

Ancient 2071

Chapter 2071 The whole place was completely silent

Buzz!

At this time, on the entire No. 6 competition platform, the invisible terrifying murderous thoughts collided together, causing the entire ground to crack into pieces.

This shows how violent and ferocious the murderous intentions of Ye Feng and Little Prince Jinpeng are at this time.

A group of disciples around saw this scene, with a hint of surprise in their eyes.

They saw something unusual.

At first, everyone thought that Ye Feng and the little prince Jinpeng just disliked each other and wanted to have a discussion.

But at this moment, seeing the collision of momentum on the competition stage and the terrifying thoughts of killing, all the disciples had horror in their eyes.

The two top geniuses on the stage have a strong murderous intention on both sides.

"This could be a life-or-death showdown."

The outer disciples watching could not help but make a sound.

Many other disciples in the competition platform area could not help but look towards this side with horror in their eyes at this moment.

Because the terrifying killing frenzy on the No. 6 competition platform has rolled like a long river and spread to other competition platforms, immediately attracting the attention of many surrounding disciples.

"Killing you in front of everyone's attention will serve as a warning to everyone, and let everyone know that anyone who dares to offend our Gods Association in Qingtian Holy Land will only die."

On the No. 6 competition stage, the little prince Jin Peng spoke up, his tone filled with endless coldness and cruelty, exuding endless domineering aura.

Obviously, for the little prince Jinpeng, he participated in the outer sect competition specifically to kill Ye Feng.

Ye Feng's face was also cold at this time, and he said indifferently: "I also want to give you a message. All those who opposed me are dead, and I am the only one alive."

"boom!"

The little prince Jinpeng stopped talking nonsense the next moment, and instantly burst out with powerful momentum and power.

His whole body glowed with golden light, and his entire body turned into a golden lightning bolt, rushing in front of Ye Feng in an instant, as if he was going to chop Ye Feng into pieces in an instant.

"Retreat!"

boom! \u003c

br\u003e

There was nothing flashy about Ye Feng's moment. He punched out instantly, bursting out with tremendous force.

"Boom!!"

Ye Feng's fist burst into the light of chaos, filled with endless heaviness, and suddenly hit the golden lightning, and a huge roar suddenly erupted in the entire sky.

"Deng Deng Deng!"

And at the next moment, the golden lightning was really pushed back.

The figure of the little prince Jinpeng was revealed. He seemed to be stumbling a little and looked quite embarrassed.

"What?!"

When the whole audience saw this scene, they immediately fell into excitement.

All the disciples could not help but stare wide-eyed, unable to believe the scene they saw in front of them.

A well-known top genius as powerful as Little Prince Jin Peng was knocked back by a punch from Ye Feng, a budding human race boy?

How can this be?

It's incredible!

"The bodies of the Golden-winged Dapeng clan are recognized as powerful!"

"Yes! Moreover, Ye Feng is still a weak race like the human race with no innate advantages. Does he have a rare physique among the human race?"

"No matter how rare a physique is in the human race, it is difficult to compete with the golden-winged roc body of the golden-winged roc clan, right?"

"Could it be that this Ye Feng has... some legendary physique among the human race!"

...

At this moment, countless disciples around the No. 6 competition platform were in deep shock.

This was originally a battle without any suspense.

But at the very beginning of the battle, everyone was shocked.

The ferocity and hardness of Ye Feng's punch just now completely shattered all the disciples' previous impression of the human race being weak.

At this time, Jin

Little Prince Peng also looked extremely gloomy.

He was originally extremely proud, but now he was knocked back by Ye Feng's punch.

This is simply a great shame for the little prince Jinpeng.

"impossible!"

The little prince Jinpeng roared and said instantly: "Jinpeng's sky-killing technique!"

boom!

This is an extremely terrifying killing technique.

Inherited from the ancient golden-winged Dapeng ancestors.

At this time, the little prince Jinpeng was released, which was simply earth-shattering. .??.

"boom!!!"

"boom!!"

...

Infinitely terrifying golden divine light emanated from the little prince Jinpeng.

Wow!

Like a volley of thousands of arrows, dazzling and boundless, rays of golden divine light, like golden swords, erupted from the body of the little prince Jinpeng, stabbing towards Ye Feng fiercely, overwhelming the sky and the earth, capable of crushing everything. .

At this moment, the entire No. 6 competition platform, which was made of steel and engraved with solid spiritual pattern formations, was penetrated inch by inch by the golden light like divine swords and turned into ruins.

"Quickly retreat!"

The faces of countless disciples around him changed greatly, and they quickly retreated in all directions.

Because they felt the irresistible terrifying destructive power.

The destructive power was so terrifying that all the disciples felt like their entire bodies were about to be broken.

That kind of terrifying destructive power even made the elder in charge of the No. 6 competition platform couldn't help but take several steps back.

"Buzz!"

At this time, the little prince Jinpeng stood high in the sky, looking at the area flooded by countless golden divine lights, his eyes filled with deep excitement and cruelty.

The little prince Jinpeng looked a little pale at this time, and it was obvious that he had spent a lot of energy in performing this move.

But the effect is also extremely significant, releasing terrible destructive power.

The little prince Jin Peng's eyes were extremely fierce, he smiled and murmured to himself: "This time, you are completely dead."

But suddenly at this time.

An indifferent voice sounded from the endless smoke and dust.

"Is this your so-called trump card?"

It's Ye Feng's voice!

"What?"

When the little prince Jinpeng heard this voice, his triumphant expression suddenly changed.

Buzz!

At this time, the smoke and dust dispersed.

Ye Feng was wearing a set of golden armor, showing his boundless domineering power.

Not a penny was lost at all!

"He didn't get hurt at all!"

"How can this be!"

"Are my eyes hallucinating? Little Prince Jinpeng's strongest racial talent attack did not cause any damage to Ye Feng?"

...

The countless disciples watching around looked extremely shocked, even to the point of being stunned.

"What?!"

Even Jin Tianyang and the members of the Gods Association who were watching secretly not far away had their eyes widened.

It seems that I never expected that the result would be like this.

"The Great Seal of Mountains and Rivers!"

Suddenly at this time, Ye Feng took action.

He just released the powerful inheritance that he had snatched from the ruins of the Immortal Palace before, the mountain and river seal inheritance at the peak level of Hunyuan Realm.

"Boom!"

Suddenly, a huge and boundless mountain and river seal appeared in Ye Feng's hands, full of unparalleled pressure. It was pushed out in an instant, like a big millstone of heaven and earth, and instantly crushed the shocked little prince Jinpeng. .

"ah!!"

Accompanied by an earth-shaking howl.

Little Prince Jinpeng, die!

The whole place was dead silent!

Chapter 2072 The Great Protector of the Inner Sect

quiet!

Deadly quiet!

No one thought that such a powerful and brilliant figure as the little prince Jinpeng would suddenly be killed and disappear from history.

At this time, Ye Feng was in the vision of the Great Seal of Mountains and Rivers, secretly devouring the blood and energy of the little prince Jin Peng after he was killed.

But Ye Feng suppressed the majestic blood energy and prevented himself from making a breakthrough for the time being.

After all, everyone's eyes on the field are fixed on him now.

At this time, even the presiding elder was stunned on the spot, with an incredible look in his eyes.

Obviously he did not expect that Ye Feng agreed to the challenge of Little Prince Jinpeng not to die at all, but because he had unparalleled self-confidence.

"I have never seen this human disciple before. He should not be famous before the outer sect. I didn't expect him to be quite powerful."

At this moment, even some of the top beings competing in other arenas could not help but exclaim.

Including the two most famous top geniuses in the outer sect, Sword Soul and Flower Fairy, they couldn't help but look over from their respective competition stages, their eyes full of surprise.

At this time, Ye Feng looked at the presiding elder not far away and said with a smile: "Elder, can you announce the result of this competition?"

The result of the competition?

The presiding elder looked at the little prince Jinpeng who was killed to ashes not far away. He couldn't help but twitching the corners of his eyes slightly and said: "In this competition, little prince Jinpeng loses and Ye Feng wins."

Many surrounding disciples couldn't help but twitch the corners of their mouths when they heard the presiding elder's words.

Speaking of this result, I always feel very weird.

After all, one party is gone.

"The Outer Sect Competition was originally a place for discussion. I didn't expect that this Ye Feng would actually kill his fellow disciples. His heart is so cruel! He must be thrown into the heavenly prison of our Qingtian Holy Land and imprisoned forever!"

Suddenly at this moment, a voice filled with endless coldness suddenly sounded.

It was a middle-aged man wearing a yellow robe.

