

Ancient 2501

Chapter 2501 Gatekeeper

Hearing what Ye Feng said at this time, Zeng Rou immediately nodded and said: "If you don't take action, that's it. Once you take action, you will use thunder to suppress Xiao Tianshen. This idea is right, okay, then I will do it now I will take you to the old palace master from the previous generation. He is my master and should meet with us."

After saying that, Zeng Rou immediately left the Nature Temple with Ye Feng and walked towards the deepest area of the Northern Immortal Palace.

This is the first time Ye Feng has come to the deepest area of the Northern Immortal Palace.

It is said that there is a small world created by the ancestors.

The vitality of heaven and earth in the small world is very strong.

Many retired big figures from the Northern Immortal Palace basically practice in this small world.

But these old antiques never come out at all.

He will only come forward when the sect's life and death is in crisis.

When Ye Feng followed Zeng Rou to this small world deep inside.

Ye Feng immediately felt a very strong spatial power undulating throughout the area.

Obviously this small world is very stable.

It can usually be used as a place for old antiques to practice.

When the life and death of the Northern Immortal Palace is in crisis, it can be used as the last defensive bastion.

It can be said that the people who built this small world back then were very visionary.

Advance to attack, retreat to defend.

It can also be used as a retirement home for retired seniors.

Buzz!

At this moment, Zeng Rou took Ye Feng and flew to the entrance of the small world.

The entrance to the small world is heavily guarded, with two tall men wearing silver armor guarding it.

The cultivation auras on their bodies are very powerful.

Astonishingly, they are all at the tenth level of the Dao-Zhan Realm, the Great Perfection!

At this time, a tall man immediately spoke out: "Master Zeng Rou, the small world is almost closed now. Unless you are an antique-level person, you are not allowed to enter. Please go back."

Zeng Rou said with a smile at this time: "I have a very important thing to do to find the master of our natural temple from the previous generation. Please ask the gatekeeper to be accommodating.

. "

The tall man guarding the gate immediately shook his head and said, "No, this is the rule."

When Zeng Rou heard the tall man guarding the door say this, a trace of ugly color suddenly appeared in her eyes.

If you cannot enter the small world, then you will not be able to find the previous generation old master of the Natural Temple.

At this time, Ye Feng suddenly stepped forward, looked at the tall man guarding the door, and said loudly: "We have important things to enter the small world. If it is delayed, you cannot bear the responsibility."

The tall man guarding the gate looked at Ye Feng, with a sneer of disdain in his eyes, and said loudly: "Who are you? How dare you talk to me like this? I am the gatekeeper of the small world of the tenth level of Dao Slaying Realm. what are you?"

boom! !

Ye Feng instantly burst out with a terrifying aura.

That kind of momentum was like a violent storm, and all of a sudden it was swept in front of the tall man guarding the door.

Kick, kick, kick!

Even though the tall man guarding the gate had a powerful cultivation level of the tenth level of Dao Slaying Realm, he couldn't help but retreat quickly with his whole body at this moment.

Because he felt an irresistible terrifying and violent momentum in Ye Feng.

The feeling was like a person facing an ancient demon, very terrifying.

Now that Ye Feng has reached the Dao-Slaying realm with his breakthrough in cultivation, the power and aura that Ye Feng exudes at any time becomes even more terrifying and violent.

When he is simply motionless, he is like a peaceful boy.

But once it moves, it is a violent force that can overwhelm the world!

It's like the resurrection of an ancient demon god, which ordinary people can't resist.

At this moment, Ye Feng immediately stared at the two tall men guarding the door and said loudly: "I am Ye Feng, the newest master of the Tenth Temple. I am really anxious to enter the small world this time. matter,

If you two are still so disrespectful, then don't blame me for being violent. "

Ye Feng didn't bother to explain anything at this time.

Or go talk nonsense to these two gatekeepers.

Because time is very tight.

Xiao Tianshen, the chaotic demon commander, may take action at any time.

So at this time, Ye Feng used the simplest and most direct method to attack directly.

At this moment, looking at Ye Feng's terrifying power, he couldn't resist it at all.

The two tall men guarding the gate could not help but show deep horror in their eyes.

They never expected that such a terrifying young man would appear in the Northern Immortal Palace. ??

Although he is only at the third level of Dao Slaying Realm.

But the actual fighting power and momentum that exploded made them, masters of the tenth level of Dao Slaying Realm, feel extremely frightened!

This shows that Ye Feng is fully capable of killing them.

Thinking of this, the two tall men guarding the gate suddenly felt a trace of fear in their hearts.

Although their faces were a little ugly at this moment, they couldn't help but clasped their fists and said loudly: "As expected of the master of the Tenth Temple, heroes come from young. Well, since you really have something important, then this We will be accommodating once and let you in. "

Looking at the two tall men guarding the door, he said soft words.

Zeng Rou, who was standing next to Ye Feng, couldn't help but stare at Ye Feng with incredible eyes.

Because Zeng Rou knew very well that these two tall men guarding the gates of the small world actually had high status.

Otherwise it would be impossible to serve as the gatekeeper of the small world.

Normally, even the masters of the nine major temples would not dare to offend the gatekeepers of these two small worlds too much.

But now Ye Feng suddenly used his powerful strength to make the two gatekeepers obedient, which can be said to be extremely domineering.

At this moment, Ye Feng took Zeng Rou directly into the entrance of the small world.

Buzz!

Then, along with a burst of extremely violent space fluctuations, they instantly came to a very vast space world.

At this time, a rather vast small world appeared in front of Ye Feng and Zeng Rou.

This small world is surrounded by an endless blue ocean, a sea of emptiness.

And in the very center of the ocean, there is a huge piece of land.

Ye Feng immediately saw many old antiques from the Northern Immortal Palace, living on that huge land.

There are even some old antiques who use some fishing gear to fish in the surrounding void sea very leisurely.

The entry of Ye Feng and Zeng Rou did not attract the attention of some old antiques.

At this time, Ye Feng looked at Zeng Rou beside him and said, "Let's go directly to find the old master of the Nature Temple of the previous generation."

Zeng Rou nodded and immediately took Ye Feng to fly in a certain direction.

Obviously Zeng Rou is quite familiar with this small world.

I guess I have entered this small world more than once before.

Soon, Zeng Rou took Ye Feng and landed in the Sea of Void area in the northwest of this small world.

Buzz!

Above this sea of void, there is a huge ten-story mountain suspended.

Zeng Rou and Ye Feng came under the ten-story sacred mountain.

Then Zeng Rou clasped her fists towards the sacred mountain and said loudly: "Master, my disciple Zeng Rou has brought Ye Feng, the latest master of the Tenth Temple and the Supreme Temple, to discuss important matters with Master. This matter is related to the safety of the entire Northern Territory Immortal Palace, so please allow Master to meet with us."

It has to be said that Zeng Rou is very smart. She did not request to meet in her own name, but asked to meet based on the safety of the entire Northern Immortal Palace.

In this case, she did not believe that the previous generation of temple masters of the Natural Temple would not ignore it.

After all, Zeng Rou knew the nature of her master, an old antique who had a strong sense of belonging to the Northern Immortal Palace.

He must be very concerned about the future and safety of the entire Northern Immortal Palace.

Chapter 2502 Old Palace Master

Sure enough, I heard Zeng Rou say something about the safety of the entire Northern Immortal Palace.

Buzz!

On top of the ten-story sacred mountain, a huge light suddenly lit up.

In this ray of light, bathed in an old man with immortal demeanor.

This old man is the previous generation's old master of the Natural Temple. ??

At this moment, the old master of the previous generation of the Natural Temple suddenly flew down from the ten-story sacred mountain.

He looked at the two people in front of him, Zeng Rou and Ye Feng, and couldn't help but smile and said: "Girl Zeng Rou, did you cause any trouble this time? You all came to this small world and asked for my help, but you haven't come to see me for a long time. I'm old man."

At this time, Zeng Rou immediately said with some embarrassment: "Master has been practicing in seclusion, and I am embarrassed to keep disturbing you. It's not that I don't want to come see Master."

"Hahaha!"

The previous generation old master of the Temple of Nature immediately smiled and said: "I don't know about you, girl. You must have your own sweetheart, so you don't care about me as an old man at all."

At this moment, the previous generation old master of this natural temple laughed and said, and immediately looked at Ye Feng who was standing next to Zeng Rou.

The old man couldn't help but look at Ye Feng, and said loudly: "Not bad, Zeng Rou, girl, your vision is very good this time. Although this young man's cultivation is only the third level of Dao Dao Realm, the energy emanating from him is The fluctuations are very powerful, and I can feel that this young man gives me a vague sense of danger. It seems that he is a new talent from our Northern Immortal Palace."

When Zeng Rou heard what the old palace master from the previous generation said, a trace of blush suddenly appeared on her beautiful face.

Then Zeng Rou spoke up and said: "Master, let me introduce to you. The person next to me is called Ye Feng. He is the master of the latest tenth temple, the Supreme Temple. He is the new generation of temple master personally canonized by the Lord of the Immortal Palace. "

When the old master of the Temple of Nature heard what Zeng Rou said, his eyes immediately showed a look of surprise. He couldn't help but stare at Ye Feng and said loudly: "It turns out that this young man is the one that the Lord of the Immortal Palace attaches great importance to. , no wonder, it makes my eyes light up.

