

## Ancient 2621

### Chapter 2621 Soul Out of Body

After Ye Feng finished speaking at this time, the emperor of the Scarlet Flame Dynasty immediately nodded, and then said loudly: "Master Ye Feng, this time you really have to help our Scarlet Flame Dynasty get through this crisis, otherwise we may be the whole Red Flame Dynasty." The whole Flame Dynasty will be destroyed in the hands of these demons from hell."

When Ye Feng heard what the emperor of the Chiyan Dynasty said, he immediately said with assurance: "Don't worry, I will definitely find a way."

Boom!

Almost at the moment Ye Feng finished speaking, Ye Feng took action directly, with an extremely powerful divine light blooming all over his body, and he rushed directly towards the huge demon altar.

At this moment, Ye Feng rushed directly in front of the demon altar, and then his whole body collided with it.

But almost at that moment, a very strong black energy mask suddenly appeared on the surface of the demon altar, directly blasting Ye Feng's entire body away.

However, Ye Feng did not directly spit out a stream of blood like the Emperor of the Scarlet Flame Dynasty. After all, Ye Feng was much stronger than the Emperor of the Scarlet Flame Dynasty, and Ye Feng's body was also extremely powerful, but he had a chaotic body.

But at this time, Ye Feng still had a look of deep surprise in his eyes. He didn't expect that the surface of this demon altar had such a powerful energy mask, which could block himself in his current state.

At this moment, Ye Feng immediately began to wield his most powerful punch, the Six-Path Reincarnation Fist!

"Boom!!"

Almost at this moment, Ye Feng struck out with a fist.

Then the power of the Six Paths of Reincarnation erupted directly from the fist, full of boundless and terrifying destructive power, and instantly struck hard in front of the demon altar.

Boom!

But at this moment, another thick black energy barrier suddenly appeared, directly blocking Ye Feng's punch.

Even Ye Feng's entire fist

The head was slightly cracked, and traces of blood appeared.

This shows that Ye Feng's strength cannot break through the defense of this demon altar.

At this moment, Ye Feng suddenly showed a trace of surprise in his eyes. He did not expect that the surface of this demon altar was guarded by such a very powerful dark energy shield, which could withstand the most powerful force in the world.

Next, Ye Feng did not continue to take action, but began to think about how to destroy this demon altar.

Suddenly at a certain moment, Ye Feng's eyes suddenly moved and he said, "Maybe you can use your soul to leave the body to enter this demon altar."

Ye Feng is a soul master, so his soul body can directly leave his body and float directly in the outside space.

When Ye Feng attacked just now, he discovered the black energy barrier around the demon altar. It should have been placed by a powerful person in hell, which can resist the attack of the most powerful entity in the world.

But maybe something as nihilistic as the soul can directly pass through this dark energy barrier.

After Ye Feng came up with this idea, he immediately started testing it.

At this moment, Ye Feng looked at the Emperor of the Red Flame Dynasty standing next to him and said, "I will leave my body later and try to see if my soul body can enter this dark energy barrier. You lead Chi Yan." The elite guards of the Imperial City are protecting me."

The Emperor of the Scarlet Flame Dynasty immediately nodded with joy and said loudly: "Thank you so much, Mr. Ye Feng!"

At this moment, it was obvious that the Emperor of the Red Flame Dynasty had regarded Ye Feng as his final savior.

At this time, Ye Feng nodded, then sat cross-legged

On the ground, he began to release his soul power and directly perform an out-of-body experience.

There was a "crash" sound.

Ye Feng's soul body suddenly jumped out of his body and jumped from Ye Feng's Heavenly Spirit Cap into the outer space. It was a very nihilistic soul state.

After Ye Feng's soul body left his body at this moment, he flew directly in the direction of the demon altar.

Buzz!

What made Ye Feng very happy was that when his soul body flew around the demon altar, it did not trigger the rejection of the dark energy barrier, but successfully entered the interior of the demon altar.

"It seems my guess is right!"

Ye Feng was very happy at this moment. He directly controlled his soul body and flew towards the inner area of the demon altar. .??.

"A human soul master actually entered the core inner area of our demon altar. Hurry up and kill this human soul master!"

But suddenly at this moment, a group of shadow demons around the demon altar began to make noises.

Wow!

Wow!

Almost at this moment, groups of shadow demons exuding demonic energy rushed towards Ye Feng's soul body, trying to completely obliterate Ye Feng's soul body.

"Endless hell!"

But at this moment, Ye Feng suddenly released the soul inheritance technique of endless hell that he had obtained before.

In an instant, under the blessing of Ye Feng's extremely powerful soul power, an endless hell scene suddenly appeared around Ye Feng's soul body, and in an instant, countless shadow demons rushing over not far away were directly enveloped. In this endless hell.

"What?!"

These shadow demons never thought that Ye Feng

The soul masters of the human race actually know the art inherited from the blood of their pure shadow demon clan.

Almost at this moment, each shadow demon was caught off guard by Ye Feng. They all fell into the endless hell scene and fell into a deep sleep.

"It's now!"

At this moment, Ye Feng burst out his soul power and formed a soul storm. All of a sudden, these shadow demons were swept into countless soul storms, and they were all crushed to pieces.

Because these shadow demons were all sinking into endless hell at this moment and falling into a deep sleep, Ye Feng directly attacked these sleeping shadow demons at this time. These shadow demons would not fight back at all and were directly killed by Ye Feng. Feng killed them one by one.

At this moment, with the killing of Ye Feng, these shadow demons were all broken into pieces of soul fragments after their death.

Ye Feng's eyes were extremely excited. Seeing so many soul fragments, he directly released his Devouring Domain, quickly devouring and absorbing these soul fragments that contained rich soul power.

"Rumble..."

Almost at this moment, Ye Feng's soul power suddenly began to surge dramatically.

You know, Ye Feng has killed many shadow demons now.

Boom!

Forty-one thousand and one level!

Boom!

Forty-one thousand and two levels!

Boom!

Forty-one thousand and three levels!

...

At this moment, Ye Feng's soul power is constantly improving.

In the end, it actually broke through to level 56,000 before finally stopping.

At this time, the light of soul in Ye Feng was extremely powerful, like a black sun!

Chapter 2622 In crisis

It has to be said that the soul power contained in these shadow demons from hell is still very huge.

At this time, after Ye Feng swallowed them all, he directly raised his soul power level to 56,000.

This is really a huge breakthrough!

At this moment, even Ye Feng himself felt extremely amazed. He felt that he had made a lot of money this time in the depths of this wild land.

At this time, Ye Feng's eyes showed a trace of surprise, staring at the deep inner area of the demon altar.

Because Ye Feng feels that since there are so many shadow demons here, it means that the demon altar in this hell is definitely connected to the super powerful terrifying interface of the ancient hell.

So at this time, Ye Feng felt a little hesitant whether he should control his soul body and enter this demon altar.

Because if you enter this demon altar and see the scene of ancient hell, you may encounter a very terrible disaster.

But after thinking about it, Ye Feng felt that there might be a greater chance of good fortune inside.

And he has promised the emperor of the Red Flame Dynasty that he will solve the problem here, so Ye Feng can only control his soul body and enter the inner space of the huge altar of the Demon Altar.

Buzz!

When Ye Feng's soul crossed the surface of the demon altar and entered the demon altar, Ye Feng immediately saw a vast and endless scene of terrifying hell, as if Ye Feng's entire soul had come to the real ancient world. In the hell interface.

But this is not the real ancient hell, because this is the internal space of the demon altar. How could it be in the ancient hell interface.

However, Ye Feng could feel that the inner space of this ancient demon altar was like the ancient hell interface extending here.

Give Ye Feng the feeling

Very vast and dangerous.

Buzz!

At this moment, Ye Feng activated the Divine Eye of Creation, and immediately saw the inner space of the demon altar, and a passage actually appeared.

However, this passage is a passage at the soul level, a passage of nothingness, connected to a vast and boundless dark world.

