Chapter 2591 Goodbye

When Zhuque heard what Ye Feng said, there was a hint of surprise in his eyes, and he couldn't help but said: "Leng Qingxue, this is a good name. I thought he was your martial arts partner, but I didn't expect it to be you." "Master."

Hearing what Suzaku said, Ye Feng just smiled and didn't say much.

But at this moment, Suzaku suddenly asked: "Your master, that Leng Qingxue, is she beautiful?"

"Forehead."

There was a hint of surprise in Ye Feng's eyes. He stared at Suzaku beside him and couldn't help but said, "Why did Senior Suzaku ask this?"

Suzaku's eyes flickered, and a cold voice sounded, saying: "It's just boring, just ask." ??

Ye Feng nodded and said: "Master Leng Qingxue is very beautiful, has a very good temperament, belongs to the cold type, and he was very good to me as his apprentice back then."

When Zhuque heard what Ye Feng said, his eyes flickered slightly, and then he said aloud: "My cultivation is sealed now, so I can only be in the form of a little sparrow temporarily. If I restore my cultivation and break the seal, I can transform into a little sparrow." For the human form, she is also a beauty with a cold temperament, which is absolutely stunning."

When Ye Feng heard what Suzaku said, there was a hint of astonishment in his eyes. He didn't expect that Suzaku would say such a thing.

Seeing Ye Feng's reaction, Suzaku immediately said with a hint of inexplicable meaning in his tone, and couldn't help but said: "What's wrong? Ye Feng, don't you believe it?"

Ye Feng immediately shook his head and said, "I believe that just by listening to your cold voice, Senior Suzaku, I know that you are aloof."

When Zhuque heard what Ye Feng said, a trace of satisfaction immediately appeared in his little eyes, and he said loudly: "Ye Feng, believe me, when I successfully transform into a human form, you will definitely be amazed. "

At this time, Zhuque finished speaking. Ye Feng nodded slightly, but did not say anything about this.

No matter what the issue was, he said aloud: "Let's leave this underground ancient mythical beast ruins now. There is nothing left to explore around here."

Ye Feng had already made a decision in his heart at this time. He was going to Tiandao Sect to find his master Leng Qingxue.

In addition to being able to temporarily settle down among the quite powerful force of Tiandao Sect, he can practice silently and accumulate strength.

Another reason is that Ye Feng wants to learn an upgraded version of the Little Fate Technique, which is the Great Fate Technique, from his master Leng Qingxue.

At this time, Ye Feng was thinking in his heart, and the small figure of Suzaku flew onto Ye Feng's shoulder, and then said loudly: "Next, I want to go to Tiandao Sect with you."

When Ye Feng heard what Suzaku said, a hint of surprise appeared on his face, and he couldn't help but said, "Senior Suzaku also wants to go to Tiandao Sect?"

Ye Feng originally thought that Suzaku and himself would choose to leave after exploring the underground ancient beast ruins.

But what he didn't expect was that Suzaku would go to Tiandao Sect with him.

Suzaku glanced at Ye Feng at this moment, and then said aloud: "Tiandao Sect is also a quite powerful sect in this edge area of the center of the God Realm, and this Tiandao Sect is very mysterious. He has a very powerful inheritance called the Great Destiny Technique, which is envied by many other forces. However, even the super overlord forces in the center of the God Realm have never waged war against the Tiandao Sect, so it shows that the Tiandao Sect The background is

absolutely terrifying. My cultivation is sealed now, so it may be quite dangerous wherever I go. I might as well practice with you, Ye Feng."

Ye Feng heard Zhuque say this,

After thinking for a while, he nodded and said loudly: "Okay, if an ancient divine beast like Senior Suzaku is willing to follow me, I will naturally not refuse."

Ye Feng knew very well that as long as Suzaku continued to unlock his seals and the seals continued to loosen, the power Suzaku could exert would become stronger and stronger.

At this time, Suzaku said: "Ye Feng, although I am already tens of thousands of years old, I am not that old in our Suzaku clan. I should be about the same age as you in your human clan, so don't always call me I, Senior Suzaku, sound like the same old person, please call me Sister Suzaku from now on."

Sister Suzaku?

Ye Feng looked at the little red sparrow on his shoulder, and the corner of his mouth twitched slightly.

This title sounds a bit strange, after all, the other party is an ancient beast.

But since Zhuque said so proactively, Ye Feng naturally would not refuse, and then said directly: "Sister Zhuque."

When Zhuque heard Ye Feng call him such a name, he immediately beamed with joy and couldn't help but said: "Sister, I will undo all the seals in the future and regain the power of the ancient mythical beast Suzaku. When the time comes, sister, brother Ye Feng, you will be popular." You drinker, in the center of the God Realm, if anyone dares to mess with you, my sister will kill him!"

At this moment, Suzaku spoke in a very bold and domineering tone.

This made Ye Feng's eyes reveal a hint of surprise.

I didn't expect that Suzaku had such a generous side.

However, it may also be because Zhuque is now very familiar with Ye Feng, and everyone has trust in each other, so Suzaku no longer has to maintain the cold goddess style when they first met, but has become quite Outspoken, like a big sister.

Ye Feng responded to this

Naturally, he was quite happy. After all, it was very good to have such a good relationship with an ancient mythical beast, Zhuque.

At this time, Ye Feng and Zhuque chatted with each other, and soon walked out of the ancient mythical beast ruins space and returned to the ground.

At this time, the temple on the ground was still surrounded by layers of Wang family guards wearing armor, and the guards were strict. No one disturbed them.

At this time, after Ye Feng and Zhuque came out, Wang Tianya, the head of the Wang family, was waiting outside.

When Wang Tianya saw Ye Feng coming out, he immediately showed joy in his eyes, and hurriedly stepped forward and asked: "Young Master Ye Feng, are there really ancient ruins under the ground?"

Ye Feng nodded, smiled and patted Wang Tianya on the shoulder, and said: "There is indeed an ancient ruin of a mythical beast under here. Although I have obtained the most precious thing, you can send members of your Wang family to search this ancient ruins. You should be able to find a lot of things that can be very useful to ordinary families like yours. Perhaps your Wang family will be completely transformed because of this."

Ye Feng's words at this time are not arrogant, because at Ye Feng's current level, he is indeed qualified to say such words.

The things that Ye Feng despises may be treasures for ordinary small families like the Wang family.

At this time, Wang Tianya, the head of the Wang family, smiled happily when he heard Ye Feng say this. He immediately bowed to Ye Feng and said respectfully: "Thank you for your advice, Master Ye Feng."

Ye Feng nodded slightly at this time, then walked out of Liehuo City and said: "Let's say goodbye here. I will leave Liehuo City and go to other places next."

Wang Tianya bowed again when he saw Ye Feng leaving, and said respectfully: "Farewell, Master Ye Feng!"

Chapter 2592 Arriving at Tiandao Sect

After Ye Feng left the Fiery City, he headed north.

According to Suzaku, Tiandao Sect is located in the northern direction of Fiery City.

So at this time, according to what Zhuque said, Ye Feng was heading north towards Tiandao Sect.

On the way, Ye Feng couldn't help but asked: "Sister Zhuque, have you been to Tiandao Sect before?"

"Been there."

The little red sparrow standing on Ye Feng's shoulder said with a smile: "I haven't been here specifically. Before my cultivation was sealed, I traveled throughout the center of the God Realm and sensed the breath of destiny, so for the way of heaven I still have some impression of this small sect."

Hearing what Zhuque said, Ye Feng's eyes suddenly showed a look of surprise, and then he couldn't help but said: "I'm a little curious, sister Zhuque, who sealed your cultivation?"

This question has always been in Ye Feng's heart.

Because Ye Feng knew very well that the strength of an ancient beast like Suzaku must be very terrifying.

Who is so terrifying and possesses such terrifying strength?

He was actually able to seal the entire body of a terrifying Suzaku.

It was really terrifying to the extreme.

At this time, Ye Feng's eyes showed deep curiosity.

When Ye Feng heard this question, Suzaku's eyes suddenly flashed slightly.

Then Suzaku was silent for a while.

Seeing Zhuque's silence, Ye Feng said: "This is a private matter. It's okay if you don't tell me. I'm just curious to ask."

