Chapter 2631 Blast everything to pieces

Mo Wushuang, a super genius from the Demon Sect of Everlasting Hatred, had extremely gloomy eyes at this time.

Because he originally thought that he, a young boy who suddenly appeared, was just an unknown person, but now this unknown person can actually block it.

This situation made Mo Wushuang suddenly have a deep gloominess in his eyes!

At this time, Mo Wushuang's whole body was filled with dark demonic energy, and his eyes were also glowing with black light, making him look very scary.

At this moment, Mo Wushuang's eyes showed deep coldness and majesty. He was suspended high in the sky and said to Ye Feng: "I will not hold back anymore. Once my trump card and power are released, , you may die in an instant."

Ye Feng smiled slightly, his whole body was shining with light, and he said loudly: "You talk too much."

"you.....!"

Hearing what Ye Feng said, Mo Wushuang's face suddenly turned livid. Unexpectedly, Ye Feng was so strong and did not feel any fear at all.

At this moment, Mo Wushuang said nothing more, and immediately activated his most original power, and his body suddenly emitted jet-black light.

These rays of light seemed to come from the most terrifying demon world. They were all condensed together, forming terrifying wheels like wheels of darkness. They bombarded forward in an instant. Everything was flying at the speed of this wheel of darkness. During the rotation, everything was vulnerable and was directly crushed into countless pieces, which was very terrifying.

"Is this... the legendary wheel of life and death in hell that only Shura bloodline can cultivate!"

At this moment, many of the elders of the inner sect of Tiandao Sect were watching. Their vision was very high. At this moment, they could immediately see what kind of methods Mo Wushuang was using at this time. .

At this time, Mo Wushuang was surrounded by countless hell wheels of life and death. He was like a Lord of Judgment from hell. He instantly came in front of Ye Feng and wanted to judge Ye Feng directly to death.

At this moment, Ye Feng's eyes showed a trace of solemnity, because he could feel that the hell wheel of life and death around Mo Wushuang was still very powerful, which created a crisis for his powerful and solid chaotic body. feel.

However, Ye Feng was not too worried because Ye Feng

Feng's current strength is also different from before.

"boom!"

Almost at this moment, Ye Feng himself burst out with a terrifying divine light.

At this moment, every inch of Ye Feng's body was emitting a terrifying light, making people feel like a young god, full of terrifying and boundless power and majesty.

Almost at the next moment, Ye Feng suddenly displayed the most powerful method, Six Paths Reincarnation Fist.

As a result, at this moment, a terrifying impact burst out from Ye Feng's fist, which could break through the entire sky and earth.

Brute force gem!

And at this time, Ye Feng also integrated the brute force gem into his fist, releasing the terrifying master brute force of the brute force gem.

At this moment, Ye Feng's punch was simply a peak punch.

Ye Feng's punch was very terrifying.

It is almost Ye Feng's most powerful and peak fist.

The brute force gem combined with the Six Paths of Samsara Fist is absolutely terrifying to the extreme.

"Boom!!"

Almost at the next moment, Ye Feng's punch hit the hell wheel of life and death that was spinning rapidly around Mo Wushuang who was rushing forward.

"Click, click..."

Accompanied by terrifying roars and shattering sounds, Ye Feng's punch at this moment burst out with endless divine light, blasting and shattering all the rapidly rotating hell wheels of life and death.

Ye Feng's punch power was extremely terrifying at this moment, full of endless destructive power, and instantly blasted through the hell wheel of life and death.

The countless hell wheels of life and death that seemed to be able to crush everything were as fragile as a piece of paper, being punched through by Ye Feng's peak punch at this moment.

"What?"

"How can it be?!"

At this moment, even Mo Wushuang, a demon with eternal hatred,

The super genius himself could not help but exclaim, with a look of deep horror in his eyes.

Because the Hell Wheel of Life and Death can be said to be Mo Wushuang's strongest trump card. Once it is used, it needs to burn the original demon blood, and the destructive power it explodes is very terrifying.

But Ye Feng still used his fist, bursting out with overwhelming power, devastating everything, full of terrifying destructive power, and smashing everything into pieces.

"boom!"

Suddenly at this moment, Ye Feng's fist struck in front of Mo Wushuang, hitting his chest, and a terrifying roar broke out.

"boom!!"

At this moment, Mo Wushuang suddenly felt a terrifying and boundless impact, which suddenly burst out from Ye Feng's fist, passed through the armor and treasure clothes on his body, and instantly impacted Mo Wushuang's body. internal.

"puff!"

Almost at this moment, Mo Wushuang spurted out a mouthful of blood and flew backwards, suffering severe trauma.

"So powerful!"

"He actually defeated Mo Wushuang!!"

"This Ye Feng is definitely not some unknown person, he is definitely the peerless genius hidden secretly in our Tiandao Sect!"

...

At this moment, the countless Tiandao Sect disciples around the competition platform showed deep excitement and enthusiasm, and they were all shouting loudly, obviously very excited.

Because Mo Wushuang had been constantly defeating the inner disciples of Tiandao Sect before.

Even the second strongest man in the inner sect came back temporarily to save the situation, but failed and was easily defeated by Mo Wushuang.

Therefore, many disciples of Tiandao Sect are almost desperate.

But what I didn't expect was that Ye Feng, who arrived at short notice, this unknown person who was looked down upon by others at the beginning, suddenly burst out with such terrifying fighting power and directly defeated Mo Wushuang.

It really made everyone present extremely excited!

"hateful!!"

At this time, the defeated Mo Wushuang was not far away, his eyes extremely gloomy,

It was extremely gloomy.

For Mo Wushuang, he originally wanted to defeat the invincible opponent in the world today, and to humiliate the inner disciples of Tiandao Sect.

But what he didn't expect was that Ye Feng, an outer disciple of the Tiandao Sect who finally appeared out of nowhere, would be so powerful, which he never expected.

At this moment, Mo Wushuang still wanted to take action to save the situation.

Uh-huh!

But at this time, an elder who had always hated the Demon Sect and was following Mo Wushuang flew to Mo Wushuang's side in an instant, whispered something in his ear, and then left.

At this moment, Mo Wushuang stared at Ye Feng, who was not far away, with an extremely cruel smile, and said loudly: "Next, you will die miserably."

Buzz!

Almost at the next moment, Mo Wushuang took out a dark pill from his storage ring and swallowed it in an instant.

"boom!"

Then at this moment, Mo Wushuang's entire body began to expand rapidly.

Under the shocked gazes of countless people, Mo Wushuang suddenly swelled into a tall and boundless demon giant. His body was as towering as a mountain, and his whole body was covered with dense black and golden scales, which complemented each other. He looked extremely noble and full of energy. Classic and dark violent temperament.

"This is...the true form of the devil!"

"This Mo Wushuang has been transformed! He can actually turn into a demon giant!!"

"The Everlasting Regret Demon Sect actually allowed this Demon Wushuang to practice such an evil transformation technique!"

Almost at this moment, the faces of a group of elders from the Tiandao Sect around them changed drastically.

At this moment, several elders of the Everlasting Hatred Demon Sect smiled coldly and said: "The methods of the Everlasting Hatred Demon Sect are not something you ordinary disciples can guess. This Mo Wushuang is the eternal hatred of the Demon Sect. A rare super genius who was born with a demonic body. Our sect master personally refined the body of half an ancient demon in hell, merged it into the body of Mo Wushuang, and turned into this demonic giant form. Mo Wushuang's true strongest form! Get ready to watch the show! Feel what it means to be invincible at the same level!"

Chapter 2632 Suffered huge damage

boom!

At this time, Mo Wushuang, who had transformed into the strongest form of the demon giant, was exuding a very strong dark demonic energy. His body was majestic and boundless, and every move seemed to contain explosive power, which was very terrifying and terrible.

At this time, everyone present couldn't help showing deep fear in their eyes. It was obvious that they didn't expect that Mo Wushuang could fuse half of the ancient demons in hell and transform into a demon giant.

"Boy, I want you to die!"

The hoarse and vague voice came from the mouth of this demon giant, which sounded full of deep cruelty and cruelty.

boom!