Ye Feng immediately understood that the vast dark world linked to this demon altar was definitely the legendary ancient hell.

Those shadow demons definitely escaped from the ancient hell through this passage, so they came to this wild place to transform the evil beasts and gave birth to many extremely ferocious hell demons.

At this moment, Ye Feng suddenly understood that if he wanted to completely solve the problem here, he must close the entrance to the ancient hell created in the demon altar.

At this moment, Ye Feng figured this out, and immediately began to burst out with extremely powerful soul power, directly bombarding the passage connecting the ancient hell in the distance, wanting to completely destroy the entrance to the ancient hell. of crushing.

In this case, no shadow demon will be able to enter the divine realm from the super large interface of ancient hell in the future.

Ye Feng was very happy at this time and felt that he was very lucky because he discovered it very early and there was currently no particularly powerful demon that had escaped from the ancient hell.

Otherwise, Ye Feng would not be able to resist or close this passage.

"Crack, click, click..."

At this moment, when Ye Feng's huge soul power bombarded the entrance to hell, the entrance to the passage immediately began.

It shattered, cracks appeared, and the whole thing was almost shattered.

But suddenly at this time.

Boom!

Along with a huge roar, extremely terrifying shadow demons rushed out from the passage in an instant, all charging towards Ye Feng.

The aura of hell emanating from these shadow demons was extremely rich and extremely terrifying, much more powerful than the shadow demons Ye Feng had encountered before.

Almost at this moment.

Wow!

Suddenly, endless powerful shadow demons enveloped Ye Feng's entire soul body, and then attacked Ye Feng's soul body crazily.

"Soul Storm!"

At this moment, Ye Feng's eyes revealed a look of horror, and he immediately burst out with his powerful soul power, forming a hurricane storm that swept towards the surroundings. .???.??

But these shadow demons that rushed out of hell were many times more powerful than those that Ye Feng had encountered before.

The soul storm released by Ye Feng was unable to crush these shadow demons.

"Endless hell!"

At this moment, Ye Feng's eyes were a little ugly, and he immediately released the endless hell he had just learned, a powerful inheritance of the extremely terrifying Shadow Demon clan.

Suddenly, a terrifying hell scene appeared around Ye Feng, used to resist the extremely powerful high-level shadow demons that rushed over.

However, these high-level shadow demons were so powerful that they could not be confused by the endless hell released by Ye Feng at this time. They all attacked crazily towards the endless hell field around Ye Feng.

"Crack, click, click..."

At this moment, Ye Feng suddenly felt that the endless hell realm around him was rapidly shattering.

Ye Feng suddenly felt that his soul power was rapidly drying up. He was unable to fight against these high-level shadow demons who had recently escaped from hell.

Almost at this moment, Ye Feng's heart immediately sank, because he felt that he was in an endless crisis.

At this moment, Ye Feng couldn't ask for help from outside at all. He could only quickly release his powerful soul power and turned into a soul mask to quickly resist the high-level shadow demons rushing over.

Boom!

Boom!

However, these high-level shadow demons are too powerful, so at this moment, Ye Feng's soul shield is unable to withstand the crazy attacks of countless high-level shadow demons, and cracks appear.

At this moment, some high-level shadow demons stared at Ye Feng in the soul mask, and said coldly and sarcastically: "A small human soul master dares to run into the inner space of our demon altar. This time you will die." It's settled! No one can save you!"

At this moment, countless high-level shadow demons began to frantically attack the soul mask released by Ye Feng. Ye Feng's soul mask was trembling at this moment, as if it would be completely broken in the next moment. .

At this moment, Ye Feng subconsciously wanted to call Emperor Chu and use the power of the soul gem.

But Ye Feng discovered that the soul gem had been sealed a long time ago, and Emperor Chu also fell into a permanent sleep.

"What should I do? Are I going to die here today..."

Ye Feng knew very well that if his soul body was completely torn apart by these shadow demons, then even if his body was outside, he would just become a mindless body, which would be considered death.

Chapter 2623 Suzaku's Rescue

It has to be said that Ye Feng is really in a huge crisis now.

Because Ye Feng's current trump card is no longer enough to give him the possibility of escaping.

Because Ye Feng's biggest trump card, related to the soul, is the soul gem.

But now the soul gem has been sealed by the Lord of Chaos, and Emperor Chu has also fallen into a deep sleep.

The only power Ye Feng can use now is his own soul power.

So now Ye Feng is really in a huge crisis and there is no way to escape.

"Rumble..."

The deafening bombardment ringing in his ears made Ye Feng's heart sink to the bottom.

Because those high-level shadow demons are very powerful, I can't compete with them now.

At this time, Ye Feng could only try his best to output his soul power, try his best to make his soul mask become harder, and strive to support him for a while.

Ye Feng no longer has any great hope and can only pray for a miracle.

This was the first time Ye Feng encountered such a dangerous situation, so Ye Feng could only smile bitterly at this time, "I would have known better not to risk entering the inner space of the devil altar like this."

And just when Ye Feng struggled to resist the attacks of countless high-level shadow demons.

Suddenly at this moment, outside the demon altar, a vermilion sparrow suddenly rushed out of the storage ring on Ye Feng's body.

It's Suzaku!

At this time, Suzaku saw that Ye Feng's body was trembling rapidly, and he immediately understood something, and couldn't help but said: "Ye Feng's current soul body must have encountered a huge danger inside the demon altar. Otherwise, it would be impossible for his body to react in such a big way. It is shaking rapidly. He must be dying and his soul is about to be wiped out. "

Hearing what Suzaku said at this moment, the emperor of the Red Flame Dynasty who was protecting the law suddenly showed a look of deep horror on his face, and couldn't help but said: "Senior Bird, what should we do now? how

manage? How to help Lord Ye Feng? "

At this time, Suzaku glanced at the Emperor of the Scarlet Flame Dynasty and said loudly: "You can't get involved in this kind of thing anymore, let me do it."

Almost at this moment, Suzaku's soul suddenly left his body, allowing his Suzaku soul to directly pass through the barrier of the Demon Altar and enter the inner space of the Demon Altar.

Almost at this moment, Suzaku's divine beast soul immediately saw that Ye Feng's soul body was being surrounded by countless high-level shadow demons. The soul barrier around the whole person was about to be broken, and it was about to be destroyed by countless high-level shadow demons. Devoured by high-level shadow demons.

When the Suzaku Soul saw this scene, it immediately understood why Ye Feng's body was trembling outside. It turned out that the soul body had really encountered an irresistible crisis.

"Everyone get away! Don't touch Ye Feng!"

Boom!

At this moment, the Suzaku Soul immediately burst out with the terrifying Suzaku Fire, and then formed a huge soul fire storm, which instantly rushed towards Ye Feng's soul body.

"Rumble..."

Almost at the next moment, Suzaku's Suzaku Divine Fire suddenly turned into an endless sea of fire, covering all the high-level shadow demons that were attacking Ye Feng's soul barrier in the endless divine fire.

"ah!"

"ah!"

"ah!"

...

Almost at this moment, countless high-level shadow demons couldn't help but howl in pain.

Because all of them were burned in the endless sea of fire by Suzaku using his own divine beast fire, and there was no way to extinguish the terrifying and advanced divine beast fire.

At this moment, Ye Feng was in despair when he suddenly saw the senior figure outside.

The devil seemed to be screaming.

"what's the situation?"

He immediately opened his eyes and discovered that the endless sea of fire had surrounded the entire surrounding.

Then in the endless sea of fire, Ye Feng saw Suzaku's soul and slowly flew towards him.

Ye Feng, whose soul was almost exhausted, saw this scene and couldn't help but reveal a deep smile on his face and said loudly: "Suzaku, I knew you would come to save me in the end!"

Uh-huh!

At this time, the Suzaku soul suddenly flew to Ye Feng's side, directly giving Ye Feng some of the power of his divine beast soul.

Ye Feng immediately felt that his soul body had returned to its prime from a depleted state.