At this time, his eyes were fixed on Ye Feng, full of murderous intent, and he said loudly: "This kid can't be kept! He is simply a wolf's ambition! He is a brat with a traitorous bone on the back of his head! He must be imprisoned immediately, and he cannot be allowed to live again. Participating in the outer sect competition!"

At this time, the words of this middle-aged man in yellow robe caused the entire venue to fall into a state of excitement and commotion.

"This middle-aged man in yellow robe is the Great Protector of the Inner Sect! Why is he here?"

"I understand! This great protector of the inner sect is said to be a member of the Gods Association, and the little prince Jinpeng is also a member of the Gods Association!"

"Are they targeting this Ye Feng specifically?"

...

At this time, countless outer disciples around could not help but speak out.

Ye Feng stared at the great protector of the inner sect not far away who showed murderous intentions, and said loudly: "It was the little prince Jinpeng who first released his murderous intention towards me, and wanted to kill me. I was just following the way of others." Is there anything wrong with treating someone else's body?"

"You are presumptuous!"

The eyes of the Great Protector of the Inner Sect immediately revealed a terrifying light, and he said aloud: "Who are you, and dare to talk back to this Great Protector? You are just a small outer disciple, and you are so arrogant. This Protector will teach you. How to be a human being!"

boom!

A terrifying power aura suddenly erupted from the inner sect's great protector, instantly forming an overwhelming force and surging towards Ye Feng.

Ye Feng immediately felt an irresistible terrifying pressure, which was exerting pressure on himself.

"

Click, click..."

At this moment, he felt that his entire body was about to break apart.

This great protector of the inner sect is worthy of being the great protector of the inner sect. It is really extremely powerful.

At this time, Ye Feng saw the terrifying murderous intention hidden deep in the eyes of the inner sect's great protector.

He immediately understood that this great protector of the inner sect was a member of the Association of Gods. He was deliberately looking for trouble and wanted to get rid of him!

"hateful!"

Ye Feng's eyes were a little downcast. He never expected that the power of the Gods Association would be so widespread. Not only among the disciples, but also at the level of the protector elders in the Holy Land, there were also many members of the Gods Association.

"Baby, you've been jumping around for so long, you deserve to die."

At this time, a voice suddenly sounded in Ye Feng's heart.

It was the great protector of the inner sect not far away who was transmitting messages to Ye Feng, and his tone was undisguised murderous intent.

"stop!"

But suddenly at this moment, a powerful voice sounded.

A burly, middle-aged man wearing black armor suddenly stood in the middle area between the inner gate protector and Ye Feng.

It is none other than the leader of the outer sect, Lu Tieshan!

Buzz!

At this moment, Ye Feng immediately felt that the pressure on him disappeared instantly.

He breathed a sudden sigh of relief.

Because someone finally came to the rescue.

However, Ye Feng was a little surprised by the person who came to the rescue. He did not expect that Lu Tieshan, the head of the outer sect, would personally take action.

At this time, the eyes of the Inner Sect Great Protector suddenly darkened, he stared at the Outer Sect Headmaster, and said loudly: "Lu Tieshan, you are just the Outer Sect Headmaster, but you want to stop me, the Inner Sect Great Protector?"

Lu Tieshan's bronze face showed a sneer.

, said: "I don't like it when the big bully the small. I will take care of this matter today!"

"you.....!"

Lu Tieshan's words made the inner sect's great protector's face suddenly become extremely stiff.

At this time, the Great Protector of the Inner Sect seemed to know how powerful the leader of the Outer Sect was. He did not take action. Instead, he stared at Ye Feng who was not far away and said, "You won't be able to jump around for long."

Ye Feng suddenly spoke up: "Great Protector of the Inner Sect, if you and I were in the same realm, no, if I were only one realm lower than you, I could kill you like a dog."

Wow!

The moment Ye Feng finished speaking, there was a burst of boiling sounds in the entire field.

All the disciples stared at Ye Feng with horror in their eyes.

No one expected that this little new disciple of the outer sect could be so strong!

Directly confront the Great Protector of the Inner Sect!

That is a veteran strongman in the inner sect!

Even the head of the outer sect, Lu Tieshan, glanced at Ye Feng not far behind him in surprise, and then the strong man grinned, "That's what I want!"

"presumptuous!!"

But at this time, the figure of the Inner Sect Protector who was about to turn around suddenly froze.

He immediately turned around and released a terrifying and boundless storm of murderous intent in an instant, shouting loudly: "Ye Feng, little bastard! You are so presumptuous!"

boom!

At this moment, a huge black sword appeared in the hands of the inner sect's great protector. Surrounded by a dark storm, it shot directly towards Ye Feng, full of infinite destructive power.

"What's the point of bullying a new disciple? You have the guts to fight me!"

Lu Tieshan, the head of the outer sect, roared loudly at this moment, and with a flash of light in his hand, a pair of large copper hammers appeared in an instant. He swung it directly, full of wildness and toughness, and charged towards the great protector of the inner sect.

Chapter 2073 Decisive Battle

"Boom!"

Almost at the moment when the two powerful elders took action, the entire field suddenly erupted with a terrifying and boundless energy of destruction.

Because both the Great Protector of the Inner Sect and the leader of the Outer Sect, Lu Tieshan, are extremely experienced and powerful men in the Qingtian Holy Land, and their cultivation levels are incomparably terrifying.

So the battle between them at this moment was like a powder keg, blowing up the whole place.

The entire steel battle platform of No. 6 was directly blown into countless pieces by the aftermath of the terrifying destructive collision, and a large crater appeared on the spot.

"Boom!"

Lu Tieshan swung the heavy hammer in his hand and struck it down hard, as if he was waving two huge mountains, full of unparalleled heaviness.

Even the powerful ones in the inner sect, such as the Great Protector of the Inner Sect, were unable to resist at this moment and were forced to retreat continuously. .??.

"Damn it!"

The face of the Great Protector of the Inner Sect was now full of deep fury.

But now he can't do anything to Lu Tieshan, the head of the outer sect.

Because Lu Tieshan's cultivation strength is indeed stronger than him.

"boom!"

Suddenly at a certain moment, the copper hammer in Lu Tieshan's hand struck the body of the inner sect's great protector.

boom!

A terrifying force burst out instantly.

"puff!"

At this moment, the great protector of the inner sect suddenly spat out a mouthful of blood and was directly blown away.

"So strong!"

Countless outer disciples around saw this scene and couldn't help but look shocked.

No one expected that their outer sect leader would have such a powerful fighting force.

At this time, the Great Protector of the Inner Sect shouted: "Lu Tieshan! You and I are irreconcilable!"

After saying that, the Inner Sect Protector suddenly

At that time, he just ran away into the distance, not daring to continue the battle.

Lu Tieshan's attack was too fierce.

At this time, Lu Tieshan was so proud that he shouted loudly: "Don't run away if you have the guts, and fight me for another hundred rounds! Hahaha! What a bullshit inner sect protector, you're a coward!"

At this time, Lu Tieshan's words were so powerful that many people present could not help but twitch their eyes.

At this time, Ye Feng came to Lu Tieshan and said, "Thank you, Master, for your help."

Lu Tieshan laughed, patted Ye Feng on the shoulder and said: "As long as you are still in the outer sect, no one can bully you. Besides, your master's brother Leng Xingchen and I are good brothers, so I should protect you." With you."

When Ye Feng heard what Lu Tieshan said, his eyes suddenly froze.

It turned out that Lu Tieshan and his uncle were good brothers.

No wonder he came to his own rescue, and even directly beat away the inner sect's great protector.

At this time, Ye Feng and Lu Tieshan were chatting.

Among the crowd not far away.

Jin Tianyang, the leader of the Gods Association, looked very ugly.

He never expected that the little prince Jin Peng, who had secretly arranged it, would be defeated by Ye Feng, and would be killed on the spot by Ye Feng.

"This kid went out before the outer sect competition. Where did he go? How did his cultivation strength change so much in an instant? It makes me feel scared."

Rao is Jin Tianyang, an elite member of the Gods Association, with an angry but fearful look in his eyes.

Next, Ye Feng continued to compete in the elimination round in the No. 6 competition platform area.

But pick up

Anyone who met Ye Feng down there would basically give in immediately without any hesitation.

However, there are also those who refuse to admit defeat and want to challenge Ye Feng, a dark horse, and want to become famous in one fell swoop.

But the result was a disastrous failure.

Ye Feng is really too powerful.

You can basically defeat the opponent with one punch.

The few candidates who were expected to compete for the top few positions around the No. 6 competition platform were not Ye Feng's enemies with one move.

