look in her beautiful eyes, she stared at Ye Feng and said in a cold tone: "Ye Feng, what kind of ecstasy soup did you pour into my sister? I want to know the answer within a quarter of an hour, otherwise, I will let The iron armor will tear off all your limbs on the spot!"

Under the night, Ye Ziling was dressed in a purple dress, with a graceful figure and an ethereal face, like a butterfly fairy.

But the words that came out of her mouth were extremely cruel and cruel, making people feel that she was not a fairy, but a little witch!

The iron-armored man was tall and covered with armor. His aura was cold and unfathomable. Only a pair of deep eyes were revealed from the helmet, making people afraid to look at him.

Ye Ziling's eyes, as cold as ice, stared at Ye Feng and said: "You only have a quarter of an hour, either life or death, you choose for yourself."

After the words fell, Tie Kai walked towards Ye Feng without saying a word.

"Pap, tap, tap..."

The sound of heavy footsteps, like the bells of death, rang in the courtyard under the dark night, making people tremble with fear.

Tie Jia walked very slowly, as if waiting for Ye Feng's choice.

"Life or death?"

Ye Feng suddenly smiled.

"why are you laughing?"

The little witch Ye Ziling shouted angrily.

"Laughing, you don't understand what kind of existence I am now."

Ye Feng spoke slowly. Although his tone was calm, there was a shocking pride hidden under that calmness.

"You... are presumptuous!"

Ye Ziling completely exploded. She didn't want to endure it anymore and shouted to the tall iron-armored man: "Since Ye Feng wants to die so much, let him do it!"

"Yes, Miss Second."

A cold, mechanical voice came from the layers of metal armor.

Tie Kai is a dead warrior in the Ye clan. His cultivation is unfathomable and he completely obeys the orders of the little witch Ye Ziling.

"boom!"

The tall body of the iron armor rushed forward suddenly and stepped in front of Ye Feng in an instant. A large piece of the Qinggang stone ground under his feet was trampled to pieces. ??

It can be seen that the power of this iron armor contains explosive power in every move.

Menacing and invincible, truly like a cold killing machine!

"Taikoo Dragon Elephant Fist!"

Ye Feng moved at this time. He didn't hold back at all. He used his big move as soon as he came up and directly used the heaven-level martial arts combat skill Ancient Dragon Elephant Fist.

"Roar!!"

Earth-shattering roars of beasts resounded through the sky. Under the night, three huge and majestic ancient dragon elephants appeared around Ye Feng. With a puff of their big noses, the mountains and rivers were shattered. Their limbs were as thick as sky pillars, trampling everything and crushing everything!

"boom!!"

Ye Feng's fist and Iron Armor's fist collided immediately.

A terrifying force burst out, and what made Ye Ziling's soul tremble was that the iron-armored arm actually shattered "kacha kacha".

The metal fragments from the cracked armor were mixed with the blood and mud from the broken iron arm, and exploded in mid-air.

"ah!!"

The iron armor let out an earth-shattering howl, and the whole person was blown away by a huge force. The arm that was fisting with Ye Feng exploded, turning him into a one-armed man.

But where he was, Ye Feng stood motionless, as if the punch just now was just a light blow.

"What?!"

The little witch Ye Ziling was completely stunned.

She widened her beautiful eyes, stared at Ye Feng, and exclaimed in fear: "Impossible! This is impossible! Ye Feng, you

But a good-for-nothing adopted son of our family, who was only allowed to feed my horses, how could he have such powerful power now? "

"Nothing is impossible in this world. If you think it is impossible, you are too short-sighted."

Ye Feng said indifferently and slowly walked towards Ye Ziling.

"You...don't come over!"

Ye Ziling was finally scared at this time, and her pretty face, which was originally sinister, was now filled with fear and turned pale.

"If you want to hurt the second lady, you have to step over my body."

Tie Kai endured the pain of his broken arm and stood up suddenly, blocking Ye Ziling's body.

I have to say that this iron armor is very loyal, especially to the second young lady Ye Ziling.

"Yes, yes, Ye Feng! It's not me who wants to kill you, it's Tie Kai who wants to kill you! Kill him quickly to calm down!" Ye Ziling suddenly spoke up.

"Second Miss, you...!"

Tie Kai suddenly turned around and stared in disbelief at the second young lady whom he had always served and even secretly admired.

The iron-clad eyes hidden behind the cold metal mask showed great pain.

This kind of pain is not physical, but mental, and comes from the pain in the soul.

"Second Miss, I have always liked you, so for you, I am willing to give everything..."

Even though he was so abandoned by Ye Ziling, Tie Kai stared at Ye Ziling who looked like a purple butterfly behind him, his eyes still showed a deep, even twisted admiration.

Immediately, he turned around suddenly, looked at Ye Feng, and rushed over instantly.

"boom!!!"

Accompanied by an earth-shattering roar, the iron armor gathered all the energy in his body and directly self-destructed his entire body, causing a terrifying explosion.

He actually chose to self-destruct for Ye Ziling, wanting to die with Ye Feng!