. "

"Let's not talk about this for now."

Zeng Rou immediately spoke out at this time: "Master, I came in such a hurry this time because I really have something big to discuss with you, and I am not joking."

The old temple master of the Natural Temple nodded slightly, and then said: "It seems that this time you and Ye Feng beside you went to the imperial city of the Barbarian God Empire and investigated a big secret."

Obviously, this kind of old antique is still very concerned about the destruction of the imperial city of the overlord in a distant region.

Zeng Rou nodded immediately, then looked at Ye Feng and said loudly: "Ye Feng, come and tell my master."

Ye Feng nodded slightly, and then said aloud: "Senior, this time Zeng Rou and I went to the imperial city of the Barbarian God Empire, and together with several other super masters from the overlord forces, we did investigate a very important secret, that is The imperial city of the Barbarian God Empire was destroyed by a super demonic force, the Underworld Demon Sect, tens of thousands of years ago."

"The Underworld Demon Cult!!"

Almost at the moment Ye Feng said this term, the old temple master of the Nature Temple suddenly revealed a deep murderous aura in his eyes.

boom! !

At this moment, the terrifying murderous aura that erupted from the old temple master of the Natural Temple was simply earth-shattering.

Ye Feng and Zeng Rou in front of them suddenly felt a creepy feeling.

As if suddenly, the calm old man in front of him suddenly turned into a vicious man.

This made Ye Feng and Zeng Rou couldn't help but glance at each other, and they understood instantly.

The old master of the Natural Temple definitely knows about the Underworld Demon Cult.

And certainly more than they know.

Otherwise, it would be impossible for him to suddenly burst out with such terrifying murderous intent.

At this moment, the smile on the face of the old temple master of the Natural Temple also disappeared, he stared at Ye Feng and said aloud

: "You keep talking."

Ye Feng nodded, and then continued: "The Underworld Demon Cult has resurrected and destroyed the imperial city of the Barbarian God Empire. In fact, it is to snatch the heart of the Barbarian God hidden in the imperial city of the Barbarian God Empire. The masters of the Underworld Demon Cult The purpose of robbing the Barbarian God's heart is to use the huge life energy contained in the Barbarian God's heart to resurrect the powerful demon generals who died in the Underworld Demon Cult. "

Hearing Ye Feng say this, Zeng Rou couldn't help but look at Ye Feng beside her in surprise.

Because Zeng Rou had never heard Ye Feng speak in such detail before.

At this time, Zeng Rou couldn't help but understand something in her heart. It seemed that Ye Feng might have experienced more in the dark swamp area than she imagined.

However, Zeng Rou didn't speak at this time. She didn't want to disturb Ye Feng's thoughts.

At this time, Ye Feng continued: "And the bigger secret is that deep in the traces of the base camp of the Underworld Demon Sect, I saw an extremely majestic dark empire, which must have been established by the masters of the Underworld Demon Sect after its resurgence. "

The old master of the Temple of Nature nodded at this time and said loudly: "The resurgence of the Underworld Demon Sect is indeed closely related to the safety of our Northern Immortal Palace. This matter is indeed worthy of you coming to me. Don't you think it's worth it?" Do you want me to come out again to protect the safety of you two? "

Hearing what the old temple master of the Natural Temple said, Ye Feng immediately shook his head.

Then there was a deep solemn look in his eyes, and he said aloud: "Senior, what I want to say next is the key point, that is, I accidentally saw someone sitting in the dark deep in the dark empire. The figure on the dark throne of the empire is none other than the Chaos Demon Commander of the Underworld Demon Cult."

Hearing this, the old temple master of the Nature Temple showed a solemn look in his eyes, and said loudly: "I didn't expect that the number one demon commander in the Underworld Demon Sect, the Chaos Demon Commander, would also be revived. This is a super enemy."

Ye Feng nodded, and then said deeply: "And what shocked me even more is that the Chaos Demon Commander looks exactly the same as Xiao Tianshen, the master of the Heavenly Temple in our Northern Immortal Palace!"

\u003e "What?!"

Almost at the moment Ye Feng's words fell, the old temple master of the Natural Temple in front of him could no longer remain calm.

In an instant, the old man's face revealed a look of deep shock and anger.

A terrifying and boundless violent aura suddenly erupted from his body.

It was like an ancient giant beast resurrected in the body of the old temple master of the natural temple.

He immediately stared at Ye Feng in front of him, and said with deep shock in his tone: "Young man, are you sure you read it correctly?"

Ye Feng nodded and said aloud: "The reason why I asked Zeng Rou to accompany me to this small world to look for you, senior, is so that senior can go with us to find the Lord of the Immortal Palace, and ask senior to help me take charge. Let the Lord of the Immortal Palace think that I am not joking. I am definitely not wrong. It must be Xiao Tianshen. Moreover, when Zeng Rou and I returned to the Northern Immortal Palace, we just met Xiao Tianshen who was also coming back from outside. I had secretly sensing Xiao Tianshen's aura at close range made me even more certain that Xiao Tianshen is the Chaos Demon Commander!"

After Ye Feng finished speaking, he suddenly stretched out his palm.

Then a dark aura appeared in his palm.

Ye Feng said aloud: "This jet-black aura is a special aura that I secretly captured from the aura around Xiao Tianshen."

Zeng Rou looked at Ye Feng in surprise. She didn't expect that when she was talking to Xiao Tianshen, Ye Feng actually did this secretly, and she didn't even notice when she was standing aside.

At this moment, the old temple master of the Nature Temple stared at the black aura in the palm of Ye Feng's palm, took a deep breath, and said loudly: "This aura is unmistakable, it is definitely the darkness of the Underworld Demon Sect." "Aura, when I was young, I followed the elders in the sect and fought against the Underworld Demon Sect, so I am very familiar with the dark aura of the Underworld Demon Sect."

At this time, after the old temple master of the Natural Temple finished speaking, he immediately looked at the two young people in front of him and said loudly: "This matter is of great importance. Okay, I will go with you two young people to see the Lord of the Immortal Palace. , we must resolve this matter completely!"

Chapter 2503 Do you believe it or not?

At this moment, after the old temple master of the Natural Temple finished speaking, he immediately took Ye Feng and Zeng Rou and flew towards the outside of the small world.

Soon they walked out of the small world and went directly to the main hall of the Immortal Palace where the Lord of the Immortal Palace lived.

At this moment, Ye Feng and Zeng Rou were following the old master of the Nature Temple behind them, their eyes filled with joy.

This time, the old master of the Temple of Nature was persuaded to take action. It seemed that Xiao Tianshen was more secure to deal with.

All three knew the urgency of the matter.

So at this time, they didn't have any delay on the road, and soon arrived at the main hall of the Immortal Palace where the Lord of the Immortal Palace lived.

When they arrived at the main hall of the Immortal Palace, they immediately saw the Lord of the Immortal Palace entertaining some guests from other forces.

At this moment, the Lord of the Immortal Palace saw Ye Feng and Zeng Rou walking in, and there was a hint of surprise in his eyes.

He couldn't help but ask: "What are you two doing here?"

"Um?" .??.

But at this moment, the Lord of the Immortal Palace suddenly saw an old man wearing a white gown following behind Ye Feng and Zeng Rou.

The moment he saw this old man, even the Lord of the Immortal Palace couldn't help but show a hint of surprise in his eyes, and said aloud: "Why is the old Lord of the Temple of Nature here?"

After finishing speaking, the Lord of the Immortal Palace immediately spoke to the guests from other forces in the entire Immortal Palace Hall: "I'm sorry, everyone, there may be important things to discuss next, so everyone please return to your respective rooms. Take a rest and we'll discuss it next time."

At this moment, after the Lord of the Immortal Palace finished speaking, some other guests were very understanding and hugged their fists towards the Lord of the Immortal Palace, and then left the main hall of the Immortal Palace.

At this moment, the Lord of the Immortal Palace seemed to have noticed something, and immediately invited Ye Feng and Zeng Rou, as well as the old Lord of the Natural Temple following behind.

The Lord of the Immortal Palace immediately couldn't help but asked: "What's going on?"

At this moment, the Lord of the Immortal Palace also felt that the atmosphere seemed a bit solemn.

After all, even the old temple master of the Natural Temple came over.

You must know the old antique figure of the old temple master of the Natural Temple.

Usually they practice in seclusion in a small world.

It is impossible to come out until there is a life and death crisis in the Northern Immortal Palace.

But this time he came out, indicating that something very serious had happened.

Ye Feng saw the solemn expression on the face of the Lord of the Immortal Palace, and immediately felt happy in his heart.

really!

It is very useful to invite an old antique-level big shot to be your guarantor, and it will immediately attract the attention of the Lord of the Immortal Palace.

At this moment, the old palace master of the natural god world immediately looked at Ye Feng and said: "It is up to you to tell the master of the immortal palace everything."

Ye Feng nodded and immediately said: "Lord of the Immortal Palace, you must not reveal what I say next, and you must believe me, because I am very sure about this matter."

