Chapter 2201 Soul Shocking

"Just let the two of you surrender. Resistance will only make your death more painful."

Three earthly supreme elders, who were at the tenth level of heavenly perfection, were walking down from high altitude at this moment.

They looked at the two young men, Ye Feng and Shangguan Mingyue, who were trapped by the formation lock below, as if they were looking at two lambs waiting to be slaughtered.

After all, Shangguan Mingyue's cultivation level is only at the tenth level of the Immortal Realm, while the stronger Ye Feng's cultivation level has only just stepped into the Earth Supreme realm.

Therefore, the three of them are elders who have the perfect cultivation of the Supreme Tenth Level of Heaven. At this moment, they are not wary of these two young people at all. Instead, they walk down from the sky very easily, like a cat playing with a mouse. Looking at the two of them with the same smile.

At this moment, Ye Feng walked in front of Shangguan Mingyue, alone, facing the three elders of the Black River Holy Land who came down from high altitude.

Shangguan Mingyue whispered: "Ye Feng, be careful. These three elders are the three most powerful elders in our Black River Holy Land. They are ranked first, second and third respectively, second only to the punishment elder. Each of them has their own strength. They are all very powerful."

Hearing this, Ye Feng just smiled slightly and said: "Don't worry, leave everything to me. If I can't deal with these trash fish, then how should I deal with Xiao Tianshen."

"Trash fish?"

Many masters from the Black River Holy Land around heard Ye Feng's words and couldn't help but twitch the corners of their mouths.

Ye Feng, a young man, is so arrogant that he dares to directly call the three most powerful elders of the Black River Holy Land "Zongyu"?

"presumptuous!"

The three elders all had deep anger in their eyes at this time.

Because they feel insulted.

A powerful and boundless terrifying aura erupted from the great elder's body in an instant.

That is the powerful aura of the Earth Supreme Tenth Heavenly Dzogchen level cultivation!

At this time, something appeared on the great elder

Long black rivers rushed out of his body and surrounded him. The river was vast and filled with an unparalleled sense of oppression.

This is the most powerful inheritance of the Black River Holy Land: the black moat!

It can make a black river naturally appear around the cultivator, which can be used as both the most powerful defense method and an extremely ferocious attack method.

"Ye Feng! If you dare to appear in our Black River Holy Land today, you will die!"

At this time, the great elder was surrounded by a long black river. He looked like a dark king, full of unparalleled momentum. He sneered and said: "Ye Feng, although I will not kill you directly today, but I will destroy all your cultivation, and then hand you over to the Gods. You are destined to have a very cruel and miserable end! Just accept your fate! You are a little young man, compared to us. Just a junior!"

At this time, the great elder said that he immediately rushed towards Ye Feng.

Ye Feng's eyes showed no fear at this time. Instead, he stared at the rushing elder very calmly, with a disdainful smile on his face, and said loudly: "My strength is not that good, and there are so many nonsense! Then let's start from you. This great elder is going to kill!"

boom!

Almost at this moment, Ye Feng punched fiercely.

"The Ancient True Dragon Fist!"

This is a very powerful boxing technique!

At this time, Ye Feng blasted out fiercely, and his fist immediately turned into the head of an extremely majestic ancient dragon.

This is a powerful martial arts inheritance that Ye Feng got from the ancient sacred mountain trials. It is much more advanced than the martial arts inheritance that he learned before.

very

Multiple inheritances gradually failed to keep up with Ye Feng's improvement in cultivation.

However, the Taikoo True Dragon Fist is still able to satisfy Ye Feng's use.

"Boom!"

Ye Feng's fist suddenly turned into an ancient true dragon, full of unparalleled impact and destructive power, and instantly blasted through the black river around the Great Elder who rushed over not far away!

"What?"

When the great elder saw that his Heihe defense was suddenly broken through, his eyes immediately changed slightly.

"die!"

But before the great elder could react, Ye Feng's extremely ferocious real dragon fist had continued to bombard him, hitting the great elder's body directly.

"Pfft!"

The next moment, accompanied by the sound of flesh and blood being broken, Ye Feng's fist had punched through the great elder's body, leaving a bloody hole.

"ah!!"

The great elder immediately let out an earth-shattering scream at this moment.

He felt severe pain surging throughout his body, stimulating every nerve.

What's more, what scares the great elder is that his vitality is rapidly disappearing!

"No!!!"

The great elder wanted to retreat immediately, but Ye Feng would definitely not give him a chance.

At this time, Ye Feng stretched out his other hand, grabbed the great elder's body, and then tore it apart fiercely.

Wow!

The great elder's entire body was torn in half, and the sky was stained with blood!

This scene happened extremely quickly!

It was so fast that no one could react. The great elder had been torn in half!

"What?!"

"The great elder was killed instantly?"

"Torn apart by Ye Feng?"

"It's so scary!"

"How can this be?"

"Isn't Ye Feng a new disciple of Qingtian Holy Land? How could he be so powerful!"

...

Almost at this moment, the entire Black River Holy Land was boiling.

Countless masters of the Black River Holy Land, including the elders, protectors, and even many disciples of the Black River Holy Land, saw the bloody scene high in the sky, their eyes filled with deep horror.

Because they never thought that Ye Feng, a young boy, could be so powerful.

The Great Elder is one of the pillars of Heihe Holy Land in the minds of many people.

With a cultivation level like that of the Great Elder, even in the entire alliance of the four major regions, he is a first-class super strong man!

But at this moment.

The great elder had almost no chance to fight back and was torn to pieces by Ye Feng!

It has to be said that this scene caused a severe psychological shock to everyone present!

What a shock!

Even the remaining second elder and third elder were stopped high in the sky at this time, their whole bodies were trembling, and they did not dare to approach Ye Feng at all for a while.

"So powerful!"

Shangguan Mingyue also showed deep excitement in her beautiful eyes at this time.

Although she knew that Ye Feng would be very powerful after stepping into the Earth Supreme.

But what Shangguan Mingyue never expected was that Ye Feng's combat power would be so powerful.

It's simply unbelievable!

Even the punishment elder who now controls the entire Black River Holy Land, his eyelids twitched slightly at this moment, and he felt a feeling of fear.

Chapter 2202 Beaten on the spot

quiet!

Deadly quiet!

At this time, the entire field was completely silent.

All the masters of the Black River Holy Land were afraid to show their anger at this time.

Because Ye Feng actually tore the great elder into pieces in the air.

This scene really caused a lot of psychological shadow to many people.

At this time, after the punishment elder was briefly shocked, a look of deep anger immediately appeared on his face. .??.

The powerful cultivation aura of the Third Heavenly Sovereign suddenly burst out from his body.

The punishment elder's eyes were fixed on Ye Feng below for a moment, and he said coldly: "You little brat is so brave! How dare you kill the great elder of our Heihe Holy Land in our base camp of Heihe Holy Land! It's simply The sin is unforgivable!"

"The sin is unforgivable?"

Ye Feng suddenly smiled. There was no trace of fear on his face. Instead, he had a mocking smile. He looked at the punishment elder in the sky and said loudly: "Who are you? You dare to convict me." ?"

"presumptuous!"

Elder Punishment immediately yelled: "Don't think that you are invincible just because you killed the Great Elder. I am the Heavenly Supreme! Moreover, I have just secretly informed the super masters of the Gods Association that they will be here soon. ,You are dead!"

Upon hearing this, Ye Feng immediately walked slowly towards Elder Punishment and said, "Then I will kill you first. When some super masters from the Gods Association come, I will continue to kill them."

overbearing!

Extremely domineering!

Ye Feng's words at this time made everyone present feel a strong sense of confidence and domineering.

If it was before, they must have thought Ye Feng was very arrogant.

But I saw with my own eyes that Ye Feng tore the great elders of Heihe Holy Land into pieces in an instant.

Everyone knows that this young man looks harmless, but he is actually an extremely terrifying and ruthless person!

"I'll imprison you first!"

At this time, the current controller of the Black River Holy Land, Elder Punishment, finally took action.

"Rumble..."

Huge waves of Heavenly Sovereign-level terrifying aura instantly erupted from Elder Punishment.

Countless terrifying black oceans suddenly appeared in the entire void, filled with unparalleled pressure.

Obviously, Elder Punishment has understood the inheritance of Heihe Holy Land to a very complete level.

With just a movement of momentum, so many black rivers and oceans appeared.

It's really incredible.

"Elder Punishment finally takes action!"

"He is now the most powerful being in our Black River Holy Land!"

"We will definitely be able to suppress that Ye Feng directly!"

Countless disciples from the Black River Holy Land around them all made excited noises.

Because of the existence of the Heavenly Sovereign level, in their minds, he is definitely the most powerful person.

Among the four major domain alliances, it is almost invincible!

So at this time, Elder Punishment finally took action, making all the masters of Black River Holy Land unable to help but breathe a sigh of relief.

Once a heavenly supreme powerhouse like Elder Punishment takes action, it will definitely be stable.

At this time, Elder Punishment was surrounded by countless black rivers, filled with unparalleled aura.