Suzaku nodded slightly, with a sigh in his beautiful eyes, and said, "Thank you for your understanding. I will tell you when the time comes."

Hearing what Suzaku said, Ye Feng immediately nodded and said, "Okay."

In the following time, Ye Feng concentrated on his way.

I have to say that the land at the center of the God Realm is too vast and vast.

Even with Ye Feng's current cultivation level, he had been traveling for nearly several months before finally arriving at Tiandao Sect.

Tiandao Sect stands among countless mountains.

The mountains are very towering and vast, and they look full of majestic momentum.

At this moment, Ye Feng suddenly felt a sense of boundlessness.

At this time, Suzaku stood on Ye Feng's shoulder and said slowly: "We are about to arrive at the gate of Tiandao Sect. Do you have any certificates with you? Otherwise, you may be expelled."

Ye Feng smiled and said: "Don't worry, Master Leng Qingxue gave me her identity token when she guided me to the center of the God Realm. I just need to take out Master's identity token. No problem."

After finishing speaking, Suzaku nodded slightly, and then said: "Okay."

At this time, Ye Feng slowly walked forward and came to the gate of Tiandao Sect.

The gate of Tiandao Sect is entirely made of white jade and looks very noble and majestic.

The surface of the white jade door is engraved with various ancient patterns and symbols, which seem to contain a mysterious power.

When Ye Feng approached, the white jade gate suddenly emitted strong rays of light, directly forming a strong man exuding a powerful aura on the spot.

This strong man's body is extremely majestic

He Haohan, holding a big ax made of energy in his hand, blocked Ye Feng's path and made a majestic voice: "This is the Tiandao Sect area, and no one can get close to it."

Ye Feng said aloud: "I came here to join the Tiandao Sect."

When Hercules heard this, he immediately said: "Now is not the time for our Tiandao Sect to recruit new disciples. If you want to join our Tiandao Sect and become a disciple, you can wait half a year before coming here."

"Half a year?"

Ye Feng's eyes showed a look of surprise, he didn't expect to have to wait so long.

But Ye Feng knew that he couldn't wait so long.

At this time, Ye Feng could only take out the identity token given to him by his master, Leng Qingxue, and then said loudly: "This is the identity token given to me by an acquaintance of mine. It should allow me to join Tiandao Sect in advance. ?"

This strong man composed of energy took Leng Qingxue's identity token from Ye Feng's hand. After examining it, his eyes suddenly showed a trace of awe, and he couldn't help but said: "This is the true inheritance of our Tiandao Sect. Disciple's identity token! You are actually an acquaintance of our Tiandao Sect's true disciple? It seems that your identity is very unusual. This identity token is real."

"True disciple?"

After hearing what this strong man said, Ye Feng's eyes showed surprise.

Unexpectedly, his master, Leng Qingxue, turned out to be a distinguished true disciple among a sect like Tiandao Sect, which is the center of the divine world.

Ye Feng immediately said out loud at this time: "In that case, can I go in?"

Hercules shook his head and said loudly: "I need to verify the authenticity of this identity token first to make sure that you and the true disciple of this identity token really know each other."

Ye Feng nodded and said: "That's no problem, then go and ask as soon as possible. Just say I am Ye Feng."

"Ye Feng?"

Hercules nodded and said aloud: "I understand."

At this moment, after the strong man finished speaking, he immediately turned into a ray of energy and disappeared into the area behind the gate of Tiandao Sect.

Soon the strong man reappeared in front of Ye Feng, and then said aloud: "I have verified your identity token, and it is correct. Lord Leng Qingxue said that you should join our Tiandao Sect directly, but Leng Qingxue Sir, I don't have time to see you now. She asked me to bring you a message, saying that you should first join the Tiandao Sect and practice for a period of time. Sir Leng Qingxue is currently in seclusion to comprehend a very powerful inherited secret technique. She will not be able to do it until the seclusion is over. Come out to see you."

When Ye Feng heard what the strong man said, he immediately nodded and said: "Retreating to practice inheritance is very important. Don't disturb Leng Qingxue anymore. Then I will join Tiandao Sect directly now."

Hercules nodded, then stretched out his hand, and an identity token suddenly condensed in his palm, with the word "Ye Feng" engraved on it. He then handed it to Ye Feng and said loudly: "With this After obtaining the identity token, you will be a disciple of our Tiandao Sect from now on, and you will be able to enter and leave our Tiandao Sect freely in the future. However, for the time being, your status can only be that of the lowest outer disciple. When Lord Leng Qingxue comes out, you can let Leng Qing Xue, the true disciple, will help you improve your status as a disciple."

Ye Feng took the identity token, smiled and said, "Okay, thank you very much."

Hercules nodded slightly, and then his whole body instantly turned into an energy body and reintegrated into the surrounding formation. After Ye Feng left the Fiery City, he headed north.

According to Suzaku, Tiandao Sect is located in the northern direction of Fiery City.

So at this time, according to what Zhuque said, Ye Feng was heading north towards Tiandao Sect.

On the way, Ye Feng couldn't help but asked: "Sister Zhuque, have you been to Tiandao Sect before?"

"Been there."

The little red sparrow standing on Ye Feng's shoulder said with a smile: "I haven't been here specifically. Chapter 2593 Map of the Central Hall

At this moment, Ye Feng was looking at the identity token in his hand, with a hint of joy in his eyes.

Because I didn't expect that it would be so easy to enter Tiandao Sect.

But it was also because of Leng Qingxue.

Otherwise, Ye Feng knew that even if he was talented enough to join Tiandao Sect, he would have to wait until half a year later.

At this moment, Ye Feng had no special feelings about joining Tiandao Sect and becoming an outer disciple.

Because for Ye Feng, his identity is not very important. What is important is that he can practice in Tiandao Sect. ??

At this time, Ye Feng walked into Tiandao Sect and immediately saw towering and boundless buildings built in the mountains.

Each building is cast from a very special material, with many lines imprinted on the surface, exuding mysterious energy.

Ye Feng could feel that the entire Tiandao Sect seemed to be imprinted with a very special spiritual pattern, which could echo the power of the entire world and then exude powerful defensive power.

Even if a super strong man suddenly attacks the entire Tiandao Sect, all the buildings in the Tiandao Sect can react in an instant, release the power of the formation, and even induce the extremely powerful energy of heaven and earth for defense.

At this time, Ye Feng was walking in Tiandao Sect, and Suzaku said on his shoulder: "What are your plans next?"

Ye Feng said with a smile: "Since you have already joined the Tiandao Sect, you can practice in the Tiandao Sect for a period of time with peace of mind."

Suzaku nodded and said loudly: "There is no big benefit in going to those super powerful forces for your temporary cultivation. You may be bullied by others. Now you can practice in this Tiandao Sect with peace of mind. When you reach a certain level of cultivation, When you reach the realm, you can leave Tiandao Sect. After all, Tiandao Sect is only a second-rate sect in the center of the God Realm. It is not a first-rate sect, let alone those in the middle area of the center of the God Realm.

Super overlord and powerful force, but now your realm is the best to cultivate here. "

Ye Feng nodded, with deep fighting spirit in his eyes, and said loudly: "Okay, I'm not in a hurry now, just take your time, there's still a long way to go."

For Ye Feng, his number one enemy in the center of the God Realm is the Lord of Chaos in the Holy Land of Chaos, as well as the Chaos God King and Chaos Prince of the Chaos God Clan.

To deal with these two mountain-like enemies, Ye Feng naturally cannot rush for quick success now. He needs to lurk quietly for a period of time and raise his strength to a very powerful level before he can go and deal with these two number one enemies.

At this time, Ye Feng secretly planned in his heart, and then, through his identity token, found the living area of the disciples outside Tiandao Sect.

Ye Feng sensed a lot of powerful auras along the way. Obviously, this Tiandao Sect is still a worthy place for Ye Feng to practice, because although Tiandao Sect is a second-rate force, its strength and foundation are still very rich.

At this time, under the slight induction of powerful soul power, Ye Feng could feel that his current cultivation strength was probably comparable to the inner disciples in Tiandao Sect.

In other words, Leng Qingxue is now a true disciple of Tiandao Sect and must be better than himself.

Ye Feng couldn't help but sigh in his heart. The identity of the master back then must have been very extraordinary. Otherwise, he had made so much progress, but there was still some gap between him and the master Leng Qingxue.