After saying that, the Lord of the Immortal Palace immediately nodded slightly and said loudly: "Ye Feng, you are the future pillar of our Northern Immortal Palace. I know that you will not do anything bad to the sect. , so just say what you want to say."

The Lord of Immortal Palace also understood at this time.

The old temple master of the Nature Temple was probably invited by Ye Feng and Zeng Rou together to be the guarantor.

The Lord of the Immortal Palace, at this time, was very curious in his heart as to what kind of big event had happened, so that a young prodigy like Ye Feng paid so much attention to it.

At this moment, Ye Feng organized his words, and then said aloud: "What I want to say is that Xiao Tianshen, the master of the Tianshen Temple in our Northern Immortal Palace, is the Huangquan

Demon Sect that recently destroyed the Imperial City of the Barbarian God Empire. The number one Demon Commander, the Demon Commander of Chaos!"

"What?!"

Just after Ye Feng finished speaking, the Lord of the Immortal Palace immediately showed deep surprise in his eyes.

Then he couldn't help laughing and said aloud: "Ye Feng, I think you must have read it wrong. How is this possible? Xiao Tianshen was the senior brother who joined me in the Northern Immortal Palace back then. Although I haven't had any close contact with Xiao Tianshen for so many years, but I know that he has an innocent background. "

Ye Feng's eyes flashed and he said loudly: "Perhaps, the Xiao Tianshen who is now in our Northern Immortal Palace is no longer the Xiao Tianshen that the Lord of the Immortal Palace knew back then. He has been secretly replaced."

When the Lord of the Immortal Palace heard what Ye Feng said, the smile on his face suddenly became serious, and he couldn't help but said: "Are you sure you are not joking?"

Ye Feng shook his head and said aloud: "Of course I'm not joking, otherwise how could I and Zeng Rou have made such a big show of inviting the senior master of the Temple of Nature to come and testify for me? The purpose is to let the master of the Immortal Palace You believe me, if you don't believe me, Lord of the Immortal Palace, then I think there is no need for me to stay in the Northern Immortal Palace any longer."

After Ye Feng finished speaking, the Lord of the Immortal Palace suddenly became extremely solemn, and then said loudly: "Do you have any evidence?"

Ye Feng stretched out his hand at this time, and a wisp of dark demonic energy appeared in his palm, and said loudly: "This is the aura I captured from the aura around Xiao Tianshen. It is the underworld of the underworld demon sect." Demonic energy, this has been verified by the senior master of the Temple of Nature."

At this moment, staring at the demonic energy in Ye Feng's hand, the master of the Immortal Palace immediately showed a deep solemnity in his eyes.

Then he looked at the old master of the Natural Temple beside the two young men and said, "Uncle Master, do you also believe this?"

The old master of the Natural Temple said, "It is better to believe it than not to believe it. This is a matter related to the safety of our entire Northern Domain Immortal Palace. If Xiao Tianshen has really been replaced by a cat as the prince, and if Xiao Tianshen is really a disguised Chaos Demon Marshal, then it is a huge crisis for our entire Northern Domain Immortal Palace. Although I don't know why Xiao Tianshen has not taken action now, it is certain that once Xiao Tianshen really takes action, then everything will be too late."

After the old master of the Natural Temple finished speaking, the master of the Immortal Palace of the Northern Domain Immortal Palace immediately showed a deep thoughtful look on his face.

The entire Immortal Palace Hall suddenly fell into silence.

Because for the master of the Immortal Palace, he was unwilling to believe that the fellow apprentice who had joined the Northern Domain Immortal Palace with him was actually disguised by the Chaos Demon Marshal.

However, what Ye Feng said was reasonable. Perhaps the Xiao Tianshen who had joined the Northern Domain Immortal Palace with him was dead and had been replaced by the Chaos Demon Marshal.

At this moment, it depends on whether the master of the Immortal Palace believes Ye Feng. At this moment, after the old master of the Natural Temple finished speaking, he immediately took Ye Feng and Zeng Rou to fly out of the small world.

Soon they walked out of the small world and went directly to the Immortal Palace Hall where the master of the Immortal Palace lived.

At this moment, Ye Feng and Zeng Rou followed the old master of the Natural Temple behind them, and their eyes were full of joy.

This time, the old master of the Natural Temple, the old antique, was persuaded to take action. It seems that it is safer to deal with Xiao Tianshen.

The three of them knew the urgency of this matter.

So at this time, they did not delay on the road at all, and soon arrived at the Immortal Palace Hall where the master of the Immortal Palace lived.

When they arrived at the main hall of the Fairy Palace, they immediately saw the Lord of the Fairy Palace entertaining guests from other forces.

At this moment, the Lord of the Fairy Palace saw Ye Feng and Zeng Rou coming in, and immediately a trace of surprise appeared in his eyes.

He couldn't help asking: "What are you two doing here?"

"Huh?"

But at this moment, the Lord of the Fairy Palace suddenly saw an old man in a white gown following behind Ye Feng and Zeng Rou.

The moment he saw this old man, even the Lord of the Fairy Palace couldn't help but show a trace of surprise in his eyes, and said aloud: "Why is the old master of the Temple of Nature here?"

After that, the Lord of the Fairy Palace immediately said to the guests from other forces in the entire Fairy Palace Hall: "I'm sorry, everyone, there may be important things to discuss next, so please go back to your own rooms to rest, and we will discuss it next time."

At this moment, after the Lord of the Fairy Palace finished speaking, some other guests were very tactful, and they all clasped their fists to the Lord of the Fairy Palace, and then left the Fairy Palace Hall.

At this moment, the master of the Immortal Palace seemed to have noticed something, and immediately invited Ye Feng, Zeng Rou, and the old master of the Temple of Nature who was following behind to come in.

The master of the Immortal Palace could not help but ask, "What's going on?"

At this moment, the master of the Immortal Palace also felt that the atmosphere seemed a little solemn.

After all, even the old master of the Temple of Nature came.

You have to know that the old master of the Temple of Nature is an old antique.

Usually he would practice in seclusion in the small world.

Unless the North Domain Immortal Palace is in a life-and-death crisis, he would not come out.

But this time he came out, which means that something very serious has happened.

Ye Feng saw the solemn look on the face of the master of the Immortal Palace, and he was immediately happy.

Sure enough!

Inviting a big man of the old antique level to be a guarantor for yourself is still very useful, and it immediately made the master of the Immortal Palace pay attention to it.

At this moment, the old hall master of the Natural God Realm immediately looked at Ye Feng and said, "You should tell the Lord of the Fairy Palace everything."

Ye Feng nodded and immediately said, "Lord of the Fairy Palace, you must not reveal what I say next, and you must believe me, because I am very sure of this matter."

After that, the Lord of the Fairy Palace immediately nodded slightly and said, "Ye Feng, you are the future pillar of our Northern Domain Fairy Palace. I know you will not do anything bad to the sect, so just say what you want to say."

The Lord of the Fairy Palace also understood at this time.

The old hall master of the Natural God Temple came here, probably because Ye Feng and Zeng Rou invited him to be a guarantor.

The Lord of the Immortal Palace was very curious about what kind of big event had happened that made a young genius like Ye Feng pay so much attention to it. At this moment, Ye Feng organized his words and said, "What I want to say is that Xiao Tianshen, the Lord of the Heavenly God Temple of our Northern Domain Immortal Palace, is the first demon commander of the Huangquan Demon Cult, the Chaos Demon Commander, who recently destroyed the imperial city of the Barbarian God Empire!" "What?!" As soon as Ye Feng finished speaking, the Lord of the Immortal Palace immediately showed a deep surprise in his eyes.

Then he couldn't help laughing and said aloud: "Ye Feng, I think you must have read it wrong. How is this possible? Xiao Tianshen was the senior brother who joined me in the Northern Immortal Palace back then. Although I haven't had any close contact with Xiao Tianshen for so many years, but I know that he has an innocent background. "

Ye Feng's eyes flashed and he said loudly: "Perhaps, the Xiao Tianshen who is now in our Northern Immortal Palace is no longer the Xiao Tianshen that the Lord of the Immortal Palace knew back then. He has been secretly replaced."

When the Lord of the Immortal Palace heard what Ye Feng said, the smile on his face suddenly became serious, and he couldn't help but said: "Are you sure you are not joking?"

Ye Feng shook his head and said aloud: "Of course I'm not joking, otherwise how could I and Zeng Rou have made such a big show of inviting the senior master of the Temple of Nature to come and testify for me? The purpose is to let the master of the Immortal Palace You believe me, if you don't believe me, Lord of the Immortal Palace, then I think there is no need for me to stay in the Northern Immortal Palace any longer."

After Ye Feng finished speaking, the Lord of the Immortal Palace suddenly became extremely solemn, and then said loudly: "Do you have any evidence?"

Ye Feng stretched out his hand at this time, and a wisp of dark demonic energy appeared in his palm, and said loudly: "This is the aura I captured from the aura around Xiao Tianshen. It is the underworld of the underworld demon sect." Demonic energy, this has been verified by the senior master of the Temple of Nature."

