Chapter 2271 Heavy Weapon of War

Just one day later, Prince Xuan Wuji had already rushed over from Xuanshan City with a large number of people and arrived at this stronghold of the blood-sucking demon clan.

At this moment, in the blood-sucking demon tribe's stronghold, the mountains in the distance have been completely hollowed out, and the upper body of a huge dark evil god has been mined out and appeared in everyone's sight.

There is also an even more majestic and huge lower body that has not been mined and is still buried deep underground.

Looking at the giant stone statue-like body of the dark evil god, even Xuan Wuji couldn't help but take a breath of air, and couldn't help but exclaimed: "Brother Ye really found a treasure this time!"

At this moment, Ye Feng, not far away, was commanding a group of elite teams to continue mining the body of the Dark Evil God.

At this time, Ye Feng immediately saw Xuan Wuji and a group of people rushing over not far away, and immediately flew over, smiling and saying: "Brother Xuan, you are here, that's great, let's hurry up and form a team Let's mine the body of this dark evil god together. I have successively killed several powerful vampire demons who came from other places in the past few days. It is estimated that this place will be discovered soon."

Xuan Wuji immediately nodded and said in a very solemn tone: "Indeed, there is a great evil atmosphere here, so the body of the evil god of darkness will definitely attract the attention of other powerful vampire demons. We really need Hurry up and dig out the body of this dark evil god, take it away as soon as possible, and go back to study it."

Ye Feng nodded and said loudly: "How many people did you bring this time?"

Xuan Wuji said: "Recently, I have recruited nearly hundreds of thousands of ordinary soldiers at the Xuanshan City base. This time, I have brought in specially trained soldiers, with a total of 30,000 soldiers."

Ye Feng's eyes lit up and he immediately said: "That's great, let them join the mining team quickly."

Xuan Wuji nodded, and then ordered behind him: "General Commander-in-Chief, Second Commander-in-Chief and Third Commander-in-Chief, please obey your orders. Each of you will lead your subordinates, and all of them will join Brother Ye."

The mining team must mine all the Dark Evil God's body within three days. This is a death order! "

At this time, they heard that Prince Xuan Wuji had issued a death order. All the 30,000 people he brought with him showed nervousness in their eyes for a moment, and shouted loudly: "Don't worry, Your Highness! We will work hard to dig! In three days!" The task will be completed within a day! We will dig even if we don't rest at night!"

Xuan Wuji nodded and said: "Very good, you are all the elite members I have trained during this period. You have strong cultivation and you will not die suddenly if you stay up late for three days, so work hard for me!"

"Yes, Your Highness the Crown Prince!"

Thirty thousand people roared loudly, and then all joined the thousands of elite teams before Ye Feng, and began to frantically dig for the identity of the dark evil god.

At this time, Ye Feng and Xuan Wuji were standing high in the sky, watching the people digging below.

Xuan Wuji stared at the huge body of the Dark Evil God whose upper body had been completely mined, and couldn't help but said: "Brother Ye, what do you think of the body of this Dark Evil God? How should we study it next? it?"

Ye Feng said: "Brother Xuan, you are the prince of the Xuanwu Dynasty. You should know who are the most powerful weapon masters in the Xuanwu Dynasty. I need you to summon them all. No matter what the cost, you must summon the least It takes hundreds of weapon refining masters to gather them together to study and discuss how to refine the dead body of this dark evil god into a very terrifying war puppet."

"What?"

When Xuan Wuji heard what Ye Feng said, he couldn't help but exclaimed: "Brother Ye, do you mean to refine the body of this dark evil god into a war machine?"

Ye Feng nodded and said, "That's right.

I originally wanted to bring the body of this dark evil god back to the base of Xuanshan City, and then refine all the flesh and blood of this dark evil god into pills that can enhance the human body's potential, but I finally thought about it carefully, even if we It is impossible to cultivate hundreds of thousands of tiger and wolf warriors to sweep across the entire border land, but once the body of the ancient demon race, such as the Dark Evil God, can be turned into a very terrifying war machine, the destructive power will be absolutely astonishing. , if you can have a demonic war machine like the Great Dark Evil God during the battle, it will definitely be very terrifying, the destructive power is amazing, no one can stop it, it is a powerful war weapon for attacking cities and villages! "

When Xuan Wuji heard what Ye Feng said, he was immediately moved and said quickly: "Then I will ask people to go to the imperial city immediately to do this. In the name of my prince, I will recruit hundreds of powerful weapon refining masters." "

Ye Feng immediately nodded and said: "Gather hundreds of weapon refining masters as soon as possible. Don't worry about money at this time. As long as there are weapon refining masters willing to come to our Xuanshan City base, then give them high enough remuneration. Now the talent is right We are important."

Xuan Wuji said: "Brother Ye, you are right. If we can successfully refine the dead body of the Dark Evil God into a war machine, then we can quickly sweep through the strongholds of the vampire demons. What wealth will we have by then?" Can't get it?"

Ye Feng said with a smile: "Yes, the most important thing for us now is to build an invincible war army! Brother Xuan, if you think about it carefully, you should be able to imagine that if the body of the dark evil god is refined by then, If it becomes a war machine and can be used by us, then I am afraid that even if it directly attacks the blood-sucking demon clan's territory, we will not be so afraid. "

Xuan Wuji immediately nodded and said, "Okay! I'm really moved! I'll immediately send someone to hire hundreds of weapon refining masters!"

In the next few days, Ye Feng and Xuan Wuji personally joined the mining team.

Got it

With the joining of these two peerless geniuses, the progress of mining suddenly accelerated a lot.

In the end, in less than a day and a half, the entire body of the Dark Evil God was mined out.

The Great Evil God of Darkness is indeed an ancient existence. The body of this area is more than ten thousand feet tall and majestic. It was dug out from the depths of the ground and reappeared in this world. It looks so shocking that it makes people excited. I couldn't help but feel a sense of suffocation and insignificance in my heart.

None of Ye Feng's storage rings could hold the body of this dark evil god.

In the end, everyone used countless iron ropes to tie up the entire huge body of the Dark Evil God. Then Xuan Wuji controlled his high-level warship, directly lifted the entire huge body of the Dark Evil God, and then began to move towards Transport in the direction of Xuanshan City.

Ye Feng and a group of elite teams were flying high in the surrounding air, on alert at all times.

The true form of the evil god of darkness was completely revealed. He was transported so blatantly in the sky, and his extremely strong and huge evil aura immediately attracted the attention of many living beings along the way.

Especially some of the ancient races in the surrounding mountains all saw the dark evil god who was more than 100,000 feet tall, and their eyes were filled with fear, but also greed.

But on this day, the warship was transporting the Great Evil God of Darkness with iron ropes tied to it, but hundreds of thousands of Bull Demon Clan soldiers appeared in front of him!

The leader was a commander of the Bull Demon Tribe who was wearing heavy black armor.

He carried a tiger-headed sword and instantly blocked the way of the warship. He grinned and said: "How dare you pass by the territory of our Bull Demon Clan so blatantly? You humans are really

arrogant, but I'm in a good mood today, as long as you keep the body of the evil god of darkness, then I'll let you go, okay?"

Chapter 2272 Dugu seeks the devil

The commander of the Bull Demon Clan looked very arrogant.

At this moment, everyone on the warship looked a little ugly.

Because the opposing Bull Demon Tribe dispatched nearly hundreds of thousands of Bull Demon Tribe soldiers.

The cultivation level of this commander of the Bull Demon Tribe is very powerful, and he is a powerful existence at the level of the half-step Transcendent Realm that has surpassed the Realm of All Things.

Moreover, the cultivation base of each of the hundreds of thousands of Niu Demon Clan soldiers is very powerful.

The combined fighting power is absolutely amazing.

Even Ye Feng and Xuan Wuji standing on the warship had a trace of fear in their eyes at this time.

The strength of this bull demon clan is still very terrifying. ??

If there is a direct confrontation, both sides may suffer heavy losses.

At this moment, Xuan Wuji immediately flew forward, looked at the commander of the Bull Demon Tribe, and said loudly: "Hello, I am Xuan Wuji, the prince of the Xuanwu Dynasty. The body of this dark evil god was discovered and excavated by us in advance. "Your Excellency, the Niu Demon Clan should also know the strength of our Xuanwu Dynasty. Can you give us some face and let us pass?"