At this time, the demon giant rushed in front of Ye Feng in an instant, stretched out a dark claw, full of terrifying tearing power, and instantly grabbed Ye Feng's head, trying to tear away Ye Feng's head. Crack it into pieces.

"Uh-huh!"

At this moment, Ye Feng quickly crossed his arms and hurriedly resisted.

boom!

The next moment, the dark claws of the demon giant grabbed Ye Feng's arms fiercely, and a huge collision force suddenly burst out.

"Deng Deng Deng!"

Almost at the next moment, Ye Feng's entire body couldn't help but quickly retreated backwards.

"What a powerful brute force!"

At this time, Ye Feng couldn't help but show a trace of surprise in his eyes.

Unexpectedly, Mo Wushuang turned into a demon giant form and suddenly had such powerful power.

"Six Paths of Reincarnation Fist!"

At this moment, Ye Feng once again unleashed his extremely powerful punch.

boom!

A terrifying and boundless punch force instantly burst out, and instantly collided with the demon giant's claws, causing terrifying spatial fluctuations.

This time the two's strength collided equally.

"Devil's Sky-Tearing Claw!"

The demon giant roared loudly, and its dark claws suddenly burst out with black light, and instantly tore it into pieces in front of Ye Feng.

"Devil Altar!"

At this time, a huge black altar flew out of Ye Feng's palm.

It is the demon altar that Ye Feng obtained before. It contains very terrifying power and is a super magic weapon from hell.

It has to be said that the demon altar is extremely terrifying. The moment it is released, extremely terrifying demonic power immediately bursts out.

"Boom!"

At this moment, the demon altar was like a mountain, and suddenly hit the black claws of the demon giant, and instantly erupted with a huge roar.

"boom!"

Almost at the next moment, the entire claw of the demon giant made a muffled sound, and instantly broke into a small piece.

"What?!"

At this moment, the demon giant's expression suddenly changed dramatically.

He felt tremendous pain, transmitted from his dark claws.

Even the claws were broken into small pieces.

At this moment, the demon giant's eyes were full of deep shock and anger, staring at the huge black demon altar suspended above Ye Feng's head, and said loudly: "This magic weapon of yours contains pure... Where did you get the incomparable demonic power? It's so terrifying that even my demonic body can't resist it. How is this possible?"

this

At that time, Ye Feng's eyes revealed a faint smile, and he said aloud: "It doesn't matter where I got it from. What's important is that the devil's true form like you, the best way to deal with it is to use the hell with the same original power. Use the super magic weapon to fight!"

boom!

Almost at this moment, Ye Feng continued to stimulate the power of the demon altar, and his whole body burst out with a very rich and dark power aura.

"Suppression!"

Boom! ! ??

Ye Feng held the devil altar in his hand and threw the devil altar out in one fell swoop.

Rumble...

The demon altar suddenly became extremely huge in the sky, towering like a mountain, filled with boundless momentum, and suddenly moved towards the demon giant that Mo Wushuang had transformed into.

boom! !

Suddenly, terrifying power, filled with overwhelming pressure, suddenly burst out of the demon altar, directly suppressing the demon giant in place, unable to move at all.

"Roar!!"

The demon giant let out a crazy roar at this moment, and countless dark energy surged out of his body, quickly lifting it towards the demon altar high in the sky.

"Rumble..."

At this time, the demon giant burst out with terrifying ancient power and bombarded high into the sky.

At this moment, the demon altar was shaking violently, as if it would soon fall completely from the sky.

But Ye Feng couldn't let the demon giant succeed at this moment.

So Ye Feng immediately rushed towards the demon giant at this moment.

"boom!"

At this moment, Ye Feng's whole body burst out with extremely powerful combat power.

Boom! \u003c

br\u003e

The ancient divine ring!

boom!

Ye Feng released the ancient divine ring, and his body suddenly lit up with divine halos, which greatly improved Ye Feng's combat power.

The future God of Dzogchen!

Next, Ye Feng continued to unleash his powerful methods and trump cards.

Then he swung out the Six Paths of Samsara Fist!

He also melted the super power of the Brute Force Gem in his fist.

"Boom!"

Almost at this moment, Ye Feng's fist suddenly burst out with a terrifying energy light, and in an instant it hit the front of the demon giant transformed by Mo Wushuang.

At this moment, the demon giant was struggling to resist the demon altar, a super magic weapon from hell.

But Ye Feng's peak punch had already hit the front of the demon giant.

At this moment, the demon giant had no chance to resist Ye Feng's terrifying attack, because its whole body and mind were restrained by the demon altar, a super magic weapon.

At this time, Ye Feng's terrifying punch directly hit the front of the demon giant.

"Boom!"

Almost at this moment, Ye Feng's fist was full of infinite divine light, containing tremendous power, and it hit the chest of the demon giant all at once.

Puff! !

With the sound of flesh and blood being torn apart, Ye Feng's fist was like the sharpest spear in the world, piercing through the chest of the demon giant in an instant, and instantly shattering the chest of the demon giant.

"Ah!!!"

At this time, the demon giant directly let out a shocking roar, obviously in extreme pain and suffering a huge blow!

Chapter 2633 The Great Elder of the Inner Sect

At this moment, the demon giant roared in pain, with an unbelievable look in his eyes: "You... you can actually break my demon body! This is impossible! What special physique do you have?"

At this time, Ye Feng's eyes showed a deep cold look, and he said loudly: "You are so arrogant in our Tiandao Sect today, I will definitely make you pay the price."

boom!

The next moment, Ye Feng once again struck out with a terrifying fist, smashing the demon giant's head into pieces.

Bang!

The demon giant didn't even let out a scream. He fell directly to the ground and died instantly.

"hiss!"

At this time, everyone on the field couldn't help but gasp.

"Mo Wushuang!!"

Suddenly at the next moment, an extremely angry old voice sounded.

That was the elder of the Everlasting Hatred Demon Sect who followed Mo Wushuang this time.

Very powerful.

The breath is extremely terrifying.

At this moment, the elder of the Everlasting Hate Demon Sect saw that Mo Wushuang was killed on the spot, and his eyes suddenly showed deep shock and anger.

Then the elder of the Everlasting Hatred Demon Sect flew towards Ye Feng all of a sudden, bursting out with cultivation strength that far exceeded Ye Feng's current level. In an instant, he landed in front of Ye Feng, and immediately grabbed Ye Feng. Take it and kill Ye Feng instantly.

Buzz!

At this moment, Ye Feng suddenly felt a very terrifying aura coming to his body. His entire body was unable to move, as if his whole body was imprisoned, sealed in the surrounding void, and the void Like iron, there is no way to break through.

But right now.

"boom!"

Another even more terrifying aura descended into the void around Ye Feng in an instant.

Uh-huh!

At this moment, an old man wearing a white robe suddenly appeared next to Ye Feng.

The moment the white-robed old man appeared, he snorted coldly: "Elder of the Demon Sect of Everlasting Hate, you openly attacked me, the super genius of Tiandao Sect, in our Tiandao Sect. As an elder, you are really too presumptuous!"

boom!

Almost at the moment when the white-robed old man finished speaking, white divine light suddenly burst out from his eyes, forming two terrifying white light rays, which suddenly bombarded the black rays from the Elder of the Ever-Hateful Demon Sect. The big hand was instantly shattered.

At this time, Ye Feng's eyes showed a moment of surprise.

Because he could feel that the power contained in the body of the white-robed old man next to him was extremely terrifying and huge, as if his whole body contained mountains, rivers and seas.

At this moment, a group of Tiandao Sect disciples around him saw the old man in white robe appearing next to Ye Feng, and couldn't help but said: "It's the great elder of the inner sect! Hasn't he been practicing in the deep world of our Tiandao Sect? Why are you suddenly coming out now? It seems that the great elder of the inner sect has been paying attention to the situation here!"

At this time, Ye Feng suddenly said: "Thank you, Great Elder, for your rescue!"

At this moment, Ye Feng had already heard from the people around him that the old man in white robe next to him turned out to be the great elder of the inner sect.