At this moment, staring at the demonic energy in Ye Feng's hand, the Lord of the Immortal Palace suddenly showed a deep solemn look in his eyes.

Then he looked at the old temple master of the Natural Temple next to the two young men, and said aloud: "Uncle Master, do you also believe this?"

The old master of the Temple of Nature said loudly: "It is better to believe that it exists than to believe that it does not exist. This is a matter related to the safety of our entire Northern Immortal Palace. If Xiao Tianshen has really been replaced by a civet cat for the prince, today's Xiao Tianshen If it is really Chaos Demon Commander in disguise, then it will be a huge crisis for our entire Northern Immortal Palace. Although I don't know why Xiao Tianshen has not taken action now, but it is certain that once Xiao Tianshen If God really takes action, it will be too late."

After the old master of the Natural Temple finished speaking, the master of the Northern Immortal Palace suddenly showed a look of deep thinking on his face.

The entire Immortal Palace hall suddenly fell into silence.

Because for the Lord of the Immortal Palace, he was unwilling to believe that the brothers who joined him in the Northern Immortal Palace were actually Chaos Demon Commanders in disguise.

But what Ye Feng said makes sense. Maybe the Xiao Tianshen who worshiped with him in the Northern Immortal Palace is dead and has been replaced by the Chaos Demon Commander.

At this moment, it depends on whether the Lord of Immortal Palace believes Ye Feng or not.

Chapter 2504 The best way

However, Ye Feng was able to ask the old master of the Natural Temple to be his guarantor, which made the master of the Immortal Palace fall into deep thinking and would not be so arbitrary that Ye Feng was wrong.

After a long time, the Lord of the Immortal Palace spoke slowly: "This matter involves too much, and we cannot directly attack the Lord of the Heavenly Palace like Xiao Tianshen for no reason. I need to test him."

Ye Feng couldn't help but smile bitterly and said aloud: "If Xiao Tianshen finds out that you are testing the Lord of the Immortal Palace, Xiao Tianshen will definitely find out instantly. In that case, it will scare the snake. The reason why I am with Zeng Rou this time Inviting the senior temple masters from the Temple of Nature to come over and tell you this big secret to the Lord of the Immortal Palace is to prevent you, the Lord of the Immortal Palace, from making some rash

actions, such as testing whether Xiao Tianshen is the Demon Commander of Chaos. We What we have to do now is to set up a dragnet and stop Xiao Tianshen instantly before he notices it."

Hearing Ye Feng's decisive words, the Lord of the Immortal Palace showed a hint of embarrassment on his face, because Xiao Tianshen's identity was not that ordinary.

If it were just an ordinary elder, then he could directly attack the ordinary elder now, and the impact would not be big after all.

But after all, Xiao Tianshen is the master of the Tianshen Temple that currently ranks first among the top ten temples in the Northern Immortal Palace.

If he really takes action against Xiao Tianshen, it may put the entire Northern Immortal Palace in chaos.

And if Ye Feng is wrong, then after dealing with Xiao Tianshen for no reason, it may make a super big man like Xiao Tianshen feel cold and leave the Northern Immortal Palace directly.

It will also chill other strong men.

Because the upper echelons of the sect didn't care and just took action against big shots like them.

So these are all factors that the Lord of Immortal Palace needs to consider, and not all problems can be solved on impulse.

At this moment, the Lord of the Immortal Palace is very confused and doesn't know what to do.

\u003c

br\u003e After all, this matter involves too much.

At this moment, the old master of the Natural Temple suddenly spoke up and said: "Lord of the Immortal Palace, I don't have so much time to think about it now."

When the Lord of the Immortal Palace heard what the old Lord of the Natural Temple said, he immediately wanted to say something.

But Ye Feng suddenly interrupted at this time and said: "Perhaps you can let me test Xiao Tianshen. As long as Xiao Tianshen shows his flaws, then the Lord of the Immortal Palace will believe him, right?"

"What?"

Hearing what Ye Feng said, several people present couldn't help but look at Ye Feng in surprise.

Ye Feng said slowly: "Xiao Tianshen and I have some personal grudges. When I was still in a small place, I killed a clone of Xiao Tianshen. So if I test Xiao Tianshen, he will I don't suspect anything, but I think I might be deliberately trying to find trouble with him and resolve the grudges from back then."

When the Lord of the Immortal Palace heard what Ye Feng said, he nodded slightly and said: "There is only one way now. If the rest of us try it, it will definitely arouse Xiao Tianshen's suspicion. After all, we have been here for so many years. I haven't had any contact with Xiao Tianshen. If I suddenly want to talk to Xiao Tianshen or test something, he will definitely be suspicious. "

Ye Feng nodded and said: "Yes, so it is the best way for me to test it."

"no."

But the old master of the Temple of Nature suddenly spoke up at this time and said: "If Xiao Tianshen is really the Chaos Demon Commander, if Ye Feng goes to test it, if he exposes himself, he will instantly launch a terrifying attack on you. , you may fall instantly. You must know that the strength of the Chaos Demon Commander is comparable to that of the Chaos Demon Commander, even

It's beyond us old guys. "

Zeng Rou couldn't help but said at this time: "Ye Feng, don't take risks, let's think of other ways."

Ye Feng shook his head and said: "Don't think too much, there is no other better way, and now there is only this way."

At this time, the Lord of the Immortal Palace suddenly said: "Let's do this. We first secretly set up a dragnet around the Temple of Heaven, and then Ye Feng goes directly to test Xiao Tianshen. If Xiao Tianshen is not the Chaos Demon Commander, we will not use the dragnet. Just pretend everything didn't happen, but if Xiao Tianshen is really the Chaos Demon Commander and shows his flaws, then I guarantee that I will immediately launch a dragnet to completely suppress Xiao Tianshen, the Chaos Demon Commander. However, this requires Ye Feng to be quick. The ability to escape."

Ye Feng smiled slightly and said: "My ability to escape is first-rate, even more powerful than my combat power, so please rest assured, Lord of the Immortal Palace and everyone."

Hearing what Ye Feng said, several people present nodded.

Because this method is the best method.

After speaking at this time, Ye Feng immediately said: "Then I will ask the Lord of the Immortal Palace and the old temple master of the Natural Temple. The two of you will set up a dragnet around the Temple of Heaven. When you have finished setting it up, After everything, I will test Xiao Tianshen again."

"good."

The Lord of the Immortal Palace nodded immediately, and then went to prepare with the old Lord of the Natural Temple.

At this time, only Ye Feng and Zeng Rou were left in the entire Immortal Palace.

, Shi Zengrou couldn't help but smile bitterly, and said aloud: "Even if he invited my master, the Lord of the Immortal Palace still doesn't believe in you Ye Feng. He still needs Ye Feng to take the risk to test Xiao Tianshen and let Xiao Tianshen show his flaws. "

Ye Feng smiled and said: "The owner of the Immortal Palace is the executive of the Immortal Palace in the Northern Territory.

The controller naturally considers many factors. I don't blame the master of the Immortal Palace for this. If I were the leader of the Northern Immortal Palace, I would also consider so many factors, because I can't do it because of a young man. Human beings, just go directly to suppress the master of the first temple like the Celestial Palace. The impact is too great. This time we have been very successful. We can persuade the master of the Celestial Palace, lay down a dragnet, and prepare for the attack. We succeeded. Fortunately, we invited the old master of the Temple of Nature this time. Otherwise, the master of the Immortal Palace would have sent me away with just a few words, or he would have gone to test Xiao Tianshen himself. In that case, everything would have been terrible. .
"

When Zeng Rou heard what Ye Feng said, she immediately nodded.

Then she couldn't help but look at Ye Feng, with a fascination in her eyes, and said loudly: "Ye Feng, you are so amazing."

This time Zeng Rou saw that in addition to Ye Feng's strong combat power, his wisdom and determination were also very attractive to a woman of unparalleled elegance like Zeng Rou.

At this moment, Zeng Rou couldn't help but said: "Ye Feng, even if the Lord of the Immortal Palace and my master set up a net around the Temple of Heaven this time, if you test Xiao Tianshen, Xiao Tianshen may suddenly take action. It will be very dangerous, so Ye Feng, follow me. I will go to the temple treasure house of the Nature Temple and take out some treasures for you, which can help you stay away from danger."

When Ye Feng heard what Zeng Rou said, there was a hint of surprise in his eyes.

Then he nodded and said loudly: "Okay, then I will go to the treasure house of the Temple of Nature to take a look. Maybe there is really something I need."

Although the treasure house of the Natural Temple is the public property of the Northern Immortal Palace.

But this time, Ye Feng considered the safety of the entire Northern Immortal Palace to test Xiao Tianshen.

Therefore, taking some of the public property of the Northern Immortal Palace can be regarded as the sect's reward for itself, and it has a clear conscience.

Chapter 2506 It's okay to tell you the truth

When Ye Feng heard what Zeng Rou said, he immediately couldn't help but said: "It seems that this is the inherited armor of your natural temple, and it is the most precious treasure of the temple. If you say so, I can't take it, because you will definitely need this in the future."

Zeng Rou immediately shook her head and said: "It will definitely be very dangerous for you to test Xiao Tianshen this time. You must wear this set of armor at all times. It can save lives at critical moments, and I am very willing to use this set of armor to Give it to you, this is my heart."