The commander of the Bull Demon Clan stared at Xuan Wuji at this time, and said with a cold smile: "It doesn't matter that you are the prince of the Xuanwu Dynasty. Since we have encountered a priceless treasure like the Dark Evil God, there is no way I can miss it. "

The moment the commander of the Bull Demon Clan finished speaking, he immediately shouted to the rear: "All the sons of the Bull Demon Clan, charge with me, kill all the human troops, and then rob them of their The true body of the Dark Evil God will become the treasure of our Bull Demon Tribe!"

"kill!"

"kill!"

"kill!"

At this moment, the entire army of more than 100,000 people from the Bull Demon Clan roared loudly, holding the powerful weapons in their hands and charging towards a group of human teams.

Xuan Wuji's expression immediately became extremely gloomy. He did not expect that his status as the crown prince of the Xuanwu Dynasty would be of no use at all.

"Now there is only one battle!"

At this moment, Ye Feng flew to Xuan Wuji's side, ready to fight at any time.

"boom!"

But suddenly at this moment, in the endless sky, a terrifying sword light that could split mountains and split seas suddenly descended.

"Boom!!"

Although it was just a sword light, at that moment, it killed more than 10,000 Niu Demon Clan soldiers rushing at the front!

"What?!"

This sudden change caused the high-spirited commander of the Bull Demon Tribe to widen his eyes with an expression of extreme shock on his face.

"what's the situation?"

"what happened?"

At this moment, the terrifying sword light falling from the sky killed more than 10,000 Bull Demon soldiers in an instant, and all the surviving Bull Demon warriors immediately showed deep horror in their eyes.

"Um?"

At this time, Ye Feng, Xuan Wuji and others who were preparing to fight also had deep surprises in their eyes.

what's the situation?

Who is helping them?

Uh-huh!

And at the next moment, a thin figure appeared between the two teams.

This is a very thin-looking young man, wearing a green shirt and holding a very ordinary iron sword.

That iron sword, above

It didn't emit any spiritual energy fluctuations, and it was obviously just an extremely ordinary mundane long sword.

But he was struck with such terrifying power by this young man's sword. From this, it can be seen that this mysterious young man who suddenly appeared is absolutely extremely powerful.

"A green shirt, an iron sword, a thin figure, and a sword slash with such a powerful force, this is... Dugu Qiu Mo!"

At this time, Xuan Wuji seemed to have thought of something, and he couldn't help but exclaimed.

"Dugu Qiumo? Who is that?"

Ye Feng looked at the seemingly excited expressions of his companions and couldn't help but ask.

Xuan Wuji said with a hint of excitement in his tone: "In the vast territories of our ten dynasties, there are many strong people, and not all of them hold high positions in the courts of their respective dynasties. Many strong people are unruly and unruly. , all belong to the category of wandering warriors. This Dugu Qiumo is a very famous one among the wandering warriors. It is said that his swordsmanship has reached a superb level, and his cultivation is also earth-shattering. The most important thing is, This Dugu Qiu Mo is a great chivalrous person who often draws his sword to help when encountering injustice."

Hearing this, Ye Feng suddenly nodded in confusion and said: "This Dugu Qiu Mo is indeed very powerful. An ordinary iron sword actually burst out with such terrifying sword energy. It hit him all at once." Killing more than 10,000 Bull Demon Clan soldiers is indeed very powerful. Sure enough, there are still many strong people outside the Immortal Palace in the Northern Territory. "

And at this moment.

The commander of the Bull Demon Tribe opposite had an ugly look in his eyes. ??

Although this commander of the Bull Demon Clan possesses a powerful cultivation level of half-step to the extraordinary realm.

But at this moment, in front of Dugu Qiumo, I also felt a kind of love coming from my soul.

Fear, his hand holding the tiger-head sword was trembling slightly at this moment.

The commander of the Bull Demon Clan stared at Dugu Qiumo, who was wearing a blue shirt, and said loudly: "We, the Bull Demon Clan, still have an older existence, lurking deep in the jungle. You, a nosy person, had better get out of here. Otherwise, no matter how high your cultivation level is, you will not be able to withstand the attack of the truly ancient existence of our Bull Demon Clan."

Lonely Qiu Mo smiled indifferently and said, "Ask those guys deep in the jungle if they dare to really fight me?"

At this time, the commander of the Bull Demon Clan had an ugly look in his eyes, as if he was about to call for support.

"Come back and let them pass."

Suddenly at this time, an ancient voice came from the depths of the jungle.

"Elder, this..."

When the commander of the Bull Demon Clan heard this, his expression turned extremely ugly.

But the next moment, the commander of the Bull Demon Clan could only roar angrily, and returned to the depths of the jungle with an army of hundreds of thousands of Bull Demon Clan.

"call!"

Seeing the Bull Demon Tribe withdrawing its troops, the human soldiers surrounding the warship who were guarding the body of the Dark Evil God couldn't help but heave a sigh of relief.

Xuan Wuji also breathed a sigh of relief. If Lonely Qiu Demon hadn't come to support them this time, they might have experienced a very brutal and bloody battle, and they might even have perished.

At this time, Xuan Wuji and Ye Feng were ready to thank the lonely demon seeker.

But suddenly Dugu Qiumo turned around suddenly, stared at the two of them, and said: "The body of the evil god of darkness is too dangerous. Even if this ancient existence dies, its body is immortal and may be resurrected at any time. We must immediately destroy!"

"destroy?"

When Ye Feng and Xuan Wuji heard this, their expressions changed slightly.

Chapter 2273 Golden Ancient Demon Relics

Destroy the body of the Great Evil God of Darkness?

At this moment, what Dugu Qiumo said was unacceptable to both Ye Feng and Xuan Wuji.

This is a priceless treasure that they worked so hard to dig out from the ground.

Xuan Wuji immediately couldn't help but said: "Senior Dugu Qiumo, I know your intention is good, to destroy this dangerous thing, but the body of the evil god of darkness is too important to us now, because we It is completely possible to use the Dark Evil God to forge a very terrifying weapon of war, which can be used to fight for our human race and destroy those evil and powerful blood-sucking demons."

Hearing what Xuan Wuji said, Dugu Qiumo was obviously not convinced, but slowly walked towards the body of the great dark evil god pulled by the warship.

"What a great evil."

Dugu Qiumo stared at the Dark Evil God with extremely cold eyes and said: "In order to prevent all accidents, prevent the Dark Evil God from resurrecting, and prevent the Dark Evil God from finally falling into the hands of the demons, I must give this terrifying thing to Destroyed!"

Uh-huh! ??

But suddenly at this moment, Ye Feng suddenly stood in front of Dugu Qiumo, blocking his way.

Dugu Qiumo stared at Ye Feng and said coldly: "Get out of the way."

Ye Feng shook his head and said: "I respect senior and everything is for the safety of the human race, but this dark evil god's body will definitely not be in any danger, I promise senior."

Dugu Qiumo said: "As a junior, you have no ability to guarantee me. Get out of my way immediately, otherwise the consequences will be serious."

Buzz!

A strong fighting spirit suddenly surged out of Ye Feng, and he said in a neither humble nor overbearing tone: "I won't get out of the way."

"Um?"

Seeing that Ye Feng actually showed his fighting spirit, Dugu Qiumo showed a hint of surprise in his eyes, and couldn't help but said: "Young man, you are quite courageous, you actually dare to show your fighting spirit to me. "

When he said this, Dugu Qiumo suddenly turned around and said: "Okay, then I will follow you to where you are going. I want to see with my own eyes how you successfully refined the body of the Great Evil God of Darkness. Yes, if there is even the slightest sign of the Dark Evil God's revival, I will directly destroy it and will not compromise any further."

At this moment, Dugu Qiumo said, and he jumped directly onto Xuan Wuji's warship, sat cross-legged, and began to close his eyes and rest.

Ye Feng and Xuan Wuji looked at each other and couldn't help but breathe a sigh of relief.

Next, they continued to set off and rushed towards Xuanshan City.

In less than three days, the group finally returned to Xuanshan City.

The towering body of the Dark Evil God was placed directly in the central square of Xuanshan City.

That shocking body made many people unable to help but stop and watch.

"His Royal Highness the Crown Prince and His Highness the General have really gained a lot this time. They actually brought back such a big guy."

Many of the garrison troops in Xuanshan City couldn't help but speak out.

At this moment, Xuan Wuji was also anxious to contact and recruit more than a hundred weapon refining masters.