Ye Feng's powerful strength made many people despair and powerless.

But while Ye Feng was winning in a row, he also noticed that many other top geniuses in the competition arena also noticed the movement here.

The eyes of some top geniuses are full of fighting spirit.

Some top geniuses are full of unabashed murderous intent.

Obviously, the one with murderous eyes is a member of the Gods Association.

At this moment, Lu Tieshan, the head of the outer sect, flew to the high platform and shouted loudly: "Now I announce that the knockout rounds are over, and the final remaining people from all the major competition stages will all gather in front of me. "

Swish, swish, swish!

At this moment, the final winners of each major competition stage all walked towards the area in front of Lu Tieshan.

There are a total of twenty-eight competition stages, which means twenty-eight top outer disciples.

Among them, of course, is Ye Feng.

The other disciples who can ultimately win the competition are also very powerful.

Even though Ye Feng defeated the little prince Jinpeng, many other top geniuses in the competition still had contempt in their eyes.

Because they thought they could beat Ye Feng.

Ye Feng didn't deliberately show anything, he just stood silently among the final winners.

At this time, Lu Tieshan, the leader of the outer sect, looked at the twenty-eight outer disciples in front of him, his eyes showed approval, and said: "I basically watched all the competitions in the competition platform, you twenty-eight Disciples are the top outer disciples of our outer sect. I have

great expectations for each of you. I hope you will not disappoint me in the next competition for the final king."

At this time, while Lu Tieshan was talking, Ye Feng was standing among the crowd below, clearly aware of the unkind looks from many people around him.

It seems that a large number of them are members of the Society of Gods.

"The Gods Association is really overbearing. I have already killed a little prince Jinpeng, but they still want to kill me in the final battle."

Ye Feng thought secretly in his heart, and then his eyes showed determination for a moment.

In the following decisive battle, if the members of the Gods Association dare to stand in their way, I will kill them all!

If he didn't have a backer, Ye Feng probably wouldn't be so presumptuous.

But now the head of the outer sect, Lu Tieshan, is his backer.

Ye Feng simply went crazy for once.

At this moment, he looked at the many unkind looks around him and responded directly with a cold look full of coldness and killing.

At this moment, the presiding elder flew over, stood on the high platform, and began to announce: "The next competition will be the decisive battle of this outer sect competition. We will no longer arrange multiple competitions. The fighting platform will be fought at the same time, and then there will be only one fighting platform, one by one, going up to the decisive battle, under the eyes of everyone! "

Wow!

The moment the Great Elder finished speaking, all the hundreds of thousands of outer disciples on the field began to boil.

Being able to witness the twenty-eight most powerful top disciples from the outer sect fighting one on one is simply the ultimate visual enjoyment!

Everyone is looking forward to the next decisive battle to the extreme!

Chapter 2074 Challenge the Rules

As the outer sect competition entered the final battle, everyone on the field was extremely excited.

Because the final king will be selected in this decisive battle.

There are a total of twenty-eight top disciples on the field at this time, and they are the most powerful beings who have been killed one by one from the twenty-eight competition stages.

Everyone's eyes were focused on these twenty-eight top disciples.

At this time, the Great Elder said: "The ones who will compete on the stage in the first round will be randomly selected from among your twenty-eight disciples."

When he said this, two light groups flew out of the great elder's hands and randomly landed on the heads of the twenty-eight top disciples in front.

What surprised Ye Feng was that he was selected in the first battle.

Uh-huh!

He jumped up and dodged directly to the competition platform.

At this time, his opponent has arrived at the competition stage.

It was a skinny man wearing a black robe.

Looks very thin and frail.

But there was an extremely dangerous aura about him.

The skinny man stared at Ye Feng. His eyes were not hostile, but showed a real fighting spirit. He said aloud: "I saw your battle with Little Prince Jin Peng on the No. 6 Arena before. It was very exciting." Yan, I always feel shocked, but today you will be defeated in my hands."

Ye Feng knew that the other party was not a member of the Gods Association, so he just smiled slightly and said, "Then let's fight to the fullest."

"Dark Imprisonment!"

Almost at this moment, the skinny man took action immediately.

A small scepter appeared in his hand, and he pointed it fiercely in the direction of Ye Feng. Ye Feng actually felt that his soul was restrained, as if his soul was imprisoned in a dark cage.

"It turns out that this skinny man is a practitioner who knows how to attack souls! It's very promising.

It could be a talent! I don't know which race it is from. "

At this time, Ye Feng was thinking in his heart and shouted directly: "Break it for me!"

Boom!

Suddenly, terrifying soul power burst out from Ye Feng's head, instantly breaking the soul prison.

"What?!"

Seeing how easily Ye Feng broke its dark prison, the skinny man's eyes immediately revealed a look of horror.

Because the method he is proud of is the method of attacking the soul, which can produce unexpected results every time.

But I didn't expect that this time it wouldn't work for Ye Feng.

It was directly shattered by Ye Feng.

"Boom!"

At this time, Ye Feng had already slapped the skinny man in front of him.

"ah!"

This skinny man couldn't withstand Ye Feng's huge strength at all. His whole body was blown away and he fell hard under the competition platform.

However, he did not suffer any serious injuries.

At this time, the skinny man stood up, his eyes were a little downcast, but he still hugged Ye Feng on the fighting platform and said, "Thank you for keeping your hand."

The skinny man knew very well that if Ye Feng deliberately wanted to harm him, he would have been disabled by the palm just now.

So even though he was defeated at this time, he still wanted to express his gratitude.

Ye Feng just smiled slightly and didn't say much.

At this moment, the great elder suddenly spoke up: "There is another rule for the final battle, that is, the disciple who wins the first battle can be challenged by other disciples below. Are there any other disciples below?"

Want a challenge? "

Wow!

The moment the Great Elder finished speaking, the entire venue suddenly fell into a boil.

Because this kind of challenge to the rules has never appeared before.

I didn't expect that there would be such a rule this time.

In fact, this is very unfair to the person who won the first battle.

Because the person who wins the first battle may have exhausted his power, but if he is challenged, there will be no time to restore his power.

At this moment, Ye Feng suddenly saw a hint of a cold smile in the eyes of the great elder.

He immediately understood that this great elder also wanted to target him.

"I didn't expect that even the great elder presiding over this event is from the Association of Gods!"

Ye Feng thought secretly in his heart.

It seems that the members of the Gods Association saw the defeat of the little prince Jinpeng at their own hands, so they wanted to exhaust their power by fighting a war of attrition.

After all, almost half of the more than twenty top geniuses who have not yet participated in the war are members of the Gods Association.

If they are challenged one by one, even some strong men of the older generation may not be able to bear this kind of consumption.

However, Ye Feng had a cold smile in his eyes at this time.

What I am least afraid of is this kind of war of attrition.

In addition to his very strong skills.

Ye Feng can also restore his own strength by killing others and secretly sucking out their blood.

For example, Ye Feng's body now stores the blood energy of the little prince Jinpeng he just killed.

If Ye Feng's skills are depleted in the following consecutive challenges, he can instantly restore his strength at any time and maintain his peak condition.

"Why is this still there?"

A rule? "

Suddenly at this time, Lu Tieshan, the head of the outer sect, walked over from not far away.

He frowned, looked at the presiding elder, and asked aloud: "Did the higher-ups give this rule this year?"

The Great Elder glanced at Lu Tieshan, smiled and said, "This is a new rule added this year. If you don't believe it, you can ask the Inner Sect Chief."

"Senior Lu."

Suddenly Ye Feng spoke up and said with a smile: "This rule is very good. I am willing to accept the challenge from other disciples. In this way, the decisive battle will come faster, because they will all be defeated by me one by one."

Wow!

The moment Ye Feng's words fell, the entire venue suddenly boiled.

Because this sentence is so domineering!

"This human boy looks ordinary, but I didn't expect him to be so powerful and have such a domineering mentality!"

At this time, many disciples could not help but speak out.

But some people sneered: "This kid is too arrogant and doesn't deserve to be so feared!"

There were other disciples nearby who said, "Domineering without strength is called arrogance, but domineering with strength is called confidence!"

...

And while everyone was talking about it below.

Suddenly, below the stage for the final battle, a burly man wearing thick black armor stepped directly onto the stage.

"It's Black Batian!"

"He is the top genius of the Black Rhino clan!"

"I didn't expect Hei Batian to choose the first challenge."

...

At this time, many of the disciples watching below couldn't help but have surprise in their eyes.

Obviously this burly Black Batian is a very famous figure among the outer sect!