At this moment, Ye Feng's eyes showed deep surprise. He did not expect that Suzaku's soul contained such terrifying soul power.

At this moment, Ye Feng immediately said: "Leave it to me!"

At this moment, Ye Feng looked at the high-level shadow demons that were burning in the endless sea of fire. He suddenly released his soul attack crazily, turning into countless soul storms, killing all the high-level shadow demons trapped in the sea of fire. Kill them all.

"Boom!"

Then Ye Feng instantly burst out with his extremely powerful devouring power and began to devour the soul fragments of these high-level shadow demons.

This is a very terrifying reserve of soul power.

You know, there were dozens of high-level shadow demons that besieged Ye Feng just now. They were many times more powerful than the ordinary shadow demons that Ye Feng had encountered before.

Therefore, after the death of these high-level shadow demons, the soul fragments they transformed into and the stored soul power were much more majestic than the ordinary shadow demons Ye Feng had encountered before.

So almost at this moment, Ye Feng immediately released his huge devouring power,

Devoured all these precious soul fragments.

"Rumble..."

Ye Feng's soul power suddenly surged again, from level 56,000 to level 70,000!

Level 70,000!

I have to say, this is a huge improvement!

Ye Feng really got a huge chance this time, and his soul power suddenly increased so much.

At this moment, after killing all the high-level shadow demons, Ye Feng looked at the soul of Suzaku beside him, and couldn't help but said: "Suzaku, thank you so much this time! If you hadn't come to save me in time, maybe I would have been saved." We are really going to be torn apart by these high-level shadow demons!"

Suzaku Soul nodded at this time, then looked in a certain direction not far away, and said loudly: "The most important thing now is to directly smash the entrance to the ancient hell in this demon altar. Only Only in this way can you control the entire Demon Altar, a super magic weapon from ancient hell."

When Ye Feng heard what Suzaku said, he immediately nodded, flew directly to the entrance of the passage inside the demon altar, and then instantly released his soul storm.

At this time, Suzaku also released the power of his divine beast's fire, combined with Ye Feng's soul storm, and then violently bombarded the entrance to the passage inside the demon altar.

"Boom!"

Along with a huge roar, the entrance to the passage to the ancient hell was completely shattered by Ye Feng and Suzaku.

In other words, the Demon Altar has completely lost its ability to connect to the ancient hell.

From then on, the Demon Altar became an independent magic weapon.

At this moment, Suzaku immediately said to Ye Feng: "Ye Feng, don't waste time now, release your power quickly and refine this demon altar. This is a very precious thing from ancient hell. Super magic weapon!"

Chapter 2624 Dark Demon God

At this time, after Suzaku finished speaking, he immediately asked Ye Feng to refine the demon altar.

Ye Feng naturally would not refuse at all, and said excitedly: "Okay, I will directly refine this demon altar now."

For Ye Feng, this demon altar is a very powerful super magic weapon from ancient hell.

What Ye Feng lacks most now is a powerful magic weapon, so when he encounters this demon altar, Ye Feng will naturally not waste time or give up on this demon altar.

Because for Ye Feng, the power of chaos he cultivates can accommodate the power of various attributes, so Ye Feng can use magic weapons of various attributes.

Even if this demon altar is a super magic weapon from hell, containing very dark and evil power, Ye Feng can still use it.

Boom!

Almost at this moment, Ye Feng immediately released his soul power and directly began to integrate into the surrounding demon altars.

Almost at the moment when Ye Feng's soul power touched the demon altar, he immediately felt the huge demon will in the demon altar.

However, this demonic will was quickly disintegrated by Ye Feng.

Because this demon altar has lost its channel connection with the super large interface of ancient hell.

So now it has become an independent magic weapon.

It's like an isolated and helpless existence.

Therefore, the defense of the Demon Altar was quickly destroyed by Ye Feng's own powerful soul power.

So at this moment, Ye Feng immediately took complete control of the demon altar.

When Ye Feng took control of the demon altar, he could immediately feel that the demon altar contained very majestic dark power.

Once released, it will definitely possess the power to destroy the world.

The power of the earth will definitely give you another huge boost to your strength.

At this moment, Ye Feng's eyes were extremely excited and he couldn't help but look at Suzaku and said loudly: "This demon altar is indeed a very terrifying and powerful super magic weapon."

Zhuque was also happy for Ye Feng at this time, and couldn't help but said: "I have said it a long time ago, this demon altar must be a super magic weapon from the ancient hell, otherwise it would not be able to serve as the super interface and god of the ancient hell. The support of two interfaces in the world."

At this time, Ye Feng nodded, and then flew directly outside with Suzaku's soul.

When Ye Feng's soul returned to his own body, Ye Feng opened his eyes.

The emperor of the Red Flame Dynasty beside him couldn't help but said in surprise: "Ye Feng, are you completely awake? Didn't you encounter any danger? Just now I heard your friend say that your soul body Encountered a terrible danger in the demon altar."

Hearing what the Emperor of the Scarlet Flame Dynasty said, Ye Feng immediately stood up, smiled and said: "I did encounter some dangers just now, but now there is no danger anymore, and the Demon Altar has been completely controlled by me. "

"What?"

Hearing what Ye Feng said, the Emperor of the Scarlet Flame Dynasty immediately showed a deep expression of disbelief in his eyes.

The emperor couldn't help but said in shock: "The devil altar is so terrifying, something from hell, can it be controlled by you, Mr. Ye Feng?"

However, Ye Feng did not answer the words of the Emperor of the Red Flame Dynasty at this time, because Ye Feng stood up directly and walked not far away.

Then Ye Feng stretched out his hand and faced the huge thing in the distance

The demon altar, which looked like a black mountain, reached out and grabbed it.

Boom!

Almost at this moment, under the shocking gazes of countless people, as Ye Feng stretched out his hand, the demon altar exuding terrifying dark power suddenly shrank rapidly, and finally became a small altar as big as a palm. , was grabbed by Ye Feng in his hand, and then put into the storage ring by Ye Feng.

Ye Feng has only just taken control of this demon altar, and he still needs to continue refining it before he can fully unleash the power of the demon altar.

What Ye Feng did at this moment was really full of huge shock, and everyone present felt the impact on their hearts.

At this moment, Ye Feng immediately looked at the Emperor of the Red Flame Dynasty not far away, smiled and said: "The danger has been resolved, we can leave this barbaric land directly."

"Boom!"

But the moment Ye Feng finished speaking, a huge space crack suddenly appeared in the uppermost sky of this wild land.

This space crack exudes dark and boundless demonic energy, as if it is connected to a vast and boundless world.

At this moment, Ye Feng sensed the aura of power on the other side of the space crack. He couldn't help but his face changed slightly, and he couldn't help but say: "The world on the other side behind this space crack is the ancient hell!"

Suzaku also flew to Ye Feng's shoulder at this time, with a look of fear in his eyes, and said loudly: "I can feel a very terrifying life force and demonic energy, which is being transmitted from the other side of the crack in this space. Come on, Ye Feng, let's run away!"

At this moment, even Suzaku, the ancient divine beast, felt a terrible sense of life crisis.

This made Ye Feng suddenly look deeply surprised in his eyes, and then quickly ran away into the distance, because now he fully believed in Suzaku's judgment, after all, this was an ancient beast.

But just when Ye Feng flew into the air, an ancient dark hand suddenly stretched out from the huge crack in space.

This big dark hand, like the palm of the ancient dark demon, was filled with boundless power and exuded terrifying majesty. It immediately grabbed Ye Feng.

At this moment, Ye Feng immediately felt that the space around him was shattered.

If it weren't for the space gem on Ye Feng's body, he would have died completely among countless space debris.

But at this moment, Ye Feng wanted to leave quickly, but there was no way.

Because he has now been completely imprisoned by that big hand of darkness.

The owner of this dark hand is definitely from the real ancient hell. He actually possesses the power of the sky and can directly break the interface barrier of the God Realm, forming a space crack, and

then descends the terrifying dark power to obliterate it. Ye Feng was the culprit who destroyed the inner space passage of the Devil Altar.