Ye Feng met Xiao Qinglong in the city lord's mansion and gave Xiao Qinglong some good things he got from the vampire demon stronghold.

"Huh? He is actually the descendant of the four ancient Holy Spirits, and he seems to be a completely pure-blooded Qinglong..."

Dugu Qiumo, who had returned to Xuanshan City with Ye Feng and others, flashed to Xiao Qinglong's side in an instant, with some surprise in his eyes.

"Brother Ye Feng, is this a bad guy?" Xiao Qinglong stared at the strange young man Dugu Qiumo, a little worried.

Ye Feng smiled and said, "Senior Dugu Qiumo is not a bad person."

"That's good."

Xiao Qinglong immediately breathed a sigh of relief.

During this period, Ye Feng asked Xiao Qinglong to be on alert around the city wall at all times, making Xiao Qinglong very nervous.

At this time, Dugu Qiumo looked at Ye Feng and said: "Young man, it seems that I have underestimated you. You can actually make a young pure-blooded green dragon recognize you as its master. It seems that you are more extraordinary than I thought." "

Ye Feng just smiled casually and said: "Qingqing does not recognize me as the master, she is my partner."

"partner?"

Seeing the little green dragon lying peacefully on Ye Feng's shoulder, Lonely Seeking Demon's eyes showed a hint of complexity, as if he was recalling something from the past.

"Report to the general!"

Suddenly at this time, Shi Tie, the city lord of Xuanshan City, hurried in from outside, clasped his fists at Ye Feng and said: "General, we found an ancient alien ruins in the barren mountains outside Xuanshan City. It seems to be The relics of the Golden Ancient Demon Clan were discovered by our miners while mining. General, please give me some instructions on what to do?"

"The remains of the Golden Ancient Demon Clan?"

Ye Feng couldn't help his eyes moving, and said: "Did you report it to the prince? What did he say?"

Shi Tie said: "His Royal Highness the Crown Prince is currently busy recruiting masters of weapon refining to refine the body of the Dark Evil God. His Royal Highness the Crown Prince leaves this matter under your control and handling, General."

"good."

Ye Feng immediately nodded and said: "The Golden Ancient Demon is an extremely powerful demon clan. The ruins of the Golden Ancient Demon must have many good things, but at the same time, there may also be huge dangers. So, Shi Tie, you dispatch first Many of our elite teams from Xuanshan City went to the barren mountain to be on guard and protect it. I went alone to explore the golden ancient demon ruins. I will make the next arrangements after I find out the specific situation. "

Shi Tie immediately obeyed the order and said: "Yes, General! I will make arrangements right now!"

The little green dragon woke up on Ye Feng's shoulder. His little eyes were full of excitement. He waved his little green dragon claw and said, "Brother Ye Feng, this is great news! We are going to get rich this time." !”

I don't know if it was because of the influence, but Xiao Qinglong and Ye Feng are now of the same virtue and have become a small money fan.

At this time, Ye Feng was also quite excited and said loudly: "Whatever is missing will be brought. Now if our team in Xuanshan City wants to develop and grow, we must have sufficient resources for the soldiers to use. We also need resources to cultivate strong men. It just so happens." Go look for it in the golden ancient demon ruins."

At this time, Dugu Qiumo suddenly said: "Ye Feng and I will go together. I am also very interested in this golden ancient demon ruins."

Ye Feng glanced at Dugu Qiumo in surprise and said, "Senior Dugu, of course we can go together."

If Dugu Qiu Mo goes, Ye Feng will just have a free powerful bodyguard, so why not do it.

In the afternoon, Ye Feng set off directly.

This time Ye Feng brought Xiao Qinglong with him. Xiao Qinglong's ability to teleport regardless of any constraints is of great use in detecting treasures in ancient ruins.

Dugu Qiumo was also wearing a green shirt, carrying an extremely ordinary iron sword on his back, and followed Ye Feng. Destroy the body of the Great Evil God of Darkness?

At this moment, what Dugu Qiumo said was unacceptable to both Ye Feng and Xuan Wuji.

This is a priceless treasure that they worked so hard to dig out from the ground.

Dugu Qiumo was also wearing a green shirt, carrying an extremely ordinary iron sword, and followed Ye Feng.

Chapter 2274 Opening the Metal Door

In less than half a day, Ye Feng and Dugu Qiumo had arrived at the ruins of the golden ancient demon.

Just as Shi Tie said, this place is an inaccessible barren mountain area.

Normally no one would come here at all.

This time it happened that the miners of Xuanshan City were mining ore in this barren mountain, and they accidentally unearthed the remains of the golden ancient demon.

For Ye Feng, this kind of ancient ruins has very important strategic significance at this stage.

Not only can you find resources for your own growth in the ancient ruins, but you can also get abundant resources in the ancient ruins that can quickly make everyone in Xuanshan City stronger.

The resources Ye Feng needs now are all very high-level. Even if the resources he needs are not available in the ancient ruins and are relatively low-level, they are still enough for other soldiers in Xuanshan City.

Therefore, Ye Feng's purpose is very clear. If he can find high-level resources in this ancient ruins, he will definitely give priority to devouring them to increase his strength. If he finds some low-level resources that he cannot use, he can use them for other people in Xuanshan City. .

In Ye Feng's eyes, those so-called low-level resources are actually very rich wealth for ordinary soldiers in Xuanshan City. .??.

So at this time Ye Feng and Dugu Qiumo came here, and Shi Tie, the lord of Xuanshan City, was already waiting here.

Shi Tie said aloud at this time: "Tell the general, I have sealed off the entire barren mountain. No one will break in."

Ye Feng nodded and said, "That's right. Senior Dugu and I will go into the ruins of the golden tomb to investigate first. Once we are sure that there is no danger inside, I will let you come in to move the resources."

Shi Tie also had a hint of excitement and expectation on his face at this time, and he quickly clasped his fists and said, "Then I will wait for the general's successful return!"

At this time, Ye Feng nodded slightly, and then walked into the depths of the barren mountain alone.

Ye Feng also followed immediately at this time.

Soon they arrived at the deepest part of this barren mountain.

They immediately saw a big hole dug out of the ground.

Under the huge pothole, an extremely towering gold metal door actually appeared.

This golden metal door is engraved with many ancient demon characters, which is obviously the product of the golden ancient demon clan.

At this time, Ye Feng looked at Dugu Qiumo beside him and asked: "Senior Dugu, how should we open this golden demon clan ruins?"

Dugu Qiumo stepped forward at this time, looked carefully at the golden metal door in the pit, and then said aloud: "This is indeed the product of the golden ancient demon clan. I have seen it in another place. , very ancient. If you want to open this golden metal door, according to the description of the ancient demons on the door, you need the purest blood of the golden ancient demons to open it. "

Ye Feng glanced at Dugu Qiumo in surprise, and said loudly: "I didn't expect that senior Dugu knew the ancient characters of these golden ancient demons."

"Understand a little bit."

Dugu Qiumo said: "We now need to find a pure-blooded golden ancient demon to open this door."

Ye Feng nodded and said: "There are areas around here where foreign races live. We should be able to find a place where the Golden Ancient Demon lives."

Dugu Qiumo said, "Leave it to me. I'll be back soon."

Uh-huh!

After Dugu Qiumo's words fell, his whole person instantly turned into a sword light, sharp and powerful, soaring straight into the sky, and disappeared directly in place.

Ye Fengkan

Watching Dugu Qiumo's retreating figure, he waited directly where he was. He knew that your method of Dugu Qiumo shouldn't take long.

Sure enough, it was the afternoon of the next day.

Boom!

Suddenly Dugu Qiumo flew over from a distance, holding a golden ancient demon covered with golden scales in his hand, and threw it down from a high altitude, hitting the metal door in the pit hard.

This golden ancient demon has been killed.

Ye Feng's eyes were a little horrified. He didn't expect Dugu Qiumo to be so efficient. In just one day, he had killed a powerful golden ancient demon and brought it back.

"I don't know how powerful this senior Dugu really is."

Ye Feng was secretly guessing in his heart at this time.

This Dugu Qiu Mo is so powerful that even Ye Feng is unable to sense what specific level of cultivation the other party is at at this moment.

At this time, Dugu Qiumo said: "It should be done now."

Wow...

At this moment, the blood of the pure-blooded golden ancient demon was flowing on the metal gate.

"Buzz..."