At this time, he stared at Ye Feng from high in the sky and said loudly: "I can see that your face is very calm. It seems that you know nothing about real power. Facing the top level of this old man, The strong man is still indifferent. I have to say that this is not courage, but ignorance. "

Ye Feng suddenly laughed: "Are you the top powerhouse? I really want to laugh out loud! A heavenly supreme level existence may be the top powerhouse in the alliance land of the four major domains, but in the entire The northern land of the God Realm is nothing! In the ancient trial space, my vision has been infinitely expanded. Elder Punishment, don't have a sense of superiority anymore. In my eyes, you are just a soil person from a small place. He's just a rich man, he's just entered the early stage of Heavenly Supreme's cultivation and has nothing to show off."

Boom!

Almost at the moment Ye Feng finished speaking, Ye Feng's whole body suddenly erupted with an extremely powerful aura of cultivation!

At this moment, he released the cultivation of the Dzogchen future body.

In an instant, Ye Feng's cultivation level skyrocketed from the Earth Supreme Third Heaven level to the Earth Supreme Tenth Heaven Level Perfection state!

In a short period of time, Ye Feng will have a Dzogchen level of strength!

And at this moment, Ye Feng displayed the strongest inheritance he had received in the ancient trial space, the Ten Thousand Emperors Hegemon Body Technique!

"Boom!"

"Boom!"

"Boom..."

Almost at this moment, a dozen tall and majestic shadows of ancient human emperors appeared around Ye Feng, making Ye Feng's whole body like an ancient emperor surrounded by countless human emperors, full of energy. The scent of nobility and greatness.

"This momentum..."

At this time, Elder Punishment sensed the extremely fierce and terrifying aura emanating from Ye Feng.

He was about to say something.

"Boom!"

But Ye Feng had already taken action instantly.

At this time, Ye Feng was in his strongest cultivation state, and he also displayed the Ten Thousand Emperors Hegemony Technique.

Ye Feng rushed to the sky in an instant, and a huge tower appeared in his hand, which was the Giant Spirit Ancient God Tower.

But at this time, Ye Feng used the long ancient giant spirit tower directly as a vicissitudes of spear, and instantly stabbed it high in the sky. At this moment, it almost exploded. It has earth-shattering power, as if it can pierce the sky in an instant!

"Claws of Darkness!"

Seeing Ye Feng's terrifying attack, a powerful elder like Elder Xingxun was no longer calm. He instantly displayed a terrifying attack martial arts.

Claws of Darkness!

"boom!"

A very terrifying aura suddenly appeared in the sky. A dark claw composed of countless long black rivers, like the giant claw of an ancient dark beast, was grabbed from the sky in an instant, filled with unparalleled energy. His swiftness and dominance were overwhelming, as if he could tear everything apart.

"Boom!!"

Ye Feng held the Giant Spirit Ancient God Tower in his hand as a war spear, and directly collided with the dark giant claw.

An earth-shattering roar suddenly erupted from the entire sky.

The terrifying aftermath of the collision shattered the surrounding space.

"Crash!"

At once, countless buildings in the Black River Holy Land, countless palaces and pavilions, roads and floors were all shattered into pieces.

The aftermath of this collision of Heavenly Sovereign-level forces is truly terrifying.

"Quickly retreat!!"

At this moment, countless masters from the Black River Holy Land around, even Shangguan Mingyue, could not help but change their expressions at this moment, and quickly retreated crazily towards the rear.

Once swept by that kind of terrifying aftermath, I'm afraid even the earth's

A master of supreme cultivation will explode and die in an instant.

"Isn't this Ye Feng too scary? He is so young, he can actually fight with our punishment elder who has cultivated to the supreme level!"

The excitement on the faces of many experts from the Black River Holy Land disappeared at first, and now they all became a little worried.

"The Ancient True Dragon Fist!"

And at this moment, when Ye Feng used the Giant Spirit Ancient God Tower as a war spear to smash the claw of darkness in the sky, his other hand clenched his five fingers into a fist and burst out a golden ancient arrow. The real dragon instantly bombarded in front of Elder Punishment.

"Space defense!"

At this moment, Elder Punishment immediately used another defensive method, and the space in front of him suddenly stacked up layer by layer, forming a space with a thickness of more than ten layers, with a hardness comparable to a steel plate.

"Boom!"

But the next moment, Ye Feng's fist was empowered by the power of the Ancient True Dragon Fist, and the powerful brute force of the chaotic body was fully exploded in an instant. It had extremely terrifying destructive power. The layered space defense was instantly shattered.

"Kacha kacha..."

The layers of space mirrors were shattered, and finally the terrifying fist bloomed with the golden shadow of the ancient true dragon, bursting out with monstrous power, and suddenly hit the punishment elder's body.

"puff!"

Even though Elder Punishment was a powerful elder with the Heavenly Supreme cultivation level, he forcefully withstood Ye Feng's terrible punch, and he spurted out a mouthful of blood. His body was directly knocked away and fell to the ground. A large area of buildings was shattered.

"hiss!"

All the experts from the Black River Holy Land who saw this scene couldn't help but gasped.

This Ye Feng is too fierce!

Even the most powerful punishment elder in their Black River Holy Land was able to beat him up on the spot!

"Who can stop this?"

All the masters of the Black River Holy Land were at the bottom of their spirits at this time.

"Damn it! You actually hurt me!"

At this moment, the staggering figure of Elder Punishment rushed out from the ruins not far away.

This old man with Heavenly Supreme cultivation seemed to feel that he had been greatly humiliated. In an instant, his eyes turned blood red and he shouted loudly: "Next, I will use the most powerful blood curse! I will completely kill you, this boy." Erase it from this world!"

Chapter 2203 Dispelling the Curse

At this moment.

A huge and boundless terrifying aura suddenly erupted from Elder Punishment's body.

An extremely mysterious energy radiated from the deepest part of his body.

"Buzz!"

At this time, you can see that streaks of blood-red light suddenly appeared in the hands of Elder Punishment.

A very terrifying spell symbol is slowly taking shape.

At this time, Ye Feng also noticed a feeling of palpitations.

This blood curse technique used to punish the elders is obviously very terrifying.

"boom!"

Ye Feng had almost no hesitation at this time. He immediately gathered his strength and rushed in the direction of the punishment elder.

"boom!"

Ye Feng held the ancient giant spirit tower like a war spear in his hand, and instantly tore the sky apart, rushed directly in front of the punishment elder, and directly pierced the punishment elder's chest with a "puff".

"ah!!"

The punishment elder immediately screamed.

His heart was pierced at this moment.

The punishment elder suffered a heavy blow in an instant, which was almost fatal.

But at this time, Elder Punishment's old eyes looked with a bloodthirsty look, staring at Ye Feng in front of him, and said loudly: "It's too late, the blood curse technique has been condensed and formed, if you don't die, The blood curse never breaks."

boom!

Almost at this moment.

The blood-red blood curse condensed by the punishment elder rushed to Ye Feng's body in an instant, directly covering Ye Feng's whole person.

"Boom boom boom..."

Almost at this moment, Ye Feng immediately felt the destructive power of a very terrifying spell, which was rapidly destroying every meridian and every inch of his body.

At this moment, Ye Feng felt like there were countless bone-attached maggots all over his body, gnawing away at his own flesh and blood.

Kick, kick, kick!

In an instant, even Ye Feng couldn't help but take several steps back.

His body was covered in dense blood-red spell symbols, and his life essence was rapidly disappearing.

"Hahaha!"

Seeing this scene, the punishment elder covered his chest and laughed. The laughter was full of cruelty: "Ye Feng, little bastard! This is a taboo technique that I have practiced, even if you have the day." Even with great magical powers, it is impossible to remove this kind of blood curse that I spent a lot of money on, just wait for death!"

At this time, Elder Punishment said, suddenly spitting out a mouthful of blood, and his whole body instantly fell from the sky.

It turned out that the assassination blow that Ye Feng had just tore out the punishment elder's heart.

However, the punishment elder's eyes did not show the slightest sadness at this moment. Instead, he looked at Ye Feng, who was not far away and was entangled with countless blood curses, with a deep look of madness and bloodthirsty, and laughed fiercely: " Even if I don't survive, I will drag this little brat like you to be buried with me!"

Ye Feng was high in the sky at this moment, feeling that his life essence was disappearing rapidly.

The surface of the body is covered with dense blood curse symbols, which looks very scary.

At this moment, Ye Feng immediately burst out the blood energy of his powerful chaotic body to fight against the blood curse.

But it was to no avail.

This kind of blood curse technique is very strange and cannot be resisted by one's own strength.

"Hahaha! Little brat! You're dead!" The punishment elder not far away laughed happily.

"No one in this world is immortal after being hit by the blood curse of the punishment elder."

"Yes, this Ye Feng is dead today."

Many experts from the surrounding Black River Holy Land spoke out one after another, feeling relieved in their hearts.

"Book of Wenzu!"

But at this moment, Ye Feng suddenly released his talent.

Buzz!

Above his head, an ancient book emitting white holy light suddenly appeared out of thin air.

It is the book of Wenzu!

At this time, Ye Feng had no choice but to seek the power of the rules of heaven and earth to save himself.

The moment the Book of Wenzu appears

, Ye Feng immediately possesses the ability to follow his words.

At this time, Ye Feng immediately used the words and spells on himself and said loudly: "Dispel the curse!"

boom!

