

## Ancient 2821

### Chapter 2821 Capture the City

At this time, Ye Feng discovered that Ye Hei left the city with a dozen transformed demon soldiers and walked towards another dark race city not far away.

Ye Feng finally understood that the war in the dark interface did not require any strategy, it was just a matter of going to the door and fighting.

At this time, Ye Feng did not stop him, but hid in the void and watched silently.

Ye Hei quickly arrived at the nearest city with a dozen elite demon soldiers.

This city is called "Black Scale City". It is many times larger than Ye Hei's city, and it looks very wealthy.

This Black Scale City is guarded by powerful soldiers of the Black Scale Clan.

The people in the city are of course ordinary dark races, demons, demons, etc.

In fact, in the dark interface, not all masters and strong people are there, there are also countless ordinary people of the dark race.

At this moment, Ye Hei came here with a dozen demon soldiers, and soon walked to the gate of the Black Scale City.

Without any hesitation, Ye Hei directly activated the Supreme Lord of the Rings on his finger, blasting out a large dark wave of light. With a "boom", the gate of the Black Scale Clan city was instantly shattered. .

Ye Hei's attack method is very simple, very direct, and very effective.

The main reason is that Ye Hei has the Supreme Lord of the Rings rewarded by Ye Feng.

You must know that the gate of this Black Scale Clan city is completely made of steel, and even some heavy war weapons cannot blast it open.

But Ye Hei held the Supreme Lord of the Rings in his hand, and the power he released shattered the city's steel gate in an instant.

After Ye Hei smashed the city gate, he immediately led a dozen demon soldiers and rushed into the Black Scale City. He immediately shouted: "Black Scale

The city lord of the tribe, just come out and fight me. If you lose, you will either surrender to me or be killed by me. This city of yours also wants to become my territory. "

Ye Feng watched the whole process in the void, and couldn't help but flash his eyes slightly. The war in the dark interface was really simple and direct. There were no twists and turns. Everything was about fists.

At this moment, the moment Ye Hei finished speaking, the entire Black Scale Clan city suddenly became noisy.

Many ordinary people in the city were so frightened that they fled.

"Who dares to be so arrogant here?"

Suddenly, hundreds of soldiers wearing black armor came from the depths of the city, led by a tall demon wearing golden armor.

This tall devil wearing golden armor should be the lord of this city.

He immediately stared at Ye Hei who was attacking the city from the front, with a look of surprise in his eyes, and then said with a sarcastic smile: "It turns out you are the little city lord of this dilapidated city. I didn't destroy this dilapidated city like you." Well, you should be grateful. I didn't expect you to dare to provoke me now? You are really asking for your own death."

"Hahaha!"

After Ye Hei was transformed at this time, his body was extremely majestic and tall, with two huge devil horns on his head. He was now extremely confident, staring at this tall devil wearing golden armor, and spoke out Said: "It's different now. I have received a gift from you, and my strength is many times stronger than before. Today I will fight you to see who is more powerful."

"My Lord? What Lord?"

The tall devil standing opposite had a look in his eyes.

He looked deeply surprised, and seemed to be very afraid of the mysterious adult behind what Ye Hei said.

Because he did see that Ye Hei's entire form had undergone tremendous changes.

Ye Hei's body used to be very thin, but now his body has become very majestic and tall. Even the scales on his body have turned into noble dark gold, and there are two exaggerated devil's horns on the top of his head. It does look very impressive.

But at this time, Ye Hei was too lazy to talk nonsense with this tall devil. He was holding a steel sword in his hand, which was given to him by Ye Feng. He rushed in front of this tall devil in an instant, and struck him fiercely. With a slash of the sword, there was a "puff" sound. The tall demon in golden armor didn't even have time to react. He was cut in half by Ye Hei's sword and fell instantly on the spot.

"What?!"

After seeing this scene, the entire field immediately became panicked.

The hundreds of soldiers from the Black Scale Tribe were immediately leaderless and became chaotic.

"I'm actually so powerful!"

Ye Hei's eyes widened at this moment, as if he didn't expect that his strength would become so powerful now.

In fact, this is normal. You must know that Ye Hei was specially modified by Ye Feng, so he is naturally extremely powerful.

As for the tall devil wearing golden armor, he was just the lord of a small city and was not very strong, so it was quite normal for him to be cut in half by Ye Hei's knife.

At this moment, Ye Hei reacted immediately and said directly to the surroundings: "You hundreds of soldiers of the Black Scale Tribe, if you are willing to surrender under my command and serve the adults behind me, then You don't have to die, otherwise you will be buried with your city lord."

Hear Ye Hei

In this way, the hundreds of Blackscale soldiers knew that they could not be the opponent of this other city lord.

Not to mention the mysterious adult behind Ye Hei, it must be even more terrifying.

So these hundreds of Black Scale soldiers immediately knelt on the ground and said loudly: "We are willing to serve you, the Two-Horned Demon! Work for the mysterious master behind you!"

Buzz!

Ye Feng stepped out of the void at this time.

When Ye Hei saw Ye Feng, he immediately knelt down on one knee and said respectfully: "Sir, I have completely controlled this city."

"Is this the mysterious master?"

At this moment, hundreds of Blackscale soldiers looked at Ye Feng, with deep awe in their eyes as they looked at the figure wearing a ferocious mask.

Because they knew very well that even a powerful being like the Two-Horned Demon was loyal to this mysterious master.

This mysterious man is absolutely terrifying!

Ye Feng nodded slightly at this time, looked at Ye Hei in front of him, and said loudly: "Since you are very powerful now and know how to capture other cities, then you can develop quietly here, and so do I. When the time comes, I will go back to the place that belongs to me. When the next time comes, I hope Ye Hei that you have developed my dark power to a more prosperous stage, and I hope you will not disappoint me."

Buzz!

After Ye Feng finished speaking, he immediately activated the demon soul mask on his face, and then his soul body disappeared into the dark forbidden land and returned to his true body in the eternal demon sect in the center of the God Realm.

Seeing Ye Feng's entire figure disappearing into the sky, Ye Hei, as well as a group of demon soldiers loyal to Ye Feng's dark forces, all knelt down on one knee and said respectfully: "Farewell, Your Majesty. "

Chapter 2822 Envy, Jealousy, and Hatred

After Ye Feng left the dark interface, his soul body soon returned to his original body.

When Ye Feng opened his eyes, he found a familiar figure of a cold and charming girl standing at the door of his training room.

It was Luo Li.

Luo Li has obviously returned from collecting the reward from the central area of the Eternal Demon Cult.

However, she seemed to see that Ye Feng was practicing deeply, and she did not disturb Ye Feng. Instead, she stood quietly at the door of Ye Feng's practice room, waiting for Ye Feng to wake up from his practice state.

When Ye Feng saw this scene, he immediately took off the demon soul mask on his face, then walked up to Luo Li, smiled and said: "Luo Li, you should have received a lot of rewards this time, right? After all, The Book of Darkness is extremely precious."

A joyful smile appeared on Luo Li's face, and she said aloud: "After I presented the Book of Darkness this time, the upper echelons of the sect were very happy. I did get a lot of rewards, including inheritance and ten thousand points." Huge cultivation resources, but what makes me feel regretful is that I still have not been canonized as a saint of the Eternal Demon Sect. I am still a little short of it, and my contribution is not big enough. "

Hearing what Luo Li said, Ye Feng immediately patted the opponent's shoulder, and then said firmly: "As long as you continue to work hard, I believe you will be able to become a saint of the Eternal Demon Sect."

Luo Li smiled sweetly and said, "I hope so."

At this time, Luo Li seemed to have thought of something, and suddenly stared at Ye Feng in surprise, and then couldn't help but said: "Ye Feng, your cultivation has broken through to the first level of True Fate Realm!"

At this time, Luo Li's face was full of surprise, because when Ye Feng came with her before, his cultivation level had not yet broken through to the True Fate Realm and was still stuck in the tenth level of the Psychic Realm.

But now Ye Feng has directly broken through to the first level of True Destiny Realm in just a few days. This breakthrough speed is really too fast.