The ancient metal door buried deep in the ground suddenly began to emit a faint golden light.

An extremely ancient aura spread out instantly.

"Rumble..."

And at the next moment, the golden door finally slowly opened.

Behind the golden door is a bottomless passage that leads to nowhere.

"Let's go in."

Dugu Qiumo took the lead and stepped directly into the deep passage behind the golden gate.

Ye Feng's eyes flashed at this moment.

Shen quickly followed.

With Dugu Qiumo leading the way, Ye Feng felt much safer.

After all, these are the ruins of the ancient Golden Demon Clan, and there might be some huge danger inside.

With a strong man like Dugu Qiumo taking the lead, Ye Feng naturally felt a lot more at ease.

The two fell quickly in the dark and deep passage.

boom!

boom!

Finally, just half an hour later, they finally reached the bottom of the deep passage.

The two people's cultivation levels dropped for half an hour, which shows how long this deep passage is.

Ye Feng couldn't help but say at this time: "We are probably very far underground now, and we are probably close to the center of the earth."

"Close to the center of the earth?"

Dugu Qiumo shook his head and said loudly: "You underestimate the vastness of the God Realm. The God Realm is the largest interface in the world. It is so vast that even the battles of ancient gods cannot destroy the God Realm. The foundation of the world, let alone this mere ancient ruin."

When Ye Feng heard what Dugu Qiumo said, he couldn't help but reveal a hint of shock in his eyes.

At this time, Xiao Qinglong seemed to have discovered something. He was lying on Ye Feng's shoulder. At this time, the small figure quickly flew in a certain direction ahead.

"Qingqing! Don't be impulsive! What did you find?"

Ye Feng followed immediately.

Dugu Qiumo didn't say anything more and followed in the direction of the little green dragon.

Because Dugu Qiumo felt that the pure-blooded heirs of the four holy spirits of heaven and earth like Xiao Qinglong had unusually strong perceptions, so they must have sensed something incredible before flying in that direction.

Chapter 2275 Dragon Demon

Xiao Qinglong is very fast.

But Ye Feng and Dugu Qiu Mo are not slow either.

They quickly caught up with Xiao Qinglong.

At this time, Xiao Qinglong floated in front of the door of a huge underground building.

This building is a very ancient castle, and it looks like it has a very vicissitudes of history.

The castle was completely surrounded by overgrown weeds and had obviously been deserted and abandoned for a long time.

"This seems to be an ancient building in ancient ruins. It seems that some kind of existence once lived inside. Now many years have passed and it has been buried deep underground for so many years. It has been completely deserted and abandoned."

Ye Feng stared at the very old and dilapidated castle at this time, and couldn't help but say aloud.

At this time, Dugu Qiumo looked at the interior of this huge ancient castle with a hint of solemnity in his eyes, and suddenly said: "What a great evil!"

"What a great evil?"

Ye Feng's eyes showed a trace of surprise at this time, staring at Dugu Qiumo beside him.

He still remembered that Dugu Qiumo also said this when he saw the Great Evil God of Darkness.

Could it be that there is a very evil demon hidden in this castle?

In an instant, Ye Feng became alert, and automatically radiated his soul power to explore the castle.

"Um?"

But suddenly at this moment, Ye Feng found that the moment his soul power touched the castle, it was directly blocked, and his soul power could not be distributed at all.

"It seems that this castle is shrouded in a very powerful formation."

Ye Feng looked at the little Qinglong next to him and said, "Qingqing, what did you find out here?"

Xiao Qinglong said: "I feel the breath of the origin."

"The original breath?"

Ye Feng was a little surprised: "You mean, there is a dragon creature in this castle?"

br

Xiao Qinglong said with some uncertainty at this time: "I'm not sure, but Brother Ye Feng, I'm sure that there must be very vicious existences in this castle, but it will be of great benefit to me. Should we Go in?"

Uh-huh!

But before Ye Feng could speak, Dugu Qiumo suddenly held the iron sword in his hand and walked directly into the castle.

"Senior Dugu!"

At this time, Ye Feng also led Xiao Qinglong into the castle, following Dugu Qiumo behind him.

If Ye Feng were alone, he would definitely think about it carefully.

But now that Dugu Qiumo, a super strong man, was present, Ye Feng felt much more confident, so he followed Dugu Qiumo directly in. If there was any danger, Dugu Qiumo would probably be able to handle it.

After all, Dugu Qiumo is very powerful, even Ye Feng can't see his depth.

At this time, two people and a dragon were walking in the ancient castle.

Xiao Qinglong seemed a little scared, lying on Ye Feng's shoulder, sticking out his little head and looking around.

At this time, Dugu Sword Demon was dressed in a green shirt, holding the iron sword in his hand, and walked at the front with powerful steps.

Ye Feng couldn't help but said: "Senior Dugu, did you find anything in this castle?"

Dugu Qiumo nodded and said: "I entered this not to find any treasures, but to get rid of the evil creatures I sensed, so that they would not cause harm to the human race outside."

Hearing these words from Dugu Qiumo at this time, even Ye Feng had to admire that this senior Dugu Qiumo was indeed a completely decent person.

Ye Feng feels that he is not a bad person, but he is not a completely good person either.

But this senior Dugu Qiumo is absolutely real

of decent people.

Everything he does is often not for personal selfishness, but for the safety of the entire human race.

No wonder such a strong man is unwilling to join the imperial court or join a large sect, preferring to be a wandering warrior.

Because he does not join any force, he can stick to his beliefs without being forced to do things against his will.

"who is it?!"

At this moment, Dugu Qiumo suddenly looked at a certain direction beside him, and the iron sword in his hand instantly struck in that direction.

Poof!

A golden demon's entire body was split in half by a sword in an instant.

The body fell out of the darkness. .??.

However, this corpse had already shriveled up, and had obviously been dead for many years, but had been hiding in the darkness, so it aroused Dugu Qiumo's vigilance.

"It turns out to be a dead golden demon."

Dugu Qiumo muttered, as if he felt that he was too nervous.

"Look!"

Suddenly at this time, Ye Feng's exclamation sounded.

At this time, Dugu Qiumo immediately looked forward.

They immediately saw that there was a very huge tomb in the center of the castle.

This large tomb is as big as a hill and looks very majestic and towering.

"Is this the burial place of a powerful demon?"

Ye Feng's eyes showed a trace of surprise at this time, and he was ready to step forward to investigate.

"Click, click..."

But suddenly at this moment, cracks suddenly appeared on the entire surface of the large tomb.

Then there was a huge roar.

One looks like it's made of dark gold

The huge dragon claw stretched out from the tomb.

"This is....."

The two people present couldn't help but look shocked.

"Rumble..."

At the next moment, the entire tomb exploded completely, and with a huge roar, the body of a majestic dragon, which had shriveled up and was covered in bones, surprisingly revived and crawled out of the tomb, filled with overwhelming energy. The aura has a necromantic air of death.

"This is a golden dragon demon! It is a dragon demon from the ancient golden clan! It has obviously been dead for many years, but it seems to have transformed into a corpse!"

At this time, Dugu Qiumo immediately clenched the iron sword in his hand and said to Ye Feng and Xiao Qinglong behind him: "This level is no longer something you can interfere with. Hurry back and I will fight this zombie dragon demon." A fight!"

Boom!

Dugu Qiumo roared, and instantly he rushed high into the sky, charging towards the zombie dragon demon.

"Boom!"

The zombie dragon demon instantly stretched out a steel-like dragon claw and directly collided with Dugu Qiumo's iron sword.

"Dong dong dong!"

At this moment, even Dugu Qiumo was shaken by a powerful counter-shock force and took several steps back.

This shows how powerful this zombie dragon demon is!

At this moment, the little Qinglong beside Ye Feng said loudly: "Qingqing, what you sensed should be this dragon demon of the golden clan that has been dead for many years."

Xiao Qinglong immediately nodded and said, "That's it! But Uncle Dugu Qiu Mo seems to be unable to defeat it."

Ye Feng nodded at this time and said: "I'll help too!"

boom!

Ye Feng soared into the sky in an instant. Since this dragon demon was useful to the little green dragon and might allow the little green dragon to grow, Ye Feng naturally had to find a way to kill it.

Chapter 2276 The Origin of Dragon Demon

Uh-huh!

At this time, Ye Feng also rushed to the sky in an instant and came to Dugu Qiumo's side.

"What are you here for?"