At this moment, after Ye Feng found the living area where his outer disciples lived, he rushed to the central hall of Tiandao Sect without stopping.

Suzaku stayed in the residential area.

Because Ye Feng said that he was going to practice around Tiandaozong for a period of time, and might have to enter the dangerous wilderness outside.

Suzaku didn't have much interest in going out to experience, so Suzaku chose to stay in the living area, just in time to refine the hell flames she had swallowed before.

At this time, Ye Feng came to the central hall of Tiandao Sect, naturally to look for the map around Tiandao Sect.

After all, a sect force like Tiandao Sect, in order to facilitate the disciples to experience in the surrounding area, will definitely ask the super strong people in the sect to draw a detailed map of the surrounding land, so that the disciples can go to certain areas to conduct experiments on their own. .

After Ye Feng arrived at the central hall of Tiandao Sect, he immediately saw the place where the map was sold.

He walked over directly and asked loudly: "How do you sell this kind of map?"

But the old man standing behind the map sales point smiled and said, "Show me your identity token."

Ye Feng nodded and took out his identity token.

After the old man took Ye Feng's identity token and sensed it, a look of surprise suddenly appeared in his eyes: "Are you a new disciple of our Tiandao Sect?"

Ye Feng nodded, smiled and said: "Yes, I am an outer disciple who just joined Tiandao Sect today."

The old man behind the counter nodded, then showed a trace of solemnity on his face, and said loudly: "I don't recommend that newcomers leave the sect directly and go to the extremely dangerous areas outside to practice, because the probability of death is really high. It's too high. I suggest that you new disciples should practice in some special training squares in our sect and improve your cultivation level before going out to practice."

Ye Feng just smiled and hugged the old man's suggestion.

He clasped his fists and said loudly: "Thank you elder for the reminder, but I still want to go out and practice, because only in blood and fire can a truly strong person be trained."

Hearing Ye Feng say these words, the elder behind the counter was stunned for a moment, then laughed and said: "You are a bloody boy, very good, then I will give you this map for free, no. You need to spend money to buy it."

At this time, the elder said, taking out a very detailed map from the counter, and said aloud: "This map is the most comprehensive map. The trial areas have been marked from low danger to high danger. You, a newcomer, can start practicing in areas with lower risks. Don't go to high-risk areas first, otherwise you will most likely die before entering the trial area."

Ye Feng immediately nodded and said with a smile: "Thank you, elder, for the gift."

After Ye Feng finished speaking, he immediately took the map from the elder's hand.

After thanking him, Ye Feng took the map and walked outside.

At this moment, many new disciples of Tiandao Sect around were looking at this scene with surprised eyes.

Because they all know that this old man who sells maps is a famous stingy in Tiandao Sect.

But I didn't expect that today, for the first time, a new disciple was given a map for free, and it was also the most detailed and expensive map in the final version.

It's really surprising.

However, at this time, the elder who was selling the map looked at Ye Feng's retreating back, with a slight smile in his old eyes, and murmured, "He is an interesting boy, with the aura of little destiny magic in him. This is our sect." The elementary version of the most mysterious Great Destiny Technique. It seems that this boy has an inexplicable relationship with the clan leader, which is interesting. "

Chapter 2594 Savage Cave

After leaving the sect, Ye Feng held the map in his hand and watched it carefully.

This map is indeed as the elder who sold the map said before. It marks the difficulty of each experience area.

At this time, Ye Feng would naturally not risk going directly to the most dangerous training area.

Because it's simply not necessary now.

Because Ye Feng's current level of cultivation is at most comparable to those of those who have just become inner disciples in the Tiandao Sect.

So when it comes to being powerful, it's not that powerful.

If you rush to that extremely dangerous area, you may indeed fall into endless danger.

So at this time, Ye Feng carefully looked at the slightly lower difficulty trial area on the map.

I have to say that the upper echelons of Tiandao Sect provide very good services to their disciples.

Because in this map, each area is marked in detail what dangers there are and what kind of resources it has.

This is of great benefit for new disciples to go outside for training.

If he had not joined the Tiandao Sect, perhaps Ye Feng would have been able to just practice without knowing what he was getting into.

But with the map obtained from Tiandao Sect, Ye Feng could clearly understand the area he was about to go to, exactly where it was.

In this case, you can go to an area that is more suitable for your trial.

Ye Feng saw many ancient ruins or lost civilizations on the map.

But Ye Feng doesn't want to go to these places now because they are extremely dangerous.

It is even possible that there are ancient heroic spirits that have not completely died and may continue to revive.

In that case, with Ye Feng's current cultivation strength, he would not be able to fight against it.

So what Ye Feng wants to do now is to continuously accumulate energy to strengthen his skills and cultivation.

In the end, Ye Feng chose the trial area that suited him best, which was a lost

Wild cave.

In this barbaric cave, there are various lost civilizations of underground races.

Moreover, some super strong men from the Tiandao Sect have already investigated and found that the danger level in this wild cave is not high.

Most of the people living in this wild cave are underground races with special bloodlines, such as orcs, various evil beasts, etc.

In addition, since the wild caves are inaccessible, there should be a lot of elixirs of heaven and earth growing there, as well as many treasures left behind by lost civilizations, etc.

Therefore, some disciples of the Tiandao Sect, or disciples of other major forces and sects around the Tiandao Sect, entered the wild caves and obtained very good inheritance and chance fortunes, and suddenly became extremely powerful, equivalent to Soar.

At this time, Ye Feng walked out of Tiandao Sect. According to the map in his hand, he quickly traveled through a large wilderness and swamp and came to a dense jungle.

The entrance to the Savage Cave is somewhere in this dense jungle.

At this time, Ye Feng carefully compared the map in his hand, and soon came to the entrance of the Wilderness Cave.

Surrounding this entrance is a huge mountain.

There is a natural stone cave in the center of this mountain.

Uh-huh!

Ye Feng ducked into the cave and immediately saw a large area of stalactites in the cave.

At this time, Ye Feng's eyes showed a hint of surprise. Each of these stalactites emitted a strange light inside the mountain, and they looked extremely beautiful.

At this moment, Ye Feng used his soul power to investigate and found that these stalactites were ordinary stalactites. They looked extremely beautiful, but to practitioners, they had no special value.

At this time, Ye Feng immediately identified a direction and quickly rushed towards the bottom of the wild cave.

Soon Ye Feng arrived at the end of the mountain.

Ye Feng immediately saw that there was a hole leading underground in this end area.

Uh-huh!

Ye Feng jumped into the pit and fell rapidly in an instant.

Half an hour later, Ye Feng finally fell to the ground.

There is no sky here, and the top is an endless stone wall.

Surrounded by the vast land, there are countless ancient trees growing, and there are vague roars in the distance, which looks extremely majestic and magnificent.

This is obviously a vast underground world!

It exudes an ancient and wild atmosphere.

At this time, Ye Feng saw that in this wild cave, there were many plants growing, all of which were emitting light.

Therefore, the entire wild cave did not feel as dark as imagined, but was very bright.

At this time, Ye Feng officially entered the wild cave.

Buzz!

At this time, Ye Feng exuded soul power, trying to find powerful power fluctuations.

Whether it's a powerful beast in a wild cave or some ancient trees.

For Ye Feng, they are all of great significance.

Because Ye Feng now wants to become stronger quickly, accumulate foundation, and expand his skills, he must find an existence with majestic vitality to devour.

"Buzz!"

At this moment, Ye Feng's huge 40,000-level soul power was released all at once.

In Ye Feng's mind, the soul power suddenly spread out like an invisible ocean.

"Um?"

Almost at this moment

, Ye Feng suddenly sensed a very powerful evil spirit coming from a certain direction not far away.

Moreover, such a powerful demonic energy was quickly attacking him from a not-so-distant direction.

Ye Feng suddenly showed a trace of surprise in his eyes, and couldn't help but murmured, "I didn't expect that a powerful monster came to the door just after I investigated."

At this moment, Ye Feng murmured and immediately saw that in a certain area in the northwest, an extremely strong demonic aura was almost approaching him.

"boom!"

And almost at this moment, a huge cloud of smoke suddenly exploded in the jungle not far away.