Suzaku's eyes were extremely horrified at this moment, and he couldn't help but say: "Oh no! This dark hand is definitely the work of a dark demon god in the ancient hell. It can actually directly break the interface barrier between the dark hell and the divine world. This shows that The master of this dark hand is absolutely terrifying to the extreme. I am afraid that even in my heyday, I would not be able to fight against him!"

When Ye Feng heard what Suzaku said, his eyes suddenly showed deep horror, and he couldn't help but said: "What? The master of this dark hand can't even fight against you, Suzaku, in his heyday? How terrible is that?" The horror?"

Chapter 2625 Seeing a Miracle

At this time, Ye Feng felt a very terrifying dark power descending on him.

Even Suzaku, the ancient divine beast, felt the threat of death.

Rumble...

At this moment, the dark hand stretched out from the huge space crack above Ye Feng suddenly grabbed Ye Feng.

Ye Feng was frantically using all his trump cards at this moment.

Space gem!

Brute force gem!

The ancient divine ring!

Six Paths of Samsara Fist! !

Dzogchen future body! !

...

But no matter what kind of trump card Ye Feng used at this moment, or to what extent he enhanced his strength, he could not compete with that terrifying and boundless hand of darkness.

At this time, Ye Feng couldn't help but feel deep fear in his heart.

This was the first time that Ye Feng felt overwhelming and terrifying pressure, and it was suppressed from all aspects.

Neither Ye Feng's soul nor Ye Feng's physical strength could compete with that big hand of darkness.

At this time, Ye Feng couldn't help but guess in his heart that the owner of this dark hand might really be the dark demon in the ancient hell.

And Ye Feng also knew very well that this dark demon god broke the interface barrier of the God Realm and attacked him. It must be because he destroyed the passage in the demon altar, which triggered the anger of this dark demon god.

He even spent a lot of money to break the interface barrier with the power of the sky, and the dark power descended to obliterate him.

At this moment, Suzaku also burst out the terrifying Suzaku Divine Fire. He even spent his own Suzaku Divine Beast origin to unleash the power, but it was still suppressed by that big dark hand.

As if in front of that big dark hand, any power seems pale

Bai Weili, Ye Feng and Suzaku were like extremely weak ants.

At this moment, Ye Feng felt the feeling of death, as if he would be crushed by this dark hand in the next moment.

At this time, Ye Feng suddenly thought of something, and his eyes immediately revealed a bright light. He immediately activated his power of chaos, opening up an area of chaotic energy in front of him, connecting the entire divine world. chaotic space.

At this moment, Ye Feng immediately thought of what his father, Emperor Ye Qing, had said to him back then.

When you are anywhere in the God Realm, if you encounter unstoppable danger or life and death crisis, you can call your father Ye Qingdi in the endless chaos, and let your father activate the power of the world matrix to help you Get out of danger.

So at this moment, Ye Feng immediately activated his power of chaos to call his father in the endless chaotic space.

Because both Ye Feng and Emperor Ye Qing possess the power of chaos, they have always been connected with each other in the void chaos of the God Realm.

At this moment, Ye Feng issued his last cry for life.

Suddenly, in the depths of endless chaos, Ye Feng suddenly received a very powerful and familiar idea.

This idea is exactly the idea of his father, Emperor Ye Qing!

"Buzz..."

And almost at the next moment, Ye Feng suddenly discovered that all the rules of the world around him had suddenly changed.

The shattered void and the power that imprisoned him all disappeared.

Ye Feng was out of danger immediately.

But that big dark hand is still pointing towards Ye Feng

It seems that he will not stop until he kills Ye Feng.

"Boom!"

But suddenly at this moment, in the endless sky in the wild land, countless lightning and thunder suddenly sounded, as if the power of the entire God Realm was angry, and countless terrifying thunder catastrophes suddenly descended. , instantly shattered the big hand of darkness.

This is a boundless and majestic power, a great and boundless world matrix power.

Since Emperor Ye Qing is not with Ye Feng now, but has received Ye Feng's call, he can control the world matrix power of the entire God Realm and come to the space node where Ye Feng is at this moment to help Ye Feng deal with powerful enemies.

At this moment, the big hand of darkness was completely broken, and everyone present could not help but let out a sigh of relief.

At this moment, Suzaku's eyes suddenly revealed a look of deep shock. He seemed to feel that he had seen a miracle and couldn't help but said: "Ye Feng, what kind of power was that just now? You were the one who took the lead." The power that comes from the world seems to be the most original one in the world of gods. How can it help Ye Feng? There is only one possibility! That is Ye Feng, the son of the interface!"

"Son of Interface?"

When Ye Feng heard Suzaku beside him say this, the corners of his mouth twitched.

He just called his father and used the power of the world matrix to help him.

However, Ye Feng did not tell the reason, because the matter involved too much, and even Suzaku could not tell it, otherwise it might affect his father's search for the chaos seeds left by the Chaos God Emperor in the endless chaos. .

At this moment, the Dark Hand was destroyed by the power of the World Matrix.

The space cracks at high altitude also completely disappeared.

Ye Feng immediately entered a safe state.

But at this time, Ye Feng continued to call his father Emperor Ye Qing in the endless chaos.

Because Ye Feng wanted to talk to his father about his life experience.

Ye Feng has huge doubts. Is he related to the Ye family in the world of origin?

But Ye Feng continued to call Emperor Ye Qing, but he could no longer get any response.

Obviously, Emperor Ye Qing could only help himself through the world matrix and could not contact him directly.

If Ye Feng hadn't roared out the cry of life at the critical moment, he might not have been able to contact Emperor Ye Qing.

At this moment, Ye Feng immediately looked in a certain direction not far away, and then said loudly: "Let's just leave here."

At this moment, Ye Feng's heart felt a little heavy. He didn't expect such a terrifying dark demon to exist in the ancient hell. All his trump cards were as pitiful and weak as ants in front of that terrifying existence.

"powerful!"

"I still need to become stronger!"

At this moment, Ye Feng was shouting secretly in his heart.

At this time, the emperor of the Scarlet Flame Dynasty followed Ye Feng without saying anything.

Because everything that just happened can be called a miracle, and it is no longer something that an ordinary mortal emperor like him can understand.

Zhuque also fell into silence at this time, but became more and more curious about Ye Feng's identity.

Because what happened just now was so shocking, it was like seeing a miracle.

Even the ancient divine beast Suzaku felt a huge spiritual impact.

"Ye Feng, who are you..."

Suzaku murmured secretly in his heart.

Chapter 2626 Fight against the invincible opponent in the world

At this time, Ye Feng led a group of people to leave the wilderness and returned to the imperial city of the Scarlet Flame Dynasty.

At this moment, the emperor of the Scarlet Flame Dynasty immediately spoke to Ye Feng and said: "This time it is really thanks to Mr. Ye Feng, otherwise we may be afraid that all the imperial cities of the entire Scarlet Flame Dynasty will fall into endless disasters."

Entering the wild land this time, the Emperor of the Red Flame Dynasty saw many incredible things.

For example, the Devil Altar and the terrifying hand of darkness are all existences that the Emperor of the Red Flame Dynasty cannot understand at all.

So at this time, the Emperor of the Scarlet Flame Dynasty knew very well that if it weren't for Ye Feng this time, I am afraid that the entire Scarlet Flame Dynasty would have been completely destroyed. .??.

Ye Feng smiled slightly at this time and said aloud: "This is what it should be. After all, I accepted this task from Tiandao Sect, so I will definitely complete it all before leaving."

When the Emperor of the Scarlet Flame Dynasty heard what Ye Feng said, he seemed to have thought of something, and immediately said: "By the way, this mission has been successfully completed, and I will give Master Ye Feng the reward you deserve!"

Next, the Emperor of the Scarlet Flame Dynasty directly gave Ye Feng a full one million top-quality crystal stones as stipulated in the reward, as well as a copy of the essence of the Scarlet Flame Dynasty's faith.