You know, the reason why Luo Li broke through to the realm of true destiny was because she refined the energy left by her ancestors.

However, Ye Feng did not have such a chance, and he relied entirely on Ye Feng's own strength to practice.

In this case, Ye Feng's breakthrough so quickly is really frightening.

Ye Feng's breakthrough speed is really scary.

Even Luo Li, a proud daughter of the Eternal Demon Cult, felt deeply shocked.

However, Luo Li didn't say anything more, but said aloud: "By the way, Ye Feng, since you have broken through to the first level of True Destiny Realm, then I am not so worried that you will be bullied by our Eternal Demon Cult. After all, most of the younger generation in our Eternal Demon Cult are not as advanced as you, and as for the older and stronger ones who are higher in cultivation than you, they will not bully the younger ones. "

"Junior sister Luo Li, I'm here to propose marriage."

But suddenly at this moment, an inappropriate young man's voice suddenly sounded outside Luo Li's palace.

Moreover, the sound was extremely loud, and everyone around him probably heard it, which made Luo Li's beautiful and cold face suddenly sink.

"Is this shameless guy Chu Haoyue here again? He actually threatened to come directly to propose marriage? It's really abominable!"

Luo Li immediately said to Ye Feng in front of her: "Ye Feng, this Chu Haoyue is so abominable. This time he dared to come to me so openly.

Ye Feng said such unreasonable things in his bedroom. This time, as we agreed before, we must make this Chu Haoyue completely give up. It is really disgusting to be pestered by such a hateful guy. "

When Ye Feng heard what Luo Li said, he immediately nodded. He felt a little speechless for this Chu Haoyue. This Chu Haoyue came directly to propose marriage. This kind of operation was indeed a bit disgusting.

At this moment, Ye Feng was about to walk directly outside the palace.

But at this time, Luo Li had a hint of shyness in her eyes, and then she stretched out her white little hand and took Ye Feng's arm.

Seeing Luo Li suddenly become so close, Ye Feng's eyes showed a look of surprise, and he was about to ask something.

But Luo Li whispered beside Ye Feng at this time: "Now that Ye Feng is pretending to be my fiancé, our behavior must be more intimate, so that we can deceive others."

When Ye Feng heard what Luo Li said, he felt it was reasonable, so he didn't refuse anything and let Luo Li walk close to him, holding his arm.

At this time, when Ye Feng took Luo Li out of the palace, everyone outside suddenly opened their eyes wide.

They seemed unable to believe their eyes.

Luo Li, the noble and true disciple of the Eternal Demon Cult, has always been synonymous with being cold and unapproachable in everyone's hearts, but at this moment, she held Ye Feng's arm in a girlish manner and walked out directly.

This scene really surprised everyone.

Even Chu Haoyue, who was outside vigorously shouting for the proposal of marriage, was stunned at this moment.

Then that handsome face suddenly showed a look of ferocious and terrifying anger.

That was a look of extreme jealousy and anger!

But before Chu Haoyue could say anything, Luo Li took Ye Feng's arm, stared at Chu Haoyue, and said slowly: "Senior Brother Chu, to tell you the truth, I already have a fiancé. Well, this is Senior Brother Ye Feng next to me. Senior Brother Ye Feng is a disciple from the Holy Land of Heaven. When we were very young, we were betrothed by our parents. Now Senior Brother Ye Feng and I have reached the age of marriage. age, so we are going to get married soon, Senior Brother Chu, I hope you will not behave so rudely in the future to avoid embarrassment. "

What Luo Li said at this time was naturally made up by her, but Ye Feng didn't say much.

After hearing what Luo Li said, Chu Haoyue originally wanted to speak out in anger, but at this moment, her throat was stuck. She didn't know what to say, and her face turned the color of pig liver.

At this time, countless disciples of the Eternal Demon Cult all around them stared at Ye Feng who was standing next to Luo Li, with deep envy and jealousy in their eyes.

Because Luo Li is known as one of the top ten beauties in the Eternal Demon Sect, and is very talented, she is likely to be the most noble being in the Eternal Demon Sect in the future.

But that little-known boy in white actually got engaged to such a proud girl like Luo Li at a young age. He was really lucky!

"No!"

But suddenly at this moment, Chu Haoyue stared at Ye Feng beside Luo Li, and then said angrily: "What qualifications does this mediocre boy have to become your fiancé, Luo Li? I want to marry him Let's fight!" After Ye Feng left the dark interface, his soul body soon returned to his original body.

When Ye Feng opened his eyes, he found a familiar figure of a cold and charming girl standing at the door of his training room.

It was Luo Li.

Luo Li has obviously returned from collecting the reward from the central area of the Eternal Demon Cult.

"No!"

But suddenly at this moment, Chu Haoyue stared at Ye Feng beside Luo Li, and then said angrily: "What qualifications does this mediocre boy have to become your fiancé, Luo Li? I want to marry him. Have a fight!"

Chapter 2823 Simply perfect

At this time, after Chu Haoyue finished speaking, many people in the entire field had surprised looks in their eyes.

Because they never expected that Chu Haoyue would be so angry that she would directly fight with the boy in white next to Luo Li.

However, everyone looked like they were watching a good show, because they were also full of envy, jealousy and hatred towards Ye Feng at this moment.

They also wished that Chu Haoyue could directly defeat this ordinary-looking boy next to Luo Li, so that they could satisfy their inner twisted pleasure.

"Chu Haoyue! Don't be presumptuous!"

But at this time, Luo Li, who was standing next to Ye Feng, suddenly spoke up: "Chu Haoyue, you have to know that Ye Feng is my fiancé and a friend of our Eternal Demon Sect. Now you are going to directly attack him?" Provocation, don't you think this is too unreasonable?"

Luo Li was talking at this time, and her body was exuding a very terrifying cold aura.

It has to be said that after Luo Li obtained the energy of her ancestors, her cultivation level has been upgraded to the realm of true destiny. The moment her aura was revealed at this moment, even the grandson of the supreme elder like Chu Haoyue felt a deep feeling. of coldness.

Chu Haoyue immediately stared at Ye Feng next to Luo Li, and said bitterly: "Your name is Ye Feng, right? If you are a man, don't hide around women, step forward and fight with me, if I win Well, then you take the initiative to leave Luo Li, and Junior Sister Luo Li will belong to me. If I lose, Luo Li will belong to you, and I will never bother you again, how about that?"

Although Chu Haoyue felt that she could not defeat Luo Li, but for an ordinary guy like Ye Feng, Chu Haoyue felt that she could defeat him in an instant.

And Chu Haoyue knew very well that Luo Li couldn't suddenly have a fiancé because he had never heard of it.

So Chu Haoyue was also very smart. He guessed that Ye Feng was a shield used by Luo Li. Ye Feng was probably just a very ordinary guy who was just used by Luo Li.

So at this time, Chu Haoyue smiled sinisterly and was about to fight Ye Feng to the death.

When Ye Feng heard Chu Haoyue say this, he immediately shook his head.

When Chu Haoyue saw Ye Feng shaking his head, a sarcastic smile appeared on his face and he said loudly: "If you don't want to fight me, does that mean you are afraid?"

Ye Feng suddenly raised his head slightly at this moment, stared at Chu Haoyue, and said word by word: "I shake my head, it's not that I'm afraid of you, but that I don't agree with what you just said. What do you mean, if you win, Luo Li belongs to you, but if you lose, Luo Li belongs to me? In my heart, Luo Li has always been my best friend, and now she is my fiancée. She is not a trophy after our men's battle, she is a living person. Is Luo Li just a trophy in your mind? You want to marry Luo Li just to enjoy your possessiveness, right? Haoyue, I can only say that you are not even qualified to stand here, let alone fight with me!"

Hearing Ye Feng's deafening questions and words, it was like a knife piercing Chu Haoyue's heart, making Chu Haoyue suddenly turn extremely pale.

Ye Feng's powerful words made Luo Li, who was standing next to him, tremble in his heart and almost cry.

She couldn't help but look at the person next to her

Ye Feng had a confused look in his beautiful eyes. At this moment, Luo Li felt that Ye Feng was simply her boyfriend at the peak of his powers.