Chapter 2075 Strong showdown

Black Batian!

The super genius among the Black Rhino clan!

His cultivation level is very powerful, and he is an existence at the eighth level of Hunyuan Realm!

This is already a very terrifying cultivation level.

Moreover, this Black Batian comes from the Black Rhino clan, and his physical strength is far beyond that of ordinary people. He is simply a natural body refiner. .??.

At this time, Hei Batian stood on the fighting platform. His tall and wild body was very oppressive, and his whole body exuded an aggressive and wild aura.

At this time, Hei Batian looked at Ye Feng opposite, with a cruel smile on his face, his eyes full of aggression, and said loudly: "You can actually kill the little prince Jinpeng. This is something I didn't expect, but this It also makes the next game more interesting, let me kill you."

Ye Feng's eyes were calm and he said loudly: "You will definitely be the one who dies."

Boom!

The moment the words fell, Ye Feng took action directly, not bothering to talk nonsense at all.

"The Great Seal of Mountains and Rivers!"

Ye Feng's attack was very violent as soon as he came up.

A huge and majestic mountain and river seal evolved between his hands.

Full of unparalleled majesty and heaviness.

It seems to have a huge weight!

Exuding terrifying boundless power and oppression.

"Strength breaks the sky!"

The Black Batian on the opposite side also roared loudly at this moment, and one of his hands turned directly into a rhinoceros horn. It was huge and simple, and if it could pierce the sky, it would be extremely majestic.

"Boom!!"

A terrifying roar suddenly sounded.

The collision between the mountain and river seal and the rhinoceros horn turned out to be a stalemate.

"Die to me!!"

At this time, Hei Batian suddenly roared again.

"Black Rhino Armor!!"

But as he roared, the black armor he was wearing suddenly began to expand rapidly, and then directly armed Hei Batian into a huge steel armored giant!

Full of unparalleled oppression and destructive power!

"Boom!"

At this time, Hei Batian relied on the powerful power of the Black Rhinoceros Armor and punched out, which actually directly broke the Mountain and River Seal.

"That

It's the Black Rhino Armor! It is the most powerful armor among the Black Rhino clan! "

Many disciples around him couldn't help but exclaimed in surprise, as they all recognized this extremely special set of armor.

"Crack, click, click..."

At this moment, even the golden armor Ye Feng was wearing was shattered.

I have to say that this set of Black Rhinoceros armor is indeed very powerful. It is definitely a peerless armor that has been forged with very complicated craftsmanship!

"Red Python Giant Sword!"

Ye Feng roared loudly and directly used the most powerful weapon he had ever obtained, the Hedao-level red python giant sword.

"Boom!"

The terrifying giant sword slashed down from high in the sky, bursting out with overwhelming power in an instant, directly hitting the Black Rhinoceros armor worn by Hei Batian.

"when!!"

But the next moment, the black rhinoceros armor actually resisted the attack of the red python giant sword.

But Ye Feng's eyes showed a sneer at this time.

Because his sword exerted a dark power.

That kind of terrifying dark energy was like a huge concussive force that penetrated directly through the Black Rhino Armor and penetrated into the Black Rhino Armor.

"ah!!"

Black Batian in the Black Rhino Armor suddenly let out a scream.

Then the screams suddenly stopped.

"Crack, click, click."

And at the next moment, the Black Rhinoceros armor automatically began to disintegrate, revealing the scene inside.

"hiss!"

When everyone saw the scene in front of them, they couldn't help but gasped.

It turned out that in the Black Rhino Armor, Hei Batian had been shattered into pieces by the terrifying force.

Already completely dead!

Otherwise, the Black Rhinoceros Armor would not disintegrate on its own initiative.

Because the maintenance of power has been lost.

"Shocked to death?!"

Countless disciples around saw this scene and couldn't help but have horror in their eyes.

At that time, they were deeply raped by Ye Feng.

The battle force was shocking.

If Ye Feng's previous killing of the little prince Jinpeng had left some people with doubts.

So now Ye Feng has once again killed Hei Batian, making everyone no longer doubt Ye Feng's terrifying combat power.

At this time, Ye Feng reached out and grabbed this set of powerful and special Black Rhinoceros armor into his hands, and then directly refined it.

"This is a nice set of armor!"

Ye Feng's eyes were very happy.

Able to withstand the attack of the red python giant sword.

This set of black rhinoceros armor is at least the quality of the Hedao realm.

Maybe even higher.

Because the red python giant sword cannot break through the defense of the black rhinoceros armor.

At this time, when Ye Feng was collecting the Black Rhino Armor, he also absorbed and swallowed up all the blood energy of Hei Batian while no one was paying attention.

However, Ye Feng did not break through on the spot because it needed to retain this energy as an energy supply for the subsequent challenges.

Ye Feng had already seen that the moment he killed Black Batian, the eyes of a group of top geniuses under the competition stage looked at him, full of fighting spirit and murderous intent.

The fighting intent comes from the top geniuses who are not members of the Gods Association, while the killing intent comes from those members of the Gods Association.

No matter what the situation was, Ye Feng knew that he would face a stormy challenge next.

So just now Ye Feng directly attacked with great force, instantly shattering Hei Batian to avoid being stopped by the great elder.

Sure enough, at this moment, the eyes of the great elder who presided over the competition immediately became extremely shocked.

He is a member of the Association of Gods, and this time he came to host the outer sect competition was personally arranged by the president of the Association of Gods.

It was originally intended to prevent others from causing harm to members of the Council of Gods.

But the great elder never expected that Hei Batian would die instantly, and he had no time to stop it.

In this situation, Ye Feng cannot be held accountable at all.

Because during the outer sect competition, the upper echelons of the Holy Land had already stipulated that although it was explicitly forbidden for the competing disciples to kill each other, after all, in this kind of competition, there would inevitably be some casualties among the warriors.

like

If the killing was caused by mistake, according to the rules of the outer sect competition, there is no need to be held accountable.

So at this time, although the great elder was extremely frightened and angry, he could not get angry at Ye Feng. How could Hei Batian be so weak? Even though he was wearing black rhino armor, he was shattered by Ye Feng's sword.

At this time, the great elder said: "Is there anyone else who wants to challenge Ye Feng?"

At this moment, it seemed that everyone was still shocked by the tragic scene where Hei Batian was instantly shattered.

Even a few members of the Gods Association were a little hesitant at this moment, and they didn't dare to go to the fighting platform to fight Ye Feng.

Originally, they were fighting a war of attrition. Even if they couldn't defeat Ye Feng, they could go up one by one and consume Ye Feng's power.

But now Ye Feng killed Hei Batian instantly, without giving his opponent a chance to escape and react.

So at this time, many members of the Gods Association hesitated, and for a while no one dared to challenge Ye Feng.

"how so....."

When the great elder saw this scene, his heart suddenly sank.

Their Gods Association had carefully arranged so many things, but they didn't expect that they would all be deciphered one by one by Ye Feng.

After all, no one expected Ye Feng, a new disciple, to become so powerful all of a sudden.

"Yes, your strength impresses everyone, so let me challenge you."

Suddenly at this time, a very chic and lonely voice sounded.

In everyone's field of vision, they saw a man in white clothes carrying a black sword on his back walking towards the competition stage.

"It's Brother Sword Soul!!"

"Senior Brother Jianhun is a strong candidate for the first place this time. He is going to take action so soon?"

"I'm so looking forward to it! One is the most powerful among the veteran disciples in the outer sect competition! The other is a new disciple, but he is a big dark horse!"

"Are we going to see the final battle so soon? Who will win?"

...

At this moment, countless disciples watching around him became excited.

After all, no one expected that Sword Soul, the recognized number one in the outer sect, would directly choose to challenge.

This is simply a strong showdown!

Chapter 2076 A happy hunt

The sword spirit's attack at this moment instantly ignited the atmosphere of the entire venue.

Because in the minds of all outer sect disciples, the sword soul can be said to be the most mysterious and powerful existence in the outer sect.

He is recognized as number one in the hearts of all outer disciples.

No one expected that Brother Jianhun would come on stage so quickly.

Even Ye Feng himself looked a little surprised at this time.

Because this sword soul is not a member of the Gods Association.

There was no need for him to come on so quickly.

Ye Feng looked at the sword spirit who was slowly walking to the competition stage, and said in a voice that could only be heard by two people: "You don't have to come up so quickly, I want to kill a few more gods." member."

Sword Soul shook his head and said: "As a disciple of Qingtian Holy Land, I don't want to see you killing each other."

Ye Feng smiled and said aloud: "I don't want to either, but those guys from the Gods Association won't let me go."