At this moment, the Emperor of the Scarlet Flame Dynasty held a container in his hand, looked at the energy contained in it, and said to Ye Feng: "This is the essence of our Scarlet Flame Dynasty's faith, and the energy contained in it is incomparable. Powerful and pure."

Ye Feng took the container, with deep surprise in his eyes, and said loudly: "Thank you Emperor Chiyan."

When the Emperor of the Scarlet Flame Dynasty heard what Ye Feng said, he immediately saluted and said, "I should thank you, Mr. Ye Feng."

Ye Feng nodded, and then said aloud: "Now that the threat here has been completely eliminated, it is time for me to leave here."

The Emperor of the Scarlet Flame Dynasty immediately clasped his fists and said, "Young Master Ye Feng, have a safe trip."

Ye Feng nodded slightly, then jumped up and left the imperial city of the Scarlet Flame Dynasty in an instant.

, and flew towards the desolate land outside.

While walking on the desolate land, Ye Feng found a very secluded place and settled down temporarily because he wanted to refine the rewards he had received before.

Whether it is the one million divine crystals or the essence of faith accumulated by the Red Flame Dynasty for many years, they are all very precious things to Ye Feng.

At this time, Ye Feng landed on a small hillside, and then began to take out the one million divine crystals he had obtained before, directly releasing the Devouring Domain and starting to refine it.

"Rumble..."

One million divine crystals were piled up like a huge mountain in front of Ye Feng at this moment.

The moment he was enveloped by the Devouring Domain, a stream of majestic energy was immediately absorbed from the divine crystal and then injected into Ye Feng's body.

At this moment, Ye Feng's skill suddenly began to grow rapidly.

Ye Feng's body immediately burst out with an extremely powerful aura of cultivation.

That's the momentum of a breakthrough!

At this moment, with the help of the energy of these million divine crystals, Ye Feng's cultivation level once again broke through, and he directly rushed into the sixth level of the True Self Eternal Realm.

Next, Ye Feng did not hesitate and continued to take out another reward, the Essence of Faith, given to him by the Emperor of the Red Flame Dynasty.

At this moment, Ye Feng immediately took a deep breath and inhaled all the essence of faith in the container in front of him into his body.

At this moment, Ye Feng immediately felt as if his entire body was enveloped by countless warm energies.

At this moment, Ye Feng could immediately feel that every inch of his body was filled with the extremely powerful power of faith.

This kind of

The power of faith is extremely pure, more abundant and pure than the energy of heaven and earth contained in the divine crystal.

So at this time, Ye Feng absorbed the essence of faith in the entire container, and his skill suddenly achieved a breakthrough again, directly breaking through to the seventh level of the True Self Eternal Realm.

Although this time, with the help of the reward from this mission, he broke through several heavens and reached nearly the seventh heaven of true self eternity, Ye Feng did not have much happy expression on his face.

Because Ye Feng had just experienced a terrible life and death crisis before, Ye Feng knew that his current cultivation level was nothing in front of those super powerful people in the real super interface.

What Ye Feng wants now is to continue to break through major realms quickly.

Uh-huh!

At this time, Ye Feng took out a task list from his storage ring and looked at the second task.

The second task Suzaku helped Ye Feng choose was to help a large chamber of commerce escort a convoy of goods safely through a wild forest.

This is a relatively simple task for Ye Feng.

Ye Feng looked at the map location on the mission list and quickly flew towards the location required for the mission.

In the next period of time, Ye Feng completed one task after another outside.

This time Suzaku selected a total of nearly six missions. For Ye Feng, the next missions were not as dangerous as the first time he encountered the dark hell outside the Red Flame Dynasty.

Therefore, in just a few months, Ye Feng has completed all six tasks he took over, and his cultivation has also broken through to the level of the tenth level of the True Self Eternal Realm, Great Perfection, within these few months.

Now, excluding Ye Feng's terrifying combat power, Ye Feng's current cultivation level of the tenth level of the True Eternal Realm is definitely among the masters in the Tiandao Sect.

Even among the inner sect of Tiandao Sect, it is definitely a core

level disciple.

Ye Feng is ready to return to Tiandao Sect because all his tasks have been completed and ended.

On the way back to Tiandao Sect, Ye Feng did not waste time, but in just half a month's journey, Ye Feng had already returned to the headquarters of Tiandao Sect.

When Ye Feng arrived at the gate of Tiandao Sect, he suddenly saw the disciples of Tiandao Sect running towards the central area of Tiandao Sect in a hurry.

Ye Feng was very surprised when he saw this scene. He couldn't help but stop a pretty female disciple and asked: "Sister, what happened in the central area of our Tiandao Sect? Why are there so many people? Are you all rushing in that direction?"

The senior sister glanced at Ye Feng and immediately couldn't help but said: "There is a super genius from the Demon Sect of Everlasting Hatred, who came to challenge the inner disciples of our Tiandao Sect, saying that he would fight against all the invincible opponents in the world. Now many of us The inner disciples of the Tiandao Sect gathered there, because many of the inner disciples were defeated by the super genius of the Everlasting Hatred Demon Sect, and many of our elders of the Tiandao Sect looked very ugly. "

After the female disciple finished speaking, she immediately flew towards the center.

Ye Feng heard everything the female disciple said, and there was a hint of curiosity in his eyes.

The super genius of Everlasting Hatred Demon Sect comes to challenge the genius of Tiandao Sect?

"interesting."

Ye Feng smiled and shook his head. He did not join in the fun, but walked directly towards his place of residence, preparing to rest for a few days.

But at this time, several inner disciples suddenly emerged from the surroundings, stopped Ye Feng, and said with a sneer: "Boy Ye Feng, you are finally back. You should not have forgotten that you killed our senior brother Xiao Yan before. Disciple, right? Now that your trial time has come, Senior Brother Xiao Yan said that he would come here in person to judge your fate. You killed his brother Xiao Yun. Don't go anywhere now. Just wait here for Senior Brother Xiao Yan. Come, brother."

Chapter 2627 Mysterious and powerful

At this moment, there was a hint of surprise in Ye Feng's eyes.

Unexpectedly, he had just returned to the sect, and someone had already targeted him and came directly to his door.

At this time, Ye Feng's face was very cold and he said loudly: "Get out of here, I have no interest in these things now."

At this moment, Ye Feng said and immediately continued walking forward.

"stop!"

These inner disciples immediately stepped in front of Ye Feng, pulled out the long sword from his waist, and instantly blocked Ye Feng's way.

"boom!"

But Ye Feng snorted coldly at this moment, and an extremely powerful cultivation aura suddenly burst out from his body.

Bang!

Bang!

Almost at the next moment, Ye Feng's aura, like a tornado, swept forward, instantly blowing away the two inner disciples who were blocking the way.

"What?!"

At this moment, the two inner disciples fell to the ground in the distance in an extremely embarrassed state, with deep horror in their eyes.

They all had incredible looks in their eyes, and they couldn't help but exclaimed: "Boy! Why did you become so powerful all of a sudden? How is this possible! Didn't you just become an outer disciple of our Tiandao Sect? "

At this time, the two inner disciples were filled with deep horror.

"Why panic!"

But suddenly at this moment, a majestic and boundless voice sounded.

Uh-huh!

At this time, a young man in black robe suddenly appeared behind the two inner disciples, exuding a powerful and unparalleled cultivation aura.

That kind of cultivation momentum is impressively beyond the third level of the Holy Embryo Realm of Heaven and Earth, which is beyond the Eternal Realm of True Self!

"Senior Brother Xiao Yan!"

Saw this year

At the moment when the young man was young, the two inner disciples couldn't help but burst out in surprise.

"Senior Brother Xiao Yan?"

Ye Feng's eyes showed surprise.

It turns out that this is Xiao Yan.

At this moment, Xiao Yan looked at Ye Feng, who was not far away, with a cold and cruel look in his eyes, and said loudly: "Boy, you killed my brother, and you still treated my subordinate under the spotlight. The disciples who took action really didn't take me seriously."