The great elder of the inner sect of Tiandao Sect, his identity is absolutely incomparable

Noble.

Unexpectedly, he took the initiative this time.

At this moment, the elder of the Demon Sect of Everlasting Hatred had extremely gloomy eyes and said loudly: "Great Elder of the inner sect of Tiandao Sect, you actually came out of seclusion and you took action to stop me! Damn it!"

The great elder of the inner sect smiled coldly and said: "The competition is over. You can leave our Tiandao Sect directly now. If you don't go out, then I will take action directly."

"you.....!"

At this time, the eyes of the elder from the Everlasting Hatred Demon Sect suddenly became extremely frightened and angry.

He wanted to kill Ye Feng, but the elder of the Tiandao Sect's inner sect standing next to Ye Feng was too powerful to resist.

The elder of the Everlasting Hatred Demon Sect said coldly: "You can't protect this Ye Feng. He actually killed the super genius Mo Wushuang of our Everlasting Hatred Demon Sect. That was the super genius that our sect master, the Everlasting Hatred Demon Lord, personally paid attention to. Genius, but I didn't expect to be killed by this disciple of your Tiandao Sect. He is so bold! He will definitely die!"

"presumptuous!"

Suddenly, the great elder of the inner sect suddenly shouted loudly, and endless divine light surged out of his body. It condensed directly on top of his head and became a huge giant of light. In an instant, he stretched out a big hand of white light. , and all of a sudden the elder of the Everlasting Hatred Demon Sect was blown away in an instant.

"puff!"

The elder of the Demon Sect of Everlasting Hatred suffered huge trauma, and he spurted out a mouthful of blood. In an instant, his whole body flew backwards, and he couldn't help but retreated thousands of steps, and fell hard into the forest outside Tiandao Sect. In an instant, all the bones in his body were about to be broken.

At this time, the eyes of the elder of the Everlasting Hatred Demon Sect were filled with deep shock, and he said aloud: "The Inner Sect Elder of Tiandao Sect, you are so powerful now? You actually succeeded in cultivating the ancient god's clone? Damn it !"

The great elder of the inner sect was very domineering and majestic, but he just said one word indifferently: "Get out!"

"you.....!"

"We'll see!"

The elder of the Demon Sect of Everlasting Hatred suddenly turned extremely pale, said a harsh word, and then fled away into the distance in embarrassment.

At this moment, when everyone was paying attention to the elder of the inner sect and the elder of the Everlasting Hatred Demon Sect, Ye Feng secretly put the corpse of Mo Wushuang killed by him into his storage ring.

At this time, Ye Feng's eyes showed a hint of joy.

Because Ye Feng knows very well that this Mo Wushuang is a super genius in the Demon Sect of Everlasting Hatred. The blood energy contained in his body must be very majestic. Once it is devoured, it will definitely transform his cultivation strength.

Moreover, Mo Wushuang's storage ring must contain a lot of wealth, such as various divine crystals, magic weapons, especially the top inheritance of the Demon Sect of Everlasting Hatred, Ye Feng is still very interested in it.

At this moment, all the Tiandao Sect disciples present cheered.

"Very good!"

"Finally, we killed this hateful and arrogant super genius from the Demon Sect of Everlasting Hatred!"

"This time it's really thanks to Senior Brother Ye Feng's temporary rescue! This Senior Brother Ye Feng is still wearing the clothes of an outer disciple. I guess he is a super genius who has been hiding in the outer sect. This kind of character is really It's so amazing that my admiration is like a torrent of water."

...

At this moment, the entire field was buzzing with discussion. At this moment, the demon giant roared in pain, with an unbelievable look in his eyes: "You... you can actually break my demon body! This is impossible! What special physique do you have?"

At this time, Ye Feng's eyes showed a deep cold look, and he said loudly: "You are so arrogant in our Tiandao Sect today, I will definitely make you pay the price."

...

At this moment, the entire field was buzzing with discussion.

Chapter 2634 Become famous in one battle

At this time, the whole audience was cheering.

At this moment, everyone's eyes were fixed on Ye Feng, their eyes filled with deep admiration.

Because for everyone, the previous Mo Wushuang was too powerful, terrifying to the extreme, unstoppable, and everyone was already in despair.

If Ye Feng hadn't come to the rescue in time, Mo Wushuang might really have swept the entire field.

In that case, the entire Tiandao Sect would lose face.

At this moment, Ye Feng looked at the great elder of the inner sect beside him, with a smile in his eyes, cupped his fists and said, "Thank you so much for the great elder's rescue this time, otherwise this disciple's life would have been in danger."

A faint smile appeared on the face of the great elder of the inner sect, and he said loudly: "The elders of the Everlasting Hate Demon Sect bully the younger ones, so naturally I have to take good care of them."

At this time, after the Inner Sect Great Elder finished speaking, he immediately looked at the audience, and then said aloud: "This time, the disciple next to me is called Ye Feng. Although he is only an Outer Sect disciple at the moment, he is the one who treats me like Heavenly Dao." Zong has made great contributions, so next I want to directly promote Ye Feng to become an inner sect disciple, and directly grant him one of the top ten disciples of the inner sect." ??

hiss!

At this moment, when the great elder of the inner sect finished speaking, everyone present showed deep horror in their eyes.

No one expected that the Great Elder of the Inner Sect would directly grant Ye Feng such a high status.

But considering that Ye Feng's cultivation strength has far surpassed that of Zhu Qingshan, the second disciple of the inner sect, everyone felt that it was normal.

"I directly became the top ten disciples of the inner sect?"

At this time, Ye Feng heard the words of the inner sect elder beside him, and his eyes suddenly showed a hint of surprise.

Because Ye Feng himself did not expect that the great elder of the inner sect would actually say such words directly in front of everyone's attention.

Afterwards, he became one of the top ten disciples of the inner sect.

You know, it's a huge honor.

Because in Tiandao Sect, let alone becoming one of the top ten disciples of the inner sect, even becoming an ordinary inner sect disciple requires extremely difficult steps and assessments.

But Ye Feng instantly became one of the top ten disciples of the inner sect just because of the words of the great elder of the inner sect. He was extremely lucky.

However, Ye Feng's heart did not have any big fluctuations at this moment, because Ye Feng knew very well that it was not important what kind of identity he was. What was important was that after Ye Feng had this status, he would have more power and power in Tiandaozong. The benefits will also become bigger and bigger.

"Become famous in one battle! Become famous in one battle!"

"This senior brother Ye Feng will definitely become a famous figure in our Tiandao Sect in the future!"

At this moment, everyone present had deep envy and admiration in their eyes.

At this time, Ye Feng immediately clasped his fists and said, "Great Elder, this disciple is so honored."

At this time, the great elder of the inner sect patted Ye Feng on the shoulder, and immediately said: "Work hard, and it will be impossible to become a big shot in our Tiandao Sect in the future."

At this moment, hearing what the great elder of the inner sect said, everyone around them showed deep surprise in their eyes.

They did not expect that the great elder of the inner sect would have such a high opinion of Ye Feng, because they must know that there are more powerful core disciples above the inner sect disciples, and even the true disciples and so on are even more terrifying and powerful beings.

Next, Ye Feng said some things about the scene. After Xu and Yan, it was

Returned to his residence.

After Ye Feng returned to his residence, he immediately took out the dead body of Mo Wushuang that he had obtained before.

Although Mo Wushuang died, the body he left behind was still very fresh.

The blood energy and skill contained in it are still very majestic.

At this time, Ye Feng's eyes showed deep excitement, and an extremely powerful swallowing vortex immediately erupted, covering the Mo Wushuang's body in front of him.

"Rumble..."

Suddenly, huge amounts of blood and skill were absorbed by the Devouring Domain and began to be injected into Ye Feng's own body.

At this time, Ye Feng's eyes showed a look of great enjoyment. .??.

Because the process of devouring other people's hard work and strengthening yourself is really enjoyable.

At this time, with the devouring, Ye Feng's aura of skill became more and more powerful, and he broke through very quickly.

"boom!"

At this moment, Ye Feng's body suddenly burst out with a huge momentum.

That's a whole new momentum.