At this moment, Ye Feng had the ability to speak the law. The moment he said these four words, a mysterious power of rules suddenly appeared between heaven and earth, descending on Ye Feng to "dispel the curse".

Buzz!

The next moment, Ye Feng immediately felt that the pain caused by the blood curse on his body disappeared a lot.

Obviously, Ye Feng's current strength is not enough to remove all the blood curses at once.

"Once is not enough, just come a few more times!"

Ye Feng was very excited in his heart. Sure enough, the power of the rules of heaven and earth caused by the words of the law had the effect of dispelling this strange blood curse on himself.

"Dispel the curse!"

"Dispel the curse!"

"..."

Almost at the next moment, Ye Feng quickly repeated these four words.

Suddenly, waves of the power of the rules of heaven and earth with the effect of "dispelling curses" continued to fall on Ye Feng, helping Ye Feng to dispel the blood curses.

Every time Ye Feng uses his words, he only consumes some soul power.

So Ye Feng said "dispel the curse" seventy-six times.

finally.

"boom!"

All the blood curses on Ye Feng were dispelled and disappeared.

"What?!"

Countless experts from the surrounding Black River Holy Land saw this scene and were so shocked that their eyes almost fell out.

"This is impossible!"

Not far away, the punishment elder who was laughing happily was instantly dumbfounded.

Like everyone else, he originally thought that Ye Feng kept yelling "dispel the curse" because he was crazy.

But unexpectedly, the curse was really dispelled in the end!

"This is impossible!!"

The punishment elder yelled angrily.

"Pfft!"

But Ye Feng flew directly

He came and crushed Elder Punishment's head with one foot.

Elder Punishment's words came to an abrupt end.

Punish the elder, die!

"hiss!"

Seeing this scene on the field, there were sudden gasps of air.

"The strongest man has also fallen..."

All the masters of the Black River Holy Land had extremely ugly expressions at this moment, and at the same time they were filled with deep fear.

Because Elder Punishment, the most powerful person in the Black River Holy Land, is dead.

The rest are basically a bunch of trash fish.

"Spare my life!!"

Almost at the next moment, a group of masters from the Black River Holy Land knelt down one after another, fearing that Ye Feng would go crazy and kill them all.

However, Ye Feng just glanced at Shangguan Mingyue not far away and said, "I'll leave it to you. It's better for you to handle your own affairs."

Ye Feng said at this time, carrying the bodies of the Great Elder and the Punishment Elder, flying in a certain direction in the distance, found a quiet pavilion in the Black River Holy Land, and began to retreat.

On the same spot, Shangguan Mingyue began to take action, first to stabilize the emotions of everyone in Heihe Holy Land, and secondly to rescue his master from the sky prison and regain control of the entire Heihe Holy Land.

When Ye Feng devoured the skills of the two powerful men, his cultivation level skyrocketed from the Earth Supreme Third Heaven to the Earth Supreme Sixth Heaven!

And at this time.

Outside the room where Ye Feng was retreating, two people came.

They are two beautiful women, one older and one younger.

The younger one is naturally Shangguan Mingyue.

The extremely mature woman next to Shangguan Mingyue is Shangguan Mingyue's master, the Holy Lord of the Black River Holy Land!

Shangguan Mingyue said: "Master, after Ye Feng killed the great elder and the punishment elder, he practiced in seclusion in this room."

The mature and beautiful eyes of Holy Lord Heihe showed a hint of expectation, and he said loudly: "Okay, I want to thank this little brother Ye in person for his help, otherwise our Holy Land of Heihe will be completely defeated by Elder Punishment In the hands of this old man who eats everything."

Chapter 2204 Fighting Side by Side

At this time, Holy Lord Heihe said, and Shangguan Mingyue walked to the room where Ye Feng was retreating.

"Dong dong dong."

Immediately there was a knock on the door.

Squeak!

After the door opened.

Ye Feng looked at the two women, one large and one small, in front of him with a look of surprise in his eyes. He couldn't help but ask: "Shangguan Mingyue, who is this person next to you?" ??

"I am the Holy Lord of the Black River Holy Land."

Holy Lord Heihe said with a smile at this time, his beautiful and mature face was full of a kind smile, and there was no hint of the cold temperament of the Holy Lord.

But it may also be because Ye Feng now has strength comparable to that of the Holy Lord, which is why Heihe Holy Lord has such an attitude and smile.

At this time, Ye Feng's eyes immediately showed a look of surprise, staring at the mature and beautiful woman in front of him, as if he did not expect that the Holy Lord of the Black River Holy Land would be such a charming and unparalleled beauty.

Ye Feng quickly clasped his fists and said loudly: "It turns out that you are the Holy Master of the Black River Holy Land. Shangguan Mingyue has mentioned to me many times that her master is a man of unparalleled magnificence."

He seemed to have heard Ye Feng's commendation, which made Holy Lord Heihe very happy.

She quickly stretched out her hands, pulled up Ye Feng's fisted palm, and said with a smile: "Little brother Ye Feng, you don't have to be so polite. If it weren't for little brother Ye Feng, you have extremely powerful combat power this time, and you will be punished." The elder's traitor to the

Heihe Holy Land who cheated on others has been killed. I'm afraid that our Heihe Holy Land will be under the rule of the Gods Association in the future, and it is very likely that we will perish because of this. "

Shangguan Mingyue on the side saw that her master was so polite to Ye Feng, and even grabbed Ye Feng's hand personally. A hint of surprise flashed in her beautiful eyes.

At this time, Ye Feng looked at Holy Lord Heihe who seemed to be overly friendly in front of him, and immediately smiled and said: "This is what it should be. I have a very good relationship with Shangguan Mingyue. We are very good friends. The sect behind her If the door is in trouble, I will naturally step forward if I have the ability, and the Gods Association and I are mortal enemies. Being able to kill the dogs under the Gods Association is also a good thing for me, as it can help me weaken the Gods Association. comprehensive strength."

When he said this, Ye Feng seemed to feel that something was wrong, and couldn't help but said: "I call Elder Punishment the dog of the Gods Association, should it be okay?"

"no problem!"

Holy Lord Heihe smiled slightly and said loudly: "Elder Punishment is indeed a lackey of the Gods Association. Ye Feng, you are right. I fully agree."

At this time, Shangguan Mingyue saw that the two of them had been chatting, and immediately couldn't bear it.

Zhu said aloud: "Master, have you forgotten the purpose of your visit this time?"

"Oh yes!"

After Shangguan Mingyue's reminder, Holy Lord Heihe seemed to remember something immediately, and said quickly: "By the way, Ye Feng, I am here to deliver important news to you, about the meeting of gods."

Ye Feng's eyes moved and he immediately said, "I would like to hear the details."

Holy Lord Heihe nodded, and his expression became a little solemn at this time, and he said aloud: "Before I was imprisoned, I overheard Elder Punishment and a group of core members of the Gods Association discussing in the central hall of our Heihe Holy Land. Some important things. Among them, I heard some information. It is said that the president of the Gods Association, Xiao Tianshen, is now practicing in a very special and mysterious extra-dimensional space with the help of Holy Lord Qingtian. That extra-dimensional space It seems to be a small world attached to the God Realm, with countless resources in it. Xiao Tianshen used the infinite resources to practice in that different dimensional space. Not only did he recover all his injuries, but he also improved his cultivation. He may have stepped into the world. He has reached the Great Perfection of the Tenth Level of the Supreme Heaven, and is even about to surpass the Supreme Realm and step into the Principle Source Realm above the Supreme Realm."

"Path Source Realm?"

When Ye Feng heard Holy Lord Heihe talking about this new realm that he had never heard of before, his eyes suddenly showed a hint of curiosity.

Originally, Ye Feng always thought that the Supreme Realm was the most powerful realm.

But now Ye Feng discovered that the divine world was much vaster than he had imagined before.

There are very terrifying strong men, one mountain is higher than the other, and there are endless martial arts masters.

A strong person at the Supreme Realm level may be a top-notch existence in the four major alliances, but looking at the vast northern land of the entire God Realm, they are nothing.

Because Ye Feng had already learned in the ancient trial space that super geniuses at the supreme level could only be ranked at the bottom on the Northern Hidden Dragon List.

It is conceivable that those at the top of the Northern Hidden Dragon List are terrifying beings, and they must have surpassed the Supreme Realm.

At this time, Holy Lord Heihe looked at Ye Feng's seemingly curious eyes, and immediately smiled and explained: "Ye Feng, you are right, Tian Zhizun may be the top powerhouse in the land of the alliance, but looking at it, In the entire northern land, they are not considered strong, they can be regarded as third-rate masters at most. The entire northern land of God Realm is too vast. The alliance land of our four major regions, in the entire northern land,

It just lives in a corner, a relatively remote small place. "

When Ye Feng heard what Holy Lord Heihe said, he immediately nodded and said: "When Shangguan Mingyue and I were training in the ancient trial space, we had already met many other alien super geniuses from the great forces in the north. There are even super geniuses on the Northern Hidden Dragon List, all of them are very powerful."

Holy Lord Heihe's eyes lit up slightly and he said loudly: "Ye Feng, have you already met super geniuses from other forces in the northern land?"

Ye Feng nodded and said: "That's right, all of them have many tricks and amazing talents."