When Ye Feng heard this, he couldn't help but smile indifferently and said, "Do I need to take you seriously? Who are you?"

what are you?

Almost as soon as Ye Feng finished speaking, everyone on the field suddenly took a breath of air.

At this moment, the movement happening here also attracted many outer and inner disciples passing by.

They were all attracted by Xiao Yan.

Because Xiao Yan is the sixth most powerful being among the top ten inner disciples of Tiandao Sect.

Therefore, Xiao Yan is considered a well-known figure in Tiandao Sect.

After Xiao Yan appeared at this moment, naturally many surrounding Tiandao Sect disciples stopped here and were unwilling to leave.

At this time, everyone was talking around them.

"Who is this boy in white clothes and Shengxue? How dare he compete with Xiao Yan, the sixth among the top ten disciples of the inner sect?"

"Hmph, I think this kid is really tired of living. He will definitely die miserably later."

...

At this time, everyone around them spoke out one after another, with cynicism in their tone.

Because they felt that Xiao Yan, the extremely powerful sixth brother,

He must be countless times more powerful than this unknown boy like Ye Feng.

At this moment, Xiao Yan's eyes were very cold, staring at Ye Feng not far away, slowly walking towards Ye Feng, and said loudly: "Today, here is the day of your death and burial. land."

boom!

Almost at the moment Xiao Yan finished speaking, the powerful aura of cultivation from the third level of the Holy Embryo Realm of Heaven and Earth suddenly burst out from his body.

Xiao Yan was so powerful that he was like a giant. He walked towards Ye Feng step by step. The whole ground was shaking rapidly.

At this time, Xiao Yan was extremely cold and said to Ye Feng in a condescending manner: "Ye Feng, you are just a newbie. Even if your cultivation reaches the tenth level of the True Self Eternal Realm, in my eyes you are still You're just an ant, what qualifications do you have to be so arrogant in front of me."

boom!

Almost at this moment, Xiao Yan fiercely stretched out a hand towards Ye Feng.

Boom!

This hand suddenly turned into a huge hand of vitality in the sky, and instantly bombarded Ye Feng in front of him.

"This kid is dead!"

The two inner disciples who were following Xiao Yan not far away suddenly had sneers in their eyes.

Because in their eyes, Senior Brother Xiao Yan is invincible. When dealing with a new disciple like Ye Feng, he will definitely be able to completely obliterate him in an instant.

"roll!!"

But suddenly at this moment, Ye Feng roared loudly, and then punched away hard.

"Boom!!"

Accompanied by an earth-shattering roar, under the shocked gazes of countless people, Ye Feng's punch exploded, causing the earth to collapse and Xiao Yan to be blown away in an instant.

With this punch, Ye Feng exploded

He released his powerful and boundless power of chaos body.

You know, Ye Feng's current cultivation and strength are terrifying to the extreme.

Even though this fist Ye Feng didn't have any terrible inheritance, it still burst out with boundless power in an instant.

"puff!!"

Xiao Yan immediately spat out a mouthful of blood and was blown away by Ye Feng's punch. He fell to the ground with a "bang".

Countless people in the entire field suddenly widened their eyes.

quiet!

Deadly quiet!

At this time, the entire field suddenly fell into deep silence.

Including the two inner disciples under Xiao Yan, their eyes widened and their mouths grew wide at this moment, their eyes filled with deep shock and dullness.

Because they never thought that Ye Feng would be so powerful, so powerful!

With one punch, Xiao Yan, the sixth disciple of the inner sect, was instantly blown away.

This is really an exaggeration!

"No matter how powerful this Ye Feng is, he should still have to fight with Xiao Yan, the sixth disciple of the inner sect, for a while, but he didn't expect to be blown away with one punch?"

"Then how terrifying is Ye Feng, this mysterious new disciple, how terrifying is his true strength?"

"hiss!"

Almost at this moment, everyone present couldn't help but gasped and felt deeply shocked.

At this time, many people in the outer and inner sects of Tiandao Sect suddenly began to secretly pay attention to Ye Feng, a new disciple with mysterious and powerful abilities.

At this time, Ye Feng walked up to Xiao Yan and looked at Xiao Yan who was lying on the ground with a look of doubt on his face. He stretched out his hand and said, "Hand over the storage ring on your body. This is your provoking me." price."

Chapter 2628 Come out to help

Hand over your storage ring.

At this moment, after Ye Feng finished speaking, Xiao Yan's eyes suddenly showed deep anger.

Because what Ye Feng said really made Xiao Yan feel ashamed.

At this time, Ye Feng's eyes showed a deep coldness, he stared at Xiao Yan in front of him, and said loudly: "Hand over your storage ring, or you will die."

The moment Ye Feng finished speaking, everyone around him suddenly showed deep horror in their eyes.

Because Xiao Yan is the sixth disciple of the inner sect, and his status in Tiandao Sect is very noble.

But now Ye Feng humiliated Xiao Yan directly in front of everyone's attention, which was really domineering to the extreme.

At this time, Ye Feng's eyes showed no sign of giving in.

"You... don't go too far." ??

Xiao Yan's eyes showed deep anger and shame at this time.

At this moment, Xiao Yan felt that the eyes of the people around him were like needles piercing his back.

"boom!"

But suddenly at this moment, Ye Feng reached out and snatched the storage ring from Xiao Yan's hand.

At this moment, Xiao Yan's eyes widened immediately, and he said angrily: "You are going too far!"

boom!

At this moment, Xiao Yan's whole body suddenly burst out with a powerful momentum, and he rushed towards Ye Feng.

"Boom!"

But at this moment, Ye Feng waved a terrifying fist directly towards the back, and a terrifying impact exploded in an instant.

Bang!

Xiao Yan was instantly blown away, spitting out a mouthful of blood in the air, and then fell to the ground in a very embarrassed state.

At this time, Xiao Yan once again saw the power of Ye Feng, and his eyes showed deep horror in an instant. He never thought that a new disciple who had just joined Tiandao Sect would have such a powerful strength. It's really terrible.

Ye Feng had already left the place at this moment, leaving only a shocked crowd.

Many people have already felt deep shock and surprise in their hearts towards Ye Feng, this mysterious new disciple.

When Ye Feng returned to where he lived, he opened the storage ring he snatched from Xiao Yan.

The contents inside made Ye Feng's eyes light up immediately.

Because Ye Feng found a lot of wealth in Xiao Yan's storage ring.

There are also several powerful inheritances in Tiandao Sect.

All are high level.

The reason why Ye Feng did not kill Xiao Yan before was because Xiao Yan's identity was quite special in the Tiandao Sect. He was one of the top ten disciples of the inner sect, so killing him directly might have huge consequences.

But Ye Feng definitely wanted to teach Xiao Yan a lesson, so he suffered a big loss for Xiao Yan under the spotlight.

Uh-huh!

At this time, Suzaku flew out of Ye Feng's storage ring, returned to a branch in the place where he lived, and began to slowly absorb the spiritual energy of heaven and earth.

Ye Feng returned to his bedroom and began to retreat, reliving all the insights he had gained while away from home.

In this way, Ye Feng can stabilize his current martial arts practice.

At this moment, Ye Feng was in seclusion and suddenly heard

There was a lot of noise outside.

"Senior Brother Ye Feng! Please come out and see me!"

A voice sounded outside.

Ye Feng's eyes were a little confused.

"I don't know anyone in Tiandao Sect, so why would someone suddenly come to me? That Xiao Yan lost so miserably, wouldn't he find someone to make trouble for him?"

Ye Feng was very confused at this moment, so he walked out of his bedroom and came outside.

What made Ye Feng's eyes look deeply surprised was that a large group of disciples were already standing outside, all staring at him, with a look of expectation in their eyes that Ye Feng couldn't understand.

At this moment, the person who spoke before was a young man wearing a white robe.

The young man immediately walked not far from Ye Feng, clasped his fists and said loudly: "Senior Brother Ye Feng, although you and I have never met, the situation is very urgent now, and we can only come here to help you."