"It would be great if you were really my fiancé..." Luo Li even had such an idea in her heart at this time, staring at Ye Feng's beautiful eyes with a complicated look.

But at this moment, after hearing what Ye Feng said, a group of disciples of the Eternal Demon Sect who were watching the excitement suddenly became solemn.

Because what Ye Feng said was really admirable.

Even those disciples in the Eternal Demon Sect who originally thought Ye Feng was an enemy could not help but respect Ye Feng at this moment.

Because of what Ye Feng said just now, everyone felt that he was a real man and a man of true temperament!

At this moment, many female disciples of the Eternal Demon Sect looked at Ye Feng with eyes full of deep admiration and deep worship.

The feeling that Ye Feng gave to all the female disciples of the Eternal Demon Cult at this moment was the same as Luo Li's, they all felt that Ye Feng's boyfriend was extremely powerful at this moment.

At this moment, Chu Haoyue looked at the changes in the expressions of the people around him and immediately understood that he was completely defeated, because Ye Feng's words just now were simply heart-wrenching.

At this moment, Chu Haoyue couldn't bear the feeling of defeat. He suddenly became even more angry, with a twisted murderous intent on his face, and a terrifying dark aura suddenly burst out

from his body. In an instant, He grabbed it towards Ye Feng and shouted loudly: "Damn boy, sharp teeth and sharp mouth, I will kill you directly today!"

"roll!"

But at this moment, Ye Feng suddenly moved, and he punched out fiercely in an instant.

Boom!

The moment that punch hit, the whole world seemed to be condensed into Ye Feng's punch. In an instant, an earth-shattering momentum erupted. In an instant, Chu Haoyue, who was rushing towards him, was sent flying backwards. .

"ah!"

Along with a scream, Chu Haoyue spurted out a mouthful of blood in the air, and fell to the ground not far away with a hard bang, in extreme embarrassment.

"So powerful!"

At this moment, the impact of Ye Feng's action instantly shocked everyone around him.

All the disciples of the Eternal Demon Cult suddenly showed deep horror in their eyes.

This seemingly ordinary young man actually possesses such terrifying power. No wonder even Senior Sister Luo Li is very close to him.

Because Ye Feng now gives everyone the feeling that he is both talented and powerful, and his appearance is so delicate and handsome, it is simply perfect!

"It would be great if I could also be the baby kiss of Senior Brother Ye Feng..." At this time, this was the simultaneous thought in the hearts of all the female disciples of the Eternal Demon Sect.

At this moment, Chu Haoyue fell to the ground like a dead dog. He felt that all the bones and meridians in his body were about to be broken. There was deep horror and despair in his eyes.

Because he never thought that Ye Feng, a disciple of the Holy Land of Heaven who suddenly appeared, would have such terrifying strength. He may seem ordinary, but once he takes action, it is simply earth-shattering and stunning! At this time, after Chu Haoyue finished speaking, many people in the entire field had surprised looks in their eyes.

Because they never expected that Chu Haoyue would be so angry that she would directly fight with the boy in white next to Luo Li.

Chapter 2824 The grudges are settled together

"This senior brother Ye Feng from the Holy Land of Heaven is really powerful..."

At this moment, someone on the field couldn't help but make a sound of exclamation, breaking the silence around them.

At this time, Chu Haoyue, who was lying on the ground, had a look of deep shame in his eyes.

Because he knew very well that today he was knocked away by Ye Feng's punch and defeated directly. Chu Haoyue might not be able to hold his head high in the entire Eternal Demon Sect in the future.

"Uh-huh!"

At this moment, Chu Haoyue left the scene in embarrassment and ran away in despair.

At this time, Ye Feng looked at Luo Li beside him, smiled slightly and said, "Okay, I guess Chu Haoyue will never dare to bother you again in the future."

Luo Li said jokingly at this time: "If you, Ye Feng, can always stay by my side, then I will never be afraid that this Chu Haoyue will bother me."

After finishing speaking, Luo Li seemed to feel that this sentence had a special sense of intimacy, and a trace of shyness suddenly appeared on her beautiful little face.

When Ye Feng saw Luo Li in front of him, he smiled slightly and said, "I guess I will leave the Eternal Demon Cult too."

"ah?"

When Luo Li heard what Ye Feng said, there was a trace of panic in his eyes, and he couldn't help but said: "Ye Feng, are you leaving the Eternal Demon Cult today? You have just come, and I still If I don't treat you well, you will leave."

Ye Feng smiled slightly and said: "It's not that I'm leaving today, it's just that I may leave in a few days, because my current strength has broken through to the first level of the True Life Realm, even if I leave the Eternal Demon "Jiao, I don't need to be so afraid when I meet the Dark City Lord and Duan Jingtian before. Moreover, I have been away from the Holy Land of Heaven for a long time, and it's time to go back and take a look."

It has indeed been a long time since Ye Feng left the Holy Land of Heaven and came out to practice.

So Ye Feng decided to return to the Holy Land of Heaven to see if he could upgrade his status as a disciple.

After all, he is still an outer disciple. If he can be upgraded to an inner disciple, his treatment will be greatly improved, and his power in the Holy Land of Heaven will become greater and greater.

At this moment, Luo Li felt relieved when he heard that Ye Feng said he would leave in a few days. At least he could continue to get along with Ye Feng for a while.

However, Luo Li still felt a little disappointed in her heart.

Because it would be great if Ye Feng was a disciple of the Eternal Demon Cult like him.

They can be together every day, practice together, talk about Taoism together, experience together, and even...

However, Ye Feng is a disciple of the Holy Land of Heaven after all. He cannot stay in the Eternal Demon Sect for too long and will eventually leave.

At this time, Luo Li couldn't help but said to Ye Feng: "If I have time, I will definitely go to the Holy Land of Heaven to visit you Ye Feng, and if I become the saint of the Eternal Demon Sect, how can you Ye Feng You must come to my saint's coronation ceremony."

Hearing what Luo Li said, Ye Feng immediately smiled and nodded, and then said, "Don't worry, Luo Li, if you really work hard to become a saint of the Eternal Demon Sect, I will definitely come to see you. "

In the next few days, Luo Li was very close to Ye Feng, and even

It can be said that they are inseparable.

Because she knew that Ye Feng was leaving soon.

She was about to say goodbye to Ye Feng, so Luo Li cherished these last few days of opportunity.

Even on the last night, Luo Li came to Ye Feng's room alone...

The next day, Ye Feng set off to leave.

At the gate of the Eternal Demon Sect, Luo Li looked at Ye Feng's back, with a deep look of reluctance in her beautiful eyes.

...

After Ye Feng left the Eternal Demon Sect, he quickly headed towards the Holy Land of Heaven.

But just when Ye Feng had just walked outside the territory of the Eternal Demon Cult, a very huge momentum suddenly descended from the sky and enveloped the area where Ye Feng was in an instant.

The moment Ye Feng sensed this breath, his eyes suddenly showed deep surprise.

Because this aura is very familiar, it is none other than Duan Jingtian, one of the two superpowers who previously chased Ye Feng!

This true disciple from the Holy Land of Chaos is wearing a golden robe at this moment. He looks extremely noble. He exudes a powerful cultivation level at the third level of the God of Education Realm that transcends the True Fate Realm. He descends from the sky. .

Duan Jingtian stood down, stared at Ye Feng, and said slowly: "It's not in vain that I have been waiting here for so long. You have indeed teleported to the headquarters of the Eternal Demon Cult. Now I am waiting outside the territory of the headquarters of the Eternal Demon Cult. After such a long time, it is indeed useful. You, the boy, will definitely die today, and the Dark Nine Dragon Cauldron that was snatched and stolen from you is destined to belong to me. "

Seeing Duan Jingtian talking, Ye Feng did not run away immediately this time. Instead, his eyes showed a cold look. He stared at Duan Jingtian and said slowly: "You chased me before. It has been so long, which makes me very embarrassed. Today I will settle all the past grievances."

"Hahaha!"