When Ye Feng heard what Zeng Rou said, he seemed to see the gentle look in the eyes of the woman in front of him.

He seemed to understand something, and immediately nodded slightly without saying anything more.

He just stretched out his hand, grabbed Zeng Rou's little hand, and said loudly: "Thank you, you are my best friend." ??

After saying that, Ye Feng and Zeng Rou left the treasure house of the Natural Temple and returned to the previous Immortal Palace.

At this moment, the master of the Immortal Palace and the old master of the Natural Temple have not returned yet, indicating that they have not completed the decoration.

Ye Feng immediately said: "I want to practice directly in the Immortal Palace Hall, refine all the resources I just obtained, and try to improve my current cultivation as much as possible."

Zeng Rou immediately nodded and said: "Okay, Ye Feng, just practice hard and I will protect you. I will not let others disturb you, and no one would dare to come to this Immortal Palace. , this is the residence of the Lord of the Immortal Palace, very noble."

When Ye Feng heard what Zeng Rou said, he immediately nodded and said, "Okay."

After saying that, Ye Feng immediately took out all the resources he had just obtained from the treasure house of the Nature Temple.

Including those high-grade elixirs, including those extremely mysterious crystal stones that emit colorful light, they were all taken out.

Buzz!

Then these things were instantly enveloped by the Devouring Domain released by Ye Feng, which directly began to devour all these resources.

"Rumble..."

Along with a huge roar, waves of powerful energy were immediately absorbed by Ye Feng from these resources, and then injected into his body.

This can quickly increase his power.

At this time, Zeng Rou next to her saw this scene, and her eyes suddenly showed a trace of surprise.

color.

This was the first time she saw Ye Feng practicing in front of her.

At this time, Zeng Rou finally discovered why Ye Feng's cultivation improved so quickly.

It turned out that Ye Feng had mastered such a terrifying devouring ability.

It is actually able to directly absorb energy from external resources, and then pour it directly into one's own body, constantly growing one's strength.

This discovery immediately revealed a look of deep shock in Zeng Rou's eyes.

Zeng Rou had never heard of this kind of inheritance ability. She was really overbearing and evil to the extreme.

And at this moment.

Accompanied by Ye Feng's devouring.

The cultivation aura on his body is also rapidly breaking through.

You must know that these resources are all obtained from the treasure house of the Natural Temple.

All are very precious resources.

It is not comparable to ordinary elixirs or crystal stones.

The energy contained is extremely huge.

At this moment, after Ye Feng absorbed this huge energy, his cultivation aura suddenly experienced huge and continuous breakthroughs.

boom!

Kill the fourth level of Dao Realm!

boom!

Kill the fifth level of Dao Realm!

At this moment, Ye Feng's cultivation suddenly made a huge breakthrough.

Breaking through the sky twice in a row.

Directly from the third level of the Dao Killing Realm, he broke through to the fifth level of the Dao Cutting Realm.

After the breakthrough was completed, Ye Feng opened his eyes and found that all the resources in front of him had been turned into ashes.

This made Ye Feng very happy.

Unexpectedly, the resources obtained from the natural temple treasure house this time allowed me to break through the sky twice in a row.

This is a huge improvement.

At this moment, Ye Feng stood up immediately.

And Zeng beside me

Rouze's eyes were filled with incredible expressions, and she said: "I really saw a miracle just now. I didn't expect Ye Feng that you have such a terrifying and domineering ability. You can absorb blood energy from external objects to strengthen yourself. This It's something I've never seen, and I've never even heard of."

Ye Feng smiled slightly and said aloud: "Zeng Rou, keep this secret for me, I don't want many people to know, otherwise I may become the prey in the eyes of many super powerful people who want to rob me of this inheritance. "

Zeng Rou immediately nodded vigorously and said loudly: "Don't worry, I won't tell anyone. Only I will know this secret. It is a secret between the two of us."

After Zeng Rou finished speaking, two very powerful auras suddenly descended outside the Immortal Palace.

He is the Lord of the Immortal Palace and the old Lord of the Natural Temple. ??

At this moment, the old temple master of the Nature Temple came over immediately and said loudly: "We have completed setting up all the dragnets. Xiao Tianshen did not notice that he is still practicing in seclusion in the Temple of Heaven."

Ye Feng nodded at this time, looked at the Lord of the Immortal Palace, and said loudly: "Then I will go directly to test it. The Lord of the Immortal Palace will observe carefully when the time comes."

Seeing what Ye Feng said, the Lord of the Immortal Palace couldn't help but stare at Ye Feng and said loudly: "No matter what, you must be careful."

Ye Feng nodded, then left the Immortal Palace Hall alone and walked towards the Heavenly Temple.

Buzz!

Soon Ye Feng flew to the territory of Tianshen Temple.

Ye Feng did not deliberately hide his aura this time, so he quickly attracted the attention of Xiao Tianshen in the Tianshen Temple.

Buzz!

Almost at this moment, accompanied by an extremely powerful energy fluctuation, Xiao Tianshen suddenly descended in front of Ye Feng from inside the Temple of Heaven.

At this moment, Xiao Tianshen stared at Ye Feng, with a hint of surprise in his eyes, and couldn't help but ask: "Why did you come to my place? Aren't you afraid that I will kill you?"

Ye Feng smiled coldly at this moment, pretending not to be afraid at all.

He looked like this and said aloud: "Xiao Tianshen, the grudge between you and me will be settled today. Now I am also the master of the Tenth Temple. My combat power is no longer comparable to that of the master of the Tianshen Temple like you." The gap is huge, so I came to see you today just to settle our grievances as soon as possible. "

Xiao Tianshen immediately couldn't help laughing and said: "Young man, you are too naive. You dare to go against me. Do you really think that you can compete with me after becoming the master of the temple?"

Ye Feng smiled slightly and said: "Isn't it possible? The Sword Emperor, the master of the Sword Emperor Temple, has been defeated by me, and I am stronger now than I was then. Back then, you chased me and killed me. It was so miserable, and I must avenge my shame today."

Seeing Ye Feng's passion and impulsiveness at this time, Xiao Tianshen couldn't help but reveal a sinister smile in his eyes and said loudly: "Ye Feng, Ye Feng, do you really feel that you have the palace master?" You can fight me with your strength? I have to say that you are too naive, you don't understand what kind of existence I am!"

boom! ! !

At this moment, after Xiao Tianshen finished speaking, a powerful aura burst out from his body.

There was deep demonic and dark energy in that momentum.

At this moment, Xiao Tianshen's whole body seemed to have suddenly turned into a demon god, and Ye Feng's entire body was enveloped in a terrifying aura.

He laughed loudly and said: "There is no one around today, so I will directly wipe you out from my Heavenly Temple territory today!"

At this moment, Ye Feng pretended to be horrified and couldn't help but said: "What? You actually practiced magic?"

Xiao Tianshen seemed very happy when he saw Ye Feng's horrified look.

Because he just wanted to see his opponent panic.

So Xiao Tianshen immediately sneered and said: "Ye Feng, before you die, let you know what kind of existence you are facing. It doesn't hurt to tell you the truth. Anyway, you accept I'm going to die. In fact, I'm not only the master of the Heavenly Temple, I'm also a terrifying superpower of the ancient demon sect! Tremble!"

Chapter 2507 Entering the Dao Realm

After Xiao Tianshen finished speaking, he immediately burst into laughter and said in a very majestic voice: "Ye Feng, you will definitely die today!"

But Ye Feng did not show a very frightened expression as he thought at this time.

Instead, he smiled slightly and said: "Xiao Tianshen, you are so proud that you directly revealed your identity. I originally thought that it would take more words to find out your true identity and make you admit it on your own initiative, but I didn't expect you to reveal your true identity so quickly, or even tell me your true identity directly in front of me, so there would be no need for such trouble."

Hearing what Ye Feng said at this time, Xiao Tianshen immediately felt that something was wrong. ??

He immediately couldn't help but look around, and then he sensed it slightly. In an instant, his eyes became extremely frightened and angry, and he said loudly: "Boy, everything around here is filled with fluctuations of formations. You kid is actually Are you testing me, not really to challenge me, but to get me to reveal my identity directly? Is there anyone else spying here?"

At this moment, Xiao Tianshen said, his face suddenly became extremely ugly.

Because he showed his weakness in an instant.

Seems very stupid.

In fact, it's not that Xiao Tianshen is very stupid.

Because he would never think about his identity at all. In fact, Ye Feng already knew it.

He didn't expect Ye Feng to come here specifically to test him this time.

After all, when he was at the end of the dark swamp, Xiao Tianshen didn't realize that the mysterious man who stole the heart of the Barbarian God was Ye Feng.

At this moment, Ye Feng laughed loudly and said: "Xiao Tianshen, you will definitely die today!"

Uh-huh!

After saying that, Ye Feng immediately ran away crazily from behind.

And at this moment, the moment Xiao Tianshen admitted his identity, a huge formation suddenly lit up around the entire Tianshen Temple, exuding a terrifying light and full of intense and boundless destructive power.