"That's not as good as Ye Feng."

Shangguan Mingyue suddenly interjected at this time, her beautiful eyes filled with brilliance, as if she thought of the shocking scene where Ye Feng single-handedly defeated more than a hundred alien super geniuses.

At this time, Ye Feng looked at the Holy Lord Heihe in front of him and asked: "Is there only one Principle Source Realm above the Supreme Realm?"

Ye Feng is still very curious about the next level of cultivation.

After all, Ye Feng knew that he would eventually step into those powerful realms and go to a broader and more prosperous land.

When Holy Lord Heihe heard Ye Feng's question, he couldn't help but reveal a wry smile on his face, and said loudly: "Although I am a so-called big shot at the Holy Lord level in the Alliance Land, I am not the same as countless top powerhouses in the entire northern land. Bi, I am just a frog in the well. I only know that above the Supreme Realm is the Principle Source Realm. As for what kind of realm the Principle Source Realm is, how to enter it, and other realms above the Principle Source Realm, I have no idea. Got it."

When Ye Feng heard what Holy Lord Heihe said, he immediately nodded. He also understood that after all, the four major domains seemed majestic and huge, but compared with the entire northern land, they were still too small.

At this time, Shangguan Mingyue suddenly asked: "Then what should we do next? That Xiao Tianshen may come at any time. If he really breaks through the Heavenly Supreme and steps into the legendary Principle Source Realm, I'm afraid we won't even. Even if everyone joins forces, they won't be his opponent, after all, the Principle Source Realm is a realm so powerful that we can't even imagine it."

Hearing what Shangguan Mingyue said, Holy Lord Heihe also fell into deep thought.

After all, she also felt that Xiao Tianshen was indeed a very terrifying enemy.

Holy Lord Heihe couldn't help but said: "How about we move the entire Holy Land away? If we can't afford to offend, we can't afford to hide. Let's leave the four major domains and settle down in other surrounding domains, and then develop silently, leaving behind. As long as the green mountains are there, you won't have to worry about running out of firewood."

Shangguan Mingyue saw herself

When Master Ji said these words, he felt a little reluctant and said loudly: "Master, do we really have to leave our hometown?"

Ye Feng suddenly spoke up at this time: "I will not leave. This time I came back from the ancient trial space, and I have long been prepared to fight Xiao Tianshen. Even if Xiao Tianshen breaks through Tianzhizun and steps into the so-called Principle Source Realm does not mean that I am afraid of him. As long as I can break through from the Earth Supreme to the Heavenly Supreme before Xiao Tianshen comes, then I will have the confidence to face Xiao Tianshen. As long as I cultivate under the Heavenly Supreme. Because, even if Xiao Tianshen steps into the Principle Source Realm, I can still fight with him or even kill him!"

At this time, Ye Feng spoke, with a terrifying determination and a strong self-confidence in his tone.

Holy Lord Heihe seemed to have known what Ye Feng would say for a long time, and immediately said: "When I move everyone in Heihe Holy Land to a safe place, I will fight side by side with you."

"The Holy Spirit wants to fight alongside me?"

Ye Feng's eyes showed a look of surprise, and then he said, "Holy Lord, you don't have to force yourself."

Holy Lord Heihe shook his head and said loudly: "The reason why I want to take action is not just to help you Ye Feng. This is also my personal battle of honor. The gods will harm our Holy Land of Heihe. As a Holy Land, I If you don't even have the courage to join forces with the Gods to fight, then you won't be qualified to command the entire Black River Holy Land in the future."

Hearing the firm tone of the Holy Lord Heihe, Ye Feng immediately nodded and said: "Okay, I admire the Holy Lord for having such courage, but I may not have time to stay in the Holy Land of Heihe. I need to lurk back to the Holy Land of Qingtian where I am, and I want to see how the old man Wind God is doing now. If we can unite with Wind God again, then our power against the entire Association of Gods will become stronger and stronger."

Holy Lord Heihe immediately nodded and said: "Okay! Time waits for no one! Then we will split up!"

"good!"

Ye Feng nodded, and after saying goodbye to the two of them, he left the Black River Holy Land in an instant and galloped towards the Qingtian Territory.

"I don't know how the old man Fengshen is doing now..."

Ye Feng was a little worried.

Because even the Black River Holy Land is controlled by the Gods Association.

Then the Blue Sky Holy Land where Xiao Tianshen is located must naturally be controlled by the entire Gods Association.

And Senior Fengshen should not be a match for Xiao Tianshen and Holy Lord Qingtian.

"I hope that old man Fengshen is not impulsive and is still dormant now."

Chapter 2205 Entering the Dungeon

Ye Feng went back very quickly because he couldn't wait.

On the way, Ye Feng even used the power of space gems to continuously open up space wormholes.

Therefore, it only took Ye Feng two or three days to cross from the Black River Region to the Blue Sky Region, and then return to the edge of the Blue Sky Holy Land.

Although Ye Feng is still a disciple of Qingtian Holy Land, it is naturally impossible for him to enter Qingtian Holy Land openly and honestly.

After all, the Blue Sky Holy Land is the home of the Gods Association. .??.

If he showed up, he would probably alert the snake.

After all, Ye Feng's main purpose in returning to Qingtian Holy Land is to contact the old man of the Wind God. He doesn't want to meet the gods now.

Because Ye Feng still has his own plan next, which is to go to Frost City, the center of the Frost Kingdom, to prevent many powerful men from the Gods Association from attacking the Frost City, and to join forces with the royal family of the Frost Kingdom to fight against the Frost Kingdom. Shenhui and Xiao Tianshen.

And Ye Feng knew that the royal family of the Kingdom of Frost must have extremely rich resources.

If he wants to quickly grow from earth supreme to heaven supreme, I am afraid he can only rely on the power of the royal family of the Frost Kingdom.

If it were normal, it would be very difficult for Ye Feng to ask the royal family of the Frost Kingdom to give him resources to grow. It would be impossible.

But in this special period, facing the huge pressure from the Gods Association and Xiao Tianshen, the Frost Kingdom will definitely meet its needs.

Because Ye Feng knew that he was not bragging. Among the four major domains, he was the only one who could fight against Xiao Tianshen.

At this time, Ye Feng was planning his next plan, and he sneaked into the Blue Sky Holy Land.

"As a regular disciple of Qingtian Holy Land, it is really a bit cowardly to be so secretive now when he returns to his sect."

At this time, Ye Feng was secretly thinking that his murderous intention towards Xiao Tianshen was getting stronger and stronger.

All of this was given by the Gods Association and Xiao Tianshen.

Suddenly at this moment, Ye Feng seemed to notice something.

He immediately rushed towards the Wind Temple.

Ye Feng saw it on the way, and the whole thing

In the Blue Sky Holy Land, many patrol officers of the Law Enforcement Hall were all dressed in the costumes of the Gods Association.

Obviously Ye Feng's guess was correct. Now the entire Qingtian Holy Land has become the world of the Gods Association.

Ye Feng couldn't help but secretly think in a wicked way, "Holy Lord Qingtian is so kind to Xiao Tianshen, maybe Xiao Tianshen is the illegitimate son of the Holy Lord."

Just when Ye Feng was thinking secretly in his heart, he had already arrived at the Wind Temple.

As one of the six major temples in the Blue Sky Holy Land, the Wind Temple is the most powerful temple.

But when Ye Feng saw the current appearance of the Wind Temple, he was slightly shocked.

At this time, the Wind Temple was in an extremely dilapidated state.

Moreover, Ye Feng saw with sharp eyes that many buildings inside the Wind Temple were broken, and there were various terrifying cracking scenes on the surrounding land.

"There was a big battle here!"

Ye Feng saw it immediately.

He couldn't help but sigh. It seemed that the old man Fengshen did not choose to lie dormant, but fought hard. Now he didn't know whether he would live or die.

"If Senior Fengshen is still alive, he should be imprisoned in the dungeon of Qingtian Holy Land."

At this time, Ye Feng was thinking in his mind and immediately flew towards the dungeon of Qingtian Holy Land.

Ye Feng was originally a disciple of Qingtian Holy Land, so he was naturally very familiar with the layout of the entire Blue Sky Holy Land.

Soon he arrived outside the dungeon.

There are many members and masters of the Gods Society guarding the entrance of the dungeon.

Ye Feng directly released the Book of Wenzu and said as he said: "You can't see me."

Buzz!

Suddenly, the power of a law came to Ye Feng, and Ye Feng's whole person immediately became transparent.

He walked directly towards the entrance of the dungeon and walked into the dungeon. No one could see him along the way.

It has to be said that verbalizing the Dharma can be very useful sometimes.

But Ye Feng also knew that if there was a very powerful existence in the dungeon, he might be discovered at once.

After all, the verbal skills that Ye Feng can display with his current cultivation are only useful to warriors of the same realm or below.

If you are beyond Ye Feng's current realm, you can always see through Ye Feng's disguise through words and deeds. ??

After Ye Feng got off the dungeon, he immediately exuded huge soul power and began to search for the aura of the old man Fengshen.

In the dungeon, Ye Feng saw many elders and disciples of Qingtian Holy Land along the way. All of them had their bones penetrated and were locked in the dungeon.