Hearing Ye Feng say such words, Duan Jingtian immediately laughed out loud from high in the sky, and then his eyes showed a deep sarcasm, and he said loudly: "You boy, with your cultivation level Before, you were only at the tenth level of the psychic realm. Even if you now seem to have encountered some chance and made a breakthrough to the first level of the true destiny realm, you are still just an ant-like existence in my eyes. You are extremely weak. I can kill you with one hand. Damn it, you dare to say such arrogant words in front of me, you are so naive and stupid."

Boom!

Almost at the moment Duan Jingtian finished speaking, he stretched out a hand directly from above.

Buzz!

Along with an extremely violent space fluctuation, a big hand of vitality condensed in front of Duan Jingtian in an instant, and then moved towards Ye Feng to suppress it.

This big hand of vitality is like a mountain, majestic and vast.

It has to be said that Duan Jingtian's cultivation strength is still very terrifying. A casual move can cause fluctuations in the entire world, which is really terrifying to the extreme.

If Ye Feng had met a super master like Duan Jingtian before, he would have run away in a hurry.

But now Ye Feng directly releases the cultivation of Dzogchen's future body.

boom!

At this moment, his cultivation skyrocketed to the perfection level of the tenth level of True Fate Realm, and then he punched out fiercely and shouted: "Duan Jingtian, you must be the one who died today!" "This Senior Brother Ye Feng from the Holy Land of Heaven is really powerful..."

Ye Feng smiled slightly and said: "It's not that I'm leaving today, it's just that I may leave in a few days, because my current strength has already reached the first level of True Destiny Realm. Even if I leave the Eternal Demon "Jiao, I don't need to be so afraid when I meet the Dark City Lord and Duan Jingtian before, and I've been away from the Holy Land of Heaven for a long time, so it's time to go back and take a look."

Duan Jingtian was condescending, stared at Ye Feng, and said slowly: "It's not in vain that I have waited here for so long. You have indeed teleported to the headquarters of the Eternal Demon Sect. boom!

At this moment, his cultivation skyrocketed to the level of the Great Perfection of the Tenth Heavenly Realm of True Destiny. Then he punched out fiercely and shouted, "Duan Jingtian, you must be the one who dies today!"

Chapter 2825 Dragon Blood Warrior State

Buzz!

Buzz!

At this moment, two very huge killing intents emanated from Ye Feng and Duan Jingtian respectively.

For Ye Feng, although this Duan Jingtian is extremely powerful, Ye Feng's cultivation has now broken through to a whole new level, he has entered the realm of true destiny, and is no longer afraid of Duan Jingtian.

And at this time, Ye Feng also released the cultivation of Dzogchen's future body.

The cultivation aura on his body suddenly increased from the first level of the True Fate Realm to the Great Perfection level of the Tenth Level of the True Fate Realm.

It is simply majestic to the extreme!

"Even if you have any secret skills that can improve your cultivation in a short period of time, you will eventually die in my hands."

Duan Jingtian stared at Ye Feng at this time, his eyes full of unparalleled confidence.

Because his cultivation level is at the third level of the God of Education Realm, which is much higher than Ye Feng's cultivation level.

So at this time, Duan Jingtian felt that even if Ye Feng continued to resist, he would eventually die in his hands and become a desperado.

Buzz!

At this moment, after Duan Jingtian finished speaking, his body immediately released a powerful cultivation level at the third level of the God of Education Realm.

At this moment, the entire surface of his body was emitting bright divine light, and his eyes were extremely sharp, giving people a very oppressive feeling, as if he could control everything.

"boom!"

Almost at this moment, Duan Jingtian took action immediately.

He didn't use any weapon, he just stretched out a hand and grabbed Ye Feng.

The gesture of taking action was extremely contemptuous.

In his eyes, Ye Feng seemed to be like an ant. He could crush Ye Feng to death with one hand.

However, Duan Jingtian's cultivation was indeed extremely terrifying. He stretched out a hand and the whole world shook.

His hand suddenly became extremely majestic, as if it could cover the sky and the sun, and was filled with unparalleled heaviness. It was like an ancient mountain, bombarded from high in the sky, able to shatter everything.

"Chaos body power!"

boom!

Ye Feng didn't hesitate at this time and just tried his best to stimulate the strength of his entire body.

The heart of the god also outputted huge energy at this moment, and all of it entered Ye Feng's arm.

Ye Feng punched out fiercely, and a divine light burst out.

It directly collided with the big hand that Duan Jingtian had grabbed, and suddenly an earth-shaking roar sounded throughout the world.

"Crack, click, click..."

Almost at the next moment, accompanied by a shattering sound, Ye Feng's punch actually shattered Duan Jingtian's big hand inch by inch.

When Duan Jingtian saw this scene, his eyes showed a rather surprised look, and he couldn't help but said: "Oh? I didn't expect that you, an ant, have such a strong body? It seems that you have a special physique among the human race. But even so, you will definitely die today, and no one can save your life."

After Duan Jingtian saw Ye Feng, everything he said was very domineering and domineering.

Because he was a true disciple from the Holy Land of Chaos, with an extremely noble status and a high level of self-respect, he felt that a weakling like Ye Feng would never be able to fight against him.

"The Great Wilderness Prisons Heaven's Hand."

Rumble...

At this time, Duan Jingtian once again displayed a very powerful martial arts inheritance.

His hand once again turned into a big black hand that covered the sky and the sun, full of the desolation and majesty of the wilderness.

This time, Ye Feng felt like a vast and endless wilderness, rushing towards him, with an extremely dangerous aura.

At this moment, Ye Feng no longer hesitated, and directly integrated the brute force gem into his fist, and once again punched high into the sky and struck hard.

Ye Feng's arm seemed to have turned into a real dragon, bursting out with divine light that seemed to be able to shatter the entire sky.

Boom!

The terrifying collision sound suddenly resounded throughout the entire sky.

Ye Feng's punch, which was fused with the brute force gem, was full of incredible power.

However, Duan Jingtian's Great Desolation Prisoner's Hand was also full of unparalleled heaviness.

The collision of the two shook the entire surrounding mountains and ground into countless powders.

Kick, kick, kick!

At this moment, both of them actually took several steps back before finally stopping.

Ye Feng's eyes were a little surprised. He didn't expect Duan Jingtian's martial arts inheritance to be so powerful. He was worthy of being a true disciple from the Holy Land of Chaos.

However, the surprise on Duan Jingtian's face disappeared at this time, replaced by deep gloom and anger.

Because he originally thought he could capture Ye Feng in an instant.

But what he never expected was that Ye Feng's two consecutive moves were at the same level as him. This made Duan Jingtian feel huge shame. He was unable to compete with this weak boy like Ye Feng.

"This is impossible! This kid is obviously just an extremely weak mole

Ant, can actually fight against buzz? "

At this moment, Duan Jingtian's eyes were extremely gloomy, and he could no longer maintain the calmness he had before.

He said coldly: "It seems that it is very normal for you to be able to steal the Dark Nine Dragon Cauldron. Your cultivation strength is so powerful that I have to admire it. But today, even if your combat power is no longer The powerful must die today."

Buzz...

At this moment, Duan Jingtian seemed to know that Ye Feng could not be defeated by normal means.

At this moment, he seemed to have inspired some mysterious power, and a very terrifying and deep aura suddenly burst out from his body.

At this moment, Ye Feng suddenly saw Duan Jingtian. There were patches of red scales on the surface of his body, as if his whole body was covered with dragon scales, densely covering his entire body.

At this moment, Ye Feng couldn't help but said: "Are these red dragon scales? Are you a dragon-blooded warrior?"

Dragon-blooded warriors are human beings who possess the blood of dragons in their bodies, thus stimulating growth.

Once one becomes a dragon-blooded warrior, a warrior's all-round martial arts quality will be greatly improved, whether it is speed, strength, or body defense, will be greatly increased.

At this moment, Ye Feng saw that Duan Jingtian had turned into a humanoid dragon, and he immediately understood that Duan Jingtian's body contained ancient dragon blood, and he could actually transform into a dragon-blooded warrior.

At this time, Duan Jingtian transformed into a dragon-blooded warrior. His pair of dark golden pupils were full of majesty and killing power. He immediately stared at Ye Feng, full of endless coldness, and said loudly: "I have been fighting since I was a child. It grew up bathing in dragon blood. Now that the power of dragon blood has been fully activated, you will be dead."