Breakthrough momentum!

At this moment, Ye Feng's cultivation suddenly broke through from the tenth level of the True Self Eternal Realm to the half-step Holy Embryo Realm of Heaven and Earth.

Buzz!

At this moment, a very frightening pure skill suddenly appeared in Ye Feng's body, which began to condense and take shape in Ye Feng's dantian, directly condensing into a very noble holy fetus of heaven and earth.

This kind of Holy Embryo of Heaven and Earth is the mystery of the Holy Embryo Realm of Heaven and Earth.

Once the warrior can condense a complete holy embryo of heaven and earth, then the warrior can obtain the heaven and earth.

The huge energy between the earth and the earth is blessing me.

Because the holy embryo of heaven and earth represents the energy of the entire world, it is equivalent to the warrior refining the entire world and integrating it into his own Dantian, becoming a small world.

This is the power of the Holy Embryo of Heaven and Earth!

At this time, Ye Feng broke through to the half-step Holy Embryo Realm of Heaven and Earth, and his whole body was suddenly enveloped in a divine light that appeared automatically.

In Ye Feng's dantian space at this time, a sacred fetus of heaven and earth gradually appeared, exuding an extremely terrifying energy aura.

At this time, Ye Feng's eyes showed an extremely bright look.

Because for Ye Feng, every breakthrough, even if it is just a small breakthrough, is a huge progress.

Perhaps if an ordinary warrior breaks through a level, his combat power will not be significantly improved.

But every time Ye Feng breaks through, even if it's only half a level, his combat power will increase linearly.

At this time, Ye Feng took the storage ring from Mo Wushuang's body into his own hand, and began to emit his spiritual thoughts to explore the contents of the storage ring.

"Um?"

The moment Ye Feng was investigating, his eyes suddenly lit up.

Because Ye Feng discovered that the wealth in this storage ring was still very huge.

After all, Mo Wushuang is a super genius in the Demon Sect of Everlasting Hatred. The wealth in the storage ring is very large, making Ye Feng a small fortune.

At this time, Ye Feng's eyes showed deep surprise.

Because he suddenly discovered an ancient secret book from Mo Wushuang's storage ring.

What is recorded in this secret book is exactly what Mo Wushuang has used before, the powerful inheritance in the Demon Sect of Everlasting Hatred, the Demon-Destroying God Death Ray!

Chapter 2635 Master becomes senior sister

At this time, Ye Feng stared at the inherited ancient book in front of him, with deep surprise in his eyes.

Unexpectedly, I received another powerful inheritance from the Demon Sect of Everlasting Hatred.

Ye Feng had previously obtained the Nether Finger of Everlasting Hatred from the Demon Sect of Everlasting Hatred, and now he had obtained another powerful inheritance of the Demonic Gate of Everlasting Hatred from Mo Wushuang, the Death Ray of Demon Destroying God!

What an incredible amount of luck!

At this time, Ye Feng's eyes showed deep excitement. He immediately opened the inheritance book of the Demon-Destroying God's Death Ray in his hand and began to learn the powerful inheritance in it.

"Buzz!"

In the following time, Ye Feng continued to understand the death ray of this demon-destroying god.

An ordinary warrior would not be able to practice this special and incomparable magic inheritance.

But Ye Feng's chaotic power can accommodate the original power of any attribute under the sky.

Therefore, there is naturally no problem for Ye Feng to practice this demon-destroying god-destroying death ray.

Even with the monster's incomparable ability to comprehend, Ye Feng comprehended the Death Ray of Demon Destroyer God in a short period of time.

At this time, Ye Feng's whole body was exuding a black light that seemed to come from hell.

These rays of light contain a very terrifying aura of death, which seems to be able to corrode the entire world and everything in an instant, turning them into a state of death.

I have to say that these inheritances of the Everlasting Hatred Demon Sect are still very terrifying.

Moreover, after Ye Feng successfully practiced, the power he released was many times more powerful than the destructive power released by ordinary warriors.

At this time, Ye Feng's eyes were full of excitement. After killing Mo Wushuang this time, he not only devoured all of Mo Wushuang's skills, but also greatly improved his cultivation level, and also gained the eternal hatred. The powerful inheritance of the Demon Sect makes his comprehensive strength even more powerful.

More powerful.

Buzz!

Suddenly at this moment, Ye Feng sensed a very mysterious and powerful aura, which suddenly arrived in the area where he lived.

"Who could it be?"

Ye Feng's eyes were a little surprised.

Because of such a mysterious and powerful aura, Ye Feng was unable to guess the other party's true background at this moment.

At this time, Ye Feng suddenly showed deep surprise in his eyes.

Could it be that his previous performance in the inner sect caused some big shot in the Tiandao Sect to start paying attention to him again?

Uh-huh!

Ye Feng thought to himself, opened the door, and stepped outside.

At this time, Ye Feng immediately saw a very familiar and beautiful figure standing in the shadow under an old locust tree in the house outside. Under the thin moonlight, she looked magnificent.

"Master!"

Ye Feng saw this beautiful figure at this time, and his eyes suddenly revealed a look of deep surprise.

This extremely familiar and beautiful figure is none other than Ye Feng's beautiful master back then, Leng Qingxue!

At this moment, Leng Qingxue's beautiful eyes showed a hint of smile, and she said loudly: "Ye Feng, long time no see."

Buzz!

At this moment, Leng Qingxue's figure moved slightly, disappeared from the place in an instant, and came to Ye Feng.

Leng Qingxue smiled and said: "Ye Feng, you don't need to call me master now. You are now also a disciple of Tiandao Sect. I am now the true disciple of Tiandao Sect."

Disciple, you can just call me senior sister. "

"Sister?"

When Ye Feng heard what Leng Qingxue said, his eyes suddenly froze.

Unexpectedly, after so long, Master has become Senior Sister.

But Ye Feng didn't say much, he just smiled and called her, "Sister."

Leng Qingxue stared at Ye Feng at this time and said loudly: "Ye Feng, I have just come out of seclusion, but I have already heard about what you did in the inner sect during the day. I didn't expect that you have grown to this point. , which surprised me."

Ye Feng smiled bitterly and said: "Senior sister, you are much stronger than before. I can't even guess the aura of senior sister."

Leng Qingxue said with a smile at this time: "I ran away from home back then and sealed most of my own cultivation. Ye Feng, you are already very powerful for being able to come to the Tiandao Sect in the center of the God Realm in a short period of time. "

At this time, Ye Feng said aloud: "No matter what, senior sister is very mysterious and powerful, at least in my heart, this is the image."

Hearing this, Leng Qingxue couldn't help but smile and said, "You will slowly understand me in the future."

When talking about this, Ye Feng still wanted to continue chatting.

"Uh-huh!"

But suddenly at the next moment, several figures wrapped in black robes flew into the house where Ye Feng lived.

The cultivation aura exuded by these black-robed figures is extremely powerful, giving people a feeling of strong demonic energy.

"All of them are actually at the tenth level of the Holy Embryo Realm of Heaven and Earth, the Great Perfection!"

At this moment, Ye Feng sensed the powerful cultivation aura emanating from these black-robed figures, and his eyes

Suddenly he showed a look of deep surprise.

Because the aura of cultivation emanating from these men in black robes is obviously demonic, and the aura from these men in black robes is extremely hostile, and there is a strong murderous intention.

This shows that these men in black robes are definitely the assassins who came to assassinate Ye Feng.

And he is also a very powerful killer!

At this time, Ye Feng's eyes showed deep surprise.

The black-robed killer has such terrifying cultivation, and the demonic energy in his body is extremely strong, and he can even sneak into the area of Tiandao Sect.

This shows that these black-robed killers must come from the largest demonic sect around, the Everlasting Hatred Demonic Sect!

Absolutely only the Everlasting Hatred Demon Sect has such a powerful foundation and can dispatch so many masters and strong men at once.

At this time, there was deep surprise in Ye Feng's eyes. He guessed that the Demon Sect of Everlasting Hatred would definitely not give up.

But I didn't expect that the killer of the Everlasting Hatred Demon Sect would come so quickly.