Rumble...

As big trees fell rapidly, a huge monster covered with golden scales suddenly appeared in Ye Feng's field of vision.

This is a monster beast whose race is unclear. Its body is as majestic and vast as a mountain, and its entire body is covered with golden scales, like a set of solid armor, covering the entire huge monster beast. .

At this moment, Ye Feng suddenly sensed that the demonic cultivation of this huge demonic beast was even more powerful than his current state.

This monster with golden scales is clearly a powerful creature with the perfect cultivation of the tenth level of Taoism and Nature!

Facing this extremely powerful monster with golden scales, Ye Feng's eyes not only showed no fear, but also showed deep excitement.

Because the more powerful the monster, the more powerful and majestic the energy it brings to Ye Feng after it is defeated.

At this time, Ye Feng was very happy that he came to the center of the God Realm.

Because if he was still in the Four Border Realms, it would be impossible for Ye Feng to improve so quickly, because he would not be able to find more powerful enemies and training resources.

But the resources of the land at the center of the God Realm were extremely huge, which made Ye Feng very excited.

Chapter 2595 Chase

"Roar!!"

At this moment, the monster with golden scales on the opposite side suddenly let out a terrifying roar at Ye Feng.

At this time, Ye Feng's eyes instantly showed a deep cold look. He stared at the monster with golden scales on the opposite side and said loudly: "It seems that the first one to enter this wild cave is It's you who will be killed."

boom!

Almost as soon as the words fell, Ye Feng suddenly burst out with a huge and boundless momentum.

"Boom!"

At this moment, Ye Feng's body suddenly erupted into a terrifying and boundless wave of flames.

This is the powerful inheritance that Ye Feng has learned before, Fengming Jiutian!

It is the inheritance of the ancient Phoenix Clan.

"boom!"

Almost at this moment, Ye Feng suddenly punched out a fist, and all of a sudden, infinite and terrifying flames burst out from that fist.

This terrifying power of flames immediately condensed into a huge flame phoenix on Ye Feng's fist, full of terrifying impact and destructive power.

"Boom!!"

At this moment, a huge roar suddenly sounded throughout the entire field.

The next moment, Ye Feng immediately hit the monster with golden scales with a fist.

"when!"

But what surprised Ye Feng was that the scales of this golden scale monster were like extremely strong armor, and could withstand Ye Feng's terrifying flaming fist.

You know, Ye Feng's punch used the powerful inheritance of the Phoenix clan.

It's really awesome.

The destructive power is absolutely astonishing.

But it still didn't break through the scales of this golden-scale monster.

It has to be said that the strength of this golden scale monster is really terrifying.

And the physical defense is really terrifying.

"boom!"

And at this moment, the golden-scale monster stretched out a monster claw that seemed to be made of pure gold, and suddenly grabbed Ye Feng's body fiercely.

"boom!!"

Along with a huge roar, a terrifying force instantly erupted from the monster's pure gold claws, instantly blowing Ye Feng away.

"Crash!"

Ye Feng was blown away, and his whole body was like a broken sack. He was blown to the ground in the distance, directly smashing towering trees, and then smashed hundreds of mountains before finally stopping. .

Ye Feng was buried in the ruins.

"boom!"

But the next moment, Ye Feng rushed out of the ruins, looking a little embarrassed, but not injured.

Ye Feng's eyes were bright and he couldn't help but laugh: "What a powerful monster! It is indeed the center of the God Realm. The creatures born here are very powerful!"

If Ye Feng had faced such an evil beast before, which was several heavens taller than him, he would have definitely been able to kill it with one punch.

But now, Ye Feng discovered that he and this golden-scale monster were fighting equally.

This made Ye Feng very surprised. Sure enough, the central land of the God Realm was worthy of being the central land of the God Realm. The creatures bred between heaven and earth were all extremely powerful in origin.

"Gem of Brute Strength!"

"Six Paths of Reincarnation Fist!"

At this moment, Ye Feng stopped testing anything, and instead unleashed his most powerful fist in an instant.

In this punch, Ye Feng used his two trump cards.

One is the brute force gem, which can provide Ye Feng with endless brute force.

The other one is six

Dao Reincarnation Fist is a terrifying boxing technique from the outside world of origin, full of extremely terrifying destructive power.

Now that Ye Feng has understood the Six Paths of Samsara Fist, he is still at the second level, so he can burst out four times the power of his fist in an instant.

You must know that Ye Feng's punch, in addition to four times the power of the fist, is also blessed by the brute force gem, plus the artistic conception of six paths of reincarnation.

This punch was simply terrifying to the extreme.

"Boom!"

Almost at this moment, Ye Feng's fist immediately erupted with a terrifying light of destruction, full of terrifying destructive power.

At this moment, the golden-scaled monster seemed to feel mortal danger.

"boom!"

This golden-scale monster immediately opened its mouth and spit out a pure golden energy beam, which suddenly collided with Ye Feng's punch.

"Boom!"

The terrifying wave of destruction swept across the entire Bahuang in an instant.

The next moment, in the horrified gaze of the golden scale monster, Ye Feng's punch directly shattered the pure golden energy beam it sprayed out, and then hit the golden scale monster hard. on the body.

"Click, click..."

This time, Ye Feng's fist was like the sharpest spear in the world. He finally broke through the scale armor on the body of this golden scale monster. In an instant, he blasted through the body of this golden scale monster and directly knocked this golden scale monster away The entire body of the scaly monster was penetrated.

"howl!"

The golden scale monster immediately let out a scream of extreme pain.

At this moment, Ye Feng's eyes lit up with joy.

This punch penetrated the body of the golden-scaled monster and must have caused huge damage to the golden-scaled monster.

"Uh-huh!"

But just when Ye Feng felt that this golden-scaled monster was going to fight him desperately, the severely injured golden-scaled monster suddenly turned around and flew away quickly towards the rear.

This ferocious golden scale monster actually escaped?

"You're so spineless that you just ran away instead of fighting me?"

When Ye Feng saw this scene, he was stunned for a moment, then laughed loudly: "You can't run away! Be obedient and become the nourishment for my practice!"

boom!

At this moment, Ye Feng activated the power of the space gem and blessed his steps. Suddenly, his body movements were many times faster and he chased after the escaping golden scale monster.

Ye Feng's speed was very fast. In less than half an hour, he had already chased nearly hundreds of thousands of kilometers and arrived at a relatively deep area of this wild cave.

At this time, the golden scale monster was still running away quickly. There was a layer of golden light on the surface of its body, making it very fast. It seemed to be a racial talent.

At this moment, Ye Feng was chasing behind him, with a look of surprise in his eyes, "I didn't expect this monster's vitality to be so tenacious."

boom!

But at this moment, the golden-scaled monster suddenly jumped into a small valley ahead.

And at the next moment, Ye Feng saw that there were guards wearing black armor standing in this valley.

These guards surrounded a young man wearing a black robe.

This young man was obviously of extremely noble status, exuding pure demonic energy, and seemed to be a practitioner of the demonic path.

Almost at this moment, this distinguished young man in black robe saw the body of the golden-scale monster that had been penetrated, and his eyes suddenly became extremely angry: "Who is it? Dare to hurt my mount to this extent. ? I want to cut him into pieces!"

Chapter 2596 The third level of artistic conception

At this time, Ye Feng looked at the angry young man in black robe in the valley, with a hint of surprise in his eyes.

He never expected that this golden-scale monster was not a wild monster, but a pet beast raised by others.

At this time, the young man in black robe immediately stared at Ye Feng not far away, his eyes suddenly burst out with terrifying and cold murderous intent, and said loudly: "Did you hurt my mount? "

Ye Feng said aloud: "It attacked me first, so naturally I have to resist."

When the young man in black robe heard what Ye Feng said, his eyes immediately boiled with murderous intent. He smiled cruelly and said: "Don't you know, this rare golden-scaled leopard is only owned by this young master in the nearby area, the Ninth Young Master of the Demon Sect who has always hated the Demon Sect?" ?"

Everlasting hatred for the Demon Sect?

Ninth Young Master?

Ye Feng's eyes showed doubts, he shook his head and said: "The Demon Sect of Everlasting Hatred? Never heard of it."

"presumptuous!"