Dugu Qiumo couldn't help but shouted coldly: "Your current cultivation level is too low, and it is useless for this battle."

Ye Feng said aloud: "I can assist Senior Dugu's attacks from the side. If I read correctly, although Senior Dugu's sword attack power is very powerful, his own strength is not very good."

Dugu Qiumo nodded and said: "Sword cultivators are like this. I have dedicated my whole life to the way of swordsmanship. What I pursue is speed, accuracy, ruthlessness, and powerful instant attacks. My defense is indeed not high."

Ye Feng said: "I can provide senior Dugu with strong defense and control."

At this time, Ye Feng said and immediately rushed towards the lost dragon demon.

"careful!"

Dugu Qiumo followed immediately.

"boom!"

The zombie dragon demon stretched out a huge dragon claw and grabbed Ye Feng directly.

"boom!"

Ye Feng stretched out a fist, burst out the power of chaos, and collided hard with the zombie dragon demon.

"Boom!!"

The next moment, Ye Feng immediately felt an irresistible terrifying force, and was instantly bombarded from the zombie dragon demon's claws.

Bang!

Ye Feng's whole body was directly blasted to the ground, smashing a large area of the ground.

"Brother Ye Feng!"

Xiao Qinglong immediately flew to the ruins where Ye Feng fell and smashed it, and called out very worriedly.

"I'm fine."

Ye Feng flew up from the ruins at this time, shook off the rubble on his body, and immediately grinned and said: "This zombie dragon demon is really powerful."

Dugu Qiumo, who was high up in the sky, saw that Ye Feng was fine below, and immediately said: "Fortunately, your life is not in danger.

I advised you not to be brave, but you didn't listen. "

Ye Feng suddenly said: "I just tried the power of this zombie dragon demon myself to see if I can fight against it."

After finishing speaking, Ye Feng suddenly began to recite a very ancient demon spell.

This demonic spell is exactly what Ye Feng got from the demonic soul master before. It is the demonic spell that can summon the dark mage!

Ye Feng had asked Emperor Chu to decipher this demon spell, so as a soul master, he could directly summon the dark mage in the mythical dimension of time and space.

"boom!"

At this moment, Ye Feng continued to sing that special demon spell.

Suddenly, a huge space crack suddenly opened in the sky above Ye Feng's head.

An ancient giant covered in dark gold stepped out of the crack in space in an instant.

This is the Dark Master!

As long as Ye Feng's soul power is not exhausted, the Dark Master will have unlimited vitality and unlimited fighting power.

"boom....."

The moment the Dark Master appeared, an ancient and vicissitudes of mythical aura immediately emanated from the Dark Master.

A suffocating dark aura spread throughout the world in an instant.

"This is....."

Dugu Qiumo was also startled at this time, staring at the dark mage summoned by Ye Feng, and couldn't help but say: "What a great evil!"

Dugu Qiumo felt an evil and dark aura from the Dark Master's body that was no less than that of the Dark Evil God before.

However, the evil god of darkness is already dead.

But the darkness in front of me

The Great Master An appeared vividly in Dugu Qiumo's eyes.

This is extremely shocking.

At this time, Dugu Qiumo stared at Ye Feng, with a look of surprise in his eyes, as if he did not expect that this young man actually had the means to summon him.

This was something Dugu Qiumo never expected.

"You kid, you are making me more and more curious."

Dugu Qiumo murmured secretly in his heart.

Originally, he thought Ye Feng might be a young man with extraordinary talent in martial arts.

But now it seems that Dugu Qiumo feels that Ye Feng may have more secrets.

At this moment, Ye Feng shouted: "Dark Master! Come on!"

"boom!!"

The Dark Master's burly and boundless body immediately flew from the top of Ye Feng's head to high in the sky, and then stretched out two thick and powerful arms, opened his hands, and instantly hugged the zombie dragon demon. Stop it, get it under control.

"Roar!!"

No matter how strong the zombie dragon demon is at this time, it can't break free from the dark mage's bear hug for a while.

At this moment, Ye Feng's soul power was being consumed rapidly. He looked a little pale. He immediately looked at Dugu Qiumo, who was not far away, and shouted: "Senior Dugu, now is a good time. I have let the Dark Master control me." The zombie dragon demon is here, senior Dugu, use your most powerful attack to kill the zombie dragon demon in one go!"

"good!"

Dugu Qiumo saw Ye Feng's face turning pale quickly, and he immediately understood that Ye Feng summoned the dark mage at a huge cost.

At this time, Dugu Qiumo's eyes became extremely cold in an instant. He stared at the two behemoths entangled in the sky, stared at the zombie dragon demon, and shouted: "The sword breaks the sky! The air moves the universe!"

Boom! !

Almost at this moment, a very terrifying sword intent burst out from Dugu Qiumo's body. The infinite sword light burst out from Dugu Qiumo's body like a savage beast, all gathered here. Above a sword.

This is definitely Dugu Qiumo's most terrifying sword.

At this time, the zombie dragon demon high in the sky seemed to be aware of the danger to its life. It immediately roared crazily and bit the dark mage who was hugging it.

"Sizzling, sizzling..."

The Dark Archmage's body was torn to pieces, but he quickly recovered instantly.

Because the Dark Master has unlimited vitality.

Won't die.

"boom!!"

At this moment, Dugu Qiumo's sword attack finally completely hit the zombie dragon demon.

"Pfft!"

"Pfft!"

At this moment, the entire towering black dragon body of the zombie dragon demon was instantly cut into three pieces. He fell from a high altitude, smashed a large area of the ground, and was completely killed!

"very good!"

Dugu Qiumo immediately laughed out loud.

At this moment, Ye Feng also quickly stopped consuming his soul power, and he almost collapsed.

With the termination of Ye Feng's soul power, the Dark Master also disappeared into the sky and returned to the mythical dimension of time and space.

At this moment, Ye Feng said to Xiao Qinglong beside him: "Qingqing, if you need anything, just take it."

Xiao Qinglong immediately flew over, holding a dragon ball that exuded a dark light, and said: "I need this."

"good."

Ye Feng smiled slightly, then walked to the dragon body that was cut into three sections, stretched out his hand directly, pressed it on the dragon body, and began to devour the majestic dragon demon origin inside!

Chapter 2277 Underground Ocean

Although this dragon demon has been dead for many years, its body has withered.

But after all, this is a dragon demon among the golden demon clan.

Even though he has been dead for endless years, he has even transformed into a corpse now.

However, the three severed body parts still contain good blood energy and dragon demon origin. ??

At this moment, Ye Feng continued to devour, and the energy in the dragon demon's body was immediately sucked out.

Ye Feng immediately felt that his skill was growing rapidly.

Ye Feng's cultivation is now at the tenth level of Pure Yang Realm.

At this time, after devouring the dragon demon's remaining original energy, Ye Feng's cultivation immediately underwent a qualitative transformation.

Directly from the tenth level of the Pure Yang Realm, he suddenly broke through to the Half-Step Realm of All Things!

When Ye Feng stepped into the realm of all things, even if he did not completely enter the realm of all things, at this moment, he could feel that he had a vague control over all things in the world around him.

This is the magic of the realm of all things!

It allows people to directly control the power of everything in the world around them, and with the help of the general trend of the world, they can explode with super power.

At this moment, Dugu Qiumo walked over and seemed to notice the change in Ye Feng's aura. He couldn't help but asked in surprise: "Did you break through in your cultivation? Did you break through in the battle just now?"

Obviously, Dugu Qiumo did not realize that Ye Feng pressed his palm on the dragon demon's body in order to swallow the dragon demon's blood and energy.

Ye Feng smiled slightly and said, "Yes, I gained a lot of insights in the battle just now, so I made a breakthrough."

"very nice."

Dugu Qiumo nodded, then looked in a certain direction not far away, and said loudly: "Look at your partner, it seems to be in a very strange state."

"What's the meaning?"

Ye Feng's eyes were a little confused and he looked not far away.

The moment he looked over, Ye Feng's expression suddenly changed.

"Qingqing! What's your situation?"

\u003e

Ye Feng flashed to Xiao Qinglong's side instantly.

At this time, the little green dragon was suspended in mid-air, his body swaying, and even an afterimage appeared.

Moreover, the surface of Xiao Qinglong's body is emitting a light black light.

Ye Feng stared at Xiao Qinglong who was in a strange state at this time, and couldn't help but ask: "Qingqing, what did you do?"