Among these people, there are even faces that Ye Feng is familiar with, having met them before when he was practicing in Qingtian Holy Land.

At this time, Ye Feng suddenly saw a group of members of the Gods Association interrogating an old man with scars all over his body!

This old man seems to have too much blood flowing on his body, and a thick layer of blood has formed on the surface of his body!

It looks very miserable!

"This is...Senior Fengshen!"

Ye Feng's eyes immediately showed deep anger.

Senior Fengshen was injured like this by these members of the Gods Association!

At this time, the member of the Gods Association who was interrogating the old man of Fengshen said with a cold smile: "Old man! Tell the whereabouts of that boy Ye Feng! Where did he go? If you don't tell me, I will kill him again. A disciple of the Wind Temple! Do you really want to watch all of your direct disciples of the Wind Temple die before your eyes?"

The old man Fengshen's face was full of pain at this time.

He couldn't tell Ye Feng's whereabouts, otherwise countless masters from the Gods Association would go to the ancient trial space to look for Ye Feng.

But in the past month or so, the old man of the Wind God has seen too many disciples of his Wind God Temple die before his eyes. They were all killed by the interrogating members of the Gods Association, and they were executed by Ling Chi with a single blow. This made In the heart of the old man Fengshen

Full of endless pain.

"You old man! You still haven't spoken! Then I'll kill another one!"

The member of the Gods Association immediately grabbed a female disciple from the surrounding prison, and then showed a greedy smile in his eyes: "I won't kill anyone this time, I will humiliate you, a female disciple, in front of you, an old thing." !Hahaha!"

"No, no..." The female disciple's eyes were full of fear.

"You beast!!"

Senior Fengshen yelled immediately, with deep anger in his tone.

"What can you do to me?"

The member of the Society of Gods suddenly showed a deep mocking smile on his face.

After the member of the Gods Association finished speaking, he immediately walked slowly towards the female disciple of the Wind Temple, showing a devilish smile.

"Pfft!"

But suddenly at this moment, there was a fluctuation in the void, and a palm suddenly pierced the throat of the member of the Gods Society who was smiling greedily.

The expression on the face of this member of the Society of Gods suddenly became stiff.

Ye Feng's figure slowly appeared in front of the members of the Gods Association, with infinite coldness in his eyes.

"You...Ye Feng..."

This member of the Society of Gods had his throat pierced. His eyes were full of deep fear. He said these words vaguely, and then he tilted his head and died in an instant.

"It's Ye Feng!"

"Why did Ye Feng suddenly appear?"

"Okay, okay! He's throwing himself into a trap!"

Almost at this moment, the dozen or so members of the Gods Association around him burst out laughing and rushed towards Ye Feng.

"Ye Feng?"

Senior Fengshen also saw Ye Feng who suddenly appeared in front of him at this time. His eyes were filled with joy and worry at the same time. He immediately said: "Ye Feng! Leave us alone!"

Run quickly! Now you are The only hope against Xiao Tianshen! Don't take risks until you grow up!"

Chapter 2206 Rescue

At this moment, the tone of the old man Fengshen was full of worry.

Because even though Xiao Tianshen and Qingtian Holy Lord are not in Qingtian Holy Land now, the Gods Association has recruited and trained many super powerful beings in its recent development.

So at this time, Senior Fengshen actually didn't want Ye Feng to show up to rescue him.

But at this time, Ye Feng showed a confident smile on his face and said: "Senior Wind God, don't worry, I will definitely rescue you today, and all the disciples of the Wind God Temple who were imprisoned by the Gods Association will also Get out safely."

"Don't talk nonsense here!"

The dozen or so masters of the Gods Association around him immediately made sarcastic remarks, and then burst out with powerful cultivation auras.

These dozen or so masters of the Gods Association, their cultivation auras are all earth-supreme!

"Why did so many supreme beings suddenly appear?"

Ye Feng's eyes showed a hint of surprise.

I didn't expect that the Society of Gods would develop to this extent now. ??

"Hahaha!"

A master of the Gods Association from the Earth Supreme Sixth Heaven immediately laughed out loud, and then said very arrogantly: "These are the creations given to us by Senior Brother Xiao Tianshen! Senior Brother Xiao Tianshen came from the extradimensional space outside the territory. We have obtained very rich cultivation resources. Through the interface transmission array, these resources are continuously transported to the Qingtian Holy Land, allowing all of us in the Gods

Association to achieve tremendous growth. Ye Feng, you are in front of Senior Brother Xiao Tianshen. After all, he is just a young boy, and he still wants to fight against our gods?"

Ye Feng didn't have the slightest fear on his face at this time, but with a sneer in his eyes, he said aloud: "You have improved so much by using the huge resources transported back by Xiao Tianshen, which is a huge benefit to me. , just in time I can kill all of you strong men, and then use all your skills as my nourishment!"

"presumptuous!"

More than a dozen Earth Supremes from the Gods Association immediately roared loudly and released powerful attacks one after another, heading towards Ye Feng to kill Ye Feng fiercely.

"Flame Crazy Sword!"

"Heaven and Earth Killing God Sword!"

"Panwu God Reverend Dharma Appearance!"

"Hongmeng Fortune Palm!"

"Pure Yang Wuji Kung Fu!"\u003c

br\u003e

"The electric dragon roars!

...

Almost at this moment, countless terrifying waves of attacks bombarded Ye Feng in an instant.

Ye Feng laughed loudly: "A dozen Earth Supremes are indeed very powerful. Maybe to other people, your attacks can kill many people, but to me, you are even the Earth Supremes. In my eyes They're just a bunch of rotten fish and shrimps!"

Taikoo True Dragon Fist!

Almost at this moment, Ye Feng punched out hard without any fancy.

The fist immediately turned into an ancient true dragon, filled with unparalleled power, exuding a terrifying and ferocious aura, directly impacting and shattering everything.

"Boom!"

The whole dungeon was shaken greatly.

Ye Feng's fists were simply unparalleled. They were filled with extremely terrifying brute force, and they shattered more than a dozen attacks in one fell swoop.

"What?!"

Seeing this scene, the more than a dozen Gods and Earth Supremes suddenly showed deep fear in their eyes.

Originally, they thought that they had stepped into the Earth Supreme and were already considered top-notch powerhouses among the four major domains.

Isn't it easy to deal with Ye Feng?

Now, they find out they were wrong.

Ye Feng has now grown to a terrifying level that is impossible to predict.

"kill!"

And at this moment, Ye Feng didn't waste any time or hesitation at all, and continued to punch hard.

"ah!"

"ah!"

"..."

Suddenly accompanied by a scream, all the Earth Supremes of the Gods Association were instantly smashed to pieces by Ye Feng.

The scene looks very shocking!

"So strong!"

Not far away, the old man Fengshen who was originally very worried, this

Sometimes I couldn't help but my eyes lit up.

He couldn't help but said: "Ye Feng! It seems that you have grown to a very terrifying level in the ancient trial space! No wonder you dare to go back to Qingtian Holy Land directly!"

A group of other surrounding disciples from the Wind Temple, who were imprisoned in the prison at this time, were very excited to see Ye Feng displaying his power.

The female disciple who was captured just now looked at Ye Feng with her beautiful eyes, looking at her savior with deep brilliance and fascination.

At this time, after Ye Feng killed more than a dozen Earth Supremes of the Gods Association, he directly released the Devouring Domain, swallowing up all the blood and energy in an instant.

"Boom!"

It was a very majestic blood energy that exploded directly in Ye Feng's body, wildly increasing Ye Feng's power.

Although the combat power of these Earth Supremes of the Gods Association is not very strong, they are not the enemy of Ye Feng with one move.

Ye Feng guessed that if these masters of the Gods Association had their cultivation levels forcibly improved through huge cultivation resources, they would not have much strong combat experience at all, nor would they know how to use the power of the Earth Supreme cultivation realm.

But in any case, these masters of the Gods Association are after all the cultivation base of the Earth Supreme. Although their combat power is not strong, their cultivation base is indeed solid and their skills are very strong, which brings Ye Feng very majestic power. nourishment.

At this time, after Ye Feng swallowed and refined, his cultivation level immediately broke through the first level of heaven, and stepped from the sixth level of earth supreme heaven to the seventh level of earth supreme heaven.

After killing these fish-like characters, he was able to achieve a breakthrough in cultivation. Although he only broke through the first level, Ye Feng was already quite satisfied.

At this time, after Ye Feng broke through the cultivation base, he immediately ducked in front of Fengshen.

Look at the thick iron ropes tied to the wall all over the Fengshen.

Ye Feng immediately stretched out his hand, grabbed the iron ropes, and then pressed his palm fiercely, and infinite brute force instantly burst out from his palm.

"Kacha kacha..."

The thick iron ropes that locked the old man Fengshen suddenly shattered inch by inch and turned into pieces of iron.

, fell to the ground, making a clanking sound.

The old man Fengshen was out of trouble all of a sudden, and his body immediately exuded a huge and boundless aura.

That is the powerful cultivation level of the Heavenly Supreme Ninth Level!

Fengshen couldn't help laughing loudly at this time: "Finally out of trouble! These chains are specially made to seal your cultivation! It's really uncomfortable to have your cultivation sealed these days!"