Beside the young man who claimed to be the Ninth Young Master of the Everlasting Hatred Demon Sect, a group of powerful guards in black armor immediately shouted: "You are so presumptuous! Our Everlasting Hatred Demon Sect is one of the most powerful demonic forces in the nearby area. How could you not have heard that even the Tiandao Sect does not dare to confront our Everlasting Hatred Demon Sect head-on!"

When Ye Feng heard what the black-armored guard said, his eyes suddenly showed a look of surprise.

It seems that the Everlasting Hatred Demon Sect is a powerful force on the same level as his current Tiandao Sect, and they are both powerful sects in the area.

At this time, Ye Feng's eyes showed a trace of surprise. He didn't expect that by such a coincidence, he would meet the Ninth Young Master from the Everlasting Hatred Demon Sect.

At this time, not far away, the Ninth Young Master of the Ever-Hateful Demon Sect stared at Ye Feng coldly, with a cold tone, and said: "Now that you know my identity, why don't you hurry up and kneel in front of me?" Admit your mistake? Maybe if I am in a better mood, I will spare your life as an ant."

"boom!!"

But at this time

, Ye Feng suddenly took action.

He didn't bother to talk nonsense at all, and just erupted into a terrifying wave of power.

"What?!"

"This kid knows our identities, and he still dares to attack us?!"

At this moment, all the bodyguard masters who had always hated the Demon Sect present had deep astonishment on their faces.

But what frightened them the next moment was that Ye Feng's fist and the destructive light wave erupted were so terrifying that they could kill the dozen or so guards standing at the front in one fell swoop. All were killed by bombing.

"What?!"

This scene shocked the remaining people even more.

At this moment, Ye Feng blew the blood from his fist, smiled cruelly, and said: "There is so much nonsense, why don't I kill you all!"

Boom!

At this moment, Ye Feng once again burst out with terrifying power. Like a ferocious and boundless humanoid beast, he rushed into the crowd in front of him and punched out with punch after punch.

Ye Feng knew that there was no possibility of compromise in the face of this arrogant and domineering Ninth Young Master of the Everlasting Hate Demon Sect.

So it's better to kill him directly!

"This boy is so brave!"

"It's so abominable!"

"Hurry up and resist!"

At this moment, the Ninth Young Master, who had always hated the Demon Sect, immediately shouted in fright and anger.

"boom!"

"boom!"

"boom!"

Almost at the next moment, all the masters of the Everlasting Hatred Demon Sect were

Everyone began to erupt in horrific attacks.

Each of their cultivation levels are at the ninth level of the Taoist Natural Realm, which is higher than Ye Feng's cultivation level.

At this moment, powerful attacks burst out one after another, naturally full of destructive frenzy.

The power is still very amazing.

At this time, the Ninth Young Master of the Everlasting Hate Demon Sect immediately laughed cruelly: "You all take action, this despicable boy who doesn't know where he came from is definitely dead!"

"Boom!!"

At this moment, Ye Feng also punched dozens of masters from the Everlasting Hatred Demon Sect.

What shocked everyone was that Ye Feng's punch actually canceled out all the combined attacks of dozens of masters from the Everlasting Hatred Demon Sect.

At this time, Ye Feng suddenly shouted: "Nine-Nine Supreme Domain!"

boom! boom! boom.....

Almost at the moment when Ye Feng released the Nine-Nine Supreme Domain, streams of extremely powerful supreme energy bodies appeared around Ye Feng in an instant, each of them exuding the power of the ancient supreme being. It seemed that Very powerful.

At this time, each of the Supremes immediately charged towards the dozens of masters from the Everlasting Hatred Demon Sect in front of them.

Each of these supreme energy bodies is very powerful.

Therefore, even dozens of masters from the Everlasting Hatred Demon Sect were unable to resist at this moment, and were devastated miserably.

"ah!"

"ah!"

At this moment, bursts of screams suddenly erupted across the entire field.

These are all the screams of the masters of the Everlasting Hatred Demon Sect.

Each of them was beaten badly by the supreme beings in the field released by Ye Feng.

There were fractures all over the body, even the limbs were broken, and the head was damaged.

Broken.

At this time, seeing this scene on the field, the originally very aloof Ninth Young Master of the Everlasting Hate Demon Sect suddenly showed deep shock in his eyes.

At this time, the Ninth Young Master of the Ever-Hateful Demon Sect suddenly ran away into the distance, not daring to stay any longer.

Ye Feng saw this scene and immediately laughed out loud: "Ninth Young Master of the Ever-Hateful Demon Sect, I thought you were some kind of peerless genius, but I didn't expect you were just a playboy who could only rely on his own bodyguards to dominate. !"

boom!

At this moment, Ye Feng fiercely punched out a fist, blasting out six reincarnation fists.

"Crash!"

The next moment, a terrifying wave of energy burst out from Ye Feng's fist.

At this moment, the force of this fist was filled with terrifying and boundless destructive power. It suddenly burst out of Ye Feng's fist and immediately bombarded the Ninth Young Master not far away.

At this time, a set of armor emitting dark light immediately appeared on the Ninth Young Master.

This is a very precious protective armor!

At this time, Ye Feng sneered: "Six Paths of Samsara Fist! The third level of artistic conception! Six times the fist intention! Break it for me!!"

After this period of continuous practice, Ye Feng's Six Paths of Samsara Fist artistic conception has been improved to the third level.

Therefore, when Ye Feng punched out at this time, the power of his punch was fully six times greater!

Six times the power of the fist burst out instantly, and it was naturally full of terrifying and incomparable destructive power.

"boom!!"

"Pfft!!"

At this moment, Ye Feng's fist smashed the armor emerging from the body of the ninth master of the Everlasting Hatred Demon Sect, and then continued to bombard with his fist, directly blasting through the body of the ninth master of the Everlasting Hatred Demon Sect.

Chapter 2597 Zhenmen inheritance

At this time, Ninth Young Master's body was penetrated by Ye Feng's fist.

"ah!"

The Ninth Young Master immediately let out an extremely shrill howl.

Uh-huh!

At this moment, the pupils of the Ninth Young Master of the Everlasting Hatred Demon Sect suddenly dilated, and his eyes showed deep shock and anger. He stared at Ye Feng with a look of shock and anger on his face: "You...you You dare to kill me? "Do you know my identity?"

boom!

But the next moment, Ye Feng's fist shook, shattering the Ninth Young Master of the Everlasting Hatred Demon Sect in front of him.

Ye Feng just smiled coldly: "No matter what your identity is, if you offend me, you will die!"

"What?!"

At this moment, the surrounding guards who had always hated the Ninth Young Master of the Demon Sect showed deep shock and anger in their eyes.

"Ninth Young Master was actually killed?!"

At this time, a group of masters from the Everlasting Hatred Demon Sect were all furious: "Boy! How dare you kill our Ninth Young Master from the Everlasting Hatred Demon Sect? You are so audacious, you are dead!!"

boom!

At this moment, Ye Feng just smiled coldly, and a terrifying energy aura suddenly burst out from his body, directly attacking the surrounding guards of the Everlasting Hatred Demon Sect.

"Boom!"

At this time, each of the guards suddenly screamed.

Because they couldn't resist Ye Feng's powerful attack.

You know, Ye Feng's current strength is terrifying to the extreme.

At this time, Ye Feng was like a humanoid beast, full of terrifying killing power.

Every punch Ye Feng strikes can cause terrible destructive power, simply sweeping everything.

Almost in just a few minutes, all the dozens of guards around were killed by Ye Feng.

The entire valley was littered with corpses at this moment.

\u003e

At this time, the only thing left in the entire valley was the majestic golden scale monster standing not far away.

But he had been greatly frightened and was trembling all over.

Because this monster with golden scales never expected that it would escape to its master. It originally thought it could kill Ye Feng instantly, but unexpectedly, it ended up causing a huge disaster.

At this time, Ye Feng instantly released the Devouring Domain.

"Rumble..."

Almost at the next moment, a vast and devouring realm of darkness rushed out of Ye Feng.

In an instant, the entire dark devouring realm directly enveloped the entire valley.

"Crash!"

At this time, the Devouring Domain immediately absorbed all the blood energy in the entire valley into Ye Feng's body.

"Buzz..."

At this time, Ye Feng's skill suddenly began to grow rapidly.