Chapter 2826 Fusion of Dominator Gem

"boom!"

At this moment, Duan Jingtian transformed into a dragon-blooded warrior, his whole body covered in red scales.

At this moment, Duan Jingtian rushed towards Ye Feng, the dragon energy all over his body was like burning red flames, looking very scary.

It was as if he had become a humanoid dragon, with all his strength bursting out, and there was a faint dragon roar, full of unparalleled impact.

At this time, even Ye Feng felt a pressure coming from his body.

Of course, Ye Feng's Chaos Body was not weak. He didn't hesitate and punched forward fiercely.

You know, Ye Feng's Chaos Body is already very powerful and solid, and Ye Feng also integrated brute force gems into his fists.

So at this moment, Ye Feng's fist collided with Duan Jingtian's dragon claw, and an extremely terrifying collision sound suddenly broke out.

At this moment, Ye Feng suddenly felt a little pain in his fist. It had to be said that this shocking dragon claw was still very strong and sharp.

At this time, Duan Jingtian felt a huge turmoil in his heart, because he had transformed into a dragon-blooded warrior and could almost tear apart enemies at a higher level than him in an instant.

But now Ye Feng was able to fight him hard with the strength of his body, which was incredible to Duan Jingtian.

Even just now, when Duan Jingtian's dragon claw touched Ye Feng's fist, there was a sharp pain in the dragon claw, as if it was about to break in the next moment, which made Duan Jingtian suddenly nervous.

How could this extremely young boy in front of me be so powerful?

Even when he transformed into a dragon-blooded warrior, he couldn't completely suppress it.

"Dragon fights in the wild!"

At this moment, Duan Jingtian displayed a very powerful secret technique inherited from the Dragon Clan. He suddenly turned into a huge red dragon and slammed into Ye Feng, as if it could destroy the entire world. They were all collapsed by the impact.

At this moment, Ye Feng did not hesitate at all, and instantly displayed his powerful inheritance, the Wheel of Judgment.

The Wheel of Judgment was learned by Ye Feng from the Lord of the Judgment Hall of the Tiandao Holy Land where he was. It is a unique inheritance of the Judgment Temple among the six major temples of the Tiandao Holy Land. It is very powerful.

At this moment, facing the terrifying power that rushed towards him, Ye Feng released the Wheel of Judgment. Black wheels that were spinning rapidly appeared in the void behind him, exuding the aura of judgment. All of a sudden, he was bombarded with the giant red dragon.

Rumble...

Suddenly, an extremely terrifying roar resounded throughout the entire world. It was simply earth-shattering and filled with unparalleled terrifying and shattering power.

The next moment, the Wheel of Judgment successfully resisted the attack of the red dragon.

Duan Jingtian's attack did not cause any harm to Ye Feng.

Ye Feng took advantage of this opportunity to crazily activate the power of his God's heart. Then Ye Feng's hand that was fused with the brute force gem instantly opened its five fingers and fiercely moved directly in the direction of Duan Jingtian. Grab it.

Boom!

But at the next moment, the red dragon that Duan Jingtian transformed into had unparalleled power and directly knocked Ye Feng's five fingers upside down.

At this moment, Feng was unable to capture Duan Jingtian's body.

Space gem!

At this moment, Ye Feng did not hesitate and once again integrated a domination gem into his hand.

As the space gem and brute force gem were integrated into Ye Feng's hand, Ye Feng's hand suddenly burst out with unparalleled special power.

Uh-huh!

At this moment, Ye Feng once again grabbed Duan Jingtian's direction. He opened his five fingers, and five huge void fingers suddenly appeared in the entire void, filled with the power of space gems, like Able to bind the entire world.

At this moment, Ye Feng's hand seemed to have turned into a five-finger mountain. Duan Jingtian could not escape from the spatial prison created by Ye Feng's hand.

Boom!

The five fingers of Ye Feng's hand burst out with extremely terrifying power of heaven and earth, directly bombarding Duan Jingtian's body.

You know, Ye Feng's hand at this moment is not only fused with the brute force gem, but also the space gem.

The power bursting out at this moment includes both the terrifying power of the brute force gem and the space-binding power of the space gem.

At this moment, the crimson dragon that Duan Jingtian had transformed into was immediately attacked. Cracks appeared all over his body, and crimson blood flowed out.

Duan Jingtian felt great pain, as if he was hit by the palm of a giant. He immediately screamed in pain, trying to escape from Ye Feng's Wuzhi Mountain.

However, Ye Feng smiled coldly at this moment. His hand combined the power of the space gem and the brute force gem at the same time.

\u003c

br\u003e Although I can't fully exert the power of the Dominator Stone now, Duan Jingtian can't resist it at all.

So at this moment, after Duan Jingtian was restrained by Ye Feng's Wuzhishan, he could not escape from this huge Wuzhishan prison.

At this moment, the dragon-blood warrior that Duan Jingtian transformed into could only rush wildly and quickly within the area covered by Ye Feng's Wuzhi Mountain, but it could not escape.

"Ah! Impossible!!"

At this moment, Duan Jingtian was like a mad beast, rushing everywhere, but he couldn't escape from Ye Feng's Five Finger Mountain.

"Collect it from me!"

At this moment, Ye Feng didn't hesitate and started to tighten his palms. The space prison formed by Wuzhi Mountain immediately began to shrink, quickly squeezing the crimson dragon that this shocking section had transformed into.

Click click click...

In the end, Duan Jingtian had no power to resist at all. He was directly pinched by Ye Feng's hand and restrained instantly. The power in his body was also exhausted, and he completely lost his strength.

It has to be said that this time Ye Feng also tried very hard to fuse the two domination gems into one of his hands, but he did not expect that such a powerful force would burst out.

As strong as Duan Jingtian, he was defeated instantly by Ye Feng using his body as a carrier and the power formed by fusing two domination gems together.

"Sure enough, the power contained in the gems of the gods is endless. As long as I continue to explore, the power that emerges will become stronger and stronger."

At this time, Ye Feng finally understood that in fact, the most powerful potential and the most terrifying thing in his body were, after all, the few dominance gems he had obtained back then.

Chapter 2827 Leave a line

At this moment, Duan Jingtian, the true disciple from the Holy Land of Chaos, was like a dead dog, being held in Ye Feng's hands, looking extremely embarrassed.

At this time, Duan Jingtian was like a piece of fish on the chopping board, being slaughtered by Ye Feng.

At this moment, Duan Jingtian stared at Ye Feng in front of him, his eyes filled with deep horror and despair.

Because he never thought that Ye Feng, who he regarded as an ant, would actually have such powerful strength.

And at that last moment, the power that burst out from Ye Feng's hands was simply magnificent to the extreme. It was a power that even Duan Jingtian could not understand. It was mysterious, grand, and irresistible.

After all, the power emitted by the Dominator Gem is very terrifying, and ordinary true disciples like Duan Jingtian simply cannot understand that incredible power.

Ye Feng stared at Duan Jingtian in front of him for a moment, and said coldly: "Duan Jingtian, Duan Jingtian, if we were all in peace, there would be no fight between us, but you are too presumptuous. If you dare to wait here and want to hunt me down, I can only kill you, and I am not afraid of offending your Chaos Holy Land, because I have a grudge against your Chaos Holy Land."  
"

Hearing Ye Feng say this at this moment, Duan Jingtian suddenly burst into laughter.

Seeing Duan Jingtian who was about to die suddenly burst into laughter, Ye Feng felt very strange and asked aloud: "You are about to die, why are you laughing?" .???.??

Hearing Ye Feng's question, Duan Jingtian's eyes suddenly became extremely cold and gloomy, and he said aloud: "Before I came to wait and see, I had already informed several of my extremely powerful senior brothers and sisters that I would be here soon. Hunting a disciple from the Holy Land of Heaven, he has an extremely powerful dark magic weapon, so even if I am killed by you now, my group of senior brothers in the world will definitely instantly understand who I will be killed by, you boy We will be continuously hunted by the super masters of our Chaos Holy Land!"