Sword Soul frowned when he heard what Ye Feng said, and then said: "I can reconcile it."

Sword Soul said this, it seems that his identity is very unusual.

Ye Feng shook his head and said: "I understand your kindness, but it is not necessary. Only one of the gods and me can survive."

When Sword Soul heard what Ye Feng said, his eyes showed a trace of inexplicable expression, and he slowly said: "Let's not talk so much, let's just fight. As long as I defeat you, you don't have to fight with other people anymore." Massacre."

Ye Feng said with a smile: "Okay, then I will learn from Brother Jianhun's clever tricks."

Uh-huh!

Almost at this moment, the sword spirit took action.

A dark sword appeared in his hand. I don't know when it flashed in front of Ye Feng. The sword light was about to pierce Ye Feng's throat.

quick!

Incredibly fast!

Everyone below did not see how the sword soul appeared in front of Ye Feng.

It was like a flash passed by.

The distance in space seems to be non-existent to Sword Soul.

\u003e

This is the practice of swordsmanship to an extreme level!

UI!

Especially sword cultivators can produce unparalleled destructive power and attack power with extreme speed.

"when!"

Suddenly at this moment, a piece of dark armor suddenly appeared on Ye Feng's body.

It was the Black Rhinoceros armor he had just refined!

It directly blocked Sword Soul's sword.

At this time, Ye Feng looked at the sword spirit in front of him and said loudly: "Your sword is indeed very fast, so I can't even notice it."

At this time, Sword Soul put away the sword and stood up, saying loudly: "That's because I am a higher realm than you."

After saying that, Sword Soul actually stopped taking action, and instead took the initiative to walk towards the bottom of the competition stage, and then disappeared into the crowd.

"Is this... a direct admission of defeat?"

All the disciples were shocked by the scene in front of them.

Ye Feng just looked at the back of Sword Soul with a hint of surprise in his eyes.

He didn't expect that this person had quite a personality.

Yi Jian walked off the stage without defeating himself.

It seems that he is unwilling to take action again.

In fact, Ye Feng still has some fears about Sword Soul. The only person in the audience who can make Ye Feng feel this way is Sword Soul.

The great elder who was presiding at this time immediately said: "Who else wants to continue the challenge?"

No one can decide who is stronger or weaker between Sword Soul and Ye Feng.

This stopped many members of the Gods Association from wanting to see how strong Ye Feng was.

Many members of the Gods Society were very hesitant at this time.

"I would like to respect Ye Feng as the first in this outer sect competition."

Suddenly at this moment, a beautiful young girl wearing a pink dress appeared

The young woman spoke up.

That turned out to be the Flower Fairy!

He is as famous as Sword Soul among the outer sects.

"Flower Fairy actually gave up on her own initiative?"

When many disciples saw this scene, their faces became even more shocked.

None of them expected that Ye Feng would eventually defeat the enemy without fighting.

How powerful must this be to be able to do this? .??.

At this moment, all the disciples looked at Ye Feng with eyes full of deep awe.

They witnessed the birth of a new king with their own eyes!

At this time, Ye Feng suddenly spoke up: "All the members of the Gods Association below, I know that you all want to kill me, so I will give you a chance now. All of you members of the Gods Association come together, and we How about signing a life-and-death contract and not stopping fighting until one party dies?"

"What?!"

Almost as soon as Ye Feng finished speaking, the entire field suddenly fell into a huge boil.

"This Ye Feng! You want all the members of the Gods Association to come together?"

"What's going on? Why did Ye Feng get into trouble with the Gods Association?"

"This Ye Feng is too arrogant! You must know that among the top outer disciples, there are more than a dozen members of the Gods Association! All of them are Hunyuan realm powerhouses, and they are comparable to Hei Batian. Existence! Is this Ye Feng going to sign a life-and-death contract together? "

...

Almost at this moment, countless disciples around him screamed in surprise, as if they couldn't believe that Ye Feng would say such domineering words.

"This is no longer overbearing!"

"This is irrational! This is impulsive!"

"Is this Ye Feng out of his mind?"

...

At this moment, everyone couldn't help but speak out.

Even the presiding elder has a face at this moment.

He looked at Ye Feng with an incredible look on his face, as if he didn't expect Ye Feng to say such words.

Isn't this sending someone to death?

But the great elder immediately seized this opportunity and said quickly: "Why don't you hurry up and come up!"

Swish, swish, swish!

Almost at this moment, more than a dozen members of the Hunyuan Realm level of the Gods Association immediately jumped onto the competition stage.

Their eyes staring at Ye Feng were full of deep astonishment, but then they revealed deep ridicule.

"Ye Feng! You will definitely pay the price for your arrogance today!"

More than a dozen members of the speaking club couldn't help but speak out.

At this moment, Ye Feng said: "Since you are on stage, it means that you have agreed to the life and death contract. Okay, you just take action, otherwise I'm afraid you won't have the chance to take action later."

"Arrogant!"

"presumptuous!"

"Too arrogant!"

"You must die!"

...

Almost at this moment, more than a dozen powerful members of the Gods Association immediately attacked and killed Ye Feng crazily.

If it's one-on-one, they are really scared.

At this time, more than a dozen people came together, and they felt that Ye Feng was bound to die!

At this time, Ye Feng had a sneer on his face.

The reason why he said such arrogant words was not only to undermine the prestige of the Gods Association under the spotlight, but also had another important purpose, that is, Ye Feng wanted to plunder the cultivation aura of more than a dozen core members of the Gods Association.

Those are great tonics!

Don't waste it!

That's why Ye Feng asked more than a dozen members of the Gods Association to deal with him, so that they dared to take the stage.

"This time, let's have a good hunt!"

Ye Feng also let out a loud roar at this time, and instantly held the red python giant sword in his hand, and slashed wildly at the dozen members of the Gods Association who were rushing forward.

Chapter 2077 The arrival of Xiao Tianshen

Boom!

Boom! !

The moment the two sides took action, a huge collision and roar suddenly sounded across the entire decisive battle stage.

The entire competition platform was shaking violently, and it seemed that it was about to collapse because it could no longer hold up.

This collision was absolutely terrifying.

Because this is not just two people competing.

This is a dozen people fighting together!

More than a dozen members of the Gods Association attacked Ye Feng together.

This scene is very shocking.

All the outer disciples watching below were stunned by the scene in front of them and were in a daze.

Because they really couldn't imagine that it would be such a result in the end.

Just pick a dozen people by yourself!

It is a feat that has never happened before!

"Boom!"

At this moment, Ye Feng exploded with all his power, inputting all the mana into the giant red python sword in his hand. In an instant, he slashed with a terrifying and earth-shattering sword light, which simply tore apart the heaven and the earth. People can stop it.

"Boom!!"

The terrifying huge sword light struck down in an instant, and the dozen or so members of the Gods Association were suddenly unable to resist, and they were all sent flying. It was true that two members were the most powerful among the dozen or so because of their cultivation. He was so weak that his body was chopped into pieces.

"What?!"

Seeing the damage caused by Ye Feng's terrifying sword, countless disciples around him couldn't help but scream in surprise.

Even the great elder who was presiding over it suddenly had his old eyes widened, as if he couldn't believe what was happening in front of him.

A dozen extremely powerful Hunyuan realm disciples of the Gods Association, all top geniuses, were all knocked away by Ye Feng's sword at this time?

A few even died in an instant!

How can this be?

"It's incredible!"

Even the many inner disciples and other guardian elders who were watching around were deeply shocked when they saw this scene.

No one thought that Ye Feng's true combat power was so strong!

"powerful!"

"Incredibly powerful!"

Even if it is Qingtian Saint

The group of pretentious geniuses in the ground couldn't help but shout in shock at this moment.

"How is it possible that a dozen of us can't defeat one of him?"

"This Ye Feng's cultivation level is still one level weaker than ours!"

The group of members of the Gods Association who were sent flying had their eyes widened at this moment, and they were somewhat doubtful about life.

After all, they thought that if a dozen of them united together, they would directly crush this boy Ye Feng.

But I didn't expect that Ye Feng's final attack would be a thunderous and terrifying attack, and more than a dozen of them were all knocked away together.

It's incredible!

At this moment, more than a dozen members of the Society of Gods felt despair and powerlessness in their hearts.

This human boy is simply too powerful to deal with.

"We admit defeat!"

Suddenly at this moment, all the dozen or so members of the Gods Association gave up.

"We have already signed a life and death contract, there is no point in admitting defeat!"

At this time, Ye Feng's eyes were filled with murderous intent.