Xiao Qinglong seemed to be in a drunken state at this time and said loudly: "I swallowed the Dragon Demon's dragon ball directly."

"What?"

Ye Feng immediately couldn't help but look shocked and said: "You are so young and you just swallowed the dragon ball of an old dragon demon. You are too brave. Fortunately, you didn't die suddenly."

At this time, the little green dragon staggered onto Ye Feng's shoulder, then lay down and said: "It should be fine, I feel okay, just let me digest it."

After finishing speaking, Xiao Qinglong tilted his head.

The little guy fell asleep.

Ye Feng couldn't help but shake his head and smile, and said: "This little guy is really worrying."

Dugu Qiumo came over at this time, glanced at the little green dragon on Ye Feng's shoulder, and said loudly: "Don't worry so much. The descendants of the four holy spirits are just like the divine beasts. They have very strong vitality. This little green dragon will wait for digestion." After finishing that Dragon Demon Dragon Ball, it will probably grow a lot, and even gain some Dragon Demon abilities."

When Ye Feng heard this, his eyes suddenly lit up and he couldn't help but said: "Is it possible that Qingqing will get the ability of the dragon demon?"

Dugu Qiumo nodded and said: "My brother Dugu Qiufei has specialized in studying the major races of ancient mythical beasts. I once heard him accidentally say that the Qinglong clan can obtain other dragons by swallowing the dragon beads of other dragon clans. Some abilities of the Dragon Clan."

Hearing this, Ye Feng couldn't help but nodded, glanced at the sleeping little Qinglong on his shoulder, and touched it

This guy's little head smiled and murmured, "Sleep, sleep, when you wake up, you will gain a powerful ability."

At this time, Dugu Qiumo said: "Let's go, let's continue to delve into the ancient ruins of the golden ancient demon clan. Not far from the entrance, there is a powerful dragon demon from the golden demon clan buried here. Look, This ancient ruins is more extraordinary than I imagined."

Ye Feng nodded and made a location mark in the castle where the dragon demon was buried. There must be some wealth left by the dragon demon in it. When the time comes, let the minions from outside come in to search.

Next, Ye Feng and Dugu Qiumo continued to delve deeper into the ancient ruins space.

Not long after they left the Dragon Demon Castle, they saw an underground black ocean.

Both of them were masters, and they immediately began to fly high into the sky and began to cross the black ocean.

"Roar!!"

But just when the two of them flew to half of this sea area.

Suddenly, a demon whale with a mouth full of dense fangs jumped up from the depths of the ocean, opened its bloody mouth, and bit directly at the two of them.

"boom!"

Dugu Qiumo struck out with a sword, and the ordinary iron sword instantly erupted with a terrifying sword light, tearing the demon whale into two halves in an instant.

"Roar!!"

And suddenly at the next moment, another giant black turtle rushed out of the ocean, making a terrifying roar.

"Dragon Elephant Prajna Palm!"

Ye Feng directly used the secret skill of the Zhenbei Palace, the Dragon Elephant Prajna Palm, which he had received from the young prince Nangong Ling of the Zhenbei Palace in the Xuanwu Dynasty Imperial City!

"Boom!!"

The moment Ye Feng's slap hit.

A huge and majestic ancient dragon elephant suddenly burst out from his palm in an instant.

Boom!

This palm contained the terrifying power of the ancient dragon elephant, and produced a terrifying palm force that instantly knocked the black giant turtle that rushed out of the ocean into the ocean.

"Click, click..."

The turtle shell, which was as solid as black iron, was shattered by Ye Feng's slap.

The blood instantly stained the entire sea surface red.

At this time, Dugu Qiumo spoke up and said: "I didn't expect that there is such a vast sea under this deep underground. The creation of nature is really incredible. People should respect nature."

Ye Feng did not respond to Dugu Qiu Mo at this time. Instead, he jumped directly into the sea below and began to release the Devouring Domain, swallowing up the black giant turtle and demon whale that had just been killed. .

"Huh? What is this ability? Swallowing?"

Only now did Dugu Qiumo realize why Ye Feng was able to break through directly in the Dragon Demon Castle before.

It turns out that it possesses this rare devouring ability.

"This young man has more and more secrets." Even a powerful wandering warrior like Dugu Qiumo was becoming more and more curious about Ye Feng at this moment.

And just when Ye Feng swallowed two powerful ocean monsters on the sea.

In the depths of the ocean, a terrifying wave of life suddenly surged over.

It seemed to be a very terrifying ancient creature that lived in the depths of the ocean, and was attracted by the fighting and the smell of blood here.

At this moment, you can see that in the depths of the ocean in the distance, large areas of sea water are dyed ink-black by an evil and dark aura, which looks very shocking.

Looking at the rapidly approaching infinite darkness, Dugu Qiumo couldn't help but say: "What a great evil!"

At this time, Dugu Qiumo immediately shouted to Ye Feng on the sea below: "Go quickly! It seems that there are ancient forbidden creatures in the ocean coming! I feel the huge evil, that kind of evil aura, even I feel helpless The terrifying feeling of confrontation!"

Chapter 2278 Lord Demon Sword

The moment Dugu Qiumo's voice fell, Ye Feng, who was swallowing on the sea, immediately woke up.

But at this time, Ye Feng had already devoured the two powerful ocean beasts he had just killed.

His cultivation skills have been greatly improved.

However, the realm of cultivation has not yet been broken through.

After all, they are just two not very powerful ocean monsters.

Uh-huh!

Ye Feng flew to high altitude in an instant and came to Dugu Qiumo's side.

At this time, Ye Feng also saw that the sea in the distance was quickly becoming dark, and it seemed that there was an extremely terrifying dark creature rushing towards this side.

Dugu Qiumo said aloud: "I feel great evil. He must be a very scary guy."

Ye Feng's eyes were hesitant, and he said loudly: "I quite need the power of this powerful evil beast, but it seems I can't resist it, so let's go."

Uh-huh!

Uh-huh!

After the words fell, Ye Feng and Dugu Qiumo flew towards the other end of the ocean in an instant.

According to Dugu Qiumo, this kind of ocean monster lives in the deepest ocean and generally does not come ashore.

But half an hour later.

"Boom!"

An ocean unicorn covered with pitch-black scales, its huge and majestic body, instantly jumped out of the ocean, stepped directly onto the land at the other end of the ocean, and pursued Ye Feng and Dugu Qiumo. go.

Ye Feng immediately said anxiously: "Senior Dugu, didn't you say that this kind of ocean monster will not come ashore?"

There was a trace of embarrassment on Dugu Qiumo's face, and he said loudly: "I said that it is generally not possible to go ashore, but there are also extraordinary ones. Obviously, this ocean unicorn that lives in the depths of the ocean is the kind of extraordinary one. Ocean Monster

, actually chased us directly to the shore! "

At this moment, the two of them looked at the majestic and ferocious ocean unicorn behind them, with a hint of suffocation in their eyes.

Because the feeling this ocean unicorn gave them was so powerful, like a dark evil beast that had survived from ancient times, it was so terrifying.

At this moment, the only way for the two of them is to escape.

Escape towards the depths of the ruins.

I hope I can find a secluded place to get rid of this ocean unicorn.

Although this ocean unicorn is very powerful and its body is very towering, it is like a huge mountain and can suppress everything.

But after all, the Ocean Kirin's body was too clumsy, which slowed it down.

Therefore, this powerful ocean unicorn could not catch up with the speed of Ye Feng and Dugu Qiu Mo for a while.

Soon Ye Feng and Dugu Qiumo continued to delve deeper into the ancient ruins and came to the edge of a very desolate ruins.

Looking towards the ruins, there are dilapidated buildings everywhere, with various broken arms and ruins, as well as shriveled corpse fragments of ancient strong men.

"It seems that this place was once a battlefield, and a very terrifying battle broke out!"

Dugu Qiumo couldn't help but said: "Who is so powerful that he dared to directly attack the ancient ruins of the Golden Demon Clan! An ancient ruin must have been a lair of the Golden Demon Clan back then, and the one who can break into it must be A very brave person."

Roar! !

At this moment, the roar of the ocean unicorn suddenly sounded not far away.

"No! That ocean monster is catching up again!"

Ye Feng's eyes changed slightly, and he said to Dugu Qiumo beside him: "Let's quickly enter the ruins of this ancient battlefield. I hope there are some tall buildings inside that can allow us to avoid and get rid of the other side." Ocean Kirin."