Ye Feng felt the powerful cultivation aura of the Heavenly Supreme Ninth Level emanating from Fengshen, and immediately couldn't help but said: "Senior Fengshen, are you imprisoned for such a powerful cultivation?"

Fengshen nodded solemnly and said aloud: "That Xiao Tianshen is very powerful. When I fought with him a month ago, he was the seventh-level cultivation of the Heavenly Supreme. He used the powerful trump card in his hand to successfully suppress me. , If it weren't for asking about Ye Fengli's whereabouts, I might have been killed by the people from the Gods Association."

Ye Feng nodded immediately, then waved his palm and shook the surroundings.

"Rumble..."

All the surrounding prisons where the disciples of the Wind Temple were imprisoned were shattered into pieces.

The disciples of the Wind Temple were rescued one by one. They all looked very happy and escaped from the prison one after another.

Ye Feng immediately said: "Let's leave here first! Go to the Imperial City of the Frost Kingdom!"

Fengshen nodded: "Okay!"

Buzz!

But suddenly at this moment, a very terrifying and huge aura descended from the dungeon.

Swish, swish, swish!

A total of five Supreme Elders from the Blue Sky Holy Land descended from the sky in an instant and appeared in the dungeon.

The cultivation levels on their bodies are all the cultivation levels of the Heavenly Supreme Ninth Level!

The leader of the Supreme Elder looked at Ye Feng and the group of people below, with a look of indifference on his face, and said loudly: "Don't try to resist, just let us go. Ye Feng, you are a talented person, don't waste yourself." Your talent will lead to death. If you are willing to follow Xiao Tianshen like us, then maybe you will save your life."

Chapter 2207 Too Invincible

At this time, the five Supreme Elders were all suspended high in the sky, with extremely arrogant looks on their faces.

They were all staring at Ye Feng below very majestically, and the words they spoke were like judgment.

At this time, all the members of the Wind Temple, including the Wind God, had nervous expressions on their faces.

Because the cultivation of the five supreme elders who came at this time was really too strong, and they were all from the ninth level of the Heavenly Supreme.

This is an extremely terrifying lineup!

Enough to sweep across the entire alliance.

So everyone is very nervous.

But at this time, Ye Fengneng probably looked indifferent. .??.

At this moment, Ye Feng stood in front of all the members of the Wind Temple, looking at the five powerful Supreme Elders in the sky, and said slowly: "Don't stop me, or I will kill you all. "

"joke!"

The moment Ye Feng's words fell, the five supreme elders high up in the sky couldn't help laughing.

Especially the Supreme Elder at the head, with disdain in his eyes, stared at Ye Feng below, and said loudly: "You must have lost your mind. With your low cultivation, you dare to treat five of us. The Supreme Elder of the Ninth Layer of Heaven speaks like this? You are simply presumptuous!"

Several other Supreme Elders also spoke out: "Ye Feng, I think you are really stupid. Can't you feel the powerful cultivation momentum of the Supreme Ninth Level Heaven in us that day! We are not what we were back then. Supreme Elder, we have now been greatly cultivated by the resources of Xiao Tianshen, and we have broken through to the ninth level of the Supreme Heaven in a short period of time. This is like the divine power given to us by God. No one can stop the pace of our Gods Association! If you dare to block it, you will die!"

"Stop talking nonsense to this kid! Just kill this Ye Feng! After all, he is also Xiao Tianshen's worst enemy!"

"Okay! Since we have encountered this Ye Feng, and he is still so stubborn, let's kill him on the spot!"

r\u003e

...

Almost at this moment, all five Supreme Elders released powerful murderous intent and charged towards Ye Feng below.

"You underestimate me!"

There was no fear in Ye Feng's eyes at this time, but a terrifying fighting spirit emerged from his body.

boom!

Ye Feng roared and rushed high into the sky instantly.

The Ten Thousand Emperors Overlord Body Technique!

Taikoo True Dragon Fist!

At this moment, Ye Feng did not rely too much on himself and used all his strength to unleash his strongest combat power.

"Rumble..."

Suddenly, a shadow of the Zunren Emperor appeared in the void around him. There were dozens of them, all exuding the ancient emperor's energy, which instantly greatly improved Ye Feng's combat power.

boom! !

With this punch, Ye Feng blasted out a golden true dragon. Surrounded by the power of dozens of human emperor shadows, it instantly withstood the attacks of five supreme elders.

"Click, click..."

The attacks of the five Supreme Elders were shattered inch by inch under Ye Feng's punch.

"What?!"

Everyone who saw this scene had deep shock in their eyes.

Because the five supreme elders are all of the supreme cultivation of the ninth level of heaven.

The attack unleashed by the five Heavenly Supreme Nine Heavenly Powers together was absolutely terrifying to the extreme.

I am afraid that no one in the entire alliance land can resist it.

But Ye

Feng, a young man, blocked all the joint attacks of the five supreme elders with one punch.

At this time, the five Supreme Elders all had horrified looks in their eyes.

"How could this kid have such a powerful power!"

"Each one of our five superpowers is invincible, but when we are united together, they are all blocked by this boy Ye Feng."

...

At this moment, the expressions of the five Supreme Elders all changed.

Because the power unleashed by Ye Feng's punch was too terrifying.

At this time, Ye Feng suddenly shouted: "The Book of Wenzu!"

boom!

A book emitting white holy light suddenly appeared above Ye Feng's head.

Ye Feng immediately started to speak out and shouted: "Let the five elders die immediately!"

Buzz!

Suddenly, the power of the law of death appeared directly from the void and enveloped the five supreme elders in an instant.

Of course, it is impossible for the five supreme elders to die just because Ye Feng said "die".

Unless Ye Feng's cultivation level surpasses that of the Supreme Heavenly One and enters the Principle Source Realm on the Supreme Realm, he will have the ability to kill five Supreme Elders with one sentence.

After all, the cultivation levels of the five supreme elders are all extremely powerful in the ninth level of heaven.

However, Ye Feng's words and actions indeed triggered the power of the Death Rule in the void, greatly weakening the fighting status of the five Supreme Elders.

The five supreme elders suddenly felt a shadow of death shrouding their whole bodies. Although they were not dead, their combat status dropped rapidly and they were greatly weakened.

"Djinn Ancient God Tower!"

this moment

, Ye Feng didn't hesitate at all, and in an instant he held the Giant Spirit Ancient God Tower, directly treating it as a long steel war spear, tearing apart the void in an instant, and dodged directly in front of a supreme elder.

"Pfft!"

The Giant Spirit Ancient God Tower in Ye Feng's hand instantly pierced the Supreme Elder's body.

And at this time, Ye Feng directly attached his own advanced natal flame to the Giant Spirit Ancient God Tower.

"boom!"

The spire of the Giant Spirit Ancient God Tower was like the tip of a war spear. The moment it pierced the Supreme Elder, the terrifying flames directly ignited the Supreme Elder's entire body and burned instantly.

"ah!!"

This supreme elder, a super strong man from the ninth level of the Supreme Heaven, screamed in an instant, his whole body was burning with flames, and he was directly burned into a charred corpse. He fell from a high altitude and hit the ground hard.

A supreme elder, died!

"What?!"

When the remaining four Supreme Elders saw this scene, their eyes suddenly showed deep horror.

In just a short moment, the five supreme elders joined forces and not only failed to kill Ye Feng, but Ye Feng killed one of them!

"Where did this Ye Feng go during the time he disappeared? How did he become so terrifying?"

At this moment, several Supreme Elders couldn't help but exclaimed in surprise, their eyes full of bewilderment.

"Invincible!"

"So invincible!"

At this time, the eyes of a group of Wind Temple disciples behind them were filled with deep excitement and passion.

Senior Fengshen was also very pleased. His old eyes were staring at Ye Feng, who was looking down at the world from high in the sky. His eyes were full of wonder and relief: "Sure enough, there are talents from generation to generation, and each generation is stronger than the last!"

Chapter 2208 Savior

At this moment, everyone on the field was shocked by Ye Feng's powerful fighting power.

Even the remaining four supreme elders had expressions of uncertainty on their faces at this moment.

These four super strong men from the ninth level of Heaven were actually afraid at this moment.

Scared of a young man.

"Inform Xiao Tianshen about this matter!"

At this moment, a Supreme Elder immediately spoke to another Supreme Elder beside him.

"good!"

The Supreme Elder nodded immediately, then turned around and wanted to run quickly out of the dungeon.

"Pfft!"

But the moment the Supreme Elder turned around, an ancient giant spirit tower that looked like a steel spear instantly pierced his chest from behind.

"No!!!"

The Supreme Elder immediately couldn't help but let out an earth-shattering roar that was extremely frightening.

"Tear!"

But at the next moment, Ye Feng had torn the Supreme Elder in half from behind who was trying to escape.

This supreme elder instantly stained the sky with blood!

There were only three supreme elders left in the entire dungeon.

"run!"

The three Supreme Elders knew at this moment that Ye Feng, a young man, was now simply invincible and they were no match at all.

"Ye Feng, I'll stop them from leaving, you can attack as much as you like!"

At this time, the old man of Fengshen suddenly roared, jumped up, and instantly turned into a violent violent wind. Suddenly, a field of violent wind was formed in the entire dungeon, trapping all three Supreme Elders and unable to escape. .