He took the red python giant sword and slashed at more than a dozen members of the Gods Association crazily without any mercy at all.

For Ye Feng now, everyone in the Gods Association is an enemy.

So now that he had the opportunity to kill them, Ye Feng would not waste this opportunity and kill them mercilessly.

"stop!"

When the great elder saw this scene, he immediately roared angrily and wanted to stop it.

But it's too late.

"Boom!"

At this time, under the crazy attack of Ye Feng's red python giant sword, more than a dozen disciples of the Gods Association had no time to dodge and block, and were directly cut into many pieces.

While Ye Feng took advantage of the sword light to cover the entire space, he quickly absorbed and devoured the blood essence of a group of members of the Gods Association.

"What?!"

At this moment, the entire field was in a state of chaos.

Because all the members of the Society of Gods died.

All were given by Ye Feng

Killed mercilessly.

This is so crazy!

In Qingtian Holy Land, even the strong ones in the inner sect dare not provoke the Gods Association.

Even some noble guardian elders voluntarily joined the Gods Association, because Xiao Tianshen, the president of the Gods Association, is so powerful that he is simply a stunningly talented and beautiful being. Even the Holy Lord of the Blue Sky Holy Land, They all valued Xiao Tianshen extremely, and treated him as if he were their own son.

Therefore, in the entire Blue Sky Holy Land, there has never been anyone who dared to resist the Gods Association.

But now, under the spotlight of everyone, Ye Feng killed so many members of the Gods Association at once, leaving everyone stunned.

"Is this Ye Feng really not afraid of death?"

Everyone was shocked.

Because this is definitely the first person in the history of Qingtian Holy Land who dares to do this.

The members of the Gods Association were killed under the spotlight.

And he killed so many.

This is tantamount to completely breaking up with the Gods Association!

The consequences can be imagined, they are absolutely extremely serious!

So at this time, many outer disciples looked at Ye Feng as if they were looking at a dying person.

At this time, when the great elder saw that he had failed to stop him, he became furious and shouted loudly: "Ye Feng! You are so brave! You actually killed all the members of our Gods Association. ! You have simply committed a heinous crime!"

Ye Feng's face was still very calm at this time. He looked at the great elder and said coldly: "A heinous crime? This is a fair duel! Before I came on stage, I already said that we signed a life and

death contract with each other, so I will kill him now They have completed the contract. This is a normal thing, so why is it a crime? "

When the great elder heard what Ye Feng said, his face suddenly turned livid.

really!

Before taking power, both parties did sign a life and death contract.

At that time, the elder was very happy and felt that Ye Feng was very stupid and would definitely die.

But in the end, I never expected that Ye Feng would be so powerful and directly killed more than a dozen masters of the Gods Association. He was so shocked that his eyes dropped all over the place.

Since the life and death contract is very sacred, the great elder didn't know what to say for a moment. After all, this happened under the public eye and everyone was a witness. If the great elder forced Ye Feng, It is very likely that he will lose all his prestige.

"After this battle, Ye Feng's name may be resounding throughout the outer sect! Even throughout the entire Qingtian Holy Land!"

At this time, many people couldn't help but speak out.

In their eyes, Ye Feng is now considered a newly born king!

"Buzz!"

But suddenly at this moment, a huge and terrifying aura, like the pressure of heaven and earth, suddenly descended from high in the sky and directly covered the entire place.

"Crunch, crunch..."

At this moment, everyone in the room, not to mention a group of ordinary outer disciples, even the elders and guardians who presided over the competition, felt a huge and boundless pressure in an instant, and it came upon them. , as if it was about to be bent.

"What a terrifying power and aura!"

Everyone was stunned, no one expected that such a huge momentum would suddenly come.

"What a powerful cultivation level!"

At this moment, even Ye Feng himself felt a huge pressure coming on him in an instant, which even he could not resist.

You know, this is just momentum!

Even the momentum is somewhat irresistible, so how terrifying will the existence that is about to come be?

Buzz!

Suddenly at this moment, a space crack appeared high in the sky.

A tall and majestic young man walked out of the crack in space, wearing a black robe, with his hands behind his back, his shoulders towering like a god, and his eyes were as deep and boundless as two abyss. He looked extremely terrifying, simply... It was like an ancient demon god had arrived.

"This is....."

"Senior Brother Xiao Tianshen!"

Almost at this moment, all the disciples in the entire competition field were boiling.

No one expected that Xiao Tianshen, the president of the Gods Association and the top young talent in the four major regions, would suddenly arrive!

Chapter 2078 Obliteration

I have to say that Xiao Tianshen is indeed extremely powerful.

As the president of the Association of Gods, he is also one of the top young talents in the four major regions.

His strength and cultivation have simply reached an unpredictable and terrifying level.

No one knows how powerful he is.

Even some of the elders and powerful men in Qingtian Holy Land are no match for Xiao Tianshen.

When he was at the ruins of the Immortal Palace, Xiao Tianshen was able to withstand the combined attacks of three other top young talents by himself, only suffering some injuries, which shows how powerful he is.

Perhaps, Xiao Tianshen will soon become the most powerful leader of the younger generation in the Alliance Land!

"Senior Brother Xiao Tianshen is just like a god!"

At this moment, many members of the Gods Society present showed deep awe and admiration in their eyes.

Even if they are not members of the Gods Association, many outer sect disciples, including inner sect disciples, and some outer sect guardian elders, saw the appearance of Xiao Tianshen at this moment, and they all felt a deep tension in their hearts. , and excitement.

Because Xiao Tianshen is a legendary figure in Qingtian Holy Land.

Many people want to have a glimpse of its true appearance.

But there was no chance.

But now Xiao Tianshen actually came on his own initiative, which naturally aroused the cheers of countless people in the audience.

This shows how strong Xiao Tianshen's prestige is in the entire Qingtian Holy Land.

Moreover, Xiao Tianshen is not only very powerful himself, but the Association of Gods he founded is also very famous, with influence throughout the entire Blue Sky Holy Land, and even many powerful casual cultivators outside the Blue Sky Holy Land, including some core disciples from other Holy Lands. They are fans of Xiao Tianshen, and they all follow the footsteps of the Gods Association.

That's why Xiao Tianshen was able to become a legend in the entire alliance.

In any case, Xiao Tianshen is under everyone's control

In my mind, he was definitely the top big shot, a legendary figure who never saw the end of the dragon.

Buzz!

And almost at the moment Xiao Tianshen arrived, a terrifying coercion emanated from his body in an instant, and then swept away in the direction of Ye Feng.

Obviously, Xiao Tianshen came here just to deal with Ye Feng.

He wanted to use the strongest means to directly wipe Ye Feng out of this world.

Ye Feng felt the terrifying momentum sweeping over him at this time, and his whole body quickly retreated.

There was a look of shock and anger in his eyes. He never thought that Xiao Tianshen would be so unscrupulous. It was as if he had the power of life and death in his hand. In an instant, he made the

first move against himself, the first person in the competition outside, without even caring about it. Without any rules or restrictions, you can simply kill whoever you want.

"Senior Brother Xiao Tianshen is really here for Ye Feng, a dark horse!"

"I just said that Ye Feng killed more than a dozen members of the Gods Association at once, which would definitely arouse the anger of the upper echelons of the Gods Association, but I didn't expect that it would directly attract Senior Brother Xiao Tianshen!"

"I'm afraid Ye Feng will really die without a burial now, because even some of the Supreme Elders in the inner sect dare not stop Xiao Tianshen's attack."

"Xiao Tianshen is not only extremely powerful in his own cultivation, but the association of gods he created is even more powerful. There is also another one, our Holy Lord of Qingtian Holy Land, who loves Xiao Tianshen so much that he treats him like his own. He is treated like his own son, so Xiao Tianshen simply has supreme privileges in our Qingtian Holy Land."

...

At this time, countless disciples around could not help but talk about it.

, eyes full of horror.

At this time, Xiao Tianshen was standing high in the sky, with a tall body, looking like an ancient demon god, overlooking the entire earth.

He stared at Ye Feng, who was retreating quickly, with a kind of contempt in his eyes like looking at ants, and made a voice like the power of heaven: "A little flea dares to disobey the assembly of gods again and again. Today I come here in person, just to I'll crush you ant to death."

At this time, Xiao Tianshen's words were very cold and biting, and he said them directly, which shows that he is domineering and arrogant, and he does not pay attention to any rules or restrictions at all.

Ye Feng's eyes were full of shock and anger, and he shouted loudly: "Xiao Tianshen! You are violating the rules of the entire holy land! Do you think you are above the entire Qingtian Holy Land!"