You must know that the group of people killed by Ye Feng were not cats and dogs, but all masters from the Everhate Demon Sect, another powerful demonic force comparable to the Tiandao Sect.

Therefore, the blood energy they provide is extremely rich.

At this moment, Ye Feng suddenly felt that his cultivation skills were growing rapidly.

"boom!"

The eighth level of Taoism's natural realm!

"boom!"

Taoism, the ninth level of nature!

Almost at this moment, Ye Feng's cultivation finally stopped.

But this time, it can be said that it is very good to be able to break through two heavens in a row. It is huge.

Progress has been made.

At this time, the golden scale monster not far away was also devoured alive by the Devouring Domain and turned into a shriveled skeleton.

At this time, Ye Feng ducked to the ground around him and began to explore the storage rings on these people.

You know, this group of people are all the elites of the Demon Sect of Everlasting Hatred, and there is also a Ninth Young Master from the Demonic Sect of Everlasting Hatred.

Soon Ye Feng searched everyone's storage rings.

But after Ye Feng investigated, he found that these people were not wealthy.

However, Ye Feng thought about it. Most of these people were guards and they did not have much wealth.

At this time, Ye Feng looked at the last storage ring in his hand.

This storage ring is the storage ring of the Ninth Young Master of the Demon Sect of Everlasting Sorrow, and it should contain a lot of wealth.

At this time, Ye Feng couldn't help but murmur, "I hope this dandy's storage ring won't disappoint me."

Although the cultivation strength of the ninth son of the Everlasting Hatred Demon Sect is not very strong, he is still the son of the Everlasting Hatred Demon Sect and the son of the leader of the Everlasting Hatred Demon Sect, the Everlasting Hatred Demon King.

So at this time, Ye Feng was quite looking forward to the storage ring of the Ninth Young Master of the Ever-Hate Demon Sect.

At this time, Ye Feng began to explore the space in the Ninth Young Master's storage ring.

"Buzz!"

Almost at the next moment, Ye Feng's eyes suddenly lit up.

Because the space in this Ninth Young Master's storage ring is actually filled with mountains of divine crystals, emitting bright light and looking very wealthy.

At this time, Ye Feng continued to look into the depths of the storage ring space, and immediately saw an ancient book exuding a strong demonic aura, placed in the deepest part of the storage ring space.

At this time, Ye Feng had a thought,

In an instant, he took out the ancient book from the deepest part of the storage ring space and held it in his hand.

After Ye Feng carefully observed it, he discovered that this ancient book turned out to be a set of extremely powerful inheritance from the Demon Sect of Everlasting Hatred.

It's called: "The Nether Finger of Everlasting Hate".

This is a very powerful fingering technique, full of terrifying power.

According to the records in the inheritance books, this set of Everlasting Hatred Nether Finger is a powerful martial arts inheritance created by the Everlasting Hatred Demon Sect's master, the Everlasting Hatred Demon King.

As long as it can be practiced successfully, once it is displayed, countless Nether Fingers can burst out, instantly forming like arrows all over the sky, covering all enemies and causing huge damage.

At this time, Ye Feng held the Nether Finger of Everlasting Hatred in his hand and began to comprehend.

Soon a trace of demonic aura appeared on Ye Feng's body, and the moment Ye Feng stretched out his finger, there was an implication of the Nether Finger of Everlasting Hate, quite a kind of aura displayed by a demon king.

If the Ninth Young Master of the Everlasting Hatred Demon Sect was still alive, he would have been shocked to see Ye Feng comprehending the Nether Finger of Everlasting Hatred in an instant.

Because the Ninth Young Master had been practicing for a long time but could not comprehend it, he could only carry this set of inherited books on the Nether Finger of Everlasting Hate with him and study them at any time. However, he did not expect that Ye Feng would finally succeed.

At this time, Ye Feng had just understood the Nether Finger of Everlasting Hatred and was ready to continue to understand it more deeply.

But the next moment.

"boom!"

A terrifying, vast and powerful momentum descended on the entire valley in an instant.

A middle-aged man wearing golden armor appeared from high in the sky, stepped down, and looked at the corpses on the ground, especially the corpse of the Ninth Young Master of the Everlasting Hatred Demon Sect, his eyes were filled with deep emotion. Shocked and angry, he couldn't help but say: "Little brat! Did you kill the Ninth Young Master of our Everlasting Hate Demon Sect?! Your sins are so heinous!!"

Chapter 2598 The Protector of the Everlasting Hatred Demon Sect

Buzz!

The moment the middle-aged man in golden armor finished speaking, a terrifying and monstrous force suddenly erupted from his whole body.

This terrifying momentum, full of violent killing intent, makes people feel chilled all over, as if the whole person is about to be frozen.

At this time, Ye Feng's eyes showed deep surprise.

The aura of cultivation exuding from this middle-aged man was that of a super strong man who had surpassed the natural realm of Taoism and the unity of all things.

The state of unity of all things is a very terrifying state, surpassing the natural state of Taoism.

At this time, the cultivation aura of this middle-aged man wearing golden armor was clearly that of the third level of the unity of all things.

Beings at the level of the Unity of All Things Realm are very powerful.

It can be seen that this middle-aged man who is in the state of unity of all things is stepping high in the sky. His whole person seems to be integrated with the entire universe, giving the impression that he is full of divine power.

At this time, Ye Feng's eyes showed deep surprise, and he couldn't help but said: "You are also a master of the Everlasting Hatred Demon Sect?"

The middle-aged man's eyes were extremely cold, like a strong demon god. His whole body was exuding a terrifying black light. He stepped down from a high altitude, giving people a great sense of oppression.

The middle-aged man said indifferently: "I am called the Guardian, and I am one of the six guardians of the Everlasting Hatred Demon Sect. You will die today."

boom!

Almost at this moment, the guard, one of the six guardians of the Everlasting Hatred Demon Sect, stretched out a hand and grabbed it in the direction of Ye Feng.

Buzz!

The next moment, a huge black hand covering the sky suddenly appeared in the sky, and suddenly struck down hard.

Ye Feng looked at the big black hand covering the sky

, and immediately felt a terrifying and boundless pressure, which suddenly appeared on the entire body.

At this moment, Ye Feng immediately started to take action.

"Six Paths of Reincarnation Fist!"

At this moment, Ye Feng directly launched the most powerful punch.

Because the guardian of the Everlasting Hatred Demon Sect that suddenly came was very powerful and powerful.

At this time, Ye Feng directly used the third level of the Six Paths of Samsara Fist, directly bursting out a full six times the power of the fist.

"Boom!!"

Ye Feng's fist collided with the big black hand covering the sky, and a terrifying roar suddenly broke out.

Buzz! ! !

A majestic wave of destructive power spread to all directions around him.

The entire ground was shattered inch by inch.

All the surrounding mountains collapsed, full of terrible destructive power.

"Boom!"

Along with a huge roar, Ye Feng's whole body fell rapidly towards the ground.

But that big hand covering the sky was shattered by Ye Feng's bombardment.

Uh-huh!

At this time, Ye Feng landed on the ground, and a bloody wound appeared faintly on his fist.

Ye Feng's eyes were a little surprised. He didn't expect this protector from the Everlasting Hatred Demon Sect to be so powerful.

As expected, it is the center of the God Realm. The powerful men of all the major forces have extraordinary methods and powerful inheritance. Every move can explode.

Send out super power.

"Um?"

At this time, there was also a trace of surprise in the eyes of the guardian of the Everlasting Hatred Demon Sect high in the sky.

The protector of the Everlasting Hatred Demon Sect didn't seem to expect that Ye Feng, a seemingly ordinary boy, had such a powerful power and could actually resist one of his moves.

At this time, the guardian of the Everlasting Hatred Demon Sect stared at Ye Feng below, with a hint of sneer in his eyes, and said loudly: "No wonder you can kill all the guards of the Ninth Young Master. I didn't expect that you are stronger than you." The cultivation shown on the surface is so much stronger that it can resist my palm, which makes me a little surprised. Your strength is very good. I will give you a chance now. If you are willing to surrender to me. If you serve me under my command, I may consider sparing your life."

When Ye Feng heard what the protector of the Everlasting Hatred Demon Sect said, he immediately smiled coldly and said, "Anyone who wants to kill me can come, why bother talking so much nonsense."