If Ye Feng was alone here, Ye Feng might really die.

But Ye Feng was staring at those men in black robes with a faint smile in his eyes, without any worry at all.

Because standing next to Ye Feng now is Leng Qingxue, a super strong woman!

Leng Qingxue's strength and cultivation were so mysterious and terrifying that even Ye Feng's Divine Eye of Creation couldn't see through it.

At this time, Ye Feng's eyes were filled with a faint smile, staring at the murderous men in black robes not far away, and said unhurriedly: "You guys should be from the Demon Sect of Everlasting Hatred, right? It's because I killed the super genius Mo Wushuang of the Ever-Hateful Demon Sect."

Chapter 2636 It's really unfathomable

At this time, after Ye Feng's voice fell, the black-robed assassins on the opposite side immediately showed deep surprise in their eyes, as if they did not expect Ye Feng to guess their identities in an instant.

At this moment, the black-robed assassin who led the group showed deep sarcasm in his eyes and said, "Ye Feng, even if you guess our identities, what does it matter? The area around you has just been covered by the hidden formation we have set up. Even if you shout for help now, it will be useless."

At this moment, the attention of these black-robed assassins suddenly focused on Leng Qingxue next to Ye Feng.

"This is..."

These black-robed assassins are super masters in the Changhen Demon Sect, so they are very familiar with some important figures in the Tiandao Sect.

"This is Leng Qingxue, one of the ten true disciples of the Tiandao Sect!"

Finally, these black-robed assassins recognized the identity of the beautiful woman next to Ye Feng.

"A true disciple of Tiandao Sect! How could he appear here?" .??.

At this moment, the black-robed assassins from Changhen Demon Sect suddenly widened their eyes, their eyes full of disbelief.

Because Tiandao Sect has a total of ten true disciples.

The identity and status of each true disciple are extremely noble and honorable, surpassing all other disciples.

So at this moment, these black-robed assassins from Changhen Demon Sect had no psychological preparation at all, and were directly shocked and stunned on the spot.

Because they never thought that in the ordinary area of outer disciples where Ye Feng lived, there would be a true disciple of Tiandao Sect who was extremely honorable.

It was really incredible!

"Run!"

At this moment, several black-robed assassins from Changhen Demon Sect, even if they were all in the tenth level of the Heaven and Earth Saint Embryo Realm.

At this time, they were all scared and fled quickly to the distance.

But,

it was too late.

Just when they turned around.

Buzz!

Leng Qingxue's beautiful eyes showed a trace of contempt, and she stretched out her hand and grabbed slightly in the direction not far away.

"Boom!"

A mysterious and boundless great power appeared between the whole world in an instant.

Leng Qingxue's seemingly thin and slender white hand, at this moment, was like an ancient goddess, attracting the energy of the whole world, and a great power descended in an instant, and instantly imprisoned the three black-robed killers who were fleeing not far away in the void.

The void was like iron, making the three black-robed killers unable to move.

This is a very terrible cultivation to be able to do all this.

Ye Feng didn't even sense any energy fluctuations from Leng Qingxue's body at the moment when Leng Qingxue made a move.

It was as if Leng Qingxue's whole person was connected to the whole world with her hands and feet, and she could descend boundless and huge energy with a wave of her hand.

At this time, Ye Feng's eyes showed a deep shock.

This method is absolutely terrible.

The move did not release any of his own power, but it was able to unite with the entire world, bringing down great energy, making the super masters of the tenth level of the Heaven and Earth Holy Embryo Realm unable to move at all.

It was really terrifying!

At this time, the three black-robed assassins of the Changhen Demon Sect all widened their eyes, and their pupils were filled with deep shock.

Because they never thought that they would be so unlucky, so unlucky that they would encounter such a noble and powerful existence as the true disciple of the Tiandao Sect who was never seen.

"Destroy."

At this time, Leng Qingxue uttered a word lightly, and immediately clenched her hands in front of her, and instantly killed the three black-robed assassins in front of her who were imprisoned in the void.

"Pah, pah..."

The three extremely powerful black-robed assassins of the Changhen Demon Sect did not even have time to scream, and all their bodies were torn apart, becoming pieces of debris, falling from the sky, looking very shocking.

"So powerful."

Ye Feng couldn't help but let out a sigh of admiration at this time.

Leng Qingxue's true strength is really unfathomable.

I don't know what realm she has reached now.

Shua!

At this time, Ye Feng instantly flashed to the fragments of the black-robed killers not far away.

These fragments contain the blood energy of the three heavenly and earthly holy fetuses in the tenth level of the great perfection realm.

At this time, Ye Feng's eyes showed deep excitement.

Boom!

In an instant, Ye Feng released his dark swallowing field, which directly covered the bodies of the three black-robed killers.

"Boom boom..."

Suddenly, huge blood energy was directly absorbed and injected into Ye Feng's body.

At this time, Ye Feng immediately felt that his skill was increasing rapidly.

At this moment, Ye Feng's skill was growing and accumulating rapidly.

"Boom!"

Ye Feng's cultivation bottleneck was suddenly broken through by the huge accumulation of energy, and he instantly broke through to the current realm.

Boom!

At this moment, Ye Feng's cultivation suddenly broke through the half-step of the Holy Embryo Realm of Heaven and Earth, and directly broke through to the first level of the Holy Embryo Realm of Heaven and Earth.

At this time, Ye Feng's eyes showed excitement. He did not expect that he would break through again so soon, breaking through to the first level of the Holy Embryo Realm of Heaven and Earth.

At this moment, after Ye Feng finished devouring them, he did not find any storage rings from the three black-robed killers, which was quite a pity.

Buzz!

At this time, Leng Qingxue's beautiful figure came to Ye Feng's side, stared at Ye Feng, with a look of surprise in her beautiful eyes, and said: "Have you been practicing this kind of demon-devouring skill?"

Ye Feng nodded, then shook his head and said aloud: "This is not a skill, but a devouring ability that I awakened very early. It can be said to be an innate talent."

"talent?"

Leng Qingxue's eyes suddenly showed a look of surprise at this time, and she couldn't help but said: "Is this an innate talent? I always thought it was a magic power, but you can actually awaken this special and incomparable swallowing ability!"

Even Leng Qingxue, a powerful true disciple of the Tiandao Sect, was deeply surprised by Ye Feng's awakening devouring ability.

Because the devouring ability awakened by Ye Feng was so overbearing, even Leng Qingxue occasionally felt a deep sense of fear.

Leng Qingxue suddenly seemed to think of something at this time, and said aloud: "By the way Ye Feng, I just got the news that the big shots from our Tiandao Sect and the Everlasting Hatred Demon Sect discovered the ruins of an ancient giant city, buried deep in the Under the ground, many powerful disciples will be sent into it, mainly core disciples, including some true disciples. So I think you can join this exploration of the ruins of the ancient underground city, and you may be able to discover precious treasures and opportunities. Good luck, this time I will personally come to the ruins of the ancient giant city."

Chapter 2637 Team formation

"The ruins of an ancient giant city?"

Ye Feng heard what Leng Qingxue said at this time, and his eyes suddenly showed deep surprise.

Unexpectedly, Leng Qingxue would come there in person. It seems that this ancient giant city ruins is a very ancient ancient ruins and contains a lot of good fortune.

After Ye Feng thought for a moment, he nodded and said, "Senior sister, I should be able to go. It seems very extraordinary that even you, senior sister, attach such great importance to the ruins of this ancient giant city and come here in person."

At this time, there was a hint of expectation in Ye Feng's eyes, because now Ye Feng knew very well that he would not get any huge improvement from the Tiandao Sect for the time being.

If you can follow the people in the sect to the ruins of the ancient giant city, you may be able to get good opportunities, and your cultivation strength may be greatly improved.

For Ye Feng, Tiandao Sect is only an initial springboard for cultivation in Ye Feng's eyes. .??.

Ye Feng knew that he would eventually go to a more prosperous place in the center of the God Realm to find the Lord of Chaos, obtain the Chaos Gem, and rescue the Soul Gem and Emperor Chu.

There is also the Chaos God Clan, the most powerful number one enemy.