"hateful!"

The three Supreme Elders attacked frantically and broke out, but they were unable to break through the barrier of the wind field that the Wind God had transformed into.

After all, you must know that Fengshen is a super strong person with the same level of Heavenly Supreme Ninth Level as the Supreme Elder.

So at this time, Fengshen released this kind of Fengshen clan

The special blocking method, which turns people into a violent wind field, is still very terrifying.

The three Supreme Elders were unable to break through that amazingly defensive air wall in a short period of time.

This gave Ye Feng a chance.

"boom!"

At this moment, Ye Feng unleashed his powerful combat power and rushed in front of the three supreme elders in an instant.

"Fight him to the death!"

The three Supreme Elders all burned their energy and blood at this moment and attacked Ye Feng crazily.

"Thunder destroys the world!"

"Burn the world with fire!"

"The real devil roars!"

The terrifying attacks of the three Supreme Elders formed a terrifying energy frenzy, which poured madly onto Ye Feng.

"Boom!"

At this time, what shocked everyone was that Ye Feng did not retreat to defend at all, but continued to charge forward.

"Boom!"

"Boom!"

"Boom!"

That kind of terrifying attack hit Ye Feng in an instant.

But Ye Feng just groaned in the next moment, blood spilled from the corner of his mouth, and the chaotic body was frantically resisting and resolving the damage.

Because Ye Feng had no defense, the attack came directly in front of the three Supreme Elders.

"boom!!"

"boom!!"

His two fists burst out with tremendous power, smashing the bodies of the two Supreme Elders into pieces.

"ah!"

"ah!"

Accompanied by two earth-shaking screams, the two supreme elders of the ninth heaven were immediately shattered and died.

At this time, there is still the last Supreme Elder left.

The eyes of the last Supreme Elder were filled with deep fear.

He stared at Ye Feng not far away, and felt that this was not a human boy, but a peerless old devil. His strength and will to kill were too terrifying.

"now you."

At this moment, Ye Feng rushed towards the last Supreme Elder.

"boom!"

Ye Feng's punch blasted out the Ancient True Dragon Fist. In an instant, a golden true dragon rushed out from Ye Feng's fist, and suddenly hit the last Taishang Elder.

"ah!"

The Supreme Elder let out an earth-shattering scream, and his whole body exploded, killing him instantly.

"hiss!"

At this moment, there was a gasp of air from the entire field.

The five supreme elders.

The super strong man of the Five Heavens Supreme Nine Heavens.

Just like that, they all died one by one.

Moreover, it can be said that he was killed by Ye Feng alone.

This kind of fighting power.

It's really terrifying to the extreme!

Uh-huh!

The violent wind field not far away instantly turned into the body of the old man Wind God.

Fengshen stepped over, looked at Ye Feng, and asked: "Now we want to take the opportunity to control the entire Qingtian Holy Land?"

"Not urgent."

Ye Feng looked calmly and said: "I still need a relatively safe place to grow up in order to be able to resist the coming of Xiao Tianshen. Now the Holy Land of Qingtian is too unstable, and Holy Lord Qingtian and Xiao Tianshen may come here at any time. "

Fengshen couldn't help but ask: "Then where should we go now?"

Ye Feng said: "The imperial city of the Frost God Kingdom, Frost City, is the only place that the Gods Association has not yet conquered.

, relatively stable and safe, and the royal family of the Frost Kingdom is probably very much hoping for someone who can confront Xiao Tianshen. This is my bargaining chip, which can make the royal family of the Frost Kingdom cooperate with me and give me resources. Refining and growing."
"

At this time, Ye Feng said, knowing very well that his current cultivation level was simply not enough to fight against Xiao Tianshen.

Xiao Tianshen may really surpass the Supreme Realm and step into the Principle Source Realm.

Because Ye Feng saw the five Supreme Elders growing so much all at once.

After all, all the previous five supreme elders were only in the realm of immortality.

But now, they all have entered the Supreme Realm.

Moreover, he is still the Heavenly Sovereign in the Supreme Realm.

This growth rate is really too fast.

It was so fast that Ye Feng was frightened.

The resources that Xiao Tianshen rewards his subordinates are so generous.

From this, we can imagine how terrifying and huge the resources Xiao Tianshen himself got must be?

"Holy Lord Qingtian really wants to use the power of the Holy Land to cultivate Xiao Tianshen into an unparalleled genius."

Ye Feng's eyes revealed a deep coldness.

Next, Ye Feng put the bodies of the five supreme elders into the storage ring, and then quickly took the Wind God and a group of Wind God Temple disciples and flew out of the dungeon.

Ye Feng said aloud: "Let us leave the Blue Sky Holy Land as soon as possible and rush towards the center of the Alliance Land, the Imperial City of Frost God Kingdom, Frost City."

The God of Wind immediately nodded and agreed with Ye Feng's suggestion. He said to a large group of disciples of the God of Wind behind him: "Next, we must all obey Ye Feng's orders!"

Obviously, at this time, Fengshen has regarded Ye Feng as the final savior.

Xiao Tianshen is so powerful, so stunning and stunning.

In the entire alliance, now I am afraid that only Ye Feng, a super monster with the same material that shocks ancient and modern times, can compete with Xiao Tianshen.

Chapter 2209 Cooperation with the Royal Family

And just when Ye Feng, Fengshen and a group of disciples from the Wind Temple were rushing towards Frost City, the center of the Four Domains Alliance.

Frost City, the imperial city of the Kingdom of Frost, is heavily guarded.

Because the powerful men of the Gods Association may come at any time.

Even high in the sky above Frost City, there were two old men wearing royal robes, floating there, exuding extremely terrifying fluctuations.

That is clearly beyond the Supreme Realm, but it has not yet completely entered the Principle Source Realm.

These are two super strong men in the half-step source realm!

It is the foundation of the entire Kingdom of Frost! .??.

Frost City is the last area in the entire alliance that is not controlled by the Council of Gods.

It is precisely because of the two half-step source realm superpowers of the royal family.

These two old men are obviously the most powerful beings in the royal family of the Kingdom of Frost.

This is unmatched by the other four holy places.

After all, the Kingdom of Frost is the commanding force of the entire four-domain alliance.

Therefore, the Kingdom of Frost has the deepest foundation, having been inherited for thousands of years, and has super strong men who are at the top of the game.

At this time, Ye Feng and a group of people finally crossed the mountains and the sea, and finally arrived outside the imperial city of the Frost Kingdom.

Along the way, what shocked Ye Feng and others was that the entire vast territory of the Frost Kingdom was full of dilapidated buildings.

It seems that during this period, there was an extremely brutal battle between the Frost Kingdom and the Gods Society, which lasted for more than a month.

Now only the imperial city of Frost City is left, becoming the last piece of pure land.

When Ye Feng and Fengshen arrived.

The two royal superpowers from Frost City suddenly spotted the two of them high above the Imperial City.

"Two and a half-step source realm powerhouses! They are worthy of being the royal family of the Kingdom of Frost. As expected, they have a profound background."

At this moment, Ye Feng immediately sensed the auras of the two royal superpowers high in the sky.

"Wind God of the Blue Sky Holy Land? What business do you have in coming to our Royal Family of the Frost Kingdom?"

At this time, a super powerful royal man from high in the sky asked.

Fengshen immediately clasped his fists high in the sky and said, "The two supreme elders of the royal family are here to discuss with you, the royal family of the Frost Kingdom, how to jointly deal with Xiao Tianshen and the Association of Gods."

"Deal with Xiao Tianshen?"

An elder of the royal family suddenly looked very indifferent and said loudly: "If Xiao Tianshen dares to come, my brother and I will join forces to make sure that he can't eat and walk around."

At this time, the royal elder's tone was filled with deep arrogance. He was obviously very confident in their strength and seemed to disdain to cooperate with Fengshen.

But at this time, Ye Feng took a step forward and said: "Two supreme elders of the royal family, maybe you are very confident in your two and a half-step source realm cultivation, and think that the gods will not be able to threaten you." The final imperial city of your royal family is Frost City, but I recently received news that Xiao Tianshen and Holy Lord Qingtian are currently cultivating peerless inheritance in an extremely mysterious and different-dimensional space, with unlimited cultivation resources. "

Hearing what Ye Feng said, the two royal family elders, who were originally arrogant, suddenly became quite surprised.

Ye Feng smiled slightly and continued to speak: "Don't think that the entire Frost City is very safe and peaceful now, but when the next meeting of the gods comes, it will be the arrival of Xiao Tianshen. The next time Xiao Tianshen comes, I am afraid it will definitely Will surpass the Supreme Realm and step into the true Principle Realm. When the time comes, do the two royal family elders think that you can deal with Xiao Tianshen together? Moreover, there is another one?"

The Holy Lord Qingtian may be even more terrifying. "

Ye Feng has always felt that Holy Lord Qingtian is a very mysterious guy. If he can be recognized as his master by a peerless genius like Xiao Tianshen, Holy Lord Qingtian must be extremely terrifying himself.

Therefore, Ye Feng was afraid of Xiao Tianshen, and even more afraid of the man behind Xiao Tianshen.

But after hearing what Ye Feng said, the expressions of the two royal family elders suddenly became extremely solemn.