There was a trace of surprise and doubt in Ye Feng's eyes, and he couldn't help but said: "It's an emergency? What do you mean?"

The young man in a white robe immediately spoke out: "The super genius Mo Wushuang of the Everlasting Hatred Demon Sect has challenged many inner disciples in our inner sect of Tiandao Sect, and defeated them all. Even our inner sect has defeated The third and fourth ranked masters in the sect were defeated by the super genius Mo Wushou of the Everlasting Hatred Demon Sect just now, so we want to invite Senior Brother Ye Feng to help out. "

When Ye Feng heard what the white-robed disciple said, his eyes showed a trace of surprise. He didn't expect that the super genius of the Ever-Hateful Demon Sect was so powerful. He challenged so many masters in succession and defeated them all. Even The third and fourth ranked masters in the inner sect of Tiandao Sect are unable to defeat the super genius Mo Wu from the Everlasting Hatred Demon Sect.

pair. "

At this time, Ye Feng couldn't help but said: "Where are the first and second in the inner sect?"

The white-robed disciple couldn't help but smile bitterly and said aloud: "The first and second-ranked senior brothers are now practicing outside and have no time to come back, so we have nothing to do now. Someone watched Ye Senior Brother Feng, you instantly defeated Xiao Yan, the sixth most powerful person in the inner sect, with one punch. That's why we found you, Senior Brother Ye Feng, because that super genius Mo Wushuang who always hated the Demon Sect was really bullying people. He threatened that all of us in the Tiandao Sect are weak, and many of the elders in our inner sect of the Tiandao Sect were very angry, but there was nothing they could do, because this was a fair challenge for the younger generation, and the elders could not interfere. "

When Ye Feng heard what the white-robed disciple said, he immediately nodded slightly, and then said loudly: "I am now a disciple of Tiandao Sect. Naturally, I have to help when encountering such a thing."

For Ye Feng, he had nothing good to do with the Demon Sect of Everlasting Hatred. Previously, Ye Feng killed the Ninth Young Master of the Demon Sect of Everlasting Hatred in the wild cave.

So at this moment, when he saw that everyone was so sincerely asking him to help out, Ye Feng did not refuse.

Moreover, Ye Feng felt that since he was planning to develop in Tiandao Sect recently, this might be his famous battle, which would allow him to gain the attention of the upper echelons of the sect.

And behind Ye Feng stood Leng Qingxue.

It was Leng Qingxue who used her connections to let Ye Feng come in directly.

Therefore, Ye Feng naturally wanted to make Leng Qingxue's face shine.

At this moment, many disciples were very happy to hear that Ye Feng agreed to take action.

The white-robed disciple immediately said: "Senior Brother Ye Feng, please come this way, I will take you there!"

Chapter 2629 The unknown person

At this moment, under the leadership of the white-robed disciple and a group of other Tiandao Sect disciples, Ye Feng quickly arrived at the central square area of Tiandao Sect.

At this time, many people had gathered in the central square area, and it could even be said to be a sea of people.

Obviously, the super genius of Everlasting Hatred Demon Sect came to challenge the inner disciples of Tiandao Sect this time, attracting the attention of countless people.

"Bang!"

At this time, a very embarrassed figure suddenly fell out of the crowd not far away.

This figure is none other than an inner disciple of Tiandao Sect.

And he is also the second-ranked existence among the top ten disciples of the inner sect of Tiandao Sect.

His name was Zhu Qingshan, and he was very powerful, but he was still defeated by the super genius Mo Wushuang of the Everlasting Hatred Demon Sect.

At this moment, many disciples of Tiandao Sect around saw that even Zhu Qingshan had been defeated by Mo Wushuang, and their faces suddenly showed deep despair.

Because this super genius of the Everlasting Hatred Demon Sect is an inner disciple of the Everlasting Hatred Demon Sect, so when he comes to Tiandao Sect to discuss martial arts training, naturally he cannot be allowed to be dealt with by the core disciples of the Tiandao Sect.

But all the inner disciples of Tiandao Sect were defeated one by one.

Even the second disciple of the inner sect, Zhu Qingshan, who had just returned from the field, was defeated at this moment by the super genius Mo Wushuang of the Everlasting Hatred Demon Sect.

At this time, Mo Wushuang's eyes not far away were full of aloofness.

He looked at all the disciples of the Tiandao Sect present, and said with an extremely arrogant expression: "I am only the inner disciple of our Everlasting Hatred Demon Sect and ranked at the end of the tenth among the top ten disciples, but I didn't expect that the disciples of your Tiandao Sect would be so unlucky, even the second ranked inner sect disciple was defeated by me, it's really too weak."

"you.....!"

Hearing what Mo Wushuang, the super genius of the Ever-Hateful Demon Sect, said, a group of Tiandao Sect disciples around him couldn't help but look at him.

Showing anger.

Because they never expected that the Demon Sect of Everlasting Hatred would produce such a super genius with terrifying combat power.

"Senior Brother Ye Feng is here!"

Suddenly at this moment, an excited voice came from the crowd not far away.

"Senior Brother Ye Feng? Who is that?"

"I seem to have never heard of this name."

...

At this moment, not to mention the few people from the Everlasting Hatred Demon Sect, they were the inner disciples of the Tiandao Sect. When they heard this voice at this moment, they all had a trace of surprise in their eyes.

Because they don't know who Ye Feng is.

Seems like just a nobody.

At this time, surrounded by a group of inner disciples not far away, Ye Feng slowly walked over. He was wearing a white gown, which was whiter than snow. He looked quite chic and had an extraordinary temperament.

At this time, Mo Wushuang, the super genius from the Ever Hate Demon Sect, immediately stared at Ye Feng and couldn't help but said, "Who are you? I've never heard your name?"

Ye Feng smiled slightly and said aloud: "It doesn't matter who I am. What's important is that I have to fight you next. It's not that I don't have experts in Tiandao Sect, I'm just too lazy to take action."

"Arrogant!"

At this moment, when Mo Wushuang, the super genius who had always hated the Demon Sect, heard what Ye Feng said, there was a trace of sarcasm in his eyes, and he said loudly: "Don't think I don't know, I just heard it Many people around me are saying that even the inner disciples of Tiandao Sect don't know you, it seems you are just an unknown kid, just an arrogant person."

Ye Feng couldn't help but feel indifferent after hearing this.

He smiled and said aloud: "Whether he is an unknown person or not, we will find out later."

Mo Wushuang smiled sarcastically and said aloud: "I think the cultivation aura on your body is only the tenth level of the eternal realm of the true self. Do you know what kind of cultivation Zhu Qingshan, the second disciple of your Tiandao Sect's inner sect who was just defeated by me, has?" Is that true? He is a seventh-level cultivator in the Holy Embryo Realm of Heaven and Earth! Even he is no match for me, so he was defeated by me."

At this moment, after Mo Wushuang finished speaking, Zhu Qingshan, the second disciple not far away, immediately turned extremely pale. He couldn't help but look at Ye Feng and said aloud: "This demon who has always hated the Demon Sect. Wushuang is so powerful, you must not die, your cultivation level is still too low, no matter how strong your combat power is, you cannot be a match for this Demon Wushuang."

Ye Feng nodded and said aloud: "Don't worry, since I'm here, I must take action. Now I am also a member of Tiandao Sect. I can't just watch the sect being so casually treated by other people. Insult."

Uh-huh!

After Ye Feng finished speaking, he immediately ducked and walked towards Mo Wushuang not far away.

Many disciples of the Tiandao Sect present had nervous eyes at this moment.

Because they have never seen Ye Feng, nor have they heard of Ye Feng's name.

They felt that Ye Feng might just be a hidden genius, but his real strength was definitely not as good as a super genius like Mo Wushuang. .??.

Because Mo Wushuang has been challenging the entire inner sect of Tiandao Sect these days, defeating all the inner sect disciples.