At this moment, Leng Qingxue nodded slightly and said loudly: "I can't take you to the ruins of the ancient giant city because I still have the secret mission of the upper level of the sect. You can go with the other disciples."

Buzz!

After Leng Qingxue finished speaking, his figure moved and disappeared in an instant.

At this time, Ye Feng walked outside the place where he lived and towards the central area of Tiandao Sect.

Usually if there is any special big event, it will be announced in the central area of Tiandao Sect.

Ye Feng's speed was very fast, and he arrived at the central square of Tiandao Sect in a blink of an eye.

At this moment, Ye Feng saw that the square in the central area of Tiandao Sect was already crowded with people.

Obviously, this visit to the mysterious ruins of the ancient giant city made all the disciples extremely excited.

Because these disciples know very well that if they can participate in the ruins of such an ancient giant city, they will more or less get good opportunities from it.

At this time, Ye Feng walked into the crowd and quickly arrived at the middle area of the central square.

High in the sky in this area, a huge steel warship is already suspended.

This steel warship has a huge iron deck, which is very wide and can accommodate hundreds of thousands of people.

Uh-huh! Uh-huh! Uh-huh!

At this time, all the disciples of Tiandao Sect flew high into the sky, and then stood on the huge iron deck. They were densely packed and looked very shocking.

Ye Feng looked at a young man next to him at this time and asked: "Senior brother, may I ask, is this steel warship going to the ruins of that ancient giant city?"

The young man next to him glanced at Ye Feng and saw that the other party was unremarkable. He couldn't help but nodded and said: "Yes, this steel warship is going to the ruins of the ancient giant city, but this young junior brother, I advise you. Don't be too impulsive, otherwise you may lose your life. You must know that the ruins of this ancient city are very huge and very dangerous. Outer disciples should not go there. Basically, at least inner disciples are needed."

At this time, Ye Feng showed a slight smile in his eyes and said loudly: "Okay, thank you, senior brother."

Uh-huh!

After saying that, Ye Feng immediately jumped up and jumped directly to the iron deck of the steel warship high in the sky.

Seeing Ye Feng make this move, the young man who was questioned immediately shook his head and couldn't help but say: "What an impulsive young man, he will probably die miserably."

...

At this moment, Ye Feng has arrived on the deck of the steel warship.

At this time, Ye Feng saw that on the deck of the entire steel warship, there were many Tiandao Sect disciples, basically inner disciples or core disciples, standing among them, looking extraordinary.

These are all the elites of Tiandao Sect.

At this time, Ye Feng suddenly saw a familiar figure walking towards him.

It turned out to be Zhu Qingshan, the second disciple of the inner sect.

Zhu Qingshan was defeated miserably at the hands of Mo Wushuang, but in the end it was Ye Feng who saved him.

However, Ye Feng knew very well that a person like Zhu Qingshan was quite powerful.

At this moment, Zhu Qingshan walked over, smiled and clasped his fists and said: "What a coincidence, we meet again. Thank you Brother Ye for coming to the rescue last time, otherwise our inner disciples would have lost all their face."

Ye Feng said at this time: "It doesn't matter. As a member of Tiandao Sect, I should contribute to the sect. Moreover, the great elder of the inner sect still values me so much."

Zhu Qingshan nodded, and then said aloud: "This steel warship will set off soon. Does Brother Ye have any plans to enter the ruins of the ancient giant city this time?"

"plan?"

Ye Feng had a look of surprise in his eyes and said, "We don't have any plans at the moment, just adapt to circumstances."

Zhu Qingshan couldn't help but flash his eyes when he heard this, and said loudly: "Then Brother Ye wonders if he is interested in forming a team with some of my senior brothers. They are all core disciples."

"Core disciple?"

When Ye Feng heard this, his face showed a look of surprise.

Unexpectedly, Zhu Qingshan actually knew the core disciples and could form a team with them.

Seeing that Ye Feng was silent at this time, Zhu Qingshan said with a smile: "Brother Ye, the ruins of the ancient giant city are extremely dangerous. You should form a team with us."

Ye Feng thought for a moment, then nodded and said, "Since we are core disciples, each of them must be very powerful, so it doesn't hurt for me to go take a look."

Upon hearing Ye Feng's agreement, Zhu Qingshan was immediately very happy.

It can be seen from this that Zhu Qingshan is a very sociable person and likes to bring together powerful young talents.

At this time, Ye Feng followed Zhu Qingshan towards a certain location on the huge deck of the steel warship.

Soon the two came to a corner on the deck of the steel warship.

At this moment, three young men in white robes stood in this corner, two men and one woman. They all looked very noble, with extraordinary temperament, and the aura of cultivation on their bodies was extremely powerful.

At this time, Zhu Qingshan walked up to the three young men in white robes and immediately said with a smile: "Brothers and sisters, let me introduce to you a super genius from our inner sect, Ye Feng." "The ruins of an ancient giant city?"

At this time, Zhu Qingshan walked up to the three white-robed young men and immediately said with a smile: "Brothers and sisters, let me introduce to you a super genius from our inner sect, Ye Feng."

Chapter 2638 Extremely Domineering

At this time, when Zhu Qingshan finished speaking, the three core disciples turned around slightly, stared at Ye Feng, showing surprise, and said: "Is it him? Is he a super genius from the inner sect? Cultivation level Isn't it too weak to be in the first level of the Holy Embryo Realm of Heaven and Earth?"

At this moment, the three core disciples were speaking with a hint of contempt in their tone.

Obviously, these three core disciples had not heard of Ye Feng's name, so when they saw Ye Feng's cultivation aura, they subconsciously felt that Ye Feng was just a rather weak warrior.

At this moment, when Ye Feng heard this, his expression was quite calm, and he was not angry or anything.

But Zhu Qingshan's face showed a hint of embarrassment and ugliness.

Because Ye Feng was invited by him to form the team, and now that Ye Feng is so despised by these three core disciples, Zhu Qingshan also has a look on his face.

At this time, Zhu Qingshan looked at the three core disciples and said: "Brothers and sisters, please give me some face. This brother Ye is a super genius in our inner sect. I personally invited him here this time. He is very powerful."

After Zhu Qingshan finished speaking, Ye Feng looked at him in surprise. He didn't expect that Zhu Qingshan was quite loyal.

After all, the inner disciples would not dare to provoke the core disciples.

Sure enough, after Zhu Qingshan finished speaking, the three core disciples immediately showed a trace of gloominess in their eyes.

One of the leading core disciples stepped forward and slapped Zhu Qingshan directly in the face.

"Snapped!"

With a huge and crisp slap, Zhu Qingshan was sent flying out, and his entire face suddenly swelled up.

"you.....!"

Zhu Qingshan suddenly fell to the ground hard, his expression showing deep shock and anger.

He obviously didn't expect these core disciples to be so arrogant and aloof, and they would get into a fight if they disagreed.

r\u003e

And he beat people in public!

It's really disgusting to the extreme.

Zhu Qingshan couldn't help but said angrily: "Brothers and sisters, you are going too far!"

"How dare you talk back?"

There was a deep cold look in the eyes of this core disciple, and he immediately rushed towards Zhu Qingshan, grabbing out one hand and trying to knock Zhu Qingshan away.

boom!

The cultivation momentum of this core disciple burst out all of a sudden, it was extremely terrifying and majestic.

That is the sixth level of the Holy Embryo Realm of Heaven and Earth!

The cultivation base is extremely powerful.

Zhu Qingshan couldn't resist at all.

"Uh-huh!"

But suddenly at this moment, Ye Feng's figure suddenly stood in front of this core disciple.

"Young inner disciple, get out of here!"

The core disciple immediately shouted loudly, and suddenly grabbed Ye Feng with one hand, full of huge impact.

To this core disciple, someone like Ye Feng, who is in the first level of the Holy Embryo Realm of Heaven and Earth, is simply an extremely weak existence and is not taken seriously by this core disciple at all.

"boom!"

But at this time, Ye Feng immediately punched out a fist.

To deal with this core disciple of the sixth level of the Holy Embryo Realm of Heaven and Earth, Ye Feng didn't even need to use the Six Paths of Reincarnation Fist or use brute force gems.