Almost at this moment, Xiao Tianshen immediately understood that all of this was

A game.

The purpose is to induce him to admit his true identity.

This allows the people around him to take action against him with greater certainty.

Thinking of this, Xiao Tianshen immediately felt a little angry.

He immediately looked in the direction of Ye Feng who was escaping, then slapped him hard, and said loudly: "Even if I am exposed now, I will kill you, this hateful boy!"

Boom! !

Almost at this moment, Xiao Tianshen immediately burst out the terrifying and boundless dark power of the Chaos Demon Commander.

Suddenly, a terrifying hand struck Ye Feng's body.

After all, they are very close,

Even if Ye Feng instantly activates a space wormhole, he still cannot escape the attack of this dark hand.

But at this time, Ye Feng suddenly activated the power of natural armor.

Boom! !

Almost at this moment, Ye Feng's body burst out with colorful five elements of light, directly forming a kind of armor protection, protecting Ye Feng's entire body.

At this moment, Ye Feng immediately withstood the attack from the dark hand, and then directly spat out a mouthful of blood, and was instantly blasted out of the scope of the Temple of Heaven.

However, Ye Feng was not dead, but suffered some internal injuries.

After Ye Feng escaped from the area of the Heavenly Temple, he immediately saw the Lord of the Immortal Palace, the old Lord of the Natural Temple, and Zeng Rou flying over from a short distance away.

They were always lying in wait and watching.

Uh-huh!

At this moment, Zeng Rou immediately stepped forward to support Ye Feng and asked worriedly: "Ye Feng, are you okay?"

Ye Feng shook his head and said loudly: "I'm fine."

After finishing speaking, Ye Feng stared at the Lord of the Immortal Palace in front of him with a deep smile in his eyes, and said loudly: "Lord of the Immortal Palace, do you think what I said is correct?"

The Lord of the Immortal Palace couldn't help but sigh, patted Ye Feng's shoulder, and said, "Thank you very much. This time, the safety of the Immortal Palace in the Northern Territory is really thanks to you."

At this time, the Lord of the Immortal Palace seemed to feel that he owed Ye Feng a little, because he did not believe Ye Feng before, and even asked Ye Feng to personally risk himself to test Xiao Tianshen, the terrifying chaos commander.

The Lord of the Immortal Palace immediately spoke out: "After killing Xiao Tianshen, the Chaotic Demon Commander, all his wealth will be given to you, Ye Feng. This can be considered as my compensation to you."

After saying that, the Lord of the Immortal Palace's face immediately became extremely cold.

He instantly looked at the old temple master of the Temple of Nature next to him, and said loudly: "Now it's time for the two of us to go on stage. The dragnet formation has trapped Xiao Tianshen, the chaotic demon commander. Next, it's up to the two of us. One killed him."

At this moment, the old temple master of the Nature Temple immediately showed a deep murderous look in his eyes, and said loudly: "Okay, then we two will join forces to kill the Chaos Demon Commander. I also participated in that battle back then. A battle with the Underworld Demon Cult. I haven't shown my talents for a long time. Today I will let the Chaos Demon Commander know that the people in our Northern Immortal Palace are not so pushy. He dares to lurk in our Northern Immortal Palace for so many years. Then you must pay the price!"

boom! !

boom! !

At this moment, after the Lord of the Immortal Palace and the old Lord of the Natural Temple finished speaking, a terrifying and boundless violent aura suddenly erupted from both of them.

It was like two peaceful people suddenly turned into absolute madmen.

In an instant, they were packed with terrifying and boundless power and rushed directly into the area of the Temple of Heaven.

At this moment, the entire Tianshen Temple area has been destroyed by Tianluodi.

The net formation was shrouded.

Therefore, Xiao Tianshen, the chaotic demon commander, could not escape at all.

Almost at this moment, two super powerful men, the Lord of the Immortal Palace and the old Lord of the Natural Temple, appeared in front of Xiao Tianshen.

The Lord of the Immortal Palace's eyes were full of infinite coldness, he stared at Xiao Tianshen, and said loudly: "Chaos Demon Commander, I didn't expect that you would dare to pretend to be my senior brother back then and lurk in our Northern Immortal Palace for so many years. Today I must kill you severely to let you know that our Northern Immortal Palace is not someone to be trifled with."

At this moment, the old temple master of the Natural Temple also sneered and said: "The demonic people of the Underworld Demon Sect have resurrected. Today I will completely extinguish this resurrected flame."

Both of them knew that the Chaos Demon Commander was the number one demon commander in the Underworld Demon Cult.

If Xiao Tianshen could be completely killed today.

Then there is no big threat from the Underworld Demon Sect.

Of course, all this depends on Ye Feng discovering the huge secret, otherwise they would not have this opportunity.

At this moment, Xiao Tianshen's eyes were filled with a deep cold look, and then he seemed to laugh at himself and said: "I didn't expect that that ant-like boy back then has become my biggest trouble now, and he even discovered me My identity has disrupted all my plans, but today I will unleash all my power and turn the entire Northern Immortal Palace upside down. Even if my identity is exposed, you will definitely not be my opponent."

Boom!

Almost at the moment Xiao Tianshen's voice fell, his whole body suddenly erupted with violent and boundless dark energy.

All of a sudden, the true power of the Chaos Demon Commander was revealed!

That is far beyond the Dao-killing realm, even beyond the Dao-enlightenment realm, a super cultivation level at the Dao-entry realm!

It has to be said that Xiao Tianshen's secrets are too deep, and the strength of this Chaos Demon Commander is indeed terrifying to the extreme!

Chapter 2508 Underworld Realm

At this moment, the aura exuding from Xiao Tianshen was extremely terrifying, and he had actually entered the Dao realm!

At this time, both the master of the Immortal Palace and the old master of the Natural Temple had a trace of horror in their eyes.

They seemed to have never imagined that Xiao Tianshen, the Chaos Demon Commander, would be so powerful.

Moreover, he has been lurking in the Northern Immortal Palace and has not been exposed for so many years. It really makes me feel scared just thinking about it.

But at this time, the Lord of the Immortal Palace and the old Lord of the Natural Temple had no intention of retreating.

No matter how powerful the opponent is, they will use all their trump cards and power today to completely eradicate Xiao Tianshen, the chaotic demon commander.

"boom!!"

"boom!!"

At this moment, the master of the Immortal Palace and the old master of the Natural Temple suddenly burst out with an extremely powerful cultivation aura. .??.

It was simply as majestic as the sea and its aura was vast.

That is clearly the cultivation level of Dzogchen, the tenth level of enlightenment!

Obviously, the master of the Immortal Palace and the old master of the Natural Temple are both super strong men who have reached the tenth level of enlightenment.

This is their true cultivation.

At this moment, although the master of the Immortal Palace and the old master of the Natural Temple are not as good as Xiao Tianshen, the devil and chaos commander.

But the two of them working together, and relying on the power of the surrounding formations, might be able to compete with Xiao Tianshen, the Chaotic Demon Commander of the first level of Dao Realm, or even kill him.

At this moment, Xiao Tianshen was exuding terrifying dark demonic energy, looking like an ancient demon god had descended.

At this time, he stared at the two people opposite him. There was no trace of panic in his eyes. Instead, with a cold smile, he said with a smile: "I didn't expect you to be ambushing around the Tianshen Temple. , just waiting for me to show my weakness, and then instantly activated the formation to trap me. Damn it, this kid Ye Feng really ruined my entire plan! Why is that kid Ye Feng missing? ? I want to kill him with my own hands!"

At this time, the Lord of the Immortal Palace stared at Xiao Tianshen, his eyes were extremely cold, and he said loudly: "Ye Feng's mission has been successfully completed. Your next opponent is us, Chaos Demon Commander. You cannot escape today. No matter what kind of plans you had before, today we will completely wipe you out here. Whatever plans you have are of no use, because they will definitely not come true. Today we are going to kill you, this restless person. The hidden dangers are completely nipped in the bud!"

At this moment, the tone of the Lord of the Immortal Palace's words was filled with boundless cold murderous intent.

Obviously, this time the Lord of the Immortal Palace discovered that Xiao Tianshen was really the Chaos Demon Commander, and he was really angry.

Because his senior brother may have died long ago.

For so many years, everyone around me has been pretending to be the Demon Commander of Chaos.

This made the Lord of the Immortal Palace feel extremely violent and murderous at this moment.

The old master of the Temple of Nature also had a long sword emitting nine colors of light in his hand at this time, full of sharp light.

Although he was old, his blood was as vast as the ocean at this moment, and his eyes were full of violent fighting spirit. He said loudly: "Lord of the Immortal Palace, next we attack from both sides. This Xiao Tianshen is a huge hidden danger. We must attack him." This Chaos Demon Commander must be completely killed and cannot be allowed to escape.

If he is allowed to escape, the entire Underworld Demon Sect may become a huge disaster in our entire four domains in the future. However, as long as we get rid of the Chaos Demon Commander, the most powerful demon commander in the Underworld Demon Sect, today, we will destroy the Underworld Demon Sect in the future. It will be much easier when you teach the base camp. "

Hearing this, the Lord of the Immortal Palace nodded immediately and said loudly: "I know this. Even if I fight tooth and nail today, I will completely kill this Xiao Tianshen!"