The protector of the Everlasting Hatred Demon Sect suddenly showed a trace of cold murderous intent in his eyes, and said loudly: "Since you are so ignorant and arrogant, I will no longer hold back!"

"Demon Sky Realm!"

"Eternal destruction!"

Boom!

At this moment, the guardian of the Everlasting Hatred Demon Sect roared loudly, and suddenly burst out with a terrifying attack.

Almost at the next moment, the protector of the Everlasting Hatred Demon Sect emitted an extremely terrifying magic light, instantly covering the entire sky and earth, and the whole world seemed to have fallen into endless chaos. and the devilish aura.

At this moment, Ye Feng was enveloped in this terrifying realm.

\u003e

The next moment, Ye Feng suddenly felt that many demons appeared in the void around him. They all looked very evil and ferocious, roaring towards him, as if they were going to tear him apart in an instant. Like broken pieces.

"Boom!"

"Boom!"

At this moment, Ye Feng immediately exploded his power and bombarded the surroundings.

when!

when!

when!

But the next moment, Ye Feng's fists struck those demons, and there were sounds like the impact of steel.

Ye Feng's eyes showed surprise, and he couldn't help but say: "You can't break the demons condensed by these demonic energies?"

At this time, Ye Feng was still quite surprised. He didn't expect that such a powerful punch of his would not smash the demons in these fields. It was really extremely powerful.

At this time, the protector of the Everlasting Hatred Demon Sect not far away laughed loudly and said: "Boy, accept your fate obediently. You are destined to die in my hands. This demonic realm of mine is extremely powerful. The inheritance of the demonic path was created personally by the master of our Everlasting Hatred Demonic Sect. No power in the world can break it. Only the cultivation level is very strong can it be broken open forcibly. But boy, your cultivation level is too weak. The only weakness is that our Everlasting Hate Demon Sect's Nether Finger of Everlasting Hate can resist it. You are destined to die!"

Hearing what the Protector of the Everlasting Hatred Demon Sect said at this time, Ye Feng's eyes suddenly lit up and he couldn't help but said, "Thank you for informing me of the weakness of this Demonic Heaven Realm."

Hearing what Ye Feng said, the Protector of the Everlasting Hatred Demon Sect suddenly had a puzzled look on his face and couldn't help but ask, "What do you mean?"

Chapter 2599 Soul Card

At this time, Ye Feng didn't say much about the protector of the Everlasting Hatred Demon Sect. He just stretched out a finger and then displayed the Everlasting Hatred Nether Finger!

Uh-huh! Uh-huh! Uh-huh!

Almost at this moment, Ye Feng's fingers suddenly turned into countless afterimages, covering the entire surroundings in an instant.

Each finger was like a terrifyingly sharp sword blade, piercing all the demons around him at once.

At this time, Ye Feng's eyes showed deep surprise. .??.

I didn't expect that the Nether Finger of Everlasting Hatred would be so powerful. Its piercing power was so powerful that it pierced and tore apart all the demons in those fields.

At this time, the protector of the Everlasting Hatred Demon Sect not far away was immediately shocked and couldn't help but exclaimed: "This is... the Nether Finger of Everlasting Hatred? How could you, a kid, let us know the Everlasting Hatred Demon Sect?" Zhenmen inheritance? This is impossible!"

Ye Feng didn't talk nonsense at all at this time. He used all his strength to activate and activate the Nether Finger of Everlasting Hatred, and quickly attacked the surroundings.

"Boom!"

"Boom!"

A series of terrifying finger lights of destruction struck out from Ye Feng's fingers, directly bombarding and shattering the area released by the previous guardian of the Demon Sect of Everlasting Hatred, turning it into countless fragments.

At this time, the guardians of the Everlasting Hatred Demon Sect were shocked and angry. They never expected that Ye Feng would learn their Everlasting Hatred Demon Sect's secret technique of controlling the sect, the Everlasting Hatred Nether Finger.

This is so strange!

But at this time, the Protector of the Everlasting Hatred Demon Sect had no time to think about this issue.

Because Ye Feng had already rushed in front of him at this time.

"Nine-nine supreme realms!"

boom! boom! boom!

Almost at this moment, Ye Feng suddenly released the extremely powerful inheritance and supreme realm that he had learned before.

At this time, in the void around Ye Feng, suddenly

Even if there are supreme beings composed of energy bodies, they all possess extremely terrifying power.

In an instant, all the supreme beings rushed in front of the guardians of the Demon Sect of Everlasting Hatred, and then began to gather together, perform their killing moves, and start a group fight against the guardians of the Demonic Gate of Everlasting Hatred.

"Boom!"

"Boom!"

At this time, the Protector of the Everlasting Hatred Demon Sect didn't even have time to react. He was suddenly beaten by countless supreme beings until his whole body was about to break.

"Click, click..."

The precious armor worn by the protector of the Demon Sect of Everlasting Hatred was shattered inch by inch by the supreme iron fists.

"ah!"

The guardian of the Demon Sect of Everlasting Hatred was so angry that he immediately shouted: "The demons are dancing wildly!"

Boom!

At this moment, energy bodies composed of black energy rushed out from the body of the protector of the Everlasting Hatred Demon Sect. Like a mad demon, they blasted all the supreme phantoms that were beating him in a group. Dispersed.

"boom!!"

But at this time, suddenly a fist, filled with infinite power, appeared in front of the protector of the Everlasting Hatred Demon Sect.

It's Ye Feng's fist!

Ye Feng's punch contained the artistic conception of the Six Paths of Samsara Fist, six times the power of the punch, and the infinite brute force of the Brute Force Gem.

Horrible!

"Pfft!"

This punch was extremely powerful, and it directly shattered the head of the protector of the Everlasting Hatred Demon Sect.

Protector of the Demon Sect of Everlasting Hate, die!

"Finally done!"

Ye Feng also breathed a sigh of relief at this time.

Because the strength of the protector of the Demon Sect of Everlasting Hatred is indeed extremely powerful and not so easy to deal with.

At this time, Ye Feng stepped forward and directly released the Devouring Domain, swallowing up the whole body of the Protector of the Everlasting Hatred Demon Sect. .??.

"boom!"

Ye Feng's cultivation level suddenly made a breakthrough. In an instant, he broke through the first level of heaven and entered the tenth level of Taoist natural realm.

It has to be said that the cultivation skills of this guardian of the Demon Sect of Everlasting Hatred are still very majestic.

Ye Feng's cultivation level no longer needs to be accumulated, he just accumulates enough energy to achieve a breakthrough.

At this time, Ye Feng reached out and took the storage ring from the protector of the Everlasting Hatred Demon Sect.

Buzz!

Under the exploration of his spiritual mind, Ye Feng's eyes were slightly happy.

The wealth in the storage ring of the Protector of the Everlasting Hatred Demon Sect is not much poorer than that of the Ninth Young Master who was killed by him before. It is very rich.

However, what makes Ye Feng a little disappointed is that the storage ring of the guardian of the Demon Sect of Everlasting Hatred does not contain other powerful inheritance of the Demon Sect of Everlasting Hatred.

Obviously, Ye Feng was very lucky to be able to get a set of the inheritance of the Demon Sect of Everlasting Hatred, the Nether Finger of Everlasting Hatred from that Ninth Young Master.

After all, if Ninth Young Master hadn't been a dandy and couldn't comprehend the Nether Finger of Everlasting Hatred, he wouldn't have carried the secret book with him at all times.

Ye Feng naturally couldn't get it.

"boom!"

But suddenly at this moment, something exploded on the corpse of the guardian of the Everlasting Hatred Demon Sect in front of him.

Ye Feng looked at it and immediately saw that a token suddenly exploded automatically.

"It's the soul card!"

Ye Feng suddenly showed deep surprise in his eyes.

Then Ye Feng's expression changed slightly, and he immediately understood that the moment when the soul card was broken, it would definitely attract the attention of other masters of the Everlasting Hatred Demon Sect.

There are even soul cards from some powerful forces that record all the scenes and circumstances of the deceased before death.

In other words, Ye Feng may have exposed his location and appearance now.

Even his true combat power was exposed.

In other words, there may be many powerful people from the Everlasting Hatred Demon Sect who are more powerful than themselves to chase and kill them.