Originally, everyone's hope was placed on Zhu Qingshan, the second disciple of the inner sect, but as soon as Mo Wushuang took action, Zhu Qingshan was defeated without persisting for a few moves.

So everyone knows that Mo Wushuang is too powerful and terrifying. Among his generation, no one can resist this super genius of the devil.

And everyone still doesn't know where Mo Wushuang's upper limit is, because even Zhu Qingshan, who ranks second in the Tiandao Sect's inner sect, just didn't force Mo Wushuang to use his final trump card and exert his strongest power.

Mo Wushuang defeated Zhu Qingshan very easily.

This time, the Everlasting Hatred Demon Sect said they were here to learn martial arts, but they must have deliberately come to humiliate the entire Tiandao Sect.

Therefore, everyone felt that Ye Feng, an unknown person, was probably not of much use and would eventually be defeated by Mo Wushuang.

"Hateful!"

"The Demon Sect of Everlasting Hatred has become more and more arrogant in recent years."

"But it's not easy for the seniors to interfere in the competition between the same generation."

"Is our Tiandao Sect being deliberately humiliated by the Demon Sect of Everlasting Hatred today?"

...

At this time, many Tiandao Sect disciples were sighing.

Because no one regarded the sudden arrival of an unknown person named Ye Feng as hope at all.

At this moment, Ye Feng did not pay attention to the sighs of the people around him, but with extremely calm eyes, even with a trace of confidence, he walked to the edge of the competition platform in the central square not far away, and then took a direct step Stepped up.

Seeing that Ye Feng actually stepped onto the competition stage, Mo Wushuang, the super genius of the Ever-Hate Demon Sect, suddenly showed a trace of surprise in his eyes, and couldn't help but said: "I didn't expect you to really You dare to come up and die? Well, then I will help you and crush you to death instantly with one hand!"

boom!

Almost at the moment Mo Wushuang finished speaking, he casually stretched out a hand with an extremely contemptuous gesture, and suddenly a big black hand came out of the void, just like the hand of a black troll, and it suddenly moved towards Ye Feng grabbed it, filled with endless power and pressure, as if he could crush everything in an instant.

Chapter 2630 Such terrifying strength

Boom!

The huge black palm was grabbed from high in the sky, full of unparalleled coercion and impact. It felt like the ancient dark demon god had revived, and a huge hand was born from the ancient era. , as if it could crush the entire universe.

This kind of power was so terrifying that everyone felt trembling all over.

At this moment, everyone understands that this super genius Mo Wushuang of the Everlasting Hatred Demon Sect is definitely a rare genius throughout the ages, and he is also a genius who specializes in practicing magic, so he is simply unable to fight against him.

At this time, many people were mourning Ye Feng.

It is really sad that an unknown person will die after going up like this.

It has to be said that Mo Wushuang, a super genius who has always hated the Demon Sect, is still very powerful. The moment he strikes, the sky will collapse and the earth will fall apart, with an aura that will destroy the world.

The power that exploded at this moment made everyone present feel a sense of death crisis, which was really terrifying to the extreme.

Everyone felt that Ye Feng was going to die soon, being crushed mercilessly by this dark hand.

But at this time, Ye Feng stood there, his eyes still extremely calm, as if that big black hand was not threatening at all.

"boom!"

At this moment, the big black hand finally fell completely, directly covering the sky above Ye Feng's head.

Ye Feng's entire figure was extremely thin, just like a small ant in front of this towering black hand.

But suddenly the next moment.

"boom!!"

A huge and boundless aura suddenly rose up from Ye Feng's body.

In an instant, everyone felt that Ye Feng's seemingly thin and thin body felt as if an ancient giant beast had suddenly awakened, filled with an extremely terrifying and majestic aura.

"Click, click..."

Almost at this moment, Ye Feng waved his fist and struck the big black hand in an instant, shattering the big black hand into pieces in an instant.

"What a powerful punch!"

Everyone was shocked.

For the first time, I saw Ye Feng's extremely powerful strength.

Because Zhu Qingshan, who was the second in the inner sect of Tiandao Sect, had a very awkward time facing Mo Wushuang, a big black hand.

But at this moment, Ye Feng just made a simple fist, but it instantly shattered the big black hand that Mo Wushuang blasted out.

This kind of strength is definitely very powerful.

"Um?"

At this moment, even Mo Wushuang, a super genius who had always hated the Demon Sect, had a hint of surprise in his eyes.

Mo Wushuang couldn't help but said: "Oh? I didn't expect that an unknown person like you could block my demonic hand. It seems that you are somewhat capable, but I will be serious next time, will you? It failed miserably."

boom!

Almost as soon as Mo Wushuang finished speaking, a powerful aura suddenly erupted from his body.

"The Death Ray of Demon Destroyer God!"

boom! boom! boom.....

Almost at the next moment, Mo Wushuang's body burst out with terrifying divine light.

The entire surface of Mo Wushuang's body erupted with rays of light that merged with dark light and crimson light. They were full of terrifying and incomparable destructive power. All of a sudden, it was like a thousand arrows being fired. It was all in an instant. It poured in front of Ye Feng.

That terrifying death ray is so terrifying that it can literally pierce through and tear apart everything in the world.

At this time, Zhu Qingshan, the second disciple of the inner sect of Tiandao Sect standing under the competition stage, saw this move, and his expression suddenly became extremely excited. He couldn't help but said: "I have been defeated by this move before. Even my Supreme Sword Pure Gang Technique cannot be resisted by this attack!"

Hearing this, everyone around them suddenly showed deep nervousness in their eyes.

Because they didn't know whether Ye Feng, a young genius disciple who suddenly appeared, could withstand the terrifying move that Mo Wushuang used at this time.

"Buzz!"

Suddenly at this moment, Ye Feng suddenly burst out with a boundless and powerful momentum.

Supreme realm! .??.

At this moment, Ye Feng burst out the supreme realm that he had cultivated to the Great Perfection state.

"Boom boom boom..."

Almost at the next moment, Ye Feng's body burst out with extremely powerful supreme shadows.

An extremely powerful supreme realm appeared around Ye Feng, with a total of ninety-nine and eighty-one supreme shadows, each of which was full of overwhelming power and momentum. They suddenly appeared next to Ye Feng, and instantly made him Everyone felt the terrifying impact like a huge wave.

Almost at this moment, everyone felt that their entire body and soul were about to be broken.

Because the Supreme Domain released by Ye Feng at this time was also full of endless momentum, making everyone feel fear.

Boom!

Almost at this moment, the countless supreme beings released by Ye Feng collided with the terrifying death rays released by Mo Wushuang before.

Suddenly

There was a huge roar and explosion throughout the field, and the entire field was blown to pieces.

"What a powerful force!"

Almost at this moment, everyone present could not help but have deep horror in their eyes.

They never thought that a battle between two younger generations could produce such terrible destructive power.

It's so terrifying that it makes one's whole soul tremble.

This kind of powerful power is estimated to be comparable to some elder-level senior figures in Tiandao Sect or Everlasting Hatred Demon Sect.

"Who wins and who loses?"

At this time, everyone was very curious about the final result, because it was related to the reputation of Tiandao Sect.

After a few minutes, all the smoke and dust in the sky dissipated.

Finally the two of them appeared in everyone's sight.

At this moment, the super genius Mo Wushuang, who had always hated the Demon Sect, had extremely gloomy eyes.

Because Mo Wushuang's attack had no effect and did not cause any damage to Ye Feng.

At this moment, Ye Feng stood proudly high in the sky, completely unscathed, very calm and at ease.

"It actually blocked the terrifying inheritance of Mo Wushuang, and it didn't seem to be harmed at all!"

"hiss!"

At this moment, everyone present could not help but gasp.

Because no one thought that this Ye Feng actually had such a powerful strength.

This kind of strength has surpassed that of Zhu Qingshan, the second disciple of the inner sect before Tiandao Sect.

At this moment, Zhu Qingshan's eyes also showed deep surprise. It seemed that he did not expect that Ye Feng, a young man who suddenly appeared, actually had such terrifying strength!