At this time, Ye Feng directly gave Xiao Tianshen a big hat.

Xiao Tianshen's expression was calm and he said calmly: "All conspiracies and tricks pale in front of real power. Even if you give me such a big label, I don't care at all, because you are in my eyes." You are just like an ant. After I kill you, there will be no consequences at all. Besides, who gave you the courage to question me? "

Boom! .??.

At this time, Xiao Tianshen actually took the initiative.

He directly stretched out a hand and grabbed it from the sky like a real god.

Boom!

Suddenly, a big black hand that covered the sky and sun appeared on the entire field. It was filled with endless pressure and descended in an instant.

The whole world seems to be covered.

Ye Feng was retreating crazily.

But he found that he could not hide from the entire area covered by this big black hand.

r\u003e

Even the space gem was unable to secretly break Xiao Tianshen's restraint at this time.

"Xiao Tianshen! Stop!"

Suddenly at this moment, a loud roar suddenly sounded.

Leng Xingchen flashed from a direction not far away, and then stood beside Ye Feng. He held a long sword in his hand and slashed directly at the big hand in the sky.

"Crack!"

The big black hand was cut in half by Leng Xingchen in an instant.

"Uncle Master!"

Seeing Leng Xingchen's arrival, Ye Feng's eyes suddenly lit up with joy.

But at this moment, Leng Xingchen's expression was extremely solemn.

Obviously, even a strong man like Leng Xingchen felt huge pressure when facing Xiao Tianshen not far away.

"You are too brave."

Xiao Tianshen stared at Leng Xingchen who suddenly took action. He put his hands behind his back and said lightly: "Leng Xingchen, you'd better not get involved in this matter, otherwise you won't be able to bear the consequences."

Leng Xingchen said aloud: "The Blue Sky Holy Land has the rules of the Blue Sky Holy Land. If you take action now under the spotlight, it is a great disrespect to the rules of the entire Blue Sky Holy Land. Ye Feng is the first in the outer sect competition this time, and he is destined to be the same in the future. Our Qingtian Holy Land's peerless genius, now you want to directly kill him because of personal grudges, I'm afraid everyone will not agree, you are simply killing the new generation blood of the entire Blue Sky Holy Land!"

Xiao Tianshen's face was still very calm at this time, but the murderous look in his eyes was getting colder and colder. He stared at Leng Xingchen and said slowly: "It's useless what you say, today I will kill this boy named Ye Feng! For the sake of your sister, I'll give you three breaths, Leng Xingchen. If you don't retreat, don't blame me for killing you too!"

Chapter 2079 Leng Qingxue takes action

What Xiao Tianshen said at this moment was simply overbearing to the extreme.

In his current state, he is simply killing gods and Buddhas.

Xiao Tianshen is definitely a being with a strong will to kill.

Even if it is an ant, once he is tempted to kill, he will not let it go.

At this time, Leng Xingchen suddenly became angry when he heard what Xiao Tianshen said.

"Qiang Qiang Qiang!"

The long sword in his hand suddenly made a terrifying clanging sound.

Xiao Tianshen smiled coldly at this time and said aloud: "Leng Xingchen, you are indeed a rare genius, but in front of me, you are not strong enough. Go back and practice for another ten years!"

Boom!

Almost at the moment Xiao Tianshen's voice fell, Leng Xingchen couldn't bear it anymore, so he directly held the battle sword in his hand and used his most powerful attack method.

"The music of Ragnarok!"

At this time, Leng Xingchen unleashed his most stunning sword strike.

This is a supreme secret art of swordsmanship, full of extremely terrifying attack power and destructive power.

This is a very terrifying swordsmanship inheritance from Qingtian Holy Land!

At this moment, Leng Xingchen burst out with this sword, and the sword in his hand suddenly turned into thousands of sword lights, playing the music of Ragnarok, full of unparalleled killing and destructive power.

"The mantis blocks the car!"

When Xiao Tianshen saw Leng Xingchen slashing towards him, his eyes suddenly turned cold.

"Master Panwu!"

Xiao Tianshen stretched out one hand and pressed forward.

This is not an ordinary palm, but a terrifying inheritance.

"Boom!"

A big black hand that was even more majestic and vast than before appeared on the field in an instant, full of unparalleled heaviness, like an ancient sacred mountain pressing down. It was impossible to resist, and it was facing Leng Xingchen all of a sudden. Press in the direction from which you are coming.

"Kacha kacha..."

br

Almost at this moment, that big martial hand was like a copper wall and an iron wall, like the palm of a god, capable of suppressing all turmoil in the world.

All the thousands of sword lights erupted by Leng Xingchen were crushed by that giant Panwu hand in that instant.

"What?!"

Countless people on the field saw this scene and were all frightened.

After all, Leng Xingchen is considered a veteran superpower in the Blue Sky Holy Land, a powerful person almost second only to the masters of the six major temples.

But Xiao Tianshen actually crushed Leng Xingchen's strongest sword attack technique with one hand.

This scene is really shocking!

"It is said that Senior Brother Xiao Tianshen received the inheritance from the ancient Panwu God. It is indeed extremely powerful!"

"I also know a secret. It is said that Senior Brother Xiao Tianshen once fell into the inheritance place of Panwu God. Senior Brother Xiao Tianshen was originally a descendant of the ancient gods, and he received the inheritance of Panwu God. It is said that he also fused a Only the palm left by Lord Panwu became so powerful!"

"The big Panwu hand that Senior Brother Xiao Tianshen stretched out just now might be the palm of Pangu God that he fused. That's why it has such terrifying power. It's like the palm of an ancient god. The same thing, all of Leng Xingchen's attacks were destroyed at once!"

...

Countless disciples were shocked at this time, and their eyes were dull.

The power shown by Xiao Tianshen really shocked everyone to the extreme and was simply irresistible.

"puff!"

At this moment, as thousands of sword lights were crushed by Xiao Tianshen, Leng Xingchen suddenly fell out of the chaos and spat out a mouthful of blood, obviously suffering heavy injuries.

"How can you be so strong..."

At this moment, Leng Xingchen's eyes were filled with horror.

You know, ten years ago, Xiao Tianshen was still his junior.

But after ten years, Xiao Tianshen had grown to a point where even Leng Xingchen was unable to fight against him.

"Uncle, are you okay?"

At this time, Ye Feng ducked beside Leng Xingchen and couldn't help but speak out.

"I'm fine."

Leng Xingchen shook his head. At this moment, even he felt an overwhelming sense of powerlessness.

"You are like a bunch of ants, all of them must die! This era only belongs to me!"

Xiao Tianshen shouted loudly and once again used Panwu's big hand.

An endless hand of darkness descended in an instant.

The entire space began to distort, as if it was about to be crushed.

Leng Xingchen roared loudly at this time and frantically attacked the big black hand in the sky.

But this giant panwu hand was so terrifying, it was like an ancient mountain falling down, and it was impossible to resist it with human power.

"Crack, click, click..."

In an instant, the space where Ye Feng and Leng Xingchen were standing was shattered inch by inch.

The two of them immediately felt that their entire bodies were rapidly disintegrating, and they would completely fall down the next moment.

"Buzz!"

But at this moment, an extremely strange energy suddenly appeared around the two of them, dispelling all the oppressive force caused by the giant hand.

Buzz!

The void around the two people cracked, and an extremely beautiful and cold figure came out.

It is Leng Qingxue, the master of the Temple of Fate!

"elder sister!"

"Master!"

Leng Xingchen and Ye Feng both burst into surprise at this moment.

cold star

Chen's eyes were filled with excitement and he said, "Sister, if you come out of seclusion a little later, you might not be able to see the two of us."

Ye Feng said aloud: "Master, I have caused trouble for you."

Leng Qingxue didn't say anything, just a pair of cold and beautiful eyes, staring at the big Panwu hand in the sky that was about to suppress it, and suddenly said: "Little fate technique."

Wow!

The entire space and time dissipated like a point of light.

When the Panwu big hand came into contact with the little destiny technique performed by Leng Qingxue, it immediately disintegrated inch by inch and turned into nothingness.

"Little destiny magic?"

Xiao Tianshen frowned slightly when he saw Leng Qingxue taking action at this time.

He did not expect that this boy Ye Feng could really attract the attention of the master of the Temple of Fate.

At this time, Xiao Tianshen stared at Leng Qingxue and said loudly: "Leng Qingxue, this ant-like boy, are you really willing to offend me for him?"