"Walk!"

At this time, Ye Feng didn't hesitate at all and immediately ran away quickly towards the distance.

Soon Ye Feng left the place.

Not long after Ye Feng left.

Uh-huh! Uh-huh! Uh-huh!

A group of magic masters wearing the costumes of the Everlasting Hatred Demon Sect arrived here instantly.

They saw the corpses present, and everyone had shock and anger in their eyes.

A leader of the Everlasting Hatred Demon Sect master immediately shouted angrily: "That kid must not have run far yet! All the strong men who are practicing in this wild cave should stop practicing and pursue that kid with all their strength.!"

At this time, after the master of the Everlasting Hatred Demon Sect finished speaking, he immediately stretched out his hand to grab it, and the scene of Ye Feng finally killing the protector of the Everlasting Hatred Demonic Gate suddenly appeared in front of him.

The master of the Everlasting Hatred Demon Sect fixed his eyes on Ye Feng's figure in the scene, and said in an extremely cold and cruel tone: "This audacious boy must be cut into pieces!"

"Yes, Great Protector!"

A group of masters from the Everlasting Hatred Demon Sect around them immediately clasped their fists and made noises, and then quickly dispersed around, obviously going to deliver a message and forming an encirclement.

Chapter 2600 A surprise for you

Half a month later, Ye Feng came to an exit of the Savage Cave, his eyes a little ugly.

Because all around are strong men from the Demon Sect of Everlasting Hatred.

Moreover, these powerful men from the Everlasting Hatred Demon Sect have seen their own fighting scenes and know that their combat power is many times stronger than their actual cultivation.

Therefore, this group of powerful people from the Everlasting Hatred Demon Sect were very smart. They directly formed small teams. The members of each team were very powerful in cultivation, which cut off Ye Feng's chance to hunt alone.

At this time, Ye Feng quickly ran in the other direction.

In the past half month, Ye Feng has been constantly avoiding these teams of experts from the Everlasting Hatred Demon Sect.

Fortunately, this wild cave is very large, otherwise Ye Feng would have been discovered long ago.

With powerful soul power as backup, Ye Feng has an innate advantage and can avoid dangerous places in advance.

At this time, Ye Feng jumped onto a huge tree and looked into the distance.

He vaguely saw many masters from the Everlasting Hatred Demon Sect, forming teams one after another, searching for his traces.

Even high in the sky, there are sometimes groups of masters of the Everlasting Hatred Demon Sect wearing dark golden armor, holding extremely powerful weapons in their hands, patrolling.

Ye Feng immediately understood in his heart. It seemed that this group of masters from the Everlasting Hatred Demon Sect must have been training in this wild cave. They might have just organized a trial for the strong men of the Everlasting Hatred Demon Sect. Got it.

A bit unlucky though.

But Ye Feng also knew that this was an opportunity for him to grow quickly and become stronger.

As long as he can hunt down these masters of the Everlasting Hatred Demon Sect and devour the powerful skills they have cultivated for many years, then Ye Feng can quickly increase his cultivation strength.

At this time, Ye Feng was thinking of ways.

Suddenly Ye Feng seemed to have thought of something, and his eyes suddenly lit up: "By the way, I can borrow a knife to kill people."

Ye Feng knew that in this ancient wild cave, there were all kinds of extremely powerful creatures.

Spirit.

If we can unknowingly lead this group of people from the Everlasting Hatred Demon Sect who are chasing us into the place where such terrifying barbaric creatures live, we can trap them and kill them.

At this time, thinking of this, Ye Feng suddenly showed deep excitement in his eyes.

He couldn't wait any longer.

Uh-huh!

At this time, Ye Feng immediately released his huge soul power and began to explore the dangerous places nearby.

The hard work paid off, and Ye Feng soon discovered a very good and dangerous place.

It was a field of frost and snow.

In a certain iceberg in this snowy field, Ye Feng used his soul power to discover a terrifying and forbidden evil beast, an evil ice and snow dragon.

This evil ice and snow dragon, under Ye Feng's slight sense, the demonic aura on his body was simply terrifying to the extreme.

But Ye Feng has discovered in the past few days that this terrifying ice and snow dragon has recently fallen into a deep sleep, seemingly hibernating.

This made Ye Feng very happy.

Uh-huh!

Ye Feng left the ice field in this wild cave, and then directly exposed his aura to the sight of a team of experts from the Everlasting Hatred Demon Sect.

The masters of the Everlasting Hatred Demon Sect couldn't find Ye Feng for half a month, and the higher-ups were driven crazy.

So when I saw Ye Feng's traces at this time, I couldn't stay rational anymore. I went crazy and rushed towards Ye Feng.

"Kill that boy!"

"This kid finally showed up! I've been looking for him for so long!"

"This time we must chop off this kid's head and hand it over to the Great Protector!"

this

There are a total of seven members of the team of the Everlasting Hatred Demon Sect, all of whom are strong men in the sixth level of the Oneness of All Things Realm that have transcended the natural realm of Taoism.

So at this time, the seven of them joined together and felt that there was nothing to be afraid of, and they would definitely be able to kill Ye Feng.

Uh-huh! Uh-huh! Uh-huh!

The strong men from the Everlasting Hatred Demon Sect team instantly chased Ye Feng, who was not far ahead.

Ye Feng deliberately pretended to be frightened and ran away in panic.

Seeing this scene, a group of masters from the Everlasting Hatred Demon Sect burst into laughter.

"Hahaha! I saw this kid's panic!"

"This kid is dead this time!"

At this time, the seven powerful men from the Everlasting Hatred Demon Sect in the sixth level of the Unity of All Things Realm all sneered, and then released terrifying murderous intent from their bodies, chasing Ye Feng.

Soon they were chasing Ye Feng and came to an endless snowfield.

But at this moment, a group of seven powerful men from the Everlasting Hatred Demon Sect suddenly discovered that Ye Feng's figure in the field of vision had disappeared!

"Where are you going?"

At this time, a group of strong men looked around and found that Ye Feng's traces had completely disappeared. Everything around them was snow-white, and there was nothing left.

At this time, an expert from the Everlasting Hatred Demon Sect suddenly saw something. His eyes were suddenly startled and he couldn't help but say: "It's a sleeping evil dragon of ice and snow!"

"What?!"

The other masters of the Everlasting Hatred Demon Sect suddenly showed deep horror in their eyes, and they all looked not far away.

They immediately saw that in a certain direction in the distance, under a huge iceberg, a dragon-shaped behemoth was lying there, looking extremely majestic and vast.

At this time, the evil ice dragon was still sleeping, seemingly in a deep hibernation.

But even though this evil ice and snow dragon is sleeping

, but the demonic aura and vitality emanating from the body are very majestic.

At this time, a group of seven masters from the Everlasting Hatred Demon Sect were all trembling.

Because they all felt a sense of death crisis from this sleeping evil dragon of ice and snow.

"Don't disturb this terrifying evil ice and snow dragon!"

At this time, a group of masters from the Hatred Demon Sect all spoke out.

"Uh-huh!"

But suddenly at this moment, Ye Feng suddenly appeared on the snowfield not far away, holding a huge iceberg in his hands.

"Don't....."

A group of seven masters from the Everlasting Hatred Demon Sect turned green when they saw this scene.

But Ye Feng grinned at this time and said: "After chasing me for so long, it's time to give you a surprise."

boom!

Almost at the moment Ye Feng finished speaking, the huge iceberg he raised in his hand was thrown out by Ye Feng, and instantly hit the sleeping ice and snow evil dragon. .

"run!"

Seeing this scene, the expressions of the seven powerful men from the Everlasting Hatred Demon Sect suddenly changed, and they were about to run away crazily.

"Buzz!"

But suddenly at this moment, a huge trapping formation composed of divine light suddenly lit up on the ground around them.

"What?!"

Seeing this scene, the faces of the seven powerful men from the Everlasting Hate Demon Sect turned even greener.

Ye Feng has already secretly arranged a trapping formation here!

Although it is impossible to trap the seven powerful men of the Everlasting Hatred Demon Sect for a long time, it is enough to hinder their progress.

because.....

"Roar!!"

At this moment, the terrifying evil beast, the Ice and Snow Dragon, suddenly woke up!