At this moment, Ye Feng just released his original chaotic body power, and he was able to instantly burst out with extremely terrifying impact.

"Boom

!!"

Almost at this moment, Ye Feng's fist suddenly burst out with a huge divine light, which directly shattered the core disciple's fist.

"ah!!"

At this time, the core disciple suddenly let out a scream of extreme pain. ??

At this moment, it was visible to the naked eye that the core disciple's fist had been twisted and shattered by Ye Feng's fist, with all the bone stubble coming out.

"Punch me again!"

Ye Feng roared and hit the core disciple with another punch.

boom!

With a huge collision sound, the core disciple was suddenly blown away and fell directly to the ground. With a "pop", he spurted out a mouthful of blood.

At this time, Ye Feng showed a smile in his eyes and said loudly: "The core disciples are nothing more than that."

"you.....!"

This core disciple's face immediately showed a deep blue and ugly look.

He wanted to argue, but Ye Feng was too powerful and couldn't resist.

"What?"

"That inner disciple defeated the core disciples so easily?"

"It's so awesome!"

...

At this moment, many other Tiandao Sect disciples on the surrounding steel battleships had deep horror in their eyes.

Because the power that Ye Feng unleashed at that moment was so terrifying. He blew away a core disciple with two fists and defeated him. It was really extremely powerful.

"So powerful! Even more powerful than when I fought Mo Wushuang before!"

At this time, Zhu Qingshan not far away saw

This scene immediately revealed a look of deep shock in his eyes.

He didn't expect Ye Feng to grow up so fast.

"Too evil."

At this time, Zhu Qingshan couldn't help but smile bitterly.

Because Ye Feng's combat power was already very strong, he didn't expect it to grow so fast.

At this time, Ye Feng slowly walked up to the core disciple who was knocked away, stretched out his hand, and said indifferently: "Hand over the storage ring on your body."

"What?!"

Hearing what Ye Feng said, this core disciple immediately showed a deep and incredulous expression in his eyes, and couldn't help but say: "You are so presumptuous!"

Snapped!

But the next moment, Ye Feng slapped this core disciple away.

"Flying again?"

Many Tiandao Sect disciples around saw this scene, and they couldn't help showing a trace of shock in their eyes.

Because Ye Feng, the inner disciple, was so tough, he simply pressed the core disciple to the ground and rubbed him, unable to resist at all.

"hateful....."

At this time, the face of the core disciple showed deep anger, and he felt extremely humiliated.

Because he was a core disciple with a noble status, but he was crushed by Ye Feng, an inner disciple.

At this time, Ye Feng's eyes showed a cold look, and he immediately stepped on the head of this core disciple, hiding a knife in his smile, and said: "If you don't hand over the storage ring, then your head will be mine the next moment. It will be crushed."

"hiss!"

When everyone heard Ye Feng's words, they couldn't help but gasped.

overbearing!

Extremely domineering!

Chapter 2639 The following offenses

At this moment, I have to say that Ye Feng's words made people feel extremely domineering.

Because those are the core disciples who are extremely precious and aloof.

But now Ye Feng is stepping on him, he is very humble, like an ant, with no ability to resist at all, which really shocked everyone to the extreme.

After all, no one thought that an inner disciple could possess such terrifying strength and be able to defeat an extremely powerful core disciple.

At this time, the core disciple who was stepped on by Ye Feng felt extremely regretful. He never thought that the young man he provoked had such terrifying strength.

This core disciple couldn't help but think in his heart, how could a small inner disciple possess such great strength?

At this time, the core disciple felt the threat of death, and immediately looked towards the other two partners not far away, who were also the other two core disciples, and asked for help: "You two, come here quickly. Help me, come and save me, this kid is too arrogant."

But after the core disciple finished speaking, his two partners immediately fled far away, not daring to make any move at all.

Because just now these two core disciples also saw that Ye Feng's strength was extremely powerful, and they were not able to fight against him at all.

Therefore, the other two partners of this core disciple did not dare to provoke Ye Feng, but quickly left the scene, making this core disciple's expression extremely ugly.

At this time, Ye Feng had a cold smile on his face. He stared at the core disciple at his feet and said with a smile: "You see, your partner is so timid. You have no one to turn to for help."

But when he heard what Ye Feng said, the core disciple could only hand over his storage ring to Ye Feng with a very livid face.

Obviously, for this core disciple, all wealth is virtual, and his life is real.

If I dare to disobey Ye Feng's order now, I will probably be killed.

Ye Feng would really step on his head.

Because this core disciple really felt a death threat from Ye Feng's tone. It was so terrifying that it made him tremble all over.

At this time, after Ye Feng got the storage ring of this core disciple, he immediately let go of his feet, glanced at this extremely embarrassed core disciple, and said: "Just get out of here, don't mess with me again, or you'll get better." Even in front of my fellow disciples, I will kill you."

After Ye Feng finished speaking, the core disciple immediately looked extremely gloomy and ugly, and left the scene in despair.

At this moment, Ye Feng was checking the storage ring in his hand.

He immediately discovered that there was a lot of wealth in the storage ring.

After all, this is the wealth of a core disciple.

Moreover, there are some powerful inheritances, including some cultivation resources, which are of great help to Ye Feng.

At this time, everyone around him looked at Ye Feng with deep awe.

Zhu Qingshan also walked up to Ye Feng and couldn't help but said: "Ye Feng, thank you for saving me this time, otherwise I might continue to be bullied by these core disciples."

Ye Feng just smiled at this and said aloud: "It's just a matter of convenience, and I also got the storage ring of this core disciple, which is a lot of wealth. I didn't expect that I haven't reached the ruins of the ancient giant city yet. , I have already made a small fortune."

Hearing what Ye Feng said, Zhu Qingshan couldn't help but smile bitterly and said: "You are the only one who has this kind of strength, Ye Feng. If it is other inner sect disciples, even the number one inner sect disciple Disciples, I'm afraid they don't dare to compete with the core disciples, but Ye Feng, you have to be careful. Although you beat this person in public this time,

The face of a core disciple is very cheerful, but the relationship network among the core disciple group is very complicated and intricate. Maybe this core disciple will find other masters to deal with you. "

When Ye Feng heard what Zhu Qingshan said, he immediately smiled and said: "If he dares to find other strong people to deal with me, then I can make a small fortune again."

Hearing what Ye Feng said, Zhu Qingshan couldn't help but shook his head helplessly.

He didn't know where Ye Feng's confidence came from.

Because the core disciple Ye Feng defeated just now was just the most ordinary core disciple.

Among the group of core disciples, there are still some truly super strong ones, all of them are very terrifying and extremely powerful.

While everyone around was talking about it, Ye Feng, with the presence of the old god, walked to a deserted corner and directly took out the storage ring he had snatched from the core disciple.

Then Ye Feng took out the cultivation resources and began to devour and refine them.

"Boom!" ??

Half an hour later, an extremely powerful martial arts aura suddenly burst out from Ye Feng's body.

That is the momentum of breakthrough.

At this moment, Ye Feng's cultivation level suddenly broke through to the second level of the Holy Embryo Realm of Heaven and Earth!

Ye Feng was very satisfied with this. He didn't expect that this core disciple's resources were quite abundant, and he was able to break through to the next level. It seemed that plundering was indeed the most effective means of improvement.

Uh-huh!

At this time, Ye Feng stood up and wanted to see where the steel warship had arrived. He didn't know how far away it was from the ruins of the ancient giant city.

But just when Ye Feng came to the edge of the deck and looked around.

"Dengdengdeng..."

Suddenly, a group of aggressive young disciples came from a direction not far away.

The cultivation auras of these young disciples are all extremely powerful, and the weakest ones are at the sixth level of the Holy Embryo Realm of Heaven and Earth.

Obviously this is a group of core disciples of Tiandao Sect.

At this time, Ye Feng saw that the core disciple whom he had trampled under his feet before was standing among this group of people, his eyes were extremely gloomy, and he was talking to an imposing young man next to him.