They originally thought that the Gods Council did not continue to attack Frost City during this period, maybe because they felt that Frost City could not be attacked, so they gave up.

But at this time, Ye Feng's words and the secret news brought about made the eyes of the two royal family elders suddenly become very solemn.

Because if what Ye Feng said was true, then they would not be able to stop Xiao Tianshen at all.

After all, in a short period of time, it would be impossible for the two royal family elders to break through to the true Principle Source Realm.

Their cultivation has been at the Half-Step Source Realm for hundreds of years, and perhaps they will stay at this realm for the rest of their lives.

Not every practitioner can upgrade infinitely.

Only talented people can make continuous progress and breakthroughs.

Many people are likely to break through to a certain level and then be unable to continue to break through. The upper limit of their cultivation is there.

At this time, Ye Feng immediately said: "So now you, the royal family of the Frost Kingdom, can only cooperate with me to withstand the next crisis of destruction. Xiao Tianshen will definitely not let you, the Frost Kingdom, go." A thorn in the side."

An elder of the royal family immediately spoke out: "Then tell me, why are you qualified to cooperate with our royal family?"

Ye Feng suddenly smiled slightly and said: "Because my name is Ye Feng.

This is the qualification. "

"Ye Feng!"

"You are that Ye Feng!"

At this time, the two royal family elders heard Ye Feng's words, and their eyes suddenly showed deep surprise.

Because now there is such a saying in the entire alliance, Ye Feng is an eternal wizard comparable to Xiao Tianshen!

Even the two royal elders of the Frost God Kingdom have heard of Ye Feng's name and legendary deeds.

After all, Ye Feng is the first young man who dares to confront the Gods Council in so many years.

Moreover, the Gods Association has nothing to do with Ye Feng.

When he was training in a different dimension world, Ye Feng even killed all the core members of the Gods Association alone.

That incident immediately shocked the entire Four Domain Alliance.

Let Ye Feng's name spread throughout the four major regions.

So at this time, Ye Feng reported himself to his family, which shocked the two royal family elders of the Frost Kingdom.

But at this time, an elder from the royal family stared at Ye Feng. Sensing Ye Feng's aura of cultivation that could not be compared to the Seventh Heaven of the Supreme Earth, he immediately frowned and said: "We all know your talent. , but in a short period of time, it is impossible for you to grow to a level comparable to Xiao Tianshen. Your starting point is still too low. Although you seem to be going against the trend and becoming a lot stronger during this period, compared with a person like Xiao Tianshen, It's still too far behind."

When Ye Feng heard this, he didn't panic at all. Instead, he smiled slightly and said: "That's why I need to cooperate with the royal family of your Frost Kingdom. Your Frost Kingdom's rich resources can allow me to grow quickly. Don't tell me why you don't train yourselves." Because no one in your royal family can grow faster than me. I can quickly refine cultivation resources, improve my cultivation strength, and reach a terrifying level in a short period of time."

Chapter 2210 The Excited Frost Emperor

At this time, Ye Feng's words immediately attracted the attention of the two royal elders.

Although Ye Feng's words sounded very arrogant and arrogant.

But the two royal family elders knew that Ye Feng might not be joking.

At this time, Fengshen spoke up: "Two seniors of the royal family, please take us to see the emperor of your Frost Kingdom. This matter needs to be discussed quickly. Time waits for no one, because this terrifying guy Xiao Tianshen can come at any time." It may come, and we need to be fully prepared before it comes."

The two royal family elders heard what Fengshen said. After thinking for a while, they couldn't help but nodded and said: "Okay, I believe you for the time being. I will take you to see the Frost Emperor of our Frost Kingdom."

Uh-huh!

At this time, a royal elder continued to return to the sky and took control of the entire Frost City.

Another Supreme Elder took Ye Feng, Feng Shen, and a group of Wind Temple disciples into Frost City.

Soon they arrived at the main hall in the center of Frost City.

This main hall is the most magnificent central hall in the palace. It is naturally the place where the Emperor of the Kingdom of Frost, His Majesty the Frost Emperor, ascends the throne every day.

At this time, Ye Feng and Fengshen followed the royal elder and walked directly into the central hall of the palace.

The first thing they saw was a tall, middle-aged man sitting on the golden Nine Dragons chair at the top of the hall.

This tall, middle-aged man's cultivation aura was that of the Supreme Sixth Heavenly One.

As the king of the Kingdom of Frost God, the Frost Emperor is already very powerful to have this level of cultivation.

At this time Ye Feng and Fengshen walked in.

The eyes of Emperor Frost, as well as the eyes of all civil and military officials in the entire central hall, were all focused on Ye Feng and Fengshen.

superior.

At this time, the royal family's supreme elder had obviously already conveyed the news.

Everyone in the central hall knew Ye Feng's purpose of coming here.

At this time, the Frost Emperor made a majestic voice, and the first question was: "What qualifications do you have to prove that you can fight against Xiao Tianshen in the future? If you want the entire power of the Frost Kingdom to help you improve your cultivation, you need to prove it first Myself, the legends circulating about you are just rumors after all."

Ye Feng did not show any stage fright in the face of the only royal emperor of the four realms. Instead, he looked calm and said, "His Majesty the Emperor wants to see my talent, so just test it out and you will know."

At this time, Ye Feng's words seemed a bit provocative, making many civil and military officials in the palace hall couldn't help but twitch their eyelids.

"presumptuous!"

A big man wearing purple and gold armor immediately walked out from the surrounding ranks of civil and military officials.

With extremely cold and arrogant eyes, he stared at Ye Feng and said loudly: "Ye Feng, you are too presumptuous. Facing our noble Frost Emperor, how dare you dare to provoke him? You are just a supreme being. I can kill you with a hammer at any time. You smash it!"

boom!

At this time, this big man in purple gold armor suddenly burst out with a powerful and terrifying cultivation aura, and he was clearly the Supreme Heavenly One.

The big man in purple and gold armor stared at Ye Feng, his eyes were very fierce, and he said loudly: "Ye Feng, right? I don't believe that you are as evil and powerful as the rumors say, and there is no need for a big shot like His Majesty to test you. Just let me test you, but you have to be careful. I don't care about the severity of my attacks.

It may smash you to pieces with a hammer, so be careful. "

At this time, the big man in purple and gold armor said with a smile, his tone seemed to be full of confidence.

"General Tuoba has taken action. This Ye Feng is probably no match."

"That's right, General Tuoba is the most powerful general in our entire Frost Kingdom. He has fought countless battles in his life, and his cultivation is that of the legendary Heavenly Supreme Power. It is not something that a young boy can fight against."

...

At this time, bursts of disdainful voices suddenly sounded throughout the entire palace hall.

Obviously, all members of the royal family and civil and military officials felt that it was a very naive approach for a young man like Ye Feng to come and talk directly to the Frost Emperor, and was not worthy of cooperation from the Frost Kingdom.

"Purple Gold Meteor Hammer!"

But at this moment, the big man in purple and gold armor, General Tuoba, whom everyone said was extremely brave, took action.

He waved the hammer in his hand, and instantly the hammer burst into brilliant light.

The two hammers suddenly expanded into two huge and heavy meteors in the void, full of unparalleled impact and destructive power, and attacked Ye Feng fiercely.

"You are no match for me."

Facing the terrifying attack, Ye Feng just smiled indifferently and slapped it away casually.

"boom!"

Suddenly, terrifying power erupted.

Ye Feng's slap was like a "click", instantly shattering the two meteor hammers of General Tuoba.

"puff!"

The terrifying force continued to bombard Tuoba

The general's entire body was blown away, a mouthful of blood spurted out in the air, and it hit the ground of the hall hard.

"What?!"

Everyone who saw this scene, including members of the royal family and civil and military officials, had deep shock in their eyes.

General Tuoba, the Supreme Lord of Heaven, was actually slapped away by Ye Feng?

And the most terrifying thing is that the slap just now was as simple as swatting a fly.

It didn't seem like he was using much force.

"If this Ye Feng exerts all his strength, how terrifying would he be? What kind of terrifying combat power would he be able to unleash?"

At this time, everyone present figured this out and couldn't help but gasp.

"Very strong!"

At this moment, even the Frost Emperor, who was sitting on the golden nine-dragon seat at the top, couldn't help but his eyes lit up.

Ye Feng looked around with a smile and suddenly threw five heads out of the storage ring.

He said aloud: "These are the heads of the five Supreme Elders of the Gods Association. Each one has the cultivation level of the Heavenly Supreme Ninth Level. They were all killed by me. Now you should believe me, right?"

"Wow!"

At this moment, the moment Ye Feng threw the heads of these five Supreme Elders, it was like a stone stirring up a thousand waves. In the entire huge palace hall, countless civil and military officials were boiling in an instant, and their eyes were full of deep emotions. The shocking color.

Uh-huh!

Even His Majesty the Frost Emperor couldn't help but stand up from the Kowloon Golden Seat at this moment. His eyes were fixed on the heads of the five Supreme Elders thrown out by Ye Feng, and he spoke excitedly in an instant. He said in a voice: "Okay! Next, our Royal Family of the Kingdom of Frost will do our best to help you break through! Ye Feng, you are really an eternal genius!"