Leng Qingxue's face showed no fluctuation, and she said indifferently: "He is my apprentice, you can't take action against him, at least not now. If he is in the same realm as you, I will not interfere in the grudges between you, then you now If the big one bullies the small ones, I won't sit idly by, otherwise I, as a master, may become incompetent."

Xiao Tianshen suddenly fell silent when he heard Leng Qingxue speak so firmly.

But the next moment, Xiao Tianshen's eyes suddenly burst out with a terrifying murderous light: "Leng Qingxue! Even if you stop me today, I will kill this kid! It just so happens that I haven't fought with you for many years. Well, this time I want to see if my latest secret technique can break your rumored magical little destiny technique!"

"Destroy God!"

Almost at this moment, Xiao Tianshen slowly spit out two words.

Then his whole body actually merged with the entire world, and infinite doomsday energy suddenly appeared in the entire world, as if it was going to destroy everything.

This is an extremely terrifying technique of destruction!

Chapter 2080 Wind God

I have to say that Xiao Tianshen is still very scary.

At this moment, he instantly released the extremely terrifying destructive technique of "God Destruction".

The kind of power that was released really seemed to be able to destroy lives.

A dark, apocalyptic energy frenzy swept the entire world in an instant.

It seemed as if the entire universe was about to be shattered at this moment!

This is an extremely terrifying scene!

"Little destiny magic!"

Leng Qingxue didn't hesitate at this time. Faced with such a terrifying and powerful attack, she directly used her most powerful little fate technique.

Little fatalism may sound inconspicuous.

But once released, it does have a wonderful ability to change destiny and change the world.

At this time, after Leng Qingxue released the Little Fate Technique, a strange energy immediately resisted the energy frenzy that seemed to be able to destroy the world.

"It's useless! This secret technique is the most powerful secret technique of destruction that I got from the ruins of the Immortal Palace! Leng Qingxue, although you are the master of the Temple of Fate, you are not my opponent after all, especially me. Now after unleashing the most powerful attack, your little destiny spell has not evolved into the most powerful great destiny spell, so you can't resist me!"

Xiao Tianshen roared loudly at this time, his tone full of deep domineering meaning.

Obviously he didn't even pay attention to Leng Qingxue.

"Destroy God!"

At this moment, Xiao Tianshen once again released this terrifying and boundless attack.

And he also stretched out a hand, which instantly turned into a heavy and towering Panwu hand, bombarding it directly from the sky, carrying the power of destroying gods, which was simply terrifying to the extreme.

"Crack, click, click..."

Even the defensive light shield formed by the small destiny technique released by Leng Qingxue at this time suddenly appeared cracks, as if it would be completely shattered in the next moment.

A feeling of despair suddenly spread on the field.

Leng Xingchen's eyes widened at this time, and he couldn't help but said aloud: "What level has this Xiao Tianshen reached now? How can he be so powerful? Even your little destiny technique, sister, can't deal with him!"

At this time, Ye Feng looked at the sky

At that scene full of infinite destructive power, at this moment, countless anger surged out of my heart.

strength!

I still need more powerful power!

Leng Qingxue's indifferent and beautiful face at this time also showed a hint of paleness.

Obviously, even she was unable to withstand Xiao Tianshen's terrifying attack.

"Boom!!"

Suddenly at this moment, a blue light suddenly came down from high in the sky, and it immediately repelled the two fighting parties.

"What?"

When everyone saw this scene, they couldn't help but change their expressions.

Who is so powerful that he can repulse the battles between Leng Qingxue and Xiao Tianshen respectively.

"Who dares to stop me?"

At this moment, Xiao Tianshen's eyes suddenly showed a look of violence.

"Buzz!"

At this time, where Ye Feng and the others were standing, a tall figure made of blue light suddenly appeared in the space. His face could not be seen clearly. His whole body was made of divine light, but he exuded an extremely terrifying light. pressure.

"This is... the Feng Shen Faxiang!"

"It's the legendary master of the Wind Temple!"

"He is the most mysterious wind god among the six major temples of our Qingtian Holy Land!"

"It is said that this Wind God comes from the Wind God Clan, one of the top 100 divine races in our God Realm. The Wind God Clan established the Wind God Temple in our Qingtian Holy Land. Even our Holy Lord must show courtesy to him."

"But why does such a powerful person suddenly take action, and it seems to be to help Ye Feng? Ye Feng is just an ordinary new disciple! And he is still a weak human race."

...

At this time, everyone on the scene saw this scene. Whether they were disciples or other elders and guardians, their eyes showed confusion and horror.

Even Leng Xingchen and Leng Qingxue, who were standing next to Ye Feng, had surprised expressions in their eyes at this moment, as if they had not expected the mysterious person.

Wind God, the master of the Wind Temple, actually took the initiative to help them.

Leng Xingchen whispered: "Sister, does Fengshen owe you a favor?"

Leng Qingxue shook her head in confusion and said: "Although we are both the masters of the six major temples, Fengshen can be said to be my senior, and I don't have much interaction with him. Such an elder figure also I don't bother to communicate with a junior like me who comes from behind."

Leng Xingchen couldn't help but said: "Then why did this old Fengshen suddenly help us?"

At this time, Ye Feng's eyes flashed.

The master of the Wind Temple?

"Could it be that Junior Sister Fengling invited this old senior to help me?"

Ye Feng immediately thought of the Loulan Princess Fengling, who was now a disciple of the Wind Temple.

But what makes Ye Feng puzzled is that in his heart, Junior Sister Fengling is just an ordinary disciple similar to himself. Why can the most mysterious super senior in the Wind Temple take action?

It's really strange.

"Senior Fengshen."

Xiao Tianshen's eyes also showed surprise at this time. He stared at the tall figure made of blue energy standing in the void in front of him and said loudly: "Senior Fengshen, I respect you as the first generation of our Qingtian Holy Land. Senior, I don't want to take action against you, why do you want to help Ye Feng, a humble human kid?"

The tall energy shadow of Fengshen said: "Xiao Tianshen, this descendant of the human race is destined to be our little princess of the Fengshen tribe, so I want to protect him today, so you can just retreat."

"Ye Feng is destined to be the little princess of the Wind Temple?!"

At this moment, everyone present could not help but change their expressions after hearing Fengshen's words.

Then everyone's eyes showed deep envy.

Because the God of Wind said such words, it means that Ye Feng and the little princess of the God of Wind may really have some indescribable relationship.

The Wind God Temple represents a super powerful clan, the Wind God Clan, which is one of the top 100 divine clans in the God Realm!

Siblings Leng Qingxue and Leng Xingchen also stared at Ye Feng with some surprise at this time.

\u003c

br\u003e They seemed unable to believe that Ye Feng still had such a relationship in Qingtian Holy Land.

Ye Feng was also a little confused at this time.

Are you related to the little princess of the Wind God Clan?

what relationship?

Why don't I know it myself?

At this time, Xiao Tianshen showed an extremely cold expression on his face. He stared at the tall energy shadow of Fengshen and said slowly: "A human boy who is as humble as an ant can actually be so powerful. What a strong person to protect him, this is the first time I have met him in so many years."

After the words fell, Xiao Tianshen seemed to be very afraid of Fengshen, the first generation senior of Qingtian Holy Land.

He restrained his attack energy, then stared at Ye Feng, who was not far away, with eyes as deep as the abyss, and said an extremely cold word: "Ye Feng, I remember you, you are against our gods." , believe me, your end will be miserable."

Buzz!

After Xiao Tianshen's voice fell, his tall figure disappeared from the field in an instant.

Obviously, Xiao Tianshen compromised this time.

After all, Feng Shen is not a young temple master like Leng Qingxue. Feng Shen is an old senior from the first generation of the Blue Sky Holy Land. Moreover, the Wind God Clan comes from one of the top 100 god clans in the God Realm. Even the Holy Lord of the Blue Sky Holy Land has to show some courtesy. A powerful and noble existence.

"Thank you, old man Fengshen, for coming to the rescue!"

At this moment, Leng Qingxue and Leng Xingchen both clasped their fists and shouted at the phantom of the Wind God.

Ye Feng also hurriedly said: "Thank you, Senior Fengshen, for saving your life!"

Suddenly at this moment, Fengshen's voice came to Ye Feng's mind: "It was the girl Fengling who pestered me to take action. If you want to thank me, just thank the girl Fengling. Anyway, I feel indifferent to you." Nothing surprising."

After the words fell.

The tall energy shadow of the Wind God dissipated between the sky and the earth.

And the entire field also returned to calm.

Everyone took a deep breath. They didn't expect that today's small outer sect competition would involve the actions of so many super strong men and seniors. Now many outer sect disciples are involved. It's enough for the eyes.