"The Great Nine Elements Divine Sword!"

boom! !

Almost at this moment, the old master of the Temple of Nature instantly held the long sword emitting nine colors of light in his hand and charged directly towards Xiao Tianshen in front.

This is a very terrifying long sword that condenses the power of nine elements in the world, namely gold, wood, water, fire, earth, wind, rain, thunder, and electricity!

Condensed into this long sword.

The destructive power is absolutely terrifying!

Boom! !

The old master of the Temple of Nature held the Great Nine Elements Divine Sword and slashed it down in an instant.

At this moment, the old palace master was like an old man going crazy as a teenager. His fighting spirit was boiling, his sword was piercing the sky, and he was full of unparalleled power.

"boom!!"

An extremely terrifying elemental light instantly condensed into a huge lightsaber that penetrated the sky and the earth, and struck directly at Xiao Tianshen to kill him.

"Yellow Spring Realm!!"

At this moment, Xiao Tianshen immediately released a terrifying inheritance of the Underworld Demon Cult, called the Underworld Domain.

Buzz!

After he exerted it, the terrifying vision of Jiuyou Huangquan suddenly appeared in the surrounding void.

The terrifying Yin soldiers roared and roared in it, filled with the unparalleled power of the Nine Netherworld.

Boom! !

Almost at this moment, the elemental lightsaber in the hands of the old temple master of the Nature Temple completely collided with the underworld domain around Xiao Tianshen.

All of a sudden, a terrifying roar broke out!

Almost at this moment.

The elemental lightsaber disintegrated inch by inch, unable to break the underworld realm around Xiao Tianshen.

The old palace master's eyes were startled and he couldn't help but say: "What? How is this possible?"

"Hahaha!"

At this time, Xiao Tianshen laughed loudly, his eyes filled with deep disdain. He looked at the old temple master of the Natural Temple not far away and said loudly: "Old man, you are no longer good. In your hands, My sword cannot break through my underworld realm, I am invincible in this underworld realm!"

At this moment, the Lord of the Immortal Palace seemed to have discovered something, and couldn't help but said in horror: "I understand! Is this underworld realm the world you have absorbed in the small world of our Northern Immortal Palace for so many years? It is condensed by strength! No wonder the world power of our small world in the Northern Immortal Palace is slowly becoming extremely weak."

Xiao Tianshen laughed loudly: "Yes, I have been lurking in the Northern Immortal Palace. The purpose is to secretly absorb all the power of the world in your small world into my body, and then condense it out. The most terrifying inheritance of our underworld demon sect, the underworld realm, is now considered a success. As long as I stay in this underworld realm, there will be no crisis, because you can't hurt me at all. What's next! It's time for you two to die!" At this moment, the aura exuding from Xiao Tianshen's body was extremely terrifying, and he had actually entered the Dao realm!

At this time, both the master of the Immortal Palace and the old master of the Natural Temple had a trace of horror in their eyes.

They seemed to have never imagined that Xiao Tianshen, the Chaos Demon Commander, would be so powerful.

Damn it, this boy Ye Feng really ruined my entire plan! Why is that boy Ye Feng missing? ? I want to kill him with my own hands!"

This is a very terrifying long sword that condenses the power of nine elements in the world, namely gold, wood, water, fire, earth, wind, rain, thunder, and electricity!

Condensed into this long sword.

The destructive power is absolutely terrifying!

Boom! !

The old master of the Temple of Nature held the Great Nine Elements Divine Sword and slashed it down in an instant.

At this moment, the old palace master was like an old man going crazy as a teenager. His fighting spirit was boiling, his sword was piercing the sky, and he was full of unparalleled power.

"boom!!!"

An extremely terrifying elemental light instantly condensed into a huge lightsaber that penetrated the sky and the earth, and directly slashed at Xiao Tianshen.

"Yellow Spring Realm!!!"

At this moment, Xiao Tianshen immediately released a terrifying inheritance of the Underworld Demon Cult, called the Underworld Domain.

Buzz!

After he exerted it, the terrifying vision of Jiuyou Huangquan suddenly appeared in the surrounding void.

The terrifying Yin soldiers roared and roared in it, filled with the unparalleled power of the Nine Netherworld.

Boom! !

Almost at this moment, the elemental lightsaber in the hands of the old temple master of the Nature Temple completely collided with the underworld domain around Xiao Tianshen.

All of a sudden, a terrifying roar broke out!

Almost at this moment.

The elemental lightsaber disintegrated inch by inch, unable to break the underworld realm around Xiao Tianshen.

The old palace master's eyes were startled and he couldn't help but say: "What? How is this possible?"

"Hahaha!"

At this time, Xiao Tianshen laughed loudly, his eyes filled with deep disdain. He looked at the old temple master of the Natural Temple not far away and said loudly: "Old man, you are no longer good. In your hands, My sword cannot break through my underworld realm, I am invincible in this underworld realm!"

At this moment, the Lord of the Immortal Palace seemed to have discovered something, and couldn't help but said in horror: "I understand! Is this underworld realm the world you have

absorbed in the small world of our Northern Immortal Palace for so many years? It is condensed by strength! No wonder the world power of our small world in the Northern Immortal Palace is slowly becoming extremely weak."

Xiao Tianshen laughed loudly: "Yes, I have been lurking in the Northern Immortal Palace. The purpose is to secretly absorb all the power of the world in your small world into my body, and then condense it out. The most terrifying inheritance of our underworld demon sect, the underworld realm, is now considered a success. As long as I stay in this underworld realm, there will be no crisis, because you can't hurt me at all. What's next! It's time for you two to die!"

Chapter 2509 Where is Ye Feng?

boom!

Almost at the moment Xiao Tianshen's voice fell, he was carrying the entire vast underworld field and rushing towards the Lord of the Immortal Palace.

Because he felt that the Lord of Immortal Palace was the most powerful of the two.

Therefore, he had to deal with the Lord of Immortal Palace in an instant first.

"The underworld is mighty!" .??.

"All things fall!"

Boom!

At this moment, Xiao Tianshen suddenly arrived in front of the Lord of the Immortal Palace.

Then the power of the underworld realm was instantly released.

Rumble...

Along with a terrifying roar, a terrifying and boundless power of the underworld suddenly erupted in the underworld realm.

Immediately, countless Yin soldiers and various magical beasts from the Nine Nethers rushed out of the underworld realm.

The Lord of Immortal Palace was immediately surrounded!

"Celestial Holy Light Technique!"

At this moment, the Lord of the Immortal Palace burst out the most powerful inheritance of the Northern Immortal Palace!

Boom! !

Almost at this moment, the Lord of the Immortal Palace burst out with a terrifying holy light, pure white and extremely sacred.

Large swaths of holy light beams, filled with terrifying tearing power, directly pierced all the Yin soldiers in the underworld domain released by Xiao Tianshen.

All were wiped out!

When Xiao Tianshen saw this scene, he couldn't help but show a trace of surprise in his eyes, and couldn't help but say: "Oh? I didn't expect that you could successfully cultivate this set of Holy Light inheritance and be able to pierce me. In the underworld field, it seems that your talent is very good."

The Lord of the Immortal Palace smiled coldly and said aloud: "Xiao Tianshen, don't think that I have not made any progress over the years. Today I am going to completely explode my power."

"Celestial Holy Light Blessing Technique!"

Boom! !

Almost at the moment when the Lord of the Immortal Palace finished speaking, his aura immediately began to rise steadily, and finally he directly surpassed the Enlightenment Realm and entered the same Taoist Realm level as Xiao Tianshen! !

It has to be said that the Lord of the Immortal Palace is worthy of being the leader of the Northern Immortal Palace. He still has many powerful methods, and he can actually fight against the Chaos Demon Commander.

"Punch through mountains and rivers!"

The Lord of the Immortal Palace roared loudly, a terrifying and boundless light erupted from his body, and he punched forward fiercely.

"Click, click..."

In an instant, the underworld realm around Xiao Tianshen was shaken rapidly.

It's like it will be completely broken in the next moment.

There was an ugly look in Xiao Tianshen's eyes.

I didn't expect that the Lord of Immortal Palace had such a powerful power.

"As expected of the leader of the Northern Immortal Palace!"

At this moment, Xiao Tianshen suddenly felt like retreating, and he instantly burst out with the most original power in the underworld domain.

"The hand of Huangquan's life and death!"

Almost at this moment, Xiao Tianshen stretched out a palm.

All the power in the entire Huangquan realm is concentrated on his palm.

Then a big black hand that covered the sky and the sun condensed out!

Full of unparalleled coercion.

It was as if it had been grabbed from the underworld, carrying a terrifying power that could judge the life and death of living beings, and bombarded the front in an instant.

"Deng Deng Deng!!"

In an instant, this big hand of life and death actually killed the Lord of the Immortal Palace and the Lord of the Natural Temple.

Forced back.

"hateful!"

The Lord of the Immortal Palace suddenly showed an ugly look in his eyes.

Uh-huh!

At this moment, Xiao Tianshen immediately retreated towards the rear, trying to break out of the formation of this dragnet.