Hearing what Duan Jingtian said, Ye Feng immediately understood.

It seems that this Duan Jingtian is also a man with a very high status in the city.

Considering that he had contacted his senior brothers and sisters in advance, he seemed to be a very thoughtful person.

But no matter what, Ye Feng couldn't have any sympathy at this time. He just stretched out his other hand and tore Duan Jingtian into pieces in an instant.

boom!

Then Ye Feng directly released his Devouring Domain, shrouding Duan Jingtian in the Devouring Domain.

Rumble...

As a result, at this moment, all the skills contained in Duan Jingtian's body were absorbed by Ye Feng using the Devouring Domain, and then poured into Ye Feng's body continuously.

At this moment, Ye Feng immediately felt that his cultivation level was rapidly and continuously improving, and his skill was also rapidly growing.

Ye Feng's eyes were filled with joy at this moment.

It has to be said that Duan Jingtian's skills are still very profound, and he is worthy of being a powerful master of the third level of the Yushen Realm.

The skill he cultivated in his body was so majestic that Ye Feng's cultivation level immediately improved tremendously.

boom!

The second level of True Destiny Realm!

boom!

The third level of True Destiny Realm!

boom!

The fourth level of True Destiny Realm!

It wasn't until this moment that Ye Feng's cultivation aura finally stopped.

There was deep joy in Ye Feng's eyes at this time.

Unexpectedly, Duan Jingtian could let his cultivation level break through the third level in a row.

He broke through directly from the first level of True Destiny Realm to the fourth level of True Destiny Realm.

This is a huge improvement!

this moment

Jian Yefeng clenched his fists and could feel that after his breakthrough in cultivation, his strength had also improved a lot.

At this time, Ye Feng suddenly thought of what Duan Jingtian said before.

His senior brothers and sisters might come to hunt him down.

But there was no fear in Ye Feng's eyes at all, instead they were filled with a deep fighting spirit.

Next, no matter how many people came to hunt him, Ye Feng decided to catch them all to let them know how serious the consequences of offending him were.

And most importantly, it can also devour the cultivation of these people and continuously strengthen itself.

Originally, Ye Feng was still thinking about how to fight against the Holy Land of Chaos, but now Duan Jingtian gave himself a breakthrough point.

As long as the true disciples of the Chaos Holy Land come to chase him, after he kills them, he will continue to weaken the power of the Chaos Holy Land.

After all, Ye Feng now knows very well that his biggest enemy, the Lord of Chaos, is the Holy Lord of the Holy Land of Chaos.

And if you want to completely unseal the Soul Gem, you must obtain the Chaos Gem controlled by the Lord of Chaos. Only then can you completely unseal the Soul Gem and allow Emperor Chu to exert his powerful power. ??

However, although Ye Feng wanted to kill those true disciples of Chaos Holy Land at this time and weaken the overall strength of Chaos Holy Land, Ye Feng also knew that Duan Jingtian was so powerful. His senior brothers and sisters, or existences with more noble status, The cultivation strength and methods must be very terrifying.

So Ye Feng did not stay where he was, waiting for the arrival of this group of people.

Because he knew very well that if many true disciples from the Chaos Holy Land came here in a swarm, he would be alone and helpless, which would be difficult to resist.

But Ye Feng was afraid that these people would not be able to find him.

So at this time, Ye Feng deliberately used Duan Jingtian's blood to write this line on the place where he killed Duan Jingtian.

: "Duan Jingtian has been killed by me. I'm waiting for you in the dark city."

The dark city that Ye Feng mentioned was naturally the dark city that Ye Feng had mixed into before.

Because Ye Feng's next direction is to go to the dark city and kill the dark city lord who was chasing him for days and nights.

Now that Duan Jingtian has been killed, Ye Feng will naturally not let go of the other Dark City Lord who was chasing him at that time.

After all, Ye Feng gained huge benefits from Duan Jingtian's skill.

If you can kill the Dark City Lord, you should be able to make your own cultivation even more powerful after devouring it.

In this case, we will definitely be more confident in dealing with Duan Jingtian and other senior brothers and sisters from the Holy Land of Chaos.

So at this time, after Ye Feng left such a line, he didn't care whether Duan Jingtian's group of brothers and sisters from the Chaos Holy Land would actually come to the Dark City to look for him. He just kept his head down and moved forward in the direction of the Dark City. Fly over quickly.

And shortly after Ye Feng left, several young men and young women wearing noble clothes suddenly descended from high in the sky.

The cultivation auras of these young men and women are extremely powerful, much more powerful than Duan Jingtian, and unfathomable.

Obviously, they are all true disciples in the Holy Land of Chaos, with noble status and extremely terrifying cultivation methods.

But at this time, when these noble true disciples of Chaos Holy Land looked at the line of words left by Ye Feng on the ground, their expressions suddenly became extremely gloomy.

The young man in purple robes at the head immediately spoke out: "It seems that Junior Brother Duan has encountered something unexpected and was killed by that boy. That boy is really hateful. He left such a line blatantly. We We must kill him. Let's go to the Dark City and see what kind of abilities this kid has. How dare he openly challenge us!"

Chapter 2828 Return to the Dark City

Just when this group of true disciples from the Chaos Holy Land wanted to hunt down Ye Feng, Ye Feng himself had already returned to the previous dark city based on his previous memories.

The Dark City had been attacked by human masters before, but in the end Duan Jingtian abandoned the Dark City and went after Ye Feng, so the Dark City was preserved.

Uh-huh!

At this moment, after Ye Feng arrived at the dark city, he immediately saw the entire dark city, all exuding an extremely rich black energy, and it still looked very demonic.

However, Ye Feng was surprised that the dark city did not seem to be as heavily guarded as before.

There were many masters of the dark race around, and as they entered and exited one after another, the entire dark city seemed to have turned into a city without an owner.

When Ye Feng saw this scene, his eyes suddenly showed deep surprise.

Because after counting the time, the Lord of the Dark City should be back. Why did the Dark City become an ownerless city?

Buzz!

Thinking of this, Ye Feng's eyes immediately moved, and he immediately exuded his huge soul power, directly covering the entire dark city.

Ye Feng immediately sensed that there was no fluctuation in the aura of the Dark City Lord in the dark city.

"What....."

This result made Ye Feng's eyes sink.

Unexpectedly, the Lord of Dark City is not here, and has gone somewhere.

Originally, Ye Feng came all the way here just to find the Dark City Lord, kill him, and then devour and strengthen his own cultivation.

But now, he discovered that the Dark City Lord was not in this dark city, and he didn't know where he was.

This made Ye Feng feel a little disappointed in his heart.

Because the purpose of Ye Feng's return this time was to kill the Dark City Lord, but now the real Lord has disappeared.

But when Ye Feng was about to leave, he suddenly sensed that there seemed to be a human aura in this dark city.

Ye Feng immediately walked towards the dark city. It seems that after this dark city became an ownerless city, there should be forces of dark races, large and small, stationed here, and captured some high-ranking human beings.

hand.

Now that Ye Feng has encountered it at this moment, he will naturally not sit idly by. He is going to enter the dark city, rescue the masters of the human race, and kill some dark races by the way.

Although there are no masters that catch Ye Feng's attention in this dark city, there are still quite a few dark races. If they are all killed, it can be regarded as a considerable amount of blood and energy.

Tap tap tap...

At this moment, Ye Feng walked towards the dark city.

This time Ye Feng did not disguise himself as a dark race, but exuded a powerful human aura and walked directly forward.

When Ye Feng arrived at the entrance of the dark city, two dark races wearing black armor suddenly came directly in front of Ye Feng, with incredible looks in their eyes.

The two dark race guards couldn't help but said: "You are a human race, how dare you come directly to the dark city controlled by our dark race under the spotlight? You, a human boy, are you stupid? Are you so bold?"

But after the two dark race guards finished speaking, Ye Feng just smiled slightly, and then said aloud: "It's not that I am bold, but that I am very strong."

Boom!

Almost at the moment Ye Feng finished speaking, an extremely powerful aura suddenly burst out from Ye Feng's body.