Dugu Qiumo also nodded and said: "There is only one way now, and we must definitely go deep into the depths of this ancient ruins."

At this time, the two of them stepped into the ruins of this ancient battlefield.

The moment they entered the ruins of the battlefield, they immediately felt a very strange aura appearing in the surrounding void.

It's like there is an invisible ghost staring at you in the dark, very cold.

It's so hard that goosebumps start to form all over your body.

And just when the two of them had just entered the ancient ruins battlefield, the huge ocean unicorn chasing them at the edge of the ancient ruins battlefield suddenly showed a look of fear and apprehension in its huge eyes. It didn't even dare to enter the area of ancient battlefield ruins.

"Look, that ocean unicorn actually stopped."

At this time, Ye Feng looked in the direction not far behind him and couldn't help but said: "It seems that the ruins of this ancient battlefield are indeed very strange. Even the ocean unicorn dare not easily step into the ruins of this ancient battlefield."

There was a trace of vigilance in Dugu Qiumo's eyes, and he said loudly: "To be able to make that ocean unicorn so fearful, we must be careful when walking in this ancient ruins battlefield."

Ye Feng nodded and said: "That's right, but although the ocean unicorn did not dare to enter the ruined battlefield, he has been guarding the edge of the battlefield. I guess he is waiting for us to go back. I don't know what we will do then. return."

Dugu Qiumo said: "Let's talk about it then. Let's see if there is any other place on the edge of this ancient battlefield that we can go around."

Just as the two of them were talking, they had already arrived at the middle area of the ancient ruins battlefield.

The damage to the ground here is getting bigger and bigger, and there are even bottomless cracks in the earth. It looks very scary. You can imagine what kind of terrifying war broke out here back then.

"That is....."

Suddenly at this moment, Dugu Qiumo seemed to sense something and immediately looked in a certain direction not far away.

Ye Feng also followed Dugu Qiumo and rushed in that direction.

They came to the middle of the ancient ruins battlefield and saw a very shocking scene.

The skeleton of a human race strongman, the palm that has turned into white bones still holds an extremely black sword, stabbing the chest of a golden troll, nailing the golden troll to the ground above.

The scene in front of me is very shocking!

Obviously, a strong human race leader led an army to fight against this golden troll from the golden demon race. An extremely brutal fight took place. All the human race and demon race soldiers died, even their own. The commander-in-chief, the two in front of me, both died together.

There was a huge sadness in Dugu Qiumo's eyes at this time, and he slowly walked towards the strong human race who had turned into a skeleton, and said aloud: "I feel the aura of the same origin. , This powerful human race seems to be the sect leader of my declining sect, the Lord Demon Sword!"

When Ye Feng heard what Dugu Qiumo said, his eyes immediately moved slightly: "Master Demon Sword? This strong human race was the leader of the sect of Senior Dugu back then? I didn't expect that we were so destined!"

Chapter 2279 Troll Body

At this moment, a sense of great sadness permeated the center of the entire ancient ruins battlefield.

Dugu Qiumo stood in front of this powerful man at this time, his face was a little silent, and his eyes were sad.

At this time, Dugu Qiumo spoke up and said: "Actually, I have not always been a wandering warrior. I also practiced in a powerful sect. But that year, the sect underwent great changes. The sect leader brought countless members of the sect with him. The masters left the sect and didn't know where they went. Unexpectedly, they came to the Golden Demon Clan to participate in such a brutal battle. As a result, everyone died in the battle, even the sect leader and the Demonic Sword Master. He died here. Fortunately, all the remaining members of our sect felt that the sect master and countless elites had betrayed the sect. Unexpectedly, he was fighting for the human race, slaying demons, and defending the world. All of us at that time Everyone has wrongly blamed the sect master."

Ye Feng also walked up to Dugu Qiumo at this time, patted him on the shoulder, and said loudly: "In any case, now that senior Dugu knows the truth of all this, he can explain it to the original people. "

Dugu Qiumo couldn't help but reveal a bitter smile on his face, and said loudly: "All those people back then are dead. Now the only ones left in the sect are me and my brother."

When Ye Feng heard this, he couldn't help but fell silent. At this time, he didn't know what words of comfort he should say.

At this time, it would be better to leave Dugu Qiumo alone for a while.

After a while, Dugu Qiumo returned to his previous state. He slowly walked up to the skeleton of a strong human race, then put the skeleton of the Demon Sword Master into the storage ring, and said aloud: "After I get out, I will bury the sect leader properly. He suffered unfair treatment during his lifetime, and I will let him rest in peace after his death."

Buzz!

Suddenly at this moment, the pitch-black giant sword that Master Demon Sword used to nail the ancient golden giant to the ground flew up, and then flew into the hands of Dugu Qiumo in an instant. .??.

Buzz!

An incomparably huge dark force instantly enveloped Dugu Qiumo's entire body.

Ye Feng's expression changed slightly, and he immediately rushed in front of Dugu Qiumo, wanting to rescue him.

But at this time, Dugu Qiumo suddenly said: "I'm fine.

Don't worry, it was this natal demon sword left by the lord of the sect that sensed the breath of the same source of skills in my body. Now it is transmitting the remaining energy of the lord of the sect to my body, and it is also transferring the most powerful energy of the princess back then. The ultimate natal inheritance, the Demonic Sword's Diagram of Life and Death, was taught to me. Ye Feng, please wait for me for a moment. After I accept the inheritance, my absolute strength will greatly increase. "

When Ye Feng heard what Dugu Qiumo said, his eyes suddenly lit up and he said, "That's great."

If Dugu Qiumo gets this powerful inheritance, his strength will definitely increase greatly.

For Ye Feng, this is a good thing.

Because Dugu Qiumo basically follows Ye Feng now.

Therefore, as Dugu Qiumo becomes stronger, Ye Feng's overall strength will also become stronger.

At this time, he saw Dugu Qiumo suspended in mid-air, receiving the inheritance from the magic sword in his hand.

Ye Feng was bored and his eyes suddenly fell on the golden troll that was crucified on the ground.

Ye Feng immediately walked over, then stretched out his hand and pressed it on the golden troll.

Although this golden troll has withered and died for endless years.

But just like the dragon demon, this golden troll still contains a lot of remaining troll origins in its body.

You know, the trolls in this golden demon clan are all very powerful and have very vigorous vitality.

Even after so many years of death, there are still many remaining troll origins left behind.

So at this time, Ye Feng did not hesitate at all, and instantly released the Devouring Domain, and began to devour and absorb the remaining troll origin in the body of the dead golden ancient demon.

"Rumble..."

Almost at this moment, waves of majestic energy were absorbed into Ye Feng's body in an instant, and quickly integrated into every part of his body, every inch of flesh, flesh, and muscles, growing rapidly. Work hard.

"Boom!"

Under the accumulation of this huge giant monster, Ye Feng's cultivation instantly broke through the biggest bottleneck at present, directly from the half-step of the realm of all things, and successfully stepped into the real first level of the realm of all things!

"Very good!"

Ye Feng stood up all of a sudden, with a divine light shining in his eyes.

I finally broke through to the true realm of all things!

At this time, Ye Feng thought of the powerful enemy Xiao Tianshen in the Northern Immortal Palace, and his eyes showed deep confidence.

"Xiao Tianshen, even if you are a super big man at the level of the master of the nine major temples of the Northern Immortal Palace, you probably would not have thought that I could grow up wantonly on the northern land outside the Northern Immortal Palace. One day I will trample you, the so-called big shot, just like I treat your clone. Your clone can't beat me. Kill me. Your true self will one day become my defeat! "

At this time, Ye Feng secretly murmured in his heart, with deep determination and confidence in his tone.

Ye Feng had always felt that only by worshiping in the Northern Immortal Palace could he gain powerful power.

This time, he accidentally met Xuan Wuji, the crown prince of the Xuanwu Dynasty. He entered the Xuanwu Dynasty and became a first-class general. He also experienced the chaos of the blood-sucking demon clan. Being able to let him lead troops to fight against the demon clan is equivalent to providing Ye Feng with A huge place for cultivation improvement.

Therefore, Ye Feng's thoughts of entering the Northern Immortal Palace are getting weaker and weaker now, because fighting against the demons in this northern land can also make him grow tremendously.

It can be said that this was an accidental opportunity.