Boom!

Boom!

Boom...

But suddenly at this moment, huge hands suddenly bombarded down from high in the sky, and they all hit Xiao Tianshen hard.

Xiao Tianshen was knocked to the ground and buried in ruins.

"What?!"

Seeing this scene at this moment, Xiao Tianshen immediately stood up from the ruins, his whole body full of injuries.

There was an incredible look in his eyes.

Because he saw at this time, old men with extremely powerful auras appeared in the sky.

There are more than a dozen of them.

All of them are super strong men who have reached the Dzogchen level of the Tenth Level of Enlightenment!

At this moment, Zeng Rou's figure appeared not far away.

She said aloud: "Master, the Lord of the Immortal Palace, I have invited all the seniors in the small world to come out. This time Xiao Tianshen, the chaotic demon commander, will definitely not be able to escape!"

When Xiao Tianshen saw this scene, his eyes immediately showed a look of deep anger, and he yelled: "Damn it!!"

After the words fell, Xiao Tianshen immediately erupted with a terrifying light of darkness, and rushed towards the sky, wanting to completely escape from here.

But at this moment, all the powerful elders in the small world, including the Lord of the Immortal Palace and the old Lord of the Natural Temple, all expressed their feelings at this moment.

He unleashed his own terrifying attack.

"Boom!"

A terrifying and boundless energy frenzy, full of infinite destructive power, all of a sudden bombarded Xiao Tianshen.

"ah!!"

No matter how powerful Xiao Tianshen was at this moment, he still screamed in agony when faced with the terrifying attacks from all the superpowers in the entire Northern Immortal Palace.

His entire body was immediately shattered and turned into countless ashes, with no dust left at all.

Ding dong!

There was only one storage ring, which fell from the sky.

It is the storage ring left behind by Xiao Tianshen after his death.

Uh-huh!

At this time, the Lord of the Immortal Palace took this Xiao Tianshen's storage ring in his hand.

Then the Lord of the Immortal Palace looked at Zeng Rou and said aloud: "This storage ring contains all the wealth of Xiao Tianshen. The upper levels of our Northern Immortal Palace will not take a single needle or thread. All of them are given to Ye Feng. This He deserves it."

A group of other old antiques also spoke out one after another at this moment: "Yes, if it weren't for this young man Ye Feng, I'm afraid our Northern Immortal Palace would probably face a huge disaster, but now thanks to Without Ye Feng, we can completely eliminate this hidden danger, which is equivalent to giving the Underworld Demon Sect a huge blow. "

Zeng Rou immediately asked: "Hey, isn't Ye Feng fighting with you? I didn't find any trace of him. He left suddenly just now. I thought he was to help you."

When the Lord of the Immortal Palace heard what Zeng Rou said, he couldn't help but show a hint of surprise in his eyes. He shook his head and said, "When we fought Xiao Tianshen just now, we didn't find any trace of Ye Feng. So, Ye Feng Where did Feng go? Maybe he had something to do temporarily. Anyway, just leave this storage ring with me and give it to him when Ye Feng comes back."

Chapter 2510 Completely fallen

...

And just when a group of super strong men in the Northern Immortal Palace completely wiped out Xiao Tianshen, the chaotic demon commander.

In the direction of the mountain behind the Temple of Heaven, a sneaky figure flew out from the mountain behind.

Then he quickly escaped from the Northern Immortal Palace area, and soon escaped into the wilderness outside.

"Um?"

However, this sneaky figure suddenly discovered that in this wilderness, there was already a young man in white clothes and snow, already standing there waiting for him.

At this moment, when I saw this sneaky young man in white, I couldn't help but show a hint of horror in my eyes, and said loudly: "Ye Feng! It's you! How did you know that I escaped secretly?"

Ye Feng stared at this sneaky figure coldly at this time, smiled and said: "Others may not be able to sense it, but you and I are both holders of the Dominion Gem. I have sensed the Chaos Gem before. The power is quickly leaving the scope of the Tianshen Temple, so I have been waiting for you in this wilderness, Xiao Tianshen. "

That's right!

At this moment, the sneaky figure escaping from the back mountain is none other than Xiao Tianshen!

But this Xiao Tianshen is a clone.

The real God Xiao Tian was indeed killed by a group of super powerful people such as the Lord of Immortal Palace.

At this moment, what escaped was the corpse clone of the demon god that Xiao Tianshen had refined.

At this time, looking at Ye Feng in front of him, Xiao Tianshen's eyes were full of deep shock and anger.

He seemed to have never expected that Ye Feng was so smart and had already expected that a clone of him would sneak out from the back mountain.

At this moment, Xiao Tianshen's clone immediately spoke out: "Ye Feng, you didn't tell anyone. You are waiting for me here alone. It seems that you don't want others to know that I have the Chaos Gem in my body. You are Do you want to swallow my Chaos Gem for yourself?"

Ye Feng smiled slightly and said aloud: "Yes, if I let other people come to help, then the chaos gem, a master gem level treasure, will definitely be coveted by others, so I am here alone, as long as I kill Without you, I will get the Chaos Stone alone, and I am not willing to share your most precious thing with anyone else."

"Hahaha!!"

Hearing what Ye Feng said, Xiao Tianshen's clone couldn't help laughing immediately: "Ye Feng, Ye Feng, you are really too naive, you really think you can fight it alone. Me? Although this body of mine is a clone, you have to know that this clone is a clone that I refined from the corpse of the devil god. Every move I make can burst out with terrifying and boundless power. It is not what you are now. If you dare to stop me, you are looking for death!"

At this moment, Xiao Tianshen's tone was full of threats.

However, he didn't take action immediately, obviously he was deeply afraid of Ye Feng.

Ye Feng smiled coldly at this time and said aloud: "Xiao Tianshen, don't think that I don't know. Although your avatar was refined from the demon god's corpse, you can't fully exert the demon god's power. It is estimated that the power of the divine corpse can only be used to exert part of the power of the divine corpse. Only a few months have passed since you obtained the divine corpse of the devil god. It is impossible in such a short period of time as a few months. Let you completely master this powerful demon god's corpse. After all, you don't have

I'm such a monster, and even if you completely master the devil's corpse, I'm not afraid of you. A dead corpse, even the corpse of a god, is nothing to be afraid of! "

Boom! !

Almost at the moment when Ye Feng's words fell, Ye Feng burst out his Dzogchen cultivation without any hesitation.

His cultivation level was suddenly upgraded to the Great Perfection state of the tenth level of the Dao Slaying Realm!

At this moment, Ye Feng's combat power had surged tremendously.

Almost at this moment, Ye Feng immediately rushed towards Xiao Tianshen's clone and punched it out hard.

"Stubborn!"

At this moment, Xiao Tianshen's clone roared, and the power of the demon god's corpse instantly burst out.

Boom! !

Almost at this moment, a terrifying roar erupted in the entire wilderness, full of unparalleled terrifying destructive power and aftermath power.

At this moment, Xiao Tianshen laughed loudly: "Ye Feng, no matter how powerful your body is, it is impossible to fight against the corpse of the devil god. You must know that this is the corpse of an ancient god. Even if it is He has been dead for many years, and now he has been refined by me, and he can explode with unparalleled power! It is not something that a mere mortal like you can resist! It is impossible for me, Xiao Tianshen, to die like this!"

But at the next moment, when Ye Feng's fist struck the fist of Xiao Tianshen's clone, Xiao Tianshen immediately felt an irresistible force, and it was instantly bombarded from Ye Feng's fist.

boom!

Xiao Tianshen felt as if he was struck by lightning and flew backwards in an instant.

Even the corpse of the Demon God was unable to withstand Ye Feng's terrifying fist at this time.

Because there was actually a glowing gem floating in Ye Feng's fist at this time, providing Ye Feng with unparalleled power.

Xiao Tianshen immediately couldn't help but took a dozen steps back, his eyes were very gloomy, and he said loudly: "Brute Power Gem! I didn't expect that you have completely mastered the Brute Power Gem and exploded with such terrifying power!"

Ye Feng smiled coldly, walked towards Xiao Tianshen step by step, and said aloud: "So I say that you will definitely die today. You will never be able to escape again. Whether it is your original body or your clone, you will be completely destroyed today." Disappear from this world and be completely wiped out!"

Almost at the moment Ye Feng finished speaking, Ye Feng directly inspired the power of the Supreme Lord of the Rings on his finger.

Then cooperate with your own Dzogchen cultivation state.

Coupled with the dominance power stimulated by the brute force gem!

It directly exploded with the most peak destructive power!

"Boom!"

The terrifying wave of destruction instantly enveloped Xiao Tianshen's entire clone.

"ah!"

Xiao Tianshen immediately let out a painful scream, and his entire body was shattered inch by inch.

Then his whole body was beaten to pieces and fell to the ground.

Completely dead!

This time Xiao Tianshen really fell completely!

Whether it is the original body or the clone, all of them have been completely wiped out of this world! ...

And just when a group of super strong men in the Northern Immortal Palace completely wiped out Xiao Tianshen, the chaotic demon commander.

In the direction of the mountain behind the Temple of Heaven, a sneaky figure flew out from the mountain behind.