Ye Feng didn't even make a move. The aura of cultivation that erupted from his body was like a violent storm, and he immediately blew away the two guards of the dark race who were blocking him in front of him.

Then the two dark race guards were blasted into the air, and their entire bodies were shattered.

Ye Feng didn't even need to use his hands at this time to shatter these ordinary dark race guards into pieces.

At this moment, a devouring domain also appeared around Ye Feng, swallowing up the blood energy of the two dark race guards who were knocked away in an instant.

Although these two ordinary dark race guards are not powerful, the power contained in their bodies

The blood energy is still good, which has once again increased Ye Feng's cultivation skills a lot.

At this time, Ye Feng was quite satisfied, and then continued walking towards the interior of the dark city.

At this time, the noise caused by Ye Feng at the entrance of the dark city immediately attracted many dark race experts around him.

There were also many dark race guards in the dark city. Their eyes were startled, and they all rushed outside.

They saw Ye Feng slowly walking towards the dark city, with deep shock and anger in their eyes.

Because they did not dare to take action at this time, all the dark races felt very terrifying from the cultivation aura that Ye Feng had just erupted from. They, ordinary dark races, could not be their opponents at all.

But at this time, Ye Feng took the initiative.

Although these dark races did not take action against him, this does not mean that Ye Feng will not take action against others, because all these dark races should be killed.

At this moment, Ye Feng directly released the Wheel of Judgment.

Boom boom boom...

Suddenly, rapidly rotating black wheels of judgment appeared behind Ye Feng, and black beams of light erupted, like a salvo of thousands of arrows, striking out from the wheels of judgment behind Ye Feng and heading towards It quickly penetrated the surroundings and the entire dark city.

All the surrounding dark race guards were penetrated by the power released by Ye Feng, and fell to the ground dead in an instant.

At this moment, all the dark races showed deep fear in their eyes.

They never expected that such a terrifying human boy would suddenly come to their dark city.

At this moment, a devouring domain appeared around Ye Feng, which was constantly absorbing the blood and energy of the surrounding dark races that he had killed. Ye Feng's skill was slowly increasing...

At this moment, the inner city of the dark city was still peaceful, and there was no awareness of what was happening in the outer city.

At this time, in the inner city, more than a dozen people wearing black armor

A's dark race master stared at the dozen or so figures standing in the middle with greedy eyes.

These dozen or so people are all wearing the uniforms of the disciples of the Holy Land of Heaven, and they are basically all female disciples. They are young and beautiful, they look graceful and graceful, and all of them have extraordinary temperaments.

However, among the group of more than a dozen female disciples, there stood a young man in a golden robe at the front.

This young man is a true disciple in the Holy Land of Heaven. His cultivation is very powerful. He holds a golden sword in his hand. At this moment, his eyes are full of vigilance, staring at the dark race surrounding them.

At this moment, the dozen or so female disciples behind them couldn't help but say: "Senior Brother Xiao, let's join forces and fight these dark races to the death!"

More than a dozen female disciples said that although they looked very sweet, at this time, every pair of beautiful eyes was full of the courage to look at death.

But at this time, the body of the true disciple of the Holy Land of Tiandao, known as Senior Brother Xiao, started to tremble slightly, and then he slowly said: "No! My grandfather is the Supreme Elder of the Holy Land of Tiandao. I have a noble status, but I don't want to fight to the death, and I don't want to die here!"

At this moment, he suddenly stared at a group of dark races on the opposite side, and then shouted out: "I am willing to give up resistance and dedicate all the dozen junior sisters behind me to the adults of the dark races, as long as you can spare me." My life!"

"What?!"

Hearing what Senior Brother Xiao said, the dozen or so female disciples from the Heavenly Dao Holy Land present immediately widened their eyes, their beautiful eyes filled with deep anger.

Why didn't they expect that Senior Brother Xiao, who was usually very courteous to them, would directly rebel at this critical moment? Such weakness really disappointed them.

Originally, in their hearts, Senior Brother Xiao was a perfect being with strong cultivation and noble status. He was the dream lover of all these female disciples.

But now Senior Brother Xiao has become synonymous with coward in their eyes.

Because these women have the courage to die with the dark race, but this senior brother Xiao is afraid and wants to become the lackey of the dark race!

Chapter 2829 Attacking the Inner City

At this moment, in the inner city of this dark city, the moment Brother Xiao finished speaking, the dozen or so masters of the dark race surrounding him suddenly showed cold smiles on their faces, and then said: "Okay, as long as you don't fight to the death with us, then we will let you live."

Hearing these dark race masters say this, Senior Brother Xiao immediately showed deep joy and excitement on his face. He stood aside for a while, then respectfully clasped his fists and said, "Thank you, all dark race masters." Forgive me, these dozen junior sisters are all beauties in our Holy Land of Heaven."

At this moment, what Senior Brother Xiao said was naturally to please this group of dark race masters.

After Senior Brother Xiao said these words, the eyes of the dozen or so inner sect female disciples of the Holy Land of Heavenly Dao suddenly showed deep disappointment and despair.

At this moment, a group of female disciples spoke out one after another: "We will fight against these dark races! Even if we die, we will never let these dark races succeed!"

At this time, after the dozen inner sect female disciples finished speaking, they all nodded, and then instantly joined forces to kill the surroundings.

However, their cultivation was still too weak after all, and they were unable to withstand the attacks of more than a dozen dark race masters.

The masters of these dozen dark races are all at the ninth level of True Destiny Realm. ??

Although it is not as good as the existence of the Third Heavenly God Realm like the Dark City Lord, it is still very powerful and cannot be fought by a dozen inner sect female disciples of Tiandao Sect.

At this moment, among the dozen or so masters of the dark race, only one master of the dark race took action.

Buzz!

He just stretched out a hand, and a huge black hand suddenly appeared high in the sky, sending a dozen female disciples from the inner sect who were trying to kill them flying backwards.

They all spat out mouthfuls of blood one after another.

He was hit hard in an instant.

Seeing the extremely powerful attacks of these dark race masters, Senior Brother Xiao immediately breathed a sigh of relief.

Fortunately, he surrendered quickly, otherwise even if he had the same cultivation level as these dark race masters, he would definitely not be a match for more than a dozen dark race masters.

At this moment, the dozen or so female disciples of the inner sect of the Holy Land of Heaven's Path all had eyes filled with deep despair.

Then suddenly, more than a dozen female disciples looked at the most mature one among them, and then said loudly: "Senior Sister Zhong, you are the great protector of our Jialan Association, and you are also the most valued subordinate of Senior Sister Jialan. A dozen of us burned our lives to escape from death for you, Senior Sister Zhong!"

Apparently these dozen inner disciples of the Tiandao Sect seem to be members of a group called the Canaan Society in the Holy Land of Tiandao.

At this moment, the most mature and beautiful woman among them seems to be called Senior Sister Zhong, and she is an important member of the Jialan Society.

At this time, a dozen ordinary female members of the Jialan Association wanted to escort the most important Senior Sister Zhong out, even at the expense of their own lives.

I have to say that the courage of these dozen female disciples is still very good. At this moment, at this last moment, they did not give in, but tried their best to get the last chance of survival for their senior sister.

But at this time, when he saw a dozen female disciples starting to burn their own vitality, the beautiful disciple called Senior Sister Zhong immediately showed a look of deep pain on her face and couldn't help but scream. Said: "Junior sisters, please do not do such a thing for me. If you all die, I will not have the shame to return to the sect."

Well, a dozen of us sisters live and die together! "

At this moment, after Senior Sister Zhong finished speaking, she immediately began to burn her own life force, as if she was ready to burn it to the ground.

But just when the dozen or so female disciples of the inner sect of the Holy Land of Heaven were ready to try their best, even at the cost of burning their own vitality, they were like moths flying into the flames.

Boom! !

Suddenly, there was a huge roar at the gate of the inner city.

"what's the situation?"

And this roar immediately attracted the attention of everyone present, including the dozen or so powerful dark race masters.

At this moment, in everyone's sight, the gates of the inner city, including the surrounding walls, suddenly collapsed.