This young man was wearing a set of golden robes, his shoulders were as tall as a god, his head was tall, his eyes were full of dazzling light, and he looked very imposing.

The aura of cultivation in this young man has actually surpassed the Holy Embryo Realm of Heaven and Earth, and is an existence at the level of the Half-Step Cause and Effect Realm.

Above the holy womb of heaven and earth is the realm of cause and effect, which represents the causal relationship between man and the fate of the entire world. This is a very terrifying realm and a very powerful level.

When this group of people walked up to Ye Feng, they attracted the attention of many people around them.

Immediately, a series of exclamations sounded.

"The core disciple headed by him turned out to be Senior Brother Gu Yunxiao, who is ranked tenth in our Tiandao Sect!"

"I didn't expect that this time the ruins of the ancient giant city would attract powerful beings who ranked tenth among the core disciples."

"This group of people walked towards the inner disciple who seemed to be named Ye Feng menacingly. They should be looking for trouble. It seems that the inner disciple is in trouble. No matter how powerful he is, he cannot be ranked among the core disciples. An opponent as powerful as Senior Brother Shigu Yunxiao will probably be miserable later."

...

At this time, everyone around was talking a lot.

At this moment, Gu Yunxiao led a group of core disciples and walked up to Ye Feng.

Gu Yunxiao had his hands behind his back, his eyes were extremely cold and indifferent, like a god looking down on mortals, he stared at Ye Feng and said loudly: "If you dare to do the following and insult my core group of disciples, commit suicide."

Chapter 2640 Shocking

You, commit suicide!

Almost at the moment when Gu Yunxiao, the tenth-ranked core disciple, finished speaking, the surrounding group of Tiandao Sect disciples suddenly showed deep horror in their eyes.

They never thought that Gu Yunxiao would be so domineering. When he came in front of Ye Feng, he directly asked Ye Feng to commit suicide and apologize. It was really majestic to the extreme, just like a god judging mortals.

At this time, everyone's eyes were focused on Ye Feng, the young man in white.

They want to know what choice this extremely evil inner sect boy will make?

At this time, Ye Feng was indifferent, but showed a faint smile on his face, stared at Gu Yunxiao not far away, and said loudly: "Are you the tenth-ranked existence among the core disciples? Your cultivation strength is not the same. How about it, it's not as powerful as I imagined."

Hearing what Ye Feng said, many disciples around him suddenly showed expressions of surprise on their faces.

They never thought that at this time, Ye Feng would still be in the mood to tease Gu Yunxiao.

Gu Yunxiao didn't get angry at this time, but there was a hint of coldness in his eyes, with obvious contempt in his eyes, and he said loudly: "Your name is Ye Feng, right? I have already seen you in the battle with Mo Wushuang before. I've seen it, your cultivation is not as powerful as you think. As a core disciple and the tenth most powerful being, I only need one move to deal with you, but I

don't want to take action because it might be dirty. It took my hand, so you can do it yourself now, so that it will be less painful."

When Ye Feng heard what Gu Yunxiao said, he shook his head slightly, and then slowly walked towards Gu Yunxiao.

Gu Yunxiao saw Ye Feng walking towards him, with a trace of curiosity in his eyes, and couldn't help but asked: "What do you mean? Do you want to commit suicide closer in front of me?" "

Ye Feng suddenly raised his head at this time, his eyes filled with deep cold murderous intent, and he stared at Gu Yunxiao all of a sudden, as if a wild beast had awakened.

, full of terrifying majesty, said loudly: "Who are you? Are you qualified to make me commit suicide?"

"presumptuous!"

When Gu Yunxiao heard what Ye Feng said, he immediately couldn't help but yelled: "Since you are so arrogant and ignorant, then I will end your life with my own hands, but at the last moment when I kill you, I will let You suffered endless pain and died because I gave you the opportunity to commit suicide just now, but you didn't know how to cherish it. "

Boom! !

Almost as soon as Gu Yunxiao finished speaking, a powerful aura burst out from his body.

That is a powerful cultivation level in the half-step causal realm!

The realm of cause and effect is a powerful realm that surpasses the realm of the Holy Embryo of the Emperor of Heaven.

Even if it is only half a foot into the realm of cause and effect, it is many times more powerful than the realm of the Holy Embryo of Heaven and Earth.

At this moment, after Gu Yunxiao's powerful cultivation of the half-step causal state broke out from his body, countless people present felt a deep sense of psychological depression and a trembling feeling from the depths of their souls.

At this time, all the surrounding Tiandao Sect disciples, whether they were ordinary inner sect disciples, the top ten inner sect disciples, or some core disciples, looked at Gu Yunxiao with eyes filled with deep awe. .

Because at this moment, they felt a very terrifying aura from Gu Yunxiao, a strong man in the half-step causal realm.

It was as if he was in front of Gu Yunxiao, like an ant looking at a giant.

At this moment, after Gu Shengxiao burst out his momentum, he slowly walked towards Ye Feng.

Every time he took a step, his aura became stronger and stronger.

In the end, Gu Yunxiao completely

The individual is like an ancient giant, giving the impression that he is an extremely majestic god, unable to resist at all.

"I feel like my spirit and soul are about to collapse!"

At this time, there were many other disciples around who couldn't help but exclaimed in surprise.

They all deeply felt how terrifying a top ten core disciple like Gu Yunxiao was.

"No matter how powerful Ye Feng is, his cultivation is still far behind Gu Yunxiao. I'm afraid he won't be able to withstand Gu Yunxiao's strength."

At this moment, many disciples couldn't help but exclaimed, having no expectations for Ye Feng at all.

Because although the strength that Ye Feng had just exploded was very powerful, it was ultimately limited to the realm of the Holy Embryo of Heaven and Earth.

But this Gu Yunxiao is the tenth most powerful being among the core disciples. He is a terrifying powerhouse in the Half-Step Karma Realm, so no one can resist him at all.

At this time, Gu Yunxiao was like an unparalleled god, exuding divine light, walking towards Ye Feng, walked in front of Ye Feng, and shouted: "Mortal, accept my judgment. !"

"Pretending!"

Ye Feng roared loudly at this time, without any fear at all.

boom!

Ye Feng instantly burst out with his Dzogchen Future Body Cultivation, and then blasted out six reincarnation fists in an instant, directly bursting out with terrifying punch power.

That terrifying punch power instantly turned into a terrifying light of punch power, which directly struck in front of Gu Yunxiao.

Boom! !

Accompanied by a terrifying roar, Gu Yunxiao's god-like aura was shattered into pieces by Ye Feng's punch, as if the entire divine world was disintegrated by Ye Feng's fist. .

Ye Feng's fist, at this moment

The moment is simply like the strongest and most terrifying weapon in the world, capable of breaking everything and breaking through the sky.

Gu Yunxiao was immediately shocked by the power burst out from Ye Feng's punch.

Wow!

His aura immediately began to collapse and disintegrate.

The whole person was as if he had been beaten from a god to a drowned dog all of a sudden. He was really embarrassed to the extreme in an instant.

Boom!

Accompanied by a huge roar, Gu Yunxiao was sent flying backwards by Ye Feng's punch, and then his whole body hit the steel deck not far away and fell. He was a mess, a little dizzy, and even couldn't help but spit out a mouthful of blood.

This scene is extremely shocking!

"What?!"

Seeing that Ye Feng's punch produced such terrifying power, it even defeated Gu Yunxiao, the tenth-ranked core disciple.

Everyone watching around had deep horror in their eyes.

Their eyes were widened, as if they were petrified, and they stood there dumbly, unable to believe what their eyes were seeing.

Because Gu Yunxiao's power has long been deeply rooted in the hearts of the people, and he is a veteran core disciple, which is very terrifying.

But Ye Feng, a new inner disciple who came out of nowhere, actually punched away the tenth-ranked core disciple. It was really unexpected by everyone, and it was all in their hearts. There was deep fear.

"An inner disciple defeated the tenth-ranked superpower among the core disciples with one punch?"

"Did I read that correctly?"

"This... is simply unbelievable!!"

Countless people stared with wide eyes and murmured in their mouths.

There was a deathly silence at the scene!