After all, if he had not known Xuan Wuji, Ye Feng would not have entered the Xuanwu Dynasty. Now I am afraid that Ye Feng is working as an outer disciple in the Northern Immortal Palace.

But Ye Feng's real situation now is that he has become a first-class general of the Xuanwu Dynasty. He has a lot of troops and great power. He can sit on an equal footing with the prince. He can also fight against the blood-sucking demons in this borderland. His cultivation has grown tremendously. This is also What Ye Feng didn't expect.

Therefore, Ye Feng is very satisfied with his current situation.

For the time being, he is not ready to consider joining the Northern Immortal Palace.

At this time, Ye Feng suddenly looked at himself

The golden troll on the side.

He discovered that after he devoured the origin of the troll, the body of the golden ancient demon had not yet decayed.

"The body of this golden troll must be very strong. After all, it has not decayed after so many years. This is a good thing. It should be able to increase my body strength a lot."

At this time, Ye Feng immediately released the second bloodline talent awakened by his Chaos Emperor Art, the God Clan Gloves.

Buzz!

A glove emitting nine colors of light immediately appeared in Ye Feng's hand. It was a divine glove that could extract the attributes of all things and increase his all-round attribute power, but it could not extract life forms.

At this time, Ye Feng put on the God Clan gloves and pressed directly on the body of the golden ancient demon.

Suddenly, a stream of attribute power was extracted from the God Clan's gloves, and then all of it was integrated into Ye Feng's body.

"Troll bloodline attribute extraction."

"Sturdiness attribute extraction."

"Extraction of golden divine attributes."

"Troll Tough Bone Attribute Extraction."

"..."

At this moment, Ye Feng's all-round attribute power is rapidly improving.

And the most important thing is that the strength of his Chaos Body has also been greatly improved at this moment.

After all, the sturdiness and toughness contained in this golden troll are of great benefit to Ye Feng's Chaos Body strength.

Although this golden troll has been dead for many years and the origin of the troll has been lost, it only allowed Ye Feng to reach a new level in his cultivation.

But the most original attributes existing in this troll's body have not been lost at all.

So at this time, Ye Feng fully extracted the various attributes contained in the troll's body.

The strength of his Chaos Body is rapidly increasing.

"The fourth level of the middle stage of the fifth heaven!"

"The fifth level in the middle of the fifth heaven!"

"The sixth level in the middle of the fifth heaven!"

"..."

Chapter 2280 The Demon Queen

As the strength of Ye Feng's body continued to increase, the troll body also continued to disappear.

After all the troll bodies were reduced to ashes, the strength of Ye Feng's chaotic body finally skyrocketed to the tenth level in the middle of the fifth heaven!

There is only one step left before you can enter the late stage of the fifth heaven!

"Not bad."

Ye Feng was quite happy.

This time when we entered the ancient ruins of the golden demon clan, we came to the right place.

His overall strength has improved a lot.

At this time, Dugu Qiumo also landed from high in the sky.

At this time, he held the demon sword in his hand and said loudly: "In the future, I will adhere to the will of the sect master and kill all the evil demons!!"

At this time, Ye Feng suddenly said: "Senior Dugu, how much has your cultivation level improved now?"

Dugu Qiumo shook his head and said: "My cultivation level has not improved, but I have obtained the strongest inheritance from the sect master back then, the Demonic Sword of Life and Death. My current comprehensive combat power is definitely much stronger than before."

At this time, Dugu Qiumo said, suddenly staring at Ye Feng, and couldn't help but asked in surprise: "You broke through again?"

At this time, Dugu Qiumo saw the troll body that had turned into ashes, and seemed to understand something.

Ye Feng said: "Should we go back and fight an ocean unicorn now? Maybe we can kill it."

Dugu Qiumo shook his head and said: "That ocean unicorn is not that weak. Although we have gained something now, we are probably still no match for that terrifying ocean unicorn. We are about to reach the deepest area of this ancient ruins. , let's explore all these ancient ruins first."

Ye Feng nodded and said: "Okay, that's fine. Let's finish exploring these ancient ruins first."

At this time, both of them were looking towards the deepest direction. For the deepest area of this ancient ruins,

They are all very curious about what it contains.

Soon the two of them traveled through most of the ruins of the ancient battlefield and arrived at the end of the ruins.

This is also the end of the entire Golden Demon Clan ruins.

"That is....."

What shocked the two of them was.

In this end area, on the boundless land, a huge ancient palace was built.

The entire palace was made of gold. Under the endless dark night sky, it looked eerie and shocking.

"That ocean unicorn dare not step into the ruins of this ancient battlefield, probably because of this shocking golden palace, which may contain very terrifying existences."

At this time, Dugu Qiumo made a guess.

He stared at the golden palace with deep fear in his eyes and said, "What a great evil!"

Ye Feng also nodded and said: "I also felt a very terrifying and strong evil aura."

Do you want to go in?

At this time, both of them were silent.

"Now that I'm here, I must go in."

In the end, Ye Feng was the first to speak out: "No matter what, we have to go in and take a look. If there is really danger, we will run away directly."

"good."

Dugu Qiumo nodded and said: "I want to go in and take a look at such a huge evil. If I have the ability, I must get rid of the source of this evil, otherwise there will be endless troubles."

At this time, the two of them walked towards the extremely shocking golden hall.

The door to the main hall is open.

When the two of them walked into it, they immediately saw it.

The entire golden hall turned out to be empty.

"Look, there's a crystal coffin there!"

At this time, Dugu Qiumo was the first to notice.

In the empty hall, there was only a very strange crystal coffin standing in the middle.

Ye Feng also looked over quickly, his eyes trembling slightly.

I saw a beautiful woman wearing ancient clothes lying in the crystal coffin.

Like a dead Sleeping Beauty, she was lying peacefully in the crystal coffin. Although she looked peaceful and beautiful, in this empty demon palace, this scene looked very strange!

The two of them stepped towards the crystal coffin. ??

"Buzz!"

Suddenly at this moment, an extremely rich dark energy appeared in the crystal coffin, and soon enveloped the Sleeping Beauty in the coffin.

Dugu Qiumo's eyes were shocked, and he couldn't help but said: "What a great evil!"

At this time, Dugu Qiumo instantly held the long sword in his hand and rushed towards the crystal coffin. With murderous intent all over his body, he said: "The Sleeping Beauty in this crystal coffin is definitely a very terrifying and evil golden demon." A strong one, maybe even the Demon Emperor of the Golden Demon Clan! We must destroy it before she wakes up! Otherwise, it will be a huge disaster!"

boom!

The moment Dugu Qiumo finished speaking, the long sword in his hand immediately erupted with monstrous sword light and struck the crystal coffin fiercely.

"Click, click..."

The crystal coffin cracked and shattered.

Dugu Qiumo's sword was extremely sharp, and it stabbed the sleeping beauty's pure body in an instant.

On Bai's forehead, he wanted to crush his head.

"when!"

But at the next moment, what made Dugu Qiumo horrified was that his sword, full of infinite sharpness and power, could not pierce the sleeping beauty's white forehead, or even the white jade-like skin. Puncture.

"What?!"

Wandering masters like Dugu Qiumo were shocked.

This was his most powerful blow, and the sword in his hand was not the ordinary iron sword before, but a powerful magic sword left by the Lord Demon Sword.

But it still couldn't cause any harm to this sleeping beauty.

At this time, Dugu Qiumo suddenly understood.

The Sleeping Beauty in the crystal coffin in front of him may be more terrifying and powerful than he imagined. She may be an ancient existence with a high status among the golden demons!

"Uh-huh!"

And at the next moment, Sleeping Beauty suddenly opened her eyes, with a strange red light emitting from them.

boom!

Sleeping Beauty immediately stretched out a small white hand and slapped Dugu Qiumo, who was assassinating her in front of her.

"boom!!"

A huge and boundless force burst out from the seemingly delicate little hand in an instant.

"puff!"

Even when Dugu Qiumo used his sword to cross the sword, he felt a terrifying and boundless power transmitted to his arms. His whole body was instantly blown away, a mouthful of blood spurted out, and he hit the ground hard.

The next moment, Dugu Qiumo collapsed on the ground and shouted at Ye Feng: "Run! I can't live anymore, all the bones in my body are broken! This is a taboo existence among the golden demons! It's definitely a female demon emperor! Ye Feng, run away and leave me alone! I'm dying!"