Then, under the shocked gazes of countless people, a young man bathed in divine light forced all tens of thousands of Dark City Lord's guards back, all of them retreating to the inner city of Dark City.

This scene is full of unparalleled shock!

In an instant, everyone present felt deeply horrified.

"That young man is wearing the clothes of an outer disciple of our Heavenly Dao Holy Land?"

"What? How can an outer disciple have such a powerful power? It makes me feel like a young god!"

...

Almost at this moment, the dozens of female disciples of the inner sect of the Holy Land of Heaven and members of the Jialan Society who were present suddenly showed deep horror in their eyes, and at the same time there was also a deep look of surprise. .

Because they judged at that moment that the young senior brother in white clothes and snow in the distance had a strong cultivation level.

The power is absolutely terrifying to the extreme.

With the power of one person, he forced tens of thousands of dark races in the entire dark city to retreat to the inner city.

This kind of strength is simply earth-shattering, terrifying and powerful to the extreme.

At this moment, Senior Brother Xiao, who had already surrendered, immediately showed deep astonishment in his eyes.

He never expected that at this most critical moment, a fellow disciple would come in, and such a tough fellow disciple would be there.

At this moment, the young man in white clothes and snow in everyone's eyes is naturally Ye Feng.

At this time, Ye Feng fought from the outer city to the inner city. The dark races he killed provided him with very majestic blood energy, which greatly increased Ye Feng's cultivation.

This made Ye Feng very happy, and he went straight to the inner city.

At this moment, when Ye Feng arrived at the inner city, he immediately saw a surprising scene.

He saw a young man wearing the uniform of a true disciple of the Holy Land of Heaven, kneeling in front of a group of dark race masters, like a dog.

The dozen or so female disciples in the middle who looked very weak were actually very courageous. Their bodies began to burn with red energy of vitality, as if they were ready to fight to the death.

Seeing this scene, Ye Feng's eyes showed a hint of surprise, as if he understood something in an instant.

He immediately glanced at the true disciple who was kneeling on the ground, then looked at the dozen female disciples of the inner sect of the Holy Land of Heavenly Dao, and said slowly: "Everyone, there is no need to burn your life force. Take back your strength quickly, otherwise it will be harmful to you." My own martial arts origin has caused harm. I am also a disciple of Tiandao Holy Land. We are all brothers and sisters. Since I am here today, no one can harm us in Tiandao Holy Land! "

Chapter 2830 dyed the entire inner city red

Buzz!

At this moment, after Ye Feng's words fell, they seemed to be filled with infinite power, causing the more than a dozen female disciples of the Holy Land of Heaven to suddenly show deep excitement in their eyes.

They quickly withdrew the power that they were preparing to burn their life force, and then all walked towards Ye Feng's direction.

After seeing this scene, the dozen or so masters of the dark race immediately shouted: "You can't leave!"

Swish, swish, swish!

At this moment, more than a dozen masters of the dark race rushed towards the more than a dozen female disciples of the Holy Land of Heaven, trying to catch them all.

"Get out of my way!"

But suddenly at this moment, Ye Feng at the gate of the inner city wall suddenly moved, as if he had crossed an endless space, and suddenly he was in front of more than a dozen female disciples from the Holy Land of Heaven. Then he directly punched a dozen masters of the dark race in front of him.

Boom! !

Ye Feng's fist seemed to be filled with infinite power. At this time, it was bombarded forward. In an instant, terrifying energy light waves burst out, and in an instant, it enveloped the dozen dark seed masters. In the light wave of this fist, he was knocked back in an instant.

The cultivation levels of more than a dozen dark race masters are all at the ninth level of the True Destiny Realm, and they are very powerful.

But at this time, more than a dozen dark race masters joined forces and could only resist Ye Feng's fist.

They fell back one after another, feeling as if their whole bodies were about to be broken.

This made the eyes of more than a dozen dark race masters reveal deep horror in an instant.

Obviously, they never thought that this ordinary-looking young man would possess such terrifying brute strength.

At this moment, I saw Ye Feng's punch

With its power, the dozen or so female disciples from the Holy Land of Heaven present all showed deep horror in their eyes, and then they were filled with deep admiration.

"One punch actually defeated a dozen masters of the dark race! This is really terrifying strength!"

At this moment, the eyes of more than a dozen inner sect female disciples of the Holy Land of Heaven showed deep shock.

They came to Ye Feng's back one after another, staring at Ye Feng with pairs of beautiful eyes, showing excitement and admiration.

At this moment, Ye Feng did not pay attention to these admiring looks. He just looked at the dozen masters of the dark race, and then said loudly: "You dark races are really too presumptuous. On the territory of our human race, Burning, killing, looting, and now you dare to offend our Tiandao Holy Land. It seems that none of you will leave today. "

Hearing what Ye Feng said, the dozen dark race masters burst into laughter instantly: "Boy, that punch you just made must have used up all your strength, so you were able to defeat us ten. They have all been repulsed, and you are probably very weak now."

It turned out that these dozen masters of the dark race felt that Ye Feng had used some kind of trump card at this moment to make the punch just now filled with such powerful power that he knocked back all the dozen masters.

Perhaps Ye Feng is now weak!

But after hearing what these dozen dark race masters said, Ye Feng immediately revealed a cold smile in his eyes and said, "Wouldn't you guys know if I am weak now or not?"

Hearing what Ye Feng said, the dozen or so dark race masters all had gloomy looks in their eyes.

They all said aloud: "Human boy, you are too arrogant. Today we will teach you a lesson for this human boy who doesn't know the heights of the sky."

Boom!

Boom!

Boom!

Almost at this moment, a dozen masters of the dark race unleashed their powerful cultivation aura from the ninth level of True Destiny Realm.

Each one of them instantly erupted with terrifying black light, and then they used their own powerful methods to attack Ye Feng.

"Hand of Darkness!"

"The finger of death!" .??.

"The thorn of all evil!"

"Light of the Endless Abyss!"

...

Almost at this moment, more than a dozen masters of the dark race all displayed their most powerful trump cards.

Although they guessed that Ye Feng might have exhausted his power now, just in case, their attacks at this moment were all releasing their most powerful power.

Rumble...

In an instant, more than a dozen terrifying waves of death power descended in front of Ye Feng, full of unparalleled destructive power and destructive power.

Even the dozen female disciples of the inner sect of the Holy Land of Heaven who stood behind Ye Feng felt the terrifying aura of death at this moment.

But before their eyes showed fear and horror, Ye Feng's body suddenly burst out with divine light, which instantly dispelled the shadow of death.

At this moment, standing behind Ye Feng, looking at the divine light blooming all over Ye Feng, and the beautiful eyes of more than a dozen inner sect female disciples of the Holy Land of Heaven, all the fear suddenly disappeared.

At this moment, they only felt that the young senior brother in front of them had suddenly become extremely majestic, able to protect them from wind and rain, and was not afraid of any threats at all.

And almost at this moment, Ye Feng directly released the Six Paths of Samsara Fist without any hesitation.

Moreover, in this punch, Ye Feng also integrated the brute force gem and the space gem, releasing the power of the previous move that killed Duan Jingtian.

Boom!

You know, Ye Feng's punch combined the brute force gem and the space gem, and was able to defeat Duan Jingtian in an instant.

Therefore, facing these dozen dark race masters from the ninth level of True Destiny Realm, the energy frenzy generated by Ye Feng's punch was the means to release these dozen dark race masters, all of which were given to It was broken into pieces.

Wow!

Then a terrifying wave of power enveloped a dozen dark race masters in an instant, causing their entire dark bodies to be shattered inch by inch.

"ah!!"

"I don't want to die!!"

...

Almost at this moment, the entire field suddenly erupted with screams from the masters of the dark race.

But there was no chance of their survival.

Because they had been enveloped by the frenzy of power from Ye Feng's punch.

In the extremely shocked eyes of countless people, Ye Feng's punch was simply devastating, like the fist of a god, capable of breaking everything.

Killed all the dozen or so masters of the ninth level of True Life Realm of the dark race.

The demonic blood stained the entire inner city red, which was extremely shocking!

The whole place fell into dead silence instantly!
